Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 1997), consult the "List of CFR Sections Affected (LSA)," which is issued monthly, and the "Cumulative List of Parts Affected," which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

Properly approved incorporations by reference in this volume are listed in the Finding Aids at the end of this volume.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed in the Finding Aids of this volume as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, Washington DC 20408, or call (202) 523-4534.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I), and Acts Requiring Publication in the Federal Register (Table II). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 2.2 Purpose.

Section 1116(b)(2) of title 18 of the United States Code, as added by Pub. L. 92-539, An Act for the Protection of Foreign Officials and Official Guests of the United States (86 Stat. 1071), defines the term "foreign official" for purposes of that Act as "any person of a foreign nationality who is duly noti-

fied to the United States as an officer or employee of a foreign government or international organization, and who is in the United States on official business, and any member of his family whose presence in the United States is in connection with the presence of such officer or employee." Section 1116(c)(4) of the same Act defines the term "official guest" for the purposes of that Act as "a citizen or national of a foreign country present in the United States as an official guest of the Government of the United States pursuant to designation as such by the Secretary of State." It is the purpose of this regulation to specify the officer of the Department of State who shall be responsible for receiving notification of foreign officials under the Act and determining whether persons are "duly notified" to the United States and who shall be responsible for processing official guest designations by the Secretary of State.

(18 U.S.C. 1116(b)(2), 1116(c)(4); sec. 4 of the Act of May 26, 1949, as amended (22 U.S.C. 2658))

(a) Any notification of a foreign official for purposes of section 1116(b)(2) of Title 18 of the United States Code shall be directed by the foreign government or international organization concerned to the Chief of Protocol, Department of State, Washington, DC 20520. For persons normally accredited to the United States in diplomatic or consular capacities and also for persons normally accredited to the United Nations and other international organizations and in turn notified to the Department of State, the procedure for placing a person in the statutory category of being "duly notified to the United States" shall be the current procedure for accreditation, with notification in turn when applicable. The Chief of the Office of Protocol will place on the roster of persons "duly notified to the United States" the names of all persons currently accredited and, when applicable, notified in turn, and will maintain the roster as part of the official files of the Department of State adding to and deleting therefrom as changes in accreditations occur.

(b) For those persons not normally accredited, the Chief of Protocol shall determine upon receipt of notification, by letter from the foreign government or international organization concerned, whether any person who is the subject of such a notification has been duly notified under the Act. Any inquiries by law enforcement officers or other persons as to whether a person has been duly notified shall be directed to the Chief of Protocol. The determination of the Chief of Protocol that a person has been duly notified is final.

(18 U.S.C. 1116(b)(2), 1116(c)(4); sec. 4 of the Act of May 26, 1949, as amended (22 U.S.C. 2658))

The Chief of Protocol shall also maintain a roster of persons designated by the Secretary of State as official guests. Any inquiries by law enforcement officers or other persons as to whether a person has been so designated shall be directed to the Chief of Protocol. The designation of a person as an official guest is final. Pursuant to section 2658 of title 22 of the U.S.C., the authority of the Secretary of State to perform the function of designation of official guests is hereby delegated to the Chief of Protocol.

The roster will reflect the name, position, nationality, and foreign government or international organization concerned or purpose of visit as an official guest and reflect the date the person was accorded recognition as being "duly notified to the United States" or designated as an official guest and the date, if any, of termination of such status.

(18 U.S.C. 1116(b)(2), 1116(c)(4); sec. 4 of the Act of May 26, 1949, as amended (22 U.S.C. 2658))

AUTHORITY: Sec. 515(a)(1), 91 Stat. 862, amending 5 U.S.C. 7342 (1976).

SOURCE: 45 FR 80819, Dec. 8, 1980, unless otherwise noted.

§ 3.1 Purpose.

These regulations provide basic standards for employees of the Department of State, the United States International Development Cooperation Agency (IDCA), the Agency for International Development (AID), and the International Communication Agency (USICA), their spouses (unless separated) and their dependents to accept and retain gifts and decorations from foreign governments.

§ 3.2 Authority.

(a) Section 515(a)(1) of the Foreign Relations Authorization Act of 1978 (91 Stat. 862-866), approved August 17, 1977, (hereafter referred to as "the Act") amended section 7342 of title 5, U.S. Code (1976), making substantial changes in the law relating to the acceptance and retention of gifts and decorations from foreign governments.

(b) 5 U.S.C. 7342(g) authorizes each employing agency to prescribe regulations as necessary to carry out the new law.

§ 3.3 Definitions.

When used in this part, the following terms have the meanings indicated:

(a) *Employee* means (1) an officer or employee of the Department, AID, IDCA, or USICA, including an expert or consultant, however appointed, and (2) a spouse (unless separated) or a dependent of such a person, as defined in section 152 of the Internal Revenue Code of 1954 (26 U.S.C. 152).

(b) *Foreign government* means: (1) Any unit of foreign governmental authority, including any foreign national, State, local, or municipal government; (2) any international or multinational organization whose membership is composed of any unit of foreign government as described in paragraph (b)(1) of this section; (3) any agent or representative of any such unit or organization, while acting as such;

(c) *Gift* means a tangible or intangible present (other than a decoration) tendered by, or received from, a foreign government;

(d) *Decoration* means an order, device, medal, badge, insignia, emblem or award tendered by, or received from, a foreign government;

(e) *Minimal value* means retail value in the United States at the time of acceptance of \$100 or less, except that on January 1, 1981, and at 3-year intervals thereafter, “minimal value” is to be redefined in regulations prescribed by the Administrator of General Services, in consultation with the Secretary of State, to reflect changes in the consumer price index for the immediately preceding 3-year period.

§ 3.4 Restriction on acceptance of gifts and decorations.

(a) An employee is prohibited from requesting or otherwise encouraging the tender of a gift or decoration from a foreign government. An employee is also prohibited from accepting a gift or decoration from a foreign government, except in accordance with these regulations.

(b) An employee may accept and retain a gift of minimal value tendered

and received as a souvenir or mark of courtesy, subject, however, to the following restrictions—

(1) Where more than one tangible item is included in a single presentation, the entire presentation shall be considered as one gift, and the aggregate value of all items taken together must not exceed “minimal value”.

(2) The donee is responsible for determining that a gift is of minimal value in the United States at the time of acceptance. However, should any dispute result from a difference of opinion concerning the value of a gift, the employing agency will secure the services of an outside appraiser to establish whether the gift is one of “minimal value”. If, after an appraisal has been made, it is established that the value of the gift in question is \$200 or more at retail in the United States, the donee will bear the costs of the appraisal. If, however, the appraised value is established to be less than \$200, the employing agency will bear the costs.

(c) An employee may accept a gift of more than minimal value when (1) such gift is in the nature of an educational scholarship or medical treatment, or (2) it appears that to refuse the gift would likely cause offense or embarrassment or otherwise adversely affect the foreign relations of the United States, except that a tangible gift of more than minimal value is deemed to have been accepted on behalf of the United States and, upon acceptance, shall become the property of the United States.

(d) An employee may accept gifts of travel or expenses for travel taking place entirely outside the United States (such as transportation, food, and lodging) of more than minimal value if such acceptance is appropriate, consistent with the interests of the United States, and permitted by the employing agency. Except where the employing agency has specific interests which may be favorably affected by employee travel wholly outside the United States, even though it would not normally authorize its employees to engage in such travel, the standards normally applied to determine when proposed travel will be in the best interests of the employing agency and of

Department of State

§ 3.5

the United States Government shall be applied in approving acceptance of travel or travel expenses offered by a foreign government.

(1) There are two circumstances under which employees may accept gifts of travel or expenses:

(i) When the employee is issued official travel orders placing him or her in the position of accepting travel or travel expenses offered by a foreign government which are directly related to the authorized purpose of the travel; or

(ii) When the employee's travel orders specifically anticipate the acceptance of additional travel and travel expenses incident to the authorized travel.

(2) When an employee is traveling under circumstances described in paragraph (d)(1)(i) of this section, that is, without specific instructions authorizing acceptance of additional travel expenses from a foreign government, the employee must file a report with the employing agency under the procedures prescribed in § 3.6.

(e) Since tangible gifts of more than minimal value may not lawfully become the personal property of the donee, all supervisory officials shall, in advising employees of their responsibilities under the regulations, impress upon them their obligation to decline acceptance of such gifts, whenever possible, at the time they are offered, or to return them if they have been sent or delivered without a prior offer. All practical measures, such as periodic briefings, shall be taken to minimize the number of gifts which employees must deposit and which thus become subject to disposal as provided by law and regulation. Employees should not accept gifts of more than minimal value on the assumption that refusal would be likely to "cause offense or embarrassment or otherwise adversely affect the foreign relations of the United States". In many instances it should be possible, by explanation of the prohibition against an employee's retention of such gifts, to avoid consequences of acceptance, including possible return of the gift to the donor. Refusal of the gift at the inception should typically be regarded as in the

interest both of the foreign government donor and the U.S. Government.

§ 3.5 Designation of officials and offices responsible for administration of foreign gifts and decorations.

(a) The Act effects a significant degree of decentralization of administration relative to the disposal of foreign gifts and decorations which become U.S. Government property. Each agency is now responsible for receiving from its employees deposits of foreign gifts of more than minimal value, as well as of foreign decorations not meeting the statutory criteria for retention by the recipient. The agency is also responsible for disposing of this property by return to the donor, for retaining it in the agency if official use of it is approved, for reporting to the General Services Administration within 30 calendar days after deposit items neither disposed of nor retained, and for assuming custody, proper care and handling of such property pending removal from that custody pursuant to disposal arrangements by the General Services Administration. The Secretary of State, however, is made responsible for providing guidance to other executive agencies in the development of their own regulations to implement the Act, as well as for the annual publication of lists of all gifts of more than minimal value deposited by Federal employees during the preceding year. [See § 3.5(c).] Authority for the discharge of the Secretary's responsibilities is delegated by these regulations to the Chief of Protocol.

(b) The Office of the Chief of Protocol retains primary responsibility for administration of the Act within the Department of State. That Office will, however, serve as the depository only for those foreign gifts and decorations which are turned in by State Department employees. The Director of Personnel Services of the USICA will have responsibility for administration of the Act within that agency and will serve as the depository of foreign gifts and decorations. Employees of the other foreign affairs agencies must deposit with their respective agencies any gifts or decorations deposit of which is required by law.

(c) Any questions concerning the implementation of these regulations or interpretation of the law should be directed to the following:

(1) For the Department of State, to the Office of Protocol or to the Office of the Assistant Legal Adviser for Management, as appropriate;

(2) For IDCA, to the Office of the General Counsel;

(3) For AID, to the Assistant General Counsel for Employee and Public Affairs; and

(4) For USICA, to the General Counsel.

§ 3.6 Procedure to be followed by employees in depositing gifts of more than minimal value and reporting acceptance of travel or travel expenses.

(a) An employee who has accepted a tangible gift of more than minimal value shall, within 60 days after acceptance, relinquish it to the designated depository office for the employing agency for disposal or, with the approval of that office, deposit it for official use at a designated location in the employing agency or at a specified Foreign Service post. The designated depository offices are:

(1) For the Department of State, the Office of Protocol;

(2) For IDCA, the General Services Division of the Office of Management Planning in AID;

(3) For AID, the General Services Division of the Office of Management Planning; and

(4) For USICA, the Office of Personnel Services.

(b) At the time that an employee deposits gifts of more than minimal value for disposal or for official use pursuant to paragraph (a) of this section, or within 30 days after accepting a gift of travel or travel expenses as provided in § 3.4(d) (unless the gift of such travel or travel expenses has been accepted in accordance with specific instructions from the Department or agency), the employee shall file a statement with the designated depository office with the following information:

(1) For each tangible gift reported:

(i) The name and position of the employee;

(ii) A brief description of the gift and the circumstances justifying acceptance;

(iii) The identity of the foreign government and the name and position of the individual who presented the gift;

(iv) The date of acceptance of the gift;

(v) The donee's best estimate in specific dollar terms of the value of the gift in the United States at the time of acceptance; and

(vi) Disposition or current location of the gift. (For State Department employees, forms for this purpose are available in the Office of Protocol.)

(2) For each gift of travel or travel expenses:

(i) The name and position of the employee;

(ii) A brief description of the gift and the circumstances justifying acceptance; and

(iii) The identity of the foreign government and the name and position of the individual who presented the gift.

(c) The information contained in the statements called for in paragraph (b) of this section is needed to comply with the statutory requirement that, not later than January 31 of each year, the Secretary of State publish in the FEDERAL REGISTER a comprehensive listing of all such statements filed by Federal employees concerning gifts of more than minimal value received by them during the preceding year.

§ 3.7 Decorations.

(a) Decorations tendered in recognition of active field service in time of combat operations or awarded for other outstanding or unusually meritorious performance may be accepted, retained, and worn by an employee, subject to the approval of the employing agency. Without such approval, the decoration is deemed to have been accepted on behalf of the United States and, like tangible gifts of more than minimal value, must be deposited by the employee with the designated depository office for the employing agency within sixty days after acceptance, for retention for official use or for disposal in accordance with § 3.9.

Department of State

§ 3.9

(b) The decision as to whether a decoration has been awarded for outstanding or unusually meritorious performance will be made:

(1) For the Department of State, by the supervising Assistant Secretary of State or comparable official, except that, in the case of a decoration awarded to an Assistant Secretary or other officer of comparable or higher rank, the decision shall be made by the Office of Protocol;

(2) For IDCA, by the Assistant Director for Administration;

(3) For AID, by the Director of Personnel Management; and

(4) For USICA, by the Supervising Associate Director, the General Counsel, or the Director of the Office of Congressional and Public Liaison (for domestic employees), and by the Director of Area Offices (for overseas employees).

(c) To justify an affirmative decision, a statement from the foreign government, preferably in the form of a citation which shows the specific basis for the tender of the award, should be supplied. An employee who has received or been tendered a decoration should forward to the designated depository office of the employing agency a request for review of the case. This request should contain a statement of circumstances of the award and such documentation from the foreign government as has accompanied it. The depository office will obtain the decision of the cognizant office as to whether the award meets the statutory criteria and thus whether the decoration may be retained and worn. Pending receipt of that decision, the decoration should remain in the custody of the recipient.

§ 3.8 Approval of retention of gifts or decorations with employing agency for official use.

(a) At the request of an overseas post or an office within the employing agency, a gift or decoration deemed to have been accepted on behalf of the United States may be retained for official use. Such retention should be approved:

(1) For the Department of State, by the Chief of Protocol;

(2) For IDCA, by AID's Director of Management Operations;

(3) For AID, by the Director of Management Operations; and

(4) For USICA, by the Associate Director for Management.

However, to qualify for such approval, the gift or decoration should be an item which can be used in the normal conduct of agency business, such as a rug or a tea service, or an art object meriting display, such as a painting or sculpture. Personal gift items, such as wristwatches, jewelry, or wearing apparel, should not be regarded as suitable for "official use". Only under unusual circumstances will retention of a decoration for official use be authorized. Every effort should be made to place each "official use" item in a location that will afford the largest number of employees, and, if feasible, members of the public, the maximum opportunity to receive the benefit of its display, provided the security of the location is adequate.

(b) Items approved for official use must be accounted for and safeguarded as Federal property at all times under standard Federal property management procedures. Within 30 days after the official use of a gift has been terminated, the gift or decoration shall be deposited with the designated depository office of the employing agency to be held pending completion of disposal arrangements by the General Services Administration.

§ 3.9 Disposal of gifts and decorations which become the property of the United States.

(a) Gifts and decorations which have been reported to an employing agency shall either be returned to the donor or kept in safe storage pending receipt of instructions from the General Services Administration for transfer, donation or other disposal under the provisions of the Federal Property and Administrative Services Act of 1949, 63 Stat. 377, as amended, and the Federal Property Management Regulations (41 CFR part 101-49). The employing agency shall examine each gift or decoration and the circumstances surrounding its donation and assess whether any adverse effect upon the foreign relations of the United States might result from a return of the gift (or decoration) to the donor, which shall be the preferred

means of disposal. If this is not deemed feasible, the employing agency is required by GSA regulations to report deposit of the gift or decoration within 30 calendar days, using Standard Form 120, Report of Excess Personal Property and, as necessary, Standard Form 120A, Continuation Sheet, and citing section 7342 of title 5, U.S. Code (1976), on the reporting document. Such reports shall be submitted to the General Services Administration, Washington National Capital Region (WDPO), Attention: Federal Property Resources Service, Seventh and D Streets, SW., Washington, DC 20407.

(b) No gift or decoration deposited with the General Services Administration for disposal may be sold without the approval of the Secretary of State, upon a determination that the sale will not adversely affect the foreign relations of the United States. When depositing gifts or decorations with the designated depository office of their employing agency, employees may indicate their interest in participating in any subsequent sale of the items by the Government. Before gifts and decorations may be considered for sale by the General Services Administration, however, they must first have been offered for transfer to Federal agencies and for donation to the States. Consequently, employees should understand that there is no assurance that an item will be offered for sale, or, if so offered, that it will be feasible for an employee to participate in the sale. Employees are reminded in this connection that the primary aim of the Act is to discourage employees' acceptance of gifts of more than minimal value.

§3.10 Enforcement.

(a) Each employing agency is responsible under the Act for reporting to the Attorney General cases in which there is reason to believe that one of its employees has violated the Act. The Attorney General in turn may file a civil action in any United States District Court against any Federal employee who has knowingly solicited or accepted a gift from a foreign government in violation of the Act, or who has failed to deposit or report such gift, as an Act required by the Act. In such case, the court may assess a maximum penalty

of the retail value of a gift improperly solicited or received, plus \$5,000.

(b) Supervisory officials at all levels within employing agencies shall be responsible for providing periodic reorientation of all employees under their supervision on the basic features of the Act and these regulations, and for ensuring that those employees observe the requirements for timely reporting and deposit of any gifts of more than minimal value they may have accepted.

(c) Employees are advised of the following actions which may result from failure to comply with the requirements of the Act and these regulations:

(1) Any supervisor who has substantial reason to believe that an employee under his or her supervision has violated the reporting or other compliance provisions of the Act shall report the facts and circumstances in writing to the senior official in charge of administration within the cognizant bureau or office or at the post abroad. If that official upon investigation decides that an employee who is the donee of a gift or is the recipient of travel or travel expenses has, through actions within the employee's control, failed to comply with the procedures established by the Act and these regulations, the case shall be referred to the Attorney General for appropriate action.

(2) In cases of confirmed evidence of a violation, whether or not such violation results in the taking of action by the Attorney General, the senior administrative official referred to in paragraph (c)(1) of this section as responsible for forwarding a violation report to the Attorney General shall institute appropriate disciplinary action against an employee who has failed to (i) Deposit tangible gifts within 60 days after acceptance, (ii) account properly for the acceptance of travel expenses or (iii) comply with the Act's requirements respecting disposal of gifts and decorations retained for official use.

(3) In cases where there is confirmed evidence of a violation, but no evidence that the violation was willful on the part of the employee, the senior administrative official referred to in paragraph (c)(1) of this section shall institute appropriate disciplinary action of a lesser degree than that called for in

Department of State

§ 3a.1

paragraph (c)(2) of this section in order to deter future violations by the same or another employee.

§3.11 Responsibility of chief of mission to inform host government of restrictions on employees' receipt of gifts and decorations.

A special provision of the Act requires the President to direct every chief of a United States diplomatic mission to inform the host government that it is a general policy of the United States Government to prohibit its employees from receiving gifts of more than minimal value or decorations that have not been tendered "in recognition of active field service in time of combat operations or awarded for other outstanding or unusually meritorious performance." Accordingly, all Chiefs of Mission shall in January of each year conduct a thorough and explicit program of orientation aimed at appropriate officials of the host government concerning the operation of the Act.

§3.12 Exemption of grants and other foreign government assistance in cultural exchange programs from coverage of foreign gifts and decorations legislation.

The Act specifically excludes from its application grants and other forms of assistance "to which section 108A of the Mutual Educational and Cultural Exchange Act of 1961 applies". See 22 U.S.C. 2558 (a) and (b) for the terms and conditions under which Congress consents to the acceptance by a Federal employee of grants and other forms of assistance provided by a foreign government to facilitate the participation of such employee in a cultural exchange.

§ 3a.2 Requirement for approval of foreign government employment.

Congress has consented to the acceptance of civil employment (and compensation therefor) by any person described in § 3a.1(b) subject to the approval of the Secretary concerned and the Secretary of State (37 U.S.C. 801, Note). Civil employment with a foreign government may not be accepted without such approval by any person so described.

(b) The Secretary of State has no authority to approve employment with a foreign government by any officer of the United States other than a person described in § 3a.1(a). § 3a.3 Authority to approve or disapprove proposed foreign government employment.

The Director, Bureau of Politico-Military Affairs, is authorized to approve or disapprove any request by an applicant for approval under this part to accept civil employment (and compensation therefor) from a foreign government. The Director may delegate this authority within the Bureau of Politico-Military Affairs, Department of State.

§ 3a.4 Procedure for requesting approval.

(a) An applicant must submit a request for approval of foreign government employment to the Secretary concerned, whose approval is also required by law for the applicant's acceptance of civil employment from a foreign government. The request must contain information concerning the applicant's status, the nature of the proposed employment in as much detail as possible, the identity of and relationship to the foreign government concerned, and other matters as may be required by the Secretary concerned.

(b) Requests approved by the Secretary concerned will be referred to the Director, Bureau of Politico-Military Affairs, for approval. Requests received by the Director, Bureau of Politico-Military Affairs, directly from an applicant will be initially forwarded to the Secretary concerned, or his designee, for approval or disapproval.

§ 3a.5 Basis for approval or disapproval.

Decisions by the Director, Bureau of Politico-Military Affairs, under this part shall be based on whether the applicant's proposed employment with a foreign government would adversely affect the foreign relations of the United States, in light of the applicant's official status as a retiree or reservist.

loss of United States citizenship, for example, by becoming a citizen of or taking an oath of allegiance to another country. See 8 U.S.C. 1481 et seq.

(c) Within 60 days after receipt of the notice of disapproval, an applicant whose request has been disapproved may submit a request for reconsideration by the Director, Bureau of Politico-Military Affairs. A request for reconsideration should provide information relevant to the reasons set forth in the notice of disapproval.

(d) The disapproval of a request by the Director, Bureau of Politico-Military Affairs, will be final, unless a timely request for reconsideration is received. In the event of a request for reconsideration, the Director, Bureau of Politico-Military Affairs, will make a final decision after reviewing the record of the request. A final decision after reconsideration to approve the applicant's proposed employment with a foreign government will be communicated to the Secretary concerned as provided in § 3a.6. A final decision after reconsideration to disapprove the applicant's proposed employment with a foreign government will be communicated directly to the applicant as provided in paragraph (a) of this section and the Secretary concerned will be informed. The Director's authority to make a final decision after reconsideration may not be redelegated.

§ 3a.8 Change in status.

In the event that an applicant's foreign government employment approved under this part is to be materially changed, either by a substantial change in duties from those described in the request upon which the original approval was based, or by a change of employer, the applicant must obtain further approval in accordance with this part for such changed employment.

§ 7.5 Procedures.

(a) *Filing of appeal.* A person who has been the subject of an adverse decision in a case falling within the purview of § 7.3 shall be entitled upon written request made within the prescribed time to appeal the decision to the Board. The appeal shall be in writing and shall state with particularity reasons for the appeal. The appeal may be accompanied by a legal brief. (b) *Time limit on appeal.* (1) A person who contends that the Department's administrative determination of loss of nationality or expatriation under subpart C of part 50 of this chapter is contrary to law or fact, shall be entitled to appeal such determination to the Board upon written request made within one year after approval by the Department of the certificate of loss of nationality or a certificate of expatriation.

(d) *Briefs.* Briefs in support of or in opposition to an appeal shall be submitted in triplicate to the Board. The appellant shall submit his or her brief within 60 days after filing of the ap-

peal. The Department shall then file a brief within 60 days after receipt of a copy of appellant's brief. Reply briefs, if any, shall be filed within 30 days after the date the Department's brief is filed with the Board. Extension of time for submission of a reply brief may be granted by the Board for good cause shown. Posthearing briefs may be submitted upon such terms as may be agreed to by the parties and the presiding member of the Board at the conclusion of a hearing.

(e) *Hearing.* An appellant shall be entitled to a hearing upon written request to the Board. An appellant may elect to waive a hearing and submit his or her appeal for decision on the basis of the record before the Board.

(f) *Pre-hearing conference.* Whether there is a hearing before the Board on an appeal or whether an appeal is submitted for decision on the record without a hearing the Board may call upon the parties to appear before a member of the Board for a conference to consider the simplification or clarification of issues and other matters as may aid in the disposition of the appeal. The results of the conference shall be reduced to writing by the presiding Board member, and this writing shall constitute a part of the record.

(g) *Admissibility of evidence.* Except as otherwise provided in § 7.7 and § 7.8, the parties may introduce such evidence as the Board deems proper. Board, by the Department, and by the appellant's attorney, if any. If any witness whom the appellant or the Department wishes to call is unable to appear personally, the Board in its discretion, may accept an affidavit by the witness or grant leave to take the deposition of such witness. Any such witness will be subject to cross examination by means of sworn responses to interrogatories posed by the opposing party. The appellant and the Department shall be entitled to be informed of all evidence before the Board and of the source of such evidence, and to confront and cross-examine any adverse witness. The Board may require a stipulation of facts prior to or at the beginning of the hearing and may require supplemental statements on issues presented to it, or confirmation, verification or authentication of any evidence submitted by the parties. The parties shall be entitled to reasonable continuances upon request for good cause shown.

SOURCE: 40 FR 28606, July 8, 1975, unless otherwise noted.

§ 8.1 Authorities.

(a) *Regulatory authorities.* (1) These regulations are issued to implement the Federal Advisory Committee Act, Pub. L. 92-463, which became effective January 5, 1973, and Office of Management and Budget Circular No. A-63 of March 27, 1974. These regulations also are in accordance with Executive Order 11769 of February 21, 1974, and the responsibilities of the Secretary of State under 22 U.S.C. 2656.

(2) These regulations apply to any advisory committee which provides advice to the Department of State or any officer of the Department. However, to the extent that an advisory committee is subject to particular statutory provisions, which are inconsistent with the Federal Advisory Committee Act, these regulations do not apply.

(b) *Delegated authority.* (1) The Deputy Under Secretary for Management has been designated by the Secretary

22 CFR Ch. I (4-1-97 Edition)

(Delegation of Authority No. 125 signed November 7, 1972) to have full responsibility for the Committee Management function.

(2) The Advisory Committee Management Officer in the Management Systems Staff administers the Committee Management Program for the Deputy Under Secretary for Management.

§ 8.2 Policy.

(a) Advisory Committees are to be used for obtaining advice and recommendations on matters for which they were established, and may be utilized only when the information sought is not otherwise efficiently and economically available.

(b) Unless provided otherwise by statute or Presidential directive, advisory committees shall be utilized solely for advisory functions and any decision taken pursuant to the advice or recommendation of an advisory committee is the responsibility of the appropriate Department officer. For the purposes of this provision, "Presidential directive" includes an executive order or executive memorandum.

(c) Meetings of advisory committees will be open to the public unless there is a compelling reason which requires nondisclosure of the subject matter in accordance with public law (5 U.S.C. 552 (b)).

§ 8.3 Scope.

(a) The Federal Advisory Committee Act applies to committees "established" by the Government and to committees "utilized" though not established by the Government.

(1) The President and the Congress, or the Department in consultation with the Office of Management and Budget, may *establish* a group which shall be known as an advisory committee for the purpose of obtaining advice or recommendations and which shall be subject to the Federal Advisory Committee Act throughout its existence.

(2) Though not established by the President or the Department, a group *utilized* for the purpose of obtaining advice or recommendations must file a charter prior to a meeting, and otherwise conform to the requirements of the Act during any meetings or other contacts with the Department.

Department of State

§ 8.6

(b) One requisite for coverage of either type (established or utilized) under the Federal Advisory Committee Act is that the group can be defined as a committee as set forth in the definition of a committee, as contained in § 8.4 of these regulations, and have all or most of the following characteristics:

(1) The purpose, objective or intent is that of providing advice to any officer or organizational component of the Department;

(2) Has regular or periodic meetings;

(3) Has fixed membership (membership may include more than one full time Federal officer or employee but is not comprised wholly of Government personnel);

(4) Has an organizational structure (e.g., officers) and a staff.

(c) Where a group provides some advice to an agency, but the group's advisory function is incidental to and inseparable from other operational functions such as making or implementing decisions, the Federal Advisory Committee Act does not apply.

(d) Where the advisory function of a group is separable from its operational function, the group is subject to the Act to the extent that it operates as an advisory committee.

§ 8.4 Definitions.

(a) The Federal Advisory Committee Act defines advisory committee as any committee, board, commission, council, conference, panel, task force, or other similar group, or any subcommittee or other subgroup thereof, which is—

(1) Established by statute or reorganization plan, or

(2) Established or utilized by the President, or

(3) Established or utilized by one or more agencies, in the interest of obtaining advice or recommendations for the President or one or more agencies or officers of the Federal Government, except a committee composed wholly of full-time officers and employees of the Government.

(b) A formal subgroup or subcommittee independently possesses significant requisites of an advisory committee, i.e., fixed membership, periodic meetings, et cetera.

(c) An informal subgroup or subcommittee is one that facilitates the activities of its advisory committee. For example, during a particular meeting, the advisory committee may divide itself into subgroups to permit simultaneous discussion of different topics.

§ 8.5 Creation of a committee.

(a) A bureau or an office designated or desiring to sponsor an advisory committee will prepare a memorandum to the Advisory Committee Management Officer setting forth the purpose, organization (including subgroups), proposed balanced membership (see § 8.6), and a justification for the need of the particular committee.

(b) The Advisory Committee Management Officer will review the request and will make an action recommendation to the Deputy Under Secretary for Management through the Director of the Management Systems Staff.

(c) If the Deputy Under Secretary for Management approves the request, it will be submitted to the Committee Management Secretariat of the Office of Management and Budget for approval. The OMB Secretariat will usually take action within 15 days.

(d) The Advisory Committee Management Officer will advise the sponsoring bureau or office of the approval for or rejection of the request to establish the advisory committee.

(e) After OMB approval the intent to establish an advisory committee, containing a description of the committee and a statement of why it is in the public interest to create it, will be published in the FEDERAL REGISTER at least 15 days prior to filing the committee charter.

§ 8.6 Membership.

(a) The act requires a balanced membership in terms of the points of view represented. Members are selected for their expertise in the committee's functions and should be chosen from different vocations having knowledge in the subject.

(b) It is Department policy that members will be selected without regard to national origin, religion, race, sex, or color.

(c) The committee office will keep the Advisory Committee Management Officer currently advised of a committee's membership including vacancies.

§ 8.7 Security.

(a) All officers and members of a committee must have a security clearance for the subject matter level of security at which the committee functions.

(b) The responsible committee office will provide the Advisory Committee Management Officer with each member's security clearance level and date of issue.

(c) The substantive office sponsoring an advisory committee is responsible for access to and removal from official premises of classified material in accordance with the Department's security regulations (5 FAM 940 and 973). Any questions arising involving security procedures are to be presented to the Office of Security for guidance and resolution.

§ 8.8 Chartering of committees.

(a) *Requirements.* (1) Each advisory committee, whether established or utilized, must have a charter approved by the Deputy Under Secretary of State for Management and filed with the Advisory Committee Management Officer, the Senate Foreign Relations Committee and the House Committee on International Relations, and in the case of a Presidential advisory committee only with the Committee Management Secretariat of OMB before it can hold a meeting.

(2) Formal subgroups may be chartered separately or the requisite information set forth in the charter of the parent committee.

(3) Informal subgroups may not require a charter; however, the charter of the parent committee must cover this aspect of its organization.

(4) The Advisory Committee Management Officer will, at the time a charter is filed, furnish a copy of the filed charter to the Library of Congress.

(b) *Contents.* Each committee charter shall contain: The official name and acronym, if any; the objectives, scope of activity, and full description of duties; the authority for such functions; the Department official (by title) to

whom the committee reports; the relationship to or with other committees; the committee organization, composition of membership and officers' responsibilities; a description of the type of minutes, with their certification of accuracy, and records to be maintained; the estimated annual operating costs in dollars and man-years, and the source and authority for these resources; the period of time that will be required by the committee to accomplish its stated purpose; the estimated number and frequency of meetings; the termination date; and the filing date of the charter.

(c) *Termination and Renewal.* (1) An existing advisory committee will be automatically terminated at the end of a 2-year period (i.e., date specified in charter) unless its charter is renewed, except for a statutory committee which has provisions providing to the contrary.

(2) The Deputy Under Secretary for Management will make a determination, based on a comprehensive review, whether or not a committee will be continued.

(3) The OMB Secretariat will be advised of the determination and reasons therefore 60 days prior to the charter expiration date of the committee. If the Secretariat concurs, the Advisory Committee Management Officer will publish in the FEDERAL REGISTER the Department's intent to continue those advisory committees so designated by the Deputy Under Secretary for Management.

(4) Each office responsible for an advisory committee it wishes to continue will prepare a new charter and submit it to the Advisory Committee Management Officer before October 1 biennially.

(5) No advisory committee shall meet, advise or make recommendations between the expiration date of its charter and the date its new charter is filed.

(d) *Amendments.* (1) The charter of a committee may be amended, as necessary, to reflect current information on organization, composition, activities, et cetera.

(2) A proposed amendment must be approved prior to any committee activity to which the proposed amendment relates.

§ 8.9 Meetings of advisory committees.

(a) *Applicability.* The term “meeting” covers any situation in which all or some of the members of an advisory committee convene with a representative of the Department to transact committee business or to discuss matters related to the committee. This is applicable to an advisory committee and to its subordinate components.

(b) *Designated Department Official.* (1) No advisory committee may hold a meeting in the absence of the designated full-time Department or other U.S. Government officer.

(2) The designated Department or other U.S. Government officer has the following responsibilities:

- (ii) Calls or approves in advance the calling of the meetings;
- (iii) Adjourns any meeting whenever he or she determines that adjournment is in the public interest.

(c) *Notice of Meetings.* (1) All advisory committee meetings, open or closed, will be publicly announced except when the President of the United States determines otherwise for reasons of national security.

(2) Notice of each such meeting shall be published in the FEDERAL REGISTER and in a Department of State Press Release at least 15 days prior to the meeting date.

(3) The responsible committee office will prepare the notice and press release, obtaining clearances as set forth in paragraphs (c)(3) (i) and (ii) of this section, and deliver to the Advisory Committee Management Officer for action:

- (i) *Open meeting*—clearance within initiating office/bureau;
- (ii) *Closed meeting*—clearance within initiating office/bureau including its legal adviser, and the Bureau of Public Affairs at the Bureau level.

(4) The Deputy Under Secretary for Management will determine if an advisory committee may hold a closed meeting, after a request for a meeting not open to the public is cleared by the

Advisory Committee Management Officer and the Office of the Legal Adviser.

(5) After the clearances set forth in paragraphs (c) (3) and (4) of this section, a notification of meeting may also be provided by the office/bureau to any persons or organizations known to be interested in the activities of the committee.

(6) The office sponsoring the committee is responsible for meeting publishing date requirements. Overall normal processing time prior to a meeting date is 25 days for an open meeting and 47 days for a closed meeting.

(3) A *closed meeting* announcement will state the name of the committee, the date of meeting and the reason or reasons which justify the closing of the meeting in the public interest.

(e) *Closed Meetings.* (1) An advisory committee meeting may be closed in accordance with the Federal Advisory Committee Act when the President or Department determines that the meeting is concerned with matters listed in section 552(b) of title 5, United States Code.

(2) Any determination to close all or a part of a meeting must be based upon specific reasons. If a meeting is to cover separable matters, not all of which are within the exemptions of 5 U.S.C. 552(b), only the portion of the meeting dealing with exempt matters may be closed.

(3) When a meeting or portion of a meeting is to be closed to the public, the notice should state the reasons for the closing.

(4) The written request in accordance with paragraph (c)(4) of this section, for a determination by the Deputy Under Secretary for Management that a committee may hold a closed meeting must be submitted at least 47 days before the scheduled date of the meeting unless the Deputy Under Secretary for Management determines that a shorter period of time is necessary.

(1) *Comprehensive Review.* An annual review shall be conducted on a calendar year basis to determine the essentiality of the committee. The results of that Review are included in the Annual Report. The due date is *October 1*.

(2) *Annual Report.* A calendar year report which covers the status of the committee. It is a component report for the President's annual report to the Congress. The due date is *December 31*.

(3) *Report of Closed Meeting(s).* A summary of the activities and related matters discussed by a committee during a closed meeting shall be prepared annually. It is to be as informative as possible for the public consistent with section 552(b) policy of the Freedom of Information Act.

(c) Advisory activities reports are reports issued by the committee. They are to be submitted, when prepared in final as a committee document or published, on a current basis.

(d) All reports are submitted to the Advisory Committee Management Officer.

(1) The Comprehensive Review is signed by the responsible committee officer and approved by the bureau/office policy making officer. It is submitted in original only.

(2) The Annual Report will be prepared on Standard Forms 248 and 249 in original and one copy. (Instructions for preparation are printed on the back of the forms.)

§ 9.2

(3) The Report of Closed Meeting(s) is signed by the committee chairman and submitted in original and 8 copies.

(4) The Advisory activities reports are submitted in 9 copies each, except Presidential advisory committee reports are submitted in 12 copies.

§ 8.11 Records.

(a) The records of an advisory committee consist of all papers and documents which are prepared for or by and/or made available to the committee, and are maintained by the office responsible for the committee. Such records are *inter alia* agenda, drafts, minutes, notices, press releases, reports, studies, transcripts, and working papers.

(b) The Advisory Committee Management Officer maintains the Department's official records relating to the management of all committees.

APPENDIX A TO PART 9—DEFINITIONS

AUTHORITY: E.O. 12356, National Security Regulations of April 2, 1982 (47 FR 14874, April 6, 1982); Information Security Oversight Office Directive No. 1 (47 FR 27836, June 25, 1982).

SOURCE: 47 FR 55594, Dec. 10, 1982, unless otherwise noted.

§ 9.1 General policy.

(a) E.O. 12356 (hereinafter called "the Order") recognizes that it is essential that the public be informed concerning the activities of its government, but that the interests of the United States and its citizens require that certain information concerning the national defense and foreign relations be protected against unauthorized disclosure. With this object, the Order prescribes a uniform system for classifying, declassifying, and safeguarding national security information.

(b) The purpose of these regulations is to assist in the implementation of the Order and Information Security Oversight Office (hereinafter referred to as ISOO), Directive No. 1, (hereinafter called "the Directive"), and users of these regulations may refer to the Order and Directive for additional guidance.

§ 9.2 Implementation and oversight responsibilities.

The Order requires each agency that originates or handles classified information to promulgate implementing regulations. The Order further requires that each agency originating or handling classified material shall designate a senior official to direct and administer its information security

program. This official shall be responsible for actively overseeing the agency's program, including a security education program, to ensure effective implementation of the Order.

(a) In addition, this official shall have the following responsibilities:

(1) To establish and monitor agency policies and procedures to prevent over or under classification, to ensure the protection from unauthorized disclosure of properly classified information, including intelligence information, and to ensure orderly and effective declassification of agency documents which no longer require protection, in accordance with the terms of the Order.

(2) To review proposed classified disclosures of an exceptional nature bearing upon issues of concern to the Congress and the public.

(3) To issue any needed guidelines for classification or declassification.

(4) To recommend to the agency head the following:

(i) Proposals for reclassification in accordance with section 1.6(c) of the Order;

(ii) Other categories of information, as defined in section 1.3(a)(10) of the Order, which require protection against unauthorized disclosure but which are not specifically protected by sections 1.3(a) (1) through (9) of the Order;

(iii) Waivers, for specified classes of documents or information of the requirement to indicate which portions of documents are classified and which are not, as provided by section 1.5(b) of the Order; and

(iv) Waivers for specified classes of documents or information, of the requirement to prepare derivative classification guides, as provided by section 2.2(c) of the Order.

(5) To prepare a list of officials, by name or position, delegated Top Secret, Secret, and Confidential classification authority.

(6) To receive, and if necessary act on, suggestions and complaints with respect to that agency's administration of its information security program.

(7) To provide guidance concerning corrective or disciplinary action in unusually important cases involving unauthorized disclosure or refusal to declassify.

(8) To maintain liaison with the Director of ISOO and to furnish reports and information as required by section 5.2 of the Order.

(b) *Department of State.* Within the Department of State, the senior official is the Deputy Assistant Secretary, Classification/Declassification Center, hereinafter referred to as (DAS/CDC).

(c) *AID.* Within AID (a component of the International Development Cooperation Agency), the senior official is the Inspector General.

(d) *USIA.* Within USIA, the senior official is the Director, Office of the Public Liaison.

§ 9.3 Responsibility for safeguarding classified information.

(a) *Primary.* The specific responsibility for the maintenance of the security of classified information rests with each person having knowledge or physical custody thereof, no matter how obtained.

(b) *Individual.* Each employee is responsible for becoming familiar with and adhering to all security regulations.

(c) *Supervisory.* The ultimate responsibility for safeguarding classified information rests upon each supervisor to the same degree that the supervisor is charged with functional responsibility for the organizational unit. While certain employees may be assigned specific security responsibilities, such as Top Secret Control Officer or Unit Security Officer, it is nevertheless the basic responsibility of supervisors to ensure that classified material entrusted to their organizational units is handled in accordance with the procedures prescribed in these regulations. Each supervisor should ensure that no one employee is assigned unreasonable security responsibilities in addition to usual administrative or functional duties.

(d) *Organizational.* The Offices of Security in State, AID, and USIA are responsible for physical, procedural, and personnel security in their respective agencies. In the Department of State, the Office of Communications (COMSEC) is responsible for communications security.

§ 9.4 Classification.

(a) When there is reasonable doubt about the need to classify information, the information shall be safeguarded as if it were "Confidential" pending a determination about its classification by an original classification authority. When there is reasonable doubt about the appropriate classification level, the information shall be safeguarded at the higher level pending the determination of its classification level by an original classification authority. Determinations hereunder shall be made within 30 days.

(b) Information may not be classified unless its disclosure reasonably could be expected to cause damage to the national security. Information may not be classified to conceal violations of law, inefficiency, or administrative error; to prevent embarrassment to a person, organization, or agency; to restrain competition; or to prevent or delay the release of information that does not require protection in the interest of national security.

(c) The President or an agency head or official designated under section 1.2 (a)(2), 1.2 (b)(1), or 1.2 (c)(1) of the Order may reclassify information previously declassified and disclosed if it is determined in writing that (1) the information requires protection in the interest of national security, and (2) the information may reasonably be recovered. These reclassification actions shall be reported promptly to the Director of ISOO.

(d) It is permitted to classify or reclassify information after an agency has received a request for it under the Freedom of Information Act or the Privacy Act, or the mandatory review provisions of the Order, provided that such classification meets the requirements of the Order and is accomplished personally and on a document-by-document basis by the agency head, the deputy agency head, the senior official, or an official with original Top Secret classification authority. Every effort should be made to classify properly at the time of origin. When a determination is made that a document requires classification or reclassification, however, all holders of the document should be notified and, in the Department of State, a copy of the classifica-

tion or reclassification memorandum should be sent to the Foreign Affairs Information Management Center (FAIM). In addition, if the classification or reclassification was done in any office other than the DAS/CDC, that office should send a copy of the pertinent memorandum to the CDC.

(e) For the Department of State, these functions will be performed by the DAS/CDC.

(f) For AID, the function will be performed by the Administrator.

(g) For USIA, the function will be performed by the Director of Public Liaison.

(h) Information classified in accordance with these regulations shall not be declassified automatically as a result of any unofficial publication or inadvertent or unauthorized disclosure in the United States or abroad of identical or similar information.

§ 9.5 Classification designations.

(a) Only three (3) designations of classification are authorized: "Top Secret," "Secret," and "Confidential."

(1) *Top Secret.* Information may be classified "Top Secret" if its unauthorized disclosure could reasonably be expected to cause exceptionally grave damage to the national security. This classification should be used with the utmost restraint. Examples of "exceptionally grave damage" include armed hostilities against the United States or its allies; disruption of foreign relations vitally affecting the national security; the compromise of vital national defense plans or complex cryptologic and communications intelligence systems; the revelation of sensitive intelligence operations; and the disclosure of scientific or technological developments vital to national security.

(2) *Secret.* Information may be classified "Secret" if its unauthorized disclosure could reasonably be expected to cause serious damage to the national security. This classification should be used sparingly. Examples of "serious damage" include disruption of foreign relations significantly affecting the national security; significant impairment of a program or policy directly related to the national security; revelation of

significant military plans or intelligence operations; and compromise of significant scientific or technological developments relating to national security.

(3) *Confidential*. Information may be classified “Confidential” if its unauthorized disclosure could reasonably be expected to cause damage to the national security. Except as otherwise provided by statute, no other terms shall be used to identify classified information. Terms or phrases such as “For Official Use Only” or “Limited Official Use” shall not be used to identify national security information. No other term or phrase shall be used in conjunction with these national security information designations, such as “Secret Sensitive” or “Agency Confidential” to identify national security information.

(b) *Foreign government information*. If classified by the foreign government, the information shall either retain its original classification or be assigned a U.S. classification designation which will ensure a degree of protection at least equivalent to that required by the entity that furnished the information. If not given a specific classification by the foreign government, the information will be assigned an appropriate classification dependent on the sensitivity of the subject matter and the degree of damage its unauthorized disclosure could reasonably be expected to cause to the national security. Classification designations assigned by the U.S. agency shall be marked on the foreign government information in accordance with the provisions of § 9.12.

§ 9.6 Requirements for classification.

With the exception of the Atomic Energy Act of 1954, as amended, these regulations are the only basis for classifying information in the agencies named herein. To be eligible for classification, information must meet the two following requirements:

(a) First, it must deal with one of the following criteria:

- (1) Military plans, weapons, or operations;
- (2) The vulnerabilities or capabilities of systems, installations, projects, or plans relating to the national security;
- (3) Foreign government information;

(4) Intelligence activities (including special activities), or intelligence sources or methods;

(5) Foreign relations or foreign activities of the United States;

(6) Scientific, technological, or economic matters relating to the national security;

(7) U.S. Government programs for safeguarding nuclear materials or facilities;

(8) Cryptology;

(9) Confidential sources; or

(10) Other categories of information that are related to the national security and that require protection against unauthorized disclosure as determined by the President or by agency heads or other officials who have been delegated original classification authority by the President. In the Department of State, the DAS/CDC, as the senior official, shall recommend such other categories of information to the Secretary. Any determination made under this subsection shall be reported promptly to the Director of ISOO.

(b) Second, an official with original classification authority must determine that the unauthorized disclosure of the information, either by itself or in the context of other information, reasonably could be expected to cause damage to the national security. Unauthorized disclosure of foreign government information, the identity of a confidential foreign source, or intelligence sources or methods is presumed to cause damage to the national security.

(c) Certain information which would otherwise be unclassified may require classification when combined or associated with other classified or unclassified information. Classification on this basis shall be supported by a written explanation that, at a minimum, shall be maintained with the file or record copy of the information.

§ 9.7 Classification authority.

(a) In the Department of State authority for original classification of information as “Top Secret” may be exercised only by the Secretary of State and those officials delegated this authority in writing, by position or by name, by the Secretary or the DAS/

Department of State

§ 9.10

CDC, as the senior official, on the basis of their frequent need to exercise such authority. Normally these will not be below the level of Deputy Assistant Secretary in the Department; or Chief of Mission, Charge d'Affairs, or principal officer at an autonomous consular post overseas.

(b) Authority for original classification of information as "Secret" may be exercised by officials with Top Secret authority, the Administrator of AID, and the Director of USIA. This authority may be delegated to such subordinate officials as the senior official in the Department, the administrator of AID or the Director of USIA may designate in writing, by position or by name, on the basis of their frequent need to exercise such authority. Normally, these will not be below the level of office director, section head (in a mission abroad), country public affairs officer, or equivalent.

(c) Authority for original classification of information as "Confidential" may be exercised by officials with Top Secret or Secret classification authority, and the President of the Overseas Private Investment Corporation; and may be delegated to such subordinate officials as the senior official in the Department, the Administrator of AID, the Director of USIA, or the President of OPIC may designate in writing, by position or by name, on the basis of their frequent need to exercise such authority.

(d) Delegated original classification authority at any level may not be re-delegated.

(e) In the absence of an authorized classifier, the person designated to act for that official may exercise the classifying authority.

(f) In the Department of State the Classification/Declassification Center, and in AID and USIA the Office of Security, shall maintain a current listing, by classification designation, of the positions or officials carrying original classification authority. The listing shall be reviewed as needed to ensure that such delegations have been held to a minimum, and that officials so designated have a continuing need to exercise such authority.

§ 9.8 Limitations on classification.

A reference to classified documents which does not directly or indirectly disclose classified information may not be classified or used as a basis for classification.

§ 9.9 Duration of classification.

(a) Information shall be classified for as long as is required by national security considerations. When it can be determined, a specific date or event for declassification shall be set by the original classification authority at the time the information is originally classified.

(b) Information classified under predecessor orders that is not subject to automatic declassification or that is marked for review before declassification shall remain classified until reviewed for declassification.

(c) Automatic declassification determinations under predecessor orders shall remain valid unless the classification is extended by an authorized official of the originating agency. These extensions may be by individual documents or categories of information. The agency shall be responsible for notifying holders of the information of such extensions as soon as possible. The authority to extend the classification of information subject to automatic declassification under predecessor orders is limited to those officials who have classification authority over the information and are designated in writing to have original classification authority at the level of the information to remain classified. Any decision to extend this classification on other than a document-by-document basis shall be reported to the Director of the ISOO.

§ 9.10 Derivative classification.

(a) Derivative classification is made by a person, not necessarily having original classification authority, based on an originally classified document or as directed by a classification guide. The derivative classifier may be one who reproduces, extracts, restates, paraphrases, or summarizes classified materials, or applies markings in accordance with source material or a classification guide.

(b) Derivative classifiers must respect original classification markings. Only if the derived document, by means of paraphrasing, excising, etc., has clearly lost the original grounds for classification, may its original classification be removed or lowered.

(c) Subject to paragraph (b) of this section, markings on derivatively classified material, including declassification instructions, shall be carried forward from the original material, or shall be as directed by the classification guide.

§ 9.11 Derivative classification guides.

(a) Agencies with original classification authority shall prepare classification guides to facilitate the proper and uniform derivative classification of information, except as provided in paragraph (e) of this section.

(b) Each guide shall be approved personally and in writing by an official who:

(1) Has program or supervisory responsibility over the information or is the senior agency official who directs and administers the information security program; and

(2) Is authorized to classify information originally at the highest level of classification prescribed in the guide.

(c) Classification guides shall, at a minimum:

(1) Identify or categorize the elements of information to be protected;

(2) State which classification level applies to each element or category of information; and

(3) Prescribe declassification instructions for each element or category of information in terms of (i) a period of time, (ii) the occurrence of an event, or (iii) a notation that the information shall not be automatically declassified without the approval of the originating agency.

(d) Classification guides shall be reviewed at least every two years and updated as necessary. Each agency shall maintain a list of its classification guides in current use.

(e) Agency heads may, for good cause, grant and revoke waivers of the requirement to prepare classification guides for specified classes of documents or information. In the Department of State, the DAS/CDC, as senior

official, shall make recommendations to the Secretary concerning such waivers. In AID, the Inspector General shall make recommendations to the Administrator concerning such waivers. In USIA, the Director of the Office of Public Liaison shall make recommendations to the Director concerning such waivers. The Director of ISOO shall be notified of any waivers. The decision to waive the requirement to issue classification guides for specific classes of documents or information should be based, at a minimum, on an evaluation of the following factors:

(1) The ability to segregate and describe the elements of information;

(2) The practicality of producing or disseminating the guide because of the nature of the information;

(3) The anticipated usage of the guide as a basis for derivative classification; and

(4) The availability of alternative sources for derivatively classifying the information in a uniform manner.

§ 9.12 Identification and markings.

Except in extraordinary circumstances as provided in section 1.5(a) of the Order, or as indicated herein, the marking of paper documents shall not deviate from the following prescribed formats. These markings shall also be affixed to material other than paper documents, or the originator shall provide holders or recipients of the information with written instructions for protecting the information. These markings include one of the three (3) classification levels defined in § 9.5, the identity of the original classification authority (except as noted under paragraph (b)(ii) of this section) the agency and office of origin (except as noted under paragraph (b)(ii) of this section) and the date or event for declassification or the notation "Originating Agency's Determination Required" (OADR).

(a) *Classification level.* The markings "Top Secret," "Secret," and "Confidential" are used to indicate: That information requires protection as national security information under the Order; the highest level of classification contained in a document; and the classification level of each page and, in

abbreviated form, each portion of a document.

(1) *Overall marking.* The highest level of classification of information in a document shall be marked in such a way as to distinguish it clearly from the informational text. These markings shall appear at the top and bottom of the outside of the front cover (if any), on the title page (if any), on the first page, and on the outside of the back cover (if any).

(2) *Page marking.* Each interior page of a classified document shall be marked at the top and bottom either according to the highest classification of the content of the page, including the designation "UNCLASSIFIED" when it is applicable, or with the highest overall classification of the document.

(3) *Portion-marking.* Agency heads may waive the portion marking requirement for specified classes of documents or information only upon a written determination that (i) there will be minimal circulation of the specified documents or information and minimal potential usage of these documents or information as a source for derivative classification determination; or (ii) there is some other basis to conclude that the potential benefits of portion marking are clearly outweighed by the increased administrative burdens. Unless this requirement has been waived, each portion of a document, including subjects and titles, shall be marked by placing a parenthetical designation immediately preceding or following the text to which it applies. The symbols "(TS)" for Top Secret, "(S)" for Secret, "(C)" for Confidential, and "(U)" for Unclassified shall be used for this purpose. If the application of these symbols is not practicable, the document shall contain a statement sufficient to identify the information that is classified and the level of such classification, and the information that is not classified. If all portions of a document are classified at the same level, it may be marked with a statement to that effect, e.g., "Confidential—Entire Text." If a subject or title requires classification, an unclassified identifier may be assigned to facilitate reference.

(A) For the Department of State, the Secretary has waived the portion

marking requirement for the following classes of documents under section 2001.5(a)(3)(i) of the Directive—documents which will have minimal circulation and minimal potential usage as a source for derivative classification:

(1) Documents containing Top Secret information;

(2) Action/informational memoranda prepared for Assistant Secretaries and above;

(3) Instructions to posts and negotiating delegations;

(4) In-house research studies; and

(5) Inter and intra-office memoranda.

(B) The Secretary has also waived the portion marking requirement for documents, both telegraphic and non-telegraphic, containing foreign government information, under section 2001.5(a)(3)(ii) of the Directive.

(4) *Omitted markings.* Information assigned a level of classification under predecessor orders shall be considered as classified at the level of classification despite the omission of other required markings. Omitted markings may be inserted on a document by the officials specified in section 3.1(b) of the Order.

(b) *Classification authority.* If the original classifier is other than the signer or approver of the document, the identity shall be shown as "CLASSIFIED BY" ("identification of original classification authority").

(c) *Agency and office of origin.* If the identity of the originating agency and office is not apparent on the face of the document, it shall be placed below the "CLASSIFIED BY" line.

(d) *Declassification and downgrading instructions.* Declassification and, as applicable, downgrading instructions shall be shown as follows:

(1) For information to be declassified automatically on a specific date or event: "DECLASSIFY ON: (date)" or "DECLASSIFY ON: (description of event)".

(2) For information not to be automatically declassified: "DECLASSIFY ON: Originating Agency Determination Required or OADR".

(3) For information to be downgraded automatically on a specific date or upon occurrence of a specific event: "DOWNGRADE TO (classification

level) ON (date or description of event)”).

(e) *Special markings*—(1) *Transmittal documents*. A transmittal document shall indicate on its face the highest classification of any information transmitted by it. It shall also include the following or similar instructions:

(i) For an unclassified transmittal document: “Unclassified When Classified Enclosure is Removed;” or

(ii) For classified transmittal document: “Upon Removal of Attachments This Document Is (classification level of the transmittal document standing alone).”

(2) *Restricted Data or Formerly Restricted Data*. Restricted Data and Formerly Restricted Data information shall be marked in accordance with regulations issued under the Atomic Energy Act of 1954, as amended.

(3) *Intelligence sources or methods*. Documents that contain information relating to intelligence sources or methods shall include the following markings unless otherwise prescribed by the Director of Central Intelligence: “WARNING NOTICE—INTELLIGENCE SOURCES OR METHODS INVOLVED.”

(4) *Foreign government information (FGI)*. Documents that contain FGI shall include either the marking “FOREIGN GOVERNMENT INFORMATION”, or a marking that otherwise indicates that the information is foreign government information. If the fact that information is foreign government information must be concealed, the marking shall not be used and the document shall be marked as if it were wholly of U.S. origin.

(5) *Electrically transmitted information (messages, cables)*. National security information that is transmitted electrically shall be marked as follows:

(i) The highest level of classification shall appear before the first line of text;

(ii) A “Classified By” line is not required; i.e., name and office of classifier may be omitted; and

(iii) The duration of classification shall appear as follows:

(A) For information to be declassified automatically on a specific date or event: “DECL: (date)” or “DECL: (description of event).”

(B) For information not to be automatically declassified which requires the originating agency’s determination: “DECL: OADR.”

(C) For information to be automatically downgraded: “DNG (abbreviation of classification level to which the information is to be downgraded and date or description of event on which downgrading is to occur).”

(iv) Portion marking shall be as prescribed in paragraph (a)(3) of this section.

(v) Special markings as prescribed in section 2001.5(e) 2, 3, & 4 of the Directive shall appear after the marking for the highest level of classification. These include:

(A) Restricted Data or Formerly Restricted Data: Electrically transmitted information containing Restricted Data or Formerly Restricted Data shall be marked in accordance with regulations issued under the Atomic Energy Act of 1954, as amended.

(B) Information concerning intelligence sources and methods; “WNINTEL,” unless proscribed by the Director of Central Intelligence.

(C) Foreign government information: “FGI” or a marking that otherwise indicates that the information is foreign government information. If the fact must be concealed, the marking shall not be used and the message shall be marked as if it were wholly of U.S. origin.

(vi) Paper copies of electrically transmitted messages shall be marked as provided in paragraph (a) through (e) of this section.

(6) *Changes in classification markings*. When a change is made in the level or the duration of classified information, all holders of record shall be promptly notified. Holders shall alter the markings to conform to the change, citing the authority for it. If the remarking of large quantities of information is unduly burdensome, the holder may attach a change of classification notice to the storage unit in lieu of the remarking action otherwise required. Items withdrawn from the collection for purposes other than transfer for storage shall be marked promptly in accordance with the change notice.

Department of State

§ 9.15

§ 9.13 Transferred material.

(a) In the case of classified information transferred in conjunction with a transfer of functions, and not merely for storage purposes, the receiving agency shall be deemed to be the originating agency for purposes of the Order.

(b) In the case of classified information that is not officially transferred as described in section 3.2(a) of the Order, but that originated in an agency that has ceased to exist and for which there is no successor agency, each agency in possession of such information shall be deemed to be the originating agency for purpose of the Order. Such information may be declassified or downgraded by the agency in possession after consultation with any other agency that has an interest in the subject matter of the information.

(c) Classified information accessioned into the National Archives of the United States shall be declassified or downgraded by the Archivist of the United States in accordance with the Order, the Directive, and agency guidelines.

§ 9.14 Declassification and downgrading.

(a) *General.* Information should be declassified or downgraded as soon as national security considerations permit. Information will be protected in accordance with the provisions of the Order for as long as it meets the classification requirements prescribed by these regulations. Agencies shall coordinate their review of classified information with other agencies or foreign governments that have a direct interest in the subject matter.

(b) *Authority to declassify or downgrade.* Information shall be declassified or downgraded by the official who authorized the original classification, if that official is still serving in the same position; the originator's successor; a supervisory official of either; or officials delegated such authority in writing by the agency head or the senior agency official designated pursuant to section 5.3(a)(1) of the Order. In addition, if the Director of ISOO determines that information is classified in violation of the Order, the Director may require the agency which classified the information to declassify it.

Any such decision by the Director may be appealed to the National Security Council. The information shall remain classified until a decision has been made on the appeal.

(c) The agency shall maintain a current, unclassified, listing of officials delegated declassification and downgrading authority.

§ 9.15 Systematic review for declassification guidelines.

(a) The agency may schedule classified records of permanent historical or other value for bulk review for declassification and may either perform such review itself, or may refer the records, together with guidelines for declassification, to the Archivist of the United States for review.

(b) For records of the Department of State, a sampling of classified records of permanent value for a given period will be selected by the Office of the Historian (PA/HO), and reviewed by the Systematic Review Office of the Classification/Declassification Center. The Systematic Review Office will prepare guidelines, which will be transmitted by the Secretary of State to the Archivist of the United States, not later than February 1, 1983, for use in reviewing the remainder of the permanently valuable classified records of the given period when these records are accessioned to the National Archives.

(c) AID will prepare guidelines, and transmit them to the Archivist of the United States not later than February 1, 1983, for use in reviewing permanently valuable classified records that have been accessioned to the National Archives. The Records Management Branch, Communications and Records Management Division, (M/SER/MO), is designated as the office responsible for systematic review matters within the agency. The Branch Staff will provide assistance to the Archivist in the systematic review process.

(d) For information concerning records of ICA, contact the agency's Declassification Officer, Office of Administration.

(e) The agency guidelines will identify categories of information which cannot be automatically declassified but must be reviewed item-by-item to

determine if there is a need for continued protection.

(f) These guidelines may be authorized by the agency head for use by other agencies, in addition to the National Archives, having custody of the originating agency's classified information of the period covered.

(g) These guidelines shall be reviewed and updated every five years, unless earlier review is requested by the Archivist.

(h) For foreign government information, the agency will prepare by February 1, 1983, specific guidelines for systematic review of foreign government information in records accessioned to the National Archives, and will revise such guidelines every five years or earlier as requested by the Archivist.

(i) *Special procedures.* The agency shall be bound by the special procedures for systematic review of classified cryptologic records and classified records pertaining to intelligence activities (including special activities) sources or methods issued by the Secretary of Defense and the Director of Central Intelligence, respectively.

§ 9.16 Mandatory review.

Each agency shall review for declassification any classified information requested, under the Mandatory Review provisions of the Order except as noted in paragraph (d) of this section, provided that: The requester is a U.S. citizen, resident alien, Federal agency, or state or local government; the request describes the information with sufficient specificity to enable the agency to locate the records containing the information with a reasonable amount of effort; and the agency receiving the request is the agency that originated the information. When an agency receives a request for information in its custody which was originated by another agency, it shall refer the information and request to the originating agency for its review and direct response to the requester.

(a) *Foreign government information.* Except as provided in this paragraph, agencies shall process mandatory review requests for classified records containing foreign government information in accordance with § 2001.32(a)

of the ISOO Directive. The agency that initially received or classified the foreign government information shall be responsible for making a declassification determination after consultation with concerned agencies. If the agency receiving the request is not the agency that received or classified the foreign government information, it shall refer the request to the appropriate agency for action. Consultation with the foreign originator through appropriate channels may be necessary prior to final action on the request.

(b) Information requested shall be declassified if it no longer requires protection under the provisions of the Order. It will then be released to the requester unless withholding is otherwise authorized under applicable law, such as the Freedom of Information or Privacy Act. If the information requested cannot be declassified in its entirety, the agency will make reasonable efforts to release those declassified portions that constitute a coherent segment. Upon the denial of an initial request, the agency shall also notify the requester of the right of administrative appeal, which must be filed within 60 days of receipt of the denial, and shall enclose a copy of the agency's regulations governing the appeal process.

(c) Initial requests may be addressed to:

(1) Department of State: The Information and Privacy Coordinator, Room 1239, Bureau of Administration, Department of State, Washington, DC 20520, with the envelope clearly marked MANDATORY REVIEW REQUEST;

(2) AID: Director, Office of Public Affairs for AID; Room 4899, 2201 C Street, NW., Washington, DC 20523; or

(3) USIA: Freedom of Information and Privacy Act Coordinator, Office of Administration, 1776 Pennsylvania Avenue, NW., Washington, DC 20547.

(d) In responding to mandatory review requests, agencies shall either make a prompt declassification determination and notify the requester accordingly, or inform the requester of the additional time needed to process the case. Agencies shall make a final determination in one year from the date of receipt, except in unusual circumstances.

(e) Information originated by a President, the White House Staff, by committees, commissions, or boards appointed by the President, or others specifically providing advice and counsel to a President or acting on behalf of a President is exempted from mandatory review. However, the Archivist of the United States has the authority to review, downgrade, and declassify such information which is under the control of the Administrator of General Services or the Archivist, for example in Presidential Libraries, pursuant to section 2107, 2107 note, or 2203 of title 44, United States Code. The Archivist will consult with agencies having primary subject matter interest concerning the declassification of the requested material. Any decision by the Archivist may be appealed to the Director of ISOO, with the right of further appeal to the National Security Council. The information shall remain classified pending a prompt decision on the appeal.

(f) Requests for classified information not specifically identified as being made under the Mandatory Review provisions of the Order will be processed under the terms of the FOIA, the Privacy Act, or other appropriate procedures.

(g) In considering requests for mandatory review, the agency may decline to review again any request for material which has been recently reviewed and denied, unless the request constitutes an appeal of an initial denial.

(h) Mandatory review requests for cryptologic information and information concerning intelligence activities (including special activities) or intelligence sources or methods shall be processed solely in accordance with special procedures issued by the Secretary of Defense and the Director of Central Intelligence, respectively.

(i) In response to a request for information under the Freedom of Information Act, the Privacy Act of 1974, or the mandatory review provisions of the Order, an agency shall refuse to confirm or deny the existence or non-existence of requested information whenever the fact of its existence or non-existence is itself classifiable under these regulations.

The avoidance of misconduct and conflicts of interest on the part of Government employees and special Government employees through informed judgment is indispensable to the maintenance of these standards. To accord with these concepts the regulations in this part prescribe standards of conduct and responsibilities for employees and special Government employees and require statements reporting employment and financial interests.

NOTE: These regulations are codified in State 3 FAM 620, AID Handbook 24, and ICA MOA V-A 550.

§ 10.735-102 Definitions.

(a) *Agency* means the Department of State (State), the Agency for International Development (AID), and the International Communication Agency (ICA).

(b) *Employee* means an officer or employee at home or abroad, of an agency named in paragraph (a) of this section,

Department of State

§ 10.735–105

but does not include a special Government employee or a member of the Army, Navy, Air Force, Marine Corps, Coast Guard, National Oceanic and Atmospheric Administration, or Public Health Service.

(c) *Executive order* means Executive Order 11222 of May 8, 1965, as amended.

(d) *Person* means an individual, a corporation, a company, an association, a firm, a partnership, a society, a joint stock company, or any other organization or institution.

(e) *Special Government employee* means an officer or employee of an agency who is retained, designated, appointed, or employed to perform, with or without compensation, for not to exceed 130 days during any period of 365 consecutive days, temporary duties either on a full-time or intermittent basis.

(f) *Member of an employee's family* means a spouse, minor child, or other member of an employee's immediate household. For the purpose of these regulations "member of an employee's immediate or in-law household" means those blood relations who are residents of the employee's household.

(g) *Counselor* means the agency's Counselor on Ethical Conduct and Conflicts of Interest.

§ 10.735–103 Interpretation and advisory service.

(a) Counseling services on employee responsibilities and conduct are available in each agency. These services are to be coordinated by a Counselor appointed by the agency head. The Counselors are for State: The Legal Adviser; for AID: The Deputy General Counsel; and for ICA: The General Counsel. The Counselor serves as the agency's designee to the Civil Service Commission on matters covered by the regulations in this part and is responsible for coordination of the agency's counseling services under paragraph (b) of this section and for assuring that counseling and interpretations on questions of conflicts of interest and other matters covered by these sections are available to deputy counselors designated under paragraph (b) of this section.

(b) Each agency head may designate deputy counselors for the agency's em-

ployees and special Government employees. Deputy Counselors designated under this section must be qualified and in a position to give authoritative advice and guidance to each employee and special Government employee who seeks advice and guidance on questions of conflicts of interest and on other matters covered by the regulations in this part. A Washington employee or special Government employee should address any inquiries concerning the regulations in this part to the Counselor. At missions abroad the chief of each agency's establishment designates an officer, preferably the legal officer where one is available, to provide counseling services under the guidance of the Counselor; a single officer may serve all agencies. An employee or special Government employee serving abroad should submit inquiries to the officer designated.

(c) Each agency shall periodically notify its employees and special Government employees of the availability of counseling services and how and when these services are available. A new employee or special Government employee shall be notified at the time of entrance on duty.

§ 10.735–104 Applicability to detailed employees.

All the regulations of subparts A, B, and D of this part are applicable to an employee of another U.S. Government agency who may be serving on detail or assignment, formally or informally, on a reimbursable or nonreimbursable basis through a Participating Agency Service Agreement or otherwise, with an agency named in § 10.735–102(a). However, disciplinary action shall be taken against such an employee only by the employing agency.

§ 10.735–105 Disciplinary action.

A violation of the regulations in this part by an employee or special Government employee may be cause for appropriate disciplinary action, including separation for cause, which may be in addition to any penalty prescribed by law.

Subpart B—Ethical and Other Conduct and Responsibilities of Employees

§ 10.735-201 General.

(a) *Proscribed actions.* An employee shall avoid any action, whether or not specifically prohibited by the regulations in this part, which might result in, or create the appearance of:

- (1) Using public office for private gain;
- (2) Giving preferential treatment to any person;
- (3) Impeding Government efficiency or economy;
- (4) Losing independence or impartiality;
- (5) Making a Government decision outside official channels; or
- (6) Affecting adversely the confidence of the public in the integrity of the Government.

(b) *Applicability to members of families of employees.* A U.S. citizen employee shall take care that certain responsibilities placed on the employee are also observed by members of the employee's family. These are the restrictions in regard to: Acceptance of gifts (§§ 10.735-202 and 10.735-203); economic and financial activities abroad (§ 10.735-206); teaching, lecturing, and writing (§ 10.735-204(c)); participation in activities of private organizations (§ 10.735-211(c)); and political activities abroad (§ 10.735-211(g)).

§ 10.735-202 Gifts, entertainment, and favors.

(a) *Acceptance prohibited.* Except as provided in paragraphs (b), (c), and (d) of this section, an employee shall not solicit or accept, directly or indirectly, any gift, gratuity, favor, entertainment, loan, or any other thing of monetary value, from a person who:

- (1) Has, or is seeking to obtain, contractual or other business or financial relations with the employee's agency;
- (2) Conducts operations or activities that are regulated by the employee's agency;
- (3) Has interests that may be substantially affected by the performance or nonperformance of the employee's official duty; or
- (4) Appears to be offering the gift with the hope or expectation of obtain-

ing advantage or preferment in dealing with the U.S. Government for any purpose.

(b) *Acceptance permitted.* The provisions of paragraph (a) of this section do not apply to:

(1) Gifts, gratuities, favors, entertainments, loans, or any other thing of monetary value received on account of close family or personal relationships when the circumstances make it clear that it is that relationship rather than the business of the persons concerned which is the motivating factor;

(2) Acceptance of loans from banks or other financial institutions on customary terms to finance proper and usual activities of employees, such as home mortgage loans;

(3) Acceptance of unsolicited advertising or promotional material, such as pens, pencils, note pads, calendars, and other items of nominal intrinsic value;

(4) Acceptance of rates and discounts offered to employees as a class.

(c) *Acceptance permitted for State and ICA employees.* For State and ICA employees the provisions of paragraph (a) of this section do not apply to: Acceptance of food and refreshments of nominal value on infrequent occasions in the ordinary course of a luncheon or dinner meeting or other meeting or on an inspection tour where an employee may properly be in attendance.

(d) *Acceptance permitted for AID employees.* For AID employees the provisions of paragraph (a) of this section do not apply in the following situations:

(1) Acceptance of food, refreshments, or entertainment of nominal value on infrequent occasions offered in the ordinary course of luncheons, dinners, or other meetings and gatherings hosted by foreign governments or agencies and officials thereof, embassies, and international organizations, where the primary purpose of the function is representational or social, rather than the transaction of business. Where the primary purpose of the function is the transaction of business, acceptance is not permitted, except if there is justification and reporting in accordance with paragraph (d)(4) of this section.

(2) Participation in widely attended lunches, dinners, and similar gatherings sponsored by industrial, technical, and professional associations for the

Department of State

§ 10.735–204

discussion of matters of mutual interest to Government and industry.

(3) Acceptance of food, refreshments, or entertainment in the unusual situation where the employee, by virtue of the location of the person, firm, corporation, or other entity, or the regulations governing its dining facilities, finds it inconvenient or impracticable not to accept the offer. Each case of acceptance shall be reported in accordance with the requirement of paragraph (d)(4) of this section. In no other case shall employees accept food, refreshments, or entertainment from private corporations, entities, firms, or individual contractors at occasions which are other than widely attended functions whose purposes are unrelated to Agency business.

(4) In exceptional circumstances where acceptance of food, refreshments, or entertainment is not authorized by paragraphs (d) (1), (2), and (3) of this section, but where, in the judgment of the individual concerned, the Government's interest would be served by such acceptance directly or indirectly from any foreign government, agency, or official thereof or a private person, firm, corporation, or other entity which is engaged or is endeavoring to engage in business transactions of any sort with AID, an employee may accept the offer: *Provided*, That a report of the circumstances, together with the employee's statement as to how the Government's interests were served, will be made within 48 hours to the employee's supervisor, or, if the employee is serving abroad, or on temporary duty abroad, to the Mission Director.

(e) *Gifts to superiors.* An employee shall for a gift to an official superior, make a donation as a gift to an official superior, or accept a gift from an employee receiving less pay than the employee (5 U.S.C. 7351). However, this paragraph does not prohibit a voluntary gift of nominal value or donation in a nominal amount made on a special occasion such as marriage, illness, or retirement.

(f) *Neither this section nor §10.735–204* precludes an employee from receipt of bona fide reimbursement, unless prohibited by law, for expenses of travel and such other necessary subsistence

as is compatible with this part for which no Government payment or reimbursement is made. However, this paragraph does not allow an employee to be reimbursed, or payment to be made on the employee's behalf, for excessive personal living expenses, gifts, entertainment, or other personal benefits, nor does it allow an employee to be reimbursed by a person for travel on official business under agency orders when reimbursement is proscribed by Decision B-128527 of the Comptroller General dated March 7, 1967.

§ 10.735–203 Gifts from foreign governments.

An employee shall not accept a gift, present, decoration, or other thing from a foreign government unless authorized by Congress as provided by the Constitution and in 5 U.S.C. 7342, and the regulations promulgated thereunder pursuant to E.O. 11320, 31 FR 15789. These regulations are set forth in part 3 of this title (as added, 32 FR 6569, Apr. 28, 1967), and in 3 FAM 621.

§ 10.735–204 Outside employment and other activity.

(a) An employee shall not engage in outside employment or other outside activity not compatible with the full and proper discharge of the duties and responsibilities of Government employment. Incompatible activities include but are not limited to:

(1) Acceptance of a fee, compensation, gift, payment of expense, or any other thing of monetary value in circumstances in which acceptance may result in, or create the appearance of, conflicts of interest; or

(2) Outside employment which tends to impair the employee's mental or physical capacity to perform Government duties and responsibilities in an acceptable manner.

(b) An employee shall not receive any salary or anything of monetary value from a private source as compensation for the employee's services to the Government (18 U.S.C. 209).

(c) Employees are encouraged to engage in teaching, lecturing, and writing that is not prohibited by law, the Executive order, this part, or the agency regulations. However, an employee

shall not, either for or without compensation, engage in teaching, lecturing, or writing including teaching, lecturing, or writing for the purpose of the special preparation of a person or class of persons for an examination of the Civil Service Commission or Board of Examiners for the Foreign Service, that is dependent on information obtained as a result of Government employment, except when that information has been made available to the general public or will be made available on request or when the agency head gives written authorization for use of nonpublic information on the basis that the use is in the public interest. In addition, an employee who is a Presidential appointee covered by section 401(a) of the Executive order shall not receive compensation or anything of monetary value for any consultation, lecture, discussion, writing, or appearance the subject matter of which is devoted substantially to the responsibilities, programs, or operations of the employee's agency, or which draws substantially on official data or ideas which have not become part of the body of public information. Employees are referred to the detailed rules of their agency with respect to clearance and acceptance of compensation (3 FAM 628; for AID see Handbook 18).

(d) [Reserved]

(e) An employee shall not render any services, whether or not compensated, to any foreign government, state, province, or semigovernmental agency, or municipality of any foreign government, or to any international organization of states. However, this shall not prevent the rendering of such services by employees acting on behalf of the United States. Nor shall this provision prevent the rendering of services to an international organization of states when otherwise consistent with law and when authorized by the appropriate officer. The appropriate officer for State is the Director General and Director of Personnel; for AID the Assistant Administrator for Program and Management Services; and for ICA the Director of Personnel Services.

(f) [Reserved]

(g) This section does not preclude an employee from:

(1) Participation in the activities of national or State political parties not proscribed by law.

(2) Participation in the affairs of or acceptance of an award for a meritorious public contribution or achievement given by a charitable, religious, professional, social, fraternal, nonprofit educational and recreational, public service, or civic organization.

§ 10.735-205 Financial interests.

(a) An employee shall not: (1) Have a direct or indirect financial interest that conflicts substantially, or appears to conflict substantially with the employee's Government duties and responsibilities; or

(2) Engage in, directly or indirectly, a financial transaction as a result of, or primarily relying on, information obtained through Government employment.

(b) This section does not preclude an employee from having a financial interest or engaging in financial transactions to the same extent as a private citizen not employed by the Government so long as it is not prohibited by law or the regulations in this part.

(c) Pursuant to the provision of 18 U.S.C. 208(b) the following described financial interests of an employee are hereby exempted from the requirements of 18 U.S.C. 208(a) and 208(b)(1) as being too remote or too inconsequential to affect the integrity of the services of an employee. The exemption applies to the financial interests held directly by an employee, by the employee's spouse or minor child whether individually or jointly with the employee, or by an employee and any partner or partners as joint assets of the partnership:

(1) Investments in State and local government bonds; and stocks, bonds, or policies in a mutual fund, investment company, bank or insurance company, provided that in the case of a mutual fund, investment company, or bank, the fair value of such stock or bond holding does not exceed one percent of the value of the reported assets of the mutual fund, investment company, or bank. In the case of a mutual fund or investment company, this exemption applies only where the assets of the fund or company are diversified;

it does not apply where the fund or company specializes in a particular industry or commodity.

(2) Interest in an investment club or other group organized for the purpose of investing in equity or debt securities: *Provided*, That the fair value of the interest involved does not exceed \$10,000 and that the interest does not exceed one-fourth of the total assets of the investment club or group. Where an employee covered by this exemption is a member of a group organized for the purpose of investing in equity or debt securities, the interest of the employee in any enterprise in which the group holds securities shall be based upon the employee's equity share of the holdings of the group in that enterprise.

(3) If an employee, or the employee's spouse or minor child has a present beneficial interest or a vested remainder interest under a trust, the ownership of stocks, bonds, or other corporate securities under the trust will be exempt to the same extent as provided in paragraphs (c)(1) and (2) of this section for the direct ownership of such securities. The ownership of bonds other than corporate bonds, or of shares in a mutual fund or regulated investment company, under the trust will be equally exempt and to the same extent as under paragraphs (c) (1) and (2) of this section.

(4) If an employee is an officer, director, trustee, or employee of an educational institution, or if the employee is negotiating for, or has an arrangement concerning prospective employment with such an institution, a direct financial interest which the institution has in any matter will not itself be exempt, but any financial interest that the institution may have in the matter through its holdings of securities issued by business entities will be exempt: *Provided*, The employee is not serving as a member of the investment committee of the institution or is not otherwise advising it on its investment portfolio.

(5) An employee may continue to participate in a bona fide pension, retirement, group life, health or accident insurance plan, or other employee welfare or benefit plan that is maintained by a business or nonprofit organization by which the employee was formerly

employed. Such financial interest in that organization will be exempt, except to the extent that the welfare or benefit plan is a profit-sharing or stock-bonus plan and the employee's financial interest thereunder exceeds \$10,000. This exemption extends also to any financial interests that the organization may have in other business activities.

(d) Nothing in this part shall be deemed to prohibit an employee from acting, with or without compensation, as agent or attorney for the employee's parents, spouse, child, or any person for whom, or for any estate for which, the employee is serving as guardian, executor, administrator, trustee, or other personal fiduciary, except in those matters in which the employee has participated personally and substantially as a Government employee, through decision, approval, disapproval, recommendation, the rendering of advice, investigation, or otherwise, or which are the subject of the employee's official responsibility, as defined in 18 U.S.C. 202(b): *Provided*, The head of the employee's division approves in writing.

§ 10.735–206 Economic and financial activities of employees abroad.

(a) *Prohibitions in any foreign country.* A U.S. citizen employee abroad is specifically prohibited from engaging in the activities listed below in any foreign country.

(1) Speculation in currency exchange.

(2) Transactions at exchange rates differing from local legally available rates, unless such transactions are duly authorized in advance by the agency.

(3) Sales to unauthorized persons (whether at cost or for profit) of currency acquired at preferential rates through diplomatic or other restricted arrangements.

(4) Transactions which entail the use, without official sanction, of the diplomatic pouch.

(5) Transfers of funds on behalf of blocked nationals, or otherwise in violation of U.S. foreign funds and assets control.

(6) Independent and unsanctioned private transactions which involve an employee as an individual in violation of

applicable control regulations of foreign governments.

(7) Acting as a intermediary in the transfer of private funds from persons in one country to persons in another country, including the United States.

(8) Permitting use of one's official title in any private business transactions or in advertisements for business purposes.

(b) *Prohibitions in country of assignment.* (1) A U.S. citizen employee shall not transact or be interested in any business or engage for profit in any profession or undertake other gainful employment in any country or countries to which the employee is assigned or detailed in the employee's own name or through the agency of any other person; exceptions may be made with respect to chiefs of mission only in writing by the Deputy Under Secretary for Management and for all other State employees by the appropriate chief of mission; for AID employees by the assistant administrator of the regional bureau or head of the nonregional organization, as appropriate; and for ICA employees by the Director of Personnel Services, or their designees (see 22 U.S.C. 805).

(2) A U.S. citizen employee shall not invest in real estate or mortgages on properties located in the employee's country of assignment. The purchase of a house and land for personal occupancy is not considered a violation of this paragraph.

(3) A U.S. citizen employee shall not invest money in bonds, shares or stocks of commercial concerns headquartered in the country of assignment or conducting a substantial portion of their business in such country. Such investments, if made prior to knowledge of assignment or detail to such country or countries, may be retained during such assignment or detail when approved in writing by the appropriate official named in paragraph (b)(1) of this section. If retention is authorized, such stocks, shares, or bonds may not be sold while the employee is assigned or detailed to the country or countries, unless the agency approved the sale in writing.

(4) A U.S. citizen employee shall not sell or dispose of personal property, including automobiles, at prices produc-

ing profits to the employee which result primarily from import privileges derived from the employee's official status as an employee of the U.S. Government. Employees of State and ICA are referred to Foreign Affairs Manual Circular 378; for AID see Handbook 23, Attachment 1B.

(c) *Acceptance of employment by members of family abroad.* Family members of Foreign Service personnel may accept gainful employment in a foreign country unless such employment (1) would violate any law of such country or of the U.S.; or (2) could damage the interests of the U.S., as certified in writing to the family member by the Chief of the U.S. Diplomatic Mission in such country. A copy of such certification will be sent to the Family Liaison Office (M/FLO), Department of State. Family members accepting employment abroad should bear in mind that they may not enjoy immunity from judicial process and would be subject to the payment to taxes derived from their nondiplomatic employment.

(d) *Business activities of non-U.S. citizen employees.* A non-U.S. citizen employee abroad may engage in outside business activities with the prior approval of the head of the overseas establishment on the basis of the standards expressed in § 10.735-204(a).

§ 10.735-207 Use of Government property.

An employee shall not directly or indirectly use, or allow the use of Government property of any kind, including property leased to the Government, for other than officially approved activities. An employee has a positive duty to protect and conserve Government property, including equipment, supplies, and other property entrusted or issued to the employee.

§ 10.735-208 Misuse of information.

For the purpose of furthering a private interest, an employee shall not, except as provided in § 10.735-204(c) directly or indirectly use, or allow the use of, official information obtained through or in connection with Government employment which has not been made available to the general public.

§ 10.735-209 Indebtedness.

An employee shall pay each just financial obligation in a proper and timely manner, especially one imposed by law such as Federal, State, or local taxes. For the purpose of this section, a “just financial obligation” means one acknowledged by the employee or reduced to judgement by a court or one imposed by law such as Federal, State, or local taxes, and “in a proper and timely manner” means in a manner which the agency determines does not, under the circumstances, reflect adversely on the Government as the employer. In the event of dispute between an employee and an alleged creditor, this section does not require an agency to determine the validity or amount of the disputed debt.

§ 10.735-210 Gambling, betting, and lotteries.

An employee shall not participate, while on Government-owned or leased property or while on duty for the Government, in any gambling activity including the operation of a gambling device, in conducting a lottery or pool, in a game for money or property, or in selling or purchasing a numbers slip or ticket. However, this section does not preclude activities:

- (a) Necessitated by an employee's law enforcement duties; or
- (b) Under section 3 of Executive Order 10927 and similar agency-approved activities.

§ 10.735-211 Activities relating to private organizations and politics.

(a) *Definition.* For the purpose of this section, the term *private organization* denotes any group of persons or associations organized for any purpose whatever, except an organization established by the Government of the United States, or officially participated in by State, AID, or ICA.

(b) *Participation in activities of employee organizations.* An employee may join or refrain from joining employee organizations or associations without interference, coercion, restraint, or fear of discrimination or reprisal.

(c) *Participation in activities of private organizations.* In participating in the program and activities of any private organization, an employee shall make

clear that the employee's agency has no official connection with such organization and does not necessarily sponsor or sanction the viewpoints which it may express.

(d) *Legal restrictions on membership in certain organizations.* An employee shall not have membership in any organization that advocates the overthrow of our constitutional form of Government in the United States, knowing that such organization so advocates (5 U.S.C. 7311, 18 U.S.C. 1918).

(e) *Private organizations concerned with foreign policy or other matters of concern to agencies.* (1) Limitation on participation. When a private organization is concerned primarily with foreign policy or international relations or other matters of concern to an employee's agency, an employee shall limit connection therewith as follows: Unless specifically permitted to do so, the employee may not serve as advisor, officer, director, teacher, sponsor, committee chairman, or in any other official capacity or permit the employee's name to be used on a letterhead, in a publication, in an announcement or news story, or at a public meeting, regardless of whether the employee's official title or connection is mentioned. The provisions of this section are not intended to prohibit the normal and active participation of an employee in professional organizations such as the American Political Science Association, the American Economic Association, the American Foreign Service Association, and similar organizations, since such participation is in the interest of both the employee and the Government. Employees are expected, however, to exercise discretion in such activities and are held personally accountable for any improper use of their relationship with State, AID, and ICA.

(2) Request for special permission. Special permission to assume or continue a connection prohibited by paragraph (e)(1) of this section may be granted in cases where the public interest will not be adversely affected. To request such permission, or to determine whether the provisions are applicable to a particular case, the employee shall address a memorandum setting forth all of the circumstances

to the appropriate officer. The appropriate officer is for State, the Director General and Director of Personnel; for AID, the Senior Personnel Officer under whose jurisdiction the employee serves; and for ICA, the Director of Personnel Services.

(3) Application to senior officers. Because of the prominence resulting from their official positions, chiefs of mission and other senior officers should recognize the particular bearing of the provisions of paragraph (e)(1) of this section upon their activities. They should restrict association with any organizations involving foreign nations and the United States to simple membership and should not accept even honorary office in such organizations except with the specific prior approval as provided in paragraph (e)(2) of this section.

(f) *Private organizations not concerned with foreign policy.* When the purpose and program of the organization do not fall primarily within the field of foreign policy or international relations, the employee's activity is limited only to the following extent:

(1) The employee's official title or connection may be used to identify the employee, as in a civic association election, but may not be used on a letterhead, in a publication, or otherwise so as to employ the prestige of the U.S. Government to enhance that of the organization or to imply official sponsorship.

(2) When the employee is a representative of an association consisting of State, AID, or ICA employees, or of a group of such employees, the employee's connection with the agency may be freely used so long as there is no implication of official sponsorship beyond that which may have been officially approved.

(g) *Political activities abroad.* A U.S. citizen employee shall not engage in any form of political activity in any foreign country.

(h) *Activities relating to U.S. politics.* The law (5 U.S.C. 7324, formerly the Hatch Act) provides in summary that it is unlawful for any Federal employee of the executive branch to use the employee's official authority or influence for the purpose of interfering with an election or affecting the result thereof,

or to take any active part in political management or in political campaigns. These restrictions do not in any way affect the right of a Federal employee (1) to vote as the employee chooses; (2) to express personal political opinions, except as part of a campaign; (3) to make or refrain from making contributions to political organizations, provided contributions are not made in a Federal building or to another Federal officer or employee (see 18 U.S.C. 602, 603, 607, and 608); (4) to participate in local, nonpartisan activities.

§ 10.735-212 Wearing of uniforms.

(a) An employee of the Foreign Service may not wear any uniform except as may be authorized by law or as a military commander may require civilians to wear in a theater of military operations (22 U.S.C. 803). When an employee is authorized by law or required by a military commander of the United States to wear a uniform, care shall be taken that the uniform is worn only at authorized times and for authorized purposes.

(b) Conventional attire worn by chauffeurs, elevator operators, and other miscellaneous employees are not considered uniforms within the meaning of this section except that, for ICA, MOA VII 917.2b prohibits the purchase from Agency funds of uniforms or any item of personal wearing apparel other than special protective clothing.

§ 10.735-213 Recommendations for employment.

(a) *Making recommendations in official capacity.* In general, an employee shall not, in the employee's official capacity, make any recommendations in connection with the employment of persons unless the position concerned are with the Government of the United States and the recommendations are made in response to an inquiry from a Government official authorized to employ persons or to investigate applicants for employment. A principal officer in answer to a letter of inquiry from outside the U.S. Government concerning a former employee assigned to the post, may state the length of time the person was employed at the post and the fact that the former employee

Department of State

§ 10.735–216

performed duties in a satisfactory manner, if such is the case. Also, an AID Mission Director may provide names of persons or firms from which a cooperating government may select an employee or firm to be used in some phase of the AID program.

(b) *Making personal recommendations.* An employee may make a personal recommendation in connection with the employment of any person, including present or former employees, their spouses and/or members of their families, except for employment in a position of trust or profit under the government of the country to which the employee is accredited or assigned (22 U.S.C. 806(b)): *Provided*, That the employee does not divulge any information concerning the person derived from official sources. When a letter of introduction or recommendation is written by an employee, precautionary measures should be taken to prevent its being construed as official correspondence and used by an unscrupulous individual to impress American or foreign officials. Accordingly, official stationery should not be used for this purpose. The letter may, however, show the recommending employee's status as an employee of the U. S. Government. Every personal letter of recommendation shall contain a statement clearly indicating that the letter constitutes a personal recommendation and is not to be construed as an official recommendation by the Government of the United States.

§ 10.735–214 Transmitting communications and gifts.

(a) *Correspondence.* In corresponding with anyone other than the proper official of the United States with regard to the public affairs of a foreign government, an employee shall use discretion and judgment to ensure that neither the United States nor the employee will be embarrassed or placed in a compromising position (22 U.S.C. 806(a)).

(b) *Communications.* An employee shall not act as an agent for the transmission of communications from private persons or organizations in foreign countries to the President or to Federal, State, or municipal officials in the United States. A chief of mission may, however, accept communications

of this nature and forward them to the Department of State for such further action as may be appropriate, whenever the chief of mission determines it to be clearly in the public interest to do so.

(c) *Gifts.* An employee shall not act as an agent for the transmission of gifts from persons or organizations in foreign countries to the President or to Federal, State, or municipal officials of the United States. However, principal officers may, according to regulations prescribed by the President, accept, and forward to the Office of Protocol of the Department of State, gifts made to the United States or to any political subdivision thereof by the Government to which they are accredited or from which they hold exequaturs. Employees shall not, without the approval of the Secretary of State, transmit gifts from persons or organizations in the United States to heads or other officials of foreign states.

§ 10.735–215 General conduct prejudicial to the Government.

(a) An employee shall not engage in criminal, infamous, dishonest, immoral, or notoriously disgraceful conduct, or other conduct prejudicial to the Government.

(b) An employee abroad is also obligated to obey the laws of the country in which the employee is present.

(c) An employee shall observe the requirements of courtesy, consideration, and promptness in dealing with or serving the public.

§ 10.735–216 Miscellaneous statutory provisions.

Each employee shall become acquainted with each statute that relates to the employee's ethical and other conduct as an agency employee of and of the Government.

(a) The attention of employees is directed to the following statutory provisions:

(1) House Concurrent Resolution 175, 85th Congress, 2d session, 72 Stat. B12, the "Code of Ethics for Government Service."

(2) Chapter 11 of title 18, United States Code, relating to bribery, graft, and conflicts of interest, as appropriate to the employees concerned.

(3) The prohibition against lobbying with appropriated funds (18 U.S.C. 1913).

A special Government employee who wishes to request the agency head to authorize the use of nonpublic information should submit such request through the Counselor. § 10.735-402 Employees not required to submit statements.

(a) Employees in positions that meet the criteria in paragraph (c) of § 10.735-401 may be excluded from the reporting requirement when the agency head or designee determines that:

(1) The duties of the position are such that the likelihood of the incumbent's involvement in a conflict-of-interest situation is remote;

(2) The duties of the position are at such a level of responsibility that the submission of a statement of employment and financial interests is not necessary because of the degree of supervision and review over incumbent or the inconsequential effect on the integrity of the Government.

(b) A statement of employment and financial interests is not required by the regulations in this part from an agency head, or a full-time member of a committee, board, or commission appointed by the President. These employees are subject to separate reporting requirements under section 401 of Executive Order 11222.

(c) Special Government employees not required to submit statements. An agency head may waive the requirement of this section for the submission

of a statement of employment and financial interest in the case of a special Government employee who is not a consultant or an expert when the agency finds that the duties of the position held by that special Government employee are of a nature and at such a level of responsibility that the submission of the statement by the incumbent is not necessary to protect the integrity of the Government. For the purpose of this paragraph, “consultant” and “expert” have the meanings given those terms by chapter 304 of the Federal Personnel Manual, but do not include a physician, dentist, or allied medical specialist whose services are procured to provide care and service to patients.

§ 10.735-403 Employee’s complaint on filing requirement.

Each employee shall have the opportunity for review through agency grievance procedure of the employee’s complaint that the employee’s position has been improperly included within § 10.735-401 as one requiring the submission of a statement of employment and financial interests. Employees are reminded that they may obtain counseling pursuant to § 10.735-103 prior to filing a complaint.

§ 10.735-404 Time and place of submission, and forms.

(a) An employee or special Government employee shall submit a statement to the Counselor (in the case of a State employee, through the employee’s Bureau) no later than:

(1) Ninety days after the effective date of this part if the employee has entered on duty on or before that effective date; or

(2) At least 10 days prior to entrance on duty, if the employee enters on duty after that effective date; except that an employee or special Government employee who enters on duty within 90 days of the effective date of this part may submit such statement within 90 days after entrance on duty.

(b) Only the original of the statement or supplement thereto required by this part shall be submitted. The individual submitting a statement should retain a copy for the individual’s own records.

§ 10.735-405 Information required.

(a) *Employees.* Employees’ statement of employment and financial interests required by the regulations in this part shall be submitted on the form, “Confidential Statement of Employment and Financial Interests (for use by Government Employees)”, Form OF-106, and shall contain all the information therein required.

(b) *Special Government employees.* All special Government employees shall submit statements of employment and financial interest on the form, “Confidential Statement of Employment and Financial Interests (for use by Special Government Employees)”, Form OF-107 for State and ICA, Form AID 4-450 for AID, and shall contain all the information therein required.

(c) *Interests of employee’s relatives.* The interest of a member of an employee’s family is considered to be an interest of the employee. The term “member of an employee’s family” is defined in § 10.735-102(f).

(d) *Information not known by employees.* If any information required to be included on a statement of employment and financial interests or supplementary statement, including holdings placed in trust, is not known to the employee but is known to another person, the employee shall request that other person to submit information in the employee’s behalf.

(e) *Interests not required to be reported.* An employee need not disclose those financial interests described in § 10.735-205(c) as being too remote or too inconsequential to affect the integrity of employees’ services.

(f) *Information not required.* The regulations in this part do not require an employee to submit on a statement of employment and financial interests or supplementary statement any information relating to the employee’s connection with, or interest in, a professional society or a charitable, religious, social, fraternal, recreational, public service, civic, or political organization or a similar organization not conducted as a business enterprise. For the purpose of this section, educational and other institutions doing research and development or related work involving grants or money from or contracts with the Government are

Department of State

§ 10.735.408

deemed “business enterprises” and are required to be included in an employee’s statement of employment and financial interests.

§ 10.735-406 Submission of position description.

Each Statement of Employment and Financial Interests or annual supplement thereto must be accompanied by a full description of the employee’s principal governmental duties. The description should be particularly detailed in regard to those duties which might possibly be an element in a conflict of interest. If the statement indicates that the employee has no outside employment or financial interests, the employee need not submit a description of duties. For a special Government employee, the employing office shall submit the description.

§ 10.735-407 Supplementary statements.

(a) Employees, as defined in paragraphs (b) and (c) of § 10.735-401, shall report changes in, or additions to, the information contained in their statements of employment and financial interests in supplementary statements as of June 30 each year. If no changes or additions occur, a negative report is required.

(b) All special Government employees, as defined in paragraph (a) of § 10.735-401, shall submit a current statement at the time their appointments are extended. A supplementary report indicating any changes in, or additions to the information already submitted will be accepted in lieu of a full submission. If there are no changes or additions, a negative report is required. For AID, no action to extend an appointment will be taken unless such supplementary report is submitted not later than 10 days prior to the expiration of said appointment.

(c) Notwithstanding the filing of reports required by this section, each employee shall at all times avoid acquiring a financial interest that could result, or taking an action that would result, in a violation of the conflicts-of-interest provisions of section 208 of title 18, United States Code, or subpart B of this part.

(d) An employee is also to keep current the employee’s description of principal duties as to changes or additions which might possibly be an element in a conflict of interest. The employing office shall submit descriptions of changes in the principal duties of a special Government employee as they occur.

§ 10.735.408 Review of statements and determination as to conflicts of interest.

(a) On the basis of the Statement of Employment and Financial Interests submitted by each employee or special Government employee, or on the basis of information received from other sources, the Counselor shall determine, in the light of the duties which that employee or special Government employee is or will be performing, whether any conflicts of interest, real or apparent, are indicated. The Counselor shall make this determination based on the applicable statutes, the Executive order, and the applicable regulations of the Civil Service Commission, and of the agency.

(b) Where the Counselor’s determination in a particular case is that a conflict of interest, real or apparent, is indicated, the Counselor shall initiate informal discussions with the employee or special Government employee concerned. These discussions shall have as their objectives:

(1) Providing the individual with a full opportunity to explain the conflict or appearance of conflict; and

(2) Arriving at an agreement (acceptable to the Counselor, the individual and the individual’s immediate superior) whereby the conflict of interest may be removed or avoided. Such an agreement may include, but is not limited to: (i) Changes in assigned duties; (ii) divestiture of the financial or employment interest creating the conflict or apparent conflict; or (iii) disqualification for a particular assignment.

(c) Where an acceptable agreement cannot be obtained pursuant to paragraph (b) of this section, the Counselor shall present findings and recommendations to the officer designated by the agency head, who shall

decide which remedy is most appropriate to remove or correct that conflict or apparent conflict. Remedial action under this paragraph may include disciplinary action, including separation for cause, or any of the actions enumerated in paragraph (b)(2) of this section and shall be effective in accordance with applicable laws, Executive orders, and regulations.

(d) Written summaries of all agreements and decisions arrived at pursuant to paragraph (b) or (c) of this section shall be placed in the Counselor's files. Copies shall also be made available to the employee or special Government employee concerned.

§ 10.735-409 Confidentiality of employees' statements.

An agency shall hold each statement of employment and financial interests, and each supplementary statement, in confidence. To insure this confidentiality only the Counselor and Deputy Counselors are authorized to review and retain the statements. The Counselor and Deputy Counselors are responsible for maintaining the statements in confidence and shall not allow access to, or allow information to be disclosed from, a statement except to carry out the purpose of this part. An agency may not disclose information from a statement except as the Civil Service Commission or the agency head may determine for good cause shown.

§ 10.735-410 Effect of employees' statements on other requirements.

The statements of employment and financial interests and supplementary statements required for employees are in addition to, and not in substitution for, or in derogation of, any similar requirement imposed by law, order, or regulation. The submission of a statement or supplementary statement by an employee does not permit the employee or any other person to participate in a matter in which the employee or the other person's participation is prohibited by law, order, or regulation. Save with respect to those financial interests excepted from the conflict of interest prohibitions of 18 U.S.C. 208(a) pursuant to a written advance determination under § 10.735-217 or exempted

by the provisions of § 10.735-205(c), an employee must disqualify himself or herself from participating in any matter in which the employee has a financial interest.

§ 10.735-411 Disqualification procedures.

(a) Where an employee is prohibited from participating in a matter because of a conflicting financial interest that is not exempt under § 10.735-205(c) or has not been specifically excepted by the appropriate agency official pursuant to § 10.735-217 in advance of the employee's participation in the particular matter, the employee shall conduct himself or herself in accordance with the following provisions:

(1) The employee shall promptly disclose the financial interest in such matter to the employee's immediate superior. The superior will thereupon relieve the employee of duty and responsibility in the matter.

(2) In foreign posts, it may be impossible or highly impracticable for an employee, who has a disqualifying financial interest, to assign the matter for official action to anyone other than a subordinate. In this event, the employee must instruct the subordinate to report fully and directly to the immediate superior to whom the employee himself or herself would normally report. The employee must concurrently direct such subordinate to take such action as may be appropriate in the matter, and without thereafter revealing to the disqualified employee in any way any aspect of the particular matter.

(b) Nothing herein precludes the employee from disposing of such disqualifying financial interest, thereby wholly eliminating the conflict of interest. In some circumstances, where the employee may not obtain an exception under § 10.735-217, or may not disqualify himself or herself and refer or assign the matter to another employee, the performance of duty may even require divestiture.

(c) Where a supervisor has reason to believe that a subordinate employee may have a conflicting financial interest, the supervisor should discuss the matter with the employee. If the supervisor finds that a conflict of interest

Department of State

§ 11.1

does exist, the supervisor must relieve the subordinate employee of duty and responsibility in the particular matter.

(d) The obligation to avoid conflicts of interest is upon each employee. It is a continuing obligation calling for alert vigilance.

(e) Notwithstanding any other provision of this part to the contrary, if a employee's holdings rise in value above the amount exempted by § 10.735-205(c), then the statutory and regulation prohibitions apply in a conflict of interest situation.

§ 11.1 Junior Foreign Service officer career candidate appointments.

(a) *General considerations*—(1) *Authority*. Pursuant to sections 302 and 306 of the Foreign Service Act of 1980 (hereinafter referred to as the Act), all Foreign Service officers shall be appointed by the President, by and with the advice and consent of the Senate. All appointments shall be made to a class and not to a particular post. No person shall be eligible for appointment as a Foreign Service officer unless that person is a citizen of the United States. Such appointment is initially to career candidate status with subsequent com-

missioning to career status governed by the provisions of Volume 3 (Personnel), Foreign Affairs Manual, section 570. In accordance with section 102(b) of the Act, all references in these regulations to Foreign Service officers shall, with respect to the United States Information Agency, be deemed to refer to Foreign Service information officers.

(2) *Veterans' preference*. Pursuant to section 301 of the Act, and notwithstanding the provisions of section 3320 of title 5 of the United States Code, the fact that an applicant is a veteran or disabled veteran, as defined in section 2108 (3A), (3B), or (3C) of such title, shall be considered as an affirmative factor in the selection of candidates for appointment as Foreign Service officer career candidates.

(3) *Policy*. Appointment as a Junior Foreign Service officer Career Candidate of class 6, 5, or 4, is governed by these regulations. Successful applicants will be appointed as Career Candidates for a period not to exceed 5 years. Under precepts of the Commissioning and Tenure Board, Career Candidates may be granted tenure and converted to career Foreign Service officer status. Those who are not granted tenure prior to the expiration of their Career Candidate appointments will be separated from the Career Candidate program no later than the expiration date of their appointments. Separated candidates who originally were employees of a department or agency will be entitled to reemployment rights in their former department or agency in accordance with section 310 of the Act.

(b) *Written examination*. The following regulations apply to the written examination.

(1) *Purpose*. The written examination is designed to enable the Board of Examiners for the Foreign Service to test the applicant's intelligence, breadth and quality of knowledge, and understanding in relation to the requirements of Foreign Service work.

(2) *Eligibility*. Prior to each written examination, the Board of Examiners will establish a closing date for the receipt of applications for designation to take the examination. No person will be designated to take the examination who has not, as of that closing date,

filed an application with the Board. To be designated to take the written examination, an applicant, as of the date of the examination, must be a citizen of the United States and at least 20 years of age.

(3) *When and where given.* The written examination will be given periodically, normally at least once a year, in designated cities in the United States and at Foreign Service posts, on dates established by the Board of Examiners and publicly announced.

(4) *Grading.* The several parts of the written examination will be weighted and graded according to standards established by the Board of Examiners. The number of candidates who pass each written examination will be governed by the projected hiring needs of the participating foreign affairs departments and agencies in subsequent years.

(c) *Oral examination.* The following regulations apply to the oral examination:

(1) *Purpose.* The oral examination is designed to enable the Board of Examiners for the Foreign Service to test the candidate's competence to perform the work of a Foreign Service officer at home and abroad, potential for growth in the Foreign Service, and suitability to serve as a representative of the United States abroad. The oral examination for the Junior Career Candidate Program will consist of an assessment procedure publicly announced by the Board of Examiners and hereinafter referred to as the oral examination.

(2) *Eligibility—(i) Through written examination.* (A) Candidates whose weighted score on the written examination is at or above the passing level set by the Board of Examiners will be eligible for selection to take the oral examination. All eligible candidates normally will be invited to take the oral examination.

(B) Should the total number of eligible candidates substantially exceed the projected hiring needs of the Foreign Service, the Board of Examiners may establish and publicly announce a higher written examination score than the passing level as the basis for selection to take the oral examination.

(C) The Board of Examiners may authorize special consideration to be given in the selection of candidates, from among those eligible, for the purpose of meeting language requirements, Affirmative Action goals, or for other purposes which the Board with the concurrence of the prospective hiring agencies may from time to time approve and publicly announce.

(D) The nature and applicability of all criteria utilized to select eligible candidates to take the oral examination will be developed by the Board of Examiners in consultation with the prospective hiring agencies and publicly announced in advance of each examination by the Board.

(E) Candidates who are selected to take the oral examination will be notified of the period of time after the date of the written examination, as determined by the Board of Examiners, within which the oral examination must be conducted. That period will normally be 1 year, but it may be extended or shortened in special circumstances by the Board. The candidacy of anyone whose candidacy has not been extended by the Board, and who has not again passed the written examination in the meantime, will be terminated 2 years after the end of the month in which the written examination was held. Time spent outside the United States and its territories, for reasons acceptable to the Board of Examiners, will not be counted against this 2-year period. The candidacy of anyone for whom the 2-year period is extended by the Board because of being abroad will be terminated automatically if the candidate fails to appear for the oral examination within 3 months after first returning to the United States. If a candidate fails to appear for the oral examination on an agreed date within the period of eligibility without an excuse acceptable to the Board, the candidacy will automatically terminate.

(ii) *Through affirmative action.* Members of the minority groups specified by the Equal Opportunity Act of 1972, as amended, may be selected by the Board of Examiners for admission to the oral examination in accordance with the Affirmative Action Programs of the participating departments and

Department of State

§ 11.1

agencies. Such candidates must be at least 21 years of age, citizens of the United States, and holders of at least a bachelor's degree from an accredited college or university. Affirmative Action Program applicants will be evaluated on a highly competitive basis, in accordance with criteria established by the Board in conjunction with the participating departments and agencies and publicly announced, to determine those to be selected for the oral examination.

(iii) *Through the mustang program.* (A) Employees of the Department of State in classes FS-9 through FS-4 and grades GS-1 through GS-12 who are at least 21 years of age and who have at least 3 years of service with the Department may be selected by the Board of Examiners for admission to the oral examination for the Junior Career Candidate Program in accordance with the Mustang Program of the Department. Such Mustang candidates must: (1) Complete successfully an appropriate Foreign Service Institute-sponsored or approved university or correspondence course relevant to officer-level responsibility in the chosen Foreign Service field of specialization; (2) submit an autobiography of approximately 1000 words; and (3) be recommended by a Qualifications Evaluation Panel of the Board of Examiners for selection for the oral examination.

(B) Employees of the Department of State in classes FS-3 and GS-13 and above are eligible for the Mid-Level Career Candidate Program and should apply under that program if they wish to be considered for conversion to Foreign Service officer status (see § 11.10).

(iv) *Through the upward mobility program.* Admission to the oral examination through the Upward Mobility Program of the United States Information Agency is governed by procedures established by that agency.

(3) *When and where given.* The oral examination cycle will be held each year in Washington, DC, and in selected cities in the United States. If circumstances permit, oral examinations may also be held at selected Foreign Service posts when approved by the Board of Examiners.

(4) *Examining panel.* The oral examination will be given by a panel of dep-

uty examiners approved by the Board of Examiners from a roster of Foreign Service officers; Foreign Service information officers; career officers from the Department of State, the United States Information Agency, and the Department of Commerce; and qualified private citizens who, by prior service as members of departmental or agency Foreign Service selection boards or other appropriate activities, have demonstrated special qualifications to serve as deputy examiners. Service as a deputy examiner shall be limited to a maximum of 5 years, unless a further period is specifically authorized by the Board. Examination panels shall be chaired by a career officer of the Foreign Service. Determinations of duly constituted panels of deputy examiners are final unless modified by specific action of the Board of Examiners.

(5) *Grading.* Candidates taking the oral examination will be graded numerically according to standards established and publicly announced by the Board of Examiners. The candidacy of anyone whose score is at or above the passing level set by the Board will be continued. The candidacy of anyone whose score is below the passing level will be terminated and may not be considered again until the candidate has passed a new written examination. An Affirmative Action, Mustang, or Upward Mobility candidate who fails the oral examination may not be considered again until 1 year after that date.

(d) *Background investigation.* Candidates who pass the oral examination will be eligible for selection by the Board for the background investigation. The background investigation shall be conducted to determine the candidate's suitability for appointment to the Foreign Service. Should the total number of eligible candidates substantially exceed the anticipated needs of the Foreign Service, the Board of Examiners may authorize priorities to be established, on the basis of combined written and oral examination scores and Affirmative Action considerations, for scheduling the background investigation.

(e) *Medical examination*—(1) *Eligibility.* Candidates who pass the oral examination, and their dependents, will be eligible for selection by the Board of Examiners for the medical examination.

(2) *Purpose.* The medical examination shall be conducted to determine the candidate's physical fitness to perform the duties of a Foreign Service officer on a worldwide basis and, for candidates and dependents, to determine the presence of any physical, neurological, or mental condition of such a nature as to make it unlikely that they would be able to function on a worldwide basis.

(3) *Conduct.* The medical examination may be conducted by medical officers of the Department of State, the Armed Forces, the Public Health Service, accredited colleges and universities, or by private physicians.

(4) *Determination.* The Medical Director of the Department of State will determine, on the basis of the report of the physician(s) who conducted the medical examination, whether the candidate and the candidate's dependents have met the required medical standards for appointment (see section 680, Volume 3, Foreign Affairs Manual).

(5) *Medical disqualification.* (i) An Employment Review Committee established by the Department of State, when authorized by the candidate, will review the case of any Department of State Foreign Service candidate or dependent who has been denied medical clearance for appointment, and determine by majority vote whether or not the candidate should be appointed despite the medical disqualification. Decisions of the Employment Review Committee are final and are not subject to further appeal by the candidate.

(ii) The United States Information Agency (USIA) maintains a similar review procedure for USIA Foreign Service candidates and dependents who are disqualified medically. Affected candidates may apply to the Director of the Office of Personnel (M/P) of USIA for review of their cases.

(f) *Final review panel.* After the results of the medical examination and background investigation are received, the candidate's entire file will be reviewed and graded by a Final Review Panel, consisting of two or more dep-

uty examiners of the Board of Examiners. Candidates who have completed the examination process; have passed their medical examination, or have obtained Employment Review Committee approval or the equivalent in accordance with the procedures of the other participating agencies; and, on the basis of their background investigation, have been found suitable to represent the United States abroad, will have their names placed on the functional rank-order register(s), or a special register, for the agency or agencies for which they have been found qualified. Thereafter, they will be considered for employment based on the needs of the individual foreign affairs agencies. The candidacy of any candidate who is determined by the Final Review Panel to be unqualified for appointment shall be terminated and the candidate so informed.

(g) *Certification for appointment*—(1) *Eligibility.* (i) A candidate will not be certified as eligible for appointment as a Foreign Service Officer Career Candidate of class FS-6 unless that candidate is at least 21 years of age and a citizen of the United States.

(ii) Career Candidate appointments shall be made before the candidate's 60th birthday. Appointments by the United States Information Agency shall be made before the candidate's 58th birthday. The maximum age for appointment under this program is based on the requirement that all career candidates shall be able to: (A) Complete at least two full tours of duty, exclusive of orientation and training, (B) complete the requisite eligibility period for tenure consideration, and (C) complete the requisite eligibility period to receive retirement benefits, prior to reaching the mandatory retirement age of 65 prescribed by the Act.

(iii) A candidate may be certified as eligible for direct appointment to classes FS-5 or FS-4 if the Board of Examiners determines in accordance with published criteria that, in addition to meeting the requirements for class FS-6, the candidate has additional special experience and skills for which there is a need in the Foreign Service.

(iv) Recommended candidates who meet the requirements of this section

will be certified for appointment by the Board, in accordance with the needs of the foreign affairs agencies, in the order of their standing on their respective registers.

(2) *Functional rank-order registers.* The Board of Examiners may maintain separate rank-order registers for Career Candidates in administrative, consular, economic, and political functions of the Department of State; for Career Candidates in the information/cultural function of the United States Information Agency; for Career Candidates in the foreign commercial function of the Department of Commerce; and for functions of other participating foreign affairs agencies. Appointments from each functional register will be made in rank order according to the needs of the relevant agency.

(3) *Special programs.* (i) Qualified minority candidates who apply and qualify under the Department of State Affirmative Action Junior Officer Program (AAJOP) may be placed on a separate register and offered appointment from that register to meet Affirmative Action hiring goals established by the Secretary.

(ii) Qualified minority candidates who apply and qualify under the Comprehensive Minority Recruitment and Training Program (COMRAT) of the United States Information Agency may be placed on a separate register and offered appointment from that register in accordance with the Affirmative Action Program established by that agency.

(iii) Mustang and Upward Mobility candidates who are career employees of the Department of State or the United States Information Agency will be certified by the Board of Examiners for direct appointment on an individual basis after satisfactorily completing all aspects of the examination process.

(4) *Postponement of entrance on duty.* Postponement of entrance on duty because of civilian Federal Government service abroad (to a maximum of 2 years of such service), including Peace Corps volunteer service, or required active regular or reserve military service (to a maximum of the limit of such required service), may be authorized by the Board.

(5) *Foreign language requirement.* A candidate may be certified for appointment to classes FS-6, FS-5, or FS-4 without first having passed an examination in a foreign language, but the appointment will be subject to the condition that the newly appointed Career Candidate may not be converted to career Foreign Service officer status unless, within a specified period of time, adequate proficiency in a foreign language is achieved. For limitations on promotion, see section 874, Volume 3, Foreign Affairs Manual.

(h) *Termination of eligibility—(1) Time limit.* Candidates who have qualified but have not been appointed because of lack of openings will be removed from the rank-order register 18 months after the date of placement on the rank-order register. Time spent in civilian Federal Government service abroad (to a maximum of 2 years of such service), including Peace Corps volunteer service, or in required active regular or reserve military service (to a maximum of the limit of such required service), will not be counted as part of the 18-month eligibility period.

(2) *Extension.* The Board of Examiners may extend the eligibility period when such extension is, in its judgment, justified in the interest of the Foreign Service.

(i) *Travel expenses.* The travel and other personal expenses of candidates incurred in connection with the written and oral examinations will not be borne by the Government. However, the participating foreign affairs departments and agencies may issue round-trip invitational travel orders to bring candidates to Washington, DC, at Government expense, when it is determined by the agencies that this is necessary in the interest of the Foreign Service.

§ 11.2 Written examination for appointment to class 7 or 8.

The Board of Examiners for the Foreign Service has established the following rules regarding the written examination:

(a) *When and where given.* The written examination will be given annually or semiannually, if required, in designated cities in the United States and at Foreign Service posts on dates established by the Board of Examiners for the Foreign Service. Applicants must indicate in their applications whether they are applying for the Department of State or for the U.S. Information Agency. Candidates who pass the written examination successfully may request a transfer of their applications to the other agency.

(b) *Designation to take written examination.* No person will be permitted to take a written examination for appointment as a Foreign Service officer or Foreign Service information officer who has not been specifically designated by the Board of Examiners to take that particular examination. Prior to each written examination, the Board will establish a closing date for the receipt of applications for designation to take the examination. No person will be designated for the examination who has not, as of that closing date, filed an application with the Board. To be designated for the written examination, a candidate, as of the date of the examination, must be a citizen of the United States and shall be at least 21 years of age, except that an applicant who has been awarded a bachelor's degree by a college or university, or has successfully completed the junior year at a college or university, may qualify if at least 20 years of age.

(c) *Content.* The written examination is designed to permit the Board to test the candidate's intelligence, breadth and quality of knowledge, and understanding. It will consist of three parts: (1) A general ability test, (2) an English expression test, and (3) a general background test.

(d) *Grading.* The several parts of the written examination are weighted in accordance with the rules established by the Board of Examiners.

(22 U.S.C. 1221 et seq.)

[37 FR 19356, Sept. 20, 1972, as amended at 38 FR 13640, May 24, 1973]

§ 11.3 Oral examination for appointment to class 7 or 8.

The Board of Examiners for the Foreign Service has established the following rules regarding the oral examination:

(a) *When and where given.* The oral examination will be given throughout the year at Washington and periodically in selected cities in the United States and, if circumstances permit, at selected Foreign Service posts.

(b) *Eligibility.* If a candidate's weighted average on the written examination is 70 or higher, the candidate will be eligible to take the oral examination. Candidates eligible for the oral examination will be given an opportunity and will be required to take the oral examination within 9 months after the date of the written examination. If a candidate fails to appear for the oral examination on an agreed date within the 9-month period, the candidacy will automatically terminate, except that time spent outside the United States and its territories, for reasons acceptable to the Board of Examiners, will not be counted against the 9-month period. The candidacy of anyone for whom the 9-month period is extended because of being abroad will be automatically terminated if the candidate fails to appear for the oral examination within 3 months after first returning to the United States: *Provided*, That the candidacy of anyone who has not returned and been examined in the meantime will be canceled 2 years after the end of the month in which the written examination was held.

(c) *Examining process.* (1) The oral examination will be given by a panel of deputy examiners approved by the Board of Examiners from a roster of Foreign Service officers, officers from the Department of State, and other Government agencies, and qualified private citizens who by prior service as members of selection boards or through other appropriate activities have demonstrated special qualifications for this work. Service as deputy examiners shall be limited to a maximum of 5 years, unless a further period is specifically authorized by the Board.

(2) The examination will be conducted in the light of all available information concerning the candidate

Department of State

§ 11.5

and will be designed to determine the candidate's: (i) Competence to perform the work of a Foreign Service officer at home and abroad; (ii) potential for growth in the Service; and (iii) suitability to serve as a representative of the United States abroad. Panels examining candidates for the Department of State will be chaired by a Foreign Service officer of the Department. Panels examining candidates for the U.S. Information Agency will be chaired by a Foreign Service officer of that Agency. Determinations of duly constituted panels of deputy examiners are final, unless modified by specific action of the Board of Examiners for the Foreign Service.

(3) Grading: Candidates appearing for the oral examination will be graded "recommended" or "not recommended." If recommended, the panel will assign a grade which will be advisory to the Final Review Panel in determining the candidate's standing on the rank-order register of eligibles. The candidacy of anyone who is graded "not recommended" is automatically terminated and may not be considered again until the candidate has passed a new written examination.

(4) An investigation shall be conducted of candidates who have been graded "recommended" by the oral examining panel to determine loyalty to the Government of the United States and attachment to the principles of the Constitution.

(22 U.S.C. 1221 et seq.)

[37 FR 19356, Sept. 20, 1972, as amended at 38 FR 13640, May 24, 1973]

§ 11.4 Medical examination for appointment to class 7 or 8.

The Board of Examiners for the Foreign Service has established the following rules regarding the medical examination of candidates.

(a) A candidate graded "recommended" on the oral examination will be eligible for the physical examination.

(b) The medical examination is designed to determine the candidate's physical fitness to perform the duties of a Foreign Service officer on a worldwide basis and to determine the presence of any physical, nervous, or mental disease or defect of such a nature as

to make it unlikely that the candidate would become a satisfactory officer. The Executive Director of the Board of Examiners for the Foreign Service, with the concurrence of the Deputy Assistant Secretary for Medical Services, may make such exceptions to these physical requirements as are in the interest of the Service. All such exceptions shall be reported to the Board of Examiners for the Foreign Service at its next meeting.

(c) The medical examination will be conducted by medical officers of the Armed Forces, the Public Health Service, the Department, accredited colleges and universities, or, with the approval of the Board of Examiners, by private physicians.

(d) The Deputy Assistant Secretary for Medical Services will determine, on the basis of the report of the physician(s) who conducted the medical examination, whether the candidate has met the standards set forth in paragraph (b) of this section.

(22 U.S.C. 1221 et seq.)

[37 FR 19356, Sept. 20, 1972]

§ 11.5 Certification for appointment to class 7 or 8.

(a) Candidates will not be certified as eligible for appointment as Foreign Service officers of class 8 unless they are at least 21 years of age, is a citizen of the United States, and, if married, married to a citizen of the United States. A candidate may be certified as eligible for direct appointment to class 7 if, in addition to meeting these specifications, the candidate also has additional qualifications of experience, education, and age which the Board of Examiners for the Foreign Service currently defines as demonstrating ability and special skills for which there is a need in the Foreign Service. Recommended candidates who meet these requirements will be certified for appointment, in accordance with the needs of the Service, in the order of their standing on their respective registers.

(b) Separate registers for Department of State candidates will be maintained

for the administrative, consular, commercial/economic, and political functional specialties. Successful candidates for the U.S. Information Agency will have their names placed on a separate rank-order register and appointments will be made according to the needs of the Agency. Postponement of entrance on duty for required active military service, or required alternative service, civilian Government service abroad (to a maximum of 2 years of such civilian service), or Peace Corps volunteer service, will be authorized. A candidate may be certified for appointment to class 7 or 8 without first having passed an examination in a foreign language, but the appointment will be subject to the condition that the newly appointed officer may not receive more than one promotion unless, within a specified period of time, adequate proficiency in a foreign language is achieved.

[37 FR 19356, Sept. 20, 1972, as amended at 38 FR 13640, May 24, 1973]

§ 11.6 Final Review Panel.

After the results of the medical examination and background investigation are received, the candidate's entire file will be reviewed by a Final Review Panel, consisting of two or more deputy examiners. Candidates who have been graded "recommended" by oral examining panels, who have passed their medical examination, and who, on the basis of investigation have been found to be loyal to the Government of the United States and personally suitable to represent it abroad, will have their names placed on a rank-order register for the functional specialty for which they have been qualified. Their standing on the register will be determined by the Final Review Panel after taking into account the grade assigned by the oral examining panel and any information developed subsequent to the oral examination concerning the applicant. The candidacy of anyone who is determined by the Final Review Panel to be unqualified for appointment shall be terminated and the candidate so informed.

(22 U.S.C. 1221 et seq.)

[37 FR 19356, Sept. 20, 1972]

§ 11.7 Termination of eligibility.

(a) Candidates who have qualified but have not been appointed because of lack of vacancies will be dropped from the rank-order register 30 months after the date of the written examination: *Provided, however,* That reasonable time spent in civilian Government service abroad (to a maximum of 2 years such service), including service as a Peace Corps volunteer, in required active military service, or in required alternative service, subsequent to establishing eligibility for appointment will not be counted in the 30-month period.

(b) The Chairman of the Board of Examiners may extend the eligibility period when such extension is, in his judgment, justified in the interests of the Service. The Chairman shall report the approved extensions to the Board of Examiners.

(22 U.S.C. 1221 et seq.)

[37 FR 19356, Sept. 20, 1972]

§ 11.8 Travel expenses of candidates.

The travel and other personal expenses of candidates incurred in connection with the written and oral examinations will not be borne by the Government, except that the Department may issue round-trip invitational travel orders to bring candidates to Washington at Government expense when it is determined that it is necessary in ascertaining a candidate's qualifications and adaptability for appointment.

(22 U.S.C. 1221 et seq.)

[37 FR 19356, Sept. 20, 1972]

§ 11.10 Mid-level Foreign Service officer career candidate appointments. [Reserved]

§ 11.11 Mid-level Foreign Service officer career candidate appointments.

(a) *General considerations*—(1) *Authority.* Pursuant to sections 302 and 306 of the Foreign Service Act of 1980 (hereinafter referred to as the Act), all Foreign Service officers shall be appointed by the President, by and with the advice and consent of the Senate. All appointments shall be made to a class and not to a particular post. No person shall be eligible for appointment as a

Department of State

§ 11.11

Foreign Service officer unless that person is a citizen of the United States. Such appointment is initially to career candidate status, with subsequent commissioning to career status governed by Volume 3 (Personnel), Foreign Affairs Manual section 570.

(2) *Veterans' preference.* Pursuant to section 301 of the Act, and notwithstanding the provisions of section 3320 of title 5 of the United States Code, the fact that an applicant is a veteran or disabled veteran, as defined in section 2108(3A), (3B), and (3C) of such title, shall be considered as an affirmative factor in the selection of candidates for appointment as Foreign Service officer career candidates (22 U.S.C. 1234).

(3) *Purpose and policy.* The Mid-Level Career Candidate Program of the Department of State supplements the Junior Foreign Service Officer Career Candidate Program to meet total requirements for Foreign Service officers at the mid-level. The purposes of the Mid-Level Program are: (i) To provide expanded opportunities and upward mobility for outstanding members of the Foreign Service with high potential who have been serving with particular success in other occupational categories; (ii) to permit the recruitment of a limited number of highly skilled and qualified personnel from outside the Foreign Service to meet specific needs which cannot be met from within the career Service; and (iii) to assist in meeting the Affirmative Action goals of the Department of State. This section governs appointments to generalist occupational categories (that is, administrative, consular, economic and political) at classes FS-3, 2, or 1. All appointments above FS-1, regardless of occupational category, are governed by § 11.30 (to be supplied). Appointments to Specialist occupational categories below the Senior Foreign Service are governed by § 11.20. Successful applicants under the Mid-Level Program will be appointed to career candidate status for a period not to exceed 5 years. Under precepts of the Commissioning and Tenure Board, career candidates may be granted tenure and converted to career Foreign Service officer status. Those who are not granted tenure prior to the expiration of their career candidate appointments

will be separated from the Career Candidate Program no later than the expiration date of their appointments. As provided in section 310 of the Act, such separated candidates who had originally been employed by the Department of State with the consent of the head of their agency shall be entitled to reemployment rights in their former agency under section 3597 of title 5, United States Code.

(4) *Sources of candidates*—(i) *Department.* The great majority of mid-level entrants will be career employees of the Department of State and the Foreign Service of proven ability who possess high potential for advancement. On the basis of the needs of the Foreign Service, the Department will approve the mid-level appointment of Foreign Service and Civil Service personnel on its rolls who apply, for whom the Bureau of Personnel issues a certificate of need, and who are found qualified by the Board of Examiners for the Foreign Service.

(ii) *Other Federal Government agencies.* Personnel with similar qualifications from other Federal Government agencies may also apply for the Mid-Level Program based on agreements between the Department and those agencies.

(iii) *Other.* Other candidates may be drawn from non-Government sources, including minority and women applicants for the Department's Mid-Level Affirmative Action Program.

(b) *Eligibility requirements*—(1) *Citizenship.* Each person appointed as a Foreign Service mid-level career candidate must be a citizen of the United States.

(2) *Service.* (i) On the date of application, a candidate must have completed a minimum of 9 years of professional work experience, including at least 3 years of service in a position of responsibility in a Federal Government agency or agencies. For this purpose, a position of responsibility is defined as one in the Foreign Service at class FS-5, in the Civil Service at GS-9, or in the Armed Forces as first lieutenant or lieutenant junior grade, or higher. Academic studies, particularly those related to Foreign Service work, may be substituted for part of the required experience. The duties and responsibilities of the position occupied by the candidate must have been similar to or

closely related to that of a Foreign Service officer in terms of knowledge, skills, abilities, and overseas work experience. In addition, a candidate must currently be in, or have been in, a grade or class comparable to FS-4 or higher.

(ii) Candidates from outside the Department who at the time of application lack 3 years of service in a position of responsibility as defined in the preceding paragraph may, however, be considered if they are found to possess a combination of educational background, employment, experience, and skills needed by the Foreign Service at the mid-level.

(3) *Age.* All career candidate appointments shall be made before the candidate's 60th birthday. The maximum age for appointment under this program is based on the requirement that all career candidates shall be able to (i) complete at least two full tours of duty, exclusive of orientation and training, (ii) complete the requisite eligibility period for tenure consideration, and (iii) complete the requisite eligibility period to receive retirement benefits, prior to reaching the mandatory retirement age of 65 prescribed by the Act.

(4) *Certification of need.* Before the Board of Examiners may process a candidacy, the Director General of the Foreign Service must certify that there is a continuing, long-term requirement, consistent with the projections of personnel flows and needs mandated by section 601(c)(2) of the Act, for a combination of professional work experience, educational background, skills, and capabilities possessed by the applicant which cannot reasonably be met from within the ranks of the career service, including by special training of career personnel and/or limited appointments pending completion of such training, if feasible. No applicant may be appointed in an occupational category or at a class level for which the Director General has not certified a need. Such certifications shall take into full account the latest published skills resources inventory and shall be based on a written assessment of the assignment and promotion effects on career members of the Foreign Service. A separate certification of need is not

required for applicants under the Mid-Level Affirmative Action Program, as the hiring goals established by the Secretary constitute the certification for applicants under that Program. The exclusive employee representative will be advised promptly in writing on request of the number, nature, and dates of the certifications of need issued since the last request, including a affirmation that each such issuance has been in accordance with the requirements of this section.

(c) *Recruitment*—(1) *From within the Department.* It is the Department's policy to encourage eligible personnel on its rolls to apply for appointment as Mid-Level Foreign Service officer career candidates including, in particular, the following categories: (i) Members of the Foreign Service whose performance has been consistently of a high caliber, and whose background, experience, and general qualifications indicate that they can compete favorably with Foreign Service officers; and (ii) Civil Service personnel who are serving in positions to which Foreign Service officers are normally assigned, who have superior records, and whose general qualifications indicate that they can compete favorably with Foreign Service officers.

(2) *Other.* The Department also encourages highly qualified applicants from other agencies of the Federal Government, and from outside the Federal Government, who meet the statutory and other eligibility requirements, to apply for the Mid-Level Program. Appointments from these sources for available openings are made on a highly competitive basis to fill specific needs of the Foreign Service at the Mid-Level.

(d) *Methods of application*—(1) *Forms.* Application is made for a Mid-Level Foreign Service officer career candidate appointment but not for a specific class. Applicants for mid-level entry must complete Standard Form 171, "Personnel Qualifications Statement," and Form DSP-34, "Supplement to Application for Federal Employment," and forward them, together with an autobiography not exceeding four typewritten pages in length, to the Board of Examiners for the Foreign Service for consideration.

(2) *Qualifications evaluation panel.* The Board of Examiners establishes a file for each applicant, placing in it all available documentation of value in evaluating the applicant's potential for service as a Foreign Service officer. A Qualifications Evaluation Panel of deputy examiners of the Board of Examiners reviews the file to determine whether the applicant meets the statutory and other eligibility requirements, to assess the applicant's skills relative to the needs of the Foreign Service, and to recommend whether the applicant should be examined for possible appointment under the Mid-Level Program.

(e) *Examination for mid-level appointment.* The submission of an application to the Board of Examiners does not in itself entitle an applicant to examination. The decision whether to proceed with an examination will be made by the Board of Examiners after a thorough review of the candidate's qualifications and a determination of eligibility for appointment following receipt of a certification of need for that candidate.

(1) *Purpose.* The mid-level examination is designed to enable the Board of Examiners to determine a candidate's aptitude for the work of the Foreign Service at the mid-level and fitness for a Foreign Service career.

(2) *Class.* In determining the Foreign Service officer class for which a candidate will be examined, the Board of Examiner's presumption will be for the class which is equivalent to the candidate's current salary level. In evaluating qualifications and in conducting examinations, the Board of Examiners will determine whether the candidate's qualifications compare favorably with Foreign Service officers at the candidate's current salary level. However, the Board of Examiners, at its discretion, may certify a candidate for appointment as a career candidate at a class other than that equivalent to current salary level in those instances where the Board determines that the candidate's qualifications clearly warrant such action.

(3) *Written examination.* A written examination will not normally be required of candidates for mid-level appointment. However, if the volume of

applications for a given class or classes, or a particular functional specialty, is such as to make it infeasible to examine all candidates orally within a reasonable time, such candidates may be required to take an appropriate written examination prescribed by the Board of Examiners. Candidates whose score on the written examination is at or above the passing level set by the Board of Examiners will be eligible for selection for the oral examination.

(4) *Oral examination—(i) Purpose.* The oral examination will be designed to enable the Board of Examiners to determine whether candidates are functionally qualified for work in the Foreign Service at the mid-level, whether they have the potential to advance in the Foreign Service, and whether they have the background and experience to make a contribution to the Foreign Service.

(ii) *When and where given.* The oral examination is individually scheduled throughout the year and is normally given in Washington, DC. At the discretion of the Board of Examiners, it may be given in other American cities, or at Foreign Service posts, selected by the Board.

(iii) *Examining panel.* Candidates recommended by a Qualifications Evaluation Panel for examination will be given an oral examination by a panel of deputy examiners of the Board of Examiners. That panels shall include at least one officer from the functional or professional specialty for which the candidate is being examined. Examining panels shall be chaired by a career officer of the Foreign Service. Determinations of duly constituted panels of deputy examiners are final unless modified by specific action of the Board of Examiners.

(iv) *Content.* The Examining Panel will question the candidate regarding the indicated functional or professional specialty; knowledge of American history, government, and other features of American culture; familiarity with current events and international affairs; and other matters relevant to the candidate's qualifications for appointment.

(v) *Grading.* Candidates taking the oral examination will be graded numerically according to standards established by the Board of Examiners. The candidacy of anyone whose score is at or above the passing level set by the Board will be continued. The candidacy of anyone whose score is below the passing level will be terminated and may not be considered again until 1 year after that date.

(5) *Written essay.* Candidates who take the oral examination will be asked to write an essay during the examination day, on a topic related to Foreign Service work, to enable the Board of Examiners to measure the candidate's effectiveness of written expression.

(6) *Other exercises.* Candidates who take the oral examination also may be asked to complete other exercises during the examination day, to enable the Board of Examiners to measure additional aspects of performance related to Foreign Service work at the mid-level.

(7) *Background investigation.* Candidates who pass the oral examination will be eligible for selection for the background investigation. The background investigation shall be conducted to determine suitability for appointment to the Foreign Service.

(8) *Medical examination.* Candidates who pass the oral examination, and their dependents, will be eligible for selection for the medical examination. The medical examination shall be conducted to determine the candidate's physical fitness to perform the duties of a Foreign Service officer on a world-wide basis and, for candidates and dependents, to determine the presence of any physical, neurological, or mental condition of such a nature as to make it unlikely that they would be able to function on a world-wide basis.

(9) *Final review panel.* The entire file of candidates who pass the oral examination will be reviewed and graded by a Final Review Panel, consisting of two or more deputy examiners of the Board of Examiners, after the results of the background investigation and the medical examination are received. The Final Review Panel will take into account the grade assigned by the oral Examining Panel, as well as all other available information concerning the

candidate, and decide whether or not to recommend the candidate for appointment. The candidate's file will then be submitted to the Board of Examiners for approval. If approved by the Board, the candidate's name will be entered on the rank-order register for the class and functional specialty for which the candidate has been found qualified. The candidacy of anyone who is not recommended for appointment by the Final Review Panel shall be terminated and the candidate so informed.

(10) *Foreign language requirement.* All candidates who pass the oral examination will be required to take a subsequent test to measure their fluency in foreign languages or their aptitude for learning them. A candidate may be appointed without first having passed an examination in a foreign language, but the appointment will be subject to the condition that the newly appointed career candidate may not be converted to career Foreign Service officer status unless, within a specified period of time, adequate proficiency in a foreign language is achieved. For limitations on promotions see Volume 3 (Personnel), Foreign Affairs Manual, section 874.

(11) *Certification for appointment—(i) Departmental employees.* A candidate who is a career employee of the Department, for whom a certification of need has been issued, will be certified by the Board of Examiners for appointment after satisfactorily completing all aspects of the examination process. The appointment certification will specify the class and salary for which the candidate has been found qualified.

(ii) *Others.* Other successful candidates will, after being approved by the board of Examiners, have their names placed on the rank-order register for the class and functional specialty for which they have been found qualified. A separate rank-order register may be established for candidates under the Mid-Level Affirmative Action Program. Appointments to available openings will be made from the registers in rank-order according to the needs of the Foreign Service.

(12) *Termination of eligibility.* Candidates who have qualified but have not been appointed because of lack of openings will be removed from the

rank-order register 18 months after the date of placement on the rank-order register. The Board of Examiners may extend the eligibility period when such extension is, in its judgment, justified in the interests of the Foreign Service.

§ 11.20 Foreign Service specialist career candidate appointments.

(a) *General considerations.* (1) Section 303 of the Foreign Service Act of 1980 (hereinafter referred to as the Act) authorizes the appointment of members of the Service (other than Presidential appointments).

(2) Section 306 of the Act provides that, before receiving a career appointment in the Foreign Service, an individual shall first serve under a limited appointment for a trial period of service as a career candidate.

(3) This section governs the appointment by the Department of State of Foreign Service specialist career candidates to classes FS-1 and below. Specialist candidates comprise all candidates for career appointment in all occupational categories other than generalists (that is, administrative, consular, economic, political, and program direction), who are governed by the regulations respecting Foreign Service officer career candidates. The appointment of all Senior Foreign Service career candidates regardless of occupational category is governed by § 11.30 (to be supplied). Regulations governing trial service and tenuring of specialist candidates are found in Volume 3 (Personnel), Foreign Affairs Manual, section 580.

(4) Veterans' preference shall apply to the selection and appointment of Foreign Service specialist career candidates.

(b) *Specialist career candidate appointments*—(1) *Certification of need.* Candidates for appointment as specialist career candidates must be world-wide available and must have a professional or a functional skill for which there is a continuing need in the Foreign Service. Before an application can be processed, the Director General of the For-

eign Service must certify that there is a need for the applicant as a career candidate in the specialist category at or above the proposed class of appointment. No applicant shall be appointed at a class level for which there is no certified need. This individual certification of need is not required for those specialist occupations which the Director General determines in advance to be shortage or continuous recruitment categories, and for which the Director General has certified the need for a specific number of appointments at given levels. Such appointments, including an appointment of an individual who is the employee of any agency, may not exceed 5 years in duration, and may not be renewed or extended beyond 5 years. A specialist candidate denied tenure under Volume 3 (Personnel), Foreign Affairs Manual, section 580, may not be reappointed as a career candidate in the same occupational category.

(2) *Eligibility.* An applicant must be a citizen of the United States and at least 20 years of age. The minimum age for appointment as a career candidate is 21. All career candidate appointments shall be made before the candidate's 60th birthday. The maximum age for appointment under the program is based on the requirement that all career candidates shall be able to (i) complete at least two full tours of duty, exclusive of orientation and training, (ii) complete the requisite eligibility period for tenure consideration, and (iii) complete the requisite eligibility period to receive retirement benefits, prior to reaching the mandatory retirement age of 65 prescribed by the Act.

(3) *Selection and initial screening.* Specialist career candidates will be selected on the basis of education, experience, suitability, performance potential, and physical fitness for world-wide service. Applicants normally will be given personal interviews and will be subject to such written, oral, physical, foreign language, and other examinations as may be prescribed by the Board of Examiners for the Foreign Service and administered by the Office of Recruitment, Examination, and Employment (PER/REE). The Board of Examiners will identify and/or approve the knowledge, skills, abilities, and

personal characteristics required to perform the tasks and duties of Foreign Service specialists in each functional field. PER/REE will screen applications for appointment as Foreign Service specialist career candidates under approved criteria and select those who meet the requirements for further processing under these regulations.

(4) *Oral Examination.* Candidates selected through the initial screening will be eligible for an oral examination unless they are candidates for appointment in occupational categories for which the oral examination may be waived by the Director General. This waiver normally will apply only to continuous-recruitment categories and to appointments below the FS-6 level, and where such waivers occur, a thorough oral interview will be conducted. The oral examination will be given by a panel of deputy examiners, at least one of whom will be a career Foreign Service specialist proficient in the functional field for which the candidate is being tested. The examination may include a writing sample. Candidates taking the oral examination will be graded numerically according to standards set by the Board of Examiners. The candidacy of anyone whose score is at or above the passing level set by the Board will be continued. The candidacy of anyone whose score is below the passing level will be terminated and may not be considered again for 1 year.

(5) *Background investigation.* Candidates who have passed the oral examination, and candidates who have passed the initial screening if the oral examination has been waived, will be eligible for selection for the background investigation to determine their suitability for appointment to the Foreign Service.

(6) *Medical examination.* Such candidates and their dependents will be eligible for selection for the medical examination. The medical examination shall be conducted to determine the candidate's physical fitness to perform the duties of a Foreign Service specialist on a world-wide basis and, for candidates and dependents, to determine the presence of any physical, neurological, or mental condition of such a nature as to make it unlikely that

they would be able to function on a world-wide basis.

(7) *Final review panel.* After the results of the medical examination and background investigation have been received, a Final Review Panel, consisting of two or more deputy examiners of the Board of Examiners, or by another appropriate panel appointed for the purpose by the Director of PER/REE, will review and grade the candidate's entire file. Candidates approved by the Final Review Panel will have their names placed on a rank-order register for the functional specialty for which they are qualified. Candidates will remain eligible for appointment for 18 months from the date of placement on the rank-order register. The Board of Examiners may extend this eligibility period when such extension is, in its judgment, justified in the interests of the Foreign Service. The candidacy of anyone who is not recommended for appointment by the Final Review Board shall be terminated and the candidate so informed.

(c) *Limited non-career appointments.* Other Foreign Service specialist appointments may be made on a limited non-career basis. Before an application for a limited non-career appointment can be processed, the Director General of the Foreign Service must certify that there is a need for the applicant. Such limited specialists must serve overseas, and they will be subject to the same conditions as those outlined in these regulations for career candidates, with the exception that the maximum age of 59 does not apply to such appointments. However, because members of the Foreign Service generally are subject to the mandatory retirement age of 65 under section 812 of the Act, limited non-career appointments normally will not extend beyond the appointee's 65th birthday. Applicants for limited non-career appointments will be subject to the same screening, medical examination, background investigation, and final review process required of career candidates, but normally they will not be subject to a written or oral examination. Their appointments will normally be limited to the duration of the specific assignment for which they are to be hired, may not exceed 5 years in duration,

and may not be renewed or extended beyond 5 years. Ordinarily, no limited non-career appointee will be reappointed until at least 1 year has elapsed since the expiration of a previous appointment. However, earlier reappointment may be granted in cases of special need, provided the exclusive employee representative is advised in advance and is afforded an opportunity to comment. Prior to the expiration of their limited appointments, if otherwise eligible, non-career appointees may compete for career candidate status by qualifying at that time for and taking the examinations required of career candidates. If successful, their names would be entered on the rank-order register for their functional specialty. If appointed as career candidates, the length of service under their previous limited non-career appointments may be counted as part of the trial period of service prescribed before a candidate can receive a career appointment.

(Secs. 206(a) and 301(b), Foreign Service Act of 1980 (secs. 206(a) and 301(b), Pub. L. 96-465, 94 Stat. 2079 and 2083 (22 U.S.C. 3926 and 3941)))

§ 11.30 Senior Foreign Service officer career candidate and limited non-career appointments.

(a) *General considerations.* (1) Career officers at the Senior Level normally shall be appointed as the result of promotion of Mid-Level career officers. Where the needs of the Foreign Service at the Senior Level cannot otherwise be met by this approach, limited appointments may be granted to applicants as Senior Career Candidates or as limited non-career appointees in accordance with these regulations. However, as required by section 305(b) of the Foreign Service Act of 1980 (hereinafter referred to as the Act), but qualified by section 305(b)(1) and (2) and section 2403(c) of the Act, the limited appointment of an individual in the Senior Foreign Service shall not cause the number of members of the Senior Foreign Service serving under limited appointments to exceed 5 percent of the total members of the Senior Foreign Service.

(2) Successful applicants under the Senior Career Candidate Program will be appointed to Career Candidate status for a period not to exceed 5 years. Such limited Career Candidate appointments may not be renewed or extended beyond 5 years.

(3) Under section 306 of the Act, Senior Career Candidates may be found qualified to become career members of the Senior Foreign Service. Those who are not found to be so qualified prior to the expiration of their limited appointments will be separated from the Career Candidate Program no later than the expiration date of their appointments. Separated candidates who originally were employees of a Federal department or agency, and who were appointed to the Senior Foreign Service with the consent of the head of that department or agency, will be entitled to reemployment rights in that department or agency in accordance with section 310 of the Act and section 3597 of title 5, United States Code.

(4) The following regulations shall be utilized in conjunction with section 593, Volume 3, Foreign Affairs Manual ("Senior Foreign Service Officer Career Candidate Program"). (Also see Foreign Affairs Manual Circulars No. 8 [applicable to the Department of State only] and No. 9 [applicable to the Departments of State, Agriculture, and Commerce, the Agency for International Development, and the United States Information Agency], dated March 6, 1981.)

(b) *Senior Career Candidate appointments*—(1) *Eligibility requirements.* Senior Career Candidates must meet the following eligibility requirements:

(i) *Citizenship.* Each person appointed as a Senior Career Candidate must be a citizen of the United States.

(ii) *Age.* All career candidate appointments shall be made before the candidate's 60th birthday. Appointments by the United States Information Agency shall be made before the candidate's 58th birthday. The maximum age for appointment under this program is based on the requirement that all career candidates shall be able to: (A) Complete at least two full tours of duty, exclusive of orientation and training; (B) complete the requisite eligibility period for tenure consideration

and (C) complete the requisite eligibility period to receive retirement benefits, prior to reaching the mandatory retirement age of 65 prescribed by the Act.

(iii) *Service.* (A) On the date of application, an applicant must have completed a minimum of 15 years of professional work experience, including at least 5 years of service in a position of responsibility in a Federal Government agency or agencies or elsewhere equivalent to that of a Mid-Level Foreign Service officer (classes FS-1 through FS-3). The duties and responsibilities of the position occupied by the applicant must have been similar to or closely related to that of a Foreign Service officer in terms of knowledge, skills, abilities, and overseas work experience. In addition, an applicant must currently be in, or have been in, a position comparable to a Foreign Service officer of class 1 (FS-1), or higher.

(B) Applicants from outside the Federal Government, and Federal employees who at the time of application lack the 15 years of professional work experience or the 5 years of service in a position of responsibility as defined in the preceding paragraph, may, however, be considered if they are found to possess a combination of educational background, professional work experience, and skills needed by the Foreign Service at the Senior Level in employment categories which normally are not staffed by promotion of Mid-Level career officers.

(C) Non-career members of the Senior Foreign Service of a Federal Government department or agency also may apply for the Senior Career Candidate Program if they meet the eligibility requirements for the program.

(iv) *Certification of need.* Before an application can be processed, the Director of Personnel of the foreign affairs agency concerned must certify that there is a need for the applicant as a Senior Career Candidate based upon (A) the projections of personnel flows and needs mandated by section 601(c)(2) of the Act, and (B) a finding that the combination of educational background, professional work experience, and skills possessed by the applicant is not expected to be available in the im-

mediate future in sufficient numbers within the Senior Foreign Service, including by promotion and/or special training of career personnel. This certification of need will be requested by the Board of Examiners for the Foreign Service from the appropriate foreign affairs agency Director of Personnel.

(2) *Application.* All applicants for the Senior Career Candidate Program must apply in writing through the prospective employing agency to the Board of Examiners for consideration. The applicant shall submit a completed Standard Form 171, "Personnel Qualifications Statement," and Form DSP-34, "Supplement to Application for Federal Employment," to the Board. In addition, the applicant shall submit a narrative statement, not exceeding four typewritten pages in length, describing the applicant's pertinent background and professional work experience, which includes a statement of the applicant's willingness and ability to accept the obligation of world-wide service. The Board may request additional written information from the applicant following receipt of the initial application.

(3) *Qualifications evaluation panel.* (i) The Board of Examiners will establish a file for each applicant, placing in it all available documentation of value in evaluating the applicant's potential for service as a Senior Career Candidate. For an applicant from within the Federal Government, this will include the personnel file from the employing department or agency.

(ii) The complete file will be reviewed by a Qualifications Evaluation Panel of the Board of Examiners to determine whether the applicant meets the statutory and other eligibility requirements, to assess the applicant's skills under the certification of need issued by the prospective employing agency, and to recommend whether the applicant should be examined for possible appointment as a Senior Career Candidate. If the Qualifications Evaluation Panel decides that the applicant is not eligible for examination, the prospective employing agency shall be informed by the Board of the reasons for that decision.

(4) *Written Examination.* The Board of Examiners normally will not require

Senior Career Candidate applicants to undergo a written examination. However, the Board may, upon securing the agreement of the prospective employing agency, decide that such applicants should be required to take an appropriate written examination prescribed by the Board. If so, an applicant whose score on the written examination is at or above the passing level set by the Board will be eligible for selection for the oral examination.

(5) *Oral examination*—(i) *Examining panel.* Applicants recommended by the Qualifications Evaluation Panel will be given an appropriate oral examination by a Panel of Senior Foreign Service deputy examiners of the Board of Examiners. The Oral Examining Panel shall be composed of at least two deputy examiners who are Senior Foreign Service career officers of the prospective employing agency, and at least one deputy examiner who is a Senior Foreign Service career officer from another foreign affairs agency operating under the Foreign Service Act. The Examining Panel shall be chaired by a deputy examiner who is a Senior Foreign Service career officer of the prospective employing agency. At least one of the Examining Panel members shall represent the functional or specialist field for which the applicant is being examined. Determinations of duly constituted panels of deputy examiners are final, unless modified by specific action of the Board of Examiners.

(ii) *Criteria.* (A) The Examining Panel will question the applicant regarding the indicated functional or specialist field and other matters relevant to the applicant's qualifications for appointment as a Senior Career Candidate. Prior to the oral examination, the applicant will be asked to write an essay, on a topic related to Foreign Service work, to enable the Examining Panel to judge the applicant's effectiveness of written expression. This essay requirement may be waived at the request of the head of the prospective employing agency, if, for example, the applicant is a career member of the Senior Executive Service.

(B) The oral examination will be conducted under written criteria, established in consultation with the pro-

spective employing agency and publicly announced by the Board of Examiners. The examination will seek to determine the ability of the applicant to meet the objective of section 101 of the Act, which provides for a Senior Foreign Service "characterized by strong policy formulation capabilities, outstanding executive leadership qualities, and highly developed functional, foreign language, and area expertise."

(iii) *Grading.* Applicants taking the oral examination will be graded as "recommended," or "not recommended" by the Examining Panel. Those graded as "recommended" also will be given a numerical score, under the standard Board of Examiners scoring criteria, for use by the Final Review Panel.

(6) *Background investigation.* Senior Career Candidate applicants recommended by the Examining Panel will be subject to the same background investigation as required for Junior and Mid-Level Foreign Service Officer Career Candidates. The background investigation shall be conducted to determine suitability for appointment to the Foreign Service.

(7) *Medical examination.* Senior Career Candidate applicants recommended by the Examining Panel, and their dependents, will be subject to the same medical examination as required for the Junior and Mid-Level Foreign Service Career Candidates. The medical examination shall be conducted to determine the applicant's physical fitness to perform the duties of a Foreign Service officer on a world-wide basis and, for applicants and dependents, to determine the presence of any physical, neurological, or mental condition of such a nature as to make it unlikely that they would be able to function on a world-wide basis. Applicants and/or dependents who do not meet the required medical standards may be given further consideration, as appropriate, under the procedures of the prospective employing agency.

(8) *Foreign language requirement.* Applicants recommended by the Examining Panel will be required to take a subsequent examination to measure their fluency in foreign languages, and/or their aptitude for learning them.

Senior Career Candidates will be subject to the foreign language requirements established for their occupational category by their prospective employing agency. Senior Career Candidate applicants for the Foreign Commercial Service must demonstrate proficiency by examination in two foreign languages. United States Information Agency Senior Career Candidates, other than Senior Specialist Career Candidates, must demonstrate proficiency in at least one foreign language. Except for the Foreign Commercial Service and the United States Information Agency, an applicant may be appointed without first having passed an examination in a foreign language, but the appointed Senior Career Candidate may not be commissioned as a Career Senior Foreign Service officer unless adequate proficiency in a foreign language is achieved. This language requirement will not apply to candidates in occupational categories which, in the judgment of the prospective employing agency, do not require foreign language proficiency.

(9) *Final review panel.* (i) The entire file of an applicant recommended by the Examining Panel will be reviewed and graded by a Final Review Panel, after the results of the background investigation, medical examination and language examination are received. The Final Review Panel will decide whether or not to recommend the applicant for appointment, taking into account all of the available information concerning the applicant.

(ii) The Final Review Panel shall consist of a chairperson who shall be a Deputy Examiner who is a career Senior Foreign Service officer of the prospective employing agency, and at least two other Deputy Examiners of the Board of Examiners. Of the Deputy Examiners serving on the Final Review Panel, the majority shall be career Senior Foreign Service officers of the prospective employing agency; and at least one shall be a career Senior Foreign Service officer of one of the other foreign affairs agencies operating under the Act.

(10) *Certification of appointment.* The file of an applicant recommended by the Final Review Panel will be submitted to the Board of Examiners for con-

sideration and approval. An applicant found by the Board to meet the standards for appointment as a Senior Foreign Service Career Candidate shall be so certified to the Director of Personnel of the prospective employing agency.

(c) *Limited non-career appointments.* (1) Other Senior Foreign Service appointments may be made on a limited non-career basis for individuals who do not wish to compete for career appointments, but for whom a need can be certified by the Director of Personnel of the foreign affairs agency concerned. Such limited non-career senior appointees will be subject to the eligibility requirements set forth in § 11.30(b)(1) (i) and (iv). The maximum age set forth in § 11.30(b)(1)(ii) does not apply to such appointments. However, because Foreign Service members generally are subject to the mandatory retirement age of 65, under section 812 of the Act, limited non-career Senior appointments normally will not extend beyond the appointee's 65th birthday. Limited non-career appointees of the Department of Commerce and the United States Information Agency will not be subject to the language requirements of § 11.30(b)(8). Applicants for limited non-career senior appointments will be subject to the same background investigation and medical examination required of career candidates, but normally they will not be subject to a written or oral examination, or to approval by the Board of Examiners. Processing procedures for such applicants will be established by the Director of Personnel of the foreign affairs agency concerned. Their appointments normally will be limited to the duration of the specific assignments for which they are to be hired, may not exceed 5 years in duration, and may not be renewed or extended beyond 5 years.

(2) Prior to the expiration of their limited non-career senior appointments, if they meet all the eligibility requirements set forth in § 11.30(b)(1), such individuals may elect to compete for career candidate status in the Senior Foreign Service by qualifying at that time for and taking the examinations required of career candidates. If appointed as career candidates, the

Department of State

§ 13.2

length of service under their previous limited non-career appointments may be counted under the procedures of the employing agency as part of the trial period of service prescribed before a career candidate can receive a career appointment. The total period of limited appointment (non-career and career candidate) of such individuals may not exceed 5 years in duration.

(3) Nothing in this section will limit the right of an individual who has previously served as a limited non-career senior appointee from subsequently applying for consideration as a new applicant and being appointed as a Senior Career Candidate after a limited non-career appointment has expired.

(d) *Reporting requirement.* The Director of Personnel of each foreign affairs agency shall report annually to the Director General of the Foreign Service, Department of State, the number and nature of the limited Senior Foreign Service appointments (non-career and career candidates) made by that agency under these regulations.

§ 16.1 Definitions.

(a) *Act* means the Foreign Service Act of 1946, as amended.

(b) *Grievant* means any officer or employee of the Service who is a citizen of the United States; or for purposes of paragraphs (c) (7) and (8) of this section, a former officer or employee of the Service; or in the case of death of the officer or employee, a surviving spouse or dependent family member of the officer or employee.

(c) *Grievance* means any act or condition subject to the control of the Foreign Affairs agencies (the Department of State, the Agency for International Development, or the U.S. Information Agency) which is alleged to deprive the grievant of a right or benefit authorized by law or regulation or is otherwise a source of concern or dissatisfaction to the grievant, including, but not limited to the following:

(1) Complaints against separation of an officer or employee allegedly contrary to law or regulation or predicated upon alleged inaccuracy (including inaccuracy resulting from omission or any relevant and material document), error, or falsely prejudicial character of any part of the grievant's official personnel record;

(2) Other alleged violation, misinterpretation, or misapplication of applicable law, regulation, or published policy affecting the terms and conditions of the grievant's employment or career status;

(3) Allegedly wrongful disciplinary action against an employee constituting a reprimand or suspension from official duties;

(4) Dissatisfaction with any matter subject to the control of the agency with respect to the grievant's physical working environment;

(5) Alleged inaccuracy, error, or falsely prejudicial material in the grievant's official personnel file;

(6) Action alleged to be in the nature of reprisal or other interference with freedom of action in connection with an employee's participation under these grievance procedures;

(7) When the grievant is a former officer who was involuntarily retired pursuant to sections 633 and 634 of the Act within 6 years prior to December 1, 1975, "grievance" shall mean a com-

plaint that such involuntary retirement violated applicable law or regulation effective at the time of the retirement or that the involuntary retirement was predicated directly upon material contained in the grievant's official personnel file alleged to be erroneous or falsely prejudicial in character; and

(8) When the grievant is a former officer or employee or a surviving spouse or dependent family member of a former officer or employee, "grievance" shall mean a complaint that an allowance or other financial benefit has been denied arbitrarily, capriciously or contrary to applicable law or regulation.

(d) Grievance does not include the following:

(1) Complaints against individual assignment or transfers of Foreign Service officers or employees, which are ordered in accordance with law and regulation (see also paragraph (c)(2) of this section);

(2) Judgments of Selection Boards rendered pursuant to section 623 of the Act, or of equivalent bodies, in ranking Foreign Service officers and employees for promotion on the basis of merit, or judgments in examinations prescribed by the Board of Examiners pursuant to section 516 or 517 of the Act (see also paragraph (c)(2) of this section);

(3) Termination of time-limited appointments pursuant to 22 U.S.C. 929 and 1008, and the pertinent regulations prescribed by the employing agency (see also paragraph (c)(2) of this section);

(4) Any complaints or appeals for which a specific statutory appeals procedure exists (see appendix A for examples).

A grievance filed under these procedures may be based on matters for which there is a specific statutory appeals procedure which is applicable to the Foreign Service grievant. Should the jurisdiction of the Grievance Board over a specific grievance be placed into question on grounds that the basis of the grievance is not encompassed within the Board's authority (§16.1(d)(4) and Appendix A), the Board shall consult with the other statutory body concerned, transmitting the views of the

parties concerned before determining whether it has jurisdiction.

(e) *Employee organization* means any employee organization accorded recognition as the exclusive employee representative pursuant to Executive Order 11636 dated December 17, 1971.

(f) *Grievance Board* or *Board* means the full Foreign Service Grievance Board, or a Panel or member thereof, as appropriate.

(g) *Party* means the grievant or the Foreign Affairs agency having control over the act or condition forming the subject matter of the grievance.

(h) *Bureau* means equivalent organizational elements in State and USIA, and includes offices in AID.

(i) *Days* means calendar days.

§ 16.2 General provisions.

(a) *Statement of purpose.* These regulations establish procedures as required by law to provide Foreign Service officers and employees (and their survivors) of the Foreign Affairs agencies, a grievance procedure to insure a full measure of due process, and to provide for the just consideration and resolution of grievances of such officers, employees, and survivors. No regulation promulgated in this part shall be interpreted or applied in any manner which would alter or abridge the provisions of the due process established by the Congress in Pub. L. 94-141, 22 U.S.C. 1037, section 691.

(b) *Discussion of complaints.* (1) Every effort should be made to settle any employee complaint informally, promptly, and satisfactorily.

(2) Supervisors and other responsible officers should encourage employees to discuss complaints with them and should respond in a timely manner to resolve the complaints.

(3) An employee initially should discuss a complaint with the employee's current supervisor or with the responsible officer who has immediate jurisdiction over the complaint to give that person an opportunity to resolve the matter, before further steps are taken under these procedures.

(c) *Guidance.* Nothing in these procedures prevents a grievant from seeking guidance from any official who might be helpful respecting the submission of a grievance or its resolution.

(d) *Freedom of action.* (1) Any grievant, witness, representative or other person involved in a proceeding hereunder shall be free from any restraint, interference, coercion, harassment, discrimination, or reprisal in those proceedings or by virtue of them. The Foreign Affairs agencies recognize their obligation to insure compliance with this section. Any person involved or having immediate knowledge of any alleged breach of this section should call it to the attention of the pertinent foreign affairs agency through appropriate channels for corrective action as necessary. Normally such allegations should be brought to the attention of the senior agency official at the post; and at Washington, DC, to the Director, Grievance Staff for State; Chief, Employee Relations Branch for AID and Chief, Employee-Management Relations Division for USIA.

(2) The grievant has the right to a representative of the grievant's own choosing at every stage of the proceedings. The grievant and representative(s) who are under the control, supervision, or responsibility of the Foreign Affairs agencies shall be granted reasonable periods of administrative leave to prepare, to be present, and to present the grievance.

(3) Any witness under the control, supervision, or responsibility of a Foreign Affairs agency shall be granted reasonable periods of administrative leave to appear and testify at any such proceeding.

(4) The Foreign Service Grievance Board established hereunder shall have authority to ensure that no copy of the determination of the agency head or designee to reject a Grievance Board recommendation, no notation of the failure of the Grievance Board to find for the grievant, and no notation that a proceeding is pending or has been held, shall be entered in the personnel records of the grievant (unless by order of the Grievance Board as a remedy for the grievance) or those of any other officer or employee connected to the grievance. The Foreign Affairs agencies shall maintain grievance records under appropriate safeguards to preserve confidentiality (§ 16.9).

§ 16.3 Access to records.

(a) *Grievance Board records.* The grievant and the grievant's representative shall have access to the record of proceedings, including the decision of the Board.

(b) *Agency records.* (1) In considering the validity of a grievance, the Grievance Board shall have access, to the extent permitted by law, to any agency record considered by the Board to be relevant to the grievant and the subject matter of the grievance.

(2) The agency shall, subject to applicable law, promptly furnish the grievant any agency record which the grievant requests to substantiate the grievance and which the agency or the Grievance Board determines is relevant and material to the proceeding. When deemed appropriate by the agency or the Board, a grievant may be supplied with only a summary of extract of classified material. If a request by a grievant for a document is denied prior to or during the agency's consideration of a grievance, such denial may be raised by the grievant as an integral part of the grievance before the Board.

(3) These regulations do not require disclosure of any official agency record to the Grievance Board or a grievant where the head of agency or deputy determines in writing that such disclosure would adversely affect the foreign policy or national security of the United States.

§ 16.4 Time limits for grievance filing.

(a) A grievance concerning a continuing practice or condition may be presented at any time if its adverse effect is presently continuing. Documents contained in official employee personnel files, for example, shall be deemed to constitute a continuing condition.

(b) Subject to paragraph (a) of this section, a grievance under these regulations is forever barred, and the Grievance Board shall not consider or resolve the grievance, unless the grievance is presented within a period of 3 years after the occurrence or occurrences giving rise to the grievance, except that if the grievance arose earlier than 2 years prior to the effective date of these regulations, the grievance shall be so barred, and no considered and resolved, unless it is presented

within a period of 2 years after the effective date of these regulations. There shall be excluded from the computation of any such period any time during which the grievant was unaware of the grounds which are the basis of the grievance and could not have discovered such grounds if the grievant had exercised, as determined by the Grievance Board, reasonable diligence.

(c) A grievance shall be deemed presented to the responsible official (§16.7(b)), transmitted to post or bureau (§16.7(c)) submitted for agency review (§16.8) or filed with the Grievance Board §16.11(a):

(1) On the date of its dispatch by telegram, registered or certified mail, or receipted mail, in a diplomatic pouch;

(2) On the date of its arrival at the appropriate office, if delivered by any other means.

§ 16.5 Relationship to other remedies.

(a) A grievant may not file a grievance under these procedures if the grievant has formally requested, prior to filing a grievance, that the matter or matters which are the basis of the grievance be considered or resolved and relief be provided, under another provision of law, regulation, or executive order, and the matter has been carried to final decision thereunder on its merits or is still under consideration.

(b) If a grievant is not prohibited from filing a grievance under these regulations by paragraph (a) of this section, the grievant may file under these regulations notwithstanding the fact that such grievance may be eligible for consideration, resolution, and relief under a regulation or executive order other than under these regulations, but such election of remedies shall be final upon the acceptance of jurisdiction by the Board.

§ 16.6 Security clearances.

The agencies shall use their best endeavors to expedite security clearances whenever necessary to ensure a fair and prompt investigation and hearing.

§ 16.7 Agency procedures.

(a) *Initial consideration.* (1) Grievances shall be considered through the steps provided in this section before they are filed with the Grievance Board.

(2) During the pendency of agency procedures under this section, the grievant may request a suspension of the proposed action of the character of separation or termination of the grievant, disciplinary action against the grievant, or recovery from the grievant of alleged overpayment of salary, expenses or allowances, which is related to the grievance. The request must be in writing and addressed to the responsible official of the agencies, as designated in § 16.8(a)(2) stating the reasons for such suspension. If the request is related to separation or termination of the grievant, and the agency considers that the grievance is not frivolous and is integral to the proposed action, the agency shall suspend its proposed action until completion of agency procedures, and for a period thereafter if necessary, consistent with paragraph (a) of § 16.11, to permit the grievant to file a grievance with the Board, and to request interim relief under paragraph (c) of § 16.11. If a request is denied, the agency shall provide the grievant in writing the reason for denial. Nothing in these regulations shall be deemed to preclude an employee from requesting the suspension of any proposed action.

(b) *Consideration by responsible officer.* (1) While every effort should be made to resolve a complaint by an initial discussion between an employee and the supervisor or responsible officer, an employee may present the complaint as a grievance by submitting it in writing, to that person. (The term “responsible officer” as used herein includes any appropriate officer who has immediate jurisdiction over the complaint.) The presentation shall include a description of the act or condition which is the subject of the grievance; its effect on the grievant; any provision of law, regulation, or agency policy which the grievant may believe was violated or misapplied; any documentary evidence readily available to the grievant on which the grievance rests; the identity of individuals having knowledge of relevant facts; and a statement of the remedial action requested.

(2) The responsible officer, whenever possible, shall use independent judgment in deciding whether the grievance is meritorious and what the resolution of it should be. Within 15 days from re-

ceipt of the written grievance, the responsible officer shall provide the grievant with a written response, which shall include a statement of any proposed resolution of the grievance.

(3) If the response denies in whole or in part the remedial action requested, such response shall notify the grievant of the time within which to appeal the decision, and identity of the senior official, or designee, to whom the appeal should be addressed. In those cases in which the senior official, or designee, is the responsible officer to whom the grievance was initially presented or has participated in the decision process and has formally approved the written response of the responsible officer, the grievant shall be so notified and advised that the grievance may be submitted directly to the agency for review under § 16.8.

(c) *Bureau or post review.* (1) If the responsible officer's written response does not resolve the grievance to the grievant's satisfaction, within 10 days of receiving it (or, if no response is received, within 25 days after first presenting the grievance), the grievant may pursue the grievance by transmitting it in writing to the senior official, or the designee in the bureau or post which has authority to resolve the grievance. The written transmission shall include all the information required by paragraph (b)(1) of this section and copies of any correspondence under paragraphs (b) (2) and (3) of this section.

(2) Within 15 days from receipt of the grievance that official shall provide the grievant with a written decision, including any proposed resolution of the grievance. If the decision denies in whole or in part the remedial action requested, the communication shall notify the grievant of the time within which to submit the grievance for agency review and the identity of the appropriate agency official to whom the grievance should be addressed.

§ 16.8 Agency review.

(a) *Submission.* (1) An employee may submit the grievance for agency review if the grievance (i) is not within the jurisdiction of a post or bureau, or (ii) the grievance has been considered but

Department of State

§ 16.10

not resolved to the grievant's satisfaction within the post or bureau as provided in § 16.7(c) within 10 days after receipt of the post's or bureau's decision (or, if no response is received, within 25 days after presenting it to the senior official or the designee). The grievant shall submit it in writing to the responsible official of the agency which has control of the act or condition which is the subject of the grievance.

(2) *Responsible officials.* The responsible officials of the agencies are the Deputy Assistant Secretary for Personnel (State), the Director of Personnel and Manpower (AID), and the Chief, Employee-Management Relations Division (USIA).

(3) *Contents.* (i) A request for agency review shall include a description of the act or condition which is the subject of the grievance; its effect on the grievant; any provision of law, regulation or agency policy which the grievant may believe was violated or misapplied; copies of any correspondence under § 16.7(a), any documentary evidence readily available to the grievant on which the grievance rests; the identity of individuals having knowledge of relevant facts; and a statement of the remedial action requested.

(ii) The responsible official shall review the grievance on the basis of available documentary evidence, and, in that official's discretion, interview persons having knowledge of the facts. The agency review shall be completed and its decision dispatched within 90 days from the date of the initial written presentation of the grievance. The grievant shall be informed in writing of the findings of the responsible official and any proposed resolution of the grievance. The communication shall also include the time within which the grievant may file a grievance with the Grievance Board and the appropriate procedure to be followed in this respect.

§ 16.9 Records.

All official records concerning agency consideration of grievances, except those appropriate to implementation of decisions favorable to grievants, shall be kept separate from the official personnel record of the grievant and any other individuals connected with the

grievance, and shall not be accessible to agency personnel other than the grievant, the grievant's representative, and those responsible for consideration of grievances.

§ 16.10 Foreign Service Grievance Board.

(a) *Establishment and composition.* There is hereby established a Foreign Service Grievance Board for the Department of State, the Agency for International Development and the U.S. Information Agency to consider and resolve grievances under these procedures.

(b) The Grievance Board shall consist of not less than 5 members nor more than 15 members (including a chairperson) who shall be independent, distinguished citizens of the United States, well known for their integrity, who are not active officers, employees, or consultants of the Foreign Affairs agencies (except consultants who served as public members of the Interim Grievance Board previously established under section 660, Volume 3, Foreign Affairs Manual) but may be retired officers or employees. On its initial establishment, the Board shall consist of 15 members including chairperson.

(c) The Board may act by or through panels or individual members designated by the chairperson, except that hearings within the continental United States shall be held by panels of at least three members unless the parties agree otherwise. Reference in these regulations to the Grievance Board shall be considered to be reference to a panel or member of the Grievance Board where appropriate. All members of the Grievance Board shall act as impartial individuals in considering grievances.

(d) The members of the Grievance Board, including the chairperson, shall be appointed by the Secretary of State after being designated by the written agreement of the Foreign Affairs agencies and the employee organization.

(e) The Board chairperson and other members shall be appointed for terms of 2 years, subject to renewal upon the agreement of the Foreign Affairs agencies and the employee organization; except that the terms of 7 of the initially

appointed members shall expire at the end of one year.

(f) Any vacancies shall be filled by the Secretary of State upon the nomination by the Board following the agreement of the agencies and the employee organization.

(g) *Compensation.* Members, including the chairperson, who are not employees of the Federal Government shall receive compensation for each day they are performing their duties as members of the Grievance Board (including travel time) at the daily rate paid an individual at GS-18 level of the General Schedule under section 5332 of title 5 of the United States Code.

(h) *Removal.* Grievance Board members shall be subject to removal by the Secretary of State for corruption, other malfeasance, or the demonstrated incapacity to perform their functions. No member shall be removed from office until after the Board of the Foreign Service has conducted a hearing and made its recommendations in writing to the Secretary of State, except where the right to a hearing is waived in writing. The Board of the Foreign Service shall provide a member with full notice of the charges against that member, and afford a member the right to counsel, to examine and cross-examine witnesses, and to present documentary evidence.

(i) *Grievance Board procedures.* In accordance with part J, title VI of the Act, the Board may adopt regulations concerning the organization of the Board and such other regulations as may be necessary to govern its proceedings.

(j) *Board facilities and staff support.* The Grievance Board may obtain facilities, services, and supplies through the general administrative services of the Department of State. All expenses of the Board, including necessary costs of the grievant's travel and travel-related expenses, shall be paid out of funds appropriated to the Department for obligation and expenditure by the Board. At the request of the Board, officers and employees on the rolls of the Foreign Affairs agencies may be assigned as staff employees to the Grievance Board. Within the limit of appropriated funds, the Board may appoint and fix the compensation of such other em-

ployees as the Board considers necessary to carry out its functions. The officers and employees so appointed or assigned shall be responsible solely to the Grievance Board and the Board shall prepare the performance evaluation reports for such officers and employees. The records of the Grievance Board shall be maintained by the Board and shall be separate from all other records of the Foreign Affairs agencies.

§ 16.11 Grievance Board consideration of grievances.

(a) *Filing of grievance.* A grievant whose grievance is not resolved satisfactorily under agency procedures (§ 16.7) shall be entitled to file a grievance with the Grievance Board no later than 60 days after receiving the agency decision. In the event that an agency has not provided its decision within 90 days of presentation, the grievant shall be entitled to file a grievance with the Grievance Board no later than 150 days after the date of presentation to the agency. The Board may extend or waive, for good cause, the time limits stated in this section.

(b) *Exhaustion of agency procedures.* In the event that the Grievance Board finds that a grievance has not been presented for agency consideration or that a grievance has been expanded or modified to include materially different elements, the Board shall return the grievance to the official responsible for final agency review unless the agency waives any objection to Board consideration of the grievance without such review.

(c) *Prescription of interim relief.* If the Grievance Board determines that the agency is considering any action of the character of separation or termination of the grievant, disciplinary action against the grievant, or recovery from the grievant of alleged overpayment of salary, expenses, or allowances, which is related to a grievance pending before the Board, and that such action should be suspended, the agency shall suspend such action until the Board has ruled upon the grievance. *Notwithstanding* such suspension of action, the head of the agency concerned or a chief of mission or principal officer may exclude an officer or employee from official

premises or from the performance of specified duties when such exclusion is determined in writing to be essential to the functioning of the post or office to which the officer or employee is assigned.

(d) *Inquiry into grievances.* The Board shall conduct a hearing at the request of a grievant in any case which involves disciplinary action, or a grievant's retirement from the Service under sections 633 and 634 of the Act, or which in the judgment of the Board can best be resolved by a hearing or by presentation of oral argument. In those grievances in which the Board holds no hearing, the Board shall offer to each party the opportunity to review and to supplement, by written submission, the record of proceedings prior to its decision.

§ 16.12 Hearing.

(a) *Appearances and representation.* The grievant, a reasonable number of representatives of the grievant's own choosing, and a reasonable number of agency representatives, are entitled to be present at the hearing. The Grievance Board may, after considering the views of the parties and any other individuals connected with the grievance, decide that a hearing should be open to others.

(b) *Conduct of hearing.* (1) Testimony at a hearing shall be given by oath or affirmation which any Board member or person designated by the Board shall have authority to administer.

(2) Each party shall be entitled to examine and cross-examine witnesses at the hearing or by deposition, and to serve interrogatories answered by the other party unless the Board finds such interrogatory irrelevant or immaterial. Upon request of the Board, or upon a request of the grievant deemed relevant and material by the Board, and agency shall promptly make available at the hearing or by deposition any witness under its control, supervision or responsibility, except that if the Board determines that the presence of such witness at the hearing is required for just resolution of the grievance, then the witness shall be made available at the hearing, with necessary costs and travel expenses provided by the agency.

(3) During any hearings held by the Board, any oral or documentary evidence may be received but the Board shall exclude any irrelevant, immaterial, or unduly repetitious evidence normally excluded in hearings conducted under the Administrative Procedures Act (5 U.S.C. 556).

(4) A verbatim transcript shall be made of any hearing and shall be part of the record of proceedings.

§ 16.13 Decisions.

(a) Upon completion of the hearing or the compilation of such record as the Board may find appropriate in the absence of a hearing, the board shall expeditiously decide the grievance on the basis of the record of proceedings. In each case the decision of the Board shall be in writing, shall include findings of fact, and shall include the reasons for the Board's decision.

(b) If the Grievance Board finds that the grievance is meritorious, the Board shall have the authority within the limitations of the authority of the head of the agency, to direct the agency:

(1) To correct any official personnel record relating to the grievant which the Board finds to be inaccurate, erroneous, or falsely prejudicial;

(2) To reverse and administrative decision denying the grievant compensation including related within-class salary increases pursuant to section 625 of the Act or any other perquisite of employment authorized by law or regulation when the Board finds that such denial was arbitrary, capricious, or contrary to law or regulation;

(3) To retain in service and employee whose termination would be in consequence of the matter by which the employee is aggrieved;

(4) To reinstate with back pay, under applicable law and regulations, an employee where it is clearly established that the separation or suspension without pay of the employee was unjustified or unwarranted;

(5) To order an extension of the time of an employee's eligibility for promotion to a higher class where the employee suffered career impairment in consequence of the matter by which the employee is aggrieved;

(6) To order that an employee be provided with facilities relating to the physical working environment which the employee has been denied arbitrarily, capriciously or in violation of applicable regulation.

(c) Such orders of the Board shall be final, subject to judicial review as provided for in section 694 of the Act, except that reinstatement of former officers who have filed grievances under § 16.1(c)(7) shall be presented as Board recommendations, the decision on which shall be subject to the sole discretion of the agency head or designee, who shall take into account the needs of the Service in deciding on such recommendations, and shall not be subjected to judicial review under section 694 of the Act. The reason(s) for the agency head's (or designee's) decision will be conveyed in writing to the Board and the grievant.

(d) If the Board finds that the grievance is meritorious and that remedial action should be taken that directly relates to promotion or assignment of the grievant, or to other remedial action, including additional step increases, not provided for in paragraph (b) of this section, or if the Board finds that the evidence before it warrants disciplinary action against any officer or employee, it shall make an appropriate recommendation to the head of the agency, and forward to the head of the agency the record of the Board's proceedings, including the transcript of the hearing, if any. The head of the agency (or designee, who shall not have direct responsibility for administrative management) shall make a written decision to the parties and to the Board on the Board's recommendation within 30 days from receipt of the recommendation. A recommendation of the Board may be rejected in part or in whole if the action recommended would be contrary to law, would adversely affect the foreign policy or security of the United States, or would substantially impair the efficiency of the Service. If the decision rejects the Board's recommendation in part or in whole, the decision shall state specifically any and all reasons for such action. Pending the decision, there shall be no ex parte communications concerning the grievance between the

agency head, or designee, and any person involved in the grievance proceeding.

§ 16.14 Reconsideration of a grievance.

A grievant whose grievance is found not to be meritorious by the Board may obtain reconsideration by the Board only upon presenting newly discovered or previously unavailable material evidence not previously considered by the Board and then only upon approval of the Board.

§ 16.15 Judicial review.

Any aggrieved party may obtain judicial review of these regulations, and revisions thereto, and final actions of the agency head (or designee) or the Grievance Board hereunder, in the District Courts of the United States, in accordance with the standards set forth in chapter 7 of title 5 of the United States Code. Section 706 of title 5 shall apply without limitation or exception.

§ 17.1 Definitions.

(a) *Act* means the Foreign Service Act of 1946, as amended.

(b) *Annuitant* has the meaning set forth in section 804(1) of the Act (22 U.S.C. 1064(1)).

(c) *Foreign Service Grievance Board* means the Board established by 22 CFR 16.10 under sections 691 and 692 of the Act (22 U.S.C. 1037–1037c).

(d) *Overpayments* has the same meaning as in § 822(d) of the Act (22 U.S.C. 1076a(d)).

(e) *Secretary* means the Secretary of State.

§ 17.2 General provisions.

Section 822(d) of the Act (22 U.S.C. 1076(d)) provides recovery of overpayments by the Department of State of benefits to annuitants may not be made when, in the judgment of the Secretary, the individual recipient is without fault and recovery would be against equity and good conscience or administratively infeasible. This part establishes procedures for notification to annuitants of their rights, for administrative determination of those rights and for appeals of negative determinations. This part also establishes procedures by which an annuitant can contest a determination that the annuitant has been overpaid.

§ 17.3 Notice to annuitants.

The Office of Finance, Department of State, shall give written notification to any person who has received an overpayment, the cause of the overpayment, the intention of the Department to seek repayment of the overpayment, and the basis for that action, the right of the annuitant to contest the alleged overpayment or to request a waiver of recovery, and the procedure to follow in case of such contest or appeal. The notification shall allow at least 30 days from its date within which the annuitant may file a written response, which may include evidence, argument, or both.

§ 17.4 Initial determination.

(a) The Director of the Office of Finance will be responsible for preparing an administrative file as a basis for determination in each case where an annuitant contests a claim to recover overpayment or requests waiver of recovery. This file shall include: all correspondence with the annuitant; documentation on the computation of the annuity or annuities in question; and any information available to the Department which bears on the application of the standards of waiver of recovery to the particular case.

(b) On the basis of the administrative file, the Director, after consultation with and review of the preliminary findings by the Office of the Legal Adviser and Office of Employee Relations, Bureau of Personnel, shall prepare a preliminary finding. This preliminary

finding shall contain a positive or negative determination on all material issues raised by the contest or request for waiver. In the latter case, there shall be a determination of the applicability or non-applicability of each of the standards set forth in § 17.5.

(c) The Director shall make the final administrative determination.

(d) At any time before the final administrative decision, the Director may request the annuitant to supplement his or her submission with additional factual information and may request that the annuitant authorize the Department of State to have access to bank and other financial records bearing on the application of these regulations.

§ 17.5 Standards.

(a) *General.* (1) Waiver of overpayment will not be allowed in any case prior to receipt and evaluation of a statement of financial responsibility, duly sworn by the recipient of the overpayment, except in those cases where the facts make it obvious that the individual has no capacity to repay. Such statement will be waived in the latter case.

(2) Waiver of overpayment will not be allowed when overpayment has been made to an estate.

(b) *Fault.* (1) Determinations of "fault" or the absence thereof, will be made according to the commonly understood and standard concepts of equity applicable thereto.

(2) A prerequisite to waiver of overpayment shall be clear and convincing showing that the person from whom recovery would otherwise be made did not cause, or was not otherwise responsible for the overpayment, i.e., he or she performed no act of commission or omission that resulted in the overpayment. Pertinent consideration to be made in this area are:

(i) Whether payment resulted from the individual's incorrect (not necessarily fraudulent) statement.

(ii) Whether he or she knew the payment was erroneous and, if so, whether his or her subsequent failure to act resulted from desire or ignorance.

(iii) Whether he or she failed to disclose material facts in his or her possession.

§ 17.6

(iv) Whether he or she could have determined that the payment was erroneous.

(c) *Equity and good conscience.* (1) “Equity and good conscience” as defined in equity and the commonly understood meaning thereof shall be attached to waiver determinations. In addition, the decision must be made whether the exercise of waiver of overpayment would be in opposition to the basic purpose of title VII of the Foreign Service Act (22 U.S.C. 1061, *et seq.*) and would injure the administration of such title.

(2) The following guides will also be applied, as appropriate:

(i) Waiver of overpayment may be granted when an individual by reason of receipt of the overpayment has: (a) Relinquished a valuable right; or (b) changed his or her position for the worse.

(ii) Waiver of overpayment may be granted when the individual has consistently acted in good faith regarding the overpayment.

(iii) Waiver of overpayment cannot be granted when the individual has been found to be at fault or if the overpayment has been obtained by fraud.

§ 17.6 Notice of decision and right of appeal.

If the annuitant, without good cause shown, fails or refuses to produce the requested additional information or authorization, the Department of State is entitled to make adverse inferences with respect to the matters sought to be amplified, clarified, or verified.

(a) The final administrative decision shall be reduced to writing and the Director shall send it expeditiously to the annuitant.

(b) If the decision is adverse to the annuitant, the notification of the decision shall include a written description of the annuitant's rights of appeal to the Foreign Service Grievance Board, including time to file, where to file, and applicable procedure.

§ 17.7 Appeal.

The Foreign Service Grievance Board shall entertain any appeal under this part in accordance with the regulations of the Board set forth in 22 CFR part 16. The Director of the Office of Fi-

Subpart A—General Provisions

§ 18.1 Scope.

This part contains rules governing disciplinary action against a former officer or employee of the Department of State, including the Foreign Service, because of a violation of the post employment conflict of interest prohibitions. Such disciplinary action may include prohibition from practice before the Department of State and any component thereof as defined in this part.

§ 18.2 Definitions.

For the purpose of this part—

(a) The term *Department* means the Department of State and includes the Foreign Service.

(b) The term *Director General* means the Director General of the Foreign Service and Director of Personnel.

(c) The term *practice* means any informal or formal appearance before, or, with the intent to influence, any oral or written communication to the Department on a pending matter of business on behalf of any other person (except the United States).

§ 18.3 Director General.

The Director General shall institute and provide for the conduct of disciplinary proceedings involving former employees of the Department as authorized by 18 U.S.C. 207(j), and perform such other duties as are necessary or appropriate to carry out his/her functions under this part.

§ 18.4 Records.

The roster of all persons prohibited from practice before the Department shall be available to public inspection at the Office of Director General. Other records may be disclosed upon specific request, in accordance with appropriate disclosure regulations of the Department.

Subpart B—Applicable Rules**§ 18.5 Interpretative standards; advisory opinions.**

(a) A determination that a former officer or employee of the Department violated 18 U.S.C. 207(a), (b) or (c) will be made in conformance with the standards established in the interpretative regulations promulgated, either in interim or final form by the Office of Government Ethics and published at 5 CFR part 737.

(b) Former officers and employees of the Department wanting to know whether a proposed course of conduct would be in conformity with the Act or the interpretive regulations thereunder may contact the Assistant Legal Adviser for Management to request an advisory opinion.

Subpart C—Administrative Enforcement Proceedings**§ 18.6 Authority to prohibit appearances.**

Pursuant to 18 U.S.C. 207(j), if the Director General finds, after notice and opportunity for a hearing, that a former officer or employee of the Department has violated 18 U.S.C. 207(a), (b) or (c), the Director General in his/her discretion may prohibit that person from engaging in practice before the Department for a period not to exceed five years, or may take other appropriate disciplinary action.

§ 18.7 Report of violation by a former employee.

(a) If an officer or employee of the Department has reason to believe that a former officer or employee of the Department has violated any provision of this part, or if any such officer or employee receives information to that effect, he/she shall promptly make a written report thereof, which report or a copy thereof shall be forwarded to the Director General. If any other person has information of such violations, he/she may make a report thereof to the Director General or to any officer or employee of the Department.

(b) The Director General shall coordinate proceedings under this part with the Department of Justice in cases where it initiates criminal prosecution.

§ 18.8 Institution of proceeding.

Whenever the Director General determines that there is sufficient reason to believe that any former officer or employee of the Department has violated 18 U.S.C. 207(a), (b) or (c), he/she may institute an administrative disciplinary proceeding. The proceeding may be for that person's suspension from practice before the Department or for some lesser penalty. The proceeding shall be instituted by a complaint which names the respondent and is signed by the Director General and filed in his/her office. Except in cases of willfulness, or where time, the nature of the proceeding, or the public interest does not permit, a proceeding will not be instituted under this section until facts or conduct which may warrant such action have been called

to the attention of the proposed respondent in writing and he/she has been accorded the opportunity to provide his/her position on the matter.

§ 18.9 Contents of complaint.

A complaint shall plainly and concisely describe the allegations which constitute the basis for the proceeding. A complaint shall be deemed sufficient if it fairly informs the respondent of the charges against him/her so that the respondent is able to prepare a defense. Written notification shall be given of the place and of the time within which the respondent shall file his/her answer, which time shall not be less than 15 days from the date of service of the complaint. Notice shall be given that a decision by default may be rendered against the respondent in the event he/she fails to file an answer.

§ 18.10 Service of complaint and other papers.

(a) *Complaint.* The complaint or a copy thereof may be served upon the respondent by certified mail; by delivering it to the respondent or his/her attorney or agent of record either in person; or by leaving it at the office or place of business of the respondent, attorney or agent; in any other manner which has been agreed to by the respondent; or by first-class mail in case of a person resident abroad.

(b) *Service of papers other than complaint.* Any paper other than the complaint may be served upon a respondent as provided in paragraph (a) of this section or by mailing the paper by first-class mail to the respondent at the last address known to the Director General, or by mailing the paper by first-class mail to the respondent's attorney or agent of record. Such mailing shall constitute complete service.

(c) Whenever the filing of a paper is required or permitted in connection with a proceeding, and the place of filing is not specified by this subpart or by rule or order of the hearing examiner, the paper shall be filed with the Director General, Department of State, Washington, DC 20520. All papers shall be filed in duplicate.

§ 18.11 Answer.

(a) *Filing.* The respondent's answer shall be filed in writing within the time specified in the complaint or notice of institution of the proceeding, unless on application the time is extended by the Director General. The answer shall be filed in duplicate with the Director General.

(b) *Contents.* The answer shall contain a statement of facts which constitute the grounds of defense, and it shall specifically admit or deny each allegation set forth in the complaint. The respondent may also state affirmatively special matters of defense.

(c) *Failure to deny or answer allegations in the complaint.* Every allegation in the complaint which is not denied in the answer shall be deemed to be admitted and may be considered as proved. Failure to file an answer within the time prescribed in the notice to the respondent, except as the time for answer is extended by the Director General shall constitute a waiver of hearing, and the Director General may make his/her decision by default without a hearing or further procedure.

§ 18.12 Motions and requests.

Motions and requests, including requests to intervene, may be filed with the Director General.

§ 18.13 Representation.

A respondent or proposed respondent may appear in person or he/she may be represented by counsel or other representative. The Director General may be represented by an attorney or other employee of the Department.

§ 18.14 Hearing examiner.

(a) After an answer is filed, if the Director General decides to continue the administrative disciplinary proceedings, he/she shall appoint a hearing examiner to conduct those proceedings under this part.

(b) *Authorities.* Among other powers, the hearing examiner shall have authority, in connection with any proceeding assigned or referred to him/her, to do the following:

(1) Take evidence under appropriate formalities;

(2) Make rulings upon motions and requests;

(3) Determine the time and place of hearing and regulate its course and conduct;

(4) Adopt rules of procedure and modify the same from time to time as occasion requires for the orderly disposition of proceedings;

(5) Rule upon offers of proof, receive relevant evidence, and examine witnesses;

(6) Take or authorize the taking of depositions;

(7) Receive and consider oral or written argument on facts or law;

(8) Hold or provide for the holding of conferences for the settlement or simplification of the issues by consent of the parties;

(9) Perform such acts and take such measures as are necessary or appropriate to the efficient conduct of any proceeding; and

(10) Make initial decisions.

§ 18.15 Hearings.

Hearings shall be stenographically recorded and transcribed and the testimony of witnesses shall be taken under oath or affirmation. Hearings will be closed unless an open hearing is requested by the respondent, except that if classified information or protected information of third parties is likely to be adduced at the hearing, it will remain closed. If either party to the proceeding fails to appear at the hearing, after due notice thereof has been sent to him/her, he/she shall be deemed to have waived the right to a hearing and the hearing examiner may make a decision against the absent party by default.

§ 18.16 Evidence.

The rules of evidence prevailing in courts of law and equity are not controlling in hearings under this part. However, the hearing examiner shall exclude evidence which is irrelevant, immaterial, or unduly repetitious.

§ 18.17 Depositions.

Depositions for use at a hearing may, with the consent of the parties in writing or the written approval of the hearing examiner, be taken by either the Director General or the respondent or

their duly authorized representatives. Depositions may be taken upon oral or written interrogatories. There shall be at least 10 days written notice to the other party. The requirement of a 10-day written notice may be waived by the parties in writing. When a deposition is taken upon written interrogatories, any cross-examination shall be upon written interrogatories. Copies of such written interrogatories shall be served upon the other party with the notice, and copies of any written cross-interrogation shall be mailed or delivered to the opposing party at least 5 days before the date of taking the depositions, unless the parties mutually agree otherwise. Expenses in the reporting of depositions shall be borne by the party at whose instance the deposition is taken.

§ 18.18 Proposed findings and conclusions.

Except in cases where the respondent has failed to answer the complaint or where a party has failed to appear at the hearing, the hearing examiner, prior to making his/her decision, shall afford the parties a reasonable opportunity to submit proposed findings and conclusions and supporting reasons therefor.

§ 18.19 Decision of the hearing examiner.

As soon as practicable after the conclusion of a hearing and the receipt of any proposed findings and conclusions timely submitted by the parties, the hearing examiner shall make the initial decision. The decision shall include

(a) A statement of findings and conclusions, as well as the reasons or basis therefor, upon all the material issues of fact, law, or discretion presented on the record, and

(b) An order of suspension from practice before the Department or other appropriate disciplinary action, or an order of dismissal of the complaint. The hearing examiner shall file the decision with the Director General and shall transmit a copy thereof to the respondent or his/her attorney of record. A party adversely affected by the decision shall be given notice of his or her right to appeal to the Board of Appellate Review (part 7 of this chapter)

§ 18.20

within 30 days from the date of the hearing examiner's decision.

§ 18.20 Appeal to the Board of Appellate Review.

Within 30 days from the date of the hearing examiner's decision, either party may appeal to the Board of Appellate Review. The appeal shall be taken by filing notice of appeal, in triplicate, with the Board of Appellate Review, which shall state with particularity exceptions to the decision of the hearing examiner and reasons for such exceptions. If an appeal is by the Director General, he/she shall transmit a copy thereof to the respondent. Within 30 days after receipt of an appeal or copy thereof, the other party may file a reply brief, in triplicate, with the Board of Appellate Review. If the reply brief is filed by the Director General, he/she shall transmit a copy of it to the respondent. The Director General shall transmit the entire case record to the Board of Appellate Review within 30 days after an appeal has been taken.

§ 18.21 Decision of the Board of Appellate Review.

The Board of Appellate Review shall decide the appeal on the basis of the record. The decision of the Board shall be final, and not subject to further administrative review. Copies of the Board's decision shall be forwarded promptly to the parties by the Board.

§ 18.22 Notice of disciplinary action.

Upon the issuance of a final order suspending a former officer or employee from practice before the Department, the Director General shall give notice thereof to appropriate officers and employees of the Department. Officers and employees of the Department shall refuse to participate in any appearance by such former officer or employee or to accept any communication which constitutes the prohibited practice before the Department during the period of suspension. The Director General shall take other appropriate disciplinary action as may be required by the final order.

former participant who was married to such participant for not less than ten years during periods of service by that participant which are creditable under section 816 of the Act provided the participant was making contributions to the Fund under section 805 of the Act during some portion of such service, and provided the divorce occurred after February 15, 1981. For this purpose, a former spouse shall not be considered as married to a participant for periods assumed to be creditable under section 808 of the Act in the case of a disability annuity or section 809 of the Act in the case of a death in service. A former spouse will be considered married to a participant for any extra period of creditable service provided under section 817 of the Act for service at an unhealthful post during which the former spouse resided with the participant. See § 19.5-3 for procedures to determine this extra period of marriage.

When making this calculation, item (1) is adjusted in accordance with paragraph (k) of this section and item (2) is adjusted in accordance with § 19.4. [46 FR 12958, Feb. 19, 1981. Redesignated and amended at 46 FR 18970, Mar. 27, 1981]

§ 19.3 Participants.

The following persons are participants in the System:

Foreign Service was a participant in the System.

Department of State

§ 19.5-2

(a) Members of the Service serving under a career appointment or as a career candidate under section 306 of the Act (1) in the Senior Foreign Service, or (2) assigned to a salary class in the Foreign Service Schedule;

(b) Any person not otherwise entitled to be a participant who has served as chief of mission or an ambassador at large for an aggregate period of 20 years or more, exclusive of extra service credit for service at unhealthful posts, and who has paid into the Fund a special contribution for each year of service;

(c) Any individual who was appointed as a Binational Center Grantee and who completed, prior to February 15, 1981, at least 5 years of satisfactory service as a grantee, as determined by the Director of Personnel of USICA, or under any other appointment under the Foreign Service Act of 1946, as amended, who has paid into the Fund a special contribution for such service.

(d) Any person converted to the competitive service pursuant to section 2104 of the Act who elects to participate in the System pursuant to section 2106(b)(1) or (2) shall remain a participant so long as he/she is employed in an agency which is authorized to utilize the Foreign Service personnel system.

§ 19.4 Special rules for computing creditable service for purposes of payments to former spouses.

For purposes of determining the pro rata share of annuity, survivor annuity or lump-sum payable to a former spouse, the following shall be considered creditable service—

(a) The entire period of a principal's approved leave without pay during full-time service with an organization composed primarily of Government employees irrespective of whether the principal elects to make payments to the Fund for this service;

(b) The entire period of Government service for which a principal received a refund of retirement contributions which he/she has not repaid unless the former spouse received under § 19.13 a portion of the (lump-sum) refund or unless a spousal agreement or court order provided that no portion of the refund be paid to the former spouse; and

(c) All creditable service including service in excess of 35 years.

The period covered by the credit for unused sick leave is not creditable for this purpose.

§ 19.5 Required notifications to Department respecting spouses and former spouses.

§ 19.5-1 Notification from participant or annuitant.

If a participant or former participant becomes divorced on or after February 15, 1981, he/she shall notify the Department (PER/ER/RET) of the divorce on or prior to its effective date. The notice shall include the effective date of the divorce, the full name, mailing address, and date of birth of the former spouse and the date of the member's marriage to that person, and enclose a certified copy of the divorce decree. If there is a court order or spousal agreement concerning payment or nonpayment of Foreign Service benefits to the former spouse, the original or a certified copy of the order or agreement shall also be forwarded to PER/ER/RET. In the absence of a court order or spousal agreement providing otherwise, the Department will pay a pro rata share of the member's benefits to the former spouse. (A former spouse of a former participant who separated from the Service on or before February 15, 1981 is not eligible for a pension under § 19.9, i.e. not eligible for a pro rata share of the principal's annuity.) Upon receipt of notice of a divorce, a court order, or spousal agreement, the Department will proceed as indicated in § 19.6 or § 19.7. Delinquent notice to the Department of the divorce of an annuitant will result in retroactive payments to any qualified former spouse to the extent that the retroactive payments can be deducted from future annuity payments to the principal as stated in § 19.6-4.

§ 19.5-2 Notification to Department from former spouses.

A former spouse is obligated to notify the Department of the following on a timely basis:

(a) A divorce from a participant or former participant when the former spouse is notified by the court of the

divorce before the participant is notified;

- (b) Any change in address; and
- (c) Any remarriage.

Notices shall be sent to the Department of State, Attention PER/ER/RET, Washington, DC 20520.

§ 19.5-3 Residence of spouse during service at unhealthful post.

(a) The calculation of the pro rata share of benefits for a former spouse, and the determination of whether a person qualifies as a “former spouse” depends on the length of the marriage. The latter, under the definition in the Act and when the principal has received extra service credit for an assignment to an unhealthful post, depends upon whether a spouse has resided with the principal at the unhealthful post. In order to determine residency for this purpose, whenever a married participant is assigned to an unhealthful post for which he/she *does not* receive post differential and *does* receive or request extra service credit, the participant shall report on Form OF-140, Election to Receive Extra Service Credit Towards Retirement, whether his/her spouse is or is not residing at the post. Although a chief of mission is not required to submit Form OF-140 in order to receive extra credit for service at an unhealthful post, he/she must nevertheless submit this form if the chief of mission has a spouse that does not accompany him/her at post for the entire assignment. Both the participant and spouse shall sign the completed form. If there is a change in residence of the spouse during the assignment, a new joint Form OF-140 shall be filed to report the change.

(b) Whenever a participant retires or becomes divorced, or whenever a former participant becomes divorced who has extra service credit for assignment at unhealthful posts completed prior to the issuance of this regulation who was married during at least a portion of the assignment, the participant or former participant shall submit a statement to PER/ER/RET reporting on whether his/her spouse resided at the unhealthful post and the dates of such residence. The statement shall be signed by the principal and his/her

spouse or former spouse whenever possible.

(c) In the event of a disagreement between a principal and his/her spouse or former spouse concerning residency at an unhealthful post, or the submission of a report or statement by a principal showing a period of nonresidence at a post by a spouse which is not signed by the spouse, the determination of residence will be made by PER/ER/RET and based on records in the Department of payments for travel and allowances plus any other evidence that can be adduced. In the absence of any evidence to the contrary, the assumption will be made that the spouse resided at the post.

§ 19.6 Court orders and divorce decrees.

§ 19.6-1 Orders by a court.

(a) A court may—

(1) Fix the amount of any pension to a former spouse under § 19.9, or order that none be paid;

(2) Fix the amount of any regular survivor annuity to a former spouse under paragraphs (a) and (b) of § 19.11, or order that none be paid;

(3) Order provision of an additional survivor annuity for a spouse or former spouse under § 19.10-5;

(4) Fix the amount of any benefit under § 19.10-6 based on recall service payable to a former spouse to whom the annuitant was married during any portion of the recall service, or order that none be paid;

(5) Fix the amount of any lump-sum payable to a former spouse under § 19.13 or order that none be paid;

(6) Order, to the extent consistent with any obligation stated in § 19.8 between a participant and a former spouse, and pursuant to any court decree of divorce, legal separation or annulment or any court ordered or approved property settlement agreement incident to any court decree of divorce, legal separation, or annulment, that any payment from the Fund which would otherwise be made to a former participant based on his/her service shall be paid (in whole or in part) by the Secretary of State to a previous spouse or child of such participant. No apportionment under this paragraph

Department of State

§ 19.6-3

may be made of a payment authorized to be paid to a survivor of a participant or annuitant.

(b) An order by a court that does not meet the definition of “court” in § 19.2(f) is not valid for purposes of this section even though a divorce decree issued by such court may be a basis for pro rata share payments to a former spouse as described in these regulations.

§ 19.6-2 Qualifying court order.

(a) To be valid for purposes of this section, a court order must be found to be “qualified” by PER/ER/RET acting for the Secretary of State. A qualifying court order must—

(1) Be consistent with the terms of the Act and applicable regulations;

(2) Not direct payment of an amount in excess of the maximum amount authorized to be paid by the relevant regulation;

(3) Direct that payments be made to an eligible beneficiary from a principal’s Foreign Service retirement benefit or survivor benefit. If a court directs or implies that a principal, rather than the Secretary of State or the Government, make the payments, the order will not be considered qualified unless the principal does not object during the 30-day notice period provided under § 19.6-6;

(4) Define the amount to be paid to a beneficiary in way so that it can be readily calculated from information in the normal files of the Department;

(5) Not make payment contingent upon events other than those on which other payments from the Fund are based such as age, marital status and school attendance; and

(6) Not be in conflict with any previously issued court order which remains valid.

(b) No apportionment of annuity to a beneficiary under § 19.6-1(a) (1) or (6) shall exceed the net annuity of the principal. The net annuity is computed by excluding from the gross annuity the amounts which are:

(1) Owed by the individual to the United States;

(2) Deducted for health benefits premiums pursuant to section 8906 of Title 5, United States Code;

(3) Deducted for life insurance premiums under the Government Life Insurance Program;

(4) Owed due to overpayment of annuity;

(5) Properly withheld for Federal income tax purposes, if amounts withheld are not greater than they would be if the individual claimed all dependents to which he/she was entitled.

[46 FR 12958, Feb. 19, 1981. Redesignated and amended at 46 FR 18970, Mar. 27, 1981]

§ 19.6-3 Application for payment.

(a) To receive payment from the Fund pursuant to a court award, the beneficiary must submit an application in writing to the Chief of the Retirement Division (PER/ER/RET), Department of State, Washington, DC 20520. The application must be typed or printed, signed by the beneficiary, and include—

(1) The full name, date of birth, current address and current marital status of the beneficiary;

(2) Full name and date of birth of the participant or former participant and his/her date of birth or other identifying information;

(3) Relationship to the beneficiary, and if a spouse or former spouse, date of marriage to and/or divorce from the participant;

(4) A statement that the court order has not been amended, superseded, or set aside;

The original of the court order or a recently certified copy must be enclosed with the application, or a statement appended that such a copy has been sent to the Department by other means.

(b) When payments are subject to termination upon the occurrence of a condition subsequent, such as marriage, remarriage or termination of schooling, or death of the principal, no payment will be made until the beneficiary submits a statement to PER/ER/RET that—

(1) The condition has not occurred;

(2) He/she will notify the Department (PER/ER/RET) within 15 calendar days of the occurrence of the condition subsequent; and

(3) He/she will be personally liable for any overpayment to him/her resulting from the occurrence of the condition

subsequent. PER/ER/RET may require periodic recertification of these statements.

§ 19.6-4 Date of court orders.

(a) A court order directing or barring payment of a pension to a former spouse under § 19.9 may not be given effect by the Department if it is issued more than 12 months after the divorce becomes final. A court order adjusting the amount of a regular or additional survivor annuity to a former spouse under § 19.11-2 or § 19.10-5 may not be given effect by the Department if it is issued after the death of the principal.

(b) A court order issued within 12 months after a divorce becomes final directing payment of a pension to a former spouse in an amount other than provided in § 19.9 may be made retroactively effective to the first of the month in which the divorce becomes final if so specified by the court. In such event, the Department will adjust any future payments that may become due to an annuitant and a former spouse by increasing one and correspondingly reducing the other in order to give effect to the order of the court. However, if future payments to one party are not due, as for example if a court orders that no payments be made to a former spouse, or that 100 percent of an annuity be paid as pension to a former spouse, the Department will not give retroactive effect to a court order by collecting overpayments from one party in order to pay them to the other party and will not make overpayments from the Fund.

(c) A court order under this chapter involving any payment other than a pension to a former spouse under § 19.9 may not be given retroactive effect and shall not be effective until it is determined to be a qualifying order under § 19.6-5.

§ 19.6-5 Preliminary review.

(a) Upon receipt of an application for payment under § 19.6-3, PER/ER/RET will determine whether—

- (1) The application is complete;
- (2) The applicant is an eligible beneficiary under this chapter; and
- (3) The court order is a qualifying order. If the application is completed, the beneficiary is eligible and the court

order appears on its face to be a qualifying order, PER/ER/RET will provide the notification required by § 19.6-6, otherwise, it will notify the applicant of any deficiency or requirement for additional information, and if the order is determined to be non-qualifying, the basis for such determination.

(b) Upon receipt of a certified copy of a final decree of divorce, PER/ER/RET will determine whether—

(1) It is a valid decree. Any decree recognized as valid by the parties will be considered valid for this purpose. In addition, any non-recognized decree will be considered valid for this purpose unless:

(i)(A) Neither party was domiciled within the court's jurisdiction, and

(B) The party denying recognition did not participate in the proceedings, or

(ii) The party denying recognition was not afforded notice of the proceedings (actual or constructive);

(2) A related court order has been submitted by either party; and

(3) A pro rata share payment is or may become due the former spouse. If a divorce decree is deemed valid under this paragraph, a pro rata share payment is due a former spouse unless PER/ER/RET is in receipt of a court order which it has deemed qualified under paragraph (a) of this section, or a valid spousal agreement providing otherwise. If it determines that a pro rata share payment is due, it will provide the notification required by § 19.6-6, otherwise, unless action is being taken pursuant to a related court order, it will notify both parties to the divorce the reason a pro rata share payment is not payable.

[46 FR 12958, Feb. 19, 1981. Redesignated and amended at 46 FR 18970, Mar. 27, 1981]

§ 19.6-6 Notification.

(a) *Notification to a principal.* Whenever PER/ER/RET receives from a former spouse or other eligible beneficiary—

(1) a court order which it deems qualified that requires payment to the beneficiary; or

(2) A final decree of divorce which it deems valid together with a request for a pro rata share payment—PER/ER/RET will send a copy of the document

to the principal and a notice stating: (i) That PER/ER/RET deems the order qualified or the divorce decree valid, (ii) that payments will be made from the principal's account to the beneficiary and the effective date of such payments, (iii) the effect of such payments on the principal's retirement benefit. In the case of any court order with retroactive or immediate effect, and in the case of pro rata share payments, the amounts will be withheld from future payments to the principal but will not be paid to the beneficiary for 30 days from the notice date in order to give the principal an opportunity to contest the court order or the validity of the divorce.

PER/ER/RET will provide the former spouse or other beneficiary the same information, stating the exact amount that will be payable to the beneficiary and explaining how that amount was calculated.

(b) *Notification to a former spouse.* When PER/ER/RET receives from a principal—(1) a court order which it deems qualified that requires or forbids payment to a former spouse; or (2) a final decree of divorce which it deems valid without an accompanying court order—PER/ER/RET will send a copy of the document to the former spouse and a notice stating: (i) That PER/ER/RET deems the court order qualified or the divorce decree valid, (ii) that PER/ER/RET intends to honor the court decree or to make pro rata share payments because of the divorce, (iii) the effective date, exact amount, and method of calculation of any payments to the former spouse.

PER/ER/RET will provide the same information to the principal and will explain the effect any payment to a former spouse will have on the principal's retirement benefit.

§ 19.6-7 Decision.

(a) When a response has not been received by PER/ER/RET from a principal within the 30-day period under § 19.6-6a, payment will be made in accordance with the notification. When a response is received, the Chief, PER/ER/RET will consider the response. If it is shown that a court order is not qualifying or that a divorce is not valid

under terms of the Act and these regulations, payment proposed in the notification will not be made. In such a case, PER/ER/RET will advise both parties of the basis for its decision and the alternative action, if any, that it proposes to take.

(b) If a principal responding to a notification under § 19.6-6a objects to the payment or other action proposed by the Department in the notification based on the validity of the court order or divorce decree, and the record contains support for the objection, PER/ER/RET will grant the principal 30 days to initiate formal legal action to determine the validity of the objection, will continue to delay payment to the former spouse or other beneficiary during this period, and will notify the beneficiary of this action. If evidence is submitted that formal legal action has been started within the 30-day period, the amount of any proposed payment to a former spouse or other beneficiary will continue to be withheld from any payments due the principal, but no payment will be made to the former spouse or other beneficiary until a judicial decision is rendered or agreement reached between the parties.

[46 FR 12958, Feb. 19, 1981. Redesignated and amended at 46 FR 18970, Mar. 27, 1981]

§ 19.6-8 Allotment to beneficiary.

If a court order is not a qualifying court order because it directs or implies that payment to the beneficiary is to be made by the principal rather than the Secretary of State, the principal may make an allotment to the beneficiary from his/her annuity. An annuitant may also make an allotment from his/her annuity to a previous spouse in the absence of a court order.

§ 19.6-9 Limitations.

(a) Retirement benefits are subject to apportionment by court order under § 19.6-1(a)(6) only while the principal is living. Payment of apportioned amounts will be made only to a previous spouse and/or the children of the principal. Such payments will not be made to any of the following:

- (1) Heirs or legatees of the previous spouse;
- (2) Creditors of either the principal or the previous spouse; or

(3) Assignees of either the principal or the previous spouse.

(b) The amount of any court ordered payment may not be less than one dollar and, in the absence of compelling circumstances, shall be in whole dollars.

(c) In honoring and complying with a court order, the Department shall not be required to disrupt the scheduled method of accruing retirement benefits or the normal timing for making such payments, despite the existence of any special schedule relating to a previous spouse or other beneficiary.

(d) In cases where the court order apportions a percentage of the retirement benefits, PER/ER/RET will initially determine the amount of proper payment. That amount will only be increased by future cost-of-living increases unless the court directs otherwise.

§ 19.6-10 Liability.

(a) The Department shall not be liable for any payment made from retirement benefits pursuant to a court order if such payment is made in accordance with the provisions of this chapter.

(b) In the event that the Secretary is served with more than one court order with respect to the same retirement benefits, the benefits shall be available to satisfy the court orders on a first-come, first-served basis.

(c) A previous spouse or other beneficiary may request that an amount be withheld from the retirement benefits of a principal or survivor of a principal which is less than the amount stipulated in a court order, or otherwise scheduled to be paid to the beneficiary under this chapter. This lower amount will be deemed a complete fulfillment of the obligation of the Department for the period in which the request is in effect. See § 19.14.

§ 19.7 Spousal agreements.

§ 19.7-1 Purpose.

A spousal agreement may be used by both parties to establish an agreed-upon level of benefits to a spouse or a former spouse and to relieve the participant of responsibility for providing a higher level of benefits.

§ 19.7-2 Agreement with spouse.

(a) A spousal agreement between a participant and a spouse may waive or fix the level of a regular survivor annuity under § 19.11-3. If an agreement is filed, it will assure the spouse that the agreed-upon level of survivor annuity will be paid, irrespective of a future divorce provided the survivor meets the definition of "former spouse" in § 19.2(k). If an agreement is not filed, the participant's annuity will be reduced under § 19.10-2 to provide the maximum regular survivor annuity for the spouse, but in the event of a future divorce if the spouse meets the definition of "former spouse," that person will be entitled only to a pro rata share of the survivor annuity. An agreement under this paragraph may be filed with PER/ER/RET at any time prior to retirement (commencement of the principal's annuity).

(b) A spousal agreement between an annuitant and a spouse filed with PER/ER/RET before commencement of a supplemental annuity for recall service may waive a supplemental survivor annuity that would otherwise be provided for a spouse under § 19.10-6.

(c) A spousal agreement between a participant or former participant and a spouse may be filed with PER/ER/RET at any time in accordance with § 19.10-5 and provide for an additional survivor annuity for the spouse.

(d) A spousal agreement filed under paragraph (a), (b), or (c) remains valid and binding in the event of divorce if the spouse qualifies as a former spouse.

§ 19.7-3 Agreement with former spouse.

(a) A spousal agreement between a participant or former participant and a former spouse may waive, reduce or increase the following benefits for a former spouse;

- (1) A pension under § 19.9;
- (2) A regular survivor annuity under § 19.11-2;
- (3) A supplemental survivor annuity under § 19.10-6;
- (4) A lump sum payment for regular or recall service under § 19.13.

A spousal agreement shall also be used by a participant or former participant who has a former spouse on February

Department of State

§ 19.7-6

15, 1981, to elect a regular survivor annuity for such former spouse in accordance with §19.11-2(e). An agreement to establish or increase any benefit for a former spouse entered into while the principal is married to someone else, must be signed and agreed to by both the spouse and the former spouse. An agreement affecting pension benefits may be filed at any time and will govern payments made after its acceptance by PER/ER/RET. An agreement affecting a regular survivor annuity must be filed before the end of the 12-month period after the divorce involving that former spouse or at the time of retirement, whichever occurs first, except as authorized in §19.11-2(b) for persons retired on February 15, 1981, or in §19.11-2(e) with respect to persons who were former spouses on February 15, 1981. This filing requirement stated in the Act makes it impossible to adjust, other than by court order, a regular survivor annuity for a former spouse when the divorce occurs after a retirement which occurs on or after February 15, 1981. The survivor annuity for the former spouse in such case is fixed by any spousal agreement entered into prior to the divorce, by §19.11-2 or by court order. An agreement affecting supplemental survivor benefits or lump-sum payments must be filed before the supplemental annuity of the principal begins or lump-sum payment is made.

(b) A spousal agreement between a participant or former participant and a former spouse may be filed with PER/ER/RET at any time in accordance with §19.10-5 to provide an additional survivor annuity for the former spouse.

§ 19.7-4 Form of agreement.

(a) A spousal agreement is any legal agreement between the parties accepted by PER/ER/RET as meeting the requirements of this section. If in accordance with the regulations, PER/ER/RET will accept as a valid spousal agreement a property settlement agreed to by the parties and approved by a court regardless of the date of the agreement.

(b) A spousal agreement must either be authenticated by a court or notarized.

§ 19.7-5 Limitations.

(a) A spousal agreement may not provide for any payment from the Fund in excess of the amount otherwise authorized to be paid, or at a time not authorized by these regulations, or to a person other than a spouse or former spouse.

(b) A spousal agreement must be filed with the Department, Attention PER/ER/RET, and accepted by that office as in conformance with the Act and these regulations prior to the times specified in §§19.7-2 and 19.7-3. That office will provide advice to the parties on the validity of any proposed agreement and on proper format.

(c) A spousal agreement may apply only to payments from the Fund for periods after receipt of a valid agreement by the Department.

(d) Paragraphs (b), (c) and (d) of §§19.6-9 and 19.6-10 apply to spousal agreements and payments made pursuant to spousal agreements to the same extent that they apply to court orders and court ordered payments.

§ 19.7-6 Duration and precedence of spousal agreements.

(a) A spousal agreement may be revised or voided by agreement of the parties (by filing a new agreement under this section) at any time prior to the last day for filing an agreement determined in accordance with §19.7-2 or §19.7-3, except spousal agreements for additional survivor annuities are irrevocable. After the last day for filing a particular agreement, such agreement is irrevocable.

(b) A valid spousal agreement entered into subsequent to the issuance of a court order affecting the same parties will override the court order, and shall govern payments from the Fund.

(c) A spousal agreement may not override a previous spousal agreement involving the same principal but a different spouse or former spouse without agreement of such spouse or former spouse.

§ 19.8 Obligations of members.

Participants and former participants are obligated by the Act and these regulations to provide the following benefits to others and must accept the necessary reductions in their own retirement benefits to meet these obligations:

- (a) A pension to a former spouse pursuant to § 19.9;
- (b) A court ordered apportionment of annuity to a previous spouse or child under § 19.6–1 (a)(6) (the benefit to a child referred to here is paid during the annuitant's lifetime as distinguished from the automatic survivorship annuity to a child described in § 19.11–7);
- (c) A regular survivor annuity to a former spouse who has not remarried prior to age 60, and to a spouse to whom married when annuity commences, pursuant to §§ 19.11–2 and 19.11–3;
- (d) An additional survivor annuity for a spouse or former spouse under § 19.10–5 when elected by the participant or ordered by a court;
- (e) Lump-sum payments to a former spouse pursuant to § 19.13;
- (f) Benefits ordered by a court under § 19.6 or specified in a spousal agreement under § 19.7.

§ 19.9 Pension benefits for former spouses.

§ 19.9–1 Entitlement.

- (a) Unless otherwise expressly provided by a spousal agreement under § 19.7 or a court order under § 19.6, a person who, after February 15, 1981, becomes a former spouse of a participant (or former participant who separated from the Service after February 15, 1981) and who has not remarried prior to becoming 60 years of age, becomes entitled to a monthly pension benefit effective on a date determined under § 19.9–2 in an amount determined under § 19.9–3.
- (b) A former spouse shall not be qualified for a pension under this subsection if, before the commencement of that pension, the former spouse remarries before becoming 60 years of age.
- (c) A pension benefit under this section is treated the same as a survivor annuity for purposes of § 19.11–5(b): a former spouse who elects to receive a

pension under this section must waive simultaneous receipt of any survivor annuity.

[46 FR 12958, Feb. 19, 1981. Redesignated and amended at 46 FR 18970, Mar. 27, 1981]

§ 19.9–2 Commencement and termination.

(a) The pension of a former spouse under this subsection commences on the latter of the day the principal becomes entitled to a Foreign Service annuity or on the first day of the month in which the divorce becomes final. (Suspension or reduction of a Foreign Service annuity because or reemployment does not affect the commencement of a pension to a former spouse.) In the case of any former spouse of a disability annuitant, the pension of such former spouse shall commence on the latter of:

- (1) The date the principal would qualify for an annuity (other than a disability annuity) on the basis of his/her creditable service;
 - (2) The date the disability annuity begins; or
 - (3) The first of the month in which the divorce becomes final.
- (b) The pension of a former spouse and the right thereto terminate on:
- (1) The last day of the month before the former spouse dies or remarries before 60 years of age; or
 - (2) The date the annuity of the former participant terminates unless the termination results from recall, reappointment or reinstatement in the Foreign Service or reemployment in Government service.

§ 19.9–3 Computation and payment of pension to former spouse.

- (a) A pension to a former spouse is paid monthly on the same date that annuity is paid to the principal.
- (b) No spousal agreement or court order may provide for a pension or any combination of pensions to former spouses of any one principal which exceeds the net annuity of the principal as defined in § 19.6–2(b).
- (c) A pension to a former spouse not fixed by a spousal agreement or court order shall equal the former spouse's pro rata share of 50 percent of the annuity to which the principal is entitled on the date the divorce becomes final,

Department of State

§ 19.10-2

or, if not then entitled to an annuity, 50 percent of the annuity to which the principal first becomes entitled following that date. A pension to a former spouse of a disability annuitant shall be calculated on the basis of an annuity for which the participant would qualify if not disabled. A pension to a former spouse will be increased by the same percentage of each cost-of-living adjustment received by the principal.

(d) The Department will initiate payment of a pension to a former spouse after complying with the notification and other procedures described in § 19.6.

(e) If a pension can not be paid because a former spouse is missing, the principal may file an affidavit with PER/ER/RET that he/she does not know the whereabouts of the former spouse. In such an event, the principal and the Department will follow the procedures in § 19.11-4 in an effort to locate the former spouse. The annuity of the principal will be reduced by the amount of the pension to the former spouse even though the latter is not being paid. If the former spouse has not been located during the 12-month period following the date the principal files an affidavit under this section, the annuity of the principal will be recomputed effective from its commencing date (or on the date following the last month a pension payment was made to the former spouse) and paid without reduction of the amount of pension to the former spouse. If the former spouse subsequently is located, pension payments to him/her will be initiated at that time at the rate that would have been payable had they been paid continuously from the original effective date. The Department shall not be liable to make any pension payments to the former spouse for the missing period if the procedures under this section were faithfully complied with nor will the Department be responsible for recovering any payments made to the principal for the benefit of the former spouse.

§ 19.9-4 Effect on annuitant.

Any pension payable to a former spouse under this section or pursuant to any spousal agreement or court order shall be deducted from the annuity of the principal. (See § 19.6-4 con-

cerning retroactive adjustments.) If the annuity of such a principal in any month is discontinued or reduced so that the net amount payable is less than the pension to the former spouse or spouses of the principal because of recall, reappointment or reinstatement in the Foreign Service or reemployment in the Government service, the principal's salary, rather than annuity, shall be reduced by the amount of the pension payment(s). Such salary reductions shall be deposited in the Treasury to the credit of the Fund. If a pension to a former spouse is discontinued for any reason except a suspension pending a determination of entitlement, the annuity of the principal shall be recomputed effective as of the date of discontinuance of the pension, and paid as if the pension to the former spouse had never been deducted.

§ 19.10 Types of annuities to members.

§ 19.10-1 Full annuity.

If a participant retires and does not provide a survivor annuity to a spouse, former spouse or designated beneficiary, the participant receives a "full" annuity. A full annuity means an annuity computed without any survivorship reduction. Example: Average salary \$20,000 and maximum of 35 years of service.

Average basic annual salary for high 3 consecutive years of service	\$20,000
Multiplied by 2 pct02
	\$400.00
Multiplied by 35 years of creditable service35
Full annuity	\$14,000

§ 19.10-2 Reduced annuity with regular survivor annuity to spouse or former spouse.

(a) At commencement of annuity, a participant or former participant may provide a regular survivor annuity for any eligible former spouse and, within the limits of paragraph (b) of this section, a regular survivor annuity to any spouse to whom he/she is then married as described in §§ 19.11-2 and 19.11-3, respectively. A regular survivor annuity for a spouse or former spouse equals 55 percent of the portion of the retiree's

annuity (up to the full amount) designated as the base for the survivor annuity. To provide the survivor annuity, the participant must accept a reduction in his/her full annuity equal to 2½ percent of the first \$3,600 of the designated base, plus 10 percent of the balance of the base. If a regular survivor annuity is being provided for both a spouse and a former spouse, the bases for each are added and the calculation made as in the following example:

Participant's full annuity as computed in § 19.10-1: \$14,000.

Maximum regular survivor annuity is 55 percent of full annuity: \$7,700.

Case I (Participant has a spouse and former spouse at retirement) If the pro rata share for a former spouse is 75 percent, the base for this benefit will be 75 percent of \$14,000: \$10,500.

The base for the maximum regular survivor annuity for a spouse would then be 25 percent of \$14,000, or \$3,500.

Combined base: \$14,000.

Participant's full annuity reduced as follows:

2½ percent of first \$3,600 of the base: \$90.

Plus 10 percent of the amount over \$3,600 (\$14,000-3,600) \$10,400: \$1,040.

Total reduction in participant's full annuity: \$1,130.

Participant's reduced annuity: \$12,870.

Survivor annuity for former spouse: 55 percent of \$10,500 or \$5,775.

Survivor annuity for spouse: 55 percent of \$3,500 or \$1,925.

Case II (Participant married at retirement with no former spouse. All calculations made without reference to cost-of-living increases described in § 19.11-5d.)

Joint election of base for regular survivor annuity of 90 percent of the maximum, or 90 percent of \$14,000: \$12,600.

Participant's full annuity reduced as follows:

2½ percent of first \$3,600 of the base: \$90.

Plus 10 percent of the amount over \$3,600 (\$12,600-3,600) \$9,000: \$900.

Total reduction in participant's full annuity: \$990.

Participant's reduced annuity: \$13,010.

In this example, if divorce occurs subsequent to retirement and a court orders a 75 percent share for the former spouse, the base for the survivor annuity for the former spouse would be 75 percent of \$14,000: \$10,500.

The participant's full annuity would then be reduced by \$780 in accordance with the above formula for this survivor benefit, and the reduced annuity would be \$14,000-780: \$13,220.

If the former spouse qualifies for a pension as described in § 19.9 based on a pro rata share of 75 percent, the pension would equal

50 percent of the participant's reduced annuity times 75 percent ($50\% \times \$13,220 \times 75\%$): 4,957.50.

The participant's reduced annuity would then be further reduced by this pension (\$13,220-\$4,957.50) to provide an annuity to the former participant of \$8,262.50.

If this annuitant later remarried, the maximum base for the regular survivor annuity for the new spouse would be the amount designated at retirement, \$12,600, less the amount committed to the former spouse, \$10,500: \$12,600-10,500 or \$2,100.

The survivor annuity for this spouse: 55 percent of \$2,100 or \$1,555.

The election of this benefit for the new spouse would be made individually by the annuitant since a marriage after retirement does not give a spouse a right to participate in the election.

If the election is made to provide a regular survivor annuity to the new spouse, all of the above calculations would be recomputed effective the first day of the month beginning one year after the date of the remarriage, as follows:

Base for survivor annuity for former spouse: 75% of \$14,000 or \$10,500.

Survivor annuity for former spouse: 55% of \$10,500 or \$5,775.

Base for survivor annuity for spouse: 15% of \$14,000 or \$2,100.

Survivor annuity for spouse: 55% of \$2,100 or \$1,555.

The combined base for the survivor benefits is \$10,500 plus \$2,100 or \$12,600. The annuity reduction on this combined base as computed above is \$990.

The participant's annuity after reduction for survivor benefit would be \$14,000-\$990 or \$13,010.

The pension for the former spouse would be $50\% \times \$13,010 \times 75\%$ or \$4,878.75.

The participant's annuity would be further reduced by this amount: \$13,010-\$4,878.75 to provide an annuity after this recalculation of \$8,131.25.

(b) The maximum regular survivor annuity or combination of regular survivor annuities that may be provided under this section is limited to 55% of the principal's full annuity computed at retirement. If an annuitant is recalled to active duty in the Foreign Service, he/she may provide additional regular survivor annuities under § 19.10-6. The maximum regular survivor annuity or combination of regular survivor annuities that an annuitant who was married at retirement may elect or provide, pursuant to a court order or otherwise, after retirement in

the event of his/her divorce or remarriage, is limited to the amount provided at the time of initial retirement or reversion to retired status following recall service.

§ 19.10-3 Marriage after retirement.

If an annuitant who was unmarried at the time of retirement, marries, he/she may within one year after such marriage irrevocably elect to receive a reduced annuity and to provide, subject to any obligation to provide a survivor annuity for a former spouse, a survivor annuity for the new spouse. If such an election is made, the principal's annuity shall be reduced in accordance with § 19.10-2 effective on the first day of the first month which begins at least one year after the date of the marriage. The reduction is computed on the commencing rate of the principal's annuity.

§ 19.10-4 Death or divorce of a spouse and remarriage after retirement.

(a) If the marriage of an annuitant who received a reduced annuity at retirement under § 19.10-2 to provide a survivor annuity for a spouse is dissolved by divorce or by death of the spouse, the retiree's annuity shall be recomputed, if necessary, as of the first of the month following the death or divorce. If the marriage was dissolved by death, the annuity shall be recomputed and paid at its full amount. If the marriage is dissolved by divorce, procedures in § 19.11-2(b) shall be followed.

(b) In the event an annuitant affected by this paragraph remarries, the annuitant may elect within one year of remarriage to provide a survivor annuity for the new spouse equal in amount to the survivor benefit formerly in effect for the previous spouse less any amount committed for a former spouse. The annuity of a retiree making such an election shall be reduced effective on the first day of the first month which begins at least one year after the remarriage to the amount that would have been payable had there been no recomputation under paragraph (a) of this section.

§ 19.10-5 Reduced annuity with additional survivor annuity to spouse or former spouse.

(a) *General.* This section provides an opportunity for a participant or former participant who has provided a regular survivor annuity to a former spouse to provide a survivor annuity to a second spouse or to another former spouse. The additional survivor annuity provided under this section generally is more costly than the regular survivor annuity because the participant is required to pay its full cost by deduction from salary or annuity, or otherwise, as specified in paragraph (e) of this section. The participant must also be in normal health for his/her age and pass a physical examination prescribed by the Secretary of State (M/MED) to be eligible to provide an additional survivor annuity under this section.

(b) *Limitation on amount.* Neither the total amount of additional survivor annuity or annuities under this section provided by any participant or former participant nor any combination of regular or additional survivor annuities for any one surviving spouse or former spouse of a principal may exceed 55 percent of the principal's full annuity counting any supplemental annuity or recomputation of annuity because of recall service. An additional survivor annuity provided by any principal shall be further limited to the amount that can be provided by a monthly payment which is not greater than the principal's net annuity described in § 19.6-2(b). The amount of any additional survivor annuity provided by a spousal agreement effective prior to the principal's retirement, shall be reduced as necessary by PER/ER/RET after the principal's retirement to comply with this limitation. Any amount paid by a participant for the portion of additional survivor annuity cancelled pursuant to this paragraph shall be treated as an additional lump sum payment under paragraph (e) of this section and used to increase the amount of the additional annuity. A participant who separates from the Service without entitlement to any annuity is not entitled to provide an additional survivor annuity. Payments in such a case would be discontinued as

described in paragraph (e) of this section.

(c) *Procedures to grant additional survivor annuity.* A participant or former participant who has provided a regular survivor annuity to a former spouse who wishes to provide, or who is ordered by a court to provide an additional survivor annuity under this section to a spouse or another former spouse, shall do so by filing a spousal agreement with PER/ER/RET on a form acceptable to PER/ER/RET. Such an agreement will be irrevocable when accepted by PER/ER/RET unless the beneficiary of the additional survivor annuity is subsequently made a beneficiary of a regular survivor annuity in equal amount. Within the limitations specified in paragraph (b) of this section, an individual may be made the beneficiary of both a regular and an additional survivor annuity. A spousal agreement granting an additional survivor annuity to a spouse will remain valid in the event the marriage is dissolved and the spouse qualifies as a former spouse under the definition § 19.2(k).

(d) *Eligibility for additional survivor annuity.* A spouse or former spouse must meet the same criteria (§ 19.2(v) or § 19.2(k)) to be eligible for an additional survivor annuity as a spouse or former spouse must meet to be eligible for a regular survivor annuity. Payment of a special survivor annuity will commence on the day after the participant dies and shall terminate on the last day of the month before death or remarriage before attaining age 60. If it is discontinued because of remarriage, it will not be resumed.

(e) *Payment for additional survivor annuity.* (1) Payment for an additional survivor annuity will commence on the first of the month following the effective date of a spousal agreement providing the additional survivor annuity. The effective date will be the date of acceptance of the spousal agreement by PER/ER-RET (upon a finding that the agreement conforms to the law and regulations) or such later date as may be specified in the agreement. No payment will be made to a beneficiary under the agreement if the principal dies before its effective date. Accordingly, in order to give protection to a

beneficiary during active service, the agreement must be made effective, and payment commence, during active service. Payment will be made by a participant or annuitant by deduction from salary or annuity. Payment will be made by a former participant while awaiting commencement of a deferred annuity by direct payment to the Department, Office of Financial Operations (M/COMP/FO). Payments not received by the due date may, at the option of M/COMP/FO and with notice to the principal and the beneficiary be collected from the principal's lump-sum account. Amounts so collected must be repaid by the principal with interest compounded at 10 percent annually to prevent exhaustion of the lump-sum account. If the lump-sum account does become exhausted, any rights to the lump-sum payment under § 19.13 and survivorship rights under this paragraph will expire on that date. If the principal dies with an amount owing, it shall be collected by set off from the survivor annuity or lump-sum account.

(2) Monthly payments may be reduced or eliminated by direct payment to M/COMP/FO by any participant or former participant under terms mutually agreed upon by the participant and PER/ER/RET. Minimum monthly payments will be based upon actuarial tables prescribed from time to time by the Director General of the Foreign Service (M/DGP) with the advice of the Secretary of Treasury. Such tables will be calculated so that the present value of all payments equal the present value of the survivor annuity. If new tables are prescribed, they would be applicable to additional survivor annuities provided by spousal agreements that become effective on or after the effective date of the new tables. Additional survivor annuities will be increased by regular cost-of-living adjustments from their commencing dates only when so specified at the option of the participant or former participant in a spousal agreement. Monthly payments will be higher if cost-of-living adjustments are provided.

(3) In the event of the disqualification of a beneficiary for an additional survivor annuity because of death, remarriage prior to age 60 or divorce

Department of State

§ 19.10-6

from the principal and failure to meet the definition of "former spouse," or in the event of an authorized reduction or cancellation of an election for an additional survivor annuity, the monthly payment for such discontinued or reduced additional survivor annuity will be discontinued or reduced, as appropriate, effective at the beginning of the first month following termination or reduction of the benefit. Except as otherwise specified in paragraph (b) of this section, any amount paid for such discontinued or reduced benefit by a participant or former participant in excess of the minimum monthly payments described above shall be refunded to the participant or former participant with interest calculated at the annual rate used in the last evaluation of the System or at such higher rate as may be authorized by M/COMP/FO as will not cause a loss to the Fund. The following table illustrates the minimum monthly payments schedule in effect February 15, 1981.

Age of principal and beneficiary on effective date of spousal agreement	Minimum monthly payment required to provide an additional survivor annuity of \$100 per month.	
	Without COLA	With COLA
40	\$7.49	\$12.34
50	14.18	22.01
60	23.55	33.90
70	35.57	47.12

(4) Reduction from annuity to a principal to pay for an additional survivor annuity will be in the nature of an allotment and will not affect computations of cost-of-living adjustments to the principal.

§ 19.10-6 Benefits for recall service.

(a) *Annuity of recalled participant.* Any participant who is recalled to the Service under section 308 of the Act, shall, while serving, be entitled in lieu of annuity to the full salary of the class in which serving. During such service, the recalled annuitant shall make contributions to the Fund under section 805(a) of the Act. If a share of the annuity is being paid as a pension to a former spouse under § 19.9, that share shall be deducted from the salary of the recalled annuitant during the period of the recall service. Upon reversion of the annuitant to retired status,

any pension payable to a former spouse that was being deducted from the salary of the principal shall again be deducted from the annuity of the principal which shall be determined as follows:

(1) If the recall service lasts less than one year, a refund of retirement contributions made during the recall period will be refunded under § 19.13 and the former annuity will be resumed at the previous rate adjusted by any cost-of-living increases that became effective during recall service.

(2) If the recall service lasts between one and five years, the annuitant will be entitled to elect benefits under paragraph (a)(1) of this section or receive both the former annuity adjusted by cost-of-living increases and a supplemental annuity computed under § 19.10 on the basis of service credit and average salary earned during the recall period, irrespective of the number of years of service credit previously earned.

(3) If the recall service lasts five years or more, the annuitant will be entitled to recomputation of the annuity as if there had been no previous retirement, or elect benefits under paragraph (a) (1) or (2) of this section.

(4) An annuitant may receive credit in any computation under paragraph (a) (2) or (3) of this section for any Federal service performed subsequent to the separation upon which the original annuity was computed provided a special contribution is made for such service under section 805 of the Act.

(5) An annuitant entitled to a supplemental annuity under paragraph (a)(3) of this section or a recomputed annuity under paragraph (a)(4) of this section is obligated, in the absence of a court order or spousal agreement to the contrary, to have those annuities reduced to provide the benefits described in § 19.8 to any spouse or former spouse to whom married during any portion of the recall service. An annuitant must accept a reduction of 10 percent of his/her supplemental annuity in order to provide a supplemental survivor annuity to a spouse or former spouse. The maximum supplemental survivor annuity equals 55 percent of the supplemental annuity. If, upon reversion to retired status, an annuitant

has a former spouse entitled to a pro rata share or some other share of the supplemental survivor annuity, but no spouse, the appropriate share of the supplemental annuity shall be reduced by 10 percent to provide such former spouse a share of the maximum supplemental survivor annuity.

(b) *Survivor benefit for death during recall service.* (1) If an annuitant entitled to a reduced annuity under §19.10-2 dies in service after being recalled and is survived by a spouse or former spouse entitled to a survivor annuity based on the service of such annuitant, such survivor annuity shall be computed as if the recall service had otherwise terminated on the day of death and the annuity of the deceased had been resumed in accordance with paragraph (a) of this section. If such death occurs after the annuitant had completed sufficient recall service to attain eligibility for a supplemental annuity, a surviving spouse or surviving former spouse who was married to the participant at any time during a period of recall service shall be entitled to elect, in addition to any other benefits and in lieu of a refund of retirement contributions made during the recall service, a supplemental survivor annuity computed and paid under §19.10-6a(5) as if the recall service had otherwise terminated. If the annuitant had completed sufficient recall service to attain eligibility to have his/her annuity determined anew, a surviving spouse or such a surviving former spouse may elect, in lieu of any other survivor benefit under §19.11, to have the rights of the annuitant redetermined and to receive a survivor annuity computed under §19.11-2 or §19.11-3 on the basis of the total service of the annuitant. In the event such an annuitant is survived both by a spouse and such a former spouse, the former spouse will be entitled to a pro rata share of any refund or supplemental survivor benefit under this section computed on the basis of total service during the recall period and months of marriage during such period. If the surviving spouse and surviving former spouse elect different benefits under this paragraph, the former spouse will receive the pro rata share of the benefit he/she elects and the spouse will re-

ceive the reciprocal share of the benefit he/she elects.

(2) In the event an annuitant dies during recall service and is survived by a former spouse to whom not married during any period of the recall service, such former spouse will not be entitled to any benefits based on the recall service.

§ 19.11 Survivor benefits.

§ 19.11-1 Kinds of survivor benefits.

If a participant or former participant dies in active service or after retirement, regular survivor annuities are payable under terms of this section to an eligible surviving spouse, former spouse or child. Also, if all rights to annuity and survivor annuity terminate prior to exhaustion of the participant's lump-sum credit, a lump-sum payment is made pursuant to §19.13. In addition to the above, an additional survivor annuity, and a supplemental survivor annuity may be payable to an eligible survivor under §§19.10-5 and 19.10-6, respectively. If any participant or former participant makes an election, files a spousal agreement or becomes subject to a court order to provide a regular survivor annuity for a spouse or former spouse and does not subsequently become entitled to leave a survivor annuity under these regulations (because of separation from the Service and withdrawal of contributions, death after separation but before commencement of a deferred annuity, or for any other reason), none will be paid and such election, spousal agreement or court order to provide such survivor annuity will have no force or effect.

§ 19.11-2 Regular survivor annuity for a former spouse.

(a) *Divorce prior to retirement.* If a participant or former participant is divorced prior to commencement of annuity, any former spouse shall be entitled to a pro rata share of such a principal's maximum regular survivor annuity (based on service performed prior to the first date the principal becomes eligible for an annuity following the divorce) unless a different amount is elected in a spousal agreement filed with PER/ER/RET within 12 months

Department of State

§ 19.11-2

after the divorce becomes final or at the time of the retirement, whichever occurs first, or unless a different amount is specified by a court prior to the death of the principal. The principal's annuity shall be reduced at the commencing date under § 19.10-2 in order to provide the survivor annuity committed to the former spouse.

(b) *Divorce after retirement.* In the event an annuitant is divorced after retirement (commencement of annuity), the maximum survivor annuity that may be provided for that former spouse is limited to the amount provided for that person at the time of retirement. Within that limit, the former spouse is entitled to a pro rata share of the participant's maximum survivor benefit (based on service performed prior to the divorce) unless a different amount was elected in a spousal agreement filed with PER/ER/RET at the time of retirement, or in the case of retirement before February 15, 1981, filed with PER/ER/RET within 12 months after the divorce becomes final, or unless a different amount is specified by a court prior to the death of the principal. For this purpose, a joint election filed with PER/ER/RET at the time of retirement is considered a spousal agreement. If the survivor annuity for the former spouse is reduced at the time of the divorce (because the pro rata share or the amount specified in a spousal agreement or court order is less than the amount elected at retirement), the principal's annuity shall be recomputed and paid, effective on the date the survivor benefit is reduced, as if the lower amount had been elected at the outset of retirement.

(c) *Death or remarriage of former spouse and transfer of survivor benefit to a spouse.* Remarriage below age 60 or death of a former spouse while a principal is alive will disqualify the former spouse for benefits under this section. In the event of such a remarriage or death of a former spouse, the portion of a principal's survivor annuity committed to that person will become available for transfer to any spouse. If such a remarriage or death of the former spouse occurs after the principal's annuity commences, any reduction in the principal's annuity for that former spouse will be discontinued effective at

the beginning of the first month following the remarriage or death unless the annuitant elects to provide or to increase a survivor benefit for a spouse. Such an election may be made within one year after the annuitant receives notice of the remarriage or death of his/her former spouse. The Department (PER/ER/RET) and the annuitant shall each notify the other promptly whenever either receives independent notice of such a remarriage or death. If an election to transfer survivor benefits to a spouse is not made by the annuitant, his/her annuity will be recomputed and paid as if there had been no reduction for the discontinued survivor benefit. If an annuity is so recomputed and an election is subsequently made to designate as beneficiary a spouse to whom married for at least one year at the time the election is made, the principal's annuity shall be restored retroactively to its former, lower rate and then adjusted by cost-of-living increases that have occurred since the date of the first recomputation. If an election is made for a spouse when the marriage has not yet lasted a year, the procedures in § 19.10-4 shall be followed.

(d) *Amount of survivor annuity.* The amount of a regular survivor annuity is determined under § 19.11-3(c).

(e) *Special rules for election of survivor annuity for a person who is a former spouse on February 15, 1981.* (1) Any participant, or former participant eligible for a deferred annuity which has not yet commenced, who, on February 15, 1981 has a former spouse, may at any time prior to commencement of annuity, elect, with the consent of any spouse to whom married at the time of the election, to receive a reduced annuity and provide a regular survivor annuity for such former spouse. Such survivor annuity shall be limited by § 19.10-2(b). An election under this paragraph for a former spouse will reduce the amount of any regular survivor annuity that may subsequently be provided for any spouse or other former spouse.

(2) Any former participant in receipt of an annuity who has a former spouse on February 15, 1981 and who has not committed his/her entire annuity as a base for a regular survivor annuity for a spouse or any other former spouse,

may, prior to December 31, 1982, designate any portion of the uncommitted base as the base for a regular survivor annuity for such former spouse.

(3) The annuity of a former participant making an election under this paragraph shall be reduced under § 19.10-2(a) effective February 15, 1981, or from its commencing date if later.

(4) An election under this paragraph shall be made by filing a spousal agreement with PER/ER/RET under § 19.7. A spousal agreement to provide a regular survivor annuity under this paragraph for a former spouse may be revoked or amended after its acceptance by PER/ER/RET as in accordance with the Act and these regulations, only by agreement of the parties up to the last day allowed by this paragraph for filing such an agreement. Thereafter, it is irrevocable. If a participant dies in service after having filed a valid election under this section, a survivor annuity will be paid to an eligible former surviving spouse in accordance with the terms of the election.

§ 19.11-3 Regular survivor annuity for a spouse.

(a) In the absence of a joint election or a spousal agreement to the contrary, a participant or former participant who is separated from active service on or after February 15, 1981 who is married at the commencement of his/her annuity shall provide a regular survivor annuity for a spouse under § 19.10-2 equal to the maximum amount that remains available under limitations stated in paragraph (b) of that section after allowing for any commitment of a regular survivor annuity for a former spouse who has not remarried prior to age 60 and who is alive on the date the former participant becomes eligible for an annuity.

(b) A regular survivor annuity is also payable to a surviving spouse for whom a principal elected an annuity under § 19.10-3, § 19.10-4, or § 19.11-2(c) following a marriage after commencement of his/her annuity.

(c) The amount of a regular survivor annuity equals 55 percent of the base designated for the benefit at the time the principal's annuity commenced, adjusted by the total percentage of cost-

of-living increases the principal was receiving at death.

(d) A survivor annuity is payable to a surviving spouse only if that person was married to the principal at the time of his/her death or if the spouse became a former spouse under the definition in § 19.2(k).

§ 19.11-4 Procedure in event a spouse or former spouse is missing.

If a participant or former participant has a spouse or former spouse whose whereabouts are unknown, such participant may elect to reduce or eliminate the share of a regular survivor annuity provided for that person under § 19.11-2 or § 19.11-3 by filing an affidavit with PER/ER/RET stating that his/her spouse or former spouse is missing and giving full name, last known address, date last heard from, circumstances of the disappearance and a description of the effort that has been made to locate the individual. Thereafter, the participant shall take such additional steps to locate the missing person as may be directed by PER/ER/RET. That Office shall also attempt to locate the missing person by sending a letter to the individual's last known address given in the Department's files, to the address given on the affidavit, and, if a Social Security number is known, to the Social Security Administration for forwarding. The election and affidavit may be filed at any time before commencement of annuity. It must remain on file with PER/ER/RET for at least one year before being given irrevocable effect by the Department. If the annuity to the former participant becomes effective prior to the expiration of this one year period, the annuity shall be computed and paid without reference to the election filed under this section. Following this one-year period, or at the commencement of annuity, if later, if the missing person has not been located, the affidavit may be reaffirmed by the participant, after which an election by the participant to reduce or eliminate the share of regular survivor annuity for the missing person shall be

Department of State

§ 19.11-6

given irrevocable effect by the Department. If the annuity to the former participant has commenced, it shall be recomputed and paid retroactively to give effect to any election made under this section.

§ 19.11-5 Commencement, termination and adjustment of annuities.

(a) An annuity payable from the Fund to a surviving spouse or former spouse begins on the day after the participant or annuitant dies and stops on the last day of the month before the survivor's (1) marriage before age 60, or (2) death. If a survivor annuity is terminated because of remarriage, the annuity is restored at the same rate effective on the date such remarriage is terminated, provided any lump-sum paid upon termination of the annuity is returned to the Fund. The termination of a surviving spouse annuity due to remarriage does not apply to a survivor annuitant who is a surviving spouse of a participant who died in service or retired before October 1, 1976, unless elected following a marriage after retirement under circumstances described in § 19.10-3 or § 19.10-4.

(b) A surviving spouse or former spouse shall not become entitled to a survivor annuity or to the restoration of a survivor annuity payable from the Fund unless the survivor elects to receive it instead of any other survivor annuity to which entitled under this or any other retirement system for Government employees. (For this purpose, neither the Social Security system nor the military retirement system is considered a retirement system for Government employees.) This restriction does not apply to a survivor annuitant who is a surviving spouse of a participant who died in service or retired before October 1, 1976, unless the survivor annuity was elected under circumstances described in § 19.10-3 or § 19.10-4.

(c) A child's annuity begins on the day after the participant dies, or if a child is not then qualified, on the first day of the month in which the child becomes eligible. A child's annuity shall terminate on the last day of the month which precedes the month in which eligibility ceases.

(d) Regular and supplemental survivor annuities to a spouse or former spouse of an annuitant described in §§ 19.11-2, 19.11-3 and 19.10-6(b) are increased from their effective date by the cumulative percentage of cost-of-living increases the annuitant was receiving under section 826 of the Act at death. All annuities payable to survivors on the date a cost-of-living adjustment becomes effective are increased by that percentage except (1) the first increase to a surviving spouse of a participant who dies in service shall be pro rated and (2) additional survivor annuities under § 19.10-5 when the spousal agreement authorizing the annuity makes no provision for cost-of-living increases.

(e) The annuity of survivors becomes effective as specified in this section but is not paid until the survivor submits Form JF-38, Application for Death Benefits, supported by such proof as may be required, for example, death, marriage, and/or divorce certificates. In the event that such is not submitted during an otherwise eligible beneficiary's lifetime, no annuity is due or payable to the beneficiary's estate.

[46 FR 12958, Feb. 19, 1981. Redesignated and amended at 46 FR 18970, Mar. 27, 1981]

§ 19.11-6 Death during active duty.

(a) *Annuity for surviving former spouse.* In the event a participant dies before separation from the Service and leaves a former spouse, such former spouse is entitled to a regular survivor annuity under § 19.11-2 computed as if the participant had retired on the date of death unless a court order or spousal agreement is on file in the Department waiving such entitlement or providing for some other computation, or unless the former spouse had been found missing and an election filed under the procedures of § 19.11-4 waiving a survivor benefit for that person. Any assumed service authorized to be used under paragraph (b) of this section in computing the annuity for a surviving spouse may not be counted as "years of marriage" when determining whether the previous spouse qualifies as a "former spouse" under the definition in § 19.2(k) or when computing the pro rata share under § 19.2(s). A former

spouse is entitled to an additional survivor annuity under § 19.10-5 provided death occurs on or after the effective date of a spousal agreement providing for the additional annuity.

(b) *Annuity for surviving spouse.* If a participant who has at least 19 months of civilian service credit toward retirement under the System, excluding extra service credited for unhealthful post duty in accordance with section 816 of the Act, dies before separation from the Service, and is survived by a spouse as defined in § 19.2(v) such survivor shall be entitled to an annuity equal to 55 percent of the annuity computed in accordance with § 19.10-1 less any annuity payable to a former spouse under paragraph a. If the participant had less than three years of creditable civilian service at the time of death, the survivor annuity is computed on the basis of the average salary for the entire period of such service. If, at time of death, the participant had less than 20 years of creditable service, the annuity shall be computed on the assumption that the participant has had 20 years of service, but such additional service credit shall in no case exceed the difference between the participant's age on the date of death and age 65. A spouse is entitled to an additional survivor annuity under § 19.10-5 provided death occurs on or after the effective date of a spousal agreement providing for the additional annuity.

(c) *Annuity for a child or children.* If a participant described in paragraph (b) of this section is survived by a child or children, each surviving child is entitled to an annuity as described in § 19.11-7.

(d) *Annuity changes.* Annuities based on a death in service are subject to the provisions of § 19.11-5 governing commencement, adjustment, termination and resumption of annuities.

§ 19.11-7 Annuity payable to surviving child or children.

(a) If a participant who has at least 18 months of civilian service credit under the System dies in service, or if an annuitant who was a former participant dies, annuities are payable to a surviving child or children, as defined in § 19.2(e) as follows:

(1) *When survived by spouse and child or children.* If a principal is survived by a wife or husband and by a child or children, in addition to any other annuity, there shall be paid to or on behalf of each child an annuity equal to the smallest of:

(i) \$900

(ii) \$2,700 divided by the number of children—adjusted under paragraph (b).

(2) *When survived by a child or children but no spouse.* If the principal is not survived by a wife or husband, but by a child or children, each surviving child shall be paid an annuity equal to the smallest of:

(i) \$1,080

(ii) \$3,240 divided by the number of children—adjusted under paragraph (b) of this section.

(b) *Adjusted rates.* In order to reflect cost-of-living increases, the amounts referred to in paragraphs (a)(1) and (2) are increased from the commencing date of the annuity to each child by the cumulative percentage of all cost-of-living increases that have occurred under 5 U.S.C. 8340 since October 31, 1969.

(c) *Recomputation of annuity for child or children.* If a surviving wife or husband dies or the annuity of a child is terminated, the annuities of any remaining children shall be recomputed and paid as though such spouse or child had not survived the participant. If the annuity to a surviving child who has not been receiving an annuity is initiated or resumed, the annuities of any other children shall be recomputed and paid from that date as though the annuities to all currently eligible children in the family were then being initiated.

§ 19.11-8 Required elections between survivor benefits.

(a) *Bar against concurrent payment under this Act and Workers' Compensation Act.* Except as stated below, survivor annuities and survivors' compensation for work injuries under 5 U.S.C. 8102 are not payable concurrently if both are based on the death of the same employee. A survivor entitled to both must elect which of the two benefits he/she prefers. Should all eligible survivors of a deceased employee elect to receive the compensation benefit

rather than the survivor annuity, their rights to the latter are terminated and, if the lump-sum credit has not been exhausted, a lump-sum payment will become due under § 19.13. The one exception to this rule occurs when a widow or widower is being paid the balance of a scheduled compensation award under 5 U.S.C. 8107 due the deceased employee. If so, the widow or widower may receive the survivor annuity and compensation award concurrently.

(b) *Election between survivor annuity and social security benefits.* Pursuant to 42 U.S.C. 417 (a) and (e), survivors who are eligible for annuity which is based in part on military service performed by a principal between September 16, 1940, and December 31, 1956, and also for survivor benefits under the Social Security system, may elect to have the military service credited toward the Social Security benefit. In practice, the survivors should apply for both benefits, ask the Department and the Social Security Administration for statements showing the amount of each benefit, and then make their election of where to credit the military service. If Social Security benefits are elected, the rights of *all* survivors to a foreign service annuity are terminated.

§ 19.12 Employment in a government agency.

An annuitant who is reemployed by a Federal Government agency may not receive a combination of salary and annuity which exceeds his/her Foreign Service salary at the time of retirement. Refer to § 19.9-4.

§ 19.13 Lump-sum payment.

§ 19.13-1 Lump-sum credit.

"Lump-sum credit" is the compulsory and special contributions to a participant's or former participant's credit in the Fund for his/her first 35 years of service plus interest thereon computed from the midpoint of each service period and compounded at four percent annually to the date of separation or December 31, 1976, whichever is earlier, and after such date, for a participant who separates from the Service after completing at least one year of civilian service and before completing 5 years of such service, at the rate of

three percent annually to the date of separation. Interest shall not be paid for a fractional part of a month in the total service or on compulsory and special contributions from the annuitant for recall service or other service performed after the date of separation which forms the basis for annuity.

§ 19.13-2 Share payable to a former spouse.

A former spouse of a participant or annuitant is entitled to a prorata share of 50 percent of any lump-sum payment authorized to be paid to a former participant under this section who separated from the Service on or after February 15, 1981, unless otherwise directed in a court order or a spousal agreement.

§ 19.13-3 Payment after death of principal.

If a participant or former participant dies and no claim for annuity is payable, the lump-sum credit is paid to surviving beneficiaries.

§ 19.14 Waiver of annuity.

An individual entitled to be paid an annuity may, for personal reasons, decline to accept all or any part of the annuity. However, a principal may not waive the portion of his/her annuity authorized to be paid to a former spouse under § 19.7 or § 19.9 or to a beneficiary under § 19.6. An annuity waiver shall be in writing and sent to the Department (PER/ER/RET). A waiver may be revoked in writing at any time. Payment of the annuity waived may not be made for the period during which the waiver was in effect.

§ 20.1 Definitions.

As used in this part, unless otherwise specified, the following have the meaning indicated:

COLA means cost-of-living adjustment in annuity.

Creditable service or *service* means employment or other periods that are counted under sections 816, 817, or 854 in determining retirement benefits.

Disability annuitant means a participant in FSRDS or FSPS entitled to a disability annuity under section 808 of the Act or subchapter V, chapter 84, title 5 U.S.C., and a *disability annuity* means a Foreign Service annuity computed under those sections.

FSRDS means the Foreign Service Retirement and Disability System established by subchapter I, chapter 8, of the Act.

FSPS means the Foreign Service Pension System established by subchapter II, chapter 8, of the Act.

Former spouse means a former wife or husband of a participant or former participant who was married to such participant for not less than 10 years during service of the participant which is creditable under chapter 8 of the Act with at least 5 years occurring while the employee was a member of the Foreign Service and who retired from the Foreign Service Retirement System.

Full annuity equals the annuity the former participant would be eligible to receive except for deductions made to provide survivor benefits or because of payment of a portion of the annuity to others.

Participant means a person who contributes to the Fund identified in § 20.2. Such person may participate in either FSRDS or FSPS.

Principal means a participant or former participant whose service forms the basis for a benefit for a former spouse under this part.

Pro rata share, in the case of a former spouse of a participant or former participant, means the percentage obtained by dividing the number of months during which the former spouse was married to the participant during the creditable service of the participant by the total number of months of such creditable service. In the total period, 30 days constitutes a month and any period of less than 30 days is not

counted. When making this calculation for a former spouse married to a participant during a period the participant earned extra service credit under section 817 of the Act, the number of months of such extra service credit earned during that period of the marriage shall be added to the total number of months of the marriage.

§ 20.2 Funding.

Benefits under this part are paid from the Fund maintained by the Secretary of the Treasury pursuant to section 802 of the Act but are not authorized to be paid except to the extent provided therefor. Appropriations for such Fund are authorized by section 821(a) of the Act.

§ 20.3 Qualifications.

To be eligible for retirement or survivor benefits under this part, a former spouse must—

(a) Have been a former spouse on February 14, 1981;

(b) After becoming a former spouse, not have remarried before attaining age 55;

(c) In the case of any retirement benefit under § 20.5; elect this benefit instead of any survivor annuity for which the former spouse may simultaneously be eligible under this or another retirement system for Government employees; and

(d) Submit an application to the Department of State by June 22, 1990, in accordance with § 20.9 unless that date is extended as authorized by that section. The deadline for submission of an application for survivor benefits under § 20.5 will be deemed to have been met if the former spouse submits an application for retirement benefits within the deadline.

§ 20.4 Retirement benefits.

(a) *Type of benefits.* (1) A former spouse who meets the qualification requirements of § 20.3 is entitled to a share of any Foreign Service annuity (other than a disability annuity) or any supplemental annuity computed under section 806(a), 823 or 824 of the Act to which the principal is entitled

Department of State

§ 20.5

under FSRDS and to any Foreign Service annuity (other than a disability annuity) or annuity supplement computed under section 824 or 855 of the Act of 5 U.S.C. 8415 to which the principal is entitled under FSPS.

(2) A former spouse of a disability annuitant is entitled to a share of benefits to which the annuitant would qualify under paragraph (a) of this section, he or she not been disabled based on the actual age and service of the annuitant.

(b) *Share.* The share of a participant's benefits to which a qualified former spouse is entitled is—

(1) 50 percent of the benefits described in §20.4(a) if the former spouse was married to the participant throughout the latter's creditable service; or

(2) A pro rata share of 50 percent of such benefits if the former spouse was not married to the participant throughout such creditable service.

(c) *Reduction of benefits.* If retirement benefits of a principal are reduced because of reemployment, attainment of eligibility for Social Security benefits or for any other reason, the amount of the share payable to a former spouse is correspondingly reduced during the period of the reduction.

(d) *Commencement, Termination and Suspension.* (1) Entitlement to retirement benefits under this section (except for a former spouse of a disability annuitant) shall commence on the latter of—

(i) The day the principal becomes entitled to benefits described in §20.4(a); or

(ii) December 22, 1987.

(2) Entitlement to retirement benefits under this section for a former spouse of a disability annuitant shall commence on the latter of—

(i) The date the principal would qualify for benefits (other than a disability annuity) described in §20.4(a) on the basis of the principal's actual age and service;

(ii) The date the disability annuity begins; or

(iii) December 22, 1987.

(3) Entitlement to retirement benefits under this section shall terminate or be suspended on the earlier of—

(i) Last day of the month before the former spouse dies or remarries before attaining age 55;

(ii) Date benefits of the principal terminate or are suspended because of death, recall, reemployment, recovery from disability or for any other reason.

(4) Entitlement to benefits under this section shall be resumed for a former spouse, following their suspension, or the date they are resumed for the principal.

§20.5 Survivor benefits.

(a) *Type of benefits.* A former spouse who meets the eligibility requirements of §20.3 is entitled to survivor benefits equal to one of the following; whichever is applicable:

(1) 55 percent of the full annuity to which the principal was entitled on the commencement or recomputation date of the annuity in the case of a principal who dies while in receipt of a Foreign Service annuity computed under section 806, 808, 823, 824, or 855 of the Act of 5 U.S.C. 8415;

(2) 55 percent of the annuity to which the principal was entitled at death in the case of a principal who dies while in receipt of a Foreign Service annuity computed under 5 U.S.C. 8452;

(3) 55 percent of the full annuity to which the principal would have been entitled if he or she retired (or returned to retirement status) on the date of death computed—depending on the provision that would be used to compute an annuity for a surviving spouse of the principal—under section 806(a), 823, 824, or 855(b) of the Act of 5 U.S.C. 8415 and using the actual service of the principal, in the case of a principal who dies while in active service, including service on recall or reemployment while annuity is suspended or reduced; or,

(4) 55 percent of the full annuity computed under 5 U.S.C. 8413(b) that the principal could have elected to receive commencing on the date of death or, if later, commencing on the date the principal would have attained the minimum retirement age described in 5 U.S.C. 8412(h), in the case of a principal while entitled to a deferred annuity under 5 U.S.C. 8413(b), but before commencement of that annuity. A survivor annuity under this paragraph may not

commence before the date the principal would have attained the minimum retirement age.

(b) *Effect of Election of Alternate Form Annuity.* If a principal elects an alternate form annuity under section 829 of the Act or 5 U.S.C. 8420a, survivor benefits for a former spouse under this section shall, nevertheless, be based on what the principal's annuity would have been had the principal not withdrawn retirement contributions in a lump sum.

(c) *Reduction Because of Receipt of Other Survivor Benefits.* If a former spouse is in receipt of a survivor annuity based on an election by the principal under section 806(f) or 2109 of the Act, the survivor benefits for the former spouse under this section shall be reduced on the effective date by the amount of such elected survivor annuity.

(d) *Commencement and Termination.* Entitlement to survivor benefits under this section—

(1) Shall commence on the latter of—

- (i) The date the principal dies;
- (ii) December 22, 1987; and

(2) Shall terminate on the last day of the month before the former spouse dies or remarries before attaining age 55.

§20.6 COLA.

(a) *Retirement Benefits.* A retirement annuity payable to a former spouse under §20.4 is adjusted for cost-of-living increases under section 826 or 858 of the Act in the same manner as the annuity of the principal. The first such increase for a former spouse shall be prorated under the applicable section in the same way the first increase for the principal is adjusted, irrespective of whether the annuity to the former spouse commences on the same date as the annuity to the principal. If the benefit of a former spouse is based in part on an annuity supplement payable to a principal under 5 U.S.C. 8421 which is not adjusted by COLA, then that portion of the benefit payable to a former spouse is not adjusted by COLA.

(b) *Survivor Benefits.* (1) Survivor annuities payable to a former spouse are adjusted for COLA under section 826 or 858 of the Act in the same manner as

annuities are or would be adjusted for other survivors of the principal.

(2) A survivor annuity payable to a former spouse under §20.5–1(A) shall be increased from its commencing date pursuant to paragraph (c)(2) of section 826 of the Act or 8462 of Title 5, U.S. Code, by all COLA received by the principal at death, irrespective of the date of death and in instances where death occurred prior to December 22, 1987, by all COLA that would have been paid to a survivor annuitant from the date of death until December 22, 1987.

(3) The first increase to which a former spouse becomes entitled whose annuity is computed under §20.5(a)(2) shall be prorated pursuant to 5 U.S.C. 8462(c)(4).

(4) The first increase to which a former spouse becomes entitled whose annuity is computed under §20.5(a)(3) or

(5) Shall be prorated pursuant to paragraph (c)(1) of section 826 of the Act or 8462 or title 5, U.S. Code.

§20.7 Waiver.

A former spouse entitled to an annuity under this part may decide to decline all or any part of the annuity for personal reasons. An annuity waiver shall be in writing and sent to the Retirement Division (PER/ER/RET), Department of State, Washington, DC 20520. A waiver may be revoked in writing at any time. Payment of the annuity waived prior to receipt by the Retirement Division of the renunciation may not be made.

§20.8 Effect on other benefits.

Payment to a former spouse under this part shall not impair, reduce, or otherwise affect benefits paid under the Act to the principal or other persons.

§20.9 Application procedure.

(a) *Submission of Application.* To be eligible for retirement or survivor benefits under this part, a former spouse must submit a properly executed and completed application to the Department of State by June 22, 1990 or, if an exception is made for compelling cause to this deadline, within 60 days following the date of the letter from the Department transmitting the application to the former spouse. The application

Department of State

§ 21.1

must be delivered or mailed to the Retirement Division (PER/ER/RET), Room 1251, Department of State, Washington, DC 20520.

(b) *Request for Application.* The Department of State has attempted to mail applications to all former spouses of whom it is aware that it believes may be eligible for benefits under this part. Any eligible former spouse who does not have an application at the time this part is published in the FEDERAL REGISTER (October 7, 1988) must communicate with the Department as soon as possible and request an application. Request may be in person or by mail to the address in § 20.9(a) or by telephoning the Retirement Division on area code 202-647-9315. A request by letter must include the typed or printed full name and current address of the former spouse.

It shall also give the dates of marriage and divorce or annulment that establish eligibility and fully identify the Foreign Service employee or former employee in question and state the agency of current or last employment.

(c) *Payment of Benefits Delayed.* Payment of benefits cannot be made to a former spouse until the application for benefits is approved by the Retirement Division of the Department. Upon such approval, benefits will be paid to an eligible former spouse retroactively, if necessary, back to the commencing date determined under this part.

discretion by the Under Secretary for Management or his or her designee.

(b) The Department of State may settle or compromise a personal damages claim against an employee by the payment of available funds at any time, provided the alleged conduct giving rise to the personal damages claim was taken within the scope of employment and that such settlement or compromise is in the interest of the United States, as determined as a matter of discretion by the Under Secretary for Management or his or her designee.

(c) The Director General of the Foreign Service and Director of Personnel ("Director General") shall be the designee of the Under Secretary for Management with respect to determinations under paragraphs (a) and (b) of this section in cases which involve:

Employees overseas shall notify their Administrative Counselor who shall then notify the Assistant Legal Adviser for Special Functional Problems. (i) Any payment under this part either to indemnify a Department of State employee or to settle a personal damages claim shall be contingent upon the availability of appropriated funds.

(j) In addition to the indemnification provisions contained in the regulations in this part, the Department will also follow any specific policies or regulations adopted with respect to damages awarded against Department health care personnel for malpractice claims within the scope of 22 U.S.C. 2702.

Requests for consular birth records should specify if a Consular Report of Birth (Form FS 240, or long form) or Certification of Birth (Form

DS 1350, or short form) is desired. Advance remittance of the exact fee is required for each service.

(b) *Authentication services.* Requests for Department of State authentication of documents other than passport file documents must be accompanied by remittance of the exact total fee chargeable and addressed to the Authentication Officer, Department of State, Washington, DC 20520.

§ 22.3 Remittances in the United States.

(a) *Type of Remittance.* Remittances shall be in the form of: (1) Check or

bank draft drawn on a bank in the United States; (2) money order—postal, international or bank; or (3) U.S. currency. Remittances shall be made payable to the order of the Department of State. The Department will assume no responsibility for cash which is lost in the mail.

(b) *Exact payment of fees.* Fees must be paid in full prior to issuance of requested documents. If uncertainty as to the existence of a record or as to the number of sheets to be copied precludes remitting the exact fee chargeable with the request, the Department of State will inform the interested party of the exact amount required.

§22.4 Requests for services, Foreign Service.

Officers of the Foreign Service shall charge for official services performed abroad at the rates prescribed in this schedule, in coin of the United States or at its representative value in exchange (22 U.S.C. 1202). For definition of representative value in exchange, see §23.4 of this chapter. No fees named in this schedule shall be charged or collected for the official services to American vessels and seamen (22 U.S.C. 1186). The term “American vessels” is defined to exclude, for the purposes of this schedule, undocumented American vessels and the fees prescribed herein shall be charged and collected for such undocumented vessels. However, the fees prescribed herein shall not be charged or collected for American public vessels, which includes any vessel owned or operated by a U.S. Government department or agency and engaged exclusively in official business on a non-commercial basis. This schedule of fees shall be kept posted in a conspicuous place in each Foreign Service consular office, subject to the examination by all persons interested therein (22 U.S.C. 1197).

§22.5 Remittances to Foreign Service posts.

Remittances to Foreign Service posts from persons in the United States in payment of official fees and charges or for the purpose of establishing deposits in advance of rendition of services shall be in a form acceptable to the post, drawn payable to the American

Embassy (name of city), American Consulate General (name of city) or American Consulate (name of city), as the case may be. This will permit cashing of negotiable instruments for deposit in the Treasury when not negotiated locally. See §23.2 of this chapter.

(a) *Time at which fees become payable.* Fees are due and payable prior to issue or delivery to the interested party of a signed document, a copy of a record, or other paper representative of a service performed.

(b) *Receipt for fees; register of services.* Every officer of the Foreign Service responsible for the performance of services as enumerated in the Schedule of Fees for Consular Services, Department of State and Foreign Service (§22.1), shall give receipts for fees collected for the official services rendered, specifying the nature of the service and numbered to correspond with entries in a register maintained for the purpose (22 U.S.C. 1192, 1193, and 1194). The register serves as a record of official acts performed by officers of the Foreign Service in a governmental or notarial capacity, corresponding in this regard with the record which notaries are usually expected or required to keep of their official acts. See §92.2 of this chapter.

(c) *Deposits to guarantee payment of fees or incidental costs.* When the amount of any fee is determinable only after initiation of the performance of a service, or if incidental costs are involved, the total fee and incidental costs shall be carefully estimated and an advance deposit required, subject to refund of any unused balance to the person making the deposit.

§22.6 Refund of fees.

(a) Fees which have been collected for deposit in the Treasury are refundable:

(1) As specifically authorized by law (See 22 U.S.C. 214a concerning passport fees erroneously charged persons excused from payment, 22 U.S.C. 216 concerning passport fees in cases where the appropriate representative in the United States of a foreign government refuses a visa and 46 U.S.C. 8 concerning fees improperly imposed on vessels or seamen);

(2) When the principal officer at the consular post where the fee was collected (or the officer in charge of the consular section at a combined diplomatic/consular post) finds upon review of the facts that the collection was erroneous under applicable law; and

(3) Where determination is made by the Department of State with a view to payment of a refunded in the United States in cases which it is impracticable to have the facts reviewed and refunded effected by and at the direction of the responsible consular office.

See §13.1 of this chapter concerning refunds of fees improperly exacted by consular officers who have neglected to return the same.

(b) Refunds of \$5.00 or less will not be paid to the remitter unless a claim is specifically filed at the time of payment for the excess amount. An automatic refund on overpayments due to misinformation or mistakes on the part of the Department of State will be made.

[52 FR 29515, Aug. 10, 1987]

§22.7 Collection and return of fees.

No fees other than those prescribed in the Schedule of Fees, §22.1, or by or pursuant to an act of Congress, shall be charged or collected by officers of the Foreign Service for official services performed abroad (22 U.S.C. 1201). All fees received by any officer of the Foreign Service for services rendered in connection with the duties of office or as a consular officer shall be accounted for and paid into the Treasury of the United States (22 U.S.C. 99 and 812). For receipt, registry, and numbering provisions, see §22.5(b). Collections for transportation and other expenses necessary for performance of services or for Interested Party toll telephone calls shall be refunded to post allotment accounts and made available for meeting such expenses.

§22.8 Effective date.

The charges established become effective November 30, 1981 with respect to all services rendered pursuant to requests received in the Department of State and the Foreign Service on or after the effective date.

AUTHORITY: 22 U.S.C. 1977.

SOURCE: 61 FR 49967, Sept. 24, 1996, unless otherwise noted.

§ 33.1 Purpose.

These rules clarify procedures for the administration of Section 7 of the Fishermen's Protective Act of 1967. Section 7 of the Act establishes a Fishermen's Guaranty Fund to reimburse owners and charterers of United States commercial fishing vessels for certain losses and costs caused by the seizure and detention of their vessels by foreign countries under certain claims to

jurisdiction not recognized by the United States.

§ 33.2 Definitions.

For the purpose of this part, the following terms mean:

Act. The Fishermen's Protective Act of 1967 (22 U.S.C. 1971 *et seq.*).

Capital equipment. Equipment or other property which may be depreciated for income tax purposes.

Depreciated replacement costs. The present replacement cost of capital equipment after being depreciated on a straight line basis over the equipment's depreciable life, which is standardized at ten years.

Downtime. The time a vessel normally would be in port or transiting to and from the fishing grounds.

Expendable items. Any property, excluding that which may be depreciated for income tax purposes, which is maintained in inventory or expensed for tax purposes.

Fund. The Fishermen's Guaranty Fund established in the U.S. Treasury under section 7(c) of the Act (22 U.S.C. 1977(c)).

Market value. The price property would command in a market, at the time of property loss, assuming a seller willing to sell and buyer willing to buy.

Other direct charge. Any levy which is imposed in addition to, or in lieu of any fine, license fee, registration fee, or other charge.

Owner. The owner or charterer of a commercial fishing vessel.

Secretary. The Secretary of State or the designee of the Secretary of State.

Seizure. Arrest of a fishing vessel by a foreign country for allegedly illegal fishing.

U.S. fishing vessel. Any private vessel documented or certified under the laws of the United States as a commercial fishing vessel.

§ 33.3 Eligibility.

Any owner or charterer of a U.S. fishing vessel is eligible to apply for an agreement with the Secretary providing for a guaranty in accordance with section 7 of the Act.

§ 33.4 Applications.

(a) *Applicant.* An eligible applicant for a guaranty agreement must:

(1) Own or charter a U.S. fishing vessel; and

(2) Submit with his application the fee specified in § 33.6 below.

(b) *Application forms.* Application forms may be obtained by contacting the Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, Room 7820, U.S. Department of State, Washington, DC 20520-7818; Telephone 202-647-3941.

(c) *Where to apply.* Applications must be submitted to the Director, Office of marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, Room 7820, U.S. Department of State, Washington, DC 20520-7818.

(d) *Application approval.* Application approval will be by execution of the guaranty agreement by the Secretary or by the Secretary's designee.

§ 33.5 Guaranty agreements.

(a) *Period in effect.* Agreements are effective for a Fiscal Year beginning October 1 and ending on the next September 30. Applications submitted after October 1 are effective from the date the application and fee are mailed (determined by the postmark) through September 30.

(b) *Guaranty agreement transfer.* A guaranty agreement may, with the Secretary's prior consent, be transferred when a vessel which is the subject of a guaranty agreement is transferred to a new owner if the transfer occurs during the agreement period.

(c) *Guaranty agreement renewal.* A guaranty agreement may be renewed for the next agreement year by submitting an application form with the appropriate fee for the next year in accordance with the Secretary's annually published requirements regarding fees. Renewals are subject to the Secretary's approval.

(d) *Provisions of the agreement.* The agreement will provide for reimbursement for certain losses caused by foreign countries' seizure and detention of U.S. fishing vessels on the basis of claims to jurisdiction which are not recognized by the United States. Recent amendments to the Magnuson Fishery Conservation and Management Act (16 U.S.C. (1801 *et seq.*) assert U.S.

Department of State

§ 33.7

jurisdiction over highly migratory species of tuna in the U.S. exclusive economic zone (EEZ). Accordingly, as a matter of international law, the United States now recognizes other coastal states' claims to jurisdiction over tuna in their EEZ'S. This change directly affect certification of claims filed under the Fishermen's Protective Act. Participants are advised that this means that the Department will no longer certify for payment claims resulting from the seizure of a U.S. vessel while such vessel was fishing for tuna within the exclusive economic zone of another country in violation of that country's laws. Claims for detentions or seizures based on other claims to jurisdiction not recognized by the United States, or on the basis of claims to jurisdiction recognized by the United States but exercised in a manner inconsistent with international law as recognized by the United States, may still be certified by the Department.

§ 33.6 Fees.

(a) *General.* Fees provide for administrative costs and payment of claims. Fees are set annually on the basis of past and anticipated claim experience. The annual agreement year for which fees are payable starts on October 1 and ends on September 30 of the following year.

(b) *Amount and payment.* The amount of each annual fee or adjusted fee will be established by the Office Director of the Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, by publication of a notice in the FEDERAL REGISTER. Each notice will establish the amount of the fee, when the fee is due, when the fee is payable, and any special conditions surrounding extension of prior agreements or execution of new agreements. Unless otherwise specified in such notices, agreement coverage will commence with the post-marked date of the fee payment and application.

(c) *Adjustment and refund.* Fees may be adjusted at any time to reflect actual seizure and detention experience for which claims are anticipated. Failure to submit adjusted fees will result in agreement termination as of the date the adjusted fee is payable. No

fees will be refunded after an agreement is executed by the Secretary.

(d) *Disposition.* All fees will be deposited in the Fishermen's Guaranty Fund. They will remain available without fiscal year limitation to carry out section 7 of the Act. Claims will be paid from fees and from appropriated funds, if any. Fees not required to pay administrative costs or claims may be invested in U.S. obligations. All earnings will be credited to the Fishermen's Guaranty Fund.

§ 33.7 Conditions for claims.

(a) Unless there is clear and convincing credible evidence that the seizure did not meet the requirements of the Act, payment of claims will be made when:

(1) A covered vessel is seized by a foreign country under conditions specified in the Act and the guaranty agreement; and

(2) The incident occurred during the period the guaranty agreement was in force for the vessel involved.

(b) Payments will be made to the owner for:

(1) All actual costs (except those covered by section 3 of the Act or reimbursable from some other source) incurred by the owner during the seizure or detention period as a direct result thereof, including:

(i) Damage to, or destruction of, the vessel or its equipment; or

(ii) Loss or confiscation of the vessel or its equipment; and

(iii) Dockage fees or utilities;

(2) The market value of fish or shellfish caught before seizure of the vessel and confiscated or spoiled during the period of detention; and

(3) Up to 50 percent of the vessel's gross income lost as a direct result of the seizure and detention.

(c) The exceptions are that no payment will be made from the Fund for a seizure which is:

(1) Covered by any other provision of law (for example, fines, license fees, registration fees, or other direct charges payable under section 3 of the Act);

(2) Made by a country at war with the United States;

(3) In accordance with any applicable convention or treaty, if that treaty or

convention was made with the advice and consent of the Senate and was in force and effect for the United States and the seizing country at the time of the seizure;

(4) Which occurs before the guaranty agreement's effective date or after its termination;

(5) For which other sources of alternative reimbursement have not first been fully pursued (for example, the insurance coverage required by the agreement and valid claims under any law);

(6) For which material requirements of the guaranty agreement, the Act, or the program regulations have not been fully fulfilled; or

(7) In the view of the Department of State occurred because the seized vessel was undermining or diminishing the effectiveness of international conservation and management measures recognized by the United States, or otherwise contributing to stock conservation problems pending the establishment of such measures.

§33.8 Claim procedures.

(a) *Where and when to apply.* Claims must be submitted to the Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, Room 7820, U.S. Department of State, Washington, DC 20520-7818. Claims must be submitted within ninety (90) days after the vessel's release. Requests for extension of the filing deadline must be in writing and approved by the Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs.

(b) *Contents of claim.* All material allegations of a claim must be supported by documentary evidence. Foreign language documents must be accompanied by an authenticated English translation. Claims must include:

(1) The captain's sworn statement about the exact location and activity of the vessel when seized;

(2) Certified copies of charges, hearings, and findings by the government seizing the vessel;

(3) A detailed computation of all actual costs directly resulting from the seizure and detention, supported by receipts, affidavits, or other documenta-

tion acceptable to the Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs;

(4) A detailed computation of lost income claimed, including:

(i) The date and time seized and released;

(ii) The number of miles and running time from the point of seizure to the point of detention;

(iii) The total fishing time lost (explain in detail if lost fishing time claimed is any greater than the elapsed time from seizure to the time required after release to return to the point of seizure);

(iv) The tonnage of catch on board at the time of seizure;

(v) The vessel's average catch-per-day's fishing for the three calendar years preceding the seizure;

(vi) The vessel's average downtime between fishing trips for the three calendar years preceding the seizure; and

(vii) The price-per-pound for the catch on the first day the vessel returns to port after the seizure and detention unless there is a pre-negotiated price-per-pound with a processor, in which case the pre-negotiated price must be documented; and

(5) Documentation for confiscated, damaged, destroyed, or stolen equipment, including:

(i) The date and cost of acquisition supported by invoices or other acceptable proof of ownership; and

(ii) An estimate from a commercial source of the replacement or repair cost.

(c) *Burden of proof.* The claimant has the burden of proving all aspects of the claim, except in cases of dispute over the facts of the seizure where the claimant shall have the presumption that the seizure was eligible unless there is clear and convincing credible evidence that the seizure did not meet the eligibility standards of the Act.

§33.9 Amount of award.

(a) *Lost fishing time.* Compensation is limited to 50 percent of the gross income lost as a direct result of the seizure and detention, based on the value of the average catch-per-day's fishing during the three most recent calendar

years immediately preceding the seizure as determined by the Secretary, based on catch rates on comparable vessels in comparable fisheries. The compensable period for cases of seizure and detention not resulting in vessels confiscation is limited to the elapsed time from seizure to the time after release when the vessel could reasonably be expected to return to the point of seizure. The compensable period in cases where the vessel is confiscated is limited to the elapsed time from seizure through the date of confiscation, plus an additional period to purchase a replacement vessel and return to the point of seizure. In no case can the additional period exceed 120 days.

(1) Compensation for confiscation of vessels, where no buy-back has occurred, will be based on market value which will be determined by averaging estimates of market value obtained from as many vessel surveyors or brokers as the Secretary deems practicable;

(2) Compensation for capital equipment other than vessel, will be based on depreciated replacement cost;

(3) Compensation for expendable items and crew's belongings will be 50 percent of their replacement costs; and

(4) Compensation for confiscated catch will be for full value, based on the price-per-pound.

(b) *Fuel expense.* Compensation for fuel expenses will be based on the purchase price, the time required to run to and from the fishing grounds, the detention time in port, and the documented fuel consumption of the vessel.

(c) *Stolen or confiscated property.* If the claimant was required to buy back confiscated property from the foreign country, the claimant may apply for reimbursement of such charges under section 3 of the Act. Any other property confiscated is reimbursable from this Guaranty Fund. Confiscated property is divided into the following categories:

(1) Compensation for confiscation of vessels, where no buy-back has occurred, will be based on market value which will be determined by averaging estimates of market value obtained from as many vessel surveyors or brokers as the Secretary deems practicable;

(2) Compensation for capital equipment other than a vessel, will be based on depreciated replacement cost;

(3) Compensation for expendable items and crew's belongings will be 50 percent of their replacement cost; and

(4) Compensation for confiscated catch will be for full value, based on the price-per-pound.

(d) *Insurance proceeds.* No payments will be made from the Fund for losses covered by any policy of insurance or other provisions of law.

(f) *Appeals.* All determinations under this section are final and are not subject to arbitration or appeal.

§ 33.10 Payments.

The Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs, will pay the claimant the amount calculated under § 33.9. Payment will be made as promptly as practicable, but may be delayed pending the appropriation of sufficient funds, should fee collections not be adequate to sustain the operation of the Fund. The Director shall notify the claimant of the amount approved for payment as promptly as practicable and the same shall thereafter constitute a valid, but non-interest bearing obligation of the Government. Delays in payments are not a direct consequence of seizure and detention and cannot therefore be construed as increasing the compensable period for lost fishing time. If there is a question about distribution of the proceeds of the claim, the Director may request proof of interest from all parties, and will settle this issue.

§ 33.11 Records.

The Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific Affairs will have the right to inspect claimants' books and records as a precondition to approving claims. All claims must contain written authorization of the guaranteed party for any international, federal, state, or local governmental Agencies to provide the Office Director, Office of Marine Conservation, Bureau of Oceans and International Environmental and Scientific

§ 33.12

Affairs any data or information pertinent to a claim.

§ 33.12 Penalties.

Persons who willfully make any false or misleading statement or representation to obtain compensation from the Fund are subject to criminal prosecution under 22 U.S.C. 1980(g). This provides penalties up to \$25,000 or imprisonment for up to one year, or both. Any evidence of criminal conduct will be promptly forwarded to the United States Department of Justice for action. Additionally, misrepresentation, concealment, or fraud, or acts intentionally designed to result in seizure, may void the guaranty agreement.

Subpart A—General Provisions

§ 34.1 Purpose.

These regulations prescribe the procedures to be used by the United States Department of State (STATE) in the collection of claims owed to STATE and to the United States.

§ 34.2 Scope.

(a) Applicability of Federal Claims Collection Standards (FCCS). Except as set forth in this part or otherwise provided by law, STATE will conduct administrative actions to collect claims (including offset, compromise, suspension, termination, disclosure and referral) in accordance with the FCCS of the General Accounting Office and Department of Justice, 4 CFR parts 101–105.

(b) This part is not applicable to:

(1) Claims against any foreign country or any political subdivision thereof, or any public international organization.

(2) Claims where the STATE Comptroller or his designee determines that the achievement of the purposes of any provision of law administered by STATE require a different course of action.

§ 34.3 Definitions.

(a) A *debt* or *claim* refers to an amount of money which has been determined to be owed to the United States from any person, organization or entity, except another Federal Agency. A debtor's liability arising from a particular contract or transaction shall be considered a single claim for purposes of the monetary ceilings of the FCCS.

(b) *Delinquent* means a debt that has not been paid by the date specified in STATE's written notification or applicable contractual agreement, unless other satisfactory arrangements have been made by that date, or that has not been in accordance with a payment agreement with STATE.

Department of State

§ 34.8

(c) *Disposable pay* means the amount that remains from an employee's Federal pay after required deductions for Federal, State and local income taxes; Social Security taxes, including Medicare taxes; Federal retirement programs; premiums for life and health insurance benefits and such other deductions that are required by law to be withheld including garnishments.

§ 34.4 Interest, penalty, and administrative charges.

(a) Except as otherwise provided by statute, contract or excluded in accordance with FCCS, STATE will assess:

(1) Interest on unpaid claims in accordance with existing Treasury rules and regulations.

(2) Penalty charges at 6 percent a year on any portion of a claim that is delinquent for more than 90 days.

(3) Administrative charges to cover the costs of processing and calculating delinquent claims.

(4) Late payment charges shall be computed from the date of mailing or hand delivery of the notice of the claim and interest requirements.

(5) When a debt is paid in partial or installment payments, amounts received shall be applied first to outstanding penalty and administrative cost charges, second to accrued interest, and then to outstanding principal.

(6) Waiver. STATE shall consider waiver of interest, penalty charges and/or administrative charges in accordance with the FCCS, 4 CFR 102.13(g).

§ 34.5 Exceptions.

(a) Claims arising from the audit of transportation accounts pursuant to 31 U.S.C. 3726 shall be determined, collected, compromised, terminated, or settled in accordance with the regulations published under 31 U.S.C. 3726 (see 41 CFR part 101-41).

(b) Claims arising out of acquisition contracts subject to the Federal Acquisition Regulation (FAR) shall be determined, collected, compromised, terminated, or settled in accordance with those regulations (see 48 CFR part 32).

(c) Claims based in whole or in part on conduct in violation of the antitrust laws, or in regard to which there is an indication of fraud, presentation of a false claim, or misrepresentation on

the part of the debtor or any other party having an interest in the claim, shall be referred to the Department of Justice for compromise, suspension, or termination of collection action.

(d) Tax claims are excluded from the coverage of this regulation.

§ 34.6 Use of procedures.

Procedures authorized by this regulation (including but not limited to referral to a debt collection agency, administrative offset, or salary offset) may be used singly or in combination.

§ 34.7 Other procedures or actions.

(a) Nothing contained in this regulation is intended to require STATE to duplicate administrative proceedings required by contract or other laws or regulations.

(b) Nothing in this regulation is intended to preclude utilization of informal administrative actions or remedies which may be available.

(c) Nothing contained in this regulation is intended to deter STATE from demanding the return of specific property or from demanding the return of the property or the payment of its value.

(d) The failure of STATE to comply with any provision in this regulation shall not serve as defense to the debt.

Subpart B—Administrative Offset and Referral to Collection Agencies

§ 34.8 Demand for payment.

(a) A total of three progressively stronger written demands at approximately 30-day intervals will normally be made, unless a response or other information indicates that additional written demands would either be unnecessary or futile. When necessary to protect the Government's interest, written demand may be preceded by other appropriate actions under the FCCS, including immediate referral for litigation and/or offset.

(b) The initial written demand for payment shall inform the debtor of:

(1) The basis of the claim;

(2) The amount of the claim;

(3) The date when payment is due 30-days from the date of mailing or hand

delivery of the initial demand for payment;

(4) The provision for late payment (interest), penalty and administrative charges, if payment is not received by the due date.

§34.9 Collection by administrative offset.

(a) Offset will be used whenever feasible and not otherwise prohibited. Offset is not required to be used in every instance and consideration should be given to the debtor's financial condition and the impact of offset on STATE programs or projects.

(b) The procedures for offset in this section do not apply to the offset of Federal salaries under 5 U.S.C. 5514.

(c) Before offset is made, STATE will provide the debtor with written notice informing the debtor of:

(1) The nature and amount of the claim;

(2) The intent of STATE to collect by administrative offset, including asking the assistance of other Federal agencies to help in the offset whenever possible, if the debtor has not made payment by the payment due date or has not made an arrangement for payment by the payment due date;

(3) The right of the debtor to inspect and copy STATE's records of the claim;

(4) The right of the debtor to a review of the claim within STATE. If the claim is disputed in full or part, the debtor shall respond to the demand in writing by making a request by the payment due date stated within the notice to the billing office for a review of the claim within STATE. The debtor's written response shall state the basis for the dispute. If only part of the claim is disputed, the undisputed portion must be paid by the date stated in the notice to avoid late payment, penalty and administrative charges. If STATE either sustains or amends its determination, it shall notify the debtor of its intent to collect the claim, with any adjustments based on the debtor's response by administrative offset unless payment is received within 30-days of the mailing of the notification of its decision following a review of the claim.

(5) The right of the debtor to offer to make a written agreement to repay the amount of the claim.

(6) The notice of offset need not include the requirements of paragraphs (c) (3), (4), or (5) of this section if the debtor has been informed of the requirements at an earlier stage in the administrative proceedings, e.g., if they were included in a final contracting officer's decision.

(d) STATE will promptly make requests for offset to other agencies known to be holding funds payable to a debtor and, when appropriate, place the name of the debtor on the "List of Contractors Indebted to the United States". STATE will provide instructions for the transfer of funds.

(e) STATE will promptly process requests for offset from other agencies and transfer funds to the requesting agency upon receipt of the written certification that the person owes the debt and that, if a Federal employee, the employee has been given the procedural rights required by 5 USC 5514 and 5 CFR part 550, subpart K.

§34.10 Administrative offset against amounts payable for Civil Service Retirement and Disability Fund.

(a) Unless otherwise prohibited by law, STATE may request that monies that are due and payable to a debtor from the Civil Service Retirement and Disability Fund, Federal Employee Retirement Fund, or the Foreign Service Retirement Fund be administratively offset in reasonable amounts in order to collect in one full payment or a minimal number of payments, debts owed the United States by the debtor. Such requests shall be made to the appropriate officials of the respective fund servicing agency in accordance with such regulations as may be prescribed by the Director of that agency.

(b) When making a request for administrative offset under paragraph (a) of this section, STATE shall include written statements that:

(1) The debtor owes the United States a debt, including the amount of the debt.

(2) STATE has complied with the applicable statutes, regulations, and procedures of the respective fund servicing agencies.

(3) STATE has complied with the requirements of § 34.9 of this part.

(c) Once STATE decides to request offset under paragraph (a) of this section, it will make the request as soon as practical after completion of the applicable procedures in order that the fund servicing agency may identify the debtor's account in anticipation of the time when the debtor requests or becomes eligible to receive payments from the fund. This will satisfy any requirements that offset will be initiated prior to expiration of the applicable statute of limitations.

(d) If STATE collects part or all of the debt by other means before deductions are made or completed pursuant to paragraph (a) of this section, STATE shall act promptly to modify or terminate its request for offset under paragraph (a) of this section.

(e) This section does not require or authorize the fund servicing agency to review the merits of the STATE determination relative to the amount and validity of the debt, its determination on waiver under an applicable statute, or its determination whether to provide an oral hearing.

§ 34.11 Collection in installments.

Whenever feasible, and except as required otherwise by law, debts owed to the United States, together with interest, penalties, and administrative costs as required by this regulation, should be collected in one lump sum. This is true whether the debt is being collected under administrative offset or by another method, including voluntary payment. However, if the debtor is financially unable to pay the indebtedness in one lump sum, payment may be accepted in regular installments. If STATE agrees to accept payment in installments, it will obtain a legally enforceable written agreement from the debtor that specifies all of the terms of the arrangement and which contains a provision accelerating the debt in the event the debtor defaults. The size and frequency of the payments should bear a reasonable relation to the size of the debt and ability of the debtor to pay. If possible the installment payments should be sufficient in size and frequency to liquidate the Government's claim within 3 years.

§ 34.12 Exploration of compromise.

STATE may attempt to effect compromise in accordance with the standards set forth in part 103 of the FCCS (4 CFR part 103).

§ 34.13 Suspending or terminating collection action.

The suspension or termination of collection action shall be made in accordance with the standards set forth in part 104 of the FCCS (4 CFR part 104).

§ 34.14 Referrals to the Department of Justice or the General Accounting Office.

Referrals to the Department of Justice or the General Accounting Office shall be made in accordance with the standards set forth in part 105 of the FCCS (4 CFR part 105).

§ 34.15 Collection services.

(a) STATE has authority to contract for collection services to recover delinquent debts in accordance with 31 U.S.C. 3718(c) and part 102 of the FCCS (4 CFR part 102).

(b) STATE may disclose delinquent debts, other than delinquent debts of current Federal employees, to consumer reporting agencies in accordance with 31 U.S.C. 3711(f) and the FCCS.

(c) STATE will not use a collection agency to collect a debt owed by a currently employed or retired Federal employee, if collection by salary or annuity offset is available.

Subpart C—Salary Offset

§ 34.16 Scope.

(a) This subpart sets forth STATE's procedures for the collection of a Federal employee's pay by salary offset to satisfy certain valid and past due debts owed the United States Government.

(b) This subpart applies to:

(1) Current employees of STATE and other agencies who owe debts to STATE;

(2) Current employees of STATE who owe debts to other agencies.

(c) This subpart does not apply to debts or claims arising under the Internal Revenue Code of 1954 (26 U.S.C. 1 *et seq.*); the Social Security Act (42 U.S.C.

301 *et seq.*); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g. travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(d) This subpart does not apply to any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay or ministerial adjustments in pay, if the amount to be recovered was accumulated over four pay periods or less.

(e) These regulations do not preclude an employee from:

(1) Requesting waiver of erroneous payment of salary, travel, transportation or relocation expense and allowances;

(2) Requesting waiver of any other type of debt, if waiver is available by statute; or

(3) Questioning the amount or validity of a debt by submitting a subsequent claim to the General Accounting Office.

(f) Nothing in these regulations precludes the compromise, suspension or termination of collection actions where appropriate under subpart A or other regulations.

§ 34.17 Coordinating offset with another federal agency.

(a) When STATE is owed a debt by an employee of another agency, the other agency shall not initiate the requested offset until STATE provides the agency with a written certification that the debtor owes STATE a debt (including the amount and basis of the debt and the due date of payment) and that STATE has complied with these regulations.

(b) When another agency is owed the debt, STATE may use salary offset against one of its employees who is indebted to another agency, if requested to do so by that agency. Such request must be accompanied by a certification that the person owes the debt (including the amount and basis of the debt and the due date of payment) and that the agency has complied with its regulations as required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

§ 34.18 Notice requirements before offset.

Except as provided in § 34.16, salary offset deductions will not be made unless STATE first provides the employee with a written notice that he/she owes a debt to the Federal Government at least 30 calendar days before salary offset is to be initiated. When STATE is the creditor agency, this notice of intent to offset an employee's salary shall be hand-delivered or sent by certified mail to the most current address that is available to the Department and will state:

(a) That STATE has reviewed the records relating to the debt and has determined that the debt is owed, its origin and nature, and the amount due;

(b) The intention of STATE to collect the debt by means of deduction from the employee's current disposable pay until the debt and all accumulated interest are paid in full;

(c) The amount, frequency, approximate beginning date, and duration of the intended deductions;

(d) The requirement to assess and collect interest, penalties, and administrative costs, or waiver are in accordance with § 34.4, unless excused in accordance with § 34.4(a)(6);

(e) The employee's right to inspect and copy any STATE records relating to the debt, or, if the employee or their representative cannot personally inspect the records, to request and receive a copy of such records;

(f) The opportunity (under terms agreeable to STATE) to enter into a written agreement establishing a repayment schedule of the debt in lieu of offset;

(g) The right to a hearing conducted by an official (administrative law judge or a hearing official not under the control of STATE) with respect to the existence of the debt, the amount of the debt, or the repayment schedule (i.e. the percentage of disposable pay to be deducted each pay period), so long as a request for a hearing is filed by the employee as prescribed in § 34.19;

(h) That the timely filing of a request for hearing within 30 calendar days after receipt of the notice of intent to offset will stay the commencement of collection proceedings;

Department of State

§ 34.20

(i) That the Department will initiate procedures to implement a salary offset, as appropriate, (which may not exceed 15 percent of the employee's disposable pay) not less than thirty (30) days from the date of receipt of the notice of debt, unless the employee files a timely petition for a hearing;

(j) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the request for a hearing unless the employee requests and the hearing official grants a delay in the proceedings;

(k) That any knowingly false or frivolous statements, representation, or evidence may subject the employee to disciplinary procedures (5 U.S.C. Chapter 75, 5 CFR part 752 or other applicable statutes or regulations); penalties (31 U.S.C. 3729-3731 or other applicable statutes or regulations); or criminal penalties (18 U.S.C. 286, 287, 1001, and 1002 or other applicable statutes or regulations);

(l) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(m) That the amounts paid on or deducted from the debt which are later waived or found not owed to the United States will be promptly refunded to the employee, unless there are applicable contractual or statutory provisions to the contrary;

(n) The method and time period for requesting a hearing; and

(o) The name and address of the STATE official to whom communications should be directed.

[54 FR 13365, Apr. 3, 1989; 54 FR 28416, July 16, 1989]

§ 34.19 Request for a hearing.

(a) Except as provided in paragraph (c) of this section, an employee must file a request for a hearing that is received by STATE not later than 30 calendar days from the date of STATE's notice described in § 34.18 if an employee wants a hearing concerning:

(1) The existence or amount of the debt; or

(2) STATE's proposed offset schedule.

(b) The request must be signed by the employee and should identify and ex-

plain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position. If the employee objects to the percentage of disposable pay to be deducted from each check, the request should state the objection and the reasons for it.

(c) The employee must also specify whether an oral or paper hearing is requested. If an oral hearing is desired, the request should explain why the matter cannot be resolved by review of the documentary evidence alone.

(d) If the employee files a request for hearing later than the required 30 calendar days as described in paragraph (a) of this section, the hearing officer may accept the request if the employee can show that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the filing deadline (unless the employee has actual notice of the filing deadline).

(e) An employee waives the right to a hearing and will have his or her disposable pay offset if the employee fails to file a petition for a hearing as prescribed in paragraph (a) of this section or fails to appear at the scheduled hearing.

§ 34.20 Hearings.

(a) If an employee timely files a request for a hearing under § 34.19, STATE shall select the time, date, and location of the hearing.

(b) Hearings shall be conducted by a hearing official not under the control or authority of STATE.

(c) Procedure.

(1) After the employee requests a hearing, the hearing official or administrative law judge shall notify the employee of the form of the hearing to be provided. If the hearing will be oral, notice shall set forth the date, time and location of the hearing. If the hearing will be paper, the employee shall be notified that he or she should submit arguments in writing to the hearing official or administrative law judge by a specified date after which the record shall be closed. This date shall give the employee reasonable time to submit documentation.

(2) *Oral hearing.* An employee who requests an oral hearing shall be provided an oral hearing if the hearing official or administrative law judge determines that the matter cannot be resolved by review of documentary evidence alone (e.g. when an issue of credibility or veracity is involved). The hearing is not an adversarial adjudication, and need not take the form of an evidentiary hearing. Oral hearings may take the form of, but are not limited to:

(i) Informal conferences with the hearing official or administrative law judge, in which the employee and agency representative will be given full opportunity to present evidence, witnesses, and argument;

(ii) Informal meetings with an interview of the employee; or

(iii) Formal written submissions, with an opportunity for oral presentation.

(3) *Paper hearing.* If the hearing official or administrative law judge determines that an oral hearing is not necessary, he or she will make the determination based upon a review of the available written record (5 U.S.C. 5514).

(4) *Record.* The hearing official must maintain a summary record of any hearing provided by this subpart. See 4 CFR 102.3. Witnesses who testify in oral hearings will do so under oath or affirmation.

(5) *Content of decision.* The written decision shall include:

(i) A statement of the facts presented to support the origin, nature, and amount of the debt;

(ii) The hearing official's findings, analysis, and conclusions; and

(iii) The terms of any repayment schedules, if applicable.

(6) *Failure to appear.* In the absence of good cause shown (e.g. excused illness), an employee who fails to appear at a hearing shall be deemed, for the purpose of this subpart, to admit the existence and amount of the debt as described in the notice of intent. The hearing official shall schedule a new hearing date upon the request of the creditor agency representative when good cause is shown. Both parties shall

be given reasonable notice of the time and place of the new hearing.

[54 FR 13365, Apr. 3, 1989; 54 FR 28416, July 16, 1989]

§ 34.21 Review of STATE records related to the debt.

(a) *Notification by employee.* An employee who intends to inspect or copy agency records related to the debt must send a letter to the official designated in § 34.18(o) stating his or her intention. The letter must be received by STATE within 30 calendar days after receipt of the notice of intent to offset.

(b) *STATE's response.* In response to a timely notice submitted by the debtor as described in paragraph (a) of this section, STATE will notify the employee of the location and time when the employee may inspect and copy STATE records related to the debt.

§ 34.22 Written agreement to repay as alternative to salary offset.

(a) *Notification by employee.* The employee may propose, in response to the notice of intent to offset, a written agreement to repay the debt as an alternative to salary offset. The proposal shall admit the existence of the debt and set forth a proposed repayment schedule. Any employee who wishes to do this must submit a proposed written agreement to repay the debt which is received by STATE within 30 calendar days of the notice.

(b) *STATE's response.* STATE will notify the employee whether the proposed written agreement for repayment is acceptable. It is within STATE's discretion to accept a repayment agreement instead of proceeding by offset.

(c) *Procedures.* If the employee and STATE enter into a written agreement to repay instead of salary offset, the debt will be repaid in accordance with the agreement provisions and the procedures of § 34.23 will not apply.

§ 34.23 Procedures for salary offset.

Unless STATE agrees and regulations do not provide otherwise, the following procedures apply:

(a) *Method.* Salary offset will be made by deduction at one or more officially

established pay intervals from the current pay account of the employee without his or her consent.

(b) *Source.* The source of salary offset is current disposable pay which is that part of current basic pay, special pay, retainer pay, or in the case of an employee not entitled to pay, other authorized pay remaining after the deduction of any amount required by law to be withheld.

(c) *Types of collection*—(1) *Lump sum payment.* Ordinarily debts will be collected by salary offset in one lump sum if possible. However, if the employee is financially unable to pay in one lump sum or the amount of the debt exceeds 15 percent of disposable pay for an officially established pay interval, the collection by salary offset must be made in installment deductions.

(2) *Installment deductions.* (i) The size of installment deductions must bear a reasonable relation to the size of the debt and the employee's ability to pay. If possible the size of the deduction will be that necessary to liquidate the debt in no more than 1 year. However, the amount deducted for any period must not exceed 15 percent of the disposable pay from which the deduction is made, except as provided by other regulations or unless the employee has agreed in writing to a greater amount.

(ii) Installment payments of less than \$25 per pay period will be accepted only in the most unusual circumstances.

(iii) Installment deductions will be made over a period of not greater than the anticipated period of employment.

(d) *When deductions may begin.* (1) Salary offset will begin on the date stated in the notice as provided in § 34.18, unless a hearing is requested.

(2) If there has been a timely request for a hearing, salary offset will begin as of the date stated in the written decision.

(e) *Additional offset provisions*—(1) *Liquidation from final check.* If employment ends before salary offset is completed, the remaining debt will be liquidated by offset from payment of any nature due the employee from STATE (e.g. final salary payment, lump-sum leave, etc.).

(2) *Offset from other payments.* If the debt cannot be liquidated by offset

from any final check, the remaining debt will be liquidated by offset from later payments of any kind due the former employee from the United States, inclusive of retirement or disability funds pursuant to § 34.10 of this regulation.

§ 34.24 Non-waiver of rights by payments.

So long as there are no statutory or contractual provision to the contrary, no employee payment (of all or a portion of a debt) collected under this subpart will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514.

§ 34.25 Refunds.

(a) STATE will refund promptly to the appropriate individual amounts offset under this regulation when:

(1) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or

(2) STATE is directed by an administrative or judicial order to make a refund.

(b) Refunds do not bear interest unless required or permitted by law or contract.

§ 35.7

(c) Nothing in this section shall preclude or limit an investigating official's discretion to refer allegations directly to the Department of Justice for suit under the False Claims Act or other civil relief, or to preclude or limit such official's discretion to defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution.

§ 35.5 Review by the reviewing official.

(b) Such notice shall include—

(2) In the case of allegations of liability under § 35.3(a) with respect to a claim, the reviewing official determines that, with respect to such claim or a group of related claims submitted at the same time such claim is submitted (as defined in paragraph (b) of this section), the amount of money or the value of property or services demanded or requested in violation of § 35.3(a) does not exceed \$150,000.

(b) For purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand or submission.

(c) Nothing in this section shall be construed to limit the reviewing official's authority to join in a single complaint against a person's claims that are unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

§ 35.7 Complaint.

(a) On or after the date the Department of Justice approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the defendant, as provided in § 35.8.

(2) The maximum amount of penalties and assessments for which the defendant may be held liable;

(3) Instructions for filing an answer to request a hearing, including a specific statement of the defendant's right to request a hearing by filing an answer and to be represented by a representative; and

(4) That failure to file an answer within 30 days of service of the complaint will result in the imposition of the maximum amount of penalties and

assessments without right to appeal, as provided in § 35.10.

(c) At the same time the reviewing official serves the complaint, he or she shall serve the defendant with a copy of these regulations.

§ 35.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure. Service is complete upon receipt.

(b) Proof of service, stating the name and address of the person on whom the complaint was served, and the manner and date of service, may be made by—

(1) Affidavit of the individual serving the complaint by delivery;

(2) A United States Postal Service return receipt card acknowledging receipt;

(3) Written acknowledgment of receipt by the defendant or his or her representative; or

(4) In case of service abroad authenticated in accordance with the Convention on the Service Abroad of Judicial and Extra Judicial Documents in Civil or Commercial Matters.

§ 35.9 Answer.

(a) The defendant may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer shall be deemed to be a request for hearing.

(b) In the answer, the defendant—

(1) Shall admit or deny each of the allegations of liability made in the complaint;

(2) Shall state any defense on which the defendant intends to rely;

(3) May state any reasons why the defendant contends that the penalties and assessments should be less than the statutory maximum; and

(4) Shall state the name, address and telephone number of the person authorized by the defendant to act as defendant's representative, if any.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided, the defendant may, before the expiration of 30 days from service of the complaint, file with the

reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section. The reviewing official shall file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in § 35.10. For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section.

§ 35.10 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in § 35.9(a), the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on defendant in the manner prescribed in § 35.8, a notice that an initial decision will be issued under this section.

(c) If the defendant fails to answer, the ALJ shall assume the facts alleged in the complaint to be true, and, if such facts established liability under § 35.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final and binding upon the parties 30 days after it was issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ's decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision

Department of State

§ 35.15

has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant's motion under paragraph (e) of this section is not subject to reconsideration under § 35.38.

(h) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(i) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(j) The authority head shall decide expeditiously whether extraordinary circumstances excuse the defendant's failure to file a timely answer based solely on the record before the ALJ.

(k) If the authority head decides that extraordinary circumstances excused the defendant's failure to file a timely answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the authority head decides that the defendant's failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 35.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 35.12 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ shall promptly serve a notice of hearing upon the defendant in the manner prescribed by § 35.8. At the same time, the ALJ shall send a copy of such notice to the representative for the Authority.

No party or person (except employees of the ALJ's office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. (c) Such motion and affidavit shall be filed promptly upon the party's discovery of reasons requiring disqualification, or such objects shall be deemed waived.

(d) Such affidavit shall state specific facts that support the party's belief that personal bias or other reason for disqualification exists and the time and circumstances of the party's discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f) If the ALJ—

(1) Determines that a reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice;

(2) Disqualifies himself or herself, the case shall be reassigned promptly to another ALJ; or

(3) Denies a motion to disqualify, the authority head may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(e) The party seeking the subpoena shall serve it in the manner prescribed in § 35.8. A subpoena on a party or upon an individual under the control of a party may be served within the United States by first class mail.

(f) A party or the individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena within ten days after service or on or before the time specified in the subpoena for compliance if it is less than ten days after service.

§ 35.24 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or

with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

- (1) That the discovery not be had;
- (2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;
- (3) That the discovery may be had only through a method of discovery other than that requested;
- (4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;
- (5) That discovery be conducted with no one present except persons designated by the ALJ;
- (6) That the contents of discovery or evidence be sealed;
- (7) That a deposition after being sealed be opened only by order of the ALJ;
- (8) That a trade secret or other confidential research, development, commercial information, classified material, or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or
- (9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§35.25 Fees.

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the authority, a check for witness fees and mileage need not accompany the subpoena.

§35.26 Form, filing and service of papers.

(a) *Form.* (1) Documents filed with the ALJ shall include an original and two copies.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, a designation of the paper (e.g., motion to quash subpoena), and shall be in English or accompanied by an English translation.

(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof that the document was sent by certified or registered mail.

(b) *Service.* A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than the complaint or notice of hearing, shall be made by delivering or mailing a copy to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(c) *Proof of service.* A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§35.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government

shall be excluded from the computation.

(c) Where a document has been served or issued by mail, or by airmail abroad, an additional five days will be added to the time permitted for any response.

§ 35.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 35.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for—

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may—

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 35.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under § 35.3 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall prove defendant's liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 35.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible

costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (*i.e.*, the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant's practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant's sophistication with respect to it, including the extent of the defendant's prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a state, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 35.32 Location of hearing.

(a) The hearing may be held—

(1) In any judicial district of the United States in which the defendant resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place within the United States as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 35.33 Witnesses.

(a) Except as provided in paragraph

(b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts

shall be exchanged as provided in § 35.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence in order to make—

(1) The interrogation and presentation effective for the ascertainment of the truth;

(2) To avoid needless consumption of time; and

(3) To protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 35.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided herein, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, *e.g.*, to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is classified or otherwise privileged under Federal law.

(f) Evidence concerning offers or compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to § 35.24.

§ 35.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 35.24.

§ 35.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 35.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which

shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions thereof, violate § 35.3; and

(2) If the person is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors that he or she finds in the case, such as those described in § 35.31.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all defendants with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head. If the ALJ fails to meet the deadline contained in this paragraph, he or she shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the authority head, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 35.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail within the United States, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration of the initial decision, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the authority head in accordance with § 35.39.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the authority head in accordance with § 35.39.

§ 35.39 Appeal to authority head.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the authority head by filing a notice of appeal with the authority head in accordance with this section.

(b)(1) No notice of appeal may be filed until the time period for filing a motion for reconsideration under § 35.38 has expired.

(2) If a motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The authority head may extend the initial 30-day period for an additional 30 days if the defendant files with the authority head a request for an extension within the initial 30-day period and shows good cause.

(c) If the defendant files a timely notice of appeal with the authority head and the time for filing motions for reconsideration under § 35.38 has expired,

the ALJ shall forward the record of the proceeding to the authority head.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Government may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the authority head.

(g) There is no right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the authority head shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the authority head that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the authority head shall remand the matter to the ALJ for consideration of such additional evidence.

(j) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment, determined by the ALJ in any initial decision.

(k) The authority head shall promptly serve each party to the appeal with a copy of the decision of the authority head and a statement describing the right of the defendant to seek judicial review.

(l) Unless a petition for review is filed as provided in 31 U.S.C. 3805 after a defendant has exhausted all administrative remedies under this part and within 60 days after the date on which the authority head serves the defendant with a copy of the authority head's decision, a determination that a defendant is liable under § 35.3 is final and is not subject to judicial review.

§ 35.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the authority head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the authority head shall stay the process immediately. The authority head may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 35.41 Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the authority head.

(b) No administrative stay is available following a final decision of the authority head.

§ 35.42 Judicial review.

Section 3805 of title 31, United States Code, authorizes judicial review by an appropriate United States District Court of a final decision of the authority head imposing penalties or assessments under this part and specifies the procedures for such review.

§ 35.43 Collection of civil penalties and assessments.

Sections 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this part and specify the procedures for such actions.

§ 35.44 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under § 35.42 or § 35.43, or any amount agreed upon in a compromise or settlement under § 35.46, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under this subsection against a refund of an overpayment of federal taxes, then or later

owing by the United States to the defendant.

§ 35.45 Deposit in Treasury of United States.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

§ 35.46 Compromise or settlement.

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.

(c) The authority head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under § 35.42 or during the pendency of any action to collect penalties and assessments under § 35.43.

(d) The Attorney General has exclusive authority to compromise or settle a case under this part during the pendency of any review under § 35.42 or of any action to recover penalties and assessments under 31 U.S.C. 3806.

(e) The investigating official may recommend settlement terms to the reviewing official, the authority head, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the authority head, or the Attorney General, as appropriate.

(f) Any compromise or settlement must be in writing.

§ 35.47 Limitations.

(a) The notice of hearing with respect to a claim or statement must be served in the manner specified in § 35.8 within six years after the date on which such claim or statement is made.

(b) If the defendant fails to file a timely answer, service of notice under § 35.10(b) shall be deemed a notice of hearing for purposes of this section.

(c) The statute of limitations may be extended by agreement of the parties.

Subpart M—Waiver of Ground of Ineligibility

AUTHORITY: 8 U.S.C. 1104.

SOURCE: 56 FR 30422, July 2, 1991, unless otherwise noted.

Subpart A—General Provisions

§ 40.1 Definitions.

The following definitions supplement definitions contained in the Immigration and Nationality Act (INA). As used in these regulations, the term:

(a) *Accompanying or accompanied by* means not only an alien in the physical company of a principal alien but also an alien who is issued an immigrant visa within 4 months of either the date of issuance of a visa to, or the date of adjustment of status in the United States of, the principal alien, or the date on which the principal alien personally appears and registers before a consular officer abroad to confer alternate foreign state chargeability or immigrant status upon a spouse or child. An “accompanying” relative may not precede the principal alien to the United States.

(b) *Act* means the Immigration and Nationality Act (or INA), as amended.

(c) *Competent officer*, as used in INA 101(a)(26), means a “consular officer” as defined in INA 101(a)(9).

(d) *Consular officer*, as defined in INA 101(a)(9) includes commissioned consular officers and the Deputy Assistant Secretary for Visa Services, and such other officers as the Deputy Assistant Secretary may designate for the purpose of issuing nonimmigrant and immigrant visas, but does not include a consular agent, an attaché or an assistant attaché. For purposes of this regulation, the term “other officers” includes civil service visa examiners employed by the Department of State for duty at visa-issuing offices abroad, upon certification by the chief of the consular section under whose direction such examiners are employed that the examiners are qualified by knowledge and experience to perform the functions of a consular officer in the issuance or refusal of visas. The designation of visa examiners shall expire

upon termination of the examiners’ employment for such duty and may be terminated at any time for cause by the Deputy Assistant Secretary. The assignment by the Department of any foreign service officer to a diplomatic or consular office abroad in a position administratively designated as requiring, solely, partially, or principally, the performance of consular functions, and the initiation of a request for a consular commission, constitutes designation of the officer as a “consular officer” within the meaning of INA 101(a)(9).

(e) *Department* means the Department of State of the United States of America.

(f) *Dependent area* means a colony or other component or dependent area overseas from the governing foreign state, natives of which are subject to the limitation prescribed by INA 202(c).

(g) *Documentarily qualified* means that the alien has reported that all the documents specified by the consular officer as sufficient to meet the requirements of INA 222(b) have been obtained, and that necessary clearance procedures of the consular office have been completed. This term shall be used only with respect to the alien’s qualification to apply formally for an immigrant visa; it bears no connotation that the alien is eligible to receive a visa.

(h) *Entitled to immigrant classification* means that the alien:

(1) Is the beneficiary of an approved petition granting immediate relative or preference status;

(2) Has satisfied the consular officer as to entitlement to special immigrant status under INA 101(a)(27) (A) or (B);

(3) Has been selected by the annual selection system to apply under INA 203(c); or

(4) Is an alien described in § 40.51(c).

(i) With respect to alternate chargeability pursuant to INA 202(b), the term “foreign state” is not restricted to those areas to which the numerical limitation prescribed by INA 202(a) applies but includes dependent areas, as defined in this section.

(j) *INA* means the Immigration and Nationality Act, as amended.

(k) *INS* means the Immigration and Naturalization Service.

(l) *Native* shall mean born within the territory of a foreign state, or entitled to be charged for immigration purposes to that foreign state pursuant to section 202(b) of the Immigration and Nationality Act, as amended.

(m) *Not subject to numerical limitation* means that the alien is entitled to immigrant status as an immediate relative within the meaning of INA 201(b)(2)(i), or as a special immigrant within the meaning of INA 101(a)(27)(A) and (B), unless specifically subject to a limitation other than under INA 201(a), (b), or (c).

(n) *Parent, father, and mother*, as defined in INA 101(b)(2), are terms which are not changed in meaning if the child becomes 21 years of age or marries.

(o) *Port of entry* means a port or place designated by the Commissioner of Immigration and Naturalization at which an alien may apply to INS for admission into the United States.

(p) *Principal alien* means an alien from whom another alien derives a privilege or status under the law or regulations.

(b) *Former Nationals of the United States*. A former national of the United States who seeks to enter the United States must comply with the documentary requirements applicable to aliens under the INA.

An immigrant or nonimmigrant seeking to enter an area which is under U.S. administration but which is not within the “United States”, as defined in INA 101(a)(38), is not required by the INA to be documented with a visa unless the authority contained in INA 215 has been invoked.

§ 40.4 Furnishing records and information from visa files for court proceedings.

Upon receipt of a request for information from a visa file or record for use in court proceedings, as contemplated in INA 222(f), the consular officer must, prior to the release of the information, submit the request together with a full report to the Department.

§ 40.6 Basis for refusal.

A visa can be refused only upon a ground specifically set out in the law or implementing regulations. The term “reason to believe”, as used in INA 221(g), shall be considered to require a determination based upon facts or circumstances which would lead a reasonable person to conclude that the applicant is ineligible to receive a visa as provided in the INA and as implemented by the regulations. Consideration shall be given to any evidence submitted indicating that the ground for a prior refusal of a visa may no longer exist. The burden of proof is upon the applicant to establish eligibility to receive a visa under INA 212 or any other provision of law or regulation.

Subpart B—Medical Grounds of Ineligibility

§ 40.11 Medical grounds of ineligibility.

(a) *Decision on eligibility based on findings of medical doctor.* A finding of a panel physician designated by the post in whose jurisdiction the examination is performed pursuant to INA 212(a)(1) shall be binding on the consular officer, except that the officer may refer a panel physician finding in an individual case to USPHS for review.

(b) *Waiver of ineligibility—INA 212(g).* If an immigrant visa applicant is ineligible under INA 212(a)(1)(A) (i) or (ii) but is qualified to seek the benefits of INA 212(g), the consular officer shall inform the alien of the procedure for applying to INS for relief under that provision of law. A visa may not be issued to the alien until the consular officer has received notification from INS of the approval of the alien's application under INA 212(g).

§§ 40.12—40.19 [Reserved]

Subpart C—Criminal and Related Grounds—Conviction of Certain Crimes

§ 40.21 Crimes involving moral turpitude and controlled substance violators.

(a) *Crimes involving moral turpitude—*
(1) *Acts must constitute a crime under criminal law of jurisdiction where they occurred.* Before a finding of ineligibility under INA 212(a)(2)(A)(i)(I) may be made because of an admission of the commission of acts which constitute the essential elements of a crime involving moral turpitude, it must first be established that the acts constitute a crime under the criminal law of the jurisdiction where they occurred. A determination that a crime involves moral turpitude shall be based upon the moral standards generally prevailing in the United States.

(2) *Conviction for crime committed under age 18.* An alien shall not be ineligible to receive a visa under INA 212(a)(2)(A)(i)(I) by reason of any offense committed prior to the alien's fifteenth birthday. Nor shall an alien be ineligible to receive a visa under INA

212(a)(2)(A)(i)(I) by reason of any offense committed between the alien's fifteenth and eighteenth birthdays unless such alien was tried and convicted as an adult for a felony involving violence as defined in section 1(l) and section 16 of title 18 of the United States Code. An alien tried and convicted as an adult for a violent felony offense, as so defined, committed after having attained the age of fifteen years, shall be subject to the provisions of INA 212(a)(2)(A)(i)(I) regardless of whether at that time juvenile courts existed within the jurisdiction of the convictions.

(3) *Two or more crimes committed under age 18.* An alien convicted of a crime involving moral turpitude or admitting the commission of acts which constitute the essential elements of such a crime and who has committed an additional crime involving moral turpitude shall be ineligible under INA 212(a)(2)(A)(i)(I), even though the crimes were committed while the alien was under the age of 18 years.

(4) *Conviction in absentia.* A conviction in absentia of a crime involving moral turpitude does not constitute a conviction within the meaning of INA 212(a)(2)(A)(i)(I).

(5) *Effect of pardon by appropriate U.S. authorities/foreign states.* An alien shall not be considered ineligible under INA 212(a)(2)(A)(i)(I) by reason of a conviction of a crime involving moral turpitude for which a full and unconditional pardon has been granted by the President of the United States, by the Governor of a State of the United States, by the former High Commissioner for Germany acting pursuant to Executive Order 10062, or by the United States Ambassador to the Federal Republic of Germany acting pursuant to Executive Order 10608. A legislative pardon or a pardon, amnesty, expungement of penal record or any other act of clemency granted by a foreign state shall not serve to remove a ground of ineligibility under INA 212(a)(2)(A)(i)(I).

(6) *Political offenses.* The term "purely political offense", as used in INA 212(a)(2)(A)(i)(I), includes offenses that resulted in convictions obviously based on fabricated charges or predicated upon repressive measures against racial, religious, or political minorities.

(7) *Waiver of ineligibility—INA 212(h).* If an immigrant visa applicant is ineligible under INA 212(a)(2)(A)(i)(I) but is qualified to seek the benefits of INA 212(h), the consular officer shall inform the alien of the procedure for applying to INS for relief under that provision of law. A visa may not be issued to the alien until the consular officer has received notification from INS of the approval of the alien's application under INA 212(h).

(b) *Controlled substance violators—(1) Date of conviction not pertinent.* An alien shall be ineligible under INA 212(a)(2)(A)(i)(II) irrespective of whether the conviction for a violation of or for conspiracy to violate any law or regulation relating to a controlled substance, as defined in the Controlled Substance Act (21 U.S.C. 802), occurred before, on, or after October 27, 1986.

(2) *Waiver of ineligibility—INA 212(h).* If an immigrant visa applicant is ineligible under INA 212(a)(2)(A)(i)(II) but is qualified to seek the benefits of INA 212(h), the consular officer shall inform the alien of the procedure for applying to INS for relief under that provision of law. A visa may not be issued to the alien until the consular officer has received notification from INS of the approval of the alien's application under INA 212(h).

§ 40.22 Multiple criminal convictions.

(a) *Conviction(s) for crime(s) committed under age 18.* An alien shall not be ineligible to receive a visa under INA 212(a)(2)(B) by reason of any offense committed prior to the alien's fifteenth birthday. Nor shall an alien be ineligible under INA 212(a)(2)(B) by reason of any offense committed between the alien's fifteenth and eighteenth birthdays unless such alien was tried and convicted as an adult for a felony involving violence as defined in section 1(l) and section 16 of Title 18 of the United States Code. An alien, tried and convicted as an adult for a violent felony offense, as so defined, committed after having attained the age of fifteen years, and who has also been convicted of at least one other such offense or any other offense committed as an adult, shall be subject to the provisions of INA 212(a)(2)(B) regardless of whether at that time juvenile courts existed

within the jurisdiction of the conviction.

(b) *Suspended sentence.* A sentence to confinement that has been suspended by a court of competent jurisdiction is not one which has been "actually imposed" within the meaning of INA 212(a)(2)(B).

(c) *Conviction in absentia.* A conviction in absentia shall not constitute a conviction within the meaning of INA 212(a)(2)(B).

(d) *Effect of pardon by appropriate U.S. authorities/foreign states.* An alien shall not be considered ineligible under INA 212(a)(2)(B) by reason in part of having been convicted of an offense for which a full and unconditional pardon has been granted by the President of the United States, by the Governor of a State of the United States, by the former High Commissioner for Germany acting pursuant to Executive Order 10062, or by the United States Ambassador to the Federal Republic of Germany acting pursuant to Executive Order 10608. A legislative pardon or a pardon, amnesty, expungement of penal record or any other act of clemency granted by a foreign state shall not serve to remove a ground of ineligibility under INA 212(a)(2)(B).

(e) *Political offense.* The term "purely political offense", as used in INA 212(a)(2)(B), includes offenses that resulted in convictions obviously based on fabricated charges or predicated upon repressive measures against racial, religious, or political minorities.

(f) *Waiver of ineligibility—INA 212(h).* If an immigrant visa applicant is ineligible under INA 212(a)(2)(B) but is qualified to seek the benefits of INA 212(h), the consular officer shall inform the alien of the procedure for applying to INS for relief under that provision of law. A visa may not be issued to the alien until the consular officer has received notification from INS of the approval of the alien's application under INA 212(h).

§ 40.23 Controlled substance traffickers. [Reserved]

(1) The alien is coming to the United States solely, principally, or incidentally to engage in prostitution, or has engaged in prostitution, or the alien directly or indirectly procures or attempts to procure, or procured or attempted to procure or to import prostitutes or persons for the purposes of prostitution, or receives or received, in whole or in part, the proceeds of prostitution; and

(2) The alien has performed one of the activities listed in § 40.24(a)(1) within the last ten years.

(b) *Prostitution defined.* The term “prostitution” means engaging in promiscuous sexual intercourse for hire. A finding that an alien has “engaged” in prostitution must be based on elements of continuity and regularity, indicating a pattern of behavior or deliberate course of conduct entered into primarily for financial gain or for other considerations of material value as distinguished from the commission of casual or isolated acts.

(c) *Where prostitution not illegal.* An alien who is within one or more of the classes described in INA 212(a)(2)(D) is ineligible to receive a visa under that section even if the acts engaged in are not prohibited under the laws of the foreign country where the acts occurred.

(d) *Waiver of ineligibility—INA 212(h).* If an immigrant visa applicant is ineligible under INA 212(a)(2)(D) but is qualified to seek the benefits of INA 212(h), the consular officer shall inform the alien of the procedure for applying to INS for relief under that provision of law. A visa may not be issued to the alien until the consular officer has received notification from INS of the approval of the alien’s application under INA 212(h).

(a) *Definition of affiliate.* The term *affiliate*, as used in INA 212(a)(3)(D), means an organization which is related to, or identified with, a proscribed association or party, including any section, subsidiary, branch, or subdivision thereof, in such close association as to evidence an adherence to or a furtherance of the purposes and objectives of such association or party, or as to indicate a working alliance to bring to fruition the purposes and objectives of the proscribed association or party. An organization which gives, loans, or promises support, money, or other thing of value for any purpose to any proscribed association or party is presumed to be an *affiliate* of such association or party, but nothing contained in this paragraph shall be construed as an exclusive definition of the term *affiliate*.

(b) *Service in Armed Forces.* Service, whether voluntary or not, in the armed forces of any country shall not be regarded, of itself, as constituting or establishing an alien’s membership in, or affiliation with, any proscribed party or organization, and shall not, of itself, constitute a ground of ineligibility to receive a visa.

(c) *Voluntary Service in a Political Capacity.* Voluntary service in a political capacity shall constitute affiliation with the political party or organization in power at the time of such service.

(d) *Voluntary Membership After Age 16.* If an alien continues or continued membership in or affiliation with a proscribed organization on or after reaching 16 years of age, only the alien's activities after reaching that age shall be pertinent to a determination of whether the continuation of membership or affiliation is or was voluntary.

(e) *Operation of Law Defined.* The term *operation of law*, as used in INA 212(a)(3)(D), includes any case wherein the alien automatically, and without personal acquiescence, became a member of or affiliated with a proscribed party or organization by official act, proclamation, order, edict, or decree.

(f) *Membership in Organization Advocating Totalitarian Dictatorship in the United States.* In accordance with the definition of *totalitarian party* contained in INA 101(a)(37), a former or present voluntary member of, or an alien who was, or is, voluntarily affiliated with a noncommunist party, organization, or group, or of any section, subsidiary, branch, affiliate or subdivision thereof, which during the time of its existence did not or does not advocate the establishment in the United States of a totalitarian dictatorship, is not considered ineligible under INA 212(a)(3)(D) to receive a visa.

(g) *Waiver of ineligibility—212(a)(3)(D)(iv).* If an immigrant visa applicant is ineligible under INA 212(a)(3)(D) but is qualified to seek the benefits of INA 212(a)(3)(D)(iv), the consular officer shall inform the alien of the procedure for applying to INS for relief under that provision of law. A visa may not be issued to the alien until the consular officer has received notification from INS of the approval of the alien's application under INA 212(a)(3)(D)(iv).

(a) *Basis for determination of ineligibility.* Any determination that an alien is ineligible under INA 212(a)(4) must be predicated upon circumstances indicating that the alien will probably become a public charge after admission.

(b) *Posting of bond.* A consular officer may issue a visa to an alien who is within the purview of INA 212(a)(4) upon receipt of notice from INS of the giving of a bond or undertaking in accordance with INA 213 and INA 221(g), provided the officer is satisfied that the giving of such bond or undertaking removes the likelihood that the alien might become a public charge within the meaning of this section of the law and that the alien is otherwise eligible in all respects.

(c) *Prearranged employment.* An immigrant visa applicant relying on an offer of prearranged employment to establish eligibility under INA 212(a)(4), other than an offer of employment certified by the Department of Labor pursuant to INA 212(a)(5)(A), must establish the offer of employment by a document that confirms the essential elements of the employment offer. Any document presented to confirm the employment offer must be sworn and subscribed to before a notary public by the employer or an authorized employee or agent of the employer. The signer's printed name and position or other relationship with the employer must accompany the signature.

(d) *Significance of income poverty guidelines.* An immigrant visa applicant relying solely on personal income to establish eligibility under INA 212(a)(4), who does not demonstrate an annual income above the income poverty guidelines published by the Office of the Assistant Secretary for Planning and Evaluation, Department of Health and Human Services, and who is without other adequate financial resources, shall be presumed ineligible under INA 212(a)(4).

(2) The employment of such alien will not adversely affect the wages and working conditions of the workers in the United States similarly employed.

(c) *Labor certification not required in certain cases.* A spouse or child accompanying or following to join an alien spouse or parent who is a beneficiary of a petition approved pursuant to INA 203(b)(2) or (3) is not considered to be within the purview of INA 212(a)(5).

(b) *Alien not classifiable as crewman.* An alien employed on board a vessel or aircraft in a capacity not required for normal operation and service, or an alien employed or listed as a regular member of the crew in excess of the number normally required, shall not be classified as a crewman.

§ 41.42 Crew-list visas.

(a) *Definition.* A crew-list visa is a nonimmigrant visa issued on a manifest of crewmen of a vessel or aircraft and includes all aliens listed in the manifest unless otherwise stated. It constitutes a valid nonimmigrant visa within the meaning of INA 212(a)(7)(B)(i)(II).

(b) *Application.* (1) A list of all alien crewmen serving on a vessel or aircraft proceeding to the United States and not in possession of a valid individual D visa or INS Form I-151, Alien Registration Receipt Card, shall be submitted in duplicate to a consular officer on INS Form I-418, Passenger List—Crew List, or other prescribed forms. The duplicate copy of Form I-418 must show in column (4) the date, city, and country of birth of each person listed and in column (5) the place of issuance and the issuing authority of the passport held by that person. For aircraft crewmen, the manifest issued by the International Civil Aviation Organization (ICAO) or Customs Form 7507, General Declaration, may be used in lieu of Form I-418 if there is adequate space for the list of names.

(2) The formal application for a crew-list visa is the crew list together with

any other information the consular officer finds necessary to determine eligibility. No other application form is required.

(3) The crew list submitted should contain in alphabetical order the names of those alien crew members to be considered for inclusion in a crew-list visa. If the list is not alphabetical, the consular officer may require a separate alphabetical listing if this will not unduly delay the departure of the vessel or aircraft.

(4) If a vessel or aircraft destined to the United States will not call at a port or place where there is a consular office, the crew list can be submitted for visaing to a consular office at the place nearest the vessel's port of call.

(c) *Fee.* A fee in an amount determined by the Schedule of Fees for Consular Services shall be charged for a crew-list visa except that no fee shall be charged in the case of an American vessel or aircraft.

(d) *Validity.* A crew-list visa is valid for a period of 6 months from the date of issuance and for a single application for admission into the United States.

(e) *Procedure in issuing.* (1) In issuing a crew-list visa the regular non-immigrant visa stamp as prescribed in § 41.113(d) shall be placed on the last page of the manifest immediately following the last name listed.

(2) The symbol D shall be inserted in the space provided in the visa stamp.

(3) The name of the vessel or identifying data regarding the aircraft shall be entered in the space provided for the name of the visa recipient.

(4) The signature and title of the consular officer shall be recorded on the visa. The post impression seal shall be affixed on the visa stamp if the visa has been stamped by a rubber hand-stamp.

(5) When a crew-list visa is issued, the consular officer delivers the original of the document to the master of the vessel or captain of the aircraft or to an authorized agent for presentation to the immigration officer at the first port of arrival in the U.S. The dated duplicate copy is retained for the consular files.

(f) *Supplemental crew-list visas.* (1) A supplemental crew-list visa shall be issued at the consular office at which the

crew-list visa was issued or at another consular office to cover any crewman signed on after the issuance of the crew-list visa and not in possession of a valid individual D visa.

(2) If the crewman is substituted for another member previously included in the visa, the substitution shall be indicated in the supplemental crew list presented for visaing.

(g) *Exclusion from and refusal of, crew-list visas—*(1) *Exclusion from crew-list visa.* If there is reason to believe that a crew list submitted for visaing contains the name of any person who is not a bona fide crewman or who is otherwise ineligible to receive an individual D visa under INA 101(a)(15)(D), the consular officer shall exclude any such person from the visa by listing the name of each excluded crew member below the visa stamp. An excluded crew member's name may not be stricken from the crew list.

(2) *Refusal of crew-list visa.* A crew-list visa shall be refused if all aliens listed thereon are found by the consular officer not to be bona fide crewmen or otherwise ineligible to receive individual visas as crew members. In any case where a crew-list visa is refused, a full report shall be forwarded to reach the Department before the arrival of the vessel or aircraft at the first port of entry. In any case of refusal the original crew list shall be returned to the master, aircraft captain, or authorized agent, and the duplicate shall be filed in the consular office.

§ 41.51 Treaty trader or investor.

(a) *Treaty trader.* An alien is classifiable as a nonimmigrant treaty trader (E-1) if the consular officer is satisfied that the alien qualifies under the provisions of INA 101(a)(15)(E)(i) and that the alien:

Department of State

§ 41.52

agent of a foreign person or organization engaged in trade, principally between the United States and the foreign state of which the alien is a national, consideration being given to any conditions in the country of which the alien is a national which may affect the alien's ability to carry on such substantial trade; and

(2) Intends to depart from the United States upon the termination of E-1 status.

(b) *Treaty investor.* An alien is classifiable as a nonimmigrant treaty investor (E-2) if the consular officer is satisfied that the alien qualifies under the provisions of INA 101(a)(15)(E)(ii) and that the alien:

(1) Has invested or is actively in the process of investing a substantial amount of capital in a bona fide enterprise in the United States, as distinct from a relatively small amount of capital in a marginal enterprise solely for the purpose of earning a living; and

(2) Intends to depart from the United States upon the termination of E-2 status.

(c) *Employee of treaty trader or investor.* An alien employee of a treaty trader may be classified E-1 and an alien employee of a treaty investor may be classified E-2 if the employee is or will be engaged in duties of an executive or supervisory character, or, if employed in a minor capacity, the employee has special qualifications that make the services to be rendered essential to the efficient operation of the enterprise. The employer must be:

(1) A person having the nationality of the treaty country, who is maintaining the status of treaty trader or investor if in the United States; or

(2) An organization at least 50 percent owned by persons having the nationality of the treaty country who are maintaining nonimmigrant treaty trader or investor status if residing in the United States.

(d) *Spouse and children of treaty alien.* The spouse and children of a treaty alien accompanying or following to join the treaty alien are entitled to the same classification as the principal alien. The nationality of a spouse or child of a treaty alien is not material to the classification of the spouse or

child under the provisions of INA 101(a)(15)(E).

(e) *Representatives of foreign information media.* Representatives of foreign information media shall first be considered for possible classification as nonimmigrants under the provisions of INA 101(a)(15)(I), before consideration is given to their possible classification as nonimmigrants under the provisions of INA 101(a)(15)(E) and of this section.

(f) *Labor disputes.* Citizens of Canada or Mexico shall not be entitled to classification under this section if the Attorney General and the Secretary of Labor have certified that:

(1) There is in progress a strike or lockout in the course of a labor dispute in the occupational classification at the place or intended place of employment; and

(2) The alien has failed to establish that the alien's entry will not affect adversely the settlement of the strike or lockout or the employment of any person who is involved in the strike or lockout.

(b) *Classification when applicant eligible for both I visa and E visa.* An alien who will be engaged in foreign information media activities in the United States and meets the criteria set forth in paragraph (a) of this section shall be classified as a nonimmigrant under INA 101(a)(15)(I) even if the alien may also be classifiable as a nonimmigrant under the provisions of INA 101(a)(15)(E).

(c) *Spouse and children of information media representative.* The spouse or child of an information media representative is classifiable under INA 101(a)(15)(I) if accompanying or following to join the principal alien.

(2) With respect to the principal alien, the consular officer has received official evidence of the approval by INS of a petition to accord such classification or of the extension by INS of the period of authorized entry in such classification; or

(3) The consular officer is satisfied the alien is the spouse or child of an alien so classified and is accompanying or following to join the principal alien.

(b) *Petition approval.* The approval of a petition by the Immigration and Naturalization Service does not establish that the alien is eligible to receive a nonimmigrant visa.

(c) *Validity of visa.* The period of validity of a visa issued on the basis of paragraph (a) to this section must not exceed the period indicated in the petition, notification, or confirmation required in paragraph (a)(2) of this section.

(d) *Alien not entitled to H classification.* The consular officer must suspend action on this alien's application and submit a report to the approving INS office if the consular officer knows or has reason to believe that an alien applying for a visa under INA 101(a)(15)(H) is not entitled to the classification as approved.

(e) *“Trainee” defined.* The term *Trainee*, as used in INA 101(a)(15)(H)(iii), means a nonimmigrant alien who seeks to enter the United States temporarily at the invitation of an individual, organization, firm, or other trainer for the purpose of receiving instruction in any field of endeavor (other than graduate medical education or training), including agriculture, commerce, communication, finance, government, transportation, and the professions.

(i) listing only those intracompany relationships and positions found to qualify under INA 101(a)(15)(L) or

(ii) to accord such classification to qualified aliens who are being transferred to qualifying positions identified in such blanket petition; or

(4) The consular officer is satisfied the alien is the spouse or child of an alien so classified and is accompanying or following to join the principal alien.

(b) *Petition approval.* The approval of a petition by INS does not establish that the alien is eligible to receive a nonimmigrant visa.

(c) *Validity of visa.* (1) The period of validity of a visa issued on the basis of paragraph (a) to this section must not exceed the period indicated in the petition, notification, or confirmation required in paragraph (a)(2)(i) or (ii) of this section.

(d) *Alien not entitled to L-1 classification under individual petition.* The consular officer must suspend action on the alien's application and submit a report to the approving INS office if the consular officer knows or has reason to believe that an alien applying for a visa as the beneficiary of an approved individual petition under INA 101(a)(15)(L) is not entitled to such classification as approved.

§ 41.58 Aliens in religious occupations.

(a) *Requirements for "R" classification.* An alien shall be classifiable under the provisions of INA 101(a)(15)(R) if:

(1) The consular officer is satisfied that the alien qualifies under the provisions of that section; and

(2) The alien, for the 2 years immediately preceding the time of application for admission, has been a member of a religious denomination having a bona fide nonprofit, religious organization in the United States; and

(3) The alien seeks to enter the United States solely for the purpose of

(i) Carrying on the vocation of a minister of that religious denomination, or

(ii) At the request of the organization, working in a professional capacity in a religious vocation or occupation for that organization, or

(iii) At the request of the organization, working in a religious vocation or occupation for the organization, or for a bona fide organization which is affiliated with the religious denomination described in section 501(c)(3) of the Internal Revenue Code of 1986; and

(4) The alien is seeking to enter the United States for a period not to exceed 5 years to perform the activities described in paragraph (3) of this section; or

(5) The alien is the spouse or child of an alien so classified and is accompanying or following to join the principal alien.

(b) *Religious denomination.* A religious denomination is a religious group or community of believers. Among the factors that may be considered in determining whether a group constitutes a bona fide religious denomination are the presence of some form of ecclesiastical government, a recognized creed and form of worship, a formal code of doctrine and discipline, religious services and ceremonies, established places of religious worship, and religious congregations. For purposes of this definition, an interdenominational religious organization which is exempt from taxation pursuant to section 501(c)(3) of

the Internal Revenue Code of 1986 will be treated as a religious denomination.

(c) *Bona fide nonprofit religious organization in the United States.* For purposes of this section, a bona fide nonprofit religious organization is an organization exempt from taxation as described in section 501(c)(3) of the Internal Revenue Code of 1986, as it relates to religious organizations, or one that has never sought such exemption but establishes to the satisfaction of the consular officer that it would be eligible therefore if it had applied for tax exempt status.

(d) *Bona fide organization which is affiliated with the religious denomination.* A bona fide organization affiliated with the religious denomination is an organization which is both closely associated with the religious denomination and exempt from taxation as described in section 501(c)(3) of the Internal Revenue Code of 1986, as it relates to religious organizations.

(e) *Minister of religion.* A minister is an individual who is duly authorized by a recognized religious denomination to conduct religious worship and to perform other duties usually performed by authorized members of the clergy of that religion. A minister does not include a lay preacher who is not authorized to perform such duties. In all cases, there must be a reasonable connection between the activities performed and the religious calling of a minister.

(f) *Professional capacity.* Working in a professional capacity means engaging in an activity in a religious vocation or occupation which is defined by INA 101(a)(32) or for which the minimum of a United States baccalaureate degree or a foreign equivalent degree is required for entry into that field of endeavor.

(g) *Religious occupation.* A religious occupation is the habitual employment or engagement in an activity which relates to a traditional religious function. Examples of individuals in religious occupations include, but are not limited to liturgical workers, religious instructors, religious counselors, cantors, catechists, workers in religious hospitals or religious health care facilities, missionaries, religious translators, or religious broadcasters. This

group does not include janitors, maintenance workers, clerks, fund raisers, or persons solely involved in the solicitation of donations.

(h) *Religious vocation.* A religious vocation is a calling to religious life evidenced by the demonstration of commitment practiced in the religious denomination, such as the taking of vows. Examples of individuals with a religious vocation include, but are not limited to nuns, monks, and religious brothers and sisters.

(i) *Alien not entitled to classification under INA 101(a)(15)(R).* An alien who has spent 5 years in the United States under INA 101(a)(15)(R) is not entitled to classification and visa issuance under that section unless the alien has resided and been physically present outside the United States, except for brief visits to the United States for business or pleasure, for the immediate prior year.

[60 FR 42036, Aug. 15, 1995]

§ 41.59 Professionals under the North American Free Trade Agreement.

(a) *Requirements for classification as a NAFTA professional.* An alien shall be classifiable under the provisions of INA 214(e) if:

(1) The consular officer is satisfied that the alien qualifies under the provisions of that section; and

(2) In the case of citizens of Mexico, the consular officer has received from INS an approved petition according classification as a NAFTA Professional to the alien or official confirmation of such petition approval, or INS confirmation of the alien's authorized stay in such classification; or

(3) In the case of citizens of Canada, the alien shall have presented to the consular officer sufficient evidence of an offer of employment in the United States requiring employment of a person in a professional capacity consistent with NAFTA Chapter 16 Annex 1603 Appendix 1603.D.1 and sufficient evidence that the alien possesses the credentials of that profession as listed in said appendix; or

(4) The alien is the spouse or child of an alien so classified and is accompanying or following to join the principal alien.

(b) *Visa validity.* The period of validity of a visa issued pursuant to paragraph (a) of this section may not exceed the period indicated in the petition, notification, or confirmation required in paragraph (a)(2) of this section. The approval of a petition by INS does not establish that the alien is eligible to receive a nonimmigrant visa. The period of validity of a visa issued pursuant to subparagraph (a)(3) of this section may not exceed the period established on a reciprocal basis.

(c) *Temporary stay.* The alien must satisfy the consular officer that the proposed stay is temporary. A temporary period has a reasonable, finite end that does not equate to permanent residence. The circumstances surrounding an application should reasonably and convincingly indicate that the alien's temporary work assignment in the United States will end predictably and that the alien will depart.

(d) *Labor disputes.* Citizens of Canada or Mexico shall not be entitled to classification under this section if the Attorney General and the Secretary of Labor have certified that:

(1) There is in progress a strike or lockout in the course of a labor dispute in the occupational classification at the place or intended place of employment; and

(2) The alien has failed to establish that the alien's entry will not affect adversely the settlement of the strike or lockout or the employment of any person who is involved in the strike or lockout.

Subpart G—Students and Exchange Visitors

§ 41.61 Students—academic and non-academic.

(a) *Definitions*—(1) *Academic*, in INA 101(a)(15)(F), refers to an established college, university, seminary, conservatory, academic high school, elementary school, or other academic institution, or a language training program.

(2) *Nonacademic*, in INA 101(a)(15)(M), refers to an established vocational or other recognized nonacademic institution (other than a language training program).

(b) *Classification.* (1) An alien is classifiable under INA 101(a) (15) (F) (i) of INA 101(a) (15) (M) (i) if the consular officer is satisfied that the alien qualifies under one of those sections, and:

(i) The alien has been accepted for attendance solely for the purpose of pursuing a full course of study in an academic institution approved by the Attorney General for foreign students under INA 101(a) (15) (F) (i) or a non-academic institution approved under INA 101(a) (15) (M) (i), as evidenced by submission of a Form I-20A-B, Certificate of Eligibility For Nonimmigrant (F-1) Student Status — For Academic and Language Students, or Form I-20M-N, Certificate of Eligibility for Nonimmigrant (M-1) Student Status—For Vocational Students, properly completed and signed by the alien and a designated school official;

(ii) The alien possesses sufficient funds to cover expenses while in the United States or can satisfy the consular officer that other arrangements have been made to meet those expenses;

(iii) The alien, unless coming to participate exclusively in an English language training program, has sufficient knowledge of the English language to undertake the chosen course of study or training. If the alien's knowledge of English is inadequate, the consular officer may nevertheless find the alien so classifiable if the accepting institution offers English language training, and has accepted the alien expressly for a full course of study in a language with which the alien is familiar, or will enroll the alien in a combination of courses and English instruction which will constitute a full course of study; and

(iv) The alien intends, and will be able, to depart upon termination of student status.

(2) An alien otherwise qualified for classification as a student, who intends to study the English language exclusively, may be classified as a student under INA 101(a) (15) (F) (i) even though no credits are given by the accepting institution for such study. The accepting institution, however, must offer a full course of study in the English language and must accept the alien expressly for such study.

(3) The alien spouse and minor children of an alien who has been or will be issued a visa under INA 101(a) (15) (F) (i) or 101(a) (15) (M) (i) may receive nonimmigrant visas under INA 101(a) (15) (F) (ii) or 101(a) (15) (M) (ii) if the consular officer is satisfied that they will be accompanying or following to join the principal alien; that sufficient funds are available to cover their expenses in the United States; and, that they intend to leave the United States upon the termination of the status of the principal alien.

(c) *Posting of bond.* In borderline cases involving an alien otherwise qualified for classification under INA 101(a) (15) (F), the consular officer is authorized to require the posting of a bond with the Attorney General in a sum sufficient to ensure that the alien will depart upon the conclusion of studies or in the event of failure to maintain student status.

§ 41.62 Exchange visitors.

(a) *J-1 classification.* An alien is classifiable as an exchange visitor if qualified under the provisions of INA 101(a) (15) (J) and the consular officer is satisfied that the alien:

(1) Has been accepted to participate, and intends to participate, in an exchange visitor program designed by the United States Information Agency as evidenced by the presentation of a properly executed Form IAP-66, Certificate of Eligibility for Exchange Visitor (J-1) Status;

(2) Has sufficient funds to cover expenses or has made other arrangements to provide for expenses;

(3) Has sufficient knowledge of the English language to undertake the program for which selected, or, except for an alien coming to participate in a graduate medical education or training program, the sponsoring organization is aware of the language deficiency and has nevertheless indicated willingness to accept the alien; and

(4) Meets the requirements of INA 212(j) if coming to participate in a graduate medical education or training program.

(b) *J-2 Classification.* The spouse or minor child of an alien classified J-1 is classifiable J-2.

(c) *Applicability of INA 212(e).* (1) An alien is subject to the 2-year foreign residence requirement of INA 212(e) if:

(i) The alien's participation in one or more exchange programs was wholly or partially financed, directly or indirectly, by the U.S. Government or by the government of the alien's country of nationality or last residence; or

(ii) At the time of the issuance of an exchange visitor visa and admission to the United States, or, if not required to obtain a nonimmigrant visa, at the time of admission as an exchange visitor, or at the time of acquisition of such status after admission, the alien is a national and resident or, if not a national, a lawful permanent resident (or has status equivalent thereto) of a country which the Director of the United States Information Agency has designated, through publication by public notice in the FEDERAL REGISTER, as clearly requiring the services of persons engaged in the field of specialized knowledge or skill in which the alien will engage during the exchange visitor program; or

(iii) The alien acquires exchange visitor status in order to receive graduate medical education or training in the United States.

(2) For the purposes of this paragraph the terms *financed directly* and *financed indirectly* are defined as set forth in section § 514.1 of chapter V.

(3) The country in which 2 years' residence and physical presence will satisfy the requirements of INA 212(e) in the case of an alien determined to be subject to such requirements is the country of which the alien is a national and resident, or, if not a national, a lawful permanent resident (or has status equivalent thereto).

(4) If an alien is subject to the 2-year foreign residence requirement of INA 212(e), the spouse or child of that alien, accompanying or following to join the alien, is also subject to that requirement if admitted to the United States pursuant to INA 101(a) (15) (J) or if status is acquired pursuant to that section after admission.

(d) *Notification to alien concerning 2-year foreign residence requirement.* Before the consular officer issues an exchange visitor visa, the consular officer must inform the alien whether the

alien will be subject to the 2-year residence and physical presence requirement of INA 212(e) if admitted to the United States under INA 101(a) (15) (J) and, if so, the country in which 2 years' residence and physical presence will satisfy the requirement.

Subpart H—Transit Aliens

§ 41.71 Transit aliens.

(a) *Transit aliens—general.* An alien is classifiable as a nonimmigrant transit alien under INA 101(a) (15) (C) if the consular officer is satisfied that the alien:

(1) Intends to pass in immediate and continuous transit through the United States;

(2) Is in possession of a common carrier ticket or other evidence of transportation arrangements to the alien's destination;

(3) Is in possession of sufficient funds to carry out the purpose of the transit journey, or has sufficient funds otherwise available for that purpose; and

(4) Has permission to enter some country other than the United States following the transit through the United States, unless the alien submits satisfactory evidence that such advance permission is not required.

(b) *Certain aliens in transit to United Nations.* An alien within the provisions of paragraph (3), (4), or (5) of section 11 of the Headquarters Agreement with the United Nations, to whom a visa is to be issued for the purpose of applying for admission solely in transit to the United Nations Headquarters District, may upon request or at the direction of the Secretary of State be issued a nonimmigrant visa bearing the symbol C-2. If such a visa is issued, the recipient shall be subject to such restrictions on travel within the United States as may be provided in regulations prescribed by the Attorney General.

Subpart I—Fiance(e)s and Other Nonimmigrants

§ 41.81 Fiance(e) of a U.S. Citizen.

(a) *Petition requirement.* An alien is classifiable as a nonimmigrant fiance(e) under INA 101(a)(15)(K) if the consular officer is satisfied that the

alien is qualified under that provision and the consular officer has received a petition filed by the U.S. citizen to confer nonimmigrant status as a fiance(e) on the alien, which has been approved by the INS under INA 214(d), or a notification of such approval from that Service.

(b) *Certification of legal capacity and intent to marry.* Upon receipt of a petition approved by INS and the alien's sworn statement of ability and intent to conclude a valid marriage with the petitioner within 90 days of arrival in the United States, the consular officer shall grant the alien the nonimmigrant status accorded in the petition and shall determine the eligibility of the alien to receive a K-1 visa.

(c) *Eligibility as immigrant required.* The consular officer, insofar as practicable, shall determine the eligibility of an alien to receive a nonimmigrant visa under INA 101(a)(15)(K) as if the alien were an applicant for an immigrant visa. If the consular officer determines that the alien would be eligible, under INA 212 (a) and (e) and in all other respects to receive an immigrant visa, except the alien shall be exempt from the labor certification requirement of INA 212(a)(5), the officer may issue a nonimmigrant visa under this section.

§ 41.82 Certain parents and children of section 101(a)(27)(I) special immigrants [Reserved]

§ 41.83 Certain witnesses and informants.

(a) *General.* An alien shall be classifiable under the provisions of INA 101(a)(15)(S) if:

(1) The consular officer is satisfied that the alien qualifies under the provisions of that section; and

(2)(i) The consular officer has received verification from the Department of State, Visa Office, that:

(A) in the case of INA 101(a)(15)(S)(i) the INS has certified on behalf of the Attorney General that the alien is accorded such classification, or

(B) in the case of INA 101(a)(15)(S)(ii) the Assistant Secretary of State for

Department of State

§ 41.102

Consular Affairs on behalf of the Secretary of State and the INS on behalf of the Attorney General have certified that the alien is accorded such classification;

(ii) and the alien is granted an INA 212(d)(1) waiver of any INA 212(a) ground of ineligibility known at the time of verification.

(b) *Certification of S visa status.* The certification of status under INA 101(a)(15)(S)(i) by the Attorney General or of status under INA 101(a)(15)(S)(ii) by the Secretary of State and the Attorney General acting jointly does not establish that the alien is eligible to receive a nonimmigrant visa.

(c) *Validity of visa.* The period of validity of a visa authorized on the basis of paragraph (a) of this section shall not exceed the period indicated in the certification required in paragraph (b) and shall not in any case exceed the period of three years.

[61 FR 1838, Jan. 24, 1996]

Subpart J—Application for Nonimmigrant Visa

§ 41.101 Place of application.

(a) *Application for regular visa made at jurisdictional consular office of alien's residence or physical presence.* (1) An alien applying for a nonimmigrant visa shall make application at a consular office having jurisdiction over the alien's place of residence, or if the alien is a resident of Taiwan, at the American Institute in Taiwan, unless—

(i) The alien is physically present in the United States and is entitled to apply for issuance or reissuance of a visa under the provisions of § 41.111(b); or

(ii) A consular office having jurisdiction over the area in which the alien is physically present but not resident has agreed, as a matter of discretion or at the direction of the Department, to accept the alien's application.

(2) The Deputy Assistant Secretary of State to the Visa Office is authorized to designate the geographical area for which each consular office possesses jurisdiction to process nonimmigrant visa applications.

(b) *Regular visa defined.* “Regular visa” means a nonimmigrant visa of

any classification which does not bear the title “Diplomatic” or “Official.” A nonimmigrant visa is issued as a regular visa unless the alien falls within one of the classes entitled to a diplomatic or an official visa as described in § 41.26(c) or § 41.27(c).

[52 FR 42597, Nov. 5, 1987; 53 FR 9112, Mar. 21, 1988, as amended at 61 FR 1522, Jan. 22, 1996; 61 FR 53058, Oct. 10, 1996; 61 FR 56439, Nov. 1, 1996]

§ 41.102 Personal appearance of applicant.

(a) *Personal appearance required or waived.* Except as otherwise provided in this section, every alien seeking a nonimmigrant visa is required to apply in person before a consular officer. The requirement of personal appearance may be waived by the consular officer in the case of any alien who is:

(1) A child under 14 years of age;

(2) Within a class of nonimmigrants classifiable under the visa symbols A, C-2, C-3, G, or NATO;

(3) An applicant for a diplomatic or official visa;

(4) Within a class of nonimmigrants classifiable under the visa symbols B, C-1, H-1, or I;

(5) Within a class of nonimmigrants classifiable under the visa symbol J-1 who qualifies as a leader in a field of specialized knowledge or skill and also is the recipient of a U.S. Government grant, and such an alien's spouse and children qualifying for J-2 classification;

(6) An aircraft crewman, applying for a nonimmigrant visa under the provisions of INA 101(a)(15)(D), if the application is supported by a letter from the employing carrier certifying that the applicant is employed as an aircraft crewman, and the consular officer is satisfied that the personal appearance of the alien is not necessary to determine visa eligibility; or

(7) A nonimmigrant in any category, provided the consular officer determines that a waiver of personal appearance in the individual case is warranted in the national interest or because of unusual circumstances, including hardship to the visa applicant.

(b) *Interview by consular officer.* Except when the requirement of personal

appearance has been waived by the consular officer pursuant to paragraph (a) of this section, each applicant for a nonimmigrant visa must be interviewed by a consular officer, who shall determine on the basis of the applicant's representations and the visa application and other relevant documentation (1) the proper nonimmigrant classification, if any, of the alien and (2) the alien's eligibility to receive a visa.

[52 FR 42597, Nov. 5, 1987; 53 FR 9112, Mar. 21, 1988]

§ 41.103 Filing an application and Form OF-156.

(a) *Filing an application*—(1) *Filing of application on Form OF-156 required unless waived.* The consular officer may waive submission of an application, under paragraph (a)(3) of this section, for certain aliens for whom personal appearance has been waived under § 41.102. Except for persons for whom such waivers have been granted, every alien seeking a nonimmigrant visa must make application therefor on Form OF-156, Nonimmigrant Visa Application, unless a prior Form OF-156 is readily available at the consular office which can be appropriately amended to bring the application up to date.

(2) *Filing of Form OF-156 by alien under 16 or physically incapable.* The application for an alien under 16 years of age or one physically incapable of completing an application may be completed and executed by the alien's parent or guardian, or, if the alien has no parent or guardian, by any person having legal custody of, or a legitimate interest in, the alien.

(3) *Waiver of filing of application.* (i) When personal appearance is waived under § 41.102(a)(2) or (3) the consular officer may also waive the filing of a visa application.

(ii) When personal appearance is waived under § 41.102(a)(7), the consular officer may also waive the filing of a visa application in cases of hardship, emergency, or national interest.

(iii) Even if personal appearance is waived pursuant to any other subparagraph of § 41.102(a), the requirement for filing an application may not be waived.

(b) *Application form*—(1) *Preparation of Form OF-156, Nonimmigrant Visa Application.* (i) The consular officer shall ensure that Form OF-156 is fully and properly completed in accordance with the applicable regulations and instructions.

(ii) If the filing of a visa application is waived by the consular officer, the officer shall prepare a Form OF-156 on behalf of the applicant, using the data available in the passport or other documents which have been submitted.

(2) *Additional information as part of application.* The consular officer may require the submission of additional necessary information or question an alien on any relevant matter whenever the consular officer believes that the information provided in Form OF-156 is inadequate to permit a determination of the alien's eligibility to receive a nonimmigrant visa. Additional statements made by the alien become a part of the visa application. All documents required by the consular officer under the authority of § 41.105(a) are considered papers submitted with the alien's application within the meaning of INA 221(g)(1).

(3) *Signature.* When personal appearance is required, Form OF-156 shall be signed and verified by, or on behalf of, the applicant in the presence of the consular officer. If personal appearance is waived, but the submission of an application form by the alien is not waived, the form shall be signed by the applicant. If the filing of an application form is also waived, the consular officer shall indicate that the application has been waived on the Form OF-156 prepared on behalf of the applicant, as provided in paragraph (b)(1)(ii) of this section. The consular officer, in every instance, shall initial the Form OF-156 over or adjacent to the officer's name and title stamp.

(4) *Registration.* Form OF-156, when duly executed, constitutes the alien's registration record for the purposes of INA 221(b).

§ 41.104 Passport requirements.

(a) *Passports defined.* "Passport" as defined in INA 101(a)(30) is not limited to a national passport or to a single document. A passport may consist of two or more documents which, when

considered together, fulfill the requirements of a passport, provided that the documentary evidence of permission to enter a foreign country has been issued by a competent authority and clearly meets the requirements of INA 101(a)(30).

(b) *Passport requirement.* Except for certain persons in the A, C-3, G, and NATO classifications and persons for whom the passport requirement has been waived pursuant to the provisions of INA 212(d)(4), every applicant for a nonimmigrant visa is required to present a passport, as defined above and in INA 101(a)(30), which is valid for the period required by INA 212(a)(7)(B)(i)(I).

(c) *A single passport including more than one person.* The passport requirement for a nonimmigrant visa may be met by the presentation of a passport including more than one person, if such inclusion is authorized under the laws or regulations of the issuing authority and if a photograph of each visa applicant 16 years of age or over has been attached to the passport by the issuing authority.

(d) *Applicants for diplomatic visas.* Every applicant for a diplomatic visa must present a diplomatic passport, or the equivalent thereof, having the period of validity required by INA 212(a)(7)(B)(i)(I), unless such requirement has been waived pursuant to the authority contained in INA 212(d)(4) or unless the case falls within the provisions of § 41.21(b).

[52 FR 42597, Nov. 5, 1987, as amended at 56 FR 30428, July 2, 1991; 61 FR 1522, Jan. 22, 1996; 61 FR 53058, Oct. 10, 1996]

§ 41.105 Supporting documents and fingerprinting.

(a) *Supporting documents—(1) Authority to require documents.* The consular officer is authorized to require documents considered necessary to establish the alien's eligibility to receive a nonimmigrant visa. All documents and other evidence presented by the alien, including briefs submitted by attorneys or other representatives, shall be considered by the consular officer.

(2) *Unobtainable documents.* If the consular officer is satisfied that a document or record required under the authority of this section is unobtainable,

the consular officer may accept satisfactory alternative pertinent evidence. A document or other record shall be considered unobtainable if it cannot be procured without causing the applicant or a member of the applicant's family actual hardship as distinct from normal delay and inconvenience.

(3) *Photographs required or waived.* Except as otherwise provided in this paragraph, every applicant for a nonimmigrant visa must furnish photographs in such numbers as the consular officer may require. The photographs must be a reasonable recent likeness, 1½ by 1½ inches in size, unmounted, with no head covering, and showing a full, front-face view of the alien against a light background. The alien must sign (full name) the reverse side of the photographs. The photograph requirement may be waived by the consular officer for any alien who is:

(i) Within a class of nonimmigrants classifiable under the visa symbol A, C-3, G, or NATO; or

(ii) An applicant for a diplomatic or official visa; or

(iii) Under 16 years of age.

A notation of any such waiver shall be made on the application in the space provided for the photograph. A new photograph need not be required by the consular officer, if there is readily available at post a photograph submitted with a prior application which reflects a reasonable current likeness of the applicant.

(4) *Police certificates.* A police certificate is a certification by the police or other appropriate authorities stating what, if anything, their records show concerning the alien. An applicant for a nonimmigrant visa is required to present a police certificate if the consular officer has reason to believe that a police or criminal record exists, except that no police certificate is required in the case of an alien who is within a class of nonimmigrants classifiable under visa symbols A-1, A-2, C-3, G-1 through G-4, NATO-1 through NATO-4 or NATO-6.

(b) *Fingerprinting.* The consular officer may require an alien making a preliminary or informal application for a visa to have a set of fingerprints taken on Form AR-4, Alien Registration Fingerprint Chart, if the officer considers

this necessary for the purposes of identification and investigation. Consular officers may use the fingerprint card in order to ascertain from the appropriate authorities whether they have information pertinent to the applicant's eligibility to receive a visa.

§ 41.106 Processing.

Consular officers must ensure that Form OF-156, Nonimmigrant Visa Application, is properly and promptly processed in accordance with the applicable regulations and instructions.

§ 41.107 Visa fees.

(a) *Fees based on reciprocity.* The fees for the issuance of visas, including official visas, to nonimmigrant nationals or stateless residents of each foreign country shall be collected in the amounts prescribed by the Secretary of State unless, on the basis of reciprocity, no fee is chargeable. If practicable, fees will correspond to the total amount of all visa, entry, residence, or other similar fees, taxes or charges assessed or levied against nationals of the United States by the foreign countries of which such nonimmigrants are nationals or stateless residents.

(b) *Fees when more than one alien included in visa.* A single nonimmigrant visa may be issued to include all eligible family members if the spouse and unmarried minor children of a principal alien are included in one passport. Each alien must execute a separate application. The name of each family member shall be inserted in the space provided in the visa stamp. The visa fee to be collected shall equal the total of the fees prescribed by the Secretary of State for each alien included in the visa, unless upon a basis of reciprocity a lesser fee is chargeable.

(c) *Certain aliens exempted from fees.* Upon a basis of reciprocity, or as provided in section 13(a) of the Headquarters Agreement with the United Nations (61 Stat. 716; 22 U.S.C. 287, Note), no fee shall be collected for the issuance of a nonimmigrant visa to an alien who is within a class of nonimmigrants classifiable under the visa

symbols A, G, C-2, C-3, or NATO, or who is issued a diplomatic visa.

(d) *Refund of fees.* A fee collected for the issuance of a nonimmigrant visa is refundable only if the principal officer at a post or the officer in charge of a consular section determines that the visa was issued in error or could not be used as a result of action taken by the U.S. Government for which the alien was not responsible and over which the alien had no control.

(e) *Visa processing surcharge.* In addition to the collection of the fee prescribed in paragraph (a) of this section, a consular officer shall collect or ensure the collection of a surcharge for the processing of applications for machine readable nonimmigrant visas and for machine readable combined border crossing cards in the amount specified by the Secretary of State from such applicants as the Secretary of State shall designate. Such surcharge is refundable only if, as a result of action taken by the U.S. Government for which the alien was not responsible and over which the alien had no control, the alien's application is not processed.

[52 FR 42597, Nov. 5, 1987, as amended at 59 FR 25325, May 16, 1994]

§ 41.108 Medical examination.

(a) *Requirements for medical examination.* An applicant for a nonimmigrant visa shall be required to take a medical examination if:

(1) The alien is an applicant for a K nonimmigrant visa as a fiancé(e) of a U.S. citizen or as the child of such an applicant; or,

(2) The alien is seeking admission for medical treatment and the consular officer considers a medical examination advisable; or,

(3) The consular officer has reason to believe that a medical examination might disclose that the alien is medically ineligible to receive a visa.

(b) *Examination by panel physician.* The required examination, which must be carried out in accordance with United States Public Health Service regulations, shall be conducted by a physician selected by the alien from a panel of physicians approved by the consular officer or, if the alien is in the United States, by a medical officer of the United States Public Health Service or

by a contract physician from a list of physicians approved by the INS for the examination of INA 245 adjustment of status applicants.

(c) *Panel physician facility requirements.* A consular officer may not include the name of a physician on the panel of physicians referred to in paragraph (b) of this section unless the physician has facilities to perform required serological and X-ray tests or is in a position to refer applicants to a qualified laboratory for such tests.

Subpart K—Issuance of Nonimmigrant Visa

§ 41.111 Authority to issue visa.

(a) *Issuance outside the United States.* Any consular officer is authorized to issue regular and official visas. Diplomatic visas may be issued only by:

(1) A consular officer attached to a U.S. diplomatic mission, if authorized to do so by the Chief of Mission; or

(2) A consular officer assigned to a consular office under the jurisdiction of a diplomatic mission, if so authorized by the Department or the Chief, Deputy Chief, or Counselor for Consular Affairs of that mission, or, if assigned to a consular post not under the jurisdiction of a diplomatic mission, by the principal officer of that post.

(b) *Issuance in the United States in certain cases.* The Director of the Visa Office of the Department and such other officers of the Department as the former may designate are authorized, in their discretion, to issue nonimmigrant visas, including diplomatic visas, to:

(1) Qualified aliens who are currently maintaining status and are properly classifiable in the A, C-2, C-3, G or NATO category and intend to reenter the United States in that status after a temporary absence abroad and who also present evidence that:

(i) They have been lawfully admitted in that status or have, after admission, had their classification changed to that status; and

(ii) Their period of authorized stay in the United States in that status has not expired; and

(2) Other qualified aliens who are currently maintaining status in an E, H, I, or L nonimmigrant category and in-

tend to reenter the United States in that status after a temporary absence abroad and who also present evidence that;

(i) They were previously issued visas at a consular office abroad and admitted to the United States in the status which they are currently maintaining; and

(ii) Their period of authorized admission in that status has not expired.

§ 41.112 Validity of visa.

(a) *Significance of period of validity of visa.* The period of validity of a nonimmigrant visa is the period during which the alien may use it in making application for admission. The period of visa validity has no relation to the period of time the immigration authorities at a port of entry may authorize the alien to stay in the United States.

(b) *Validity of visa and number of applications for admission.* (1) Except as provided in paragraph (c) of this section, a nonimmigrant visa shall have the validity prescribed in schedules provided to consular officers by the Department, reflecting insofar as practicable the reciprocal treatment accorded U.S. nationals by the government of the country of which the alien is a national or stateless resident.

(2) Nonimmigrant visas issued pursuant to INA 101(a)(15)(B) may be made valid indefinitely and for unlimited applications for admission for aliens who:

(i) Are nationals of countries that offer reciprocal treatment to U.S. citizens, as determined by the Department;

(ii) Are in possession of a valid passport; and

(iii) Are bona fide visitors and will continue to seek to enter the United States only for such purpose for an indefinite period of time, in the judgment of the consular officer.

(3) An indefinite validity visa is valid for application for admission even if the passport in which the visa is stamped has expired, provided the alien is also in possession of a valid passport issued by the authorities of the country of which the alien is a national.

(c) *Limitation on validity.* If warranted in an individual case, a consular officer may issue a nonimmigrant visa for:

(1) A period of validity that is less than that prescribed on a basis of reciprocity,

(2) A number of applications for admission within the period of the validity of the visa that is less than that prescribed on a basis of reciprocity,

(3) Application for admission at a specified port or at specified ports of entry, or

(4) Use on and after a given date subsequent to the date of issuance.

(d) *Automatic extension of validity at ports of entry.* (1) Provided that the requirements set out in paragraph (d)(2) of this section are fully met, the following provisions apply to nonimmigrant aliens seeking readmission at ports of entry:

(i) The validity of an expired nonimmigrant visa issued under INA 101(a)(15) may be considered to be automatically extended to the date of application for readmission, and

(ii) In cases where the original nonimmigrant classification of an alien has been changed by INS to another nonimmigrant classification, the validity of an expired or unexpired nonimmigrant visa may be considered to be automatically extended to the date of application for readmission, and the visa may be converted as necessary to that changed classification.

(2) The provisions in paragraph (d)(1) of this section are applicable only in the case of a nonimmigrant alien who:

(i) Is in possession of a Form I-94, Arrival-Departure Record, endorsed by INS to show an unexpired period of initial admission or extension of stay, or, in the case of a qualified F or J student or exchange visitor or the accompanying spouse or child of such an alien, is in possession of a current Form I-20, Certificate of Eligibility for Nonimmigrant Student Status, or Form IAP-66, Certificate of Eligibility for Exchange Visitor Status, issued by the school the student has been authorized to attend by INS, or by the sponsor of the exchange program in which the alien has been authorized to participate by INS, and endorsed by the issuing school official or program sponsor to indicate the period of initial admission or extension of stay authorized by INS;

(ii) Is applying for readmission after an absence not exceeding 30 days solely in contiguous territory, or, in the case of a student or exchange visitor or accompanying spouse or child meeting the stipulations of paragraph (d)(2)(i) of this section, after an absence not exceeding 30 days in contiguous territory or adjacent islands other than Cuba;

(iii) Has maintained and intends to resume nonimmigrant status;

(iv) Is applying for readmission within the authorized period of initial admission or extension of stay;

(v) Is in possession of a valid passport; and

(vi) Does not require authorization for admission under INA 212(d)(3).

(3) The provisions in paragraphs (d)(1) and (d)(2) of this section shall not apply to nationals of Iraq.

[52 FR 42597, Nov. 5, 1987; 53 FR 9112, 9172, Mar. 21, 1988, as amended at 55 FR 36028, Oct. 31, 1990]

§ 41.113 Procedures in issuing visas.

(a) *Visa evidenced by stamp placed in the passport.* Except as provided in paragraph (b) of this section, a nonimmigrant visa shall be evidenced by a stamp placed in the alien's passport. The appropriate symbol as prescribed in § 41.12, showing the classification of the alien shall be entered in the visa.

(b) *Cases in which visa not placed in passport.* In the following cases the visa shall be placed on the prescribed Form OF-232, Form for Nonimmigrant Visa Stamp, to which a photograph of the alien shall be attached under seal. In issuing such a visa, a notation shall be made on the Form OF-232 on which the visa is placed specifying the pertinent subparagraph of this paragraph under which the action is taken.

(1) The alien's passport was issued by a government with which the United States does not have formal diplomatic relations, unless the Department has specifically authorized the placing of the visa in such passport;

(2) The alien's passport does not provide sufficient space for the visa stamp;

(3) The passport requirement has been waived; or

(4) In other cases as authorized by the Department.

(c) *Indefinite validity visa.* In no instance may a visa issued pursuant to INA 101(a)(15)(B) and having indefinite validity as provided in § 41.112(b) be placed in any document other than a valid passport.

(d) *Visa stamp.* (1) The nonimmigrant visa shall be in the format designated by the Department and contain the following data:

- (i) The number of the visa;
- (ii) The location of the issuing office;
- (iii) The classification of the visa;
- (iv) The date of issuance;
- (v) The expiration date or, if an indefinite validity visa is issued on the basis of reciprocity, the word “indefinitely”;
- (vi) The number of applications for admission for which it is valid or the word “multiple”;
- (vii) The name(s) of the person(s) to whom issued, unless the word “Bearer(s)” is used as authorized by paragraph (e)(1) of this section; and
- (viii) The signature or facsimile signature of the issuing officer.

(2) The format of a diplomatic visa is the same as a regular nonimmigrant visa, except that it bears the title “DIPLOMATIC”.

(3) The format of an official visa is the same as a regular nonimmigrant visa, except that it bears the title “OFFICIAL”.

(e) *Insertion of name; petition and derivative status notation.* (1) Except as otherwise provided in this paragraph, the name(s) of the alien(s) to whom a nonimmigrant visa is issued shall be shown on the visa just after the word “to.” In visas issued in passports (or in other travel documents meeting the requirements of INA 101(a)(30)) which have been approved by the Department for this purpose, consular officers may insert the word “Bearer(s)” in lieu of the name of the alien and in lieu of the names of accompanying family members who are included in the alien’s passport. The procedure for a “Bearer(s)” insert may not be applied in the case of aliens who are the beneficiaries of waivers granted under INA 212(d)(3) or in the issuance of a visa on Form OF-232.

(2) If the visa is being issued upon the basis of a petition approved by the Attorney General, the number of the peti-

tion, if any, the period for which the alien’s admission has been authorized, and the name of the petitioner shall be noted immediately below the visa.

(3) In the case of an alien who derives status from a principal alien, the name and position of the principal alien shall be written below the lower margin of the visa.

(f) *Period of validity.* If a nonimmigrant visa is issued for an unlimited number of applications for admission within the period of validity, the word “multiple” shall be appropriately placed in the visa. Otherwise the number of permitted applications for admission shall be shown in word form. The date of issuance and the date of expiration of the visa shall be shown at the appropriate places in the visa by day, month and year in that order. The standard three letter abbreviation for the month shall be used in all cases. If a visitor visa is to be made valid for an indefinite period, the word “indefinitely” shall be inserted in the space provided for the expiration date of the visa.

(g) *Restriction to specified port of entry.* If a nonimmigrant visa is valid for admission only at one or more specified ports of entry, the names of those ports shall be entered immediately below the expiration date of the visa, preceded by the word “at.”

(h) *Signature.* The signature or facsimile signature of the consular officer issuing the visa shall appear in the visa.

(i) *Delivery of visa and disposition of form OF-156.* In issuing a nonimmigrant visa, the consular officer shall deliver the visaed passport, or the prescribed Form OF-232 which bears the visa, to the alien or, if personal appearance has been waived, to the authorized representative. The executed Form OF-156, Nonimmigrant Visa Application, and any additional evidence furnished by the alien in accordance with § 41.103(b) shall be retained in the consular files.

(j) *Disposition of supporting documents.* Original supporting documents furnished by the alien shall be returned for presentation, if necessary, to immigration authorities at the port of entry and a notation to that effect shall be made on the Form OF-156. Duplicate

copies may be retained in the consular files.

(k) *Olympic Games, Pan American Games or other regional games.* Notwithstanding the provisions of paragraph (d) of this section, in the case of an alien who:

(1) Is a participant in the Summer or Winter Olympic Games, the Pan American Games or other regional games under the auspices of the International Olympic Committee, held in the United States; and

(2) Is the holder of an official identity card which has been issued for participation in such Games under the Olympic Rules Bylaws, which includes the signature of a competent authority of the participating government and the assurance of that government's recognition of the card for re-entry by the bearer for an additional period of six months beyond the expiration date of the card, and which otherwise meets the requirements of sections 101(a)(30) and 212(a)(7)(B)(i)(I) of the Immigration and Nationality Act, a stamp consisting of:

(i) The imprint of the issuing post's rubber stamp seal; and

§ 41.114 Transfer of visas.

(a) *Conditions for transfer.* Upon the request of the bearer a valid non-immigrant visa shall be transferred from one travel document to a different travel document which is valid for the required period if the bearer is found eligible to receive such a visa, except in a case in which the travel document containing the original visa has been lost or stolen. A visa may be transferred only if the new passport indicates that the alien's nationality is the same as when the visa was issued.

(b) *Procedure for transfer.* Application for the transfer of a nonimmigrant visa from one passport to another shall be made on an appropriate form. The consular officer may waive the personal appearance of the alien. The issuance of a transferred visa shall be evidenced by placing the visa stamp with all of the original data in the alien's passport. The validity of the transferred visa shall be the same as that of the original visa. The transferred visa shall be valid for the number of applications for admission remaining as of the date of the transfer. The word "TRANSFERRED" shall be inserted on the upper margin of the visa stamp.

(c) *Cancellation of visa in old passport.* Unless the passport in which the original visa was issued has been surrendered to the issuing authority, the original visa shall be canceled at the time of its transfer to the new travel document, except, when a visa is transferred for only some of several persons included in the original visa, that visa is not to be canceled but the names of the persons whose visas are transferred are to be stricken from the original visa.

(d) *Fee for transfer.* No fee shall be charged for the transfer of a valid non-immigrant visa.

Subpart L—Refusals and Revocations

§ 41.121 Refusal of individual visas.

(a) *Grounds for refusal.* Nonimmigrant visa refusals must be based on legal grounds, that is, one or more provisions of INA 212(a) or (e), INA 214(b), or INA 221(g). Certain classes of non-immigrant aliens are exempted from specific provisions of INA 212(a) under INA 102, and, upon a basis of reciprocity, under INA 212(d)(8). When a visa application has been properly completed and executed in accordance with the provisions of INA and the implementing regulations, the consular officer must either issue or refuse the visa.

(b) *Refusal procedure.* If a consular officer knows or has reason to believe that an alien is ineligible to receive a visa on grounds of ineligibility which

Department of State

§ 41.122

cannot be overcome by the presentation of additional evidence, the officer shall refuse the visa and, if practicable, shall require a nonimmigrant visa application to be executed before the refusal is recorded. In the case of a visa refusal the consular officer shall inform the applicant of the provision of law or regulations upon which the refusal is based. If the alien fails to execute a visa application after being informed by the consular officer of a ground of ineligibility to receive a nonimmigrant visa, the visa shall be considered refused. The officer shall then insert the pertinent data on the visa application, noting the reasons for the refusal, and the application form shall be filed in the consular office. Upon refusing a nonimmigrant visa, the consular officer shall retain the original or a copy of each document upon which the refusal was based as well as each document indicating a possible ground of ineligibility and may return all other supporting documents supplied by the applicant.

(c) *Review of refusal at consular office.* If the ground(s) of ineligibility upon which the visa was refused cannot be overcome by the presentation of additional evidence, the principal consular officer, or a specifically designated alternate, shall review the case without delay, record the review decision, and sign and date the prescribed form. If the ground(s) of ineligibility may be overcome by the presentation of additional evidence, and the applicant has indicated the intention to submit such evidence, a review of the refusal may be deferred for not more than 120 days. If the principal consular officer or alternate does not concur in the refusal, that officer shall either

(1) Refer the case to the Department for an advisory opinion, or

(2) Assume responsibility for the case by reversing the refusal.

(d) *Review of refusal by Department.* The Department may request a consular officer in a specific case or in specified classes of cases to submit a report if a visa has been refused. The Department will review each report and may furnish an advisory opinion to the consular officer for assistance in considering the case further. If the officer believes that action contrary to an

advisory opinion should be taken, the case shall be resubmitted to the Department with an explanation of the proposed action. Rulings of the Department concerning an interpretation of law, as distinguished from an application of the law to the facts, shall be binding upon consular officers.

[52 FR 42597, Nov. 5, 1987, as amended at 56 FR 30428, July 2, 1991]

§ 41.122 Revocation of visas.

(a) *Grounds for revocation by consular officers.* A consular officer is authorized to revoke a nonimmigrant visa issued to an alien if:

(1) The officer finds that the alien was not, or has ceased to be, entitled to the nonimmigrant classification under INA 101(a)(15) specified in the visa or that the alien was at the time the visa was issued, or has since become, ineligible under INA 212(a) to receive a visa;

(2) The visa has been physically removed from the passport in which it was issued prior to the alien's embarkation upon a continuous voyage to the United States; or

(3) For any of the reasons specified in paragraph (h) of this section if the visa has not been revoked by an immigration officer as authorized in that paragraph.

(b) *Notice of proposed revocation.* When consideration is being given to the revocation of a nonimmigrant visa under paragraph (a)(1) or (2) of this section, the consular officer considering that action shall, if practicable, notify the alien to whom the visa was issued of intention to revoke the visa. The alien shall also be given an opportunity to show why the visa should not be revoked and requested to present the travel document in which the visa was originally issued.

(c) *Procedure for physically cancelling visas.* A nonimmigrant visa which is revoked shall be canceled by writing or stamping the word "REVOKED" plainly across the face of the visa. The cancellation shall be dated and signed by the officer taking the action. The failure of the alien to present the visa for cancellation does not affect the validity of action taken to revoke it.

(d) *Notice to carriers.* Notice of revocation shall be given to the master, aircraft captain, agent, owner, charterer,

or consignee of the carrier or transportation line on which it is believed the alien intends to travel to the United States, unless the visa has been physically canceled as provided in paragraph (c) of this section.

(e) *Notice to Department.* When a visa is revoked under paragraph (a)(1) or (2) of this section, the consular officer shall promptly submit notice of the revocation, including a full report on the facts in the case, to the Department for transmission to INS. A report is not required if the visa is physically canceled prior to the alien's departure for the United States except in cases involving A, G, C-2, C-3, NATO, diplomatic or official visas.

(f) *Record of action.* Upon revocation of a nonimmigrant visa under paragraph (a)(1) or (2) of this section, the consular officer shall complete for the post files a Certificate of Revocation by Consular Officer which includes a statement of the reasons for the revocation. If the revocation is effected at other than the issuing office, a copy of the Certificate of Revocation shall be sent to that office.

(g) *Reconsideration of revocation.* (1) The consular office shall consider any evidence submitted by the alien or the alien's attorney or representative in connection with a request that the revocation be reconsidered. If the officer finds that the evidence is sufficient to overcome the basis for the revocation, a new visa shall be issued. A memorandum regarding the action taken and the reasons therefor shall be placed in the consular files and appropriate notification shall be made promptly to the carriers concerned, the Department, and the issuing office if notice of revocation has been given in accordance with paragraphs (d), (e), and (f) of this section.

(2) In view of the provisions of §41.107(d) providing for the refund of fees when a visa has not been used as a result of action by the U.S. Government, a fee shall not be charged in connection with a reinstated visa.

(h) *Revocation of visa by immigration officer.* An immigration officer is authorized to revoke a valid visa by physically canceling it in accordance with the procedure prescribed in paragraph (c) of this section if:

(1) The alien obtains an immigrant visa or an adjustment of status to that of permanent resident;

(2) The alien is ordered excluded from the United States pursuant to INA 235(c) or 236;

(3) The alien is notified pursuant to INA 235(b) by an immigration officer at a port of entry that the alien appears to be inadmissible to the United States and the alien requests and is granted permission to withdraw the application for admission;

(4) A final order of deportation or a final order granting voluntary departure with an alternate order of deportation is entered against the alien pursuant to INS regulations;

(5) The alien has been permitted by INS to depart voluntarily from the United States pursuant to INS regulations;

(6) A waiver of ineligibility pursuant to INA 212(d)(3)(A) on the basis of which the visa was issued to the alien is revoked by INS;

(7) The visa is presented in connection with an application for admission to the United States by a person other than the alien to whom it was issued; or

(8) The visa has been physically removed from the passport in which it was issued.

(d) *Aliens subject to Panama Canal Act.* Centralized control of the numerical limitations on immigration specified in section 3201 of the Panama Canal Act of 1979 is established in the Department. The Department shall limit the number of visas that may be issued and the number of adjustments of status that may be granted to immigrants

qualifying for visas under INA 203(b)(4) as aliens described in INA 101(a)(27) (E), (F) and (G) to a number not to exceed a total of 5,000 in any fiscal year beginning on or after October 1, 1979. If an alien as so described is excluded from the United States and deported or does not apply for admission to the United States before the expiration of the validity of the visa, or if a visa issued to such an alien is revoked pursuant to § 42.82, that fact shall be reported to the Department for recapture of the Panama Canal Act number.

[56 FR 51174, Oct. 10, 1991, as amended at 59 FR 15302, Mar. 31, 1994]

§ 42.52 Post records of visa applications.

(a) *Waiting list.* Records of individual visa applicants entitled to an immigrant classification and their priority dates shall be maintained at posts at which immigrant visas are issued. These records shall indicate the chronological and preferential order in which consideration may be given to immigrant visa applications within the several immigrant classifications subject to the numerical limitations specified in INA 201, 202, and 203. Similar records shall be kept for the classes specified in INA 201(b)(2) and 101(a)(27) (A) and (B) which are not subject to numerical limitations. The records which pertain to applicants subject to numerical limitations constitute “waiting lists” within the meaning of INA 203(e)(3) as redesignated by the Immigration Act of 1990.

(b) *Entitlement to immigrant classification.* An alien shall be entitled to immigrant classification if the alien:

(1) Is the beneficiary of an approved petition according immediate relative or preference status;

(2) Has satisfied the consular officer that the alien is entitled to special immigrant status under INA(101)(a)(27) (A) or (B);

(3) Is entitled to status as a Vietnam Amerasian under section 584(b)(1) of section 101(e) of Public Law 100–202 as amended by Public Law 101–167 and amended by Public Law 101–513; or

(4) Beginning in FY–95, is entitled to status as a diversity immigrant under INA 203(c).

(c) *Record made when entitlement to immigrant classification is established.* (1)

A record that an alien is entitled to an immigrant visa classification shall be made on Form OF–224, Immigrant Visa Control Card, or through the automated system in use at selected posts, whenever the consular officer is satisfied—or receives evidence—that the alien is within the criteria set forth in paragraph (b) of this section.

(2) A separate record shall be made of family members entitled to derivative immigrant status whenever the consular officer determines that a spouse or child is chargeable to a different foreign state or other numerical limitation than the principal alien. The provisions of INA 202(b) are to be applied as appropriate when either the spouse or parent is reached on the waiting list.

(3) A separate record shall be made of a spouse or child entitled to derivative immigrant status whenever the consular officer determines that the principal alien intends to precede the family.

[56 FR 51174, Oct. 9, 1991, as amended at 61 FR 1836, Jan. 24, 1996]

§ 42.53 Priority date of individual applicants.

(a) *Preference applicant.* The priority date of a preference visa applicant under INA 203 (a) or (b) shall be the filing date of the approved petition that accorded preference status.

(b) *Former Western Hemisphere applicant with priority date prior to January 1, 1977.* Notwithstanding the provisions of paragraph (a) of this section, an alien who, prior to January 1, 1977, was subject to the numerical limitation specified in section 21(e) of the Act of October 3, 1965, and who was registered as a Western Hemisphere immigrant with a priority date prior to January 1, 1977, shall retain that priority date as a preference immigrant upon approval of a petition according status under INA 203 (a) or (b).

(c) *Derivative priority date for spouse or child of principal alien.* A spouse or child of a principal alien acquired prior to the principal alien’s admission shall be entitled to the priority date of the principal alien, whether or not named in the immigrant visa application of

the principal alien. A child born of a marriage which existed at the time of a principal alien's admission to the United States is considered to have been acquired prior to the principal alien's admission.

§ 42.54 Order of consideration.

(a) *General.* Consular officers shall request applicants to take the steps necessary to meet the requirements of INA 222(b) in order to apply formally for a visa as follows:

(1) In the chronological order of the priority dates of all applicants within each of the immigrant classifications specified in INA 203 (a) and (b); and

(2) Beginning with fiscal year 1995, in the random order established by the Secretary of State for each region for the fiscal year for applicants entitled to status under INA 203(c).

(b)[Reserved]

[56 FR 51174, Oct. 10, 1991, as amended at 59 FR 15302, Mar. 31, 1994; 61 FR 1836, Jan. 24, 1996]

§ 42.55 Reports on numbers and priority dates of applications on record.

(a) Consular officers shall report periodically, as the Department may direct, the number and priority dates of all applicants subject to the numerical limitations prescribed in INA 201, 202, and 203 whose immigrant visa applications have been recorded in accordance with § 42.52(c).

(b) *Documentarily qualified applicants.* Consular officers shall also report periodically, as the Department may direct, the number and priority dates of all applicants described in paragraph (a) of this section who have informed the consular office that they have obtained the documents required under INA 222(b), for whom the necessary clearance procedures have been completed.

Subpart G—Application for Immigrant Visas

§ 42.61 Place of application.

(a) *Alien to apply in consular district of residence.* Unless otherwise directed by the Department, an alien applying for

an immigrant visa shall make application at the consular office having jurisdiction over the alien's place of residence; except that, unless otherwise directed by the Department, an alien physically present in an area but having no residence therein may make application at the consular office having jurisdiction over that area if the alien can establish that he or she will be able to remain in the area for the period required to process the application. Finally, a consular office may, as a matter of discretion, or shall, at the direction of the Department, accept an immigrant visa application from an alien who is neither a resident of, nor physically present in, the area designated for that office for such purpose. For the purposes of this section, an alien physically present in the United States shall be considered to be a resident of the area of his or her last residence prior to entry into the United States.

(b) *Transfer of immigrant visa cases.* (1) All documents, papers, and other evidence relating to an applicant whose case is pending or has been refused at one post may be transferred to another post at the applicant's request and risk when there is reasonable justification for the transfer and the transferring post has no reason to believe that the alien will be unable to appear at the receiving post.

(2) Any approved petition granting immediate relative or preference status should be included among the documents when a case is transferred from one post to another.

(3) In no case may a visa number be transferred from one post to another. A visa number which cannot be used as a result of the transfer must be returned to the Department immediately.

[52 FR 42613, Nov. 5, 1987, as amended at 59 FR 39955, Aug. 4, 1994]

§ 42.62 Personal appearance and interview of applicant.

(a) *Personal appearance of applicant before consular officer.* Every alien applying for an immigrant visa, including an alien whose application is executed by another person pursuant to § 42.63(a)(2), shall be required to appear personally before a consular officer for the execution of the application or, if in Taiwan, before a designated officer

of the American Institute in Taiwan, except that the personal appearance of any child under the age of 14 may be waived at the officer's discretion.

(b) *Interview by consular officer.* Every alien executing an immigrant visa application must be interviewed by a consular officer who shall determine on the basis of the applicant's representations and the visa application and other relevant documentation—

- (1) The proper immigrant classification, if any, of the visa applicant, and
- (2) The applicant's eligibility to receive a visa.

The officer has the authority to require that the alien answer any question deemed material to these determinations.

[52 FR 42613, Nov. 5, 1987, as amended at 56 FR 49682, Oct. 1, 1991]

§ 42.63 Application forms and other documentation.

(a) *Application Forms—(1) Application on Form OF-230 Required.* Every alien applying for an immigrant visa must make application on Form OF-230, Application for Immigrant Visa and Alien Registration. This requirement may not be waived. Form OF-230 consists of parts I and II which, together, are meant in any reference to this Form.

(2) *Application of alien under 14 or physically incapable.* The application on Form OF-230 for an alien under 14 years of age or one physically incapable of completing an application may be executed by the alien's parent or guardian, or, if the alien has no parent or guardian, by any person having legal custody of, or a legitimate interest in, the alien.

(b) *Preparation of forms.* The consular officer shall ensure that Form OF-230 and all other forms an alien is required to submit are fully and properly completed in accordance with the applicable regulations and instructions.

(c) *Additional information as part of application.* The officer may require the submission of additional information or question the alien on any relevant matter whenever the officer believes that the information provided in Form OF-230 is inadequate to determine the alien's eligibility to receive an immigrant visa. Additional statements made by the alien become a part of the

visa application. All documents required under the authority of § 42.62 are considered papers submitted with the alien's application within the meaning of INA 221(g)(1).

[52 FR 42613, Nov. 5, 1987, as amended at 56 FR 49682, Oct. 1, 1991; 61 FR 1836, Jan. 24, 1996]

§ 42.64 Passport requirements.

(a) *Passport defined.* *Passport*, as defined in INA 101(a)(30), is not limited to a national passport or to a single document. A passport may consist of two or more documents which, when considered together, fulfill the requirements of a passport, provided that documentary evidence of permission to enter a foreign country has been issued by a competent authority and clearly meets the requirements of INA 101(a)(30).

(b) *Passport validity requirements.* Except as provided in § 42.2, every applicant for an immigrant visa shall present a passport, as defined in INA 101(a)(30), that is valid for at least 60 days beyond the period of validity of the visa. The 60-day additional validity requirement does not apply to an applicant who would be excepted as provided in § 42.2 were it not for the fact that the applicant is applying in the country of which the applicant is a national and the possession of a passport is required for departure. Such an applicant may be issued a visa valid for 4 months or for such shorter period as will assure its expiration in unison with the passport.

(c) *A single passport including more than one person.* The passport requirement of this section may be met by the presentation of a passport including more than one person, if such inclusion is authorized under the laws or regulations of the issuing authority and if a photograph of each person 16 years of age or over is attached to the passport by the issuing authority.

[52 FR 42613, Nov. 5, 1987; 53 FR 9112, Mar. 21, 1988]

§ 42.65 Supporting documents.

(a) *Authority to require documents.* The consular officer is authorized to require documents considered necessary

to establish the alien's eligibility to receive an immigrant visa. All such documents submitted and other evidence presented by the alien, including briefs submitted by attorneys or other representatives, shall be considered by the officer.

(b) *Basic documents required.* An alien applying for an immigrant visa shall be required to furnish, if obtainable: A copy of a police certificate or certificates; a certified copy of any existing prison record, military record, and record of birth; and a certified copy of all other records or documents which the consular officer considers necessary.

(c) *Definitions.* (1) *Police certificate* means a certification by the police or other appropriate authorities reporting information entered in their records relating to the alien. In the case of the country of an alien's nationality and the country of an alien's current residence (as of the time of visa application) the term "appropriate police authorities" means those of a country, area or locality in which the alien has resided for at least six months. In the case of all other countries, areas, or localities, the term "appropriate police authorities" means the authorities of any country, area, or locality in which the alien has resided for at least one year. A consular officer may require a police certificate regardless of length of residence in any country if he or she has reason to believe that a police record exists in the country, area, or locality concerned.

(2) *Prison record* means an official document containing a report of the applicant's record of confinement and conduct in a penal or correctional institution.

(3) *Military record* means an official document containing a complete record of the applicant's service and conduct while in military service, including any convictions of crime before military tribunals as distinguished from other criminal courts. A certificate of discharge from the military forces or an enrollment book belonging to the applicant shall not be acceptable in lieu of the official military record, unless it shows the alien's complete record while in military service. The applicant may, however, be required to

present for inspection such a discharge certificate or enrollment book if deemed necessary by the consular officer to establish the applicant's eligibility to receive a visa.

(4) A *certified copy of an alien's record of birth* means a certificate issued by the official custodian of birth records in the country of birth showing the date and place of birth and the parentage of the alien, based upon the original registration of birth.

(5) *Other records or documents* include any records or documents establishing the applicant's relationship to a spouse or children, if any, and any records or documents pertinent to a determination of the applicant's identity, classification, or any other matter relating to the applicant's visa eligibility.

(d) *Unobtainable documents.* (1) If the consular officer is satisfied, or the catalogue of available documents prepared by the Department indicates, that any document or record required under this section is unobtainable, the officer may permit the immigrant to submit other satisfactory evidence in lieu of such document or record. A document or other record shall be considered unobtainable if it cannot be procured without causing to the applicant or a family member actual hardship as opposed to normal delay and inconvenience.

(2) If the consular officer determines that a supporting document, as described in paragraph (b) of this section, is in fact unobtainable, although the catalogue of available documents shows it is available, the officer shall affix to the visa application a signed statement describing in detail the reasons for considering the record or document unobtainable and for accepting the particular secondary evidence attached to the visa.

(e) *Authenticity of records and documents.* If the consular officer has reason to believe that a required record or document submitted by an applicant is not authentic or has been altered or tampered with in any material manner, the officer shall take such action as may be necessary to determine its authenticity or to ascertain the facts to which the record or document purports to relate.

(f) *Photographs.* Every alien shall furnish color photographs of the number and specifications prescribed by the Department, except that, in countries where facilities for producing color photographs are unavailable as determined by the consular officer, black and white photographs may be substituted.

[52 FR 42613, Nov. 5, 1987, as amended at 55 FR 29015, July 17, 1990; 56 FR 49682, Oct. 1, 1991]

§ 42.66 Medical examination.

(a) *Medical examination required of all applicants.* Before the issuance of an immigrant visa, the consular officer shall require every alien, regardless of age, to undergo a medical examination in order to determine eligibility to receive a visa.

(b) *Examination by physician from approved panel.* The required examination shall be conducted in accordance with requirements and procedures established by the United States Public Health Service and by a physician selected by the alien from a panel of physicians approved by the consular officer.

(c) *Facilities required for panel physician.* A consular officer shall not include the name of a physician on the panel of physicians referred to in paragraph (b) of this section unless the physician has facilities to perform required serological and X-ray tests or is in a position to refer applicants to a qualified laboratory for such tests.

§ 42.67 Execution of application, registration, and fingerprinting.

(a) *Execution of visa application—(1) Application fee.* A fee is prescribed for each application for an immigrant visa. It shall be collected prior to the execution of the application and a receipt shall be issued.

(2) *Oath and signature.* The applicant shall be required to read the Form OF-230, Application for Immigrant Visa and Alien Registration, when it is completed, or it shall be read to the alien in the alien's language, or the alien otherwise informed of its full contents. Aliens shall be asked whether they are willing to subscribe thereto. If the alien is not willing to subscribe to the application unless changes are made in

the information stated therein, the required changes shall be made. The application shall then be sworn to or affirmed and signed by or on behalf of the applicant before a consular officer, or a designated officer of the American Institute of Taiwan, who shall then sign the application over the officer's title.

(b) *Registration.* Form OF-230, when duly executed, shall constitute the alien's registration record for the purposes of INA 221(b).

(c) *Fingerprinting.* An alien may be required at any time prior to the execution of Form OF-230 to have a set of fingerprints taken if such procedure is necessary for purposes of identification or investigation.

[52 FR 42613, Nov. 5, 1987, as amended at 55 FR 29015, July 17, 1990; 56 FR 49682, Oct. 1, 1991]

§ 42.68 Informal evaluation of family members if principal applicant precedes them.

(a) *Preliminary determination of visa eligibility.* If a principal applicant proposes to precede the family to the United States, the consular officer may arrange for an informal examination of the other members of the principal applicant's family in order to determine whether there exists at that time any mental, physical, or other ground of ineligibility on their part to receive a visa.

(b) *When family member ineligible.* In the event the consular officer finds that any member of such family would be ineligible to receive an immigrant visa, the principal applicant shall be informed and required to acknowledge receipt of this information in writing.

(c) *No guarantee of future eligibility.* A determination in connection with an informal examination that an alien appears to be eligible for a visa carries no assurance that the alien will be issued an immigrant visa in the future. The principal applicant shall be so informed and required to acknowledge receipt of this information in writing. The question of visa eligibility can be determined definitively only at the time the family member applies for a visa.

Subpart H—Issuance of Immigrant Visas**§ 42.71 Authority to issue visas; visa fees.**

(a) *Authority to issue visas.* Consular officers are authorized to issue immigrant visas at designated consular offices abroad pursuant to INA 101(a)(16), 221(a), and 224. (Consular offices authorized to issue immigrant visas are listed periodically in Visa Office Bulletins published by the Department of State.) A consular officer assigned to duty in the territory of a country against which the sanctions provided in INA 243(g) have been invoked shall not issue an immigrant visa to an alien who is a national, citizen, subject, or resident of that country, unless the officer has been informed that the sanction has been waived by INS in the case of an individual alien or a specified class of aliens.

(b) *Immigrant visa fees.* Fees are prescribed by the Secretary of State for the execution of an application for, and the issuance of, an immigrant visa. The application fee shall be collected prior to the visa interview and execution of the application. The issuance fee shall be collected after completion of the visa interview and prior to issuance of the visa. A fee receipt shall be issued for each fee. A fee collected for the application for or issuance of an immigrant visa is refundable only if the principal officer at a post or the officer in charge of a consular section determines that the visa was issued in error or could not be used as a result of action by the U.S. Government over which the alien had no control and for which the alien was not responsible.

§ 42.72 Validity of visas.

(a) *Period of validity.* With the exception indicated herein, the period of validity of an immigrant visa shall not exceed 4 months, beginning with the date of issuance. Any visa issued to a child lawfully adopted by a U.S. citizen and spouse while such citizen is serving abroad in the U.S. Armed Forces, is employed abroad by the U.S. Government, or is temporarily abroad on business, however, shall be valid until such time, for a period not to exceed 3 years, as the adoptive citizen parent returns

to the United States in the course of that parent's military service, U.S. Government employment, or business.

(b) *Extension of period of validity.* If the visa was originally issued for a period of validity less than the maximum authorized by paragraph (a) of this section, the consular officer may extend the validity of the visa up to but not exceeding the maximum period permitted. If an immigrant applies for an extension at a consular office other than the issuing office, the consular officer shall, unless the officer is satisfied beyond doubt that the alien is eligible for the extension, communicate with the issuing office to determine if there is any objection to an extension. In extending the period of validity, the officer shall make an appropriate notation on the visa of the new expiration date, sign the document with title indicated, and impress the seal of the office thereon.

(c) *No fee for extension of period of validity.* No fee shall be charged for extending the period of validity of an immigrant visa.

(d) *Age and marital status in relation to validity of certain immigrant visas.* In accordance with § 42.64(b), the validity of a visa may not extend beyond a date sixty days prior to the expiration of the passport. The period of validity of a visa issued to an immigrant as a child shall not extend beyond the day immediately preceding the date on which the alien becomes 21 years of age. The consular officer shall warn an alien, when appropriate, that the alien will be admissible as such an immigrant only if unmarried and under 21 years of age at the time of application for admission at a U.S. port of entry. The consular officer shall also warn an alien issued a visa as a first or second preference immigrant as an unmarried son or daughter of a citizen or lawful permanent resident of the United States that the alien will be admissible as such an immigrant only if unmarried at the time of application for admission at a U.S. port of entry.

(e) *Aliens entitled to the benefits of sections 154(a) and (b) of Pub. L. 101-649.* (1) Notwithstanding the provisions of

paragraphs (a) through (d) of this section, the period of validity of an immigrant visa issued to an immigrant described in paragraph (e)(2) of this section may, at the request of the applicant, be extended until January 1, 2002, if the applicant so requests either at the time of issuance of the visa or within four months thereafter. If an applicant entitled to issuance of an immigrant visa having an extended period of validity fails to request extended validity at the time of issuance but subsequently, within four months thereafter, requests that the validity be extended pursuant to this paragraph, the consular officer shall issue a replacement visa to the alien in accordance with the provisions of § 42.74(b).

(2) An immigrant may request the extended period of validity provided for in paragraph (e)(1) of this section if he or she is

(i) Resident in Hong Kong as of the date of enactment of Public Law 101-649;

(ii) Chargeable to the foreign state limitation for Hong Kong; and

(iii) Classifiable, during fiscal year 1991, as a preference immigrant under section 203(a) (1), (2), (4), or (5) of the INA or, during fiscal year 1992 and thereafter, as a preference immigrant under section 203(a) (1), (2), (3), or (4), or 203(b)(1) of the INA.

(3) An alien who elects to have the period of validity of his or her immigrant visa extended as provided in paragraph (e)(1) of this section and whose entitlement to the immigrant classification of such visa was based upon his or her status as a child at the time of issuance shall not cease to be entitled to such visa by reason of attaining age twenty-one or marrying prior to his or her application for admission into the United States.

(4) An alien who has elected to have the period of validity of his or her visa extended pursuant to paragraph (e)(1) of this section shall, if his or her contemplated date of application for admission into the United States is later than four months following the date of visa issuance, notify the appropriate consular officer of his or her intention to travel to the United States for this purpose. The consular officer shall thereupon schedule an appointment

with such alien for the purpose of determining whether or not the alien remains admissible into the United States as an immigrant. Such appointment shall be scheduled not sooner than four months preceding the alien's contemplated date of application for admission for permanent residence. If the consular officer determines that the alien continues to be admissible to the United States as an immigrant, he or she shall issue to the alien a duplicate immigrant visa as provided in § 42.74 of this part except that the alien shall pay only a new issuance fee. If the consular officer determines that the alien has become inadmissible to the United States as an immigrant, he or she shall revoke the visa as provided in § 42.82 of this part. A consular officer who issues a visa having an extended period of validity pursuant to this paragraph shall, at the time of visa issuance, inscribe on the face of the visa "Section 154 applies" and shall notify in writing the alien concerned of this requirement.

[52 FR 42613, Nov. 5, 1987, as amended at 56 FR 32323, July 16, 1991; 61 FR 1836, Jan. 24, 1996]

§ 42.73 Procedure in issuing visas.

(a) *Insertion of data.* In issuing an immigrant visa, the issuing office shall insert the pertinent information in the designated blank spaces provided on Form OF-155A, Immigrant Visa and Alien Registration, in accordance with the instructions contained in this section.

(1) A symbol as specified in § 42.11 shall be used to indicate the classification of the immigrant.

(2) An immigrant visa issued to an alien subject to numerical limitations shall bear a number allocated by the Department. The foreign state or dependent area limitation to which the alien is chargeable shall be entered in the space provided.

(3) No entry need be made in the space provided for foreign state or other applicable area limitation on visas issued to aliens in the classifications set forth in § 42.12(a)(1)–(7), but such visas may be numbered if a post voluntarily uses a consecutive post numbering system.

Department of State

§ 42.74

(4) The date of issuance and the date of expiration of the visa shall be inserted in the proper places on the visa and show the day, month, and year in that order, with the name of the month spelled out, as in "24 December 1986."

(5) In the event the passport requirement has been waived under § 42.2, a notation shall be inserted in the space provided for the passport number, setting forth the authority (section and paragraph) under which the passport was waived.

(6) A signed photograph shall be attached in the space provided on Form OF-155A by the use of a legend machine, unless specific authorization has been granted by the Department to use the impression seal.

(b) *Documents comprising an immigrant visa.* An immigrant visa consists of Form OF-155A and Form OF-230, Application for Immigrant Visa and Alien Registration, properly executed, and a copy of each document required pursuant to § 42.63.

(c) *Arrangement of visa documentation.* Form OF-155A shall be placed immediately above Form OF-230 and the supporting documents attached thereto. Any document required to be attached to the visa, if furnished to the consular officer by the alien's sponsor or other person with a request that the contents not be divulged to the visa applicant, shall be placed in an envelope and sealed with the impression seal of the consular office before being attached to the visa. If an immigrant visa is issued to an alien in possession of a United States reentry permit, valid or expired, the consular officer shall attach the permit to the immigrant visa for disposition by INS at the port of entry. (Documents having no bearing on the alien's qualifications or eligibility to receive a visa may be returned to the alien or to the person who furnished them.)

(d) *Signature, seal, and issuance of visa.* The consular officer shall sign the visa (Form OF-155A) and impress the seal of the office on it so as to partially cover the photograph and the signature. The immigrant visa shall then be issued by delivery to the immigrant or

the immigrant's authorized agent or representative.

§ 42.74 Issuance of new or replacement visas.

(a) *New immigrant visa for an alien not subject to numerical limitation.* An immediate relative under INA 201(b), or a special immigrant under INA 101(a)(27) (A) or (B), who establishes that a visa has been lost or mutilated or has expired, or that the alien will be unable to use it during the period of its validity, may be issued a new visa at the same or any other consular office, if the consular officer then finds the alien qualified. The alien must pay anew the statutory application and issuance fees. Prior to issuing a new immigrant visa at a consular office other than the one that issued the original visa, the consular officer must also ascertain whether the original issuing office knows of any reason why a new visa should not be issued.

(b) *Replacement immigrant visa for an alien subject to numerical limitation.* An immigrant documented under INA 203(a), (b), or (c) or under section 124 of the Immigration Act of 1990, who was or will be unable to use the visa during the period of its validity because of reasons beyond the alien's control and for which the alien is not responsible, may be issued a replacement immigrant visa under the original number during the same fiscal year in which the original visa was issued (provided the number has not been returned to the Department), if the consular officer then finds the alien qualified. The alien must pay anew the statutory application and issuance fees. Prior to issuing a replacement immigrant visa at a consular office other than the one that issued the original visa, the consular officer must also ascertain whether the original issuing office knows of any reason why a replacement visa should not be issued. In issuing a visa under this paragraph, the consular officer shall insert the word "REPLACE" on Form OF-155A, Immigrant Visa and Alien Registration, before the word "IMMIGRANT" in the title of the visa.

(c) *Duplicate visas issued within the validity period of the original visa.* If the

validity of a visa previously issued has not yet terminated and the original visa has been lost or mutilated, a duplicate visa may be issued containing all of the information appearing on the original visa, including the original issuance and expiration dates. The applicant shall execute a new application and provide copies of the supporting documents submitted in support of the original application. The alien must pay anew the application and issuance fees. In issuing a visa under this paragraph, the consular officer shall insert the word “DUPLICATE” on Form OF-155A before the word “IMMIGRANT” in the title of the visa.

[52 FR 42613, Nov. 5, 1987, as amended at 56 FR 49682, Oct. 1, 1991; 61 FR 1836, Jan. 24, 1996]

Subpart I—Refusal, Revocation, and Termination of Registration

§ 42.81 Procedure in refusing individual visas.

(a) *Issuance or refusal mandatory.* When a visa application has been properly completed and executed before a consular officer in accordance with the provisions of INA and the implementing regulations, the consular officer shall either issue or refuse the visa. Every refusal shall be in conformance with the provisions of 22 CFR 40.6.

(b) *Refusal procedure.* A consular officer may not refuse an immigrant visa until Form OF-230, Application for Immigrant Visa and Alien Registration, has been executed by the applicant. When an immigrant visa is refused, an appropriate record shall be made in duplicate on a form prescribed by the Department. The form shall be signed and dated by the consular officer. The consular officer shall inform the applicant of the provision of law or implementing regulation on which the refusal is based and of any statutory provisions under which administrative relief is available. Each document related to the refusal shall then be attached to Form OF-230 for retention in the refusal files. Any documents not related to the refusal shall be returned to the applicant. If the grounds of ineligibility may be overcome by the presentation of additional evidence and the applicant indicates an intention to sub-

mit such evidence, all documents may, with the consent of the alien, be retained in the consular files for a period not to exceed one year. If the refusal has not been overcome within one year, any documents not relating to the refusal shall be removed from the file and returned to the alien.

(c) *Review of refusal at consular office.* If the grounds of ineligibility upon which the visa was refused cannot be overcome by the presentation of additional evidence, the principal consular officer at a post, or a specifically designated alternate, shall review the case without delay, record the review decision, and sign and date the prescribed form. If the grounds of ineligibility may be overcome by the presentation of additional evidence and the applicant indicates the intention to submit such evidence, a review of the refusal may be deferred. If the principal consular officer or alternate does not concur in the refusal, that officer shall either (1) refer the case to the Department for an advisory opinion, or (2) assume responsibility for final action on the case.

(d) *Review of refusal by Department.* The Department may request a consular officer in an individual case or in specified classes of cases to submit a report if an immigrant visa has been refused. The Department will review each report and may furnish an advisory opinion to the consular officer for assistance in considering the case further. If the officer believes that action contrary to an advisory opinion should be taken, the case shall be resubmitted to the Department with an explanation of the proposed action. Rulings of the Department concerning an interpretation of law, as distinguished from an application of the law to the facts, are binding upon consular officers.

(e) *Reconsideration of refusal.* If a visa is refused, and the applicant within one year from the date of refusal adduces further evidence tending to overcome the ground of ineligibility on which the refusal was based, the case shall be reconsidered. In such circumstance, an additional application fee shall not be required.

§ 42.82 Revocation of visas.

(a) *Grounds for revocation.* Consular officers are authorized to revoke an immigrant visa under the following circumstances:

(1) The consular officer knows, or after investigation is satisfied, that the visa was procured by fraud, a willfully false or misleading representation, the willful concealment of a material fact, or other unlawful means;

(2) The consular officer obtains information establishing that the alien was otherwise ineligible to receive the particular visa at the time it was issued; or

(3) The consular officer obtains information establishing that, subsequent to the issuance of the visa, a ground of ineligibility has arisen in the alien's case.

(b) *Notice of proposed revocation.* The bearer of an immigrant visa which is being considered for revocation shall, if practicable, be notified of the proposed action, given an opportunity to show cause why the visa should not be revoked, and requested to present the visa to the consular office indicated in the notification of proposed cancellation.

(c) *Procedure in revoking visas.* An immigrant visa which is revoked shall be canceled by writing the word "REVOKED" plainly across the face of the visa. The cancellation shall be dated and signed by the consular officer taking the action. The failure of an alien to present the visa for cancellation does not affect the validity of any action taken to revoke it.

(d) *Notice to carriers.* Notice of revocation of a visa shall be given to the master, commanding officer, agent, owner, charterer, or consignee of the carrier or transportation line on which it is believed the alien intends to travel to the United States, unless the visa has been canceled as provided in paragraph (c) of this section.

(e) *Notice to Department.* The consular officer shall promptly submit notice of the revocation, including a full report of the facts in the case, to the Department for transmission to the INS. A report is not required if the visa has been physically canceled prior to the alien's departure for the United States.

(f) *Record of action.* Upon the revocation of an immigrant visa, the consular officer shall make appropriate notation for the post file of the action taken, including a statement of the reasons therefor, and if the revocation of the visa is effected at other than the issuing office, a report of the action taken shall be sent to that office.

(g) *Reconsideration of revocation.* (1) The consular officer shall consider any evidence submitted by the alien or the alien's attorney or representative in connection with a request that the revocation of the visa be reconsidered. If the officer finds that the evidence is sufficient to overcome the basis for the revocation, a new visa shall be issued. A memorandum regarding the action taken and the reasons therefore shall be placed in the consular files and appropriate notification made promptly to the carriers concerned, the Department, and the issuing office if notice of revocation has been given in accordance with paragraphs (d), (e), and (f) of this section.

(2) In view of the provisions of § 42.71(b) providing for the refund of fees when the visa has not been used as a result of action by the U.S. Government, no fees shall be collected in connection with the application for or issuance of such a reinstated visa.

§ 42.83 Termination of registration.

(a) *Termination following failure of applicant to apply for visa.* In accordance with INA 203(g), an alien's registration for an immigrant visa shall be terminated if, within one year after transmission of a notification of the availability of an immigrant visa, the applicant fails to apply for an immigrant visa.

(b) *Termination following visa refusal.* An alien's registration for an immigrant visa shall be terminated if, within one year following the refusal of the immigrant visa application under INA 221(g), the alien has failed to present to a consular officer evidence purporting to overcome the basis for refusal.

(c) *Notice of termination.* Upon the termination of registration under paragraph (a) or (b) of this section, the consular officer at the post where the alien is registered shall notify the alien of the termination. The consular officer

§ 45.1

shall also inform the alien of the right to have the registration reinstated if the alien, before the end of the second year after the missed appointment date if paragraph (a) applies, and before the end of the second year after the INA 221(g) refusal if paragraph (b) applies, establishes to the satisfaction of the consular officer that the failure to apply for an immigrant visa or to present evidence purporting to overcome the ineligibility under INA 221(g) was due to circumstances beyond the alien's control.

(d) *Reinstatement of registration.* If the consular officer is satisfied that an alien, as provided for in paragraph (c) of this section, has established that failure to apply as scheduled for an immigrant visa or to present evidence purporting to overcome ineligibility under INA 221(g) was due to circumstances beyond the alien's control, the consular officer shall reinstate the alien's registration for an immigrant visa. Any petition approved under INA 204(b) which had been automatically revoked as a result of the termination of registration shall be considered to be automatically reinstated if the registration is reinstated.

(e) *Interpretation of "circumstances beyond alien's control".* For the purpose of this section, the term "circumstances beyond the alien's control" includes, but is not limited to, an illness or other physical disability preventing the alien from traveling, a refusal by the authorities of the country of an alien's residence to grant the alien permission to depart as an immigrant, and foreign military service.

45.6 Issuance of immigrant visa upon redetermination of admissibility.

AUTHORITY: 8 U.S.C. 1104; 8 U.S.C. 1153 Note, unless otherwise noted.

SOURCE: 56 FR 32506, July 17, 1991, unless otherwise noted.

§ 45.1 General.

Except as specifically provided in this part, the provisions of the INA, as amended, and of parts 40 and 42 of this chapter shall apply to application for, consideration of, and issuance or refusal of, immigrant visas under section 124 of Public Law 101-649.

§ 45.2 Priority date of applicants.

The priority date of an alien who is the beneficiary of a petition approved by the Service to accord status under section 124 of Public Law 101-649 shall be the filing date of the approved petition, as determined by the Immigration and Naturalization Service. The priority date of the spouse or child, accompanying or following to join such an alien shall be the priority date of the alien spouse or parent.

§ 45.3 Control of numerical limitation.

(a) *Centralized control.* Centralized control of the numerical limitation specified in section 124 of Public Law 101-649 is established in the Department. In order to effect this control, the Department shall limit the number of immigrant visas and the number of adjustments of status that may be granted to aliens applying under section 124 of Public Law 101-649 to a number not to exceed 12,000 in any fiscal year and not to exceed in any month of a fiscal year 1,200 plus any balance remaining from authorizations for preceding months in the same fiscal year.

(b) *Allocation of immigrant visa numbers.* Within the numerical limitations specified in paragraph (a) of this section and based on the chronological order of priority dates of applicants as established pursuant to § 45.2 of this part, the Department shall allocate immigrant visa numbers for use in connection with the issuance of immigrant visas and the granting of adjustment of status to such aliens.

§ 45.4 Period of validity of immigrant visas.

The period of validity of an immigrant visa issued to an alien pursuant to the provisions of this part may, at the request of the applicant, be extended until January 1, 2002, if the applicant so requests either at the time of issuance of the visa or within four months thereafter. If the applicant fails to make such a request at the time of visa issuance but subsequently, within four months thereafter, makes such a request, the consular officer shall issue a replacement visa to the alien in accordance with the provisions of § 42.74(b) of part 42 of this title.

§ 45.5 Redetermination of admissibility if visa validity extended.

(a) An alien to whom an immigrant visa is issued pursuant to this part who elects to have the validity of the visa extended as provided in § 45.4 shall have his or her admissibility redetermined prior to actual travel to the United States as follows:

(1) If the alien is the beneficiary of a petition to accord status under section 124 of Public Law 101-649 which was supported by a specific offer of employment from the petitioning entity, or is the spouse or child of such an alien, a redetermination of admissibility is required only if the anticipated date of actual application for admission for permanent residence is more than four months following the date of visa issuance;

(2) If the alien is the beneficiary of a petition to accord status under section 124 of Public Law 101-649 which was supported by a general assurance from the petitioning entity that an appropriate job would be made available to the alien upon entry, or is the spouse or child of such an alien, a redetermination of admissibility is required whenever the alien proposes to apply for admission for permanent residence, whether within four months of the date of visa issuance or later.

(b) When an alien to whom an immigrant visa is issued pursuant to this part elects to have the validity of the visa extended pursuant to paragraph (a) of this section, the consular officer shall notify the alien in writing of the requirement for a redetermination of

admissibility as provided in paragraph (a) and shall endorse the visa "section 154 applies." Thereafter, the alien shall, not sooner than four months preceding the contemplated date of application for admission for permanent residence notify the appropriate consular officer of his or her intention to travel to the United States for this purpose. The consular officer shall thereupon schedule an appointment with such alien for the purpose of determining whether or not the alien remains admissible into the United States for permanent residence. If the consular officer determines that the alien continues to be so admissible, he or she shall issue to the alien a duplicate immigrant visa as provided in § 45.6 of this part. If the consular officer determines that the alien has become inadmissible to the United States, he or she shall revoke the visa as provided in § 42.82 of part 42 of this title.

(c) An alien who elects to have the period of validity of his or her immigrant visa extended pursuant to § 45.4 and whose entitlement to the immigrant classification of such visa was based upon his or her status as a child at the time of visa issuance shall not cease to be entitled to such visa by reason of attaining age twenty-one or marrying prior to his or her application for admission for permanent residence.

(d) An alien who seeks a redetermination of admissibility pursuant to paragraph (a) of this section shall not be found to be admissible unless he or she:

(1) Has continued to be employed by the petitioning entity in a qualifying position since issuance of the visa and presents a letter describing the specific qualifying employment the alien will take up upon admission for permanent residence; or

(2) Is the spouse or child accompanying or following to join such an alien.

(e) For the purposes of this section, "qualifying position" shall include both the position occupied by the alien at the time the petition in the alien's behalf was approved and any other position within the petitioning entity's organization, regardless of geographical location, which would otherwise meet the requirements for approval of such a petition in the alien's behalf.

For the purposes of this section, *qualifying employment* shall mean any position in the United States of the kind required for approval of such a petition.

§ 45.6 Issuance of immigrant visa upon redetermination of admissibility.

When an alien to whom an immigrant visa having extended validity has been issued pursuant to § 45.5 of this part applies for a redetermination of admissibility and the consular officer determines that the alien remains admissible to the United States, the consular officer shall issue to the alien a new immigrant visa valid for a period of four months. The applicant shall execute a new application and provide the necessary current supporting documents. The applicant shall pay a new issuance fee. The consular officer shall insert the word “DUPLICATE” on Form OF-155A before the word “IMMIGRANT” on each immigrant visa issued pursuant to this section.

§ 46.2 Authority of departure-control officer to prevent alien's departure from the United States.

§ 46.4 Procedure in case of alien prevented from departing from the United States.

(a) Any alien, other than an enemy alien, whose departure has been temporarily prevented under the provisions of § 46.2 may, within 15 days of the service upon him of the written order temporarily preventing his departure, request a hearing before a special inquiry officer. The alien's request for a hearing shall be made in writing and shall be addressed to the district director having administrative jurisdiction over the alien's place of residence. If the alien's request for a hearing is timely made, the district director shall schedule a hearing before a special inquiry officer, and notice of such hearing shall be given to the alien. The notice of

hearing shall, as specifically as security considerations permit, inform the alien of the nature of the case against him, shall fix the time and place of the hearing, and shall inform the alien of his right to be represented, at no expense to the Government, by counsel of his own choosing.

(b) Every alien for whom a hearing has been scheduled under paragraph (a) of this section shall be entitled (1) to appear in person before the special inquiry officer, (2) to be represented by counsel of his own choice, (3) to have the opportunity to be heard and to present evidence, (4) to cross-examine the witnesses who appear at the hearing, except that if, in the course of the examination, it appears that further examination may divulge information of a confidential or security nature, the special inquiry officer may, in his discretion, preclude further examination of the witness with respect to such matters, (5) to examine any evidence in possession of the Government which is to be considered in the disposition of the case, provided that such evidence is not of a confidential or security nature the disclosure of which would be prejudicial to the interests of the United States, (6) to have the time and opportunity to produce evidence and witnesses on his own behalf, and (7) to reasonable continuances upon request, for good cause shown.

(c) Any special inquiry officer who is assigned to conduct the hearing provided for in this section shall have the authority to: (1) Administer oaths and affirmations, (2) present and receive evidence, (3) interrogate, examine, and cross-examine under oath or affirmation both the alien and witnesses, (4) rule upon all objections to the introduction of evidence or motions made during the course of the hearing, (5) take or cause depositions to be taken, (6) issue subpoenas, and (7) take any further action consistent with applicable provisions of law, executive orders, proclamations, and regulations.

[22 FR 10828, Dec. 27, 1957, as amended at 27 FR 1358, Feb. 14, 1962]

§ 46.5 Hearing procedure before special inquiry officer.

(a) The hearing before the special inquiry officer shall be conducted in accordance with the following procedure:

(1) The special inquiry officer shall advise the alien of the rights and privileges accorded him under the provisions of § 46.4.

(2) The special inquiry officer shall enter of record (i) a copy of the order served upon the alien temporarily preventing his departure from the United States, and (ii) a copy of the notice of hearing furnished the alien.

(3) The alien shall be interrogated by the special inquiry officer as to the matters considered pertinent to the proceeding, with opportunity reserved to the alien to testify thereafter in his own behalf, if he so chooses.

(4) The special inquiry officer shall present on behalf of the Government such evidence, including the testimony of witnesses and the certificates or written statements of Government officials or other persons, as may be necessary and available. In the event such certificates or statements are received in evidence, the alien may request and, in the discretion of the special inquiry officer, be given an opportunity to interrogate such officials or persons, by deposition or otherwise, at a time and place and in a manner fixed by the special inquiry officer: *Provided*, That when in the judgment of the special inquiry officer any evidence relative to the disposition of the case is of a confidential or security nature the disclosure of which would be prejudicial to the interests of the United States, such evidence shall not be presented at the hearing but shall be taken into consideration in arriving at a decision in the case.

(5) The alien may present such additional evidence, including the testimony of witnesses, as is pertinent and available.

(b) A complete verbatim transcript of the hearing, except statements made off the record, shall be recorded. The alien shall be entitled, upon request, to the loan of a copy of the transcript, without cost, subject to reasonable conditions governing its use.

(c) Following the completion of the hearing, the special inquiry officer shall make and render a recommended decision in the case, which shall be governed by and based upon the evidence presented at the hearing and any evidence of a confidential or security nature which the Government may have in its possession. The decision of the special inquiry officer shall recommend (1) that the temporary order preventing the departure of the alien from the United States be made final, or (2) that the temporary order preventing the departure of the alien from the United States be revoked. This recommended decision of the special inquiry officer shall be made in writing and shall set forth the officer's reasons for such decision. The alien concerned shall at his request be furnished a copy of the recommended decision of the special inquiry officer, and shall be allowed a reasonable time, not to exceed 10 days, in which to submit representations with respect thereto in writing.

(d) As soon as practicable after the completion of the hearing and the rendering of a decision by the special inquiry officer, the district director shall forward the entire record of the case, including the recommended decision of the special inquiry officer and any written representations submitted by the alien, to the regional commissioner having jurisdiction over his district. After reviewing the record, the regional commissioner shall render a decision in the case, which shall be based upon the evidence in the record and on any evidence or information of a confidential or security nature which he deems pertinent. Whenever any decision is based in whole or in part on confidential or security information not included in the record, the decision shall state that such information was considered. A copy of the regional commissioner's decision shall be furnished the alien, or his attorney or representative. No administrative appeal shall lie from the regional commissioner's decision.

(e) Notwithstanding any other provision of this part, the Administrator of the Bureau of Security and Consular Affairs referred to in section 104(b) of the Immigration and Nationality Act, or such other officers of the Depart-

ment of State as he may designate, after consultation with the Commissioner, or such other officers of the Immigration and Naturalization Service as he may designate, may at any time permit the departure of an individual alien or of a group of aliens from the United States if he determines that such action would be in the national interest. If the Administrator specifically requests the Commissioner to prevent the departure of a particular alien or of a group of aliens, the Commissioner shall not permit the departure of such alien or aliens until he has consulted with the Administrator.

(f) In any case arising under §§ 46.1 to 46.7, the Administrator shall, at his request, be kept advised, in as much detail as he may indicate is necessary, of the facts and of any action taken or proposed.

§ 46.6 Departure from the Canal Zone, the Trust Territory of the Pacific Islands, or outlying possessions of the United States.

No alien shall be prevented from departing from such zone, territory, or possession without first being accorded a hearing as provided in §§ 46.4 and 46.5.

(a) *Definitions.* A minor is an unmarried person under the age of 18 years.

(b) *Execution of application for minors.*

(1) A minor of age 13 years or above shall execute an application on his or her own behalf unless in the judgment of the person before whom the application is executed it is not desirable for the minor to execute his or her own application. In such case it must be executed by a parent or guardian of the minor, or by a person in loco parentis.

(2) A parent, a guardian, or person in loco parentis shall execute the application for minors under the age of 13 years. Applications may be executed by either parent, regardless of the parent's citizenship. Permission of or notification to the other parent will not be required unless such permission or notification is required by a court order registered with the Department of State by an objecting parent as pro-

The Department will consider a court of competent jurisdiction to be a U.S. state court or a foreign court located in the child's home state or place of habitual residence. Notwithstanding the existence of any such court order, a passport may be issued when compelling humanitarian or emergency reasons relating to the welfare of the child exist.

(2) Either parent may obtain information regarding the application for and issuance of a passport to a minor unless the inquiring parent's parental rights have been terminated by a court order which has been registered with the appropriate office at the Department of State; provided, however, that the Department may deny such information to any parent if it determines

that the minor is of sufficient maturity to assert a privacy interest in his/her own right, in which case the minor's written consent to disclosure shall be required.

(3) The Department may require that conflicts regarding custody orders, whether domestic or foreign, be settled by the appropriate court before a passport may be issued.

SOURCE: 22 FR 10841, Dec. 27, 1957, unless otherwise noted.

Subpart A—General Activities

§ 71.1 Protection of Americans abroad.

Officers of the Foreign Service shall perform such duties in connection with the protection of American nationals abroad as may be imposed upon them by rules and regulations prescribed by the Secretary of State.

§ 71.2 Requests for naval force in foreign port.

Diplomatic representatives and consular officers shall not request the presence of a naval force in a foreign port unless a public emergency so necessitates. The request may be addressed to the officers in command of the naval force, in which event responsibility of action rests with them, or it may be addressed to the Department of

State. In either case, the request should contain detailed reasons for its submission.

§ 71.3 American claimants to foreign estates and inheritances.

Where treaty provisions, local laws, or established usage permit, a consular officer should protect the interests of American citizens claiming foreign estates and inheritances.

§ 71.4 Real property of deceased American citizens.

In the absence of special provisions by treaty the devolution and transfer of real property are covered by the law of the place where the property is situated. When real property is left by the decedent within the country where death occurs, or where the decedent was domiciled at the time of death, the consular officer, or diplomatic officer, if there be no consular officer, should if feasible informally observe the proceedings and report to the diplomatic mission or the Department any apparent irregularity or unnecessary delay in settling the estate.

§ 71.5 Storage or safekeeping of private property.

Except in a public emergency, no officer of the Foreign Service shall accept private property for storage or safekeeping in the office or for transmission to some other destination, unless it is property belonging to the estate of a deceased American citizen, or property over which the officer has jurisdiction as a result of a catastrophe at sea. In public emergencies, officers may accept private property for storage and safekeeping or for transmission to another destination, provided the owner signs a statement to the effect that the property is being accepted for deposit at his request, at his own risk, and with full knowledge that neither the Government of the United States nor any of its officers assumes responsibility therefor.

§ 71.6 Services for distressed Americans.

Officers of the Foreign Service shall extend every possible aid and assistance within their power to distressed American citizens within their districts, but they shall not expend the funds nor pledge the credit of the Government of the United States for this purpose, except in the case of American seamen, or except as authorized by the Department of State.

§ 71.7 Reports on catastrophes abroad.

Whenever a great catastrophe occurs abroad, either on land or on sea, the officer within whose district the catastrophe takes place or into whose district the survivors are brought shall report immediately by telegraph the names of any American citizens who have been killed or injured and the names of American citizens known to be safe.

§ 71.8 Assistance to American Red Cross.

Officers and employees of the Foreign Service may cooperate fully with the American Red Cross within their respective districts and subject to the limitations prescribed in § 102.806 (22 CFR, 1947 Supp.). They shall, however, avoid taking an active part in the solicitation of memberships or the collection of funds.

§ 71.9 Presentation of Americans at foreign courts.

The chief of the mission concerned may exercise his discretion in the matter of procuring the presentation of American citizens at the court of the country to which he is accredited.

Subpart B—Emergency Medical/Dietary Assistance for U.S. Nationals Incarcerated Abroad

SOURCE: 42 FR 60141, Nov. 25, 1977, unless otherwise noted.

§ 71.10 Emergency medical assistance.

(a) *Eligibility criteria.* A U.S. national incarcerated abroad is considered eligible to receive funded medical treatment under the following general criteria:

(1) Adequate treatment cannot or will not be provided by prison authorities or the host government;

(2) All reasonable attempts to obtain private resources (prisoner's family, friends, etc.) have failed, or such resources do not exist;

(3) There are medical indications that the emergency medical assistance is necessary to prevent, or attempt to prevent, the death of the prisoners, or failure to provide the serviced will cause permanent disablement.

(b) *Services covered.* Funds, once approved, may be expended for:

(1) Medical examination, when required;

(2) Emergency treatment;

(3) Non-elective surgery;

(4) Medications and related medical supplies and equipment required on a routine basis to sustain life;

(5) Preventive or protective medications and medical supplies and equipment (vaccinations, inoculations, etc.) required to combat epidemic conditions (general or intramural);

(6) Childbirth attendance, including necessary medical care of newborn children; and

(7) Within the consular district, transportation for the U.S. national and attendant(s) designated by incarcerating officials between the place of incarceration and the place(s) of treatment.

(c) *Consular responsibility.* As soon as the consular officer is aware that a U.S. national prisoner in the consular district faces a medical crisis, the officer should take the following actions, setting forth the order or priority based on an evaluation of the facts received:

(1) Make every effort to contact the ill or injured prisoner as soon as possible;

(2) Take steps to obtain a professional medical diagnosis and prognosis of the ill or injured prisoner;

(3) Determine as accurately as possible the estimated costs of recommended treatment or surgery;

(4) Obtain the names and addresses of family or friends who might serve as a source of private funds for medical services, and attempt to obtain the necessary funds;

(5) Request the prisoner to execute a promissory note, since funds expended by the Department to cover medical services normally are on a reimbursable basis; and

(6) Submit the above information, along with recommendations and evaluations, to the Department for approval and authorization.

(d) *Emergency expenditure authorization.* When a medical emergency prohibits the delay inherent in contacting the Department and receiving authority to expend funds, the consular officer can expend up to an amount to be established by the Department without prior Departmental approval if:

(1) Symptoms determine eligibility for emergency medical treatment; or

(2) An immediate medical examination is warranted in order to verify the alleged abuse of a U.S. national prisoner by arresting or confining authorities; or

(3) Immediate emergency medical treatment or surgery is necessary to prevent death or permanent disablement, and there is insufficient time to explore private funds or obtain Department approval; and

(4) A promissory note already has been executed by the prisoner, or if the circumstances warrant, by the consular officer without recourse.

§ 71.11 Short-term full diet program.

(a) *Eligibility criteria.* A prisoner is considered eligible for the short-term full diet program under the following general criteria:

(1) The prisoner is to be or has been held in excess of one day in a holding jail or other facility;

(2) Incarcerating officials do not provide the prisoner food, and food is not available from any other sources, including private funding from family or friends; and

(3) If the funds exceed an amount to be established by the Department, the prisoner signs a promissory note for funds expended, since the assistance is on a normally reimbursable basis.

(b) *Consular responsibility.* As soon as the consular officer is aware that a U.S. national is incarcerated in a facility wherein food is not routinely provided, the consular officer should:

(1) Contact the prisoner in accordance with existing procedures;

(2) Determine the normal cost of basic diet and best method of effecting payment;

(3) Attempt to secure funds from private sources such as family or friends;

(4) Because funds expended by the Department to cover the short-term full diet program normally are on a reimbursable basis, have the prisoner execute a promissory note; and

(5) Contact the Department, providing the above information, for approval and authorization.

(c) *Emergency expenditure authorization.* Since an immediate need for a short-term full diet program often prohibits the delay inherent in contacting the Department and receiving authority to expend funds, the consular officer can expend up to an amount to be established by the Department without prior Departmental approval if the prisoner's case meets the criteria established in paragraph (a) of this section. Expenditures above the predetermined limit must receive the prior approval of the Department.

§ 71.12 Dietary supplements.

(a) *Eligibility criteria.* A prisoner is considered eligible for the dietary supplement program under the following general criteria:

(1) An evaluation by a private physician, prison doctor, or other host country medical authority reveals that the prison diet does not meet the minimum requirements to sustain adequate health; or

(2) If the evaluation in paragraph (a)(1) of this section is not available, an evaluation by either a regional medical officer or Departmental medical officer reveals that the prison diet does not provide the minimum requirements to sustain adequate health.

(b) *Consular responsibility.* (1) When the consular officer is aware that the U.S. prisoner's diet does not provide the minimum requirements to sustain adequate health, the consular officer shall obtain the necessary dietary supplements and distribute them to the prisoner on a regular basis.

(2) As soon as the consular officer believes that dietary supplements are being misused, the consular officer

REPORTING DEATHS OF UNITED STATES CITIZENS

§ 72.1 Consular responsibility.

(a) A consular officer (or in his absence a diplomatic officer) is responsible for reporting to the Department, to the legal representative, and to the closest known relative the deaths of all United States citizens occurring in his consular district except as otherwise provided in § 72.2. In order that he may be informed of such deaths, the consular officer should enlist the cooperation and assistance of the local authorities and the members of the American community.

(b) A consular agent is not authorized to report the deaths of United States citizens to the Department, to the legal representative and to the closest known relative. The consular agent should, however, immediately report the circumstances of the death to

his principal consular officer, who then has the responsibility for reporting in the manner prescribed in this section through § 72.8.

§ 72.2 Exceptions to consular responsibility.

(a) *Department of Defense personnel.* The Department of Defense is required to report officially the deaths of its military and civilian personnel. However, if no representative of the Department of Defense is present in the consular district where the death occurs, the consular officer should inform the Mission in the country to which he is assigned regarding the circumstances, for action by the appropriate attaché. In colonial or trustee areas, or in countries in which no Defense Department attaches are assigned, the consular officer should telegraph the particulars of the death to the Department of State, indicating the maximum length of time before local burial is mandatory, for action by the Department of Defense. All inquiries concerning the death of any person falling within this category should be referred to the Department of Defense, Washington, DC 20301. Instructions in this paragraph do not apply to reporting the deaths of dependents of Department of Defense personnel or to reporting the deaths of contractor personnel, i.e., United States civilians employed in foreign countries by commercial concerns operating under contract with the Department of Defense, or their dependents. The deaths of such persons should be reported in the manner prescribed in § 72.4.

(b) *Coast Guard personnel.* The United States Coast Guard is required to report officially the deaths of its military and civilian personnel. If death occurs in any country in Europe or the British Isles in which a Coast Guard detail is not assigned, the consular officer should inform the Senior Coast Guard Merchant Marine Detail Officer (Europe), London, England, by telegraph. If the death occurs outside Europe or the British Isles, the consular officer should telegraph the particulars of the death to the Department of State, indicating the maximum length of time before local burial is mandatory, for action by the Coast Guard. All

inquiries concerning the death of Coast Guard personnel should be referred to the Commandant, United States Coast Guard, Washington, DC 20226. The instructions in this section do not apply to reporting the deaths of dependents of Coast Guard personnel. The deaths of such persons should be reported in the manner prescribed in § 72.4.

§ 72.3 Telegraphic notifications of death.

(a) *Use of telegraph.* When instructions must be obtained from the next of kin or other interested person in the United States as to disposition of the remains, notification of death should be sent by telegraph to the Department for forwarding. If available to the consular officer, the name and address of the next of kin or legal representative (§ 72.18) should be included in the message. Consular officers at posts in Canada and Mexico whose consular districts are contiguous to the United States may, in their discretion, communicate directly by telegraph with next of kin or legal representative, requesting instructions for disposition of the remains.

(b) *Content of notification.* All such notifications should state the minimum cost of

- (1) Local burial;
- (2) Cremation (if applicable);
- (3) Embalming, preparing and shipping the remains; and
- (4) The maximum period of time before local burial is mandatory.

(c) *Payment of charges.* The cost of these initial notifications of death by telegraph is a proper charge against official funds. Subsequent telegrams relating to matters for personal decision are normally at the expense of interested parties.

[22 FR 10841, Dec. 27, 1957, as amended at 30 FR 4412, Apr. 6, 1965]

§ 72.4 Normal reporting procedure.

(a) *Purpose and use of Form FS-192.* Form FS-192, "Report of the Death of an American Citizen", is an administrative report established for the purpose of providing essential facts concerning the death of a United States citizen, and should be used to report the death officially to the Department, to the legal representative, and to the

closest known relative of the deceased. Notification of death by telegraph does not eliminate the necessity for reporting the death on Form FS-192.

(b) *Information required on Form FS-192.* All information called for under the various headings of Form FS-192 should be supplied in as much detail as possible. When prolonged delay is experienced in procuring full data, the consular officer should prepare and distribute a preliminary report of death on Form FS-192, marking the report "Preliminary." This should be followed by a final and complete report as soon as full data are available. Expanded comments necessary to cover special circumstances concerning the death, should appear under the heading "Remarks." When applicable, statements concerning the following subjects should also appear under the heading "Remarks":

(1) Disposition made of the passport and certificate of naturalization (see § 72.8);

(2) If the deceased is known to have been the recipient of continuing payments other than salary from the Federal Government (e.g., retirement, social security, disability compensation, or veterans insurance or benefits), indication of the nature of the Payments received;

(3) If the deceased is a Selective Service registrant of inductible age, his Selective Service registration number and the number and address of his Local Board, when known.

(c) *Signing and sealing of Form FS-192.* All copies of the Form FS-192 should be signed by the consular officer with his name and official title typed below, and the consular impression seal should be impressed on each copy.

(d) *Transmission of Form FS-192 to the Department.* The original of Form FS-192 shall be sent to the Department, plus one additional copy for each agency concerned, if the deceased was:

(1) A recipient of continuing payments other than salary from the Federal Government; or

(2) An officer or employee of the Federal Government (other than Department of Defense or Coast Guard); or

(3) A Selective Service registrant of inductible age.

(e) *Transmission of form to legal representative and next of kin.* A copy of Form FS-192 should be sent to the legal representative. A copy should also be sent to the closest known relative of the deceased (or relatives, if there are two or more persons having equal interests). No fee is prescribed for sending one copy each of completed Form FS-192 to the legal representative and to the closest known relative or relatives.

(f) *Transmission of form to other consular districts.* In the event that a part of the personal estate of the decedent is known to be in a consular district other than that in which the death occurs (see § 72.32), a copy of Form FS-192 should be sent to the consular officer in the other district.

(g) *Supplying copies of form.* Copies of Form FS-192 shall be supplied by the Department of State or by the Foreign Service post upon request to any person having valid need therefor. Charges are as prescribed in the Schedule of Fees (§ 21.1 of this chapter) or in the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

§ 72.5 Reports of presumptive deaths.

(a) *Provisional report.* Upon the receipt of evidence that a United States citizen is missing and is presumed to be dead, a report should be submitted to the Department on Form FS-192, with the title amended to read "Report of the Presumptive Death of an American Citizen." A statement should be inserted in the form under the heading "Cause of Death" such as the following: "Reported missing, believed to be dead", giving the source of the information upon which the presumption is based. A statement should also be included under the heading "Remarks" showing the requirements of local law for the establishment of legal presumption of the death of missing persons; i.e., whether under local law the legal presumption of death automatically arises at the expiration of a stipulated lapse of time, or whether formal action is necessary to obtain legal confirmation of the death of missing persons.

(b) *Final report.* In the event that the fact of death is established, a final complete report shall be submitted to

the Department on Form FS-192 marked "Final Report," in which reference shall be made, under the heading "Remarks", to the provisional report. If feasible, a "Final Report" should be submitted at such time as legal presumption of death arises in accordance with local law.

§ 72.6 Reports of deaths on the high seas.

(a) *On vessels of United States registry.* When a United States citizen (not a seaman) dies on board a vessel of the United States making a voyage from a port in the United States to any foreign port, the master of the vessel is required to enter the circumstances of the death in the official log book (46 U.S.C. 201). Customarily, these circumstances are reported to the consular officer at the first port of call. On the basis of the log entry, the consular officer should report the death on Form FS-192 in the manner prescribed for other United States citizens (see § 72.4). A copy of the text of the log entry, certified by the master, should be retained with the office copy of Form FS-192.

(b) *On vessels of foreign registry.* When a United States citizen dies on a vessel of foreign registry, all information obtained from the master of the vessel for purposes of reporting the death on Form FS-192, should be supported by a certified copy of the text of the log entry, if obtainable.

§ 72.7 Reports on deceased persons believed to be United States citizens.

(a) *Verification of citizenship.* As Form FS-192 may be accepted in courts of law, or considered elsewhere, as evidence of United States citizenship at the time of death, the consular officer should consult the regulations describing the evidence of citizenship which is acceptable for passport and registration purposes and should exercise due care in determining the citizenship status of the deceased. In doubtful cases he should transmit the Form FS-192 to the Department under cover of a despatch stating that the citizenship of the deceased has not been verified. The Department will then determine whether Form FS-192 may be released to the legal representative, next of kin,

or other interested person, and will inform the consular officer of whatever action is taken.

(b) *Presumptions as to citizenship status.* When the deceased was not currently documented at a Foreign Service office as a United States citizen, it must be assumed that, if the deceased was—

(1) A native citizen, he had retained United States citizenship at the time of death, in the absence of evidence of an affirmative act of expatriation under paragraph 1, section 2 of the act of March 2, 1907, section 401 of the Nationality Act of 1940, or section 340 or 350 of the Immigration and Nationality Act;

(2) A naturalized citizen, he had retained United States citizenship at the time of death, in the absence of evidence that he had lost nationality of the United States by having a continuous residence for three years in the territory of a foreign state as provided in section 352(a)(1) of the Immigration and Nationality Act, or by having a continuous residence for five years in any other foreign state or states as provided in section 352(a)(2) of the same act, unless there is evidence that his case comes within one of the exceptions established under section 353 or 354 of the act. Nationality may also have been lost under similar provisions contained in section 404 of the Nationality Act of 1940. The term residence as used herein means the place of general abode, and residence shall be considered continuous for the purpose of sections 350 and 352(a) (1) and (2) of the act where there is a continuity of stay but not necessarily an uninterrupted physical presence in a foreign state or states or outside the United States.

§ 72.8 Disposition of nationality documents.

(a) *Passport.* The passport of a deceased United States citizen should be canceled by the consular officer and either returned to the Department or delivered to the person having a legitimate interest therein. Only a person who is included in the passport may be considered to have a legitimate interest in it. The date and place of death should be noted on the passport, and an

Department of State

§ 72.10

appropriate notation made on Form FS-192 (see § 72.4(b)(1)).

(b) *Certificate of naturalization.* The certificate of naturalization of a deceased United States citizen should be taken up by the consular officer and forwarded to the Department for transmission to the Department of Justice; or, if the certificate is claimed by any person who may have a legitimate interest therein, it should be endorsed by the consular officer to show the date and place of death of the person to whom it was originally issued, and should then be delivered to the person entitled thereto, with appropriate notation made on Form FS-192 (see § 72.4(b)(1)).

DISPOSITION OF REMAINS

§ 72.9 Consular responsibility.

(a) In the absence of relatives or other interested persons, the consular officer should exert all reasonable effort to carry out the expressed wishes of the deceased or next of kin as to local burial, cremation, or shipment of the remains, taking care that the legal requirements of the country are met. However, the consular officer is neither authorized nor expected to assume any financial responsibility for, or to incur any expense in connection with, the disposition of the remains of deceased persons unless specifically instructed to do so by the Department. When the next of kin or other interested person cannot be reached within the period provided by local law for the interment or preservation of dead bodies and sufficient funds can be realized from the personal estate of the deceased in the consular officer's possession, he should arrange for disposal of the remains locally and draw funds from the estate to cover the costs (see § 72.39; also § 72.20 as regards withdrawals from bank accounts). If there are not sufficient funds in the estate to cover the costs, and funds are unobtainable from relatives or other interested persons, there may be no alternative but to accept disposal of the remains by the local authorities in accordance with local law or regulations. (See also § 72.13 for remains requiring special handling.)

(b) A consular agent may, upon instructions from his principal consular officer, arrange for the disposition of remains of deceased United States citizens. His principal consular officer has, in accordance with this section to § 72.14, the responsibility for reporting to relatives and for complying with the laws of the country in which the death occurred as well as the requirements of the United States.

§ 72.10 Local burial.

(a) *Arrangements for funerals.* When the responsibility for local burial falls on the consular officer (see § 72.9), he should endeavor to carry out the expressed instructions of the deceased or, in the absence of such instructions, the wishes of the next of kin. Funeral services should be conducted in accordance with the rites of the religious faith of the deceased, if known. In each instance the consular officer should notify known friends of the deceased and other interested persons in the consular district (such as any American community organizations) of the date and place of the funeral. When practicable, the services should be attended by a member of the consular staff.

(b) *Report to relatives.* The next of kin, or other person whose wishes have been considered in making the arrangements for local burial, should be informed by letter of any funeral service that is held.

(c) *Erection of markers.* If the consular officer is requested to make arrangements for the erection of markers on graves, he may assist to the extent of ascertaining any feasible procedure for making local arrangements and effecting direct remittance for this purpose, and informing the interested party accordingly.

(d) *Upkeep of graves.* The maintenance and repair of graves of persons whose remains are interred abroad, including officers and employees of the Foreign Service, is not a proper charge against official funds unless specifically authorized. If the consular officer is requested to make arrangements for the upkeep of graves, he may assist to the extent indicated in paragraph (c) of this section with respect to the erection of markers.

§ 72.11 Cremation.

(a) *Arrangements.* When cremation is desired, and the facilities are available, the consular officer should see that all necessary arrangements are made if compatible with the requirements of the country in which the death occurred, having in mind particularly such local laws as may prohibit cremation unless specific request for such disposition was made in writing by the individual prior to death.

(b) *Disposition of ashes.* Disposition of the ashes should be made in accordance with the expressed wishes of the deceased or the next of kin, or other interested person. If shipment to the United States is desired, only local health requirements must be met, as there are no sanitary requirements for entry of ashes into the United States. A marking should be made on, or a marker firmly affixed to, the container in which the ashes are shipped. The latter should be accompanied by—

- (1) An official death certificate;
- (2) Cremation certificate;
- (3) Certificate from the crematorium stating that the container holds only the cremated remains of the deceased; and
- (4) A permit to export (if required locally).

§ 72.12 Shipment of remains to the United States.

(a) *Arrangements.* Whenever the remains of persons who have died abroad, regardless of the nationality of the deceased, are to be shipped to the United States, the consular officer should assure himself that they are properly encased and accompanied by all necessary papers pertaining to the death, exhumation (if applicable) and preparation for shipment. The requirements of the country where the death occurred must be met at all times.

(b) *Local documents accompanying remains.* The following documents should accompany the remains for shipment, attached to the consular mortuary certificate (see paragraph (d) of this section):

- (1) A certificate of death issued by the local registrar of deaths, or similar authority, identifying the remains, showing the place, date and cause of death as certified by the attending

physician, with a listing of the cause of death conforming as far as practicable with the terminology of the International List of Causes of Death (needed to comply with United States Quarantine and interstate requirements);

(2) The affidavit described in paragraph (c) of this section (for United States Customs), which also would generally include evidence of embalming, when applicable (needed to comply with the requirements for interstate shipment);

(3) A “transit permit” authorizing export of the body out of the country, issued by the health authority at the port of embarkation, stating the date of its issuance, name of deceased, sex, race, age, cause and date of death (needed to comply with New York health requirements).

(c) *Packing and labeling of casket.* In order to facilitate clearance through United States Customs at the port of entry, the undertaker, or whatever person is responsible for packing the body for shipment, should be required to make a sworn declaration—to be attached to the consular mortuary certificate (see paragraph (d) of this section)—that the casket or box contains only the body of the deceased and the necessary clothing and packing. The sworn declaration should be made, if practicable, before the consular officer; if not, it should be made before a qualified local official, whose signature and seal can be authenticated by the consular officer. The outer box should be labeled in conformity with port of entry health requirements.

(d) *Consular mortuary certificate.* A consular mortuary certificate should be prepared indicating how the case is marked and addressed, means of transportation to the United States, name of carrier, date and place of shipment, port of entry and scheduled time of arrival. The documents listed in paragraph (b) of this section should be ribboned to the consular mortuary certificate, which should be signed by the consular officer and sealed with the consular press seal.

§ 72.13 Remains requiring special handling.

(a) *Foreign Service personnel.* In the absence of relatives or other interested

Department of State

§ 72.19

persons, the consular officer should make all necessary arrangements for the disposition of the remains of deceased officers and employees of the Foreign Service according to specific instructions from the Department.

(b) *Personnel of other Government agencies.* The consular officer should extend to other departments or agencies of the United States Government all appropriate aid, in accordance with specific instructions received through the Department of State for the disposition of the remains of an employee who has died while serving in a foreign country.

§ 72.14 Fees for disposing of remains.

No fees are prescribed for services in connection with the disposition of remains.

PERSONAL ESTATES OF DECEASED CITIZENS

§ 72.15 Statutory responsibility of consular officer.

Sections 1175–1179 of title 22 of the United States Code prescribe the statutory responsibility of officers of the United States Foreign Service for the personal estates of deceased United States citizens dying outside the United States.

§ 72.16 Regulatory responsibility of consular officer.

Except as otherwise provided in §§ 72.18 through 72.26, the consular officer (or in his absence a diplomatic officer) should take possession and dispose of the personal estates (other than the articles described in §§ 72.29 and 72.30) of all United States citizens who die within his jurisdiction or were residing therein at the time of death. This responsibility should be discharged in accordance with the procedure prescribed herein so far as that procedure is authorized by:

- (a) Treaty provisions; or
- (b) The laws or authorities of the country wherein the estate is located; or
- (c) Established usage.

§ 72.17 Responsibility of consular agents.

A consular agent has no statutory authority to take possession and dispose of the personal estate of a deceased citizen of the United States, except under the immediate supervision and as the agent of his principal consular officer. The consular agent, therefore, should immediately report the circumstances to, and request instructions from, his principal consular officer, who should assume the responsibility for taking possession and disposing of the personal estate in accordance with the regulations in this part.

§ 72.18 Responsibility if legal representative is present.

According to law (22 U.S.C. 1175), the consular officer should not take possession or dispose of the personal estate of a deceased citizen who has left a legal representative in the country where the death occurred or in the country where he was residing at the time of death. As used here, the term “legal representative” means—

- (a) An executor designated by will or testament;
- (b) An administrator appointed in interstate proceedings;
- (c) An agent of executor or administrator qualifying by power of attorney;
- (d) A child of legal age;
- (e) A parent;
- (f) The next of kind (nearest blood relative);
- (g) The surviving spouse.

§ 72.19 Responsibility if trustee for personal estate is present.

Likewise, the law (22 U.S.C. 1175) stipulates that the consular officer should not take possession or dispose of the personal estate of a deceased citizen who has left in the country where the death occurred, or in which he was residing at the time of death, a “trustee by him appointed.” The language of the statute includes any person, natural or juristic, appointed by the decedent in a will, or appointed by a deed to hold legal title to the personal property for the benefit of a named beneficiary.

§ 72.20 Responsibility if “partner in trade” is present.

Although the law (22 U.S.C. 1175) also relieves the consular officer of responsibility if a “partner in trade” is present, the death of one member of a partnership automatically dissolves this relationship. Consequently, the surviving partner or partners have no beneficial interest as “partners in trade” in the personal estate of the deceased. The duties and responsibilities of provisional conservator of the personal estate of the deceased cannot therefore be assumed by a surviving partner, unless he is duly authorized to act as a legal representative of the deceased. Accordingly, the presence of a former “partner in trade” will not necessarily relieve the consular officer of his responsibility.

§ 72.21 Responsibility if will intended to operate locally exists.

If a will is discovered which is intended to operate locally, and a local or domiciliary representative named by the decedent qualifies promptly and takes charge of the personal estate, the consular officer should assume no responsibility for the estate (§§ 72.18 and 72.19), and should not take possession, inventory and dispose of the personal property and effects or in any way serve as agent for the local or domiciliary representative. However, if the laws of the country permit and if the local or domiciliary representative does not qualify promptly, the consular officer may have take protective action in the interest of the estate to the extent of placing his seal on the personal property and effects of the decedent, such seal to be broken or removed only at the request of the local or domiciliary representative. Furthermore, he should see that the foreign authorities accord due recognition to the American interests involved and provide proper protection for the property under local procedures. If prolonged delays are encountered by the local or domiciliary representative in making arrangements to take charge of the personal estate, the consular officer may request that the will be offered for probate, if in his judgement such action is advisable in the interest of the estate.

§ 72.22 Responsibility if will intended to operate in the United States exists.

If a will that is intended to operate in the United States is found among the effects taken into possession by the consular officer, it should be forwarded immediately to the person or persons designated, in the event that their whereabouts are known. When this is impossible, the will should be sent to the appropriate court in the State of the decedent’s domicile. Special directions contained in the will for the conservation by the consular officer of the personal estate should be observed by him so far as the laws of the foreign country and these regulations permit him to act.

§ 72.23 Responsibility in case of Department of Defense personnel.

The Department of Defense is required, in the absence of a legal representative or other authorized person (see §§ 72.18 and 72.19), to assume responsibility for the disposition of the personal estates of its military and civilian personnel who have died abroad. However, when no representative of the Department of Defense, or other authorized person, is present at the time of death, the consular officer should take possession of the personal estate and hold it for disposition in accordance with instructions from the Department of Defense. No fee should be charged for services so rendered (§ 72.54). Instructions in this section do not apply to the personal estates of dependents of Department of Defense personnel; nor to contractor personnel, i.e., United States civilians employed in foreign countries by commercial concerns operating under contract with the Department of Defense, and their dependents. The estates of such persons should be disposed of in the manner prescribed by §§ 72.28 to 72.51, if no legal representative is present.

§ 72.24 Responsibility in case of Coast Guard personnel.

The United States Coast Guard is required, in the absence of a legal representative or other authorized person (see §§ 72.18 and 72.19), to assume responsibility for the disposition of the

personal estates of its military and civilian personnel who have died abroad. However, when no representative of the Coast Guard, or other authorized person is present at the time of death, the consular officer should take possession of the personal estate and hold it for disposition in accordance with instructions from the Commandant, United States Coast Guard. No fees should be charged for services so rendered (§ 72.54). Instructions in this section do not apply to the personal estates of dependents of Coast Guard personnel. The estates of such persons should be disposed of in the manner prescribed by §§ 72.28 to 72.51, if no legal representative is present.

§ 72.25 Responsibility in case of citizens dying on the high seas.

(a) *Consular responsibility not provided by statute.* There is no express provision of law authorizing the consular officer to take possession and dispose of the personal estate of a citizen of the United States (not a seaman) who has died on the high seas.

(b) *When death occurs on board vessel of United States registry.* If the death occurred on board a vessel of the United States, the master of the vessel, in the absence of a legal representative or other authorized person (see §§ 72.18 and 72.19), should be requested to take custody and return the personal estate to the shipping company in the United States for forwarding to the legal representative or other authorized person.

(c) *When death occurs on board vessel of foreign registry.* Death on board a vessel of foreign registry is considered to have occurred in the territory of the country of the ship's registry, and the estate laws of that country are applicable in such cases. In the absence of a legal representative or other authorized person (see §§ 72.18 and 72.19), the consular officer should take possession and dispose of the personal estate, provided that the laws of the country of assignment as well as the laws of the country of the ship's registry permit. The procedure in such cases is identical with that followed in the disposition of the estate of any United States citizen who may have died within the consular district, except that no fees should be charged for services rendered (§ 72.55).

§ 72.26 Responsibility in case of seamen.

See §§ 85.4 to 85.9 of this chapter for regulations regarding the disposition of the personal estates of seamen who have died while serving as members of the crew of a vessel of the United States. The consular officer should take possession and dispose of the personal estates of United States citizens who have died while serving as seamen on board foreign vessels, in the manner prescribed by § 72.25(c).

§ 72.27 Responsibility in case of Foreign Service personnel.

In the absence of a legal representative or other authorized person, the consular officer should take possession and dispose of the personal estates of deceased Foreign Service personnel in the manner prescribed by these regulations for other deceased citizens of the United States, except that no fee should be charged (§ 72.54). Travel orders issued by the Department for shipment of the personal effects of deceased officers and employees of the Foreign Service constitute only administrative authorization to transport the effects to a given destination, and in no way relieve the consular officer of the responsibility for satisfying himself of a claimant's right to the personal estate prior to shipment (§ 72.43).

§ 72.28 Effects to be taken into possession.

Although no limitations are placed by law (22 U.S.C. 1175) on the nature and extent of the personal property that should be taken into possession by the consular officer in the absence of a legal representative, experience has shown that the need exists to delimit by regulation the consular officer's obligations, but not his authority, in this regard. For example, the consular officer would not normally be expected to take physical possession of the articles covered in § 72.29 unless the items are of such nature and quantity as to be readily included with the personal effects of the nature described in this section, or unless such action, when physically possible, is necessary for the preservation or protection of the property. The consular officer does, however, have responsibility for taking

reasonable steps to safeguard the articles of the personal estate which he does not take into possession until disposition can be effected by the legal representative. The personal effects which the consular officer would normally take into possession in any event include the following:

(a) Convertible assets, consisting of currency, redeemable transportation tickets, evidences of debts due and payable in the country of the officer's assignment, and any other instruments negotiable by the consular officer;

(b) Perishable property (including most foodstuffs), having commercial value;

(c) Luggage;

(d) Wearing apparel;

(e) Miscellaneous personal effects;

(f) Jewelry, heirlooms and articles of sentimental value;

(g) Non-negotiable instruments, defined as any document or instrument not saleable or transferrable by the consular officer, but which requires either the signature of the decedent or action by, or endorsement of, his legal representative; and includes transportation tickets not redeemed or redeemable by the consular officer, traveler's checks, promissory notes, evidences of debts not due and payable in the country of the officer's assignment, stocks, bonds or other similar instruments, bank books, books showing deposits in building and loan associations, etc. No fee is charged on non-negotiable instruments taken into possession by the consular officer; see § 72.53.

(h) Personal documents and papers.

§ 72.29 Nominal possessions; property not normally taken into possession.

(a) The taking of articles of personal property into nominal possession from local officials or other persons, for the explicit purpose of on-the-spot release to the "legal representative" as defined in § 72.18 against the latter's memorandum receipt discharging the consular officer without further accounting of any responsibility for articles so transferred by him, shall not be construed as the taking of custody by the officer. No fee shall be charged for the consular officer's service in effecting transfer of the articles in the manner described, provided that he is not required to pre-

pare a consular inventory, appraise the articles, or list the contents of containers, and provided further that the effects are not taken in safekeeping upon official accountability.

(b) The consular officer is not normally expected to take physical possession, as provisional conservator, of livestock or of articles of personal property which may be found in residences and places of storage such as furniture, household effects and furnishings, bulky works of art, etc., unless the items are of such nature and quantity as to be readily included with the personal effects (§ 72.28), or unless such action, when physically possible, is necessary for the preservation or protection of the property, especially where the articles are of considerable intrinsic value; nor is the consular officer normally expected to take into physical possession motor vehicles, airplanes, or powered watercraft. Personal property not taken into possession should, however, be safeguarded by affixing the consular seal on the premises or on the property (whichever is appropriate), provided the laws of the country permit; or by taking reasonable steps to ensure that such items are placed in safekeeping (at the expense of the estate) until action can be taken by the legal representative. In order to protect the interests of the estate, the consular officer should prepare a list, in quintuplicate, of the articles not taken into physical custody, with indication of safeguarding measures taken, for submission with the inventory of effects which must be prepared for all items in his possession (see § 72.53). If the property which normally would be sealed by the consular officer is not immediately accessible, he should consider requesting the local authorities to seal the premises, or the property, or otherwise ensure that the property remains intact until consular seals can be placed thereon or the property placed in safe storage, or until the legal representative assumes responsibility therefor.

§ 72.30 Bank deposits in foreign countries.

The existence of bank deposits when known should be reported to the legal

Department of State

§ 72.33

representative, or other authorized person, who should be informed of the general procedure required by local law to withdraw such deposits and whether legal counsel is advisable for that purpose. There is no express provision of law authorizing the consular officer to withdraw or otherwise dispose of bank deposits in foreign countries left by deceased United States citizens. Such deposits, therefore, are considered for the purpose of the regulations in this part as forming no part of the personal estate of a decedent, and no Foreign Service fees are chargeable thereon (§72.53(c)). In the event that the consular officer is requested by the legal representative of the estate to withdraw bank balances on his behalf in order to defray local expenses in connection with the death and the settlement of the personal estate of the decedent, he may comply with such request if facilities are provided by the depository for this purpose. Funds withdrawn should be limited to the amount necessary to defray the expenses prescribed herein, and fees should be collected on the amount withdrawn, in accordance with §72.52.

§72.31 Action when immediate possession is impracticable.

The law imposes no affirmative obligation upon the consular officer to travel long distances for the purpose of taking on-the-spot possession of a personal estate. If occasion to visit the locality where the death occurred coincides with the need to take action, the consular officer should avail himself of the occasion to assume custody of the effects. Normally, however, the consular officer's initial responsibility in such cases does not extend beyond reasonable efforts to obtain possession of the estate. He should communicate with the persons, officials, or organizations having custody of the effects, requesting that the effects be delivered to him, at the expense of the estate, for lawful disposition. If the local authorities should decline to surrender possession to the consular officer in a case where he feels that his right to take possession is clear, he may refer the matter to the mission. The consular of-

ficer's personal responsibility for any given item among the personal effects commences only when that item reaches his hand.

§72.32 Action when property is in other consular districts.

If any portion of the personal estate is known to be in another consular district, mention of this should be made under "Remarks" in the Form FS-192; and a copy of this form should be sent to the consular officer concerned (see §72.4(f)) who should assume responsibility independently for taking possession and disposing of these effects in the manner prescribed herein. If the cash resources of the personal estate found in one consular district are insufficient to pay the decedent's debts in that district or in the country of the consular officer's assignment (see §72.39), the funds found among the personal effects in the other consular district may be utilized to pay the decedent's debts in both districts or countries. In such cases, the consular officer who effects the transfer of the funds should enter the disbursement in his final statement of account (see §72.51), including the funds transferred in the gross amount of the estate in his possession, for the assessment of fees as indicated in §§72.52 to 72.55. The funds transferred should also appear in the final statement of account of the consular officer receiving them as "receipts" and "disbursements", stating the source. However, no fee should be charged on the amount involved (see §72.53(b)).

§72.33 Official notification to legal representative.

The preparation and forwarding of Form FS-192 complies with the law (22 U.S.C. 1176) as regards notification of death to the legal representative as well as to the Secretary of State. Failing by direct means to locate a legal representative, the consular officer may, if required in connection with the settlement of the estate, have recourse to giving public notice of the death in "one of the gazettes" (i.e. any suitable periodical) in the consular district.

§ 72.34 [Reserved]**§ 72.35 Procedure for inventorying and appraising effects.**

After taking possession of the personal estate of a deceased citizen, the consular officer should immediately inventory and appraise the personal effects on the basis of the local market value, article by article, with the assistance of two other persons who should join him in signing the inventory and in certifying to the accuracy of the appraised value of each article inventoried. The inventory should include only that part of the personal estate actually taken into possession by the consular officer, regardless of value and the fact that the death may have occurred in one consular district and a portion of the personal effects may be found in another consular jurisdiction. Care should be exercised not to overestimate the value of the personal effects, which is the basis on which Foreign Service fees will be charged (§ 72.52). The consular officer may, in his discretion, call upon professional appraisers at the expense of the estate when warranted by the nature of the personal effects, i.e., expensive jewelry, furs, etc.

§ 72.36 Preparation and disposition of inventory.

The inventory of effects should be prepared in quintuplicate. All copies should be signed by the consular officer and the two persons who assisted in its preparation, and they should be disposed of in the following manner:

- (a) The original retained in the office files;
- (b) Two copies, under cover of a despatch, sent to the Department (one copy for transmission to the General Accounting Office);
- (c) One copy to the legal representative (two copies if the next of kin is the legal representative); and
- (d) One copy to the next of kin.

§ 72.37 Disposal of perishable property.

As soon as practicable after the consular officer takes possession, the perishable portion of the personal estate having commercial value (including most foodstuffs) should be sold at auc-

tion, i.e., to the most favorable bidder, unless the amount involved does not justify such expenditure. A newspaper advertisement, written or oral requests for bids from any interested party, or the services of a professional auctioneer, may all serve the purpose of insuring an impartial sale. When the value of the goods or circumstances do not justify such action, the consular officer may proceed directly with the sale of the goods.

§ 72.38 Collection of debts due deceased.

The consular officer should endeavor to collect only those debts due the decedent from persons or concerns in the country in which the death occurred or in the country in which the decedent was residing at the time of death. Debts so collected are regarded as part of the decedent's personal estate, and should be included in the gross amount thereof for the assessment of fees (§ 72.52).

§ 72.39 Payment of debts owed by deceased.

(a) *When cash resources suffice.* The decedent's debts which the consular officer is reasonably certain are legitimately owed in the country in which the death occurred, or in the country in which he was residing at the time of death, including expenses incident to the disposition of the remains and the personal effects, should be paid out of the cash resources of the personal estate taken into possession by the consular officer; namely, money found among the personal effects, proceeds of the sale of the perishable property, or funds received through the collection of debts owed the decedent. See § 72.32 in regard to the personal estate in another consular district. Any doubtful claim against the estate should be referred to the legal representative or other authorized person for consideration; a claim for damages for a negligent or wrongful act of the decedent is not a debt to be paid by the consular officer unless it has been reduced to judgment.

(b) *When cash resources are insufficient.* In the event that the cash resources of the personal estate are not sufficient to pay the debts owing in the

Department of State

§ 72.43

country in which the death occurred, or in the country in which the decedent was residing at the time of death, the consular officer should endeavor to obtain sufficient funds from the legal representative, next of kin or other interested person. See § 72.32 concerning funds found in another consular district. Fees are not charged on funds so furnished (§ 72.53). If sufficient funds cannot be assembled from the foregoing sources, the consular officer should sell at auction (see § 72.37), such portion of the personal estate as may be necessary to pay the debts and expenses. Should occasion arise for sale of motor vehicles, airplanes or powered watercraft, title to which and liens upon which in the United States and almost universally are matters of official record, care should be taken to conform with applicable registration requirements. Articles which are most marketable, and at the same time least likely to be desired by the heirs of the decedent, should be sold first. Jewelry, heirlooms and articles which may have sentimental value to relatives, regardless of intrinsic value, should be sold only in case of necessity, and in the order named. Members of the decedent's family should be notified of the necessity for the sale, if practicable, in order that they may purchase these articles if they desire. Proceeds from the sale are regarded as forming part of the personal estate and should be included in the gross amount thereof for the assessment of Foreign Service fees (see § 72.52).

§ 72.40 Consular officer not to act as administrator of estate.

The consular officer normally should not accept appointment from any foreign state or from a court in the United States to act as administrator, or to assist (except as provisional conservator) in administering the personal estate of a deceased citizen who has died, or was residing at the time of death, within his consular district. Neither should he accept appointment as guardian or in any other fiduciary capacity in the settlement of the estate without:

(a) Having previously obtained the permission of the Secretary of State to accept such appointment; and

(b) Having assured himself that he has authority so to act under treaty provisions, local law or usage.

If authorization is received as to appointment in any of the capacities indicated above, the consular officer will be required to execute bond, with surety to be approved by the Secretary of State (22 U.S.C. 1178, 1179).

§ 72.41 Consular officer not to perform legal services or to employ counsel.

Owing to the legal restriction against engaging in foreign business or professional activity (22 U.S.C. 805), the consular officer shall not act as attorney or agent for the estate. Neither shall he employ counsel at the expense of the United States Government, or the estate, in collecting and disposing of the personal estate of a deceased citizen. If legal assistance is requested of the consular officer, he may furnish the names of several attorneys or inform the inquirer as to sources through which the names of suitable attorneys may be obtained.

§ 72.42 Consular officer not to assume financial responsibility.

The consular officer, as provisional conservator of the personal estate of a deceased citizen, is neither authorized nor expected to assume any financial responsibility, not to incur any expense in behalf of the estate, in excess of funds available for that purpose (see § 72.39(a)).

§ 72.43 Conditions under which estate can be released by consular officer.

The consular officer is responsible to the United States court having probate jurisdiction over the estate and to the parties in interest for the personal estate in his possession. He must be prepared to deliver the estate to, or otherwise dispose of it according to the wishes of, the legal representative of the decedent upon the presentation of satisfactory evidence of the latter's right to receive the estate, and upon the payment of the prescribed Foreign Service fees (§ 72.52). Determination of what constitutes satisfactory evidence of a claimant's right to the personal estate of a deceased citizen is also the responsibility of the consular officer. The

consular officer, therefore, must satisfy himself that the evidence which he accepts is sufficient to relieve him as provisional conservator. Friends, traveling companions, employers, and business associates are not competent to relieve the consular officer of the duties and responsibilities enumerated in the regulations in this part, unless duly authorized as legal representatives of the estate (see § 72.18). Satisfactory evidence of a claimant's right to the personal estate of a decedent may be supplied in the manner indicated in § 72.44.

§ 72.44 Evidence of claimant's right to estate.

(a) *Letters testamentary.* A certified copy of the letters testamentary (an instrument issued by a court of law under which a person, named as executor by a will, formally takes charge of the estate and proceeds to carry out the directions in the will) is prima-facie evidence of the executor's right to take possession of the personal estate.

(b) *Letters of administration.* A certified copy of the letters of administration (an instrument issued by a court of law in intestate proceedings appointing an administrator to take charge of the property of a decedent) is prima-facie evidence of the administrator's right to take possession of the personal estate.

(c) *Affidavit of next of kin.* When a decedent dies intestate, and the personal estate consists only of clothing and similar personal effects appraised at little or no commercial value, or in cases where the consular officer is fully satisfied of the legal right of the claimant and the value of the estate does not warrant the expense of probate proceedings, he may be justified in considering as satisfactory evidence an affidavit executed by the decedent's next of kin. The affidavit of the next of kin should be corroborated by the sworn statements of two persons acquainted with the affiant and familiar with the facts of the case. In any event, the consular officer must satisfy himself of the legal right of the claimant or claimants to the decedent's effects before releasing the property that he has in his possession, and he must decide whether

an affidavit is acceptable in lieu of a certified copy of the letters testamentary or the letters of administration.

§ 72.45 Shipment of personal estate to the United States.

(a) When the consular officer is requested to ship to the United States the personal estate in his possession, he should deliver it to a forwarding company selected by the legal representative. Clearance by Customs in the United States will be facilitated if the personal estate is accompanied by a consular certificate identifying it and indicating its nature. If the entire shipment is covered by a single bill of lading, a certificate attached to the original bill of lading covering the shipment would be sufficient; otherwise a certificate should accompany each parcel, box or case.

(b) Extra copies of the bill of lading can serve as a receipt from the forwarding company, one copy to be attached to the consular officer's final statement of account (§ 72.50), and one copy to be retained in the office files. If shipment by registered or insured parcel post, or by other safe means covered by receipt, is possible, there is no objection to forwarding the estate in this fashion, and postal or other receipts should be disposed of in the manner described above, with the original attached to the final statement of account. The personal effects of Foreign Service personnel (see § 72.27) and of personnel of other Government agencies (except Department of Defense and Coast Guard personnel) should be consigned to the United States despatch agent at the port of entry, for forwarding to the legal representative.

§ 72.46 Consular action on disagreements between claimants.

If rival claimants or administrators (administrators may be appointed in different jurisdictions) demand the personal estate in the consular officer's possession, he should refuse to deliver the estate until an agreement has been reached, or judgment rendered, as to which claimant or administrator should receive it, and the consular officer so informed in writing. If, after one year, agreement has not been reached

between rival claimants, or judgment rendered, the consular officer should notify all parties concerned and sell the entire personal estate at auction in the manner prescribed by § 72.37, with the exception of jewelry, heirlooms, and articles which may have sentimental value to relatives, regardless of intrinsic value. Should any of the personal property not have been taken into physical possession previously (see § 72.29), the consular officer should take possession of such property and, after preparing a supplementary inventory in the manner prescribed in §§ 72.35 and 72.36, include this portion of the estate with that already in his possession. The proceeds of the sale should be converted into United States dollars and after payment of local debts (§ 72.39) and collection of the fee prescribed by § 72.52, should be transmitted, with any unsold portion of the estate in the consular officer's possession, to the Department of State for forwarding to the General Accounting Office for safekeeping and lawful disposition as conservator of the estate (22 U.S.C. 1175).

§ 72.47 Consular action on unproved claim to estate.

If the evidence of a claimant's right to receive the estate is not considered sufficient to relieve the consular officer of his responsibility as provisional conservator, he may elect a period of time, not less than one year from the date of the decedent's death, within which settlement must be effected, in order to obviate interminable delay in disposing of the estate. In the consular officer's discretion, he may before releasing the estate, require the claimant to give bond in an amount fixed by the officer himself to run for such period of time as he may designate, in order to protect himself against other possible claims against the estate. If claim to the estate is still unproved at the expiration of the period set, or the claimant refuses to meet the conditions of any bond which the consular officer may require, the consular officer should dispose of the entire personal estate in the manner prescribed by § 72.46.

§ 72.48 Consular action on unclaimed estates.

If, after the expiration of one year from the date of the decedent's death, a legal representative has not appeared to claim the estate, the consular officer should dispose of the entire personal estate in the manner prescribed by § 72.46.

§ 72.49 Disposition of estate upon departure of responsible officer.

(a) *Responsibility vested in officer, not post.* For the purpose of the regulations in this part, the consular officer who actually takes possession and disposes of the personal estate of the deceased, i.e., the officer whose signature appears on the inventory of effects, is considered to be the responsible officer. Consequently, upon his departure from the post, either on transfer or extended leave, provision should be made for the disposition of any estate remaining unsettled at the time of his departure.

(b) *Procedure when estate held for less than one year.* When the personal estate is held less than one year, the personal effects in the departing officer's possession should be turned over to another officer at the post against a receipt therefor, in triplicate, identifying the property and cash on hand by reference to the inventory (§§ 72.35 and 72.36) and the trust fund records of the post.

(c) *Procedure when estate held for more than one year.* When the estate has been held for more than one year, the personal effects in the departing officer's possession should be forwarded to the Department for transmission to the General Accounting Office in the manner prescribed by § 72.46 and accounted for in accordance with § 72.50 unless circumstances as described in §§ 72.46 and 72.47 warrant continuing efforts to effect agreement between rival claimants, or to establish an unproved claim. If the estate is not forwarded to the Department, it should be turned over to another officer at the post in the same manner authorized by paragraph (b) of this section.

§ 72.50 Final statement of account.

The consular officer must account directly to the parties in interest and to the courts of law in estate matters. Consequently, he must keep an account

of receipts and expenditures for the personal estate of the deceased; i.e., debit all moneys and effects which actually come into his possession, and credit all payments made on account of the estate. At such time as the consular officer is ready to deliver the estate, he should prepare his final statement of account, entering thereon the balance delivered to the legal representative or person designated by him (with name and address stipulated) or the balance forwarded to the Department for transmission to the General Accounting Office.

§ 72.51 Preparation and disposition of final statement of account.

The final statement of account should be prepared in quadruplicate. All copies should be signed by the accountable officer and the consular impression seal impressed on each copy, and should be disposed of in the following manner:

(a) The original should be sent to the legal representative with the final balance due the estate;

(b) One copy retained in the office files; and

(c) Two copies, under cover of a despatch, submitted to the Department (one copy for transmission to the General Accounting Office).

In all cases where the residue of the personal estate is to be transmitted to the General Accounting Office for safekeeping and disposition (see §§ 72.46 to 72.48), the original should be sent to the Department, together with the two copies normally submitted, accompanied by a despatch giving detailed information concerning the efforts made by the consular officer to deliver the personal effects to a legal representative or other authorized person. Any information concerning the last known address of the decedent in the United States should also be supplied.

§ 72.52 Fee services.

The fee prescribed by Item No. 46 of the Tariff of the United States Foreign Service Fees constitutes the first charge against the personal estate and should be assessed on the gross value of the estate in the consular officer's possession (§ 72.38). The consular officer should collect a fee of \$2.00 for each

\$100 of the total value, or fraction thereof, for taking into possession as provisional conservator, inventorying, selling and finally disposing of the personal estate of a deceased citizen in the manner prescribed by the regulations in this part. The personal estate should not be released until the fee has been collected.

§ 72.53 No-fee services.

Fees are not chargeable:

(a) For placing the official seal upon real or personal property or on the effects of the decedent, or for breaking or removing such seals (§ 72.29);

(b) On funds furnished by relatives or other interested persons to cover expenses incident to the death and disposition of the remains, or for the settlement of the estate (§ 72.39(b));

(c) On securities and other instruments not negotiated (or not negotiable) by the consular officer (§ 72.28(g)), or on bank deposits;

(d) For releasing on the spot against memorandum receipt and without occasion either for safekeeping on official accountability or for consular inventory and appraisal, to the legal representative or other authorized person in the country, of personal property taken into nominal possession for the explicit purposes of transfer of custody (§ 72.29(a)).

§ 72.54 Estates of Government personnel exempt from fee assessments.

The personal estates of all officers and employees of the United States who die abroad while on official duty, including military and civilian personnel of the Department of Defense and United States Coast Guard (see §§ 72.23 and 72.24) are exempt from the assessment of any Foreign Service fees.

§ 72.55 Estates of citizens dying on the high seas exempt from fee assessments.

The personal estates of all United States citizens who have died on the high seas are exempt from the assessment of any Foreign Service fees (see § 72.25).

INTRODUCTION

§ 92.1 Definitions.

(a) In the United States the term *notary* or *notary public* means a public officer qualified and bonded under the laws of a particular jurisdiction for the performance of notarial acts, usually in connection with the execution of some document.

(b) The term *notarial act* means an act recognized by law or usage as pertaining to the office of a notary public.

(c) The term *notarial certificate* may be defined as the signed and sealed statement to which a “notarial act” is almost invariably reduced. The “notarial certificate” attests to the performance of the act by the notary, and may be an independent document or as in general American notarial practice, may be placed on or attached to the notarized document.

(d) For purposes of this part, except §§ 92.36 through 92.42 relating to the authentication of documents, the term *notarizing officer* includes consular officers, officers of the Foreign Service who are secretaries of embassy or legation under Section 24 of the Act of August 18, 1856, 11 Stat. 61, as amended (22 U.S.C. 4221), and such U.S. citizen Department of State employees as the Deputy Assistant Secretary of State for Overseas Citizens Services may designate for the purpose of performing notarial acts overseas pursuant to section 127(b) of the Foreign Relations Authorization Act, Fiscal Years 1994–1995,

Pub. L. 103–236, April 30, 1994 (“designated employees”). The authority of designated employees to perform notarial services shall not include the authority to perform authentications, to notarize patent applications, or take testimony in a criminal action or proceeding pursuant to a commission issued by a court in the United States, but shall otherwise encompass all notarial acts, including but not limited to administering or taking oaths, affirmations, affidavits or depositions.

The notarial authority of a designated employee shall expire upon termination of the employee’s assignment to such duty and may also be terminated at any time by the Deputy Assistant Secretary for Overseas Citizen Services.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51721, Oct. 3, 1995]

§ 92.2 Description of overseas notarial functions of the Department of State, record of acts.

The overseas notarial function of notarizing officers of the Department of State is similar to the function of a notary public in the United States. See § 22.5(b) of this chapter concerning the giving of receipts for fees collected and the maintenance of a register serving the same purposes as the record which notaries are usually expected or required to keep of their official acts.

[60 FR 51721, Oct. 3, 1995]

§ 92.3 Consular districts.

Where consular districts have been established, the geographic limits of the district determine the area in which notarial acts can be performed by the notarizing officer. See § 92.41 (b) regarding authentication of the seals and signatures of foreign officials outside the consular district.

[27 FR 12616, Dec. 20, 1962, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.4 Authority of notarizing officers of the Department of State under Federal law.

(a) All notarizing officers are required, when application is made to them within the geographic limits of their consular district, to administer to and take from any person any oath,

Department of State

§ 92.6

affirmation, affidavit, or deposition, and to perform any notarial act which any notary public is required or authorized by law to perform within the United States. The term "notarial act" as used herein shall not include the performance of extraordinary acts, such as marriages, that have not been traditionally regarded as notarial, notwithstanding that notary publics may be authorized to perform such acts in some of the states of the United States. If a request is made to perform an act that the notarizing officer believes is not properly regarded as notarial within the meaning of this regulation, the officer shall not perform the act unless expressly authorized by the Department upon its determination that the act is a notarial act within the meaning of 22 U.S.C. 4215 and 4221. The language "within the limits of the consulate" is construed to mean within the geographic limits of a consular district. With respect to notarial acts performed by notarizing officers away from their office, see § 92.7. Notarial acts shall be performed only if their performance is authorized by treaty provisions or is permitted by the laws or authorities of the country wherein the notarizing officer is stationed.

(b) These acts may be performed for any person regardless of nationality so long as the document in connection with which the notarial service is required is for use within the jurisdiction of the Federal Government of the United States or within the jurisdiction of one of the States or Territories of the United States. (However, see also § 92.6.) Within the Federal jurisdiction of the United States, these acts, when certified under the hand and seal of office of the notarizing officer are valid and of like force and effect as if performed by any duly authorized and competent person within the United States. Documents bearing the seal and signature of a secretary of embassy or legation, consular officer (including consul general, vice consul or consular agent) are admissible in evidence within the Federal jurisdiction without proof of any such seal or signature being genuine or of the official character of the notarizing officer.

(c) Every notarizing officer may perform notarial acts for use in countries

occupied by the United States or under its administrative jurisdiction, provided the officer has reason to believe that the notarial act will be recognized in the country where it is intended to be used. These acts may be performed for United States citizens and for nationals of the occupied or administered countries, who reside outside such countries, except in areas where another government is protecting the interests of the occupied or administered country.

(d) Chiefs of mission, that is, ambassadors and ministers, have no authority under Federal law to perform notarial acts except in connection with the authentication of extradition papers (see § 92.40).

(e) Consular agents have authority to perform notarial services but acting consular agents do not.

[22 FR 10858, Dec. 27, 1957, as amended at 27 FR 12616, Dec. 20, 1962; 60 FR 51721, Oct. 3, 1995]

§ 92.5 Acceptability of notarial acts under State or territorial law.

The acceptability with the jurisdiction of a State or Territory of the United States of a certificate of a notarial act performed by a notarizing officer depends upon the laws of the State or Territory.

[60 FR 51721, Oct. 3, 1995]

§ 92.6 Authority of notarizing officers under international practice.

Although such services are not mandatory, notarizing officers may, as a courtesy, perform notarial acts for use in countries with which the United States has formal diplomatic and consular relations. Generally the applicant for such service will be a United States citizen or a national of the country in which the notarized document will be used. The notarizing officer's compliance with a request for a notarial service of this type should be based on the reasonableness of the request and the absence of any apparent irregularity. When a notarizing officer finds it advisable to do so, the officer may question the applicant to such extent as may be necessary to be assured of the reasonableness of the request and the absence of irregularity.

§ 92.7

22 CFR Ch. I (4–1–97 Edition)

(a) That his notarial certificate may reasonably be expected to satisfy the legal requirements of the country in which the notarized document will be used;

(b) That the notarial service is legally necessary and cannot be obtained otherwise than through a United States notarizing officer without loss or serious inconvenience to the applicant; and

(c) That the notarial certificate will be used solely for a well-defined purpose, as represented by the applicant for the service. (See also § 92.4(c) regarding notarial services for use in countries occupied by the United States or under its administrative jurisdiction.)

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51721, Oct. 3, 1995]

§ 92.7 Responsibility of notarizing officers of the Department of State.

(a) As a rule notarial acts should be performed at the consular office. Where required by the circumstances of a particular case and subject to the reasonableness of the request notarial acts may be performed elsewhere within the limits of the consulate subject to the assessment of the applicable fees under subheading “Services Rendered Outside of Office” of the Tariff of Fees (§ 22.1(a) of this chapter), as well as to payment by the interested party of the officer’s expenses in going to the place where the service is performed and returning to his office (§ 22.1(b) of this chapter).

(b) As indicated in §§ 92.4, 92.5, and 92.6, the authority of secretaries of embassy or legation as well as consular officers to perform notarial acts is generally recognized. However, the function is essentially consular, and notarial powers are in practice exercised by diplomatic officers only in the absence of a consular officer or U.S. citizen State Department employee designated to perform notarial functions as provided in § 92.1(d). Performance of notarial acts by an officer assigned in dual diplomatic and consular capacity shall be performed in his/her consular capacity, except in special circumstances.

[22 FR 12616, Dec. 20, 1962, as amended at 60 FR 51721, Oct. 3, 1995]

GENERAL NOTARIAL PROCEDURES

§ 92.8 Compliance with request for notarial services.

A notarizing officer should comply with all proper requests for the performance of notarial services within the limitations prescribed in this part. (See particularly §§ 92.3 to 92.7). Moreover, as a representative of the United States Government, the notarizing officer, when acting in a notarial capacity, should take great care to prevent the use of his official seal in furthering any unlawful or clearly improper purpose. (See § 92.9 regarding refusal to perform notarial services in certain cases.)

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51721, Oct. 3, 1995]

§ 92.9 Refusals of requests for notarial services.

(a) A notarizing officer should refuse requests for notarial services, the performance of which is not authorized by treaty provisions or permitted by the laws or authorities of the country in which he is stationed. (See § 92.4(a).) Also, a notarizing officer should refuse to perform notarial acts for use in transactions which may from time to time be prohibited by law or by regulations of the United States Government such, for example, as regulations based on the “Trading With the Enemy Act of 1917,” as amended.

(b) A notarizing officer is also authorized to refuse to perform a notarial act if he had reasonable grounds for believing that the document in connection with which his notarial act is requested will be used for a purpose patently unlawful, improper or inimical to the best interests of the United States. Requests for notarial services should be refused only after the most careful deliberation.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.10 Specific waiver in notarial certificate.

If the notarizing officer has reason to believe that material statements in a document presented for notarization are false, and if no basis exists for refusing the notarial service in accordance with § 92.9, he may consider the advisability of informing the applicant

that he will perform the service only with a specific waiver of responsibility included in the notarial certificate. Furthermore, a notarizing officer may, in his discretion, add to the specific waiver in the notarial certificate a statement of verifiable facts known to him, which will reveal the falsity of material in the document. However, normally a notarizing officer shall exercise great caution not to limit the general privilege of a United States citizen while abroad to execute under oath any statement he sees fit to make, including mistaken, unnecessary, and even frivolous statements: *Provided*, That substantial and compelling reasons do not exist which impel restraining action on the part of the notarizing officer. On the other hand, experience has shown the desirability of including, as standard practice, a specific waiver of responsibility in all authentications (§92.38) executed in connection with divorce proceedings.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§92.11 Preparation of legal documents.

(a) *By attorneys.* When a document has been prepared by an attorney for signature, a notarizing officer should not question the form of document unless it is obviously incorrect.

(b) *By notarizing officers.* A notarizing officer should not usually prepare for private persons legal documents for signature and notarization. (However, see the provisions in §92.24 regarding the preparation of affidavits.) When asked to perform such a service, the notarizing officer should explain that the preparation of legal forms is normally the task of an attorney, that the forms used and the purposes for which they are used vary widely from jurisdiction to jurisdiction and that he could not guarantee the legal effectiveness of any document which he might prepare. The person desiring the preparation of a legal document should be referred to such publications as Jones Legal Forms and The Lawyers Directory with the suggestion that he select or adapt the form which appears best suited to his needs. The notarizing officer may, in his discretion, arrange to have a member of his office staff type

the document. If the document is typed in the Foreign Service office, the fee for copying shall be collected as prescribed under the caption "Copying and Recording" of the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter).

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§92.12 Necessity for certification of notarial acts.

A notarizing officer must execute a written certificate attesting to the performance of a notarial act. This certificate may be inserted on or appended to the notarized document (see §92.17 regarding the fastening of sheets). The certificate evidences the performance of the notarial act. Failure to execute this certificate renders the notarial act legally ineffective. Each notarial act should be evidenced by a separate certificate; two or more distinct notarial acts should not be attested to by one certificate.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51721, Oct. 3, 1995]

§92.13 Form of notarial certificate.

The form of a notarial certificate depends on the nature of the notarial act it attests. (See §§92.18 to 92.48 for discussions of the various forms of notarial certificates.) Rules pertaining to venue, and signing and sealing, are common to all notarial certificates.

§92.14 Venue on notarial certificates.

(a) The term *venue* means the place where the certificate is executed. The venue must be shown on all notarial certificates to establish the qualifications and sphere of authority of the notarizing officer to perform the notarial act. The items characteristic of a typical venue, in the order of their appearance in the certificate, are as follows:

- (1) Name of the country (or dominion, Territory, colony, island, as appropriate);
- (2) Name of province or major administrative region (if none, this may be omitted);
- (3) Name of local community (city, town, or village);
- (4) Name of the Foreign Service post.

(b) When a notarial act is performed, and the notarial certificate executed, at a locality in a consular district other than the locality in which the Foreign Service office is situated, the venue should mention only the name of the country (or dominion, territory, colony, island, as appropriate), and the name of the consular district.

(c) The venue used at a Foreign Service post which has not been officially designated as an embassy, legation, consulate general, consulate, or consular agency should bear the notation “American Consular Service” in place of the post name.

§ 92.15 Signing notarial certificate.

The notarizing officer should sign a notarial certificate on the lower right-hand side. The name and full official title of the notarizing officer should be typed, stamped with a rubber stamp, or printed in ink on two separate lines immediately below his signature. When the notarizing officer is assigned to a Foreign Service post in both a diplomatic and consular capacity, he should use his consular title in the notarial certificate. (See § 92.7.)

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.16 Sealing the notarial certificate.

The notarizing officer should seal a notarial certificate with the impression seal of the post on the lower left-hand side of the certificate. A notarial certificate executed at a Foreign Service post which has not been officially designated as an embassy, legation, consulate general, consulate, or consular agency should be sealed with an impression seal bearing the legend “American Consular Service” and the name of the locality.

§ 92.17 Fastening of pages.

When the instrument or document to which a notarial act relates consists of more than one sheet, or when the notarial certificate will be attached and not written on the document itself, the notarizing officer should bring all the sheets comprising the document together under his official seal.

SPECIFIC NOTARIAL ACTS

§ 92.18 Oaths and affirmations defined.

(a) *Oath.* An oath is an outward pledge given by the person taking it that his attestation or promise is made under an immediate sense of his responsibility to God. In a broad sense the word “oath” includes all forms of attestation by which a person signifies that he is bound in conscience to perform an act faithfully and truly, and in this sense it includes “affirmation”.

(b) *Affirmation.* An affirmation is a solemn and formal declaration or asseveration in the nature of an oath that a statement, or series of statements, is true. When an oath is required or authorized by law, an affirmation in lieu thereof may be taken by any person having conscientious scruples against taking an oath. As a general rule, an affirmation has the same legal force and effect as an oath.

§ 92.19 Administering an oath.

The usual formula for administering an oath is as follows: The officer administering the oath requests the person taking the oath to raise his right hand while the officer repeats the following words: “You do solemnly swear that the statements set forth in this paper which you have here signed before me are true. So help you God.” Whereupon the person taking the oath answers, “I do.”

§ 92.20 Administering an affirmation.

In administering an affirmation the procedure followed is generally the same as in the case of an oath, but the formula is varied by the use of the following words: “You do solemnly, sincerely, and truly affirm and declare that . . . , and this you do under the pains and penalties of perjury.”

§ 92.21 Notarial certificate to oath or affirmation.

The written statement attesting to the administration of an oath or affirmation is known as a jurat. The jurat must be signed and sealed by the notarizing officer (see §§ 92.15 and 92.16 on signing and sealing notarial certificates).

§ 92.22 “Affidavit” defined.

An affidavit is a written declaration under oath made before some person who has authority to administer oaths, without notice to any adverse party that may exist. One test of the sufficiency of an affidavit is whether it is so clear and certain that it will sustain an indictment for perjury, if found to be false. An affidavit differs from a deposition in that it is taken *ex parte* and without notice, while a deposition is taken after notice has been furnished to the opposite party, who is given an opportunity to cross-examine the witness.

§ 92.23 Taking an affidavit.

The notarizing officer taking an affidavit should:

- (a) Satisfy himself, as far as possible, that his notarial act will be acceptable under the laws of the jurisdiction where the affidavit is to be used (see § 92.5);
- (b) Require the personal appearance of the affiant at the time the affidavit is taken;
- (c) Require satisfactory identification of the affiant; and
- (d) Administer the oath to the affiant before the affiant signs the affidavit.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.24 Usual form of affidavit.

Affidavits are usually drawn by competent attorneys or are set out in established forms. The form and substantive requirements of an affidavit depend principally upon the purpose for which it is made and the statutes of the jurisdiction where it is intended to be used. When a notarizing officer finds it necessary in the discharge of his official duties to prepare an affidavit, or when he assists a private person in preparing an affidavit (see § 92.11(b)), he should, where possible, consult the pertinent statutory provisions.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.25 Title of affidavit.

Generally an affidavit taken for use in a pending cause must be entitled in that cause so that it will show to what proceedings it is intended to apply, and

may support an indictment for perjury in case it proves to be false. If there is no suit pending at the time the affidavit is taken or if the affidavit is not to be used in any cause in court, no title need be given.

§ 92.26 Venue on affidavit.

The venue must always be given and should precede the body of the affidavit. (See § 92.14 regarding venue on notarial certificates generally.)

§ 92.27 Affiant's allegations in affidavit.

(a) *Substance of allegations.* Although a notarizing officer is generally not responsible for the correctness of the form of an affidavit or the manner in which the allegations therein are set forth (see § 92.11(a) regarding the preparation of legal documents by attorneys; § 92.11(b) regarding the preparation of legal documents by notarizing officers; and § 92.24 regarding the form of an affidavit), he may, in appropriate instances, draw the affiant's attention to the following generally accepted criteria as regards the substance of the allegations:

(1) Material facts within the personal knowledge of the affiant should be alleged directly and positively. Facts are not to be inferred where the affiant has it in his power to state them positively and fully.

(2) If the matters stated in the affiant's affidavit rest upon information derived from others rather than on facts within his personal knowledge, he should aver that such matters are true to the best of his knowledge and belief.

(3) If the allegations made on information and belief are material, the sources of information and grounds of belief should be set out and a good reason given why a positive statement could not be made.

(4) If the conclusions of the affiant are drawn from the contents of documents, such contents should be set out or exhibited, so that the authority to whom the affidavit is presented may determine whether the affiant's deductions are well founded.

(b) *Veracity of allegations.* Notarizing officers are not required to examine into the truth of the affiant's allegations or to pass upon any contentious

questions involved. In many instances the matters referred to in an affidavit will be of a technical or special nature beyond the officer's general knowledge or experience. However, he may, in certain circumstances, refuse to take an affidavit. (See § 92.9 regarding the types of situations in which an officer might properly refuse to perform a notarial service; also see § 92.10 regarding the waiver and other statements which may be included in a notarial certificate where evidence exists of falsity in the affiant's declaration.)

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.28 Signature of affiant on affidavit.

The signature of the affiant is indispensable. The affiant should always sign the affidavit in the presence of the notarizing officer.

§ 92.29 Oath or affirmation to affidavit.

Affidavits made before notarizing officers must be sworn to or affirmed (see § 92.23(d)).

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.30 Acknowledgment defined.

An acknowledgment is a proceeding by which a person who has executed an instrument goes before a competent officer or court and declares it to be his act and deed to entitle it to be recorded or to be received in evidence without further proof of execution. An acknowledgment is almost never made under oath and should not be confused with an oath (see § 92.18(a) for definition of oath). Moreover, an acknowledgment is not the same as an attestation, the latter being the act of witnessing the execution of an instrument and then signing it as a witness. Instruments requiring acknowledgment generally are those relating to land, such as deeds, mortgages, leases, contracts for the sale of land, and so on.

§ 92.31 Taking an acknowledgment.

(a) *Officers' assurance of acceptability of notarial act.* A notarizing officer taking an acknowledgment should, if possible, ascertain the requirements of the jurisdiction in which the acknowledged

document is to be used and execute the certificate in accordance with those requirements. Not all States or Territories will accept certificates of acknowledgment executed by notarizing officers other than consuls. Therefore, notarizing officers and consular agents who are called upon to perform this notarial act should consult the applicable State or territorial law to ascertain whether certificates of acknowledgment will be acceptable. (See § 92.5 regarding acceptability of consular notarial acts under state or territorial law.) Furthermore, public policy generally forbids that the act of taking and certifying an acknowledgment be performed by a person financially or beneficially interested in the transaction to which the acknowledged document relates. Notarizing officers should keep this point in mind, especially in connection with acknowledgments by members of their families.

(b) *Personal appearance of grantor(s).* A notarizing officer taking an acknowledgment should always require the personal appearance of the grantor(s), i.e., the person or persons who have signed the instrument to be acknowledged. Since the officer states in his certificate that the parties did personally appear before him, failure to observe this requirement invalidates the notarial act and makes the officer liable to the charge of negligence and of having executed a false certificate. A notarizing officer should never take an acknowledgment by telephone.

(c) *Satisfactory identification of grantor(s).* The notarizing officer must be certain of the identity of the parties making an acknowledgment. If he is not personally acquainted with the parties, he should require from each some evidence of identity, such as a passport, police identity card, or the like. The laws of some States and Territories require that the identity of an acknowledger be proved by the oath of one or more "credible witnesses", and that a statement regarding the proving of identity in this manner be included in the certificate of acknowledgment. (See § 92.32(b) regarding forms of certificates of acknowledgment generally.) Mere introduction of a person not known to the notarizing officer, without further proof of identity, is

not considered adequate identification for acknowledgment purposes.

(d) *Explanation of contents of instrument.* The notarizing officer must assure himself that the person acknowledging an instrument understands the nature of the instrument. If the person does not understand it, the officer is legally and morally bound to explain the instrument in such a way as to make the person who has signed it realize the character and effect of his act. This duty is particularly important where the signer of a document has little or no knowledge of the language in which the document is written.

(e) *Acknowledgments of married women.* Some of the States still require that a married woman who has executed an instrument of conveyance jointly with her husband be examined separately by the notarizing officer at the time the acknowledgments of the couple are taken. Notarizing officers should consult the applicable statutory provisions before taking the acknowledgments of a husband and wife to a document which they have both executed.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51722 and 51723, Oct. 3, 1995]

§ 92.32 Notarial certificate to acknowledgment.

(a) *Title.* The notarial certificate evidencing the taking of an acknowledgment is commonly known as a "certificate of acknowledgment" or sometimes simply as an "acknowledgment."

(b) *Form.* The form of a certificate of acknowledgment varies widely depending on the laws of the jurisdiction where the acknowledged document is intended to be used, the purpose for which the document is intended, and the legal position of the persons who have executed it. Instruments to be acknowledged are frequently prepared on printed forms, the entire contract or deed being on one sheet together with the certificate of acknowledgment. Often the document, including the certificate of acknowledgment, is drawn up in advance by an attorney. In these cases, the notarizing officer may use the certificate which is already on the document, making whatever modifications are manifestly required to show that the certificate was executed by a notarizing officer. However, if he finds

it necessary to prepare the certificate of acknowledgment, the officer should consult the appropriate reference work for guidance as to the proper form. When no prescribed form can be found, the officer should use the language in Form FS-88, Certificate of Acknowledgment of Execution of an Instrument, inserting the certificate immediately at the close of the deed on the last page if space permits, or, if a separate sheet is necessary, using the printed Form FS-88 itself.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.33 Execution of certificate of acknowledgment.

(a) *When certificate should be executed.* A notarizing officer should execute a certificate of acknowledgment immediately after the parties to the instrument have made their acknowledgment. Allowing several days or weeks to elapse between the time the acknowledgment is made and the certificate executed is undesirable, even though the officer may remember the acknowledgment act.

(b) *Venue.* The venue must be shown as prescribed in § 92.14.

(c) *Date.* The date in the certificate must be the date the acknowledgment was made. This is not necessarily the same as the date the instrument was executed. In fact, there is no reason why an instrument may not be acknowledged a year or more after the date of its execution, or at different times and places by various grantors.

(d) *Names of parties.* The name or names of the person or persons making the acknowledgment should appear in the certificate in the same form as they are set out in the acknowledged document, and in the same form as their signature on the instrument.

(e) *Additional statements.* When executing a certificate of acknowledgment on Form FS-88, the notarizing officer may include any necessary additional statements in the blank space below the body of the certificate.

(f) *Signing and sealing certificate.* The certificate of acknowledgment shall be signed and sealed as prescribed in §§ 92.15 and 92.16.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.34 Fastening certificate to instrument.

The proper place for the certificate of acknowledgment is after the signature of the parties to the instrument. If the instrument is a printed form, the certificate will almost invariably be a part of the form. When Form FS-88 is used or when the certificate must be prepared on a sheet separate from the instrument, it should be fastened to the instrument as the last sheet. The method of fastening notarial certificates is prescribed in § 92.17.

§ 92.35 Errors in certificate of acknowledgment.

A notarizing officer having taken an acknowledgment of an instrument and made a certificate of that fact cannot afterwards amend or change his certificate for the purpose of correcting a mistake. This can be done only by the parties reacknowledging the instrument. However, typographical errors may be corrected by striking out the erroneous characters and inserting the correct ones above. Such changes should be initiated by the parties who executed the instrument and by the notarizing officer.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.36 Authentication defined.

An authentication is a certification of the genuineness of the official character, i.e., signature and seal, or position of a foreign official. It is an act done with the intention of causing a document which has been executed or issued in one jurisdiction to be recognized in another jurisdiction. Documents which may require authentication include legal instruments notarized by foreign notaries or other officials, and copies of public records, such as birth, death, and marriage certificates, issued by foreign record keepers.

§ 92.37 Authentication procedure.

(a) The consular officer must compare the foreign official's seal and signature on the document he is asked to authenticate with a specimen of the same official's seal and signature on file either in the Foreign Service office or in a foreign public office to which he

has access. If no specimen is available to the consular officer, he should require that each signature and seal be authenticated by some higher official or officials of the foreign government until there appears on the document a seal and signature which he can compare with a specimen available to him. However, this procedure of having a document authenticated by a series of foreign officials should be followed only where unusual circumstances, or the laws or regulations of the foreign country require it.

(b) Where the State law requires the consular officer's certificate of authentication to show that the foreign official is empowered to perform a particular act, such as administering an oath or taking an acknowledgment, the consular officer must verify the fact that the foreign official is so empowered.

(c) When the consular officer has satisfactorily identified the foreign seal and signature (and, where required, has verified the authority of the foreign official to perform a particular act), he may then execute a certificate of authentication, either placing this certificate on the document itself if space is available, or appending it to the document on a separate sheet (see § 92.17 on the fastening of notarial certificates).

§ 92.38 Forms of certificate of authentication.

The form of a certificate of authentication depends on the statutory requirements of the jurisdiction where the authenticated document will be used (see § 92.39 regarding the provisions of Federal law). Before authenticating a document for use in a State or Territory of the United States, a consular officer should consult the pertinent law digest to ascertain what specific requirements must be met, or he should be guided by any special information he may receive from the attorney or other person requesting the document with regard to the applicable statutory requirements. (See § 92.41(e) regarding material which should not be in the certificate of authentication.) If no provisions relating to authentications can be found in a particular State or Territorial law digest, and in the absence of any special information from

the attorney or other person requesting the document, the officer should prepare the certificate of authentication in the form which seems best suited to the needs of the case. When in his opinion the circumstances seem to warrant, and always in connection with certificates of marriage or divorce decrees, a consular officer should include in the body of his certificate of authentication a qualifying statement reading as follows: "For the contents of the annexed document I assume no responsibility."

§ 92.39 Authenticating foreign public documents (Federal procedures).

(a) A copy of a foreign public document intended to be used as evidence within the jurisdiction of the Federal Government of the United States must be authenticated in accordance with the provisions of section 1 of the act of June 25, 1948, as amended (sec. 1, 62 Stat. 948, sec. 92(b), 63 Stat. 103; 28 U.S.C. 1741). This provision of Federal law provides that a copy of any foreign document of record, or on file in a public office of a foreign country or political subdivision thereof, if certified, by the lawful custodian thereof, may be admitted in evidence when authenticated by a certificate of a United States consular officer resident in the foreign country, under the seal of his office.

(b) The consular officer's certificate should indicate that the copy has been certified by the lawful custodian.

(c) In the absence of a consular officer of the United States as an officer resident in the State of the Vatican City, a copy of any document of record or on file in a public office of said State of the Vatican City, certified by the lawful custodian of such document may be authenticated by a consular officer of the United States resident in Rome, Italy (22 U.S.C. 1204).

§ 92.40 Authentication of foreign extradition papers.

Foreign extradition papers are authenticated by chiefs of mission.

§ 92.41 Limitations to be observed in authenticating documents.

(a) *Unknown seals and signatures.* A consular officer should not authen-

ticate a seal and signature not known to him. See § 92.37(a) regarding the necessity for making a comparison with a specimen seal and signature.

(b) *Foreign officials outside consular district.* A consular officer should not authenticate the seals and signatures of foreign officials outside his consular district.

(c) *Officials in the United States.* Consular officers are not competent to authenticate the seals and signatures of notaries public or other officials in the United States. However, diplomatic and consular officers stationed at a United States diplomatic mission may certify to the seal of the Department of State (not the signature of the Secretary of State) if this is requested or required in particular cases by the national authorities of the foreign country.

(d) *Photostat copies.* Consular officers should not authenticate facsimiles of signatures and seals on photographic reproductions of documents. They may, however, authenticate original signatures and seals on such photographic reproductions.

(e) *Matters outside consular officer's knowledge.* A consular officer should not include in his certificate of authentication statements which are not within his power or knowledge to make. Since consular officers are not expected to be familiar with the provisions of foreign law, except in a general sense, they are especially cautioned not to certify that a document has been executed or certified in accordance with foreign law, nor to certify that a document is a valid document in a foreign country.

(f) *United States officials in foreign countries.* An authentication by a United States consular officer is performed primarily to cause the official characters and positions of foreign officials to be known and recognized in the United States. Consular officers should not, therefore, undertake to authenticate the seals and signatures of other United States officials who may be residing in their consular districts.

(g) *Officers of the Foreign Service in other countries.* An officer of the Foreign Service stationed in one country

is not expected to authenticate the signature or seal of an officer of the Foreign Service stationed in another country. When it is necessary for the seal and signature of an officer of the Foreign Service to be authenticated, such authentication will be done in the Department of State. An official of a foreign government requesting the authentication of the seal and signature of an officer of the United States Foreign Service who is, or was, stationed in another country should be informed that the document to be authenticated will have to be sent to the Department for this purpose. Any document bearing the seal and signature of an officer of the Foreign Service which is received at a Foreign Service post from a person in the United States with the request that it be further authenticated should be referred to the Department of State.

§ 92.42 Certification of copies of foreign records relating to land titles.

In certifying documents of the kind described in title 28, section 1742, of the United States Code, diplomatic and consular officers of the United States will conform to the Federal procedures for authenticating foreign public documents (§ 92.39), unless otherwise instructed in a specific case.

§ 92.43 Fees for notarial services and authentications.

The fees for administering an oath or affirmation and making a certificate thereof, for the taking of an acknowledgment of the execution of a document and executing a certificate thereof, for certifying to the correctness of a copy of or an extract from a document, official or private, for authenticating a foreign document, or for the noting of a bill of exchange, certifying to protest, etc., are as prescribed under the caption Notarial Services and Authentications in the Tariff or Fees, Foreign Service of the United States of America (§ 22.1 of this chapter), unless the service is performed under a “no fee” item of the same Tariff. If an oath or affirmation is administered concurrently to several persons and only one consular certificate (jurat) is executed, only one fee is collectible. If more than one person joins in making an acknowledgment but only one certificate

is executed, only one fee shall be charged.

§ 92.44 Fees for protesting nonpayment of bills of exchange.

The fee chargeable under item 55 of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter) is the same for each bill of exchange protested by the consular officer, regardless of the number of parties (drawer or maker, and endorser) to whom “notice of protest” is sent at the request of the person requiring the service. In addition to the fixed fee, the consular officer should charge under item 85 for time spent outside the office in presenting the negotiable instrument for acceptance or payment.

§ 92.48 No-fee services.

The services at Foreign Service posts for which no fee is chargeable are these designated by “no fee” entries in the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

DEPOSITIONS AND LETTERS ROGATORY

§ 92.49 Deposition defined.

A deposition is the testimony of a witness taken in writing under oath or affirmation, before some designated or appointed person or officer, in answer to interrogatories, oral or written. (For the distinction between a deposition and an affidavit see § 92.22.)

§ 92.50 Use of depositions in court actions.

Generally depositions may be taken and used in all civil actions or suits. In criminal cases in the United States, a deposition cannot be used, unless a statute has been enacted which permits a defendant in a criminal case to have a deposition taken in his own behalf, or unless the defendant consents to the taking of a deposition by the State for use by the prosecution. (For exception in connection with the proving of foreign documents for use in criminal actions, see § 92.65.)

§ 92.51 Methods of taking depositions in foreign countries.

Rule 28(b) of the Rules of Civil Procedure for the District Courts of the

Department of State

§ 92.55

United States provides that depositions may be taken in foreign countries by any of the following four methods:

(a) Pursuant to any applicable treaty or convention, or

(b) Pursuant to a letter of request (whether or not captioned a letter rogatory), or

(c) On notice before a person authorized to administer oaths in the place in which the examination is held, either by the law thereof or by the law of the United States. Notarizing officials as defined by 22 CFR 92.1 are so authorized by the law of the United States, or

(d) Before a person commissioned by the court, and a person so commissioned shall have the power by virtue of the commission to administer any necessary oath and take testimony.

[60 FR 51722, Oct. 3, 1995]

§ 92.52 “Deposition on notice” defined.

A *deposition on notice* is a deposition taken before a competent official after reasonable notice has been given in writing by the party or attorney proposing to take such deposition to the opposing party or attorney of record. Notarizing officers, as defined by 22 CFR 92.1, are competent officials for taking depositions on notice in foreign countries (see § 92.51). This method of taking a deposition does not necessarily involve the issuance of a commission or other court order.

[60 FR 51722, Oct. 3, 1995]

§ 92.53 “Commission to take depositions” defined.

A *commission to take depositions* is a written authority issued by a court of justice, or by a quasi-judicial body, or a body acting in such capacity, giving power to take the testimony of witnesses who cannot appear personally to be examined in the court or before the body issuing the commission. In Federal practice, a commission to take depositions is issued only when necessary or convenient, on application and notice. The commission indicates the action or hearing in which the depositions are intended to be used, and the person or persons required to take the depositions, usually by name or descriptive title (see § 92.55 for manner of designating notarizing officers).

Normally a commission is accompanied by detailed instructions for its execution.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.54 “Letters rogatory” defined.

In its broader sense in international practice, the term *letters rogatory* denotes a formal request from a court in which an action is pending, to a foreign court to perform some judicial act. Examples are requests for the taking of evidence, the serving of a summons, subpoena, or other legal notice, or the execution of a civil judgment. In United States usage, letters rogatory have been commonly utilized only for the purpose of obtaining evidence. Requests rest entirely upon the comity of courts toward each other, and customarily embody a promise of reciprocity. The legal sufficiency of documents executed in foreign countries for use in judicial proceedings in the United States, and the validity of the execution, are matters for determination by the competent judicial authorities of the American jurisdiction where the proceedings are held, subject to the applicable laws of that jurisdiction. See § 92.66 for procedures in the use of letters rogatory requesting the taking of depositions in foreign jurisdictions.

§ 92.55 Consular authority and responsibility for taking depositions.

(a) *Requests to take depositions or designations to execute commissions to take depositions.* Any United States notarizing officer may be requested to take a deposition on notice, or designated to execute a commission to take depositions. A commission or notice should, if possible, identify the officer who is to take depositions by his official title only in the following manner: “Any notarizing officer of the United States of America at (name of locality)”. The notarizing officer responsible for the performance of notarial acts at a post should act on a request to take a deposition on notice, or should execute the commission, when the documents are drawn in this manner, provided local law does not preclude such action. However, when the officer (or officers) is designated by name as well as by title, only the officer (or officers) so

designated may take the depositions. In either instance, the officer must be a disinterested party. Rule 28(c) of the Rules of Civil Procedure for the district courts of the United States prohibits the taking of a deposition before a person who is a relative, employee, attorney or counsel of any of the parties, or who is a relative or employee of such attorney or counsel, or who is financially interested in the action.

(b) *Authority in Federal law.* The authority for the taking of depositions, charging the appropriate fees, and imposing the penalty for giving false evidence is generally set forth in 22 U.S.C. 4215 and 4221. The taking of depositions for federal courts of the United States is further governed by the Federal Rules of Civil Procedure. For the provisions of law which govern particularly the taking of depositions to prove the genuineness of foreign documents which it is desired to introduce in evidence in any criminal action or proceeding is a United States federal court, see 18 U.S.C. 3491 through 3496.

(c) *Procedure where laws of the foreign country do not permit the taking of depositions.* In countries where the right to take depositions is not secured by treaty, notarizing officers may take depositions only if the laws or authorities of the national government will permit them to do so. Notarizing officers in countries where the taking of depositions is not permitted who receive notices or commissions for taking depositions should return the documents to the parties from whom they are received explaining why they are returning them, and indicating what other method or methods may be available for obtaining the depositions, whether by letters rogatory or otherwise.

[60 FR 51722, Oct. 3, 1995]

§ 92.56 Summary of procedure for taking depositions.

In taking a deposition on notice or executing a commission to take depositions, a notarizing officer should conform to any statutory enactments on the subject in the jurisdiction in which the depositions will be used. He should also comply with any special instructions which accompany the request for a deposition on notice or a commission. Unless otherwise directed by statutory

enactments or special instructions, the officer should proceed as follows in taking depositions:

(a) Request the witnesses, whose testimony is needed, to appear before him; or, at the request of any party to the action or proceeding, request designated persons to supply him or the requesting party with needed records or documents in their possession, or copies thereof;

(b) When necessary, act as interpreter or translator, or see that arrangements are made for some qualified person to act in this capacity;

(c) Before the testimony is taken, administer oaths (or affirmations in lieu thereof) to the interpreter or translator (if there is one), to the stenographer taking down the testimony, and to each witness;

(d) Have the witnesses examined in accordance with the procedure described in §§ 92.57 to 92.60;

(e) Either record, or have recorded in his presence and under his direction, the testimony of the witnesses;

(f) Take the testimony, or have it taken, stenographically in question-and-answer form and transcribed (see § 92.58) unless the parties to the action agree otherwise (rules 30(c) and 31(b), Rules of Civil Procedure for the District Courts of the United States);

(g) Be actually present throughout the examination of the witnesses, but recess the examination for reasonable periods of time and for sufficient reasons;

(h) Mark or cause to be marked, by identifying exhibit numbers or letters, all documents identified by a witness or counsel and submitted for the record.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.57 Oral examination of witnesses.

When a witness is examined on the basis of oral interrogatories, the counsel for the party requesting the deposition has the right to conduct a direct examination of the witness without interruption except in the form of objection by opposing counsel. The opposing counsel has the same right on cross-examination. Cross-examination may be followed by redirect and

recross-examinations until the interrogation is complete. The notarizing officer taking the deposition should endeavor to restrain counsel from indulging in lengthy colloquies, digressions, or asides, and from attempts to intimidate or mislead the witness. The notarizing officer has no authority to sustain or overrule objections but should have them recorded as provided in § 92.59. Instead of taking part in the oral examination of a witness, the parties notified of the taking of a deposition may transmit written interrogatories to the notarizing officer. The notarizing officer should then question the witness on the basis of the written interrogatories and should record the answers verbatim. (Rules 30 (c) and 31 (b), Rules of Civil Procedure for the District Courts of the United States.)

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.58 Examination on basis of written interrogatories.

Written interrogatories are usually divided into three parts:

- (a) The direct interrogatories or interrogatories in chief;
- (b) The cross-interrogatories; and
- (c) The redirect interrogatories.

Recross-interrogatories sometimes follow redirect interrogatories. The notarizing officer should not furnish the witness with a copy of the interrogatories in advance of the questioning, nor should he allow the witness to examine the interrogatories in advance of the questioning. Although it may be necessary for the officer, when communicating with the witness for the purpose of asking him to appear to testify, to indicate in general terms the nature of the evidence which is being sought, this information should not be given in such detail as to permit the witness to formulate his answers to the interrogatories prior to his appearance before the notarizing officer. The officer taking the deposition should put the interrogatories to the witness separately and in order. The written interrogatories should not be repeated in the record (unless special instructions to that effect are given), but an appropriate reference should be made thereto. These references should, of course,

be followed by the witness' answers. All of the written interrogatories must be put to the witness, even though at some point during the examination the witness disclaims further knowledge of the subject. When counsel for all of the parties attend an examination conducted on written interrogatories, the notarizing officer may, all counsel having consented thereto, permit oral examination of the witness following the close of the examination upon written interrogatories. The oral examination should be conducted in the same manner and order as if not preceded by an examination upon written interrogatories.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995; 61 FR 14375, Apr. 1, 1996]

§ 92.59 Recording of objections.

All objections made at the time of the examination to the qualifications of the officer taking the deposition, or to the manner of taking it, or to the evidence presented, or to the conduct of any party, and any other objection to the proceedings must be noted in the deposition. Evidence objected to will be taken subject to the objections. (Rules 30 (c) and 31 (b), Rules of Civil Procedure for the District Courts of the United States.)

§ 92.60 Examination procedures.

(a) *Explaining interrogatory to witness.* If the witness does not understand what an interrogatory means, the notarizing officer should explain it to him, if possible, but only so as to get an answer strictly responsive to the interrogatory.

(b) *Refreshing memory by reference to written records.* A witness may be permitted to refresh his memory by referring to notes, papers or other documents. The notarizing officer should have such occurrence noted in the record of the testimony together with a statement of his opinion as to whether the witness was using the notes, papers or other documents to refresh his memory or for the sake of testifying to matters not then of his personal knowledge.

(c) *Conferring with counsel.* When the witness confers with counsel before answering any interrogatory, the notarizing officer should have that fact noted in the record of the testimony.

(d) *Examining witness as to personal knowledge.* The notarizing officer may at any time during the examination of a witness propound such inquiries as may be necessary to satisfy himself whether the witness is testifying from his personal knowledge of the subject matter of the examination.

(e) *Witness not to leave officer's presence.* The notarizing officer should request the witness not to leave his presence during the examination, except during the recesses for meals, rest, etc., authorized in § 92.56 (g). Failure of the witness to comply with this request must be noted in the record.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.61 Transcription and signing of record of examination.

After the examination of a witness is completed, the stenographic record of the examination must be fully transcribed and the transcription attached securely to any document or documents to which the testimony in the record pertains. (See § 92.63 regarding the arrangement of papers.) The transcribed deposition must then be submitted to the witness for examination and read to or by him, unless such examination and reading are waived by the witness and by the parties to the action. Any changes in form or substance desired by the witness should be entered upon the deposition by the notarizing officer with a statement of the reasons given by the witness for making the changes. The witness should then sign the transcript of his deposition and should initial in the margin each correction made at his request. However, the signature and initials of the witness may be omitted if the parties to the action by stipulation waive the signing or if the witness is ill, refuses to sign, or cannot be found. If the deposition is not signed by the witness, the notarizing officer should sign it and should state on the record the reason for his action, i.e., the waiver of the parties, the illness or absence of the witness, or the refusal of the wit-

ness to sign, giving the reasons for such refusal. The deposition may then be used as though signed by the witness except when, on the motion to suppress, the court holds that the reasons given for the refusal to sign require the rejection of the deposition in whole or in part. (Rules 30 (e) and 31 (b), Rules of Civil Procedure for the District Courts of the United States.)

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.62 Captioning and certifying depositions.

The notarizing officer should prepare a caption for every deposition; should certify on the deposition that the witness was duly sworn by him and that the deposition is a true record of the testimony given by the witness; and should sign and seal the certification in the manner prescribed in §§ 92.15 and 92.16. (Rules 30 (f) (1) and 31 (b), Rules of Civil Procedures for the District Courts of the United States.)

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.63 Arrangement of papers.

Unless special instructions to the contrary are received, the various papers comprising the completed record of the depositions should usually be arranged in the following order from bottom to top:

(a) Commission to take depositions (or notice of taking depositions), with interrogatories, exhibits, and other supporting documents fastened thereto.

(b) Statement of fees charged, if one is prepared on a separate sheet.

(c) Record of the responses of the various witnesses, including any exhibits the witnesses may submit.

(d) Closing certificate.

All of these papers should be fastened together with ribbon, the ends of which should be secured beneath the notarizing officer's seal affixed to the closing certificate.

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§ 92.64 Filing depositions.

(a) *Preparation and transmission of envelope.* The notice or commission, the

interrogatories, the record of the witnesses' answers, the exhibits, and all other documents and papers pertaining to the depositions should be fastened together (see §92.63 regarding the arrangement of papers) and should be enclosed in an envelope sealed with the wax engraving seal of the post. The envelope should be endorsed with the title of the action and should be marked and addressed. The sealed envelope should then be transmitted to the court in which the action is pending.

(b) *Furnishing copies.* The original completed depositions should not be sent to any of the parties to the action or to their counsel. However, the notarizing officer may furnish a copy of a deposition to the deponent or to any party to the action upon the payment of the copying fee and if certification is desired under official seal that the copy is a true copy, the certification fee prescribed in the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter).

[22 FR 10858, Dec. 27, 1957, as amended at 60 FR 51723, Oct. 3, 1995]

§92.65 Depositions to prove genuineness of foreign documents.

(a) *Authority to execute commission.* Under the provisions of section 1 of the act of June 25, 1948, as amended (sec. 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492), a diplomatic or consular officer may be commissioned by an United States court to take the testimony of a witness in a foreign country either on oral or written interrogatories, or partly on oral and partly on written interrogatories, for the purpose of determining the genuineness of any foreign document (any book, paper, statement, record, account, writing, or other document, or any portion thereof, of whatever character and in whatever form, as well as any copy thereof equally with the original, which is not in the United States) which it is desired to introduce in evidence in any criminal action or proceeding in any United States court under the provisions of section 1 of the act of June 25, 1948 (sec. 1, 62 Stat. 945; 28 U.S.C. 1732). Such testimony may also be taken to determine whether the foreign document was made in the regular course of

business and whether it was the regular course of business to make such document. The term "business" includes business, profession, occupation, and calling of every kind. (Sec. 1, 62 Stat. 945, 28 U.S.C. 1732.)

(b) *Disqualification to execute commission.* Any diplomatic or consular officer to whom a commission is addressed to take testimony, who is interested in the outcome of the criminal action or proceeding in which the foreign documents in question are intended to be used or who has participated in the prosecution of such action or proceeding, whether by investigations, preparation of evidence, or otherwise, may be disqualified on his own motion or on that of the United States or any other party to such criminal action or proceeding made to the court from which the commission issued at any time prior to the execution thereof. If, after notice and hearing, the court grants the motion, it will instruct the diplomatic or consular officer thus disqualified to send the commission to any other diplomatic or consular officer of the United States named by the court, and such other officer should execute the commission according to its terms and will for all purposes be deemed the officer to whom the commission is addressed. (Section 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492.)

(c) *Execution and return of commission.* (1) Commissions issued in criminal cases under the authority of the act of June 25, 1948, as amended, to take testimony in connection with foreign documents should be executed and returned by officers of the Foreign Service in accordance with section 1 of that act, as amended (sec. 1, 62 Stat. 835; 18 U.S.C. 3493, 3494), and in accordance with any special instructions which may accompany the commission. For details not covered by such section or by special instructions, officers of the Foreign Service should be guided by such instructions as may be issued by the Department of State in connection with the taking of depositions generally. (See §§92.55 to 92.64.)

(2) Section 1 of the act of June 25, 1948 (sec. 1, 62 Stat. 835; 18 U.S.C. 3493) provides that every person whose testimony is taken should be cautioned and sworn to testify the whole truth and

should be carefully examined. The testimony should be reduced to writing or typewriting by the consular officer, or by some person under his personal supervision, or by the witness himself in the presence of the consular officer, and by no other person. After it has been reduced to writing or typewriting, the testimony must be signed by the witness. Every foreign document with respect to which testimony is taken must be annexed to such testimony and must be signed by each witness who appears for the purpose of establishing the genuineness of such document.

(3) When counsel for all of the parties attend the examination of any witness whose testimony will be taken on written interrogatories, they may consent that oral interrogatories, in addition to those accompanying the commission, be put to the witness. The consular officer taking the testimony should require an interpreter to be present when his services are needed or are requested by any party or his attorney. (Section 1, 62 Stat. 835, 18 U.S.C. 3493.)

(4) Section 1 of the act of June 25, 1948 (sec. 1, 62 Stat. 835; 18 U.S.C. 3494) provides that the consular officer, who executes any commission authorized under the same section, as amended (sec. 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492) and who is satisfied, upon all the testimony taken, that a foreign document is genuine, should certify such document to be genuine under the seal of his office. This certification must include a statement that the officer is not subject to disqualification under the provisions of section 1 of the act of June 25, 1948, as amended (sec. 1, 62 Stat. 834, sec. 53, 63 Stat. 96; 18 U.S.C. 3492). For purposes of assessment of fees, the issuance of this certificate shall be regarded as a part of the consular service of executing the commission, and no separate fee shall be charged for the certificate.

(5) The consular officer should then forward such foreign documents, together with the record of all testimony taken and the commission which has been executed, to the Department of State for transmission to the clerk of the court from which the commission issued. (Section 1, 62 Stat. 835; 18 U.S.C.

3494.) (See § 92.64 regarding the filing of depositions generally.)

(Sec. 303, 60 Stat. 1002, 62 Stat. 836; 22 U.S.C. 843, 18 U.S.C. 3496, E.O. 10307; 16 FR 11907, 3 CFR 1949–1953 Comp., page 387)

§ 92.66 Depositions taken before foreign officials or other persons in a foreign country.

(a) *Customary practice.* Under Federal law (Rule 28(b), Rules of Civil Procedure for the District Courts of the United States) and under the laws of some of the States, a commission to take depositions can be issued to a foreign official or to a private person in a foreign country. However, this method is rarely used; commissions are generally issued to U.S. notarizing officers. In those countries where U.S. notarizing officers are not permitted to take testimony (see § 92.55(c)) and where depositions must be taken before a foreign authority, letters rogatory are usually issued to a foreign court.

(b) *Transmission of letters rogatory to foreign officials.* Letters rogatory may often be sent direct from court to court. However, some foreign governments require that these requests for judicial aid be submitted through the diplomatic channel (i.e., that they be submitted to the Ministry for Foreign Affairs by the American diplomatic representative). A usual requirement is that the letters rogatory as well as the interrogatories and other papers included with them be accompanied by a complete translation into the language (or into one of the languages) of the country of execution. Another requirement is that provision be made for the payment of fees and expenses. Inquiries from interested parties or their attorneys, or from American courts, as to customary procedural requirements in given countries, may be addressed direct to the respective American embassies and legations in foreign capitals, or to the Department of State, Washington, DC 20520.

(c) *Return of letters rogatory executed by foreign officials.* (1) Letters rogatory executed by foreign officials are returned through the same channel by which they were initially transmitted. When such documents are returned to a United States diplomatic mission, the responsible officer should endorse

thereon a certificate stating the date and place of their receipt. This certificate should be appended to the documents as a separate sheet. The officer should then enclose the documents in an envelope sealed with the wax engraving seal of the post and bearing an endorsement indicating the title of the action to which the letters rogatory pertain. The name and address of the American judicial body from which the letters rogatory issued should also be placed on the envelope.

(2) If the executed letters rogatory are returned to the diplomatic mission from the Foreign Office in an envelope bearing the seals of the foreign judicial authority who took the testimony, that sealed envelope should not be opened at the mission. The responsible officer should place a certificate on the envelope showing the date it was received at his office and indicating that it is being forwarded in the same condition as received from the foreign authorities. He should then place that sealed envelope in a second envelope, sealed with the wax engraving seal of the post, and bearing the title of the action and the name and address of the American judicial body from which the letters rogatory issued.

(3) Charges should be made for executing either of the certificates mentioned in paragraphs (c) (1) and (2) of this section, as prescribed by item 67 of the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter), unless the service is classifiable in a no-fee category under the exemption for Federal agencies and corporations (item 83 of the same Tariff).

(4) The sealed letters rogatory should be transmitted by appropriate means to the court in which the action is pending. See title 28, section 1781, of the United States Code concerning the manner of making return to a court of the United States (Federal court).

(d) *Transmissions of commissions to foreign officials or other persons.* A commission to take depositions which is addressed to an official or person in a foreign country other than a United States notarizing officer may be sent directly to the person designated. However, if such a commission is sent to the United States diplomatic mission

in the country where the depositions are intended to be taken, it should be forwarded to the Foreign Office for transmission to the person appointed in the commission. If sent to a United States consular office, the commission may be forwarded by that office directly to the person designated, or, if the notarial officer deems it more advisable to do so, he may send the commission to the United States diplomatic mission for transmission through the medium of the foreign office.

[22 FR 10858, Dec. 27, 1957, as amended at 32 FR 11775, Aug. 16, 1967; 60 FR 51722, Oct. 3, 1995]

§ 92.67 Taking of depositions in United States pursuant to foreign letters rogatory.

(a) *Authority and procedure.* The taking of depositions by authority of State courts for use in the courts of foreign countries is governed by the laws of the individual States. As respects Federal practice, the district court of the district in which a person resides or is found may order him to give his testimony or statement or to produce a document or other thing for use in a proceeding in a foreign or international tribunal. The order may be made pursuant to a letter rogatory issued, or request made, by a foreign or international tribunal or upon the application of any interested person and may direct that the testimony or statement be given, or the document or other thing be produced, before a person appointed by the court. By virtue of his appointment, the person appointed has power to administer any necessary oath and take the testimony or statement. The order may prescribe the practice and procedure, which may be in whole or part the practice and procedure of the foreign country or the international tribunal, for taking the testimony or statement or producing the document or other thing. To the extent that the order does not prescribe otherwise, the testimony or statement shall be taken, and the document or other thing produced, in accordance with the Federal Rules of Civil Procedure. A person may not be compelled to give his testimony or statement or to produce a document or

other thing in violation of any legally applicable privilege. This does not preclude a person within the United States from voluntarily giving his testimony or statement, or producing a document or other thing, for use in a proceeding in a foreign or international tribunal before any person or in any manner acceptable to him (28 U.S.C. 1782).

(b) *Formulation of letters rogatory.* A letter rogatory customarily states the nature of the judicial assistance sought by the originating court, prays that this assistance be extended, incorporates an undertaking of future reciprocity in like circumstances, and makes some provision for payment of fees and costs entailed in its execution. As respects Federal practice, it is not required that a letter rogatory emanating from a foreign court be authenticated by a diplomatic or consular officer of the United States or that it be submitted through the diplomatic channel; the seal of the originating court suffices. When testimony is desired, the letter rogatory should state whether it is intended to be taken upon oral or written interrogatories. If the party on whose behalf the testimony is intended to be taken will not be represented by counsel, written interrogatories should be attached. Except where manifestly unneeded (e.g. a Spanish-language letter rogatory intended for execution in Puerto Rico) or dispensed with by arrangement with the court, letters rogatory and interrogatories in a foreign language should be accompanied by English translations.

(c) *Addressing letters rogatory.* To avert uncertainties and minimize possibilities for refusal of courts to comply with requests contained in letters rogatory in the form in which they are presented, it is advisable that counsel for the parties in whose behalf testimony is sought ascertain in advance if possible, with the assistance of correspondent counsel in the United States or that of a consular representative or agent of his nation in the United States, the exact title of the court, Federal or State as the case may be, which will be prepared to entertain the letter rogatory. In Federal practice the following form of address is acceptable:

The U.S. District Court for the _____
 _____ (e.g. Northern, Southern)
 District of _____ (State)
 _____ (City) _____,
 (State)

In instances where it is not feasible to ascertain the correct form of address at the time of preparation of the letter rogatory, and it will be left for counsel in the United States, or a consul or agent in the United States of the nation of origin of the letter rogatory to effect its transmission to an appropriate court, the following form may be used: "To the Appropriate Judicial Authority at (name of locality)."

(d) *Submitting letters rogatory to courts in the United States.* A letter rogatory may be submitted to the clerk of the court of which assistance is sought, either in person or by mail. This may be direct by international mail from the originating foreign court. Alternatively, submission to the clerk of court may be effected in person or by mail by any party to the action at law or his attorney or agent, or by a consular officer or agent in the United States of the foreign national concerned. Finally, the Department of State has been authorized (62 Stat. 949; 28 U.S.C. 1781) to receive a letter rogatory issued, or request made, by a foreign or international tribunal, to transmit it to the tribunal, officer, or agency in the United States to whom it is addressed, and to receive and return it after execution. This authorization does not preclude—

(1) The transmittal of a letter rogatory or request directly from a foreign or international tribunal to the tribunal, officer, or agency in the United States to whom it is addressed and its return in the same manner; or

(2) The transmittal of a letter rogatory or request directly from a tribunal in the United States to the foreign or international tribunal, officer, or agency to whom it is addressed and its return in the same manner.

[32 FR 11775, Aug. 16, 1967]

§ 92.68 Foreign Service fees and incidental costs in the taking of evidence.

The fees for the taking of evidence by officers of the Foreign Service are as

prescribed by the Tariff or Fees, Foreign Service of the United States of America (§22.1 of this chapter), under the caption "Services Relating to the Taking of Evidence," unless the service is performed for official use, which comes under the caption "Exemption for Federal Agencies and Corporations" of the same Tariff. See §22.6 of this chapter concerning the requirement for advance deposit of estimated fees. When the party on whose behalf the evidence is sought or his local representative is not present to effect direct payment of such incidental costs as postage or travel of witnesses, the advance deposit required by the officer shall be in an amount estimated as sufficient to cover these in addition to the fees proper. The same rule shall apply to charges for interpreting or for the taking and transcribing of a stenographic record when performed commercially rather than by staff members at Tariff of Fee rates.

§92.69 Charges payable to foreign officials, witnesses, foreign counsel, and interpreters.

(a) *Execution of letters rogatory by foreign officials.* Procedures for payment of foreign costs will be by arrangement with the foreign authorities.

(b) *Execution of commissions by foreign officials or other persons abroad.* Procedure for the payment of foreign costs will be as arranged, by the tribunal requiring the evidence, with its commissioner.

(c) *Witness fees and allowances when depositions are taken pursuant to commission from a Federal court.* A witness attending in any court of the United States, or before a United States commissioner, or before any person authorized to take his deposition pursuant to any rule or order of a court of the United States, shall receive \$4 for each day's attendance and for the time necessarily occupied in going to and returning from the same, and 8 cents per mile for going from and returning to his place of residence. Witnesses who are not salaried employees of the Government and who are not in custody and who attend at points so far removed from their respective residence as to prohibit return thereto from day to day shall be entitled to an addi-

tional allowance of \$8 per day for expenses of subsistence, including the time necessarily occupied in going to and returning from the place of attendance (28 U.S.C. 1821, Supp. IV). Witnesses giving depositions before consular officers pursuant to a commission issued by the Federal Court are entitled to these fees and allowances, and the officer shall make payment thereof in the same manner as payment is made of other expenses involved in the execution of the commission, charging the advance deposit provided by the party at whose request the depositions are taken (see §92.68). In any case to which the Government of the United States, or an officer or agency thereof, is a party, the United States marshal for the district will pay all fees of witnesses on the certificate of the United States Attorney or Assistant United States Attorney, and in the proceedings before a United States Commissioner, on the certificate of such commissioner (28 U.S.C. 1825).

§92.70 Special fees for depositions in connection with foreign documents.

(a) *Fees payable to witnesses.* Each witness whose testimony is obtained under a commission to take testimony in connection with foreign documents for use in criminal cases shall be entitled to receive compensation at the rate of \$15 a day for each day of attendance, plus 8 cents a mile for going from his place of residence or business to the place of examination, and returning, by the shortest feasible route (18 U.S.C. 3495 and 3496, and E.O. 10307, 3 CFR, 1949-1953 Comp.). When, however it is necessary to procure the attendance of a witness on behalf of the United States or an indigent party, an officer or agent of the United States may negotiate with the witness to pay compensation at such higher rate as may be approved by the Attorney General, plus the mileage allowance stated above (5 U.S.C. 341). The expense of the compensation and mileage of each witness will be borne by the party, or parties, applying for the commission unless the commission is accompanied by an order of court (18 U.S.C. 3495(b) that all fees, compensations, and other expenses authorized by these regulations

are chargeable to the United States (18 U.S.C. 3495).

(b) *Fee payable to counsel.* Each counsel who represents a party to the action or proceeding in the examination before the commissioner will receive compensation for each day of attendance at a rate of not less than \$15 a day and not more than \$50 a day, as agreed between him and the party whom he represents, plus such actual and necessary expenses as may be allowed by the commissioner upon verified statements filed with him. If the commission is issued on application of the United States, the compensation and expenses of counsel representing each party are chargeable to the United States under section 3495(b) of title 18 of the United States Code (18 U.S.C. 3495 and 3496, and E.O. 10307, 3 CFR, 1949–1953 Comp.).

(c) *Fees payable to interpreters and translators.* Each interpreter and translator employed by the commissioner under these regulations shall receive an allowance of \$10 a day, plus 8 cents a mile for going from his place of residence or business to the place of examination and returning, by the shortest feasible route. The compensation and mileage of interpreters and translators shall be chargeable to the United States.

(d) *Time for paying fees.* Witnesses, counsel, interpreters, and translators will be paid, in accordance with the foregoing regulations, by the commissioner at the conclusion of their services. Other expenses authorized by these regulations will be paid by the commissioner as they are incurred.

(e) *Payment of fees by the United States.* When it appears that the commission was issued on application of the United States or when the commission is accompanied by an order of court that all fees, compensation, and other expenses authorized by these regulations are chargeable to the United States under section 3495(b) of title 18 of the United States Code, the commissioner shall execute the commission without charge for his service as commissioner in connection therewith. The Commissioner shall pay witnesses, counsel, interpreter, or translator, and other expenses authorized by these regulations through the disbursing officer

in his area in accordance with instructions which will be issued in each case.

(f) *Payment of fees by other parties.* When fees, compensation, and other expenses authorized by this section are chargeable to any party other than the United States, the commissioner shall undertake the execution of the commission only if such party deposits with the Department of State or with the appropriate Foreign Service post, in advance, an amount to be set by the court as apparently adequate to defray all fees, compensation, and other expenses authorized by this part. If the amount of the deposit is later found to be insufficient, the depositor shall be so notified, and the commissioner shall retain the commission and other papers until a sufficient supplemental amount has been deposited. If the amount of the deposit exceeds the aggregate amount of fees, compensation, and other expenses authorized by this part, the excess shall be returned to the party, or parties, entitled thereto. The commissioner shall pay witnesses, counsel, interpreter, or translator, and other expenses authorized by this section, from the proceeds of a check which the disbursing officer for his area will be authorized to draw on the Treasurer of the United States.

§ 92.71 Fees for letters rogatory executed by officials in the United States.

Arrangements for the payment of fees should be made directly with the court in the United States by the party in the foreign country at whose request the depositions are taken, either through his legal representative in the United States or through the appropriate diplomatic or consular officer of his country in the United States. (See § 92.67 regarding the execution of letters rogatory in the United States.)

MISCELLANEOUS NOTARIAL SERVICES

§ 92.72 Services in connection with patents and patent applications.

(a) *Affidavit of applicant.* The form of the affidavit of an applicant for a United States patent depends on who is making the application, the type of invention, and the circumstances of the case. Officers of the Foreign Service are not responsible for the correctness

of form of such affidavits, and should not endeavor to advise in their preparation. Persons who inquire at a Foreign Service post regarding the filing of patent applications may be referred to the pamphlet entitled "General Information Concerning Patents," if copies thereof are available at the post.

(b) *Oath or affirmation of applicant—*

(1) *Authority to administer oath or affirmation.* When an applicant for a patent resides in a foreign country, his oath or affirmation may be made before any diplomatic or consular officer of the United States authorized to administer oaths, or before any officer having an official seal and authorized to administer oaths in the foreign country in which the applicant may be, whose authority shall be proved by certificate of a diplomatic or consular officer of the United States (35 U.S.C. 115). See paragraph (c) of this section regarding authentication of the authority of a foreign official. A notary or other official in a foreign country who is not authorized to administer oaths is not qualified to notarize an application for a United States patent.

(2) *Form of oath or affirmation.* See §§92.19 and 92.20 for usual forms of oaths and affirmations.

(3) *Execution of jurat.* In executing the jurat, the officer should carefully observe the following direction with regard to ribboning and sealing: When the oath is taken before an officer in a country foreign to the United States, all the application papers, except the drawings, must be attached together and a ribbon passed one or more times through all the sheets of the application, except the drawings, and the ends of said ribbon brought together under the seal before the latter is affixed and impressed, or each sheet must be impressed with the official seal of the officer before whom the oath is taken. If the papers as filed are not properly ribboned or each sheet impressed with the seal, the case will be accepted for examination but before it is allowed, duplicate papers, prepared in compliance with the foregoing sentence, must be filed. (Rule 66, Rules of Practice of the United States Patent Office.)

(c) *Authentication of authority of foreign official—*(1) *Necessity for authentication.* When the affidavit required in

connection with a patent application been sworn to or affirmed before an official in a foreign country other than a diplomatic or consular officer of the United States, an officer of the Foreign Service authenticate the authority of the official administering the oath or affirmation (35 U.S.C. 115). If the officer of the Foreign Service cannot authenticate the oath or affirmation, the document should be authenticated by a superior foreign official, or by a series of superior foreign officials if necessary. The seal and signature of the foreign official who affixes the last foreign authentication to the document should then be authenticated by the officer of the Foreign Service.

(2) *Use of permanent ink.* All papers which will become a part of a patent application filed in the United States Patent Office must be legibly written or printed in permanent ink. (Rule 52, Rules of Practice of the United States Patent Office.) Consular certificates of authentication executed in connection with patent applications should preferably be prepared on a typewriter; they should not be prepared on a hectograph machine.

(d) *Authority of a foreign executor or administrator acting for deceased inventor.* Legal representatives of deceased inventors and of those under legal incapacity may make application for patent upon compliance with the requirements and on the same terms and conditions applicable to the inventor (35 U.S.C. 117). The rules of the Patent Office require proof of the power or authority of the legal representative. See paragraph (c) of this section for procedure for authenticating the authority of a foreign official.

(e) *Assignments of patents and applications for patents.* An application for a patent, or a patent, or any interest therein, may be assigned in law by an instrument in writing. The applicant, or the patentee, or his assigns or legal representatives, may grant and convey an exclusive right under the application for patent, or under the patent, to the whole or any specified part of the United States. Any such assignment, grant, or conveyance of any application for patent, or of any patent, may be acknowledged, in a foreign country, before "a diplomatic or consular officer

of the United States or an officer authorized to administer oaths whose authority is proved by a certificate of a diplomatic or consular officer of the United States” (35 U.S.C. 261). See § 92.37 regarding authentication of the authority of a foreign official.

(f) *Fees.* The fee for administering an oath, taking an acknowledgment, or supplying an authentication, in connection with patent applications is as prescribed in item 49 of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

§ 92.73 Services in connection with trademark registrations.

(a) *Authority and responsibility.* Acknowledgments and oaths required in connection with applications for registration of trademarks may be made, in a foreign country, before any diplomatic or consular officer of the United States or before any official authorized to administer oaths in the foreign country whose authority must be proved by a certificate of a diplomatic or consular officer of the United States (15 U.S.C. 1061). The responsibility of officers of the Foreign Service in this connection is the same as that where notarial services in connection with patent applications are involved (see § 92.72(a)). (See § 92.72(c) regarding the authentication of the authority of a foreign official who performs a notarial service in connection with a patent application.)

(b) *Fees.* The fee for administering an oath, taking an acknowledgment, or supplying an authentication, in connection with an application for registration of a trademark, or with the assignment or transfer of rights thereunder, is as prescribed in item 49 of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

§ 92.74 Services in connection with United States securities or interests therein.

(a) *Authority and responsibility.* Assignments or requests for payment of United States securities, or securities for which the Treasury Department acts as transfer agent, or powers of attorney in connection therewith where

authorized by the Treasury Department, should, in a foreign country, be executed before a United States consular or diplomatic officer. However, if they are executed before a foreign official having power to administer oaths, the Treasury Department requires that the official character and jurisdiction on the foreign official be certified by a United States diplomatic or consular officer. (See §§ 92.36 to 92.41 on authentications.)

(b) *Fees.* Officers of the Foreign Service should charge no fees for notarial services they perform in connection with the execution of documents, including the certification or authentication of documents where necessary, which affect United States securities or securities for which the Treasury Department acts as transfer agent, or which may be required in the collection of interest thereon. Item 58(b) of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter) applies in cases of this nature.

§ 92.75 Services in connection with income tax returns.

(a) *Responsibility.* Officers of the Foreign Service are authorized to perform any and all notarial services which may be required in connection with the execution of Federal, state, territorial, municipal, or insular income tax returns. Officers should not give advice on the preparation of tax returns.

(b) *Fees.* No charge under the caption “Notarial Services and Authentications” should be made for services performed in connection with the execution of tax returns for filing with the Federal or State Governments or political subdivisions thereof. When requested, see item 58(d) of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

**COPYING, RECORDING, TRANSLATING AND
PROCURING DOCUMENTS**

§ 92.76 Copying documents.

(a) *Consular authority.* The consular officer is authorized to have documents, or abstracts therefrom, copied at a Foreign Service post, if he deems it advisable and it is practicable to do

so. This service frequently is necessary in connection with the performance of certain notarial acts, such as the certification of copies of documents.

(b) *Fees.* The charges for making copies of documents are as prescribed by the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter), under the caption "Copying and Recording," unless the service is Performed for official use, which comes under the caption Exemption for Federal Agencies and Corporations of the same Tariff.

§ 92.77 Recording documents.

(a) *Consular authority.* Consular officers may, at their discretion, accept for recording in the Miscellaneous Record Book of the office concerned unofficial documents such as deeds, leases, agreements, wills, and so on. The object of this service is primarily to afford United States citizens and interests the means of preserving, in official custody, records of their business and other transactions where other suitable facilities are not available locally for making such records. The recording of unofficial documents is not a notarial service, strictly speaking; however, the certifying of copies of documents thus recorded is a notarial service.

(b) *Recording procedure.* Generally, before accepting a document for recording the consular officer should require satisfactory proof of its genuineness. The document should be copied, word for word, in the Miscellaneous Record Book. At the close of the record a statement that it is a true copy of the original should be entered and signed by the consular officer who copies or compares the record. In the margin of the first page where the document is recorded, the consular officer should note the following data:

- (1) By whom the document is presented for recording;
- (2) On whose behalf the service is requested;
- (3) Date and hour of presentation for recording;
- (4) How the authenticity of the document was proved (where appropriate); and
- (5) The name of the person by whom recorded (in his proper signature) and

the name of the consular officer with whom compared (in his proper signature).

(c) *Certificate of recording.* Ordinarily, a certificate of recording need not be issued. The original document may simply be endorsed: "Recorded at (name and location of consular office) this _____ day of _____, 19____, in (here insert appropriate reference to volume of Miscellaneous Record Book)". Below the endorsement should appear the notation regarding the service number, the Tariff item number, and the amount of the fee collected. When a certificate of recording is requested, the consular officer may issue it, if he sees fit to do so. The certificate may be either entered on the document, if space permits, or appended to the document as a separate sheet in the manner prescribed in §92.17.

(d) *Fees.* The fee for recording unofficial documents at a Foreign Service post is as prescribed under the caption "Copying and Recording" of the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter). For purposes of assessment of fees, the issuance of certificates of recording, when requested, shall be regarded as part of the consular service of recording unofficial documents, and no separate fee shall be charged for the certificate.

§ 92.78 Translating documents.

Officers of the Foreign Service are not authorized to translate documents or to certify to the correctness of translations. (However, see §92.56 with regard to interpreting and translating services which may be performed in connection with depositions.) They are authorized to administer to a translator an oath as to the correctness of a translation; to take an acknowledgment of the preparation of a translation; and to authenticate the seal and signature of a local official affixed to a translation. Separate fees should be charged for each of these services, as indicated under the caption "Notarial Services and Authentications" of the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter).

§ 92.79 Procuring copies of foreign public documents.

(a) *Nature of services.* When requested to do so by United States citizens or by persons acting in behalf of United States citizens, a consular officer should endeavor to obtain from foreign officials copies of birth, death, and marriage certificates, or copies of other public records such as divorce decrees, probated wills, and so on. The interest of the party requesting the document should be clearly indicated, and there should be good reason for asking for the consular officer's assistance. Persons requesting documents for use in the preparation of family trees or in the compilation of genealogical studies should be referred to a local attorney or to a genealogical research bureau if one is available.

(b) *Payment of expenses involved—(1) Official funds not to be used.* The use of official funds to pay for copies of or extracts from foreign public records obtained at the request of private persons is prohibited.

(2) *Payment of costs by Federal Government.* In instances of requests emanating from departments or agencies of the Federal Government for copies of or extracts from foreign public records, the Department will issue to Foreign Service posts concerned appropriate instructions with respect to the payment of whatever local costs may be entailed if the documents cannot be obtained gratis from the local authorities.

(3) *Payment of costs by State or municipal governments.* Should State, county, municipal or other authorities in the United States besides the Federal Government request the consular officer to obtain foreign documents, and express willingness to supply documents gratis in analogous circumstances, the consular officer may endeavor on that basis to obtain the desired foreign documents gratis. Otherwise, such authorities should be informed that they must pay the charges of the foreign officials, as well as any fees which it may be necessary for the consular officer to collect under the provisions of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

(4) *Payment of costs by private persons.* Before a consular officer endeavors to

obtain a copy of a foreign public document in behalf of a private person, the person requesting the document should be required to make a deposit of funds in an amount sufficient to defray any charges which may be made by the foreign authorities, as well as the Foreign Service fee for authenticating the document, should authentication be desired.

§ 92.80 Obtaining American vital statistics records.

Individuals who inquire as to means of obtaining copies of or extracts from American birth, death, marriage, or divorce records may be advised generally to direct their inquiries to the Vital Statistics Office at the place where the record is kept, which is usually in the capital city of the State or Territory. Legal directories and other published works of references at the post may be of assistance in providing exact addresses, information about fees, etc. An inquirer who is not an American citizen may write directly to the diplomatic or appropriate consular representative of his own country for any needed assistance in obtaining a desired document.

QUASI-LEGAL SERVICES

§ 92.81 Performance of legal services.

(a) *Legal services defined.* The term "legal services" means services of the kind usually performed by attorneys for private persons and includes such acts as the drawing up of wills, powers of attorney, or other legal instruments.

(b) *Performance usually prohibited—(1) General prohibition; exceptions.* Officers of the Foreign Service should not perform legal services except when instructed to do so by the Secretary of State, or in cases of sudden emergency when the interests of the United States Government, might be involved, or in cases in which no lawyer is available and refusal to perform the service would result in the imposition of extreme hardship upon a United States citizen. There is no objection, however, to permitting persons to use the legal references in the Foreign Service office giving specimen forms of wills, powers of attorney, etc.

(2) *Specific prohibitions and restrictions.* See § 72.41 of this chapter for prohibition of performance of legal services by consular officers in connection with decedents' estates. See § 92.11 restricting the preparation for private parties of legal documents for signature and notarization.

(3) *Acceptance of will for deposit prohibited.* Wills shall not be accepted for safekeeping in the office safe. If a person desires to have his last will and testament made a matter of record in a Foreign Service establishment, the officer to whom application is made shall have the will copied in the Miscellaneous Record Book (§ 92.77) and charge the prescribed fee therefor.

(c) *Refusal of requests.* In refusing requests for the performance of legal services, an officer of the Foreign Service should cite these regulations and should state clearly his reasons for refusing to act. In appropriate cases, the officer may furnish the inquirer with a copy of the annual list of attorneys (see § 92.82) practicing in the consular district or he may refer the inquirer to the Department for a list of attorneys.

(d) *Waiver of responsibility.* When an officer of the Foreign Service accedes to a request for the performance of a legal service, he should inform the applicant that the service is performed at the latter's risk and without any responsibility on the part of the United States Government or the officer performing the service.

(e) *Fees.* No fee should be charged for any legal services which may be performed under these regulations, beyond the fees or charges for specific services enumerated in the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

§ 92.82 Recommending attorneys or notaries.

(a) *Assistance in selecting American lawyers.* When any person in the district of a Foreign Service post desires to have the name of an attorney in the United States, the officer at the post may refer him to American law directories or other published references at his disposal, but he shall refrain from recommending any particular attorney.

(b) *Assistance in selecting foreign attorneys or notaries.* Persons applying to a Foreign Service post for services of a legal or fiduciary character or for assistance in selecting an attorney or notary capable of rendering the services in view, may be furnished the names of several attorneys or notaries in the district, or referred to the lists to be found in American or foreign law directories or other published references. Alternatively, they may be referred to bar associations or, where applicable, to the organization charged by local law with the responsibility for providing legal assistance.

(c) *Agreements for referral of legal business prohibited.* Officers of the Foreign Service shall not recommend particular attorneys or notaries to persons who apply to a Foreign Service post for legal assistance, nor shall they make agreements with attorneys or notaries for the referral to them of inquiries for legal assistance.

§ 92.84 Legal process defined.

Legal process means a writ, warrant, mandate, or other process issuing from a court of justice. The term includes subpoenas, citations, and complaints.

§ 92.85 Service of legal process usually prohibited.

The service of process and legal papers is not normally a Foreign Service function. Except when directed by the Department of State, officers of the Foreign Service are prohibited from serving process or legal papers or appointing other persons to do.

[32 FR 11776, Aug. 16, 1967]

§ 92.86 Consular responsibility for serving subpoenas.

When directed by the Department of State, officers of the Foreign Service will serve a subpoena issued by a court of the United States on a national or resident of the United States who is in a foreign country unless such action is prohibited by the law of the foreign country.

[32 FR 11776, Aug. 16, 1967]

§ 92.87 Consular responsibility for serving orders to show cause.

Officers of the Foreign Service are required to serve orders to show cause issued in contempt proceedings on a person who has failed or neglected to appear in answer to a subpoena served in accordance with the provisions of § 92.86. (Section 1, 62 Stat. 949; 28 U.S.C. 1784.)

§ 92.88 Consular procedure.

With regard to the serving of subpoenas and orders to show cause referred to in §§ 92.86 and 92.87, section 1 of the act of June 25, 1948 (sec. 1, 62 Stat. 819, 28 U.S.C. 1783), provides that the subpoena shall designate the time and place for appearance before the court of the United States, and shall issue to any consular officer of the United States in the foreign country. The consular officer is required to make personal service of the subpoena and any order to show cause, rule, judgment or decree on the request of the Federal court or its marshal, and to make return thereof to such court after tendering to the witness his necessary travel and attendance expenses, which will be determined by the court and sent with the subpoena. When the subpoena or order is forwarded to the officer, it is usually accompanied by instructions directing exactly how service should be made and how the return of service should be executed. These instructions should be followed carefully.

§ 92.89 Fees for service of legal process.

No charge should be made for serving a subpoena or order to show cause issuing out of Federal court under the procedures set forth in §§ 92.86 and 92.87. The taking of the affidavit of the officer effecting the service, or the performance of any other notarial act which may be involved in making the return, should be without charge, under the caption "Exemption for Federal Agencies and Corporations" of the Tariff of Fees, Foreign Service of the United States of America (§ 22.1 of this chapter).

§ 92.90 Delivering documents pertaining to the revocation of naturalization.

Officers of the Foreign Service shall deliver, or assist in delivering, to designated persons, documents relating to proceedings in the cancellation of certificates of naturalization when such documents are forwarded by duly authorized officials of the Federal courts. The responsibility for furnishing detailed instructions on the procedure to be followed in delivering such documents rests with the court or with the United States attorney concerned, and officers should follow such instructions carefully.

§ 92.91 Service of documents at request of Congressional committees.

Officers of the Foreign Service have no authority to serve upon persons in their consular districts legal process such as subpoenas or citations in connection with Congressional investigations. All requests for such service should be referred to the Department of State.

§ 92.92 Service of legal process under provisions of State law.

It may be found that a State statute purporting to regulate the service of process in foreign countries is so drawn as to mention service by an American consular officer or a person appointed by him, without mention of or provision for alternate methods of service. State laws of this description do not operate in derogation of the laws of the foreign jurisdiction wherein it may be sought to effect service of legal process, and such State laws do not serve to impose upon American consular officers duties or obligations which they are unauthorized to accept under Federal law, or require them to perform acts contrary to Federal regulations (see § 92.85).

§ 92.93 Notarial services or authentications connected with service of process by other persons.

An officer of the Foreign Service may administer an oath to a person making an affidavit to the effect that legal process has been served. When an affidavit stating that legal process has been

Department of State

§ 93.1

served is executed before a foreign notary or other official, an officer of the Foreign Service may authenticate the official character of the person administering the oath. The fee for administering an oath to a person making an affidavit or for an authentication, as the case may be, is as prescribed under the caption "Notarial Services and Authentications" in the Tariff of Fees, Foreign Service of the United States of America (§22.1 of this chapter), unless the case is of such nature as to fall under the caption, "Exemption for Federal Agencies and Corporations" of the same Tariff.

§92.94 Replying to inquiries regarding service of process or other documents.

Officers should make prompt and courteous replies to all inquiries regarding the service of legal process or documents of like nature, and should render such assistance as they properly can to the court and to interested parties. Such assistance could include furnishing information as to the standard procedure of the locality for service of legal papers, with the name and address of the local office having a bailiff authorized to effect and make return of service; it could include furnishing a list of local attorneys capable of making necessary arrangements; or it could, where appropriate, include a suggestion that the request of the American court might be presented to the foreign judicial authorities in the form of letters rogatory (see definition, §92.54, and procedures, §92.66 (b)). If the person upon whom the process is intended to be served is known to be willing to accept service, or if it is clear that it would be in his interest at least to be informed of the matter, the consular officer may suggest to the interested parties in the United States the drawings up of papers for voluntary execution by such person, such as a waiver of service or a document which would be acceptable to the American court to signify the person's entering an appearance in the action pending therein.

§92.95 Transportation of witnesses to the United States.

Officers of the Foreign Service may at times be called upon to assist in arranging for the transportation to the United States of persons in foreign countries whose testimony is desired by the Attorney General in a case pending in a Federal court. Requests that the travel of such persons be facilitated originate in the Department of Justice, and special instructions in each case are transmitted to the appropriate Foreign Service post by the Department of State.

§ 102.8 Reporting accidents.

(a) *To airline and Civil Aeronautics Administration representatives.* If a scheduled United States air carrier is involved the airline representatives concerned will probably be the first to be informed of the accident, in which event he will be expected to report the accident to the Foreign Service post, to the nearest Civil Aeronautics Administration office, and to his home office in the United States. If this is not the case, the Foreign Service post should report promptly to the nearest

office of the airline concerned and to the nearest office of the Civil Aeronautics Administration, any accident occurring to a scheduled civil air carrier of United States registry within its consular district. To be properly prepared, each post should obtain and have on file for ready reference, the address and telephone number of representatives of any United States airline engaged in scheduled operations within or over the post district.

(b) *To Department and supervisory Foreign Service offices.* A Foreign Service post should report promptly to the Department accidents to any United States civil aircraft occurring in the post district. The report should summarize all available information and, in the case of a scheduled United States air carrier, should state whether the airline has taken over the responsibility of notifying the nearest Civil Aeronautics Administration field office. This report should be submitted by the most expeditious means possible (priority telephone or telegraph message) at Government expense. If the accident involves a private plane or non-scheduled air carrier, these circumstances should be reported, also whether the nearest office of the Civil Aeronautics Administration has been informed. In the latter case, the Department will ascertain from the Civil Aeronautics Board whether it desires to investigate the case, and inform the Foreign Service post accordingly. Consular posts should submit a similar report to their supervisory missions or to their supervisory consular offices in territories where there are no United States missions. Supplementary reports should be supplied the Department and the supervisory Foreign Service office whenever considered appropriate. A final report, after the urgency has diminished, and when the post's role is negligible should cover the post's activities in connection with the accident (see § 102.16(b)).

§ 102.9 Arranging for entry and travel of investigating and airline representatives.

Representatives of the Civil Aeronautics Board, the Civil Aeronautics Administration and the United States

airline involved may not have the documents necessary for entry into the country where the accident occurred. The local Foreign Service post should lend all assistance possible in obtaining the entry of such representatives into the country where the accident occurred and in expediting their travel to the scene of the accident.

§ 102.10 Rendering assistance at the scene of the accident.

Always in the case of a scheduled United States air carrier and whenever necessary in the case of a non-scheduled carrier or private plane, a local Foreign Service post should dispatch a member of its staff to the scene of the accident in order to insure that proper protection is afforded United States citizens and property involved in the accident and that any evidence as to the cause of the accident is preserved until the arrival of United States Government investigating personnel. (For steps to be taken when the aircraft was carrying a courier or diplomatic pouches, see § 102.14(b).) In the absence of an airline representative, the Foreign Service representative should lend the competent local authorities all possible assistance compatible with the provisions of § 102.11 in caring for the survivors, identifying and disposing of the remains of victims, salvaging and protecting property and preserving wreckage pending an investigation. If an airline representative is already at the scene of the accident or if one arrives shortly thereafter, the Foreign Service representative should assist him in the discharge of his recognized responsibilities in connection with passengers and cargo. However, the Foreign Service representative is also obligated to assist investigating personnel of the United States Government by preserving evidence as to the cause of the accident. Any attempt on the part of the airline representative to exceed his recognized sphere of activity should be called to the attention of the airline involved and the competent local authorities.

§ 102.11 Arranging for the payment of expenses attendant upon an accident.

(a) The Department of State has no funds from which expenses attendant upon an accident to United States aircraft can be paid. In emergencies involving scheduled carriers and in the absence of airline representatives, or other authority, the Foreign Service post should request a deposit from the airline (through the Department if desired) with specific authorization to incur whatever financial obligations the airline is willing to assume for the hiring of guards (in case local police protection is considered inadequate), the provision of accommodations, medical care, and onward transportation for survivors and for other expenses resulting from the accident. In accidents involving a private plane or non-scheduled carrier, the Foreign Service post is not in a position to expend any funds without prior authorization from the Department. In such cases, and in extreme cases involving scheduled carriers, when airline and investigation personnel may be delayed in reaching the scene, the Foreign Service representative, as the representative of all segments of the United States Government in the area, should endeavor to protect and promote the interests of the Government, the airline, and the individual citizen by any means available to him that are consistent with these regulations, and should request funds and instructions as required from the Department.

(b) The local Foreign Service post is not authorized to expend any funds for guarding the wreckage to preserve evidence as to the cause of the accident unless the Civil Aeronautics Board or the Civil Aeronautics Administration authorizes in advance the expenditure of such funds on a reimbursable basis. In the absence of such advance authorization, the Foreign Service post can arrange only for such protection as local authorities are willing to furnish gratuitously.

(c) Voluntary services and personal services in excess of those authorized by law may be accepted and utilized in

Department of State

§ 102.14

the case of an aircraft accident since the law which normally prohibits such acceptance (31 U.S.C. 665) does not apply “in case of sudden emergency involving the loss of human life or the destruction of property”.

§ 102.12 Protective services for survivors.

(a) *Medical care and hospitalization.* The Foreign Service representative should lend any assistance possible (see §§ 102.10 and 102.11) in arranging for the best medical and hospital attention available for injured survivors of the accident. If a scheduled United States carrier is involved in an accident, the primary responsibility for providing medical care for passengers and crew rests with the airline, and in such situations the Foreign Service representative should assist the airline in every way that is feasible (see §§ 102.10 and 102.11).

(b) *Accommodation and onward transportation.* If a scheduled United States carrier is involved in an accident, primary responsibility for providing accommodation and onward transportation for passengers and crew rests with the airline, and in such situations the Foreign Service representative should assist the airline in every way that is feasible (see §§ 102.10 and 102.11). If the accident involves a private plane or non-scheduled carrier, he should assist passengers and members of the crew who do not require hospitalization in any way compatible with §§ 102.10 and 102.11 in obtaining appropriate comfortable accommodations accessible from the scene of the accident. If practicable, surviving passengers should remain in the vicinity of the accident until the United States Government investigating personnel can obtain from them all information pertaining to the accident. Surviving passengers leaving the vicinity should furnish addresses at which they can be reached later. The Foreign Service representative should assist the passengers, insofar as he can under the provision of §§ 102.10 and 102.11, in obtaining necessary clearances from local authorities and in getting onward transportation by the most expeditious means of common carrier transportation available. The surviving aircraft

crew will be expected to remain in the vicinity of the accident until otherwise instructed by the investigating personnel.

§ 102.13 Protective services with respect to deceased victims of accidents.

(a) *Interim disposition of remains.* Generally, local authorities will assume custody of the remains of deceased victims of the accident and consign them to a mortuary until final disposition can be made.

(b) *Identification of remains.* When necessary, the local Foreign Service post should assist in identifying the remains of United States citizens who are victims of the accident by requesting the Department to procure dental charts, passport application data and photographs, fingerprints, or other United States records.

(c) *Reports on deaths of United States citizens.* The local Foreign Service post shall report the deaths of United States citizens occurring in an aircraft accident in accordance with the procedure prescribed in §§ 72.1 to 72.8 of this chapter.

(d) *Disposition of remains.* When a scheduled United States air carrier meets with an accident, the United States airline concerned will usually transport the identifiable remains of victims of the accident to the place of final interment designated by the next of kin. If the Foreign Service post is requested, or finds it necessary, to dispose of identifiable remains, it shall follow the procedure prescribed in §§ 72.9 to 72.14 of this chapter. Where remains are unidentifiable, the local authorities may be expected to make final disposition of these remains locally in accordance with the health requirements of the country concerned, usually by common burial or by cremation, and without regard to the disposition desired by possible next of kin.

§ 102.14 Salvage of mail and other property.

(a) *Mail.* Article 3, sections 6 and 7, of the Air Mail Provisions annexed to the Universal Postal Union Convention, Paris, 1947, provide that the personnel who survive the aircraft accident shall, when possible, deliver the mail to the

post office nearest the place of the accident or to the one best-qualified to reforward the mail. If the aircraft personnel are unable to do this, the local post office concerned shall make every effort, without delay, to take delivery of the mail and to forward it to the offices of designation by the most rapid means, after determining the condition of the correspondence and reconditioning it if damaged. Most post offices are familiar with these provisions, but if in any case the mail is not being properly cared for, the local Foreign Service post should bring the proper procedure to the attention of the nearest post office.

(b) *Diplomatic pouches.* Immediately upon arriving at the scene of the accident, the Foreign Service representative should ascertain whether the aircraft was carrying a courier or diplomatic pouches. If a courier is found to be aboard, the same personal arrangements should be made for him as are made for other passengers (see §§102.10 to 102.13). An immediate search should also be made for whatever diplomatic pouches the courier may have been carrying and for any pouches that may have been carried as regular cargo. Usually, the cargo manifest will list diplomatic pouches carried as air freight or cargo. The passenger manifest normally will list the total number of pieces of luggage or pouches checked by a courier (if one is aboard), but since he usually carries his pouches with him into the cabin of the plane, the pouch invoices on his person or in his briefcase will offer positive proof of the number of pouches he had in his custody. If any are found, they should be cleared through appropriate government officials of the country and taken to the nearest United States Foreign Service office to await disposition instructions. If it is learned that the postal authorities have already recovered United States diplomatic pouches that may have been involved, these pouches should be obtained from the postal authorities and taken to the nearest United States Foreign Service office to await disposition instructions. A telegraphic message should be dispatched to the Department and to the regional courier office having jurisdiction over that area, giving a descrip-

tion of the pouches recovered. This description should include the office of addressor and addressee and the classification indicator (C, A, or S). The Department and the regional courier office will coordinate instructions to the office for the disposition of these pouches.

(c) *Baggage, personal effects and cargo.* The Foreign Service representative should request the local authorities to arrange for the security storage and protection of such baggage, personal effects and cargo as is recoverable from the aircraft until the property can be released to its owners by local customs and accident investigating authorities, or by the courts. When released, the personal effects of United States citizens, who died in the accident, should be taken into possession and disposed of by the local Foreign Service post in accordance with the procedure prescribed in §§72.15 to 72.55 of this chapter.

§ 102.15 Protection and preservation of wreckage.

In so far as local law permits, the Foreign Service representative should see that arrangements are made (by the airline representative with the local authorities, if a scheduled carrier is involved) for the protection of the wrecked aircraft and its property contents against further damage, pilferage, and access by unauthorized persons, until the arrival of the accident investigation personnel. The prior removal of any of the wreckage or the contents of the aircraft should be prevented unless such action is necessitated by very compelling reasons, such as the need for treating the injured or for removing bodies, or when the wreckage constitutes a public hazard. When under the latter conditions the wreckage and contents of the aircraft must be moved or disturbed in any way, if possible, a record should be made or photographs taken showing the position and condition of the wreckage prior to disturbance. In the case of a private aircraft or non-scheduled carrier, protection should be arranged for the wrecked aircraft and its contents pending the receipt of information from the Department as to whether the Civil Aeronautics Board

Department of State

§ 102.25

will investigate the case, and until final disposition is made of the property. If the owner of a private aircraft is killed in the wreck and is a United States citizen, the aircraft constitutes part of his personal estate and should be disposed of in accordance with the provisions of §§ 72.15 to 72.55 of this chapter. For rules governing the payment of expenses in connection with the protection and preservation of wrecked United States aircraft, see § 102.11.

§ 102.16 Records and reports in connection with investigation.

(a) *Records.* The Foreign Service representative should maintain a record of the various transactions taking place prior to the arrival of airline, Civil Aeronautics Board and Civil Aeronautics Administration representatives. This record should include all pertinent details with respect to the disposition of persons and property, obligations assumed, arrangements made, et cetera, and should also include any statements made by witnesses.

(b) *Reports.* Reports should be submitted to the Department for its information and the information of aviation authorities and other interested parties in the United States regarding the progress of any investigation which is held and its final outcome when known.

FOREIGN AIRCRAFT ACCIDENTS INVOLVING UNITED STATES PERSONS OR PROPERTY

§ 102.17 Reports on accident.

When an accident occurs to a foreign aircraft in the district of a Foreign Service post and United States citizens or property are involved, the local Foreign Service post shall report the disaster fully to the Department and to the supervisory mission (or the supervisory consular office where there is no mission).

§ 102.18 Protection of United States citizens involved.

alive or dead) involved in a foreign aircraft accident.

§ 102.19 Protection of United States property.

The local Foreign Service office shall follow substantially the procedures set forth in §§ 102.11 and 102.14 in protecting United States mail and baggage, personal effects and cargo belonging to United States citizens.

§ 120.1 General authorities and eligibility.

(a) Section 38 of the Arms Export Control Act (22 U.S.C. 2778) authorizes the President to control the export and import of defense articles and defense services. The statutory authority of the President to promulgate regulations with respect to exports of defense articles and defense services was delegated to the Secretary of State by Executive Order 11958, as amended (42 FR

4311). This subchapter implements that authority. By virtue of delegations of authority by the Secretary of State, these regulations are primarily administered by the Director of the Office of Defense Trade Controls, Bureau of Politico-Military Affairs, Department of State.

(b) *Authorized Officials.* All authorities conferred upon the Director of the Office of Defense Trade Controls by this subchapter may be exercised at any time by the Under Secretary of State for International Security Affairs, the Assistant Secretary of State for Politico-Military Affairs, or the Deputy Assistant Secretary of State for Politico-Military Affairs responsible for supervising the Office of Defense Trade Controls unless the Legal Adviser or the Assistant Legal Adviser for Politico-Military Affairs of the Department of State determines that any specific exercise of this authority under this subsection may be inappropriate.

(c) *Eligibility.* Only U.S. persons (as defined in § 120.15) and foreign governmental entities in the United States may be granted licenses or other approvals (other than retransfer approvals sought pursuant to this subchapter). Foreign persons (as defined in § 120.16) other than governments are not eligible. U.S. persons who have been convicted of violating the criminal statutes enumerated in § 120.27, who have been debarred pursuant to part 127 or 128 of this subchapter, who are the subject of an indictment involving the criminal statutes enumerated in § 120.27, who are ineligible to contract with, or to receive a license or other form of authorization to import defense articles or defense services from any agency of the U.S. Government, who are ineligible to receive export licenses (or other forms of authorization to export) from any agency of the U.S. Government, who are subject to Department of State Suspension/Revocation under § 126.7 (a)(1)–(a)(7) of this subchapter, or who are ineligible under

§ 127.6(c) of this subchapter are generally ineligible. Applications for licenses or other approvals will be considered only if the applicant has registered with the Office of Defense Trade Controls pursuant to part 122 of this subchapter. All applications and requests for approval must be signed by a U.S. person who has been empowered by the registrant to sign such documents.

(d) The exemptions provided in this subchapter do not apply to transactions in which the exporter or any party to the export (as defined in § 126.7(e) of this subchapter) is generally ineligible as set forth above in paragraph (c) of this section, unless an exception has been granted pursuant to § 126.7(c) of this subchapter.

§ 120.2 Designation of defense articles and defense services.

The Arms Export Control Act (22 U.S.C. 2778(a) and 2794(7)) provides that the President shall designate the articles and services deemed to be defense articles and defense services for purposes of this subchapter. The items so designated constitute the United States Munitions List and are specified in part 121 of this subchapter. Such designations are made by the Department of State with the concurrence of the Department of Defense. For a determination on whether a particular item is included on the U.S. Munitions List see § 120.4(a).

§ 120.3 Policy on designating and determining defense articles and services.

An article or service may be designated or determined in the future to be a defense article (see § 120.6) or defense service (see § 120.9) if it:

(a) Is specifically designed, developed, configured, adapted, or modified for a military application, and

(i) Does not have predominant civil applications, and

(ii) Does not have performance equivalent (defined by form, fit and function) to those of an article or service used for civil applications; or

(b) Is specifically designed, developed, configured, adapted, or modified for a military application, and has significant military or intelligence appli-

cability such that control under this subchapter is necessary.

The intended use of the article or service after its export (i.e., for a military or civilian purpose) is not relevant in determining whether the article or service is subject to the controls of this subchapter. Any item covered by the U.S. Munitions List must be within the categories of the U.S. Munitions List. The scope of the U.S. Munitions List shall be changed only by amendments made pursuant to section 38 of the Arms Export Control Act (22 U.S.C. 2778).

§ 120.4 Commodity jurisdiction.

(a) The commodity jurisdiction procedure is used with the U.S. Government if doubt exists as to whether an article or service is covered by the U.S. Munitions List. It may also be used for consideration of a redesignation of an article or service currently covered by the U.S. Munitions List. The Department must submit a report to Congress at least 30 days before any item is removed from the U.S. Munitions List. Upon written request, the Office of Defense Trade Controls shall provide a determination of whether a particular article or service is covered by the U.S. Munitions List. The determination, consistent with §§ 120.2, 120.3, and 120.4, entails consultation among the Departments of State, Defense, Commerce and other U.S. Government agencies and industry in appropriate cases.

(b) Registration with the Office of Defense Trade Controls as defined in part 122 of this subchapter is not required prior to submission of a commodity jurisdiction request. If it is determined that the commodity is a defense article or service covered by the U.S. Munitions List, registration is required for exporters, manufacturers, and furnishers of defense articles and defense services (see part 122 of this subchapter).

(c) Requests shall identify the article or service, and include a history of the product's design, development and use. Brochures, specifications and any other documentation related to the article or service shall be submitted in seven collated sets.

(d)(1) A determination that an article or service does not have predominant

Department of State

§ 120.6

civil applications shall be made by the Department of State, in accordance with this subchapter, on a case-by-case basis, taking into account:

- (i) The number, variety and predominance of civil applications;
- (ii) The nature, function and capability of the civil applications; and
- (iii) The nature, function and capability of the military applications.

(2) A determination that an article does not have the performance equivalent, defined by form, fit and function, to those used for civil applications shall be made by the Department of State, in accordance with this subchapter, on a case-by-case basis, taking into account:

- (i) The nature, function, and capability of the article;
- (ii) Whether the components used in the defense article are identical to those components originally developed for civil use.

NOTE: The form of the item is its defined configuration, including the geometrically measured configuration, density, and weight or other visual parameters which uniquely characterize the item, component or assembly. For software, form denotes language, language level and media. The fit of the item is its ability to physically interface or interconnect with or become an integral part of another item. The function of the item is the action or actions it is designed to perform.

(3) A determination that an article has significant military or intelligence applications such that it is necessary to control its export as a defense article shall be made, in accordance with this subchapter, on a case-by-case basis, taking into account:

- (i) The nature, function, and capability of the article;
- (ii) The nature of controls imposed by other nations on such items (including COCOM and other multilateral controls), and
- (iii) That items described on the COCOM Industrial List shall not be designated defense articles or defense services unless the failure to control such items on the U.S. Munitions List would jeopardize significant national security or foreign policy interests.

(e) The Office of Defense Trade Controls will provide a preliminary response within 10 working days of receipt of a complete request for commodity jurisdiction. If after 45 days the

Office of Defense Trade Controls has not provided a final commodity jurisdiction determination, the applicant may request in writing to the Director, Center for Defense Trade that this determination be given expedited processing.

(f) State, Defense and Commerce will resolve commodity jurisdiction disputes in accordance with established procedures. State shall notify Defense and Commerce of the initiation and conclusion of each case.

(g) A person may appeal a commodity jurisdiction determination by submitting a written request for reconsideration to the Director of the Center for Defense Trade. The Center for Defense Trade will provide a written response of the Director's determination within 30 days of receipt of the appeal. If desired, an appeal of the Director's decision can then be made directly to the Assistant Secretary for Politico-Military Affairs.

§ 120.5 Relation to regulations of other agencies.

If an article or service is covered by the U.S. Munitions List, its export is regulated by the Department of State, except as indicated otherwise in this subchapter. For the relationship of this subchapter to regulations of the Department of Commerce, the Department of Energy and the Nuclear Regulatory Commission, see §123.20 of this subchapter. The Treasury Department controls permanent imports of articles and services covered by the U.S. Munitions Import List from foreign countries by persons subject to U.S. jurisdiction (31 CFR part 505). - 122.2 Submission of registration statement.
- 122.3 Registration fees.
- 122.4 Notification of changes in information furnished by registrants.
- 122.5 Maintenance of records by registrants.

AUTHORITY: Secs. 2 and 38, Pub. L. 90-629, 90 Stat. 744 (22 U.S.C. 2752, 2778); E.O. 11958, 42 FR 4311, 1977 Comp. p. 79; 22 U.S.C. 2658.

SOURCE: 58 FR 39298, July 22, 1993, unless otherwise noted.

§ 122.1 Registration requirements.

(a) Any person who engages in the United States in the business of either manufacturing or exporting defense articles or furnishing defense services is required to register with the Office of Defense Trade Controls. Manufacturers who do not engage in exporting must nevertheless register.

(b) *Exemptions.* Registration is not required for:

(1) Officers and employees of the United States Government acting in an official capacity.

(2) Persons whose pertinent business activity is confined to the production of unclassified technical data only.

(3) Persons all of whose manufacturing and export activities are licensed under the Atomic Energy Act of 1954, as amended.

(4) Persons who engage only in the fabrication of articles for experimental or scientific purpose, including research and development.

(c) *Purpose.* Registration is primarily a means to provide the U.S. Government with necessary information on who is involved in certain manufacturing and exporting activities. Registration does not confer any export rights or privileges. It is generally a precondition to the issuance of any license or other approval under this subchapter.

§ 122.2 Submission of registration statement.

(a) *General.* The Department of State Form DSP-9 (Registration Statement) and the transmittal letter required by paragraph (b) of this section must be submitted by an intended registrant with a payment by check or money order payable to the Department of State of one of the fees prescribed in § 122.3(a) of this subchapter. The Registration Statement and transmittal letter must be signed by a senior officer who has been empowered by the intended registrant to sign such documents. The intended registrant shall also submit documentation that demonstrates that it is incorporated or otherwise authorized to do business in the United States. The Office of Defense Trade Controls will return to the sender any Registration Statement that is incomplete, or that is not accompanied by the required letter or payment of the proper registration fee.

(b) *Transmittal letter.* A letter of transmittal, signed by an authorized senior officer of the intended registrant, shall accompany each Registration Statement.

(1) The letter shall state whether the intended registrant, chief executive officer, president, vice-presidents, other senior officers or officials (e.g. comptroller, treasurer, general counsel) or any member of the board of directors:

(i) Has ever been indicted for or convicted of violating any of the U.S. criminal statutes enumerated in § 120.27 of this subchapter; or

(ii) Is ineligible to contract with, or to receive a license or other approval to import defense articles or defense services from, or to receive an export license or other approval from, any agency of the U.S. Government.

(2) The letter shall also declare whether the intended registrant is owned or controlled by foreign persons (as defined in § 120.16 of this subchapter). If the intended registrant is owned or controlled by foreign persons, the letter shall also state whether the intended registrant is incorporated or otherwise authorized to engage in business in the United States.

(c) *Definition.* For purposes of this section, *ownership* means that more than 50 percent of the outstanding vot-

ing securities of the firm are owned by one or more foreign persons. *Control* means that one or more foreign persons have the authority or ability to establish or direct the general policies or day-to-day operations of the firm. Control is presumed to exist where foreign persons own 25 percent or more of the outstanding voting securities if no U.S. persons control an equal or larger percentage. The standards for control specified in 22 CFR 60.2(c) also provide guidance in determining whether control in fact exists.

§ 122.3 Registration fees.

(a) A person who is required to register may do so for a period up to 5 years upon submission of a completed form DSP-9, transmittal letter, and payment of a fee as follows:

1 year	\$250
2 years	500
3 years	700
4 years	850
5 years	1,000

(b) *Lapse in registration.* A registrant who fails to renew a registration and, after an intervening period, seeks to register again must pay registration fees for any part of such intervening period during which the registrant engaged in the business of manufacturing or exporting defense articles or defense services.

(c) *Refund of fee.* Fees paid in advance for future years of a multiple year registration will be refunded upon request if the registrant ceases to engage in the manufacture or export of defense articles and defense services. A request for a refund must be submitted to the Office of Defense Trade Controls prior to the beginning of any year for which a refund is claimed.

§ 122.4 Notification of changes in information furnished by registrants.

(a) A registrant must, within five days of the event, notify the Office of Defense Trade Controls by registered mail if:

(1) Any of the persons referred to in § 122.2(b) are indicted for or convicted of violating any of the U.S. criminal statutes enumerated in § 120.27 of this subchapter, or become ineligible to contract with, or to receive a license or

other approval to export or temporarily import defense articles or defense services from any agency of the U.S. government; or

(2) There is a material change in the information contained in the Registration Statement, including a change in the senior officers; the establishment, acquisition or divestment of a subsidiary or foreign affiliate; a merger; a change of location; or the dealing in an additional category of defense articles or defense services.

(b) A registrant must notify the Office of Defense Trade Controls by registered mail at least 60 days in advance of any intended sale or transfer to a foreign person of ownership or control of the registrant or any entity thereof. Such notice does not relieve the registrant from obtaining the approval required under this subchapter for the export of defense articles or defense services to a foreign person, including the approval required prior to disclosing technical data. Such notice provides the Office of Defense Trade Controls with the information necessary to determine whether the authority of section 38(g)(6) of the Arms Export Control Act regarding licenses or other approvals for certain sales or transfers of articles or data should be invoked (see §§120.10 and 126.1(e) of this subchapter).

(c) The new entity formed when a registrant merges with another company or acquires, or is acquired by, another company or a subsidiary or division of another company shall advise the Office of Defense Trade Controls of the following:

(1) The new firm name and all previous firm names being disclosed;

(2) The registration number that will survive and those that are to be discontinued (if any);

(3) The license numbers of all approvals on which unshipped balances will be shipped under the surviving registration number, since any license not the subject of notification will be considered invalid; and

(4) Amendments to agreements approved by the Office of Defense Trade Controls to change the name of a party to those agreements. The registrant must, within 60 days of this notification, provide to the Office of Defense

Trade Controls a signed copy of an amendment to each agreement signed by the new U.S. entity, the former U.S. licensor and the foreign licensee. Any agreements not so amended will be considered invalid.

(d) Prior approval by the Office of Defense Trade Controls is required for any amendment making a substantive change.

§122.5 Maintenance of records by registrants.

(a) A person who is required to register must maintain records concerning the manufacture, acquisition and disposition of defense articles; the provision of defense services; and information on political contributions, fees, or commissions furnished or obtained, as required by part 130 of this subchapter. All such records must be maintained for a period of five years from the expiration of the license or other approval. The Director, Office of Defense Trade Controls, may prescribe a longer or shorter period in individual cases.

(b) Records maintained under this section shall be available at all times for inspection and copying by the Director, Office of Defense Trade Controls or a person designated by the Director (the Director of the Diplomatic Security Service or a person designated by the Director of the Diplomatic Security Service or another designee), or the Commissioner of the U.S. Customs Service or a person designated by the Commissioner.

§ 123.4

forces of a foreign country or international organization (see part 130 of this subchapter).

(d) Provisions for furnishing the type of defense services described in § 120.9(a) of this subchapter are contained in part 124 of this subchapter. Provisions for the export or temporary import of technical data and classified defense articles are contained in part 125 of this subchapter.

(e) A request for a license for the export of unclassified technical data (DSP-5) related to a classified defense article should specify any classified technical data or material that subsequently will be required for export in the event of a sale.

§ 123.2 Import jurisdiction.

The Department of State regulates the temporary import of defense articles. Permanent imports of defense articles into the United States are regulated by the Department of the Treasury (see 27 CFR parts 47, 178 and 179).

§ 123.3 Temporary import licenses.

(a) A license (DSP-61) issued by the Office of Defense Trade Controls is required for the temporary import and subsequent export of unclassified defense articles, unless exempted from this requirement pursuant to § 123.4. This requirement applies to:

(1) Temporary imports of unclassified defense articles that are to be returned directly to the country from which they were shipped to the United States;

(2) Temporary imports of unclassified defense articles in transit to a third country;

(b) A bond may be required as appropriate (see part 125 of this subchapter for license requirements for technical data and classified defense articles.)

§ 123.4 Temporary import license exemptions.

(a) District Directors of Customs shall permit the temporary import (and subsequent export) without a license, for a period of up to 4 years, of unclassified U.S.-origin defense articles (including any article manufactured abroad pursuant to U.S. Government approval) if the article temporarily imported:

(1) Is serviced (e.g., inspection, testing, calibration or repair, including overhaul, reconditioning and one-to-one replacement of any defective articles, parts or components, but excluding any modification, enhancement, upgrade or other form of alteration or improvement that changes the basic performance of the article), and is subsequently returned to the country from which it was imported. Shipment may be made by the U.S. importer or a foreign government representative of the country from which the goods were imported; or

(2) Is to be enhanced, upgraded or incorporated into another article which has already been authorized by the Office of Defense Trade Controls for permanent export; or

(3) Is imported for the purpose of exhibition, demonstration or marketing in the United States and is subsequently returned to the country from which it was imported; or

(4) Has been rejected for permanent import by the Department of the Treasury and is being returned to the country from which it was shipped; or

(5) Is approved for such import under the U.S. Foreign Military Sales (FMS) program pursuant to an executed U.S. Department of Defense Letter of Offer and Acceptance (DD Form 1513).

NOTE: These Exceptions do not apply to shipments that transit the U.S. to or from Canada (see § 123.19 and § 126.5 of this subchapter for exceptions).

(b) District Directors of Customs shall permit the temporary import (but not the subsequent export) without a license of unclassified defense articles that are to be incorporated into another article, or modified, enhanced, upgraded, altered, improved or serviced in any other manner that changes the basic performance or productivity of the article prior to being returned to the country from which they were shipped or prior to being shipped to a third country. A DSP-5 is required for the reexport of such unclassified defense articles after incorporation into another article, modification, enhancement, upgrading, alteration or improvement.

(c) *Requirements.* To use an exemption under § 123.4 (a) or (b), the following criteria must be met:

(1) The importer must meet the eligibility requirements set forth in § 120.1(b) of this subchapter;

(2) At the time of export, the ultimate consignee named on the Shipper's Export Declaration (SED) must be the same as the foreign consignee or end-user of record named at the time of import; and

(3) As stated in § 126.1 of this subchapter, the temporary import must not be from or on behalf of a proscribed country listed in that section unless an exception has been granted in accordance with § 126.3 of this subchapter.

(d) *Procedures.* To the satisfaction of the District Director of Customs, the importer and exporter must comply with the following procedures:

(1) At the time of temporary import—

(i) File and annotate the applicable U.S. Customs document (e.g., Form CF 3461, 7512, 7501, 7523 or 3311) to read: "This shipment is being imported in accordance with and under the authority of 22 CFR 123.4(a) (identify subsection)," and

(ii) Include, on the invoice or other appropriate documentation, a complete list and description of the defense article(s) being imported, including quantity and U.S. dollar value; and

(2) At the time of export, file with the District Director of Customs at the port of exit a Shipper's Export Declaration (Department of Commerce Form 7525-V) and include on the SED or as an attachment the following information:

(i) the U.S. Customs entry document number or a copy of the U.S. Customs documentation under which the article was imported;

(ii) the following statement: "22 CFR (identify section) and 22 CFR 120.1(b) applicable."

§ 123.5 Temporary export licenses.

(a) The Office of Defense Trade Controls may issue a license for the temporary export of unclassified defense articles (DSP-73). Such licenses are valid only if (1) the article will be exported for a period of less than 4 years and will be returned to the United States and (2) transfer of title will not occur during the period of temporary export. Accordingly, articles exported pursuant to a temporary export license

may not be sold or otherwise permanently transferred to a foreign person while they are overseas under a temporary export license. A renewal of the license or other written approval must be obtained from the Office of Defense Trade Controls if the article is to remain outside the United States beyond the period for which the license is valid.

(b) *Requirements.* Defense articles authorized for temporary export under this section may be shipped only from a port in the United States where a District Director of Customs is available, or from a U.S. Post Office (see 39 CFR part 20), as appropriate. The license for temporary export must be presented to the District Director of Customs who, upon verification, will endorse the exit column on the reverse side of the license. In some instances of the temporary export of technical data (e.g. postal shipments), self-endorsement will be necessary (see § 123.22(d)). The endorsed license for temporary export is to be retained by the licensee. In the case of a military aircraft or vessel exported under its own power, the endorsed license must be carried on board such vessel or aircraft as evidence that it has been duly authorized by the Department of State to leave the United States temporarily.

(c) Upon the return to the United States of defense articles covered by a license for temporary export, the license will be endorsed in the entry column by the District Director of Customs. This procedure shall be followed for all exits and entries made during the period for which the license is valid. The licensee must send the license to the Office of Defense Trade Controls immediately upon expiration or after the final return of the defense articles approved for export, whichever occurs first.

§ 123.6 Foreign trade zones and U.S. Customs bonded warehouses.

Foreign trade zones and U.S. Customs bonded warehouses are considered integral parts of the United States for the purpose of this subchapter. An export license is therefore not required for shipment between the United States and a foreign trade zone or a Customs bonded warehouse. In the case

Department of State

§ 123.9

of classified defense articles, the provisions of the Department of Defense Industrial Security Manual will apply. An export license is required for all shipments of articles on the U.S. Munitions List from foreign trade zones and U.S. Customs bonded warehouses to foreign countries, regardless of how the articles reached the zone or warehouse.

§ 123.7 Exports to warehouses or distribution points outside the United States.

Unless the exemption under § 123.16(b)(1) is used, a license is required to export defense articles to a warehouse or distribution point outside the United States for subsequent resale and will normally be granted only if an agreement has been approved pursuant to § 124.14 of this subchapter.

§ 123.8 Special controls on vessels, aircraft and satellites covered by the U.S. Munitions List.

(a) Transferring registration or control to a foreign person of any aircraft, vessel, or satellite on the U.S. Munitions List is an export for purposes of this subchapter and requires a license or written approval from the Office of Defense Trade Controls. This requirement applies whether the aircraft, vessel, or satellite is physically located in the United States or abroad.

(b) The registration in a foreign country of any aircraft, vessel or satellite covered by the U.S. Munitions List which is not registered in the United States but which is located in the United States constitutes an export. A license or written approval from the Office of Defense Trade Controls is therefore required. Such transactions may also require the prior approval of the Maritime Administration, the Federal Aviation Administration or other agencies of the U.S. Government.

§ 123.9 Country of ultimate destination and approval of reexports or retransfers.

(a) The country designated as the country of ultimate destination on an application for an export license, or on a Shipper's Export Declaration where an exemption is claimed under this subchapter, must be the country of ultimate end-use. The written approval

of the Office of Defense Trade Controls must be obtained before reselling, transferring, transshipping, or disposing of a defense article to any end user, end use or destination other than as stated on the export license, or on the Shipper's Export Declaration in cases where an exemption is claimed under this subchapter. Exporters must ascertain the specific end-user and end-use prior to submitting an application to the Office of Defense Trade Controls or claiming an exemption under this subchapter.

(b) The exporter shall incorporate the following statement as an integral part of the bill of lading, and the invoice whenever defense articles on the U.S. Munitions List are to be exported:

These commodities are authorized by the U.S. Government for export only to [country of ultimate destination] for use by [end-user]. They may not be transferred, transshipped on a non-continuous voyage, or otherwise be disposed of in any other country, either in their original form or after being incorporated into other end-items, without the prior written approval of the U.S. Department of State."

(c) A U.S. person or a foreign person requesting approval for the reexport or retransfer, or change in end-use, of a defense article shall submit a written request which shall be subject to all the documentation required for a permanent export license (see § 123.1) and shall contain the following:

(1) The license number under which the defense article was previously authorized for export from the United States;

(2) A precise description, quantity and value of the defense article;

(3) A description of the new end-use; and

(4) Identification of the new end-user.

(d) The written approval of the Office of Defense Trade Controls must be obtained before reselling, transferring, transshipping on a non-continuous voyage, or disposing of a defense article in any country other than the country of ultimate destination, or anyone other than the authorized end-user, as stated on the Shipper's Export Declaration in cases where an exemption is claimed under this subchapter.

(e) Reexports or retransfers of U.S.-origin components incorporated into a foreign defense article to a government of a NATO country, or the governments of Australia or Japan, are authorized without the prior written approval of the Office of Defense Trade Controls, provided:

(1) The U.S.-origin components were previously authorized for export from the United States, either by a license or an exemption;

(2) The U.S.-origin components are not significant military equipment, the items are not major defense equipment sold under a contract in the amount of \$14,000,000 (\$14 million) or more; the articles are not defense articles or defense services sold under a contract in the amount of \$50,000,000 (\$50 million) or more; and are not identified in part 121 of this subchapter as Missile Technology Control Regime (MTCR) items; and

(3) The person reexporting the defense article must provide written notification to the Office of Defense Trade Controls of the retransfer not later than 30 days following the reexport. The notification must state the articles being reexported and the recipient government.

(4) In certain cases, the Director, Office of Defense Trade Controls, may place retransfer restrictions on a license prohibiting use of this exemption.

§ 123.10 Non-transfer and use assurances.

(a) A nontransfer and use certificate (Form DSP-83) is required for the export of significant military equipment and classified articles including classified technical data. A license will not be issued until a completed Form DSP-83 has been received by the Office of Defense Trade Controls. This form is to be executed by the foreign consignee, foreign end-user, and the applicant. The certificate stipulates that, except as specifically authorized by prior written approval of the Department of State, the foreign consignee and foreign end-user will not reexport, resell or otherwise dispose of the significant military equipment enumerated in the application outside the country named

as the location of the foreign end-use or to any other person.

(b) The Office of Defense Trade Controls may also require a DSP-83 for the export of any other defense articles or defense services.

(c) When a DSP-83 is required for an export of any defense article or defense service to a non-governmental foreign end-user, the Office of Defense Trade Controls may require as a condition of issuing the license that the appropriate authority of the government of the country of ultimate destination also execute the certificate.

§ 123.11 Movements of vessels and aircraft covered by the U.S. Munitions List outside the United States.

(a) A license issued by the Office of Defense Trade Controls is required whenever a privately-owned aircraft or vessel on the U.S. Munitions List makes a voyage outside the United States.

(b) Exemption. An export license is not required when a vessel or aircraft referred to in paragraph (a) of this section departs from the United States and does not enter the territorial waters or airspace of a foreign country if no defense articles are carried as cargo. Such a vessel or aircraft may not enter the territorial waters or airspace of a foreign country before returning to the United States, or carry as cargo any defense article, without a temporary export license (Form DSP-73) from the Department of State. (See § 123.5.)

§ 123.12 Shipments between U.S. possessions.

An export license is not required for the shipment of defense articles between the United States, the Commonwealth of Puerto Rico, and U.S. possessions. A license is required, however, for the export of defense articles from these areas to foreign countries.

§ 123.13 Domestic aircraft shipments via a foreign country.

A license is not required for the shipment by air of a defense article from one location in the United States to another location in the United States via a foreign country. The pilot of the aircraft must, however, file a written statement with the District Director of

Department of State

§ 123.15

Customs at the port of exit in the United States. The original statement must be filed at the time of exit with the District Director of Customs. A duplicate must be filed at the port of re-entry with the District Director of Customs, who will duly endorse it and transmit it to the District Director of Customs at the port of exit. The statement will be as follows:

§ 123.14 Import certificate/delivery verification procedure.

(a) The Import Certificate/Delivery Verification Procedure is designed to assure that a commodity imported into the territory of those countries participating in IC/DV procedures will not be diverted, transshipped, or reexported to another destination except in accordance with export control regulations of the importing country.

(b) *Exports.* The Office of Defense Trade Controls may require the IC/DV procedure on proposed exports of defense articles to non-government entities in those countries participating in IC/DV procedures. In such cases, U.S. exporters must submit both an export license application (the completed Form DSP-5) and the original Import Certificate, which must be provided and authenticated by the government of the importing country. This document verifies that the foreign importer complied with the import regulations of the government of the importing

country and that the importer declared the intention not to divert, transship or reexport the material described therein without the prior approval of that government. After delivery of the commodities to the foreign consignee, the Department of State may also require U.S. exporters to furnish Delivery Verification documentation from the government of the importing country. This documentation verifies that the delivery was in accordance with the terms of the approved export license. Both the Import Certificate and the Delivery Verification must be furnished to the U.S. exporter by the foreign importer.

(c) *Triangular transactions.* When a transaction involves three or more countries that have adopted the IC/DV procedure, the governments of these countries may stamp a triangular symbol on the Import Certificate. This symbol is usually placed on the Import Certificate when the applicant for the Import Certificate (the importer) states either (1) that there is uncertainty whether the items covered by the Import Certificate will be imported into the country issuing the Import Certificate; (2) that he or she knows that the items will not be imported into the country issuing the Import Certificate; or (3) that, if the items are to be imported into the country issuing the Import Certificate, they will subsequently be reexported to another destination. All parties, including the ultimate consignee in the country of ultimate destination, must be shown on the completed Import Certificate.

§ 123.15 Congressional notification for licenses.

All exports of major defense equipment, as defined in § 120.8 of this subchapter, sold under a contract in the amount of \$14,000,000 or more, or exports of defense articles and defense services sold under a contract in the amount of \$50,000,000 or more, may take place only after the Office of Defense Trade Controls notifies the exporter through issuance of a license or other approval that 30 calendar days have elapsed since receipt by the Congress of the certification required by 22 U.S.C. 2776(c)(1) and that Congress has

not enacted a joint resolution prohibiting the export. Persons who intend to export defense articles and defense services pursuant to any exemption in this subchapter (e.g., § 126.5 of this subchapter) under the circumstances described in the first sentence of this subsection must notify the Office of Defense Trade Controls by letter of the intended export and, prior to transmittal to Congress, provide a signed contract and a DSP-83 signed by the applicant, the foreign consignee and end-user.

§ 123.16 Exemptions of general applicability.

(a) The following exemptions apply to exports of unclassified defense articles for which no approval is needed from the Office of Defense Trade Controls. These exemptions do not apply to: Proscribed destinations under § 126.1 of this subchapter; exports for which Congressional notification is required (see § 123.15 of this subchapter); MTCR articles; Significant Military Equipment (SME); and may not be used by persons who are generally ineligible as described in § 120.1(c) of this subchapter. All shipments of defense articles, including those to and from Canada, require a Shipper's Export Declaration (SED) or notification letter. If the export of a defense article is exempt from licensing, the SED must cite the exemption. Refer to § 123.22 for Shipper's Export Declaration and letter notification requirements.

(b) The following exports are exempt from the licensing requirements of this subchapter.

(1) District Directors of Customs shall permit the export without a license of defense hardware being exported in furtherance of a manufacturing license agreement, technical assistance agreement, distribution agreement or an arrangement for distribution of items identified in Category XIII(b)(1), approved in accordance with Part 124, provided that:

(i) The defense hardware to be exported supports the activity and is identified by item, quantity and value in the agreement or arrangement; and

(ii) Any provisos or limitations placed on the authorized agreement or arrangement are adhered to; and

(iii) The exporter certifies on the Shipper's Export Declaration that the export is exempt from the licensing requirements of this subchapter. This is done by writing, "22 CFR 123.16(b)(1) and the agreement or arrangement (identify/state number) applicable"; and

(iv) The total value of all shipments does not exceed the value authorized in the agreement or arrangement.

(v) In the case of a distribution agreement, export must be made directly to the approved foreign distributor.

(2) District Directors of Customs shall permit the export of components or spare parts (for exemptions for firearms and ammunition see § 123.17) without a license when the total value does not exceed \$500 in a single transaction and:

(i) The components or spare parts are being exported to support a defense article previously authorized for export; and

(ii) The spare parts or components are not going to a distributor, but to a previously approved end-user of the defense articles; and

(iii) The spare parts or components are not to be used to enhance the capability of the defense article;

(iv) exporters shall not split orders so as not to exceed the dollar value of this exemption;

(v) the exporter may not make more than 24 shipments per calendar year to the previously authorized end user;

(vi) The exporter must certify on the Shipper's Export Declaration that the export is exempt from the licensing requirements of this subchapter. This is done by writing 22 CFR 123.16(b)(2) applicable.

(3) District Directors of Customs shall permit the export without a license, of packing cases specially designed to carry defense articles.

(4) District Directors of Customs shall permit the export without a license, of unclassified models or mock-ups of defense articles, provided that such models or mock-ups are nonoperable and do not reveal any technical data in excess of that which is exempted from the licensing requirements of § 125.4(b) of this subchapter and do not contain components covered by the

U.S. Munitions List (see §120.6(b) of this subchapter). Some models or mockups built to scale or constructed of original materials can reveal technical data. U.S. persons who avail themselves of this exemption must provide a written certification to the District Director of Customs that these conditions are met. This exemption does not imply that the Office of Defense Trade Controls will approve the export of any defense articles for which models or mock-ups have been exported pursuant to this exemption.

(5) District Directors of Customs shall permit the temporary export without a license of unclassified defense articles to any public exhibition, trade show, air show or related event if that article has previously been licensed for a public exhibition, trade show, air show or related event and the license is still valid. U.S. persons who avail themselves of this exemption must provide a written certification to the District Director of Customs that these conditions are met.

(6) For exemptions for firearms and ammunition for personal use refer to §123.17.

(7) For exemptions for firearms for personal use of members of the U.S. Armed Forces and civilian employees see §123.18.

(8) For exports to Canada refer to §126.5 of this subchapter.

(9) District Directors of Customs shall permit the temporary export without a license by a U.S. person of any unclassified component, part, tool or test equipment to a subsidiary, affiliate or facility owned or controlled by the U.S. person (see §122.2(c) of this subchapter) if the component, part, tool or test equipment is to be used for manufacture, assembly, testing, production, or modification provided:

(i) The U.S. person is registered with the Office of Defense Trade Controls and complies with all requirements set forth in part 122 of this subchapter;

(ii) No defense article exported under this exemption may be sold or transferred without the appropriate license or other approval from the Office of Defense Trade Controls.

[58 FR 39299, July 22, 1993, as amended at 59 FR 29951, June 10, 1994; 59 FR 45622, Sept. 2, 1994]

§123.17 Exports of firearms and ammunition.

(a) Except as provided in §126.1 of this subchapter, District Directors of Customs shall permit the export without a license of components and parts for Category I(a) firearms, except barrels, cylinders, receivers (frames) or complete breach mechanisms when the total value does not exceed \$500 wholesale in any transaction.

(b) District Directors of Customs shall permit the export without a license of nonautomatic firearms covered by Category I(a) of §121.1 of this subchapter if they were manufactured in or before 1898, or are replicas of such firearms.

(c) District Directors of Customs shall permit U.S. persons to export temporarily from the United States without a license not more than three nonautomatic firearms in Category I(a) of §121.1 of this subchapter and not more than 1,000 cartridges therefor, provided that:

(1) A declaration by the U.S. person and an inspection by a customs officer is made;

(2) The firearms and accompanying ammunition must be with the U.S. person's baggage or effects, whether accompanied or unaccompanied (but not mailed); and

(3) They must be for that person's exclusive use and not for reexport or other transfer of ownership. The foregoing exemption is not applicable to a crew-member of a vessel or aircraft unless the crew-member declares the firearms to a Customs officer upon each departure from the United States, and declares that it is his or her intention to return the article(s) on each return to the United States. It is also not applicable to the personnel referred to in §123.18.

(d) District Directors of Customs shall permit a foreign person to export without a license such firearms in Category I(a) of §121.1 of this subchapter and ammunition therefor as the foreign person brought into the United States under the provisions of 27 CFR 178.115(d). (The latter provision specifically excludes from the definition of importation the bringing into the United States of firearms and ammunition

by certain foreign persons for specified purposes).

(e) District Directors of Customs shall permit U.S. persons to export without a license ammunition for non-automatic firearms referred to in paragraph (a) of this section if the quantity does not exceed 1,000 cartridges (or rounds) in any shipment. The ammunition must also be for personal use and not for resale or other transfer of ownership. The foregoing exemption is also not applicable to the personnel referred to in § 123.18.

§ 123.18 Firearms for personal use of members of the U.S. Armed Forces and civilian employees of the U.S. Government.

The following exemptions apply to members of the U.S. Armed Forces and civilian employees of the U.S. Government who are U.S. persons (both referred to herein as personnel). The exemptions apply only to such personnel if they are assigned abroad for extended duty. These exemptions do not apply to dependents.

(a) *Firearms.* District Directors of Customs shall permit nonautomatic firearms in Category I(a) of § 121.1 of this subchapter and parts therefor to be exported, except by mail, from the United States without a license if:

(1) They are consigned to servicemen's clubs abroad for uniformed members of the U.S. Armed Forces; or,

(2) In the case of a uniformed member of the U.S. Armed Forces or a civilian employee of the Department of Defense, they are for personal use and not for resale or other transfer of ownership, and if the firearms are accompanied by a written authorization from the commanding officer concerned; or

(3) In the case of other U.S. Government employees, they are for personal use and not for resale or other transfer of ownership, and the Chief of the U.S. Diplomatic Mission or his designee in the country of destination has approved in writing to Department of State the import of the specific types and quantities of firearms into that country. The exporter shall provide a copy of this written statement to the District Director of Customs.

(b) *Ammunition.* District Directors of Customs shall permit not more than

1,000 cartridges (or rounds) of ammunition for the firearms referred to in paragraph (a) of this section to be exported (but not mailed) from the United States without a license when the firearms are on the person of the owner or with his baggage or effects, whether accompanied or unaccompanied (but not mailed).

§ 123.19 Canadian and Mexican border shipments.

A shipment originating in Canada or Mexico which incidentally transits the United States en route to a delivery point in the same country that originated the shipment is exempt from the requirement for an in transit license.

§ 123.20 Nuclear materials.

(a) The provisions of this subchapter do not apply to equipment in Category VI(e) and Category XVI of § 121.1 of this subchapter to the extent such equipment is under the export control of the Department of Energy or the Nuclear Regulatory Commission pursuant to the Atomic Energy Act of 1954, as amended, and the Nuclear Non-Proliferation Act of 1978.

(b) A license for the export of any machinery, device, component, equipment, or technical data relating to equipment referred to in Category VI(e) will not be granted unless the proposed export comes within the scope of an existing Agreement for Cooperation for Mutual Defense Purposes concluded pursuant to the Atomic Energy Act of 1954, as amended, with the government of the country to which the article is to be exported. Licenses may be granted in the absence of such an agreement only (1) if the proposed export involves an article which is identical to that in use in an unclassified civilian nuclear power plant, (2) if the proposed export has no relationship to naval nuclear propulsion, and (3) if it is not for use in a naval propulsion plant.

§ 123.21 Duration, renewal and disposition of licenses.

(a) A license is valid for four years. The license expires when the total value or quantity authorized has been shipped or when the date of expiration has been reached, whichever occurs first. Defense articles to be shipped

thereafter require a new application and license. The new application should refer to the expired license. It should not include references to any defense articles other than those of the unshipped balance of the expired license.

(b) Unused, expired, expended, suspended, or revoked licenses must be returned immediately to the Department of State.

§ 123.22 Filing of export licenses and Shipper's Export Declarations with District Directors of Customs.

(a) The exporter must deposit the license with the District Director of Customs at the port of exit before shipment, unless paragraph (d) of this section or § 125.9 applies (for exports by mail, see § 123.24). Licenses for temporary export or temporary import are to be retained by the exporter and presented to the District Director of Customs at the time of import or export for endorsement. If necessary, the export may be made through a port other than the one designated on the license if the exporter complies with the procedures established by the U.S. Customs Service. Every license will be returned to the Office of Defense Trade Controls by the District Director of Customs when the total value or quantity authorized has been shipped or when the date of expiration is reached, whichever occurs first.

(b) Before shipping any defense article, the exporter must also file a Shipper's Export Declaration with the District Director of Customs at the port of exit (unless otherwise exempt from filing a Shipper's Export Declaration). The District Director of Customs at the port of exit must authenticate the Shipper's Export Declaration, and endorse the license to show the shipments actually made. The District Director of Customs will return a copy of each authenticated Shipper's Export Declaration to the Office of Defense Trade Controls.

(c) Except for the export of unclassified technical data, an exporter must file a Shipper's Export Declaration with District Directors of Customs or Postmasters in those cases in which no export license is required because of an exemption under this subchapter. The

exporter must certify that the export is exempt from the licensing requirements of this subchapter by writing 22 CFR (identify section) and 22 CFR 120.1(b) applicable on the Shipper's Export Declaration, and by identifying the section under which an exemption is claimed. A copy of each such declaration must be mailed immediately by the exporter to the Office of Defense Trade Controls.

(d) A Shipper's Export Declaration is not required for exports of unclassified technical data. Exporters shall notify the Office of Defense Trade Controls of the initial export of the data by either returning the license after self endorsement or by sending a letter to the Office of Defense Trade Controls. The letter shall provide the method, date, license number and airway bill number (if applicable) of the shipment. The letter must be signed by an empowered official of the company and provided to the Office of Defense Trade Controls within thirty days of the initial export.

(e) If a license for the export of unclassified defense articles, including technical data, is used but not endorsed by U.S. Customs or a Postmaster for whatever reason (e.g., electronic transmission, unavailability of Customs officer or Postmaster, etc.), the person exporting the article must self-endorse the license, showing when and how the export took place. Every license shall also be returned by the exporter to the Office of Defense Trade Controls when the total value or quantity authorized has been shipped or when the date of expiration is reached, whichever occurs first.

[58 FR 39299, July 22, 1993, as amended at 61 FR 48831, Sept. 17, 1996]

§ 123.23 Monetary value of shipments.

District Directors of Customs shall permit the shipment of defense articles identified on any license when the total value of the export does not exceed the aggregate monetary value (not quantity) stated on the license by more than ten percent, provided that the additional monetary value does not make the total value of the license or other approval for the export of any major defense equipment sold under a contract reach \$14,000,000 or more, and provided that the additional monetary

value does not make defense articles or defense services sold under a contract reach the amount of \$50,000,000 or more.

§ 123.24 Shipments by mail.

A Shipper's Export Declaration must be authenticated before an article is actually sent abroad by mail (see § 123.22(d)). The postmaster or exporter will endorse each license to show the shipments made. Every license must be returned by the exporter to the Office of Defense Trade Controls upon completion of the mailings.

§ 123.25 Amendments to licenses.

(a) The Office of Defense Trade Controls may approve an amendment to a license for permanent export, temporary export and temporary import of unclassified defense articles. A suggested format is available from the Office of Defense Trade Controls.

(b) The following types of amendments to a license that will be considered: Addition of U.S. freight forwarder or U.S. consignor; change due to an obvious typographical error; change in source of commodity; and change of foreign intermediate consignee if that party is only transporting the equipment and will not process (e.g., integrate, modify) the equipment. For changes in U.S. dollar value see § 123.23.

(c) The following types of amendments to a license will not be approved: Additional quantity, changes in commodity, country of ultimate destination, end-use or end-user, foreign consignee and/or extension of duration. The foreign intermediate consignee may only be amended if that party is acting as freight forwarder and the export does not involve technical data. A new license is required for these changes. Any new license submission must reflect only the unshipped balance of quantity and dollar value.

§ 123.26 Recordkeeping requirement for exemptions.

When an exemption is claimed for the export of unclassified technical data, the exporter must maintain a record of each such export. The business record should include the following information: A description of the unclassified technical data, the name of the recipient end-user, the date and time of the

export, and the method of transmission.

§ 123.27 Temporary export for personal use of Category XIII(b)(1) cryptographic products.

(a) District Directors of Customs may permit a U.S. citizen or a U.S. person who is a lawful permanent resident as defined by 8 U.S.C. 1101(a)(20) to temporarily export from the United States without a license not more than one each of any unclassified Category XIII(b)(1) cryptographic hardware product and not more than a single copy of each type of unclassified Category XIII(b)(1) cryptographic software product provided that:

(1) The software product(s) are to be used only on a simultaneously temporarily exported Category XIII(b)(1) hardware product or a simultaneously exported item on the Commerce Control List (CCL); and

(2) The cryptographic products covered by Category XIII(b)(1) are not destined for export to a destination listed in § 126.1 of the ITAR (22 CFR 126.1) which is prohibited by a United Nations Security Council Resolution or to which the export (or for which the issuance of a license for the export) would be prohibited by a U.S. statute (e.g., by Section 40 of the Arms Export Control Act, 22 U.S.C. 2780, to countries that have been determined to have repeatedly provided support for acts of international terrorism—currently Cuba, Iran, Iraq, Libya, North Korea, Sudan and Syria); and

(3)(i) The encryption products remain in the possession of the exporting person or the possession of another U.S. citizen or lawful permanent resident traveling with him/her, are for their exclusive use and not for copying, demonstration, marketing, sale, re-export or transfer of ownership or control. The export of cryptographic products identified in Category XIII(b)(1) in any other circumstances, for example, those in which a person contemplates sales, marketing, or demonstration must be licensed in accordance with policies and procedures established in this subchapter.

(ii) *Special definition.* For purposes of paragraph (a)(3)(i) of this section, a

Department of State

§ 123.27

product is considered to be in the possession of the exporter if:

(A) The exporter takes normal precautions to ensure the security of the product by locking the product in a hotel room, safe, or other comparably secure location; and

(B) While in transit, the exporter keeps the product in his/her carry-on luggage or locked in baggage accompanying the exporter which has been checked with the carrier; and

(4) At the time of export from the U.S. and import into the U.S., the cryptographic products are with the individual's accompanying baggage or effects. They may not be exported or imported in unaccompanied baggage, mailed or transmitted by any other means (e.g., electronically); and, the cryptographic products must be returned to the U.S. at the completion of the stay abroad; and

(5) The exporter, upon request of a U.S. Customs officer, will submit the products to inspection at the time of export and/or import.

(b) Use of this exemption requires the exporter, in lieu of filing a Shippers' Export Declaration, to maintain, for a period of 5 years from the date of each temporary export, a record of that temporary export and the subsequent import. Included in this record must be a self certification that the individual complied with the conditions of paragraph (a) of this section and a self certification that he/she has no reason to believe that any of the temporarily exported cryptographic products were stolen, lost, copied, sold or otherwise compromised or transferred while abroad. The record should include the following information: A description of the unclassified cryptographic products; the countries entered, including the dates of entry and exit for each foreign country; and, the dates of temporary export from and subsequent import into the United States.

(c) In any instance where a product exported under this exemption is stolen, lost, copied, sold or otherwise compromised or transferred while abroad, the exporting person must, within 10 days of his/her return to the United States, report the incident to the Department of State, Office of Defense

Trade Controls, Washington, DC 20520-0602. Also, any person who knows or has reason to know that cryptographic products exported under this exemption are being transferred, exported, or used for any other activity which must be licensed or otherwise authorized in writing by the Department of State, should immediately inform the Department of State, Office of Defense Trade Controls, Washington DC 20520-0602.

SOURCE: 58 FR 39305, July 22, 1993, unless otherwise noted.

§ 124.1 Manufacturing license agreements and technical assistance agreements.

(a) The approval of the Office of Defense Trade Controls must be obtained before the defense services described in § 120.9(a) of this subchapter may be furnished. In order to obtain such approval, the U.S. person must submit a proposed agreement to the Office of Defense Trade Controls. Such agreements are generally characterized as either Manufacturing license agreements, technical assistance agreements, distribution agreements or off-shore procurement agreements, and may not enter into force without the prior written approval of the Office of Defense Trade Controls. Once approved, the defense services described in the agreements may generally be provided without further licensing in accordance with §§ 124.3 and 125.4(b)(2) of this subchapter. The requirements of this section apply whether or not technical data is to be disclosed or used in the performance of the defense services described in § 120.9(a) of this subchapter (e.g., all the information relied upon by the U.S. person in performing the defense service is in the public domain or is otherwise exempt from the licensing requirements of this subchapter pursuant to § 125.4 of this subchapter). This requirement also applies to the training of any foreign military forces, regular and irregular, in the use of defense articles. Technical assistance agreements must be submitted in such cases. In exceptional cases, The Office of Defense Trade Controls, upon written request, will consider approving the provision of defense services described in § 120.9(a) of this subchapter by granting a license under part 125 of this subchapter. Also, see § 126.8 of this subchapter for the requirements for prior approval of proposals relating to significant military equipment.

(b) *Classified Articles.* Copies of approved agreements involving the release of classified defense articles will be forwarded by the Office of Defense Trade Controls to the Defense Investigative Service of the Department of Defense.

(c) *Amendments.* Changes to the scope of approved agreements, including modifications, upgrades, or extensions

must be submitted for approval. The amendments may not enter into force until approved by the Office of Defense Trade Controls.

(d) *Minor Amendments.* Amendments which only alter delivery or performance schedules, or other minor administrative amendments which do not affect in any manner the duration of the agreement or the clauses or information which must be included in such agreements because of the requirements of this part, do not have to be submitted for approval. One copy of all such minor amendments must be submitted to the Office of Defense Trade Controls within thirty days after they are concluded.

§ 124.2 Exemptions for training and military service.

(a) Technical assistance agreements are not required for the provision of training in the basic operation and maintenance of defense articles lawfully exported or authorized for export to the same recipient. This does not include training in intermediate and depot level maintenance.

(b) Services performed as a member of the regular military forces of a foreign nation by U.S. persons who have been drafted into such forces are not deemed to be defense services for purposes of § 120.9 of this subchapter.

§ 124.3 Exports of technical data in furtherance of an agreement.

(a) *Unclassified technical data.* District Directors of Customs or postal authorities shall permit the export without a license of unclassified technical data if the export is in furtherance of a manufacturing license or technical assistance agreement which has been approved in writing by the Office of Defense Trade Controls and the technical data being exported does not exceed the scope or limitations of the relevant agreement. The U.S. party to the agreement must certify on the Shippers Export Declaration that the export does not exceed the scope of the agreement and any limitations imposed pursuant to this part. The approval of the Office of Defense Trade Controls must be obtained for the export of any unclassified technical data

Department of State

§ 124.8

which may exceed the terms of the agreement.

(b) *Classified technical data.* The export of classified information in furtherance of an approved manufacturing license or technical assistance agreement which provides for the transmittal of classified information does not require further approval from the Office of Defense Trade Controls when:

(1) The United States party certifies to the Department of Defense transmittal authority that the classified information does not exceed the technical or product limitations in the agreement; and

(2) The U.S. party complies with the requirements of the Department of Defense Industrial Security Manual concerning the transmission of classified information and any other requirements of cognizant U.S. departments or agencies.

§ 124.4 Deposit of signed agreements with the Office of Defense Trade Controls.

The United States party to a manufacturing license or a technical assistance agreement must file one copy of the concluded agreement with the Office of Defense Trade Controls not later than 30 days after it enters into force.

§ 124.5 Proposed agreements that are not concluded.

The United States party to any proposed manufacturing license agreement or technical assistance agreement must inform the Office of Defense Trade Controls if a decision is made not to conclude the agreement. The information must be provided within 60 days of the date of the decision. These requirements apply only if the approval of the Office of Defense Trade Controls was obtained for the agreement to be concluded (with or without any provisos).

§ 124.6 Termination of manufacturing license agreements and technical assistance agreements.

The U. S. party to a manufacturing license or a technical assistance agreement must inform the Office of Defense Trade Controls in writing of the impending termination of the agreement

not less than 30 days prior to the expiration date of such agreement.

§ 124.7 Information required in all manufacturing license agreements and technical assistance agreements.

The following information must be included in all proposed manufacturing license agreements and technical assistance agreements. The information should be provided in terms which are as precise as possible. If the applicant believes that a clause or that required information is not relevant or necessary, the applicant may request the omission of the clause or information. The transmittal letter accompanying the agreement must state the reasons for any proposed variation in the clauses or required information.

(1) The agreement must describe the defense article to be manufactured and all defense articles to be exported, including any test and support equipment or advanced materials. They should be described by military nomenclature, contract number, National Stock Number, nameplate data, or other specific information. Supporting technical data or brochures should be submitted in seven copies. Only defense articles listed in the agreement will be eligible for export under the exemption in § 123.16(b)(1) of this subchapter.

(2) The agreement must specifically describe the assistance and technical data, including the design and manufacturing know-how involved, to be furnished and any manufacturing rights to be granted;

(3) The agreement must specify its duration; and

(4) The agreement must specifically identify the countries or areas in which manufacturing, production, processing, sale or other form of transfer is to be licensed.

§ 124.8 Clauses required both in manufacturing license agreements and technical assistance agreements.

The following statements must be included both in manufacturing license agreements and in technical assistance agreements:

(1) "This agreement shall not enter into force, and shall not be amended or

extended, without the prior written approval of the Department of State of the U.S. Government.”

(2) “This agreement is subject to all United States laws and regulations relating to exports and to all administrative acts of the U.S. Government pursuant to such laws and regulations.”

(3) “The parties to this agreement agree that the obligations contained in this agreement shall not affect the performance of any obligations created by prior contracts or subcontracts which the parties may have individually or collectively with the U.S. Government.”

(4) “No liability will be incurred by or attributed to the U.S. Government in connection with any possible infringement of privately owned patent or proprietary rights, either domestic or foreign, by reason of the U.S. Government’s approval of this agreement.”

(5) “The technical data or defense service exported from the United States in furtherance of this agreement and any defense article which may be produced or manufactured from such technical data or defense service may not be transferred to a person in a third country or to a national of a third country except as specifically authorized in this agreement unless the prior written approval of the Department of State has been obtained.”

(6) “All provisions in this agreement which refer to the United States Government and the Department of State will remain binding on the parties after the termination of the agreement.”

§ 124.9 Additional clauses required only in manufacturing license agreements.

(a) *Clauses for all manufacturing license agreements.* The following clauses must be included only in manufacturing license agreements:

(1) “No export, sale, transfer, or other disposition of the licensed article is authorized to any country outside the territory wherein manufacture or sale is herein licensed without the prior written approval of the U.S. Government unless otherwise exempted by the U.S. Government. Sales or other transfers of the licensed article shall be limited to governments of countries wherein manufacture or sale is hereby

licensed and to private entities seeking to procure the licensed article pursuant to a contract with any such government unless the prior written approval of the U.S. Government is obtained.”

(2) “It is agreed that sales by licensee or its sub-licensees under contracts made through the U.S. Government will not include either charges for patent rights in which the U.S. Government holds a royalty-free license, or charges for data which the U.S. Government has a right to use and disclose to others, which are in the public domain, or which the U.S. Government has acquired or is entitled to acquire without restrictions upon their use and disclosure to others.”

(3) “If the U.S. Government is obligated or becomes obligated to pay to the licensor royalties, fees, or other charges for the use of technical data or patents which are involved in the manufacture, use, or sale of any licensed article, any royalties, fees or other charges in connection with purchases of such licensed article from licensee or its sub-licensees with funds derived through the U.S. Government may not exceed the total amount the U.S. Government would have been obligated to pay the licensor directly.”

(4) “If the U.S. Government has made financial or other contributions to the design and development of any licensed article, any charges for technical assistance or know-how relating to the item in connection with purchases of such articles from licensee or sub-licensees with funds derived through the U.S. Government must be proportionately reduced to reflect the U.S. Government contributions, and subject to the provisions of paragraphs (a) (2) and (3) of this section, no other royalties, or fees or other charges may be assessed against U.S. Government funded purchases of such articles. However, charges may be made for reasonable reproduction, handling, mailing, or similar administrative costs incident to the furnishing of such data.”

(5) “The parties to this agreement agree that an annual report of sales or other transfers pursuant to this agreement of the licensed articles, by quantity, type, U.S. dollar value, and purchaser or recipient, shall be provided

Department of State

§ 124.11

by (applicant or licensee) to the Department of State.” This clause must specify which party is obligated to provide the annual report. Such reports may be submitted either directly by the licensee or indirectly through the licensor, and may cover calendar or fiscal years. Reports shall be deemed proprietary information by the Department of State and will not be disclosed to unauthorized persons. See § 126.10(b) of this subchapter.

(6) (Licensee) agrees to incorporate the following statement as an integral provision of a contract, invoice or other appropriate document whenever the licensed articles are sold or otherwise transferred:

These commodities are authorized for export by the U.S. Government only to (country of ultimate destination or approved sales territory). They may not be resold, diverted, transferred, transshipped, or otherwise be disposed of in any other country, either in their original form or after being incorporated through an intermediate process into other end-items, without the prior written approval of the U.S. Department of State.

(b) *Special clause for agreements relating to significant military equipment.* With respect to an agreement for the production of significant military equipment, the following additional provisions must be included in the agreement:

(1) “A completed nontransfer and use certificate (DSP-83) must be executed by the foreign end-user and submitted to the Department of State of the United States before any transfer may take place.”

(2) “The prior written approval of the U.S. Government must be obtained before entering into a commitment for the transfer of the licensed article by sale or otherwise to any person or government outside of the approved sales territory.”

§ 124.10 Nontransfer and use assurances.

(a) *Types of agreements requiring assurances.* With respect to any manufacturing license agreement or technical assistance agreement which relates to significant military equipment or classified defense articles, including classified technical data, a Nontransfer and

Use Certificate (Form DSP-83) (see § 123.10 of this subchapter) signed by the applicant and the foreign party must be submitted to the Office of Defense Trade Controls. With respect to all agreements involving classified articles, including classified technical data, an authorized representative of the foreign government must sign the DSP-83 (or provide the same assurances in the form of a diplomatic note), unless the Office of Defense Trade Controls has granted an exception to this requirement. The Office of Defense Trade controls may require that a DSP-83 be provided in conjunction with an agreement that does not relate to significant military equipment or classified defense articles. The Office of Defense Trade Controls may also require with respect to any agreement that an appropriate authority of the foreign party’s government also sign the DSP-83 (or provide the same assurances in the form of a diplomatic note).

(b) *Timing of submission of assurances.* Submission of a Form DSP-83 and/or diplomatic note must occur as follows:

(1) Agreements which have been signed by all parties before being submitted to the Office of Defense Trade Controls may only be submitted along with any required DSP-83 and/or diplomatic note.

(2) If an agreement has not been signed by all parties before being submitted, the required DSP-83 and/or diplomatic note must be submitted along with the signed agreement.

NOTE: In no case may a transfer occur before a required DSP-83 and/or diplomatic note has been submitted to the Office of Defense Trade Controls.

[59 FR 29951, June 10, 1994]

§ 124.11 Certification to Congress for agreements.

Regardless of dollar value, a Technical Assistance Agreement or a Manufacturing License Agreement for or in a country not a member of NATO that involves the manufacture abroad of any item of significant military equipment (as defined in § 120.7 of this subchapter) shall be certified to Congress by the Department as required by 22 U.S.C. 2776(d). Additionally, any technical assistance agreement or manufacturing license agreement providing

for the export of major defense equipment, as defined in § 120.8, sold under a contract in the amount of \$14 million or more, or of defense articles or defense services sold under a contract in the amount of \$50 million or more, shall be certified to Congress by the Department as required by 22 U.S.C. 2776(c)(1). The Office of Defense Trade Controls will not approve agreements requiring Congressional notification until 30 calendar days have elapsed since receipt by the Congress of the required certification without the Congress having enacted a joint resolution prohibiting the agreement.

§ 124.12 Required information in letters of transmittal.

(a) An application for the approval of a manufacturing license or technical assistance agreement with a foreign person must be accompanied by an explanatory letter. The original letter and seven copies of the letter and eight copies of the proposed agreement shall be submitted to the Office of Defense Trade Controls. The explanatory letter shall contain:

- (1) A statement giving the applicant's Defense Trade Controls registration number.
- (2) A statement identifying the licensee and the scope of the agreement.
- (3) A statement identifying the U.S. Government contract under which the equipment or technical data was generated, improved, or developed and supplied to the U.S. Government, and whether the equipment or technical data was derived from any bid or other proposal to the U.S. Government.
- (4) A statement giving the military security classification of the equipment or technical data.
- (5) A statement identifying any patent application which discloses any of the subject matter of the equipment or technical data covered by an invention secrecy order issued by the U.S. Patent and Trademark Office.
- (6) A statement of the actual or estimated value of the agreement, including the estimated value of all defense articles to be exported in furtherance of the agreement or amendments thereto. If the value is \$500,000 or more, an additional statement must be made regarding the payment of political con-

tributions, fees or commissions, pursuant to part 130 of this subchapter.

(7) A statement indicating whether any foreign military sales credits or loan guarantees are or will be involved in financing the agreement.

(8) The agreement must describe any classified information involved and identify, from Department of Defense form DD254, the address and telephone number of the U.S. Government office that classified the information.

(9) For agreements that may require the export of classified information, the Defense Investigative Service cognizant security offices that have responsibility for the facilities of the U.S. parties to the agreement shall be identified. The facility security clearance codes of the U.S. parties shall also be provided.

(b) The following statements must be made in the letter of transmittal:

(1) "If the agreement is approved by the Department of State, such approval will not be construed by (the applicant) as passing on the legality of the agreement from the standpoint of antitrust laws or other applicable statutes, nor will (the applicant) construe the Department's approval as constituting either approval or disapproval of any of the business terms or conditions between the parties to the agreement."

(2) "The (applicant) will not permit the proposed agreement to enter into force until it has been approved by the Department of State."

(3) "The (applicant) will furnish the Department of State with one copy of the signed agreement (or amendment) within 30 days from the date that the agreement is concluded and will inform the Department of its termination not less than 30 days prior to expiration and provide information on the continuation of any foreign rights or the flow of technical data to the foreign party. If a decision is made not to conclude the proposed agreement, the applicant will so inform the Department within 60 days."

(4) "If this agreement grants any rights to sub-license, it will be amended to require that all sub-licensing arrangements incorporate all the provisions of the basic agreement that refer

Department of State

§ 124.14

to the U.S. Government and the Department of State (i.e., 22 CFR 124.9 and 124.10)."

§ 124.13 Procurement by United States persons in foreign countries (offshore procurement).

Notwithstanding the other provisions in part 124 of this subchapter, the Office of Defense Trade Controls may authorize by means of a license (DSP-5) the export of unclassified technical data to foreign persons for offshore procurement of defense articles, provided that:

(a) The contract or purchase order for offshore procurement limits delivery of the defense articles to be produced only to the person in the United States or to an agency of the U.S. Government; and

(b) The technical data of U.S.-origin to be used in the foreign manufacture of defense articles does not exceed that required for bid purposes on a build-to-print basis (build-to-print means producing an end-item (i.e., system, subsystem or component) from technical drawings and specifications (which contain no process or know-how information) without the need for additional technical assistance). Release of supporting documentation (e.g., acceptance criteria, object code software for numerically controlled machines) is permissible. Build-to-print does not include the release of any information which discloses design methodology, engineering analysis, detailed process information or manufacturing know-how); and

(c) The contract or purchase order between the person in the United States and the foreign person:

(1) Limits the use of the technical data to the manufacture of the defense articles required by the contract or purchase order only; and

(2) Prohibits the disclosure of the data to any other person except subcontractors within the same country; and

(3) Prohibits the acquisition of any rights in the data by any foreign person; and

(4) Provides that any subcontracts between foreign persons in the approved country for manufacture of equipment for delivery pursuant to the

contract or purchase order contain all the limitations of this paragraph (c); and

(5) Requires the foreign person, including subcontractors, to destroy or return to the person in the United States all of the technical data exported pursuant to the contract or purchase order upon fulfillment of their terms; and

(6) Requires delivery of the defense articles manufactured abroad only to the person in the United States or to an agency of the U.S. Government; and

(d) The person in the United States provides the Office of Defense Trade Controls with a copy of each contract, purchase order or subcontract for offshore procurement at the time it is accepted. Each such contract, purchase order or subcontract must clearly identify the article to be produced and must identify the license number or exemption under which the technical data was exported; and

(e) Licenses issued pursuant to this section must be renewed upon their expiration if offshore procurement is to extend beyond the period of validity of the license. If the technical data involved in an offshore procurement arrangement is otherwise exempt from the licensing requirements pursuant to § 126.4 or § 126.5 of this subchapter, the DSP-5 referred to in the first sentence of this section is not required. However, the exporter must comply with the other requirements of this section. The exemptions under § 125.4 of this subchapter may not be used to establish offshore procurement arrangements.

§ 124.14 Exports to warehouses or distribution points outside the United States.

(a) Agreements (e.g., contracts) between U.S. persons and foreign persons for the warehousing and distribution of defense articles must be approved by the Office of Defense Trade Controls before they enter into force. Such agreements will be limited to unclassified defense articles and must contain conditions for special distribution, end-use and reporting. Licenses for exports pursuant to such agreements must be obtained prior to exports of the defense articles unless an exemption under

§ 123.16(b)(1) of this subchapter is applicable.

(b) *Required Information.* Proposed warehousing and distribution agreements (and amendments thereto) shall be submitted to the Office of Defense Trade Controls for approval. The following information must be included in all such agreements:

(1) A description of the defense articles involved including test and support equipment covered by the U.S. Munitions List. This shall include when applicable the military nomenclature, the Federal stock number, nameplate data, and any control numbers under which the defense articles were developed or procured by the U.S. Government. Only those defense articles specifically listed in the agreement will be eligible for export under the exemption in § 123.16(b)(1) of this subchapter.

(2) A detailed statement of the terms and conditions under which the defense articles will be exported and distributed;

(3) The duration of the proposed agreement;

(4) Specific identification of the country or countries that comprise the distribution territory. Distribution must be specifically limited to the governments of such countries or to private entities seeking to procure defense articles pursuant to a contract with a government within the distribution territory or to other eligible entities as specified by the Office of Defense Trade Controls. Consequently, any deviation from this condition must be fully explained and justified. A non-transfer and use certificate (DSP-83) will be required to the same extent required in licensing agreements under § 124.9(b).

(c) *Required statements.* The following statements must be included in all warehousing and distribution agreements:

(1) "This agreement shall not enter into force, and may not be amended or extended, without the prior written approval of the Department of State of U.S. Government."

(2) "This agreement is subject to all United States laws and regulations related to exports and to all administrative acts of the United States Govern-

ment pursuant to such laws and regulations.

(3) "The parties to this agreement agree that the obligations contained in this agreement shall not affect the performance of any obligations created by prior contracts or subcontracts which the parties may have individually or collectively with the U.S. Government."

(4) "No liability will be incurred by or attributed to the U.S. Government in connection with any possible infringement of privately owned patent or proprietary rights, either domestic or foreign by reason of the U.S. Government's approval of this agreement."

(5) "No export, sale, transfer, or other disposition of the defense articles covered by this agreement is authorized to any country outside the distribution territory without the prior written approval of the Office of Defense Trade Controls of the U.S. Department of State."

(6) "The parties to this agreement agree that an annual report of sales or other transfers pursuant to this agreement of the licensed articles, by quantity, type, U.S. dollar value, and purchaser or recipient shall be provided by (applicant or licensee) to the Department of State." This clause must specify which party is obligated to provide the annual report. Such reports may be submitted either directly by the licensee or indirectly through the licensor, and may cover calendar or fiscal years. Reports shall be deemed proprietary information by the Department of State and will not be disclosed to unauthorized persons. (See § 126.10(b) of this subchapter.)

(7) (Licensee) agrees to incorporate the following statement as an integral provision of a contract, invoice or other appropriate document whenever the articles covered by this agreement are sold or otherwise transferred:

These commodities are authorized for export by the U.S. Government only to (country of ultimate destination or approved sales territory). They may not be resold, diverted, transferred, transshipped, or otherwise be disposed of in any other country, either in their original form or after being incorporated through an intermediate process into other end-items, without the prior written approval of the U.S. Department of State.

Department of State

§ 124.15

(8) "All provisions in this agreement which refer to the United States Government and the Department of State will remain binding on the parties after the termination of the agreement."

(5) A statement that no classified defense articles or classified technical data are involved.

(6) A statement identifying any patent application which discloses any of the subject matter of the equipment or related technical data covered by an invention secrecy order issued by the U.S. Patent and Trademark Office.

(f) *Required clauses.* The following statements must be made in the letter of transmittal:

(1) "If the agreement is approved by the Department of State, such approval will not be construed by (applicant) as passing on the legality of the agreement from the standpoint of antitrust laws or other applicable statutes, nor will (the applicant) construe the Department's approval as constituting either approval or disapproval of any of the business terms or conditions between the parties to the agreement."

(2) "The (applicant) will not permit the proposed agreement to enter into force until it has been approved by the Department of State."

(3) "(Applicant) will furnish the Department of State with one copy of the signed agreement (or amendment thereto) within 30 days from the date that the agreement is concluded, and will inform the Department of its termination not less than 30 days prior to expiration. If a decision is made not to conclude the proposed agreement, (applicant) will so inform the Department within 60 days."

§ 124.15 Arrangements for U.S. encryption (Category XIII(b)(1)) distribution by manufacturers.

(a) Arrangements for the export of unclassified defense articles identified in Category XIII(b)(1) must be approved by the Office of Defense Trade Controls

before they enter into force. Such arrangements will be limited to unclassified defense articles identified in Category XIII(b)(1) and must contain conditions for special distribution, end-use and reporting. Licenses for export pursuant to such arrangements must be obtained prior to export of the defense article unless an exemption under § 123.16(b)(1) of this subchapter is applicable.

(b) *Required information.* Proposed arrangements shall be submitted to the Office of Defense Trade Controls for review and approval. The following information must be included in all such proposed arrangements:

(1) A description of the U.S. Munitions List articles involved. This shall include when applicable the Federal Stock Number, nameplate data, and any control numbers under which the articles were developed or procured by the U.S. Government;

(2) A detailed statement of the terms and conditions under which the articles will be exported and distributed;

(3) The duration of the proposed arrangement; and

(4) Specific identification of the country or countries that comprise the distribution territory. A Nontransfer and Use Certificate (DSP-83) will be required in accordance with § 123.10.

(c) *Required Statements.* The following statements must be included in all arrangements:

(1) This arrangement shall not enter into force, and shall not be amended or extended, without the prior written approval of the Department of State of the U.S. Government.

(2) This arrangement is subject to all United States laws and regulations relating to exports and to all administrative acts of the U.S. Government pursuant to such laws and regulations.

(3) The arrangement shall not affect the performance of any obligations created by prior contracts or subcontracts which the applicant may have individually or collectively with the U.S. Government.

(4) No liability will be incurred by or attributed to the U.S. Government in connection with any possible infringement of privately owned patent or proprietary rights, either domestic or for-

eign, by reason of the U.S. Government's approval of this arrangement.

(5) No export, sale, transfer, or other disposition of the U.S. Munitions List articles covered by this arrangement is authorized to any country outside the distribution territory without the prior written approval of the Office of Defense Trade Controls of the U.S. Department of State.

(6) The applicant agrees that a semi-annual report of sales or other transfers pursuant to this arrangement of the licensed articles, by quantity, type, U.S. dollar value, and purchaser or recipient shall be provided by (applicant) to the Department of State. Such reports may cover calendar or fiscal years. Reporting shall continue until such time as all articles authorized under the arrangement or a permanent unclassified license (DSP-5) authorized in support of the arrangement have been reported. Reports shall be deemed proprietary information by the Department of State and will not be disclosed to unauthorized persons. (See § 126.10(b) of this subchapter.)

(7) The applicant agrees to notify (identify foreign end-user) of any end use or retransfer restrictions and (identify foreign end user) agrees to incorporate the following statement as an integral provision of a contract, invoice or other appropriate document when the articles covered by this arrangement are sold or otherwise transferred:

They may not be resold, diverted, transferred, transshipped, or otherwise be disposed of in any other country, either in their original form or after being incorporated through an intermediate process into other end-items, without the prior written approval of the U.S. Department of State."

(8) All provisions in this arrangement which refer to the United States Government and the Department of State will remain binding on the applicant after the termination of the arrangement.

(d) The license will be valid for four years and quantities and values should reflect those for this time period. No

Department of State

§ 125.1

application will be accepted for any export for which Congressional notification is required.

The application shall be filled out in accordance with the instructions; however, in this instance, foreign end-user, foreign consignee, and foreign intermediate consignees need not be identified. In each block state: "The foreign person in this block will be reported in accordance with §124.15 of the ITAR." The provisions of §126.13(b) with regards to foreign consignee and foreign intermediate consignee need not be complied with at the time the application is transmitted but will be reported semi-annually.

(e) *Transmittal letter.* Requests for approval of the arrangement must be made by letter. The original letter and seven copies of the proposed arrangement shall be submitted to the Office of Defense Trade Controls. The letter shall contain the following:

SOURCE: 58 FR 39310, July 22, 1993, unless otherwise noted.

§ 125.1 Exports subject to this part.

(a) The controls of this part apply to the export of technical data and the export of classified defense articles. Information which is in the public domain (see § 120.11 of this subchapter and § 125.4(b)(13)) is not subject to the controls of this subchapter.

(b) A license for the export of technical data and the exemptions in § 125.4 may not be used for foreign production purposes or for technical assistance unless the approval of the Office of Defense Trade Controls has been obtained. Such approval is generally provided only pursuant to the procedures specified in part 124 of this subchapter.

(c) Technical data authorized for export may not be reexported, transferred or diverted from the country of ultimate end-use or from the authorized foreign end-user (as designated in the license or approval for export) or disclosed to a national of another country without the prior written approval of the Office of Defense Trade Controls.

(d) The controls of this part apply to the exports referred to in paragraph (a) of this section regardless of whether the person who intends to export the technical data produces or manufactures defense articles if the technical

data is determined by the Office of Defense Trade Controls to be subject to the controls of this subchapter.

(e) The provisions of this subchapter do not apply to technical data related to articles in Category VI(e) and Category XVI. The export of such data is controlled by the Department of Energy and the Nuclear Regulatory Commission pursuant to the Atomic Energy Act of 1954, as amended, and the Nuclear Non-Proliferation Act of 1978.

§ 125.2 Exports of unclassified technical data.

(a) A license (DSP-5) is required for the export of unclassified technical data unless the export is exempt from the licensing requirements of this subchapter. In the case of a plant visit, details of the proposed discussions must be transmitted to the Office of Defense Trade Controls for an appraisal of the technical data. Seven copies of the technical data or the details of the discussion must be provided.

(b) *Patents.* A license issued by the Office of Defense Trade Controls is required for the export of technical data whenever the data exceeds that which is used to support a domestic filing of a patent application or to support a foreign filing of a patent application whenever no domestic application has been filed. Requests for the filing of patent applications in a foreign country, and requests for the filing of amendments, modifications or supplements to such patents, should follow the regulations of the U.S. Patent and Trademark Office in accordance with 37 CFR part 5. The export of technical data to support the filing and processing of patent applications in foreign countries is subject to regulations issued by the U.S. Patent and Trademark Office pursuant to 35 U.S.C. 184.

(c) *Disclosures.* Unless otherwise expressly exempted in this subchapter, a license is required for the oral, visual or documentary disclosure of technical data by U.S. persons to foreign persons. A license is required regardless of the manner in which the technical data is transmitted (e.g., in person, by telephone, correspondence, electronic means, etc.). A license is required for such disclosures by U.S. persons in con-

nection with visits to foreign diplomatic missions and consular offices.

§ 125.3 Exports of classified technical data and classified defense articles.

(a) A request for authority to export defense articles, including technical data, classified by a foreign government or pursuant to Executive Order 12356, successor orders, or other legal authority must be submitted to the Office of Defense Trade Controls for approval. The application must contain full details of the proposed transaction. It should also list the facility security clearance code of all U.S. parties on the license and include the Defense Investigative Service cognizant security office of the party responsible for packaging the commodity for shipment. A nontransfer and use certificate (Form DSP-83) executed by the applicant, foreign consignee, end-user and an authorized representative of the foreign government involved will be required.

(b) Classified technical data which is approved by the Office of Defense Trade Controls either for export or re-export after a temporary import will be transferred or disclosed only in accordance with the requirements in the Department of Defense Industrial Security Manual. Any other requirements imposed by cognizant U.S. departments and agencies must also be satisfied.

(c) The approval of the Office of Defense Trade Controls must be obtained for the export of technical data by a U.S. person to a foreign person in the U.S. or in a foreign country unless the proposed export is exempt under the provisions of this subchapter.

(d) All communications relating to a patent application covered by an invention secrecy order are to be addressed to the U.S. Patent and Trademark Office (see 37 CFR 5.11).

§ 125.4 Exemptions of general applicability.

(a) The following exemptions apply to exports of unclassified technical data for which approval is not needed from the Office of Defense Trade Controls. These exemptions, except for paragraph (b)(13) of this section, do not apply to exports to proscribed destinations under § 126.1 of this subchapter or

Department of State

§ 125.4

for persons considered generally ineligible under § 120.1(c) of this subchapter. The exemptions are also not applicable for purposes of establishing offshore procurement arrangements. If § 126.8 of this subchapter requirements are applicable, they must be met before an exemption under this section may be used. Transmission of classified information must comply with the requirements of the Department of Defense Industrial Security Manual and the exporter must certify to the transmittal authority that the technical data does not exceed the technical limitation of the authorized export.

(b) The following exports are exempt from the licensing requirements of this subchapter.

(1) Technical data, including classified information, to be disclosed pursuant to an official written request or directive from the U.S. Department of Defense;

(2) Technical data, including classified information, in furtherance of a manufacturing license or technical assistance agreement approved by the Department of State under part 124 of this subchapter and which meet the requirements of § 124.3 of this subchapter;

(3) Technical data, including classified information, in furtherance of a contract between the exporter and an agency of the U.S. Government, if the contract provides for the export of the data and such data does not disclose the details of design, development, production, or manufacture of any defense article;

(4) Copies of technical data, including classified information, previously authorized for export to the same recipient. Revised copies of such technical data are also exempt if they pertain to the identical defense article, and if the revisions are solely editorial and do not add to the content of technology previously exported or authorized for export to the same recipient;

(5) Technical data, including classified information, in the form of basic operations, maintenance, and training information relating to a defense article lawfully exported or authorized for export to the same recipient. Intermediate or depot-level repair and maintenance information may be exported only under a license or agree-

ment approved specifically for that purpose;

(6) Technical data, including classified information, related to firearms not in excess of caliber .50 and ammunition for such weapons, except detailed design, development, production or manufacturing information;

(7) Technical data, including classified information, being returned to the original source of import;

(8) Technical data directly related to classified information which has been previously exported or authorized for export in accordance with this part to the same recipient, and which does not disclose the details of the design, development, production, or manufacture of any defense article;

(9) Technical data, including classified information, sent by a U.S. corporation to a U.S. person employed by that corporation overseas or to a U.S. Government agency. This exemption is subject to the limitations of § 125.1(b) and may be used only if:

(i) The technical data is to be used overseas solely by U.S. persons;

(ii) If the U.S. person overseas is an employee of the U.S. Government or is directly employed by the U.S. corporation and not by a foreign subsidiary; and

(iii) The classified information is sent overseas in accordance with the requirements of the Department of Defense Industrial Security Manual.

(10) Disclosures of unclassified technical data in the U.S. by U.S. institutions of higher learning to foreign persons who are their bona fide and full time regular employees. This exemption is available only if:

(i) The employee's permanent abode throughout the period of employment is in the United States;

(ii) The employee is not a national of a country to which exports are prohibited pursuant to § 126.1 of this subchapter; and

(iii) The institution informs the individual in writing that the technical data may not be transferred to other foreign persons without the prior written approval of the Office of Defense Trade Controls;

(11) Technical data, including classified information, for which the exporter, pursuant to an arrangement

with the Department of Defense, Department of Energy or NASA which requires such exports, has been granted an exemption in writing from the licensing provisions of this part by the Office of Defense Trade Controls. Such an exemption will normally be granted only if the arrangement directly implements an international agreement to which the United States is a party and if multiple exports are contemplated. The Office of Defense Trade Controls, in consultation with the relevant U.S. Government agencies, will determine whether the interests of the United States Government are best served by expediting exports under an arrangement through an exemption (see also paragraph (b)(3) of this section for a related exemption);

(12) Technical data which is specifically exempt under part 126 of this subchapter; or

(13) Technical data approved for public release (i.e., unlimited distribution) by the cognizant U.S. Government department or agency or Directorate for Freedom of Information and Security Review. This exemption is applicable to information approved by the cognizant U.S. Government department or agency for public release in any form. It does not require that the information be published in order to qualify for the exemption.

§ 125.5 Exemptions for plant visits.

(a) A license is not required for the oral and visual disclosure of unclassified technical data during the course of a classified plant visit by a foreign person, provided (1) the classified visit has itself been authorized pursuant to a license issued by the Office of Defense Trade Controls; or (2) the classified visit was approved in connection with an actual or potential government-to-government program or project by a U.S. Government agency having classification jurisdiction over the classified defense article or classified technical data involved under Executive Order 12356 or other applicable Executive Order; and (3) the unclassified information to be released is directly related to the classified defense article or technical data for which approval was obtained and does not disclose the details of the design, development, production

or manufacture of any other defense articles. In the case of visits involving classified information, the requirements of the Defense Industrial Security Manual (Department of Defense Manual 5220.22M) must be met.

(b) The approval of the Office of Defense Trade Controls is not required for the disclosure of oral and visual classified information to a foreign person during the course of a plant visit approved by the appropriate U.S. Government agency if (1) the requirements of the Defense Industrial Security Manual have been met, (2) the classified information is directly related to that which was approved by the U.S. Government agency, (3) it does not exceed that for which approval was obtained, and (4) it does not disclose the details of the design, development, production or manufacture of any defense articles.

(c) A license is not required for the disclosure to a foreign person of unclassified technical data during the course of a plant visit (either classified or unclassified) approved by the Office of Defense Trade Controls or a cognizant U.S. Government agency provided the technical data does not contain information in excess of that approved for disclosure. This exemption does not apply to technical data which could be used for design, development, production or manufacture of a defense article.

§ 125.6 Certification requirements for exemptions.

(a) To claim an exemption for the export of technical data under the provisions of §§ 125.4 and 125.5, an exporter must certify that the proposed export is covered by a relevant paragraph of that section. For § 125.4, certification consists of marking the package or letter containing the technical data: "22 CFR 125.4 (identify subsection) applicable." This certification must be made in written form and retained in the exporter's files for a period of five years. A Shippers Export Declaration is not required for exports of unclassified technical data (see § 123.22 (d) of this subchapter).

(b) If a District Director of Customs or Postmaster is unavailable at the time of export, or if the export is via oral, visual, or electronic means, the

Department of State

§ 126.1

exporter must also complete a written certification as indicated in paragraph (a) of this section.

§ 125.7 Procedures for the export of classified technical data and other classified defense articles.

(a) All applications for the export or temporary import of classified technical data or other classified defense articles must be submitted to the Office of Defense Trade Controls on Form DSP-85.

(b) An application for the export of classified technical data or other classified defense articles must be accompanied by seven copies of the data and a completed Form DSP-83 (see § 123.10 of this subchapter). Only one copy of the data or descriptive literature must be provided if a renewal of the license is requested. All classified materials accompanying an application must be transmitted to the Office of Defense Trade Controls in accordance with the requirements of the Defense Industrial Security Manual (Department of Defense Manual Number 5220.22-M).

§ 125.8 Filing of licenses for exports of unclassified technical data.

(a) Licenses for the export of unclassified technical data must be presented to the appropriate District Director of Customs or Postmaster at the time of shipment or mailing. The District Director of Customs or Postmaster will endorse and transmit the licenses to the Office of Defense Trade Controls in accordance with the instructions contained on the reverse side of the license.

(b) If a license for the export of unclassified technical data is used but not endorsed by U.S. Customs or a Postmaster for whatever reason (e.g., electronic transmission, unavailability of Customs officer or Postmaster, etc.), the person exporting the data must self-endorse the license, showing when and how the export took place. Every license must be returned to the Office of Defense Trade Controls when the total value authorized has been shipped or when the date of expiration has been reached, whichever occurs first.

§ 125.9 Filing of licenses and other authorizations for exports of classified technical data and classified defense articles.

Licenses and other authorizations for the export of classified technical data or classified defense articles will be forwarded by the Office of Defense Trade Controls to the Defense Investigative Service of the Department of Defense in accordance with the provisions of the Department of Defense Industrial Security Manual. The Office of Defense Trade Controls will forward a copy of the license to the applicant for the applicant's information. The Defense Investigative Service will return the endorsed license to the Office of Defense Trade Controls upon completion of the authorized export or expiration of the license, whichever occurs first.

SOURCE: 58 FR 39312, July 22, 1993, unless otherwise noted.

§ 126.1 Prohibited exports and sales to certain countries.

(a) *General.* It is the policy of the United States to deny licenses, other

approvals, exports and imports of defense articles and defense services, destined for or originating in certain countries. This policy applies to Afghanistan, Armenia, Azerbaijan, Belarus, Cuba, Iran, Iraq, Libya, Mongolia, North Korea, Syria, Tajikistan, Ukraine, and Vietnam. This policy also applies to countries with respect to which the United States maintains an arms embargo (e.g. Burma, China, the Federal Republic of Yugoslavia (Serbia and Montenegro), Haiti, Liberia, Rwanda, Somalia, Sudan and Zaire) or whenever an export would not otherwise be in furtherance of world peace and the security and foreign policy of the United States. Comprehensive arms embargoes are normally the subject of a State Department notice published in the FEDERAL REGISTER. The exemptions provided in the regulations in this subchapter, except §§123.17 and 125.4(b)(13) of this subchapter, do not apply with respect to articles originating in or for export to any proscribed countries or areas. With regard to §123.27 the exemption does not apply with respect to articles originating in or for export to countries prohibited by a United Nations Security Council Resolution or to which the export (or for which the issuance of a license for the export) would be prohibited by a U.S. statute (e.g. by Section 40 of the Arms Export Control Act, 22 U.S.C. 2780, to countries that have been determined to have repeatedly provided support for acts of international terrorism, i.e., Cuba, Iran, Iraq, Libya, North Korea, Sudan and Syria).

(b) *Shipments.* A defense article licensed for export under this subchapter may not be shipped on a vessel, aircraft or other means of conveyance which is owned or operated by, or leased to or from, any of the proscribed countries or areas.

(c) *Exports and sales prohibited by United Nations Security Council embargoes.* Whenever the United Nations Security Council mandates an arms embargo, all transactions which are prohibited by the embargo and which involve U.S. persons anywhere, or any person in the United States, and defense articles and services of a type enumerated on the United States Munitions List (22 CFR part 121), irrespec-

tive of origin, are prohibited under the ITAR for the duration of the embargo, unless the Department of State publishes a notice in the FEDERAL REGISTER specifying different measures. This would include, but is not limited to, transactions involving trade by U.S. persons who are located inside or outside of the United States in defense articles and services of U.S. or foreign origin which are located inside or outside of the United States.

(d) *Terrorism.* Exports to countries which the Secretary of State has determined to have repeatedly provided support for act of international terrorism are contrary to the foreign policy of the United States and are thus subject to the policy specified in paragraph (a) of this section and the requirements of section 40 of the Arms Export Control Act (22 U.S.C. 2780) and the Omnibus Diplomatic Security and Anti-Terrorism Act of 1986 (22 U.S.C. 4801, note). The countries in this category are: Cuba, Iran, Iraq, Libya, North Korea, Sudan and Syria. The same countries are identified pursuant to section 6(j) of the Export Administration Act, as amended (50 U.S.C. App. 2405(j)).

(e) *Proposed sales.* No sale or transfer and no proposal to sell or transfer any defense articles, defense services or technical data subject to this subchapter may be made to any country referred to in this section (including the embassies or consulates of such a country), or to any person acting on its behalf, whether in the United States or abroad, without first obtaining a license or written approval of the Office of Defense Trade Controls. However, in accordance with paragraph (a) of this section, it is the policy of the Department of State to deny licenses and approvals in such cases. Any person who knows or has reason to know of such a proposed or actual sale, or transfer, of such articles, services or data must immediately inform the Office of Defense Trade Controls.

(f) *Angola.* Consistent with U.N. Security Council Resolution 864 of September 15, 1993, an arms embargo exists with respect to UNITA. Accordingly, exports subject to this subchapter are prohibited in accordance with Security Council Resolution 864, Executive Order 12865 of September 29, 1993, and

Department of State

§ 126.4

the UNITA (Angola) Sanctions Regulations issued by the Office of Foreign Assets Control, Department of the Treasury, on December 10, 1993 (58 FR 64904).

[58 FR 39312, July 22, 1993, as amended at 59 FR 15625, Apr. 4, 1994; 59 FR 42158, Aug. 17, 1994; 61 FR 6113, Feb. 16, 1996; 61 FR 36625, July 12, 1996; 61 FR 41499, Aug. 9, 1996]

§ 126.2 Temporary suspension or modification of this subchapter.

The Director, Office of Defense Trade Controls, may order the temporary suspension or modification of any or all of the regulations of this subchapter in the interest of the security and foreign policy of the United States.

§ 126.3 Exceptions.

In a case of exceptional or undue hardship, or when it is otherwise in the interest of the United States Government, the Director, Office of Defense Trade Controls may make an exception to the provisions of this subchapter.

§ 126.4 Shipments by or for United States Government agencies.

(a) A license is not required for the temporary import, or temporary export, of any defense article, including technical data or the performance of a defense service, by or for any agency of the U.S. Government (1) for official use by such an agency, or (2) for carrying out any foreign assistance, cooperative project or sales program authorized by law and subject to control by the President by other means. This exemption applies only when all aspects of a transaction (export, carriage, and delivery abroad) are effected by a United States Government agency or when the export is covered by a United States Government Bill of Lading. This exemption, however, does not apply when a U.S. Government agency acts as a transmittal agent on behalf of a private individual or firm, either as a convenience or in satisfaction of security requirements. The approval of the Office of Defense Trade Controls must be obtained before defense articles previously exported pursuant to this exemption are permanently transferred (e.g., property disposal of surplus defense articles overseas) unless (i) the transfer is pursuant to a grant, sale,

lease, loan or cooperative project under the Arms Export Control Act or a sale, lease or loan under the Foreign Assistance Act of 1961, as amended, or (ii) the defense articles have been rendered useless for military purposes beyond the possibility of restoration.

NOTE: *Special definition.* For purposes of this section, defense articles exported abroad for incorporation into a foreign launch vehicle or for use on a foreign launch vehicle or satellite that is to be launched from a foreign country shall be considered a permanent export.

(b) This section does not authorize any department or agency of the U.S. Government to make any export which is otherwise prohibited by virtue of other administrative provisions or by any statute.

(c) A license is not required for the temporary import, or temporary or permanent export, of any classified or unclassified defense articles, including technical data or the performance of a defense service, for end-use by a U.S. Government Agency in a foreign country under the following circumstances:

(1) The export or temporary import is pursuant to a contract with, or written direction by, an agency of the U.S. Government; and

(2) The end-user in the foreign country is a U.S. Government agency or facility, and the defense articles or technical data will not be transferred to any foreign person; and

(3) The urgency of the U.S. Government requirement is such that the appropriate export license or U.S. Government Bill of Lading could not have been obtained in a timely manner.

(d) A Shipper's Export Declaration (SED), required under § 123.22(c) of this subchapter, and a written statement by the exporter certifying that these requirements have been met must be presented at the time of export to the appropriate District Director of Customs or Department of Defense transmittal authority. A copy of the SED and the written certification statement shall be provided to the Office of Defense Trade Controls immediately following the export.

§ 126.5 Canadian exemptions.

(a) District Directors of Customs and postmasters shall permit the permanent or temporary export or temporary import without a license of any unclassified equipment or unclassified technical data to Canada for end use in Canada by Canadian citizens or return to the United States, or from Canada for end use in the United States or return to a Canadian citizen in Canada, with the exception of the defense articles, defense services or related technical data.

(b) *Exceptions.* The exemptions of this section do not apply to the following defense articles, defense services, or related technical data:

(1) Fully automatic firearms and components and parts therefor in Category I(a) which are not for end use by the Federal Government, or a Provincial or Municipal Government of Canada;

(2) Nuclear weapons strategic delivery systems and all components, parts, accessories, attachments specifically designed for such systems and associated equipment;

(3) Nuclear weapon design and test equipment listed in Category XVI;

(4) Naval nuclear propulsion equipment listed in Category VI(e);

(5) Aircraft listed in Category VIII(a);

(6) Submersible and oceanographic vessels and related articles listed in Category XX (a) through (d).

(7) Defense articles, defense services, or related technical data for use by a foreign national other than a Canadian.

(c) *Related requirements.* The foregoing exemption from obtaining an export license does not exempt an exporter from complying with the requirements set forth in §123.15 of this subchapter or from filing the Shipper's Export Declaration or notification letter required by §123.22 of this subchapter.

(d) *Part 124 agreements.* The requirements of part 124 of this subchapter must be complied with in the situations contemplated in that part. For example, the exemptions of this section may not be used for the provision of defense services except pursuant to an approved manufacturing license

agreement or technical assistance agreement.

§ 126.6 Foreign-owned military aircraft and naval vessels, and the Foreign Military Sales program.

(a) A license from the Office of Defense Trade Controls is not required if:

(1)(i) The article or technical data to be exported was sold, leased, or loaned by the Department of Defense to a foreign country or international organization pursuant to the Arms Export Control Act or the Foreign Assistance Act of 1961, as amended, and

(ii) The article or technical data was delivered to representatives of such a country or organization in the United States; and

(iii) The article or technical data is to be exported from the United States on a military aircraft or naval vessel of that government or organization or via the Defense Transportation Service (DTS).

(b) *Foreign military aircraft and naval vessels.* A license is not required for the entry into the United States of military aircraft or naval vessels of any foreign state if no overhaul, repair, or modification of the aircraft or naval vessel is to be performed. However, Department of State approval for overflight (pursuant to the 49 U.S.C. 1508) and naval visits must be obtained from the Bureau of Politico-Military Affairs, Office of International Security Operations.

(c) *Procedures for the Foreign Military Sales Program.* (1) District Directors of Customs are authorized to permit the export and temporary import of classified and unclassified defense articles, defense services and technical data without a license if the articles or technical data were sold, leased or loaned by the U.S. Department of Defense to foreign governments or international organizations under the Foreign Military Sales (FMS) program of the Arms Export Control Act. This procedure may be used only if a proposed export is:

(i) Pursuant to an executed U.S. Department of Defense Letter of Offer and Acceptance (DD Form 1513); and

Department of State

§ 126.7

(ii) Accompanied by a properly executed DSP-94, or in the case of a classified shipment, an approved Letter of Offer and Acceptance; and

(iii) Made by the relevant foreign diplomatic mission of the purchasing country or its authorized freight forwarder, provided that the freight forwarder is registered with the Office of Defense Trade Controls pursuant to part 122 of this subchapter, and, if classified defense articles or technical data are involved, has the requisite U.S. Government security clearance and a transportation plan has been approved as in § 126.6(a)(1), above and the defense articles or technical data are shipped in compliance with the Department of Defense Industrial Security Manual.

(2) Filing and documents.

(i) The original copy of completed Form DSP-94, together with one copy of the corresponding authenticated DD Form 1513 and a Shipper's Export Declaration, must be filed with the District Director of Customs at the port of exit prior to actual shipment. An executed DD Form 1513 is one which has been signed by:

(A) an authorized Department of Defense representative and countersigned by the Comptroller, Defense Security Assistance Agency (DSAA); and

(B) by an authorized representative of the foreign government.

(ii) SED or Outbound Manifest. The Shipper's Export Declaration or, if authorized, the outbound manifest, must be annotated as follows:

This shipment is being exported under the authority of Department of State Form DSP-94. It covers FMS Case (case identification), expiration date _____, 22 CFR 126.6 applicable. The U.S. Government point of contact is _____, telephone number _____.

§ 126.7 Denial, revocation, suspension or amendment of licenses and other approvals.

(a) *Policy.* Licenses or approvals shall be denied or revoked whenever required by any statute of the United States (see §§ 127.6 and 127.10 of this subchapter). Any application for an export license or other approval under this subchapter may be disapproved, and any license or other approval or exemption granted under this subchapter

may be revoked, suspended, or amended without prior notice whenever:

(1) The Department of State deems such action to be in furtherance of world peace, the national security or the foreign policy of the United States, or is otherwise advisable; or

(2) The Department of State believes that 22 U.S.C. 2778, any regulation contained in this subchapter, or the terms of any U.S. Government export authorization (including the terms of a manufacturing license or technical assistance agreement, or export authorization granted pursuant to the Export Administration Act, as amended) has been violated by any party to the export or other person having significant interest in the transaction; or

(3) An applicant is the subject of an indictment for a violation of any of the U.S. criminal statutes enumerated in § 120.27 of this subchapter; or

(4) An applicant or any party to the export or the agreement has been convicted of violating any of the U.S. criminal statutes enumerated in § 120.27 of this subchapter; or

(5) An applicant is ineligible to contract with, or to receive a license or other authorization to import defense articles or defense services from, any agency of the U.S. Government; or

(6) An applicant, any party to the export or agreement, any source or manufacturer of the defense article or defense service or any person who has a significant interest in the transaction has been debarred, suspended, or otherwise is ineligible to receive an export license or other authorization from any agency of the U.S. government (e.g., pursuant to debarment by the Department of Commerce under 15 CFR part 388 or by the Department of State under part 127 or 128 of this subchapter); or

(7) An applicant has failed to include any of the information or documentation expressly required to support a license application or other request for approval under this subchapter or as required in the instructions in the applicable Department of State form; or

(8) An applicant is subject to sanctions under other relevant U.S. laws (e.g., the Missile Technology Controls title of the National Defense Authorization Act for FY 1991 (Pub. L. 101-

510); the Chemical and Biological Weapons Control and Warfare Elimination Act of 1991 (Pub. L. 102–182); or the Iran-Iraq Arms Non-Proliferation Act of 1992 (Pub. L. 102–484)).

(b) *Notification.* The Office of Defense Trade Controls will notify applicants or licensees or other appropriate United States persons of actions taken pursuant to paragraph (a) of this section. The reasons for the action will be stated as specifically as security and foreign policy considerations permit.

(c) *Reconsideration.* If a written request for reconsideration of an adverse decision is made within 30 days after a person has been informed of the decision, the U.S. person will be accorded an opportunity to present additional information. The case will then be reviewed by the Office of Defense Trade Controls.

(d) *Reconsideration of certain applications.* Applications for licenses or other requests for approval denied for repeated failure to provide information or documentation expressly required will normally not be reconsidered during the thirty day period following denial. They will be reconsidered after this period only after a final decision is made on whether the applicant will be subject to an administrative penalty imposed pursuant to this subchapter. Any request for reconsideration shall be accompanied by a letter explaining the steps that have been taken to correct the failure and to ensure compliance with the requirements of this subchapter.

(e) *Special definition.* For purposes of this section, the term *party to the export* means:

(1) The chief executive officer, president, vice-presidents, other senior officers and officials (e.g., comptroller, treasurer, general counsel) and any member of the board of directors of the applicant;

(2) The freight forwarders or designated exporting agent of the applicant; and

(3) Any consignee or end-user of any item to be exported.

§ 126.8 Proposals to foreign persons relating to significant military equipment.

(a) Certain proposals to foreign persons for the sale or manufacture abroad of significant military equipment require either the prior approval of, or prior notification to, the Office of Defense Trade Controls.

(1) Sale of significant military equipment: Prior approval requirement. The approval of the Office of Defense Trade Controls is required before a U.S. person may make a proposal or presentation designed to constitute a basis for a decision on the part of any foreign person to purchase significant military equipment on the U.S. Munitions List whenever all the following conditions are met:

(i) The value of the significant military equipment to be sold is \$14,000,000 or more; and

(ii) The equipment is intended for use by the armed forces of any foreign country other than a member of the North Atlantic Treaty Organization, Australia, New Zealand, or Japan; and

(iii) The sale would involve the export from the United States of any defense article or the furnishing abroad of any defense service including technical data; and

(iv) The identical significant military equipment has not been previously licensed for permanent export or approved for sale under the Foreign Military Sales Program of the Department of Defense, to any foreign country.

(2) Sale of significant military equipment: Prior notification requirement. The Office Defense Trade Controls must be notified in writing at least thirty days in advance of any proposal or presentation concerning the sale of significant military equipment whenever the conditions specified in paragraphs (a)(1) (i) through (iii) of this section are met and the identical equipment has been previously licensed for permanent export or approved for sale under the FMS Program to any foreign country.

(3) Manufacture abroad of significant military equipment: Prior approval requirement. The approval of the Office

Department of State

§ 126.8

of Defense Trade Controls is required before a U.S. person may make a proposal or presentation designed to constitute a basis for a decision on the part of any foreign person to enter into any manufacturing license agreement or technical assistance agreement for the production or assembly of significant military equipment, regardless of dollar value, in any foreign country, whenever:

(i) The equipment is intended for use by the armed forces of any foreign country; and

(ii) The agreement would involve the export from the United States of any defense article or the furnishing abroad of any defense service including technical data.

(b) *Definition of proposal or presentation.* The terms proposal or presentation (designed to constitute a basis for a decision to purchase and to enter into any agreement) mean the communication of information in sufficient detail that the person communicating that information knows or should know that it would permit an intended purchaser to decide either to acquire the particular equipment in question or to enter into the manufacturing license agreement or technical assistance agreement. For example, a presentation which describes the equipment's performance characteristics, price, and probable availability for delivery would require prior notification or approval, as appropriate, where the conditions specified in paragraph (a) of this section are met. By contrast, the following would not require prior notification or approval: Advertising or other reporting in a publication of general circulation; preliminary discussions to ascertain market potential; or merely calling attention to the fact that a company manufactures a particular item of significant military equipment.

(c) *Satisfaction of requirements.* (1) The requirement of this section for prior approval is met by any of the following:

(i) A written statement from the Office of Defense Trade Controls approving the proposed sale or agreement or approving the making of a proposal or presentation.

(ii) A license issued under §125.2 or §125.3 of this subchapter for the export of technical data relating to the proposed sale or agreement to the country concerned.

(iii) A temporary export license issued under §123.5 of this subchapter relating to the proposed sale or agreement for a demonstration to the armed forces of the country of export.

(iv) With respect to manufacturing license agreements or technical assistance agreements, the application for export licenses pursuant to the two preceding subparagraphs must state that they are related to possible agreements of this kind.

(2) The requirement of this section for prior notification is met by informing the Office of Defense Trade Controls by letter at least 30 days before making the proposal or presentation. The letter must comply with the procedures set forth in paragraph (d) of this section and must identify the relevant license, approval, or FMS case by which the identical equipment had previously been authorized for permanent export or sale. The Office of Defense Trade Controls will provide written acknowledgement of such prior notification to confirm compliance with this requirement and the commencement of the 30-day notification period.

(d) *Procedures.* Unless a license has been obtained pursuant to §126.8(c)(1) (ii) or (iii), a request for prior approval to make a proposal or presentation with respect to significant military equipment, or a 30-day prior notification regarding the sale of such equipment, must be made by letter to the Office of Defense Trade Controls. The letter must outline in detail the intended transaction, including usage of the equipment involved and the country (or countries) involved. Seven copies of the letter should be provided as well as seven copies of suitable descriptive information concerning the equipment.

(e) *Statement to accompany licensing requests.* (1) Every application for an export license or other approval to implement a sale or agreement which meets the criteria specified in paragraph (a) of this section must be accompanied by a statement from the applicant which either:

(i) Refers to a specific notification made or approval previously granted with respect to the transaction; or

(ii) Certifies that no proposal or presentation requiring prior notification or approval has been made.

(2) The Department of State may require a similar statement from the Foreign Military Sales contractor concerned in any case where the United States Government receives a request for a letter of offer for a sale which meets the criteria specified in paragraph (a) of this section.

(f) *Penalties.* In addition to other remedies and penalties prescribed by law or this subchapter, a failure to satisfy the prior approval or prior notification requirements of this section may be considered to be a reason for disapproval of a license, agreement or sale under the FMS program.

(g) *License for technical data.* Nothing in this section constitutes or is to be construed as an exemption from the licensing requirement for the export of technical data that is embodied in any proposal or presentation made to any foreign persons.

§ 126.9 Advisory opinions.

Any person desiring information as to whether the Office of Defense Trade Controls would be likely to grant a license or other approval for the export of a particular defense article or defense service to a particular country may request an advisory opinion from the Office of Defense Trade Controls. These opinions are not binding on the Department of State and are revocable. A request for an advisory opinion must be made in writing and must outline in detail the equipment, its usage, the security classification (if any) of the articles or related technical data, and the country or countries involved. An original and seven copies of the letter must be provided along with seven copies of suitable descriptive information concerning the defense article or defense service.

§ 126.10 Disclosure of information.

(a) *Freedom of Information.* Subchapter R of this title contains regulations on the availability to the public of information and records of the Department of State. The provisions of

subchapter R apply to such disclosures by the Office of Defense Trade Controls.

(b) *Determinations required by law.* Section 38 of the Arms Export Control Act (22 U.S.C. 2778) provides that certain information required by the Department of State in connection with the licensing process may generally not be disclosed to the public unless certain determinations relating to the national interest are made in accordance with the procedures specified by that provision. Determinations required by section 38(e) shall be made by the Assistant Secretary of State for Politico-Military Affairs.

(c) *Information required under part 130.* Part 130 of this subchapter contains specific provisions on the disclosure of information described in that part.

(d) *National Interest Determinations.* In accordance with section 38(e) of the Arms Export Control Act (22 U.S.C. 2778(e)), the Secretary of State has determined that the following disclosures are in the national interest of the United States:

(1) Furnishing information to foreign governments for law enforcement or regulatory purposes; and

(2) Furnishing information to foreign governments and other agencies of the U.S. Government in the context of multilateral or bilateral export regimes (e.g., the Missile Technology Control Regime, the Australia Group, and CoCoM).

§ 126.11 Relations to other provisions of law.

The provisions in this subchapter are in addition to, and are not in lieu of, any other provisions of law or regulations. The sale of firearms in the United States, for example, remains subject to the provisions of the Gun Control Act of 1968 and regulations administered by the Department of the Treasury. The performance of defense services on behalf of foreign governments by retired military personnel continues to require consent pursuant to Part 3a of this title. Persons who intend to export defense articles or furnish defense services should consequently not assume that satisfying the requirements of this subchapter relieves one of other requirements of law.

§ 126.12 Continuation in force.

All determinations, authorizations, licenses, approvals of contracts and agreements and other action issued, authorized, undertaken, or entered into by the Department of State pursuant to section 414 of the Mutual Security Act of 1954, as amended, or under the previous provisions of this subchapter, continue in full force and effect until or unless modified, revoked or superseded by the Department of State.

§ 126.13 Required information.

(a) All applications for licenses (DSP-5, DSP-61, DSP-73, and DSP-85), all requests for approval of agreements and amendments thereto under part 124 of this subchapter, all requests for other written authorizations, and all 30-day prior notifications of sales of significant military equipment under § 126.8(c) must include a letter signed by a responsible official empowered by the applicant and addressed to the Director, Office of Defense Trade Controls, stating whether:

(1) The applicant or the chief executive officer, president, vice-presidents, other senior officers or officials (e.g., comptroller, treasurer, general counsel) or any member of the board of directors is the subject of an indictment for or has been convicted of violating any of the U.S. criminal statutes enumerated in § 120.27 of this subchapter since the effective date of the Arms Export Control Act, Public Law 94-329, 90 Stat. 729 (June 30, 1976);

(2) The applicant or the chief executive officer, president, vice-presidents, other senior officers or officials (e.g., comptroller, treasurer, general counsel) or any member of the board of directors is ineligible to contract with, or to receive a license or other approval to import defense articles or defense services from, or to receive an export license or other approval from, any agency of the U.S. Government;

(3) To the best of the applicant's knowledge, any party to the export as defined in § 126.7(e) has been convicted of violating any of the U.S. criminal statutes enumerated in § 120.27 of this subchapter since the effective date of the Arms Export Control Act, Public Law 94-329, 90 Stat. 729 (June 30, 1976), or is ineligible to contract with, or to

receive a license or other approval to import defense articles or defense services from, or to receive an export license or other approval from any agency of the U.S. government; and

(4) The natural person signing the application, notification or other request for approval (including the statement required by this subsection) is a citizen or national of the United States, has been lawfully admitted to the United States for permanent residence (and maintains such a residence) under the Immigration and Nationality Act, as amended (8 U.S.C. 1101(a), section 101(a)(20), 60 Stat. 163), or is an official of a foreign government entity in the United States.

(b) In addition, all applications for licenses must include, on the application or an addendum sheet, the complete names and addresses of all U.S. consignors and freight forwarders, and all foreign consignees and foreign intermediate consignees involved in the transaction. If there are multiple consignors, consignees or freight forwarders, and all the required information cannot be included on the application form, an addendum sheet and seven copies containing this information must be provided. The addendum sheet must be marked at the top as follows: "Attachment to Department of State License Form (insert DSP-5, 61, 73, or 85, as appropriate) for Export of (insert commodity) valued at (insert U.S. dollar amount) to (insert country of ultimate destination)." The Office of Defense Trade Controls will impress one copy of the addendum sheet with the Department of State seal and return it to the applicant with each license. The sealed addendum sheet must remain attached to the license as an integral part thereof. District Directors of Customs and Department of Defense transmittal authorities will permit only those U.S. consignors or freight forwarders listed on the license or sealed addendum sheet to make shipments under the license, and only to those foreign consignees named on the documents. Applicants should list all freight forwarders who may be involved with shipments under the license to ensure that the list is complete and to avoid the need for amendments to the list after the license has

been approved. If there are unusual or extraordinary circumstances that preclude the specific identification of all the U.S. consignors and freight forwarders and all foreign consignees, the applicant must provide a letter of explanation with each application.

(c) In cases when foreign nationals are employed at or assigned to security-cleared facilities, provision by the applicant of a Technology Control Plan (available from the Defense Investigative Service) will facilitate processing.

§ 127.1 Violations.

(a) It is unlawful:

(1) To export or attempt to export from the United States any defense article or technical data or to furnish any defense service for which a license or written approval is required by this subchapter without first obtaining the required license or written approval from the Office of Defense Trade Controls;

(2) To import or attempt to import any defense article whenever a license is required by this subchapter without first obtaining the required license or written approval from the Office of Defense Trade Controls;

(3) To conspire to export, import, re-export or cause to be exported, im-

(4) To violate any of the terms or conditions of licenses or approvals granted pursuant to this subchapter.

(b) Any person who is granted a license or other approval under this subchapter is responsible for the acts of employees, agents, and all authorized persons to whom possession of the licensed defense article or technical data has been entrusted regarding the operation, use, possession, transportation, and handling of such defense article or technical data abroad. All persons abroad subject to U.S. jurisdiction who obtain temporary custody of a defense article exported from the United States or produced under an agreement described in part 124 of this subchapter, and irrespective of the number of intermediate transfers, are bound by the regulations of this subchapter in the same manner and to the same extent as the original owner or transferer.

(c) A person with knowledge that another person is then ineligible pursuant to §§ 120.1(c) of this subchapter or 126.7 of this chapter, is then subject to an order of debarment, or interim suspension, may not, directly or indirectly, in any manner or capacity, without prior disclosure of the facts to, and written authorization from, the Office of Defense Trade Controls:

(1) Apply for, obtain, or use any export control document as defined in § 127.2(b) for such debarred, suspended, or ineligible person; or

(2) Order, buy, receive, use, sell, deliver, store, dispose of, forward, transport, finance, or otherwise service or participate in any transaction which may involve any defense article or the furnishing of any defense service for which a license or approval is required by this subchapter for export, where such debarred, suspended, or ineligible person may obtain any benefit therefrom or have any direct or indirect interest therein.

(d) No person may willfully cause, or aid, abet, counsel, demand, induce, procure or permit the commission of any

Department of State

act prohibited by, or the omission of any act required by 22 U.S.C. 2778, 22 U.S.C. 2779, or any regulation, license, approval, or order issued thereunder.

§ 127.2 Misrepresentation and omission of facts.

(a) It is unlawful to use any export or temporary import control document containing a false statement or misrepresenting or omitting a material fact for the purpose of exporting any defense article or technical data or the furnishing of any defense service for which a license or approval is required by this subchapter. Any false statement, misrepresentation, or omission of material fact in an export or temporary import control document will be considered as made in a matter within the jurisdiction of a department or agency of the United States for the purposes of 18 U.S.C. 1001, 22 U.S.C. 2778 and 22 U.S.C. 2779.

(b) For the purpose of this section, *export or temporary import control documents* include the following:

- (5) Delivery verification.

- (9) Foreign import certificate.
- (10) Bill-of-lading.
- (11) Airway bill.
- (12) Nontransfer and use certificate.
- (13) Any other document used in the regulation or control of a defense article, defense service or technical data for which a license or approval is required by this subchapter.

§ 127.3 Penalties for violations.

Any person who willfully:

- (a) Violates any provision of section 38 or section 39 of the Arms Export Control Act (22 U.S.C. 2778 and 2779), or any undertaking specifically required by part 124 of this subchapter; or
- (b) In a registration, license application or report required by section 38 or section 39 of the Arms Export Control Act (22 U.S.C. 2778 and 2779) or by any rule or regulation issued under either

§ 127.5

section, makes any untrue statement of a material fact or omits a material fact required to be stated therein or necessary to make the statements therein not misleading, shall, upon conviction, be subject to a fine or imprisonment, or both, as prescribed by 22 U.S.C. 2778(c).

§ 127.4 Authority of U.S. Customs Service officers.

(a) U.S. Customs Service officers may take appropriate action to ensure observance of this subchapter as to the export or the attempted export of any defense article or technical data, including the inspection of loading or unloading of any vessel, vehicle, or aircraft. This applies whether the export is authorized by license or by written approval issued under this subchapter.

(b) U.S. Customs Service officers have the authority to investigate, detain or seize any export or attempted export of defense articles or technical data contrary to this subchapter.

(c) Upon the presentation to a Customs Officer of a license or written approval authorizing the export of any defense article, the customs officer may require the production of other relevant documents and information relating to the proposed export. This includes an invoice, order, packing list, shipping document, correspondence, instructions, and the documents otherwise required by the U.S. Customs Service.

§ 127.5 Authority of the Defense Investigative Service.

In the case of exports involving classified technical data or defense articles, the Defense Investigative Service may take appropriate action to ensure compliance with the Department of Defense Industrial Security Manual. Upon a request to the Defense Investigative Service regarding the export of any classified defense article or technical data, the Defense Investigative Service official or a designated government transmittal authority may require the production of other relevant documents and information relating to the proposed export.

§ 127.6 Seizure and forfeiture in attempts at illegal exports.

(a) An attempt to export from the United States any defense articles in violation of the provisions of this subchapter constitutes an offense punishable under section 401 of title 22 of the United States Code. Whenever it is known or there is probable cause to believe that any defense article is intended to be or is being or has been exported or removed from the United States in violation of law, such article and any vessel, vehicle or aircraft involved in such attempt is subject to seizure, forfeiture and disposition as provided in section 401 of title 22 of the United States Code.

(b) Similarly, an attempt to violate any of the conditions under which a temporary export or temporary import license was issued pursuant to this subchapter or to violate the requirements of § 123.2 of this subchapter also constitutes an offense punishable under section 401 of title 22 of the United States Code, and such article, together with any vessel, vehicle or aircraft involved in any such attempt is subject to seizure, forfeiture, and disposition as provided in section 401 of title 22 of the United States Code.

§ 127.7 Debarment.

(a) In implementing section 38 of the Arms Export Control Act, the Assistant Secretary of State for Politico-Military Affairs may prohibit any person from participating directly or indirectly in the export of defense articles, including technical data or in the furnishing of defense services for which a license or approval is required by this subchapter for any of the reasons listed below. Any such prohibition is referred to as a debarment for purposes of this subchapter. The Assistant Secretary of State for Politico-Military Affairs shall determine the appropriate period of time for debarment, which shall generally be for a period of three years.

(b) Grounds. (1) The basis for a statutory debarment, as described in paragraph (c) of this section, is any conviction for violating the Arms Export Control Act (see § 127.3 of this subchapter) or any conspiracy to violate the Arms Export Control Act.

(2) The basis for administrative debarment, described in part 128 of this subchapter, is any violation of 22 U.S.C. 2778 or any rule or regulation issued thereunder when such a violation is of such a character as to provide a reasonable basis for the Office of Defense Trade Controls to believe that the violator cannot be relied upon to comply with the statute or these rules or regulations in the future, and when such violation is established in accordance with part 128 of this subchapter.

(c) *Statutory Debarment.* Section 38(g)(4) of the Arms Export Control Act prohibits the issuance of licenses to persons who have been convicted of violating the U.S. criminal statutes enumerated in § 120.27 of this subchapter. Discretionary authority to issue licenses is provided, but only if certain statutory requirements are met. It is the policy of the Department of State not to consider applications for licenses or requests for approvals involving any person who has been convicted of violating the Arms Export Control Act or convicted of conspiracy to violate that Act for a three year period following conviction. Such individuals shall be notified in writing that they are debarred pursuant to this policy. A list of persons who have been convicted of such offenses and debarred for this reason shall be published periodically in the FEDERAL REGISTER. Debarment in such cases is based solely upon the outcome of a criminal proceeding, conducted by a court of the United States, that established guilt beyond a reasonable doubt in accordance with due process. The procedures of part 128 of this subchapter are not applicable in such cases.

(d) *Appeals.* Any person who is ineligible pursuant to paragraph (c) of this section may appeal to the Under Secretary of State for International Security Affairs for reconsideration of the ineligibility determination. The procedures specified in § 128.13 of this subchapter are applicable in such appeals.

§ 127.8 Interim suspension.

(a) The Director of the Office of Defense Trade Controls is authorized to order the interim suspension of any person when the Director believes that grounds for debarment (as defined in

Department of State

§ 127.11

§ 127.6 of this part) exist and where and to the extent the Director finds that interim suspension is reasonably necessary to protect world peace or the security or foreign policy of the United States. The interim suspension orders prohibit that person from participating directly or indirectly in the export of any defense article or defense service for which a license or approval is required by this subchapter. The suspended person shall be notified in writing as provided in § 127.6(c) of this part (statutory debarment) or § 128.3 of this subchapter (administrative debarment), whichever is appropriate. In both cases, a copy of the interim suspension order will be served upon that person in the same manner as provided in § 128.3 of this subchapter. The interim suspension order may be made immediately effective, without prior notice. The order will state the relevant facts, the grounds for issuance of the order, and describe the nature and duration of the interim suspension. No person may be suspended for a period exceeding 60 days unless proceedings under § 127.6(c) of this part or under part 128 of this subchapter, or criminal proceedings, are initiated before the expiration of that period.

(b) A motion or petition to vacate or modify an interim suspension order may be filed at any time with the Under Secretary of State for International Security Affairs. After a final decision is reached, the Director of the Office of Defense Trade Controls will issue an appropriate order disposing of the motion or petition and will promptly inform the respondent accordingly.

§ 127.9 Applicability of orders.

For the purpose of preventing evasion, orders of the Assistant Secretary of State for Politico-Military Affairs, debarring a person under § 127.6 and orders of the Director, Office of Defense Trade Controls, suspending a person under § 127.7 may be made applicable to any other person who may then or thereafter (during the term of the order) be related to the debarred person by affiliation, ownership, control, position of responsibility, or other commercial connection. Appropriate notice

and opportunity to respond to charges will be given.

§ 127.10 Civil penalty.

(a) The Assistant Secretary of State for Politico-Military Affairs, Department of State, is authorized to impose a civil penalty in an amount not to exceed that authorized by 50 U.S.C. App. 2410(c) for each violation of 22 U.S.C. 2778, or any regulation, order, license or approval issued thereunder. This civil penalty may be either in addition to, or in lieu of, any other liability or penalty which may be imposed.

(b) The Office of Defense Trade Controls may make:

(1) The payment of a civil penalty under this section or

(2) The completion of any administrative action pursuant to this part 127 or 128 of this subchapter a prior condition for the issuance, restoration, or continuing validity of any export license or other approval.

§ 127.11 Past violations.

(a) Pursuant to section 38 of the Arms Export Control Act, licenses or other approvals may not be granted to persons who have been convicted of violating any of the U.S. criminal statutes enumerated in § 120.27 of this subchapter or who are ineligible to receive any export licenses from any agency of the U.S. government, subject to a narrowly defined statutory exception. This provision establishes a presumption of denial for licenses or other approvals involving such persons. This presumption is applied by the Office of Defense Trade Controls to all persons convicted or deemed ineligible in this manner since the effective date of the Arms Export Control Act (Pub. L. 94-329; 90 Stat. 729) (June 30, 1976).

(b) *Policy.* An exception to the policy of the Department of State to deny applications for licenses or other approvals that involve persons described in paragraph (a) of this section shall not be considered unless there are extraordinary circumstances surrounding the conviction or ineligibility to export, and only if the applicant demonstrates, to the satisfaction of the Bureau of Politico-Military Affairs, that the applicant has taken appropriate steps to mitigate any law enforcement and

other legitimate concerns, and to deal with the causes that resulted in the conviction, ineligibility, or debarment. Any person described in paragraph (a) of this section who wishes to request consideration of any application must explain, in a letter to the Director, Office of Defense Trade Controls, the reasons why the application should be considered. If the Bureau of Politico-Military Affairs concludes that the application and written explanation have sufficient merit, it shall consult with the Office of the Legal Adviser and the Department of the Treasury regarding law enforcement concerns, and may also request the views of other departments, including the Department of Justice. If the Office of Defense Trade Controls does grant the license or other approval, subsequent applications from the same person need not repeat the information previously provided but should instead refer to the favorable decision.

(c) *Debarred persons.* Persons debarred pursuant to § 127.6(c) (statutory debarment) may not utilize the procedures provided by this section while the debarment is in force. Such persons may utilize only the procedures provided by § 127.7(d) of this part.

§ 127.12 Voluntary disclosures.

(a) *General policy.* The Department strongly encourages the disclosure of information to the Office of Defense Trade Controls by persons, firms or any organization that believe they may have violated any export control provision of the Arms Export Control Act, or any regulations, order, license, or other authorization issued under the Arms Export Control Act. Voluntary self-disclosure may be considered a mitigating factor in determining the administrative penalties, if any, that should be imposed by the Department. Failure to report such violation(s) may result in circumstances detrimental to U.S. national security and foreign policy interests.

(b) *Limitations.* (1) The provisions of this section apply only when information is provided to the Office of Defense Trade Controls for its review in determining whether to take administrative action under part 128 of this subchapter concerning violation(s) of the export

control provisions of the Arms Export Control Act and these regulations.

(2) The provisions of this section apply only when information is received by the Office of Defense Trade Controls for review prior to such time that either the Department of State or any other agency, bureau or department of the United States Government obtains knowledge of either the same or substantially similar information from another source and commenced an investigation or inquiry that involves that information, and that is intended to determine whether the Arms Export Control Act or these regulations, or any other license, order or other authorization issued under the Arms Export Control Act has been violated.

(3) It is possible that the activity in question—despite voluntary disclosure—might merit penalties, administrative actions, sanctions, or referrals to the Department of Justice for consideration as to whether criminal prosecution is warranted. In the latter case, the Office of Defense Trade Controls will notify the Department of Justice of the voluntary nature of the disclosure although the Department of Justice is not required to give that fact any weight. The Office of Defense Trade Controls has the sole discretion to consider whether “voluntary disclosure,” in context with other relevant information in a particular case, should be a mitigating factor in determining what, if any, administrative action will be imposed. Some of the mitigating factors the Office of Defense Trade Controls may consider are:

(i) Whether the transaction would have been authorized had proper application been made;

(ii) Why the violation(s) occurred;

(iii) The degree of cooperation with the ensuing investigation;

(iv) Whether the person or firm has instituted or improved an internal compliance program to reduce the likelihood of future violation(s);

(v) Whether the person making the disclosure did so with the full knowledge and authorization of the firm’s senior management. (If not, then a firm will not be deemed to have made a disclosure as covered in this section.)

(4) The provisions of this section do not, nor should they be relied on, to create, confer, or grant any rights, benefits, privileges, or protection enforceable at law or in equity by any person, business, or entity in any civil, criminal, administrative, or other matter.

(c) *Notification.* (1) Any person or firm wanting to disclose information that constitutes a voluntary self-disclosure should, in the manner outlined below, initially notify the Office of Defense Trade Controls as soon as possible after violation(s) are discovered and then conduct a thorough review of all export-related transactions where violation(s) are suspected.

(2) Notification of violation(s) must be in writing and should include the following information:

(i) A precise description of the nature and extent of the violation(s) (e.g., an unauthorized shipment, doing business with a party denied U.S. export privileges, etc.);

(ii) The exact circumstances surrounding the violation(s) (a thorough explanation of why, when, where, and how the violation(s) occurred);

(iii) The complete identities and addresses of all individuals and organizations, whether foreign or domestic, involved in the activities giving rise to the violation(s);

(iv) Export license numbers, if applicable;

(v) U.S. Munitions List category and subcategory, product descriptions, quantities, and characteristics of the commodities or technical data involved;

(vi) A description of any corrective actions already undertaken;

(vii) The name and address of the person(s) making the disclosure and a point of contact, if different, should further information be needed.

(3) Factors to be considered include, for example, whether the violation(s) were intentional or inadvertent; the degree to which the person or firm responsible for the violation(s) making the disclosure was familiar with the laws and regulations; and whether the violator was the subject of prior administrative or criminal action under the AECA. In addition to immediately providing written notification, persons, firms, companies and organizations are

strongly urged to conduct a thorough review of all export-related transactions where possible violation(s) are suspected.

(d) *Documentation.* (1) The written disclosure should be accompanied by copies of those documents that substantiate it. Where appropriate, the documentation should include, but is not limited to:

(i) Licensing documents (e.g., license applications, export licenses and end-user statements);

(ii) Shipping documents (e.g., shipper's export declarations, airway bills and bills of lading);

(iii) Any other relevant documents must be retained by the person making the disclosure until the Office of Defense Trade Controls requests them or until a final decision on the disclosed information has been made.

(e) *Certification.* A certification must be submitted stating that all of the representations made in connection with the voluntary self-disclosure are true and correct to the best of that person's knowledge and belief. Certifications made by a firm, corporation or any other organization should be executed by someone with the authority to do so.

(f) *Oral presentations.* It is generally not necessary to augment the written presentation with an oral presentation. However, if the person making the disclosure believes a meeting is desirable, a request for one should be included with the written presentation.

(g) Voluntary disclosures should be sent to:

Compliance Analysis Division, PM/DTC, SA-6, room 200, Office of Defense Trade Controls, Bureau of Politico-Military Affairs, U.S. Department of State, Washington, DC 20522-0602.

SOURCE: 58 FR 39320, July 22, 1993, unless otherwise noted.

§ 128.1 Exclusion of functions from the Administrative Procedure Act.

The Arms Export Control Act authorizes the President to control the import and export of defense articles and services in furtherance of world peace and the security and foreign policy of the United States. It authorizes the Secretary of State to make decisions on whether license applications or other written requests for approval shall be granted, or whether exemptions may be used. It also authorizes the Secretary of State to revoke, suspend or amend licenses or other written approvals whenever the Secretary deems such action to be advisable. The administration of the Arms Export Control Act is a foreign affairs function encompassed within the meaning of the military and foreign affairs exclusion of the Administrative Procedure Act and is thereby expressly exempt from various provisions of that Act. Because the exercising of the foreign affairs function, including the decisions required to implement the Arms Export Control Act, is highly discretionary, it is excluded from review under the Administrative Procedure Act.

[61 FR 48831, Sept. 17, 1996]

§ 128.2 Administrative Law Judge

The Administrative Law Judge referred to in this part is an Administrative Law Judge appointed by the Department of State or of the Department of Commerce, as provided in 15 CFR 788.2. The Administrative Law Judge is authorized to exercise the

22 CFR Ch. I (4–1–97 Edition)

powers and perform the duties provided for in §§ 127.7, 127.8, and 128.3 through 128.16 of this subchapter.

[61 FR 48831, Sept. 17, 1996]

§ 128.3 Institution of Administrative Proceedings.

(a) *Charging letters.* The Director, Office of Defense Trade Controls, with the concurrence of the Office of the Legal Adviser, Department of State, may initiate proceedings to impose debarment or civil penalties in accordance with § 127.7 or § 127.10 of this subchapter respectively. Administrative proceedings shall be initiated by means of a charging letter. The charging letter will state the essential facts constituting the alleged violation and refer to the regulatory or other provisions involved. It will give notice to the respondent to answer the charges within 30 days, as provided in § 128.5(a), and indicate that a failure to answer will be taken as an admission of the truth of the charges. It will inform the respondent that he or she is entitled to an oral hearing if a written demand for one is filed with the answer or within seven (7) days after service of the answer. The respondent will also be informed that he or she may, if so desired, be represented by counsel of his or her choosing. Charging letters may be amended from time to time, upon reasonable notice.

(b) *Service.* A charging letter is served upon a respondent:

(1) If the respondent is a resident of the United States, when it is mailed postage prepaid in a wrapper addressed to the respondent at that person's last known address; or when left with the respondent or the agent or employee of the respondent; or when left at the respondent's dwelling with some person of suitable age and discretion then residing herein; or

(2) If the respondent is a non-resident of the United States, when served upon the respondent by any of the foregoing means. If such methods of service are not practicable or appropriate, the charging letter may be tendered for service on the respondent to an official of the government of the country wherein the respondent resides, provided that there is an agreement or understanding between the United States

Department of State

§ 128.6

Government and the government of the country wherein the respondent resident permitting this action.

[61 FR 48831, Sept. 17, 1996]

§ 128.4 Default.

(a) *Failure to answer.* If the respondent fails to answer the charging letter, the respondent may be held in default. The case shall then be referred to the Administrative Law Judge for consideration in a manner as the Administrative Law Judge may consider appropriate. Any order issued shall have the same effect as an order issued following the disposition of contested charges.

(b) *Petition to set aside defaults.* Upon showing good cause, any respondent against whom a default order has been issued may apply to set aside the default and vacate the order entered thereon. The petition shall be submitted to duplicate to the Assistant Secretary for Political-Military Affairs, U.S. Department of State, 2201 C Street, NW., Washington, DC 20520. The Director will refer the petition to the Administrative Law Judge for consideration and a recommendation. The Administrative law Judge will consider the application and may order a hearing and require the respondent to submit further evidence in support of his or her petition. The filing of a petition to set aside a default does not in any manner affect an order entered upon default and such order continues in full force and effect unless a further order is made modifying or terminating it.

[61 FR 48832, Sept. 17, 1996]

§ 128.5 Answer and demand for oral hearing.

(a) *When to answer.* The respondent is required to answer the charging letter within 30 days after service.

(b) *Contents of answer.* An answer must be responsive to the charging letter. It must fully set forth the nature of the respondent's defense or defenses. In the answer, the respondent must admit or deny specifically each separate allegation of the charging letter, unless the respondent is without knowledge, in which case the respondent's answer shall so state and the statement shall operate as denial. Fail-

ure to deny or controvert any particular allegation will be deemed an admission thereof. The answer may set forth such additional or new matter as the respondent believes support a defense or claim of mitigation. Any defense or partial defense not specifically set forth in an answer shall be deemed waived. Evidence offered thereon by the respondent at a hearing may be refused except upon good cause being shown. If the respondent does not demand an oral hearing, he or she shall transmit, within seven (7) days after the service of his or her answer, original or photocopies of all correspondence, papers, records, affidavits, and other documentary or written evidence having any bearing upon or connection with the matters in issue. If any such materials are in language other than English, translations into English shall be submitted at the same time.

(c) *Submission of answer.* The answer, written demand for oral hearing (if any) and supporting evidence required by § 128.5(b) shall be in duplicate and mailed or delivered to the Office of Administrative Law Judge, United States Department of Commerce, Room H-6716, 14th Street and Constitution Avenue, NW., Washington, DC 20230. A copy shall be simultaneously mailed to the Director, Office of Defense Trade Controls, SA-6, Room 200, Department of State, Washington, DC 20522-0602, or delivered to the 21st street entrance of the Department of State, 2201 C Street, NW., Washington, DC addressed to Director, Office of Defense Trade Controls, SA-6, Room 200, Department of State, Washington, DC 20522-0602.

[58 FR 39320, July 22, 1993, as amended at 61 FR 48832, Sept. 17, 1996]

§ 128.6 Discovery.

(a) *Discovery by the respondent.* The respondent, through the Administrative Law Judge, may request from the Office of Defense Trade Controls any relevant information, not privileged, that may be necessary or helpful in preparing a defense. The Office of Defense Trade Controls may provide any relevant information, not privileged, that may be necessary or helpful in preparing a defense. The Office of Defense Trade Controls may supply summaries in place or original documents

and may withhold information from discovery if the interests of national security or foreign policy so require, or if necessary to comply with any statute, executive order or regulation requiring that the information may not be disclosed. The respondent may request the Administrative Law Judge to request any relevant information, books, records, or other evidence, from any other person or government agency so long as the request is reasonable in scope and not unduly burdensome.

(b) *Discovery by the Office of Defense Trade Controls.* The Office of Defense Trade Controls or the Administrative Law Judge may request from the respondent admissions of facts, answers to interrogatories, the production of books, records, or other relevant evidence, so long as the request is relevant and material, reasonable in scope, and not unduly burdensome.

(c) *Subpoenas.* At the request of any party, the Administrative Law Judge may issue subpoenas, returnable before him, requiring the attendance of witnesses and the production of books, records, and other documentary or physical evidence determined by the Administrative Law Judge to be relevant and material to the proceedings, reasonable in scope, and not unduly burdensome.

(d) *Enforcement of discovery rights.* If the Office of Defense Trade Controls fails to provide the respondent with information in its possession which is not otherwise available and which is necessary to the respondent's defense, the Administrative Law Judge may dismiss the charges on her or his own motion or on a motion of the respondent. If the respondent fails to respond with reasonable diligence to the requests for discovery by the Office of Defense Trade Controls or the Administrative Law Judge, on her or his own motion or motion of the Office of Defense Trade Controls, and upon such notice to the respondent as the Administrative Law Judge may direct, may strike respondent's answer and declare the respondent in default, or make any other ruling which the Administrative Law Judge deems necessary and just under the circumstances. If a third party fails to respond to the request for information, the Administrative Law

Judge shall consider whether the evidence sought is necessary to a fair hearing, and if it is so necessary that a fair hearing may not be held without it, the Administrative Law Judge shall dismiss the charges.

[61 FR 48832, Sept. 17, 1996]

§ 128.7 Prehearing conference.

(a)(1) The Administrative Law Judge may, upon his own motion or upon motion of any party, request the parties or their counsel to a prehearing conference to consider:

- (i) Simplification of issues;
- (ii) The necessity of desirability of amendments to pleadings;
- (iii) Obtaining stipulations of fact and of documents to avoid unnecessary proof; or
- (iv) Such other matter as may expedite the disposition of the proceeding.

(2) The Administrative Law Judge will prepare a summary of the action agreed upon or taken at the conference, and will incorporate therein any written stipulations or agreements made by the parties.

(3) The conference proceedings may be recorded magnetically or taken by a reporter and transcribed, and filed with the Administrative Law Judge.

(b) If a conference is impracticable, the Administrative Law Judge may request the parties to correspond with the person to achieve the purposes of a conference. The Administrative Law Judge shall prepare a summary of action taken as in the case of a conference.

[61 FR 48832, Sept. 17, 1996]

§ 128.8 Hearings.

(a) A respondent who had not filed a timely written answer is not entitled to a hearing, and the case may be considered by the Administrative Law Judge as provided in § 128.4(a). If any answer is filed, but no oral hearing demanded, the Administrative Law Judge may proceed to consider the case upon the written pleadings and evidence available. The Administrative Law Judge may provide for the making of

Department of State

§ 128.11

the record in such manner as the Administrative Law Judge deems appropriate. If respondent answers and demands an oral hearing, the Administrative Law Judge, upon due notice, shall set the case for hearing, unless a respondent has raised in his answer no issues of material fact to be determined. If respondent fails to appear at a scheduled hearing, the hearing nevertheless may proceed in respondent's absence. The respondent's failure to appear will not affect the validity of the hearing or any proceedings or action thereafter.

(b) The Administrative Law Judge may administer oaths and affirmations. Respondent may be represented by counsel. Unless otherwise agreed by the parties and the Administrative Law Judge the proceeding will be taken by a reporter or by magnetic recording, transcribed, and filed with the Administrative Law Judge. Respondent may examine the transcript and may obtain a copy upon payment of proper costs.

[61 FR 48833, Sept. 17, 1996]

§ 128.9 Proceedings before and report of Administrative Law Judge.

(a) The Administrative Law Judge may conform any part of the proceedings before him or her to the Federal Rules of Civil Procedure. The record may be made available in any other administrative or other proceeding involving the same respondent.

(b) The Administrative Law Judge, after considering the record, will prepare a written report. The report will include findings of fact, findings of law, a finding whether a law or regulation has been violated, and the Administrative Law Judge's recommendations. It shall be transmitted to the Assistant Secretary for Political-Military Affairs, Department of State.

[61 FR 48833, Sept. 17, 1996]

§ 128.10 Disposition of proceedings.

Where the evidence is not sufficient to support the charges, the Director, Office of Defense Trade Controls or the Administrative Law Judge will dismiss the charges. Where the Administrative Law Judge finds that a violation has been committed, the Administrative Law Judge's recommendation shall be

advisory only. The Assistant Secretary for Political-Military Affairs will review the record, consider the report of the Administrative Law Judge, and make an appropriate disposition of the case. The Director may issue an order debarring the respondent from participating in the export of defense articles or technical data or the furnishing of defense services as provided in § 127.7 of this subchapter, impose a civil penalty as provided in § 127.10 of this subchapter or take such action as the Administrative Law Judge deems appropriate. Any debarment order will be effective for the period of time specified therein and may contain such additional terms and conditions as are deemed appropriate. A copy of the order together with a copy of the Administrative Law Judge's report will be served upon the respondent.

[61 FR 48833, Sept. 17, 1996]

§ 128.11 Consent agreements.

(a) The Office of Defense Trade Controls and the respondent may, by agreement, submit to the Administrative Law Judge a proposal for the issuance of a consent order. The Administrative Law Judge will review the facts of the case and the proposal and may conduct conferences with the parties and may require the presentation of evidence in the case. If the Administrative Law Judge does not approve the proposal, the Administrative Law Judge will notify the parties and the case will proceed as though no consent proposal had been made. If the proposal is approved, the Administrative Law Judge will report the facts of the case along with recommendations to the Assistant Secretary for Political-Military Affairs. If the Assistant Secretary for Political-Military Affairs does not approve the proposal, the case will proceed as though no consent proposal had been made. If the Assistant Secretary for Political-Military Affairs approves the proposal, an appropriate order may be issued.

(b) Cases may also be settled prior to service of a charging letter. In such an event, a proposed charging letter shall be prepared, and a consent agreement and order shall be submitted for the approval and signature of the Assistant

Secretary for Political-Military Affairs, and no action by the Administrative Law Judge shall be required. Cases which are settled may not be reopened or appealed.

[61 FR 48833, Sept. 17, 1996]

§ 128.12 Rehearings.

The Administrative Law Judge may grant a rehearing or reopen a proceeding at any time for the purpose of hearing any relevant and material evidence which was not known or obtainable at the time of the original hearing. A report for rehearing or reopening must contain a summary of such evidence, and must explain the reasons why it could not have been presented at the original hearing. The Administrative Law Judge will inform the parties of any further hearing, and will conduct such hearing and submit a report and recommendations in the same manner as provided for the original proceeding (Described in § 128.10).

[61 FR 48833, Sept. 17, 1996]

§ 128.13 Appeals.

(a) *Filing of appeals.* An appeal must be in writing, and be addressed to and filed with the Under Secretary of State for Arms Control and International Security Affairs, Department of State, Washington, DC 20520. An appeal from a final order denying export privileges or imposing civil penalties must be filed within 30 days after receipt of a copy of the order. If the Under Secretary cannot for any reason act on the appeal, he or she may designate another Department of State official to receive and act on the appeal.

(b) *Grounds and conditions for appeal.* The respondent may appeal from the debarment or from the imposition of a civil penalty (except the imposition of civil penalties pursuant to a consent order pursuant to § 128.11) upon the ground: (1) That the findings of a violation are not supported by any substantial evidence; (2) that a prejudicial error of law was committed; or (3) that the provisions of the order are arbitrary, capricious, or an abuse of discretion. The appeal must specify upon which of these grounds the appeal is based and must indicate from which provisions of the order the appeal is

taken. An appeal from an order issued upon default will not be entertained if the respondent has failed to seek relief as provided in § 128.4(b).

(c) *Matters considered on appeal.* An appeal will be considered upon the basis of the assembled record. This record consists of (but is not limited to) the charging letter, the respondent's answer, the transcript or magnetic recording of the hearing before the Administrative Law Judge, the report of the Administrative Law Judge, the order of the Assistant Secretary for Political-Military Affairs, and any other relevant documents involved in the proceedings before the Administrative Law Judge. The Under Secretary of State for Arms Control and International Security Affairs may direct a rehearing and reopening before the Administrative Law Judge if he or she finds that the record is insufficient or that new evidence is relevant and material to the issues and was not known and was not available to the respondent at the time of the original hearings.

(d) *Effect of appeals.* The taking of an appeal will not stay the operation of any order.

(e) *Preparation of appeals.*—(1) *General requirements.* An appeal shall be in letter form. The appeal and accompanying material should be filed in duplicate, unless otherwise indicated, and a copy simultaneously mailed to the Director, Office of Defense Trade Controls, SA-6, Room 200, Department of State, Washington, DC 20522-0620 or delivered to the 21st street entrance of the Department of State, 2201 C Street, NW., Washington, DC addressed to Director, Office of Defense Trade Controls, SA-6, Room 200, Department of State, Washington, DC 20522-0602.

(2) *Oral presentation.* The Under Secretary of State for Arms Control and International Security Affairs may grant the appellant an opportunity for oral argument and will set the time and place for oral argument and will notify the parties, ordinarily at least 10 days before the date set.

(f) *Decisions.* All appeals will be considered and decided within a reasonable time after they are filed. An appeal may be granted or denied in whole or in part, or dismissed at the request of

Department of State

§ 128.17

the appellant. The decision of the Under Secretary of State for Arms Control and International Security Affairs will be final.

Proceedings under this part are confidential. The documents referred to in § 128.17 are not, however, deemed to be confidential. § 128.15 Orders containing probationary periods.

(a) *Revocation of probationary periods.* A debarment or interim suspension order may set a probationary period during which the order may be held in abeyance for all or part of the debarment or suspension period, subject to the conditions stated therein. The Director, Office of Defense Trade Controls, may apply without notice to any person to be affected thereby, to the Administrative Law Judge for an order revoking probation when it appears that the conditions of the probation have been breached. The facts in support of the application will be presented to the Administrative Law Judge, who will report thereon and make a recommendation to the Assistant Secretary for Political-Military Affairs. The latter will make a determination whether to revoke probation and will issue an appropriate order.

(b) *Hearings—(1) Objections upon notice.* Any person affected by an application upon notice to revoke probation, within the time specified in the notice, may file objections with the Administrative Law Judge.

(2) *Objections to order without notice.* Any person adversely affected by an order revoking probation, without notice may request that the order be set aside by filing his objections thereto with the Administrative Law Judge.

The request will not stay the effective date of the order or revocation.

(3) *Requirements for filing objections.* Objections filed with the Administrative Law Judge must be submitted in writing and in duplicate. A copy must be simultaneously submitted to the Office of Defense Trade Controls. Denials and admissions, as well as any mitigating circumstances, which the person affected intends to present must be set forth in or accompany the letter of objection and must be supported by evidence. A request for an oral hearing may be made at the time of filing objections.

(4) *Determination.* The application and objections thereto will be referred to the Administrative Law Judge. An oral hearing if requested, will be conducted at an early convenient date, unless the objections filed raise no issues of material fact to be determined. The Administrative Law Judge will report the facts and make a recommendation to the Assistant Secretary for Political-Military Affairs, who will determine whether the application should be granted or denied and will issue an appropriate order. A copy of the order and of the Administrative Law Judge's report will be furnished to any person affected thereby.

(5) *Effect of revocation on other actions.* The revocation of a probationary period will not preclude any other action concerning a further violation, even where revocation is based on the further violation.

[61 FR 48834, Sept. 17, 1996]

§ 128.16 Extension of time.

The Administrative Law Judge, for good cause shown, may extend the time within which to prepare and submit an answer to a charging letter or to perform any other act required by this part.

[61 FR 48834, Sept. 17, 1996]

§ 128.17 Availability of orders.

All charging letters, debarment orders, orders imposing civil penalties, probationary periods, and interim suspension orders are available for public inspection in the Public Reading Room of the Department of State.

§ 130.1 Purpose.

Section 39(a) of the Arms Export Control Act (22 U.S.C. 2779) provides that the Secretary of State shall prescribe regulations with respect to reporting on certain payments relating to sales of defense articles and defense services. The provisions of this part implement that requirement. Definitions which apply to this part are contained in §§ 130.2 through 130.8.

§ 130.2 Applicant.

Applicant means any person who applies to the Office of Defense Trade Controls for any license or approval required under this subchapter for the export of defense articles or defense services valued in an amount of \$500,000 or more which are being sold commercially to or for the use of the armed forces of a foreign country or international organization. This term also

includes a person to whom the required license or approval has been given.

§ 130.3 Armed forces.

Armed forces means the army, navy, marine, air force, or coast guard, as well as the national guard and national police, of a foreign country. This term also includes any military unit or military personnel organized under or assigned to an international organization.

§ 130.4 Defense articles and defense services.

Defense articles and defense services have the meaning given those terms in paragraphs (3), (4) and (7) of section 47 of the Arms Export Control Act (22 U.S.C. 2794 (3), (4), and (7)). When used with reference to commercial sales, the definitions in §§ 120.6 and 120.9 of this subchapter apply.

§ 130.5 Fee or commission.

(a) *Fee or commission* means, except as provided in paragraph (b) of this section, any loan, gift, donation or other payment of \$1,000 or more made, or offered or agreed to be made directly or indirectly, whether in cash or in kind, and whether or not pursuant to a written contract, which is:

(1) To or at the direction of any person, irrespective of nationality, whether or not employed by or affiliated with an applicant, a supplier or a vendor; and

(2) For the solicitation or promotion or otherwise to secure the conclusion of a sale of defense articles or defense services to or for the use of the armed forces of a foreign country or international organization.

(b) The term fee or commission does not include:

(1) A political contribution or a payment excluded by § 130.6 from the definition of political contribution;

(2) A normal salary (excluding contingent compensation) established at an annual rate and paid to a regular employee of an applicant, supplier or vendor;

(3) General advertising or promotional expenses not directed to any particular sale or purchaser; or

Department of State

§ 130.9

(4) Payments made, or offered or agreed to be made, solely for the purchase by an applicant, supplier or vendor of specific goods or technical, operational or advisory services, which payments are not disproportionate in amount with the value of the specific goods or services actually furnished.

§ 130.6 Political contribution.

Political contribution means any loan, gift, donation or other payment of \$1,000 or more made, or offered or agreed to be made, directly or indirectly, whether in cash or in kind, which is:

(a) To or for the benefit of, or at the direction of, any foreign candidate, committee, political party, political faction, or government or governmental subdivision, or any individual elected, appointed or otherwise designated as an employee or officer thereof; and

(b) For the solicitation or promotion or otherwise to secure the conclusion of a sale of defense articles or defense services to or for the use of the armed forces of a foreign country or international organization. Taxes, customs duties, license fees, and other charges required to be paid by applicable law or regulation are not regarded as political contributions.

§ 130.7 Supplier.

Supplier means any person who enters into a contract with the Department of Defense for the sale of defense articles or defense services valued in an amount of \$500,000 or more under section 22 of the Arms Export Control Act (22 U.S.C. 2762).

§ 130.8 Vendor.

(a) *Vendor* means any distributor or manufacturer who, directly or indirectly, furnishes to an applicant or supplier defense articles valued in an amount of \$500,000 or more which are end-items or major components as defined in § 121.8 of this subchapter. It also means any person who, directly or indirectly, furnishes to an applicant or supplier defense articles or services valued in an amount of \$500,000 or more when such articles or services are to be delivered (or incorporated in defense articles or defense services to be deliv-

(1) A sale requiring a license or approval from the Office of Defense Trade Controls under this subchapter; or

(2) A sale pursuant to a contract with the Department of Defense under section 22 of the Arms Export Control Act (22 U.S.C. 2762).

(b) [Reserved]

§ 130.9 Obligation to furnish information to the Office of Defense Trade Controls.

(a)(1) Each applicant must inform the Office of Defense Trade Controls as to whether applicant or its vendors have paid, or offered or agreed to pay, in respect of any sale for which a license or approval is requested:

(i) Political contributions in an aggregate amount of \$5,000 or more, or

(ii) Fees or commissions in an aggregate amount of \$100,000 or more.

If so, applicant must furnish to the Office of Defense Trade Controls the information specified in § 130.10. The furnishing of such information or an explanation satisfactory to the Director of the Office of Defense Trade Controls as to why all the information cannot be furnished at that time is a condition precedent to the granting of the relevant license or approval.

(2) The requirements of this paragraph do not apply in the case of an application with respect to a sale for which all the information specified in § 130.10 which is required by this section to be reported shall already have been furnished.

(b) Each supplier must inform the Office of Defense Trade Controls as to whether the supplier or its vendors have paid, or offered or agreed to pay, in respect of any sale:

(1) Political contributions in an aggregate amount of \$5,000 or more, or

(2) Fees or commissions in an aggregate amount of \$100,000 or more.

If so, supplier must furnish to the Office of Defense Trade Controls the information specified in § 130.10. The information required to be furnished pursuant to this paragraph must be so furnished no later than 30 days after the contract award to such supplier, or such earlier date as may be specified by

the Department of Defense. For purposes of this paragraph, a contract award includes a purchase order, exercise of an option, or other procurement action requiring a supplier to furnish defense articles or defense services to the Department of Defense for the purposes of section 22 of the Arms Export Control Act (22 U.S.C. 2762).

(c) In determining whether an applicant or its vendors, or a supplier or its vendors, as the case may be, have paid, or offered or agreed to pay, political contributions in an aggregate amount of \$5,000 or more in respect of any sale so as to require a report under this section, there must be included in the computation of such aggregate amount any political contributions in respect of the sale which are paid by or on behalf of, or at the direction of, any person to whom the applicant, supplier or vendor has paid, or offered or agreed to pay, a fee or commission in respect of the sale. Any such political contributions are deemed for purposes of this part to be political contributions by the applicant, supplier or vendor who paid or offered or agreed to pay the fee or commission.

(d) Any applicant or supplier which has informed the Office of Defense Trade Controls under this section that neither it nor its vendors have paid, or offered or agreed to pay, political contributions or fees or commissions in an aggregate amount requiring the information specified in § 130.10 to be furnished, must subsequently furnish such information within 30 days after learning that it or its vendors had paid, or offered or agreed to pay, political contributions or fees or commissions in respect of a sale in an aggregate amount which, if known to applicant or supplier at the time of its previous communication with the Office of Defense Trade Controls, would have required the furnishing of information under § 130.10 at that time. Any report furnished under this paragraph must, in addition to the information specified in § 130.10, include a detailed statement of the reasons why applicant or supplier did not furnish the information at the time specified in paragraph (a) or paragraph (b) of this section, as applicable.

§ 130.10 Information to be furnished by applicant or supplier to the Office of Defense Trade Controls.

(a) Every person required under § 130.9 to furnish information specified in this section in respect to any sale must furnish to the Office of Defense Trade Controls:

(1) The total contract price of the sale to the foreign purchaser;

(2) The name, nationality, address and principal place of business of the applicant or supplier, as the case may be, and, if applicable, the employer and title;

(3) The name, nationality, address and principal place of business, and if applicable, employer and title of each foreign purchaser, including the ultimate end-user involved in the sale;

(4) Except as provided in paragraph (c) of this section, a statement setting forth with respect to such sale:

(i) The amount of each political contribution paid, or offered or agreed to be paid, or the amount of each fee or commission paid, or offered or agreed to be paid;

(ii) The date or dates on which each reported amount was paid, or offered or agreed to be paid;

(iii) The recipient of each such amount paid, or intended recipient if not yet paid;

(iv) The person who paid, or offered or agreed to pay such amount; and

(v) The aggregate amounts of political contributions and of fees or commission, respectively, which shall have been reported.

(b) In responding to paragraph (a)(4) of this section, the statement must:

(1) With respect to each payment reported, state whether such payment was in cash or in kind. If in kind, it must include a description and valuation thereof. Where precise amounts are not available because a payment has not yet been made, an estimate of the amount offered or agreed to be paid must be provided;

(2) With respect to each recipient, state:

(i) Its name;

(ii) Its nationality;

(iii) Its address and principal place of business;

(iv) Its employer and title; and

Department of State

§ 130.12

(v) Its relationship, if any, to applicant, supplier, or vendor, and to any foreign purchaser or end-user.

(c) In submitting a report required by § 130.9, the detailed information specified in paragraph (a)(4) and (b) of this section need not be included if the payments do not exceed:

(1) \$2,500 in the case of political contributions; and

(2) \$50,000 in the case of fees or commissions.

In lieu of reporting detailed information with respect to such payments, the aggregate amount thereof must be reported, identified as miscellaneous political contributions or miscellaneous fees or commissions, as the case may be.

(d) Every person required to furnish the information specified in paragraphs (a) and (b) of this section must respond fully to each subdivision of those paragraphs and, where the correct response is none or not applicable, "must so state.

§ 130.11 Supplementary reports.

(a) Every applicant or supplier who is required under § 130.9 to furnish the information specified in § 130.10 must submit a supplementary report in connection with each sale in respect of which applicant or supplier has previously been required to furnish information if:

(1) Any political contributions aggregating \$2,500 or more or fees or commissions aggregating \$50,000 or more not previously reported or paid, or offered or agreed to be paid by applicant or supplier or any vendor;

(2) Subsequent developments cause the information initially reported to be no longer accurate or complete (as in the case where a payment actually made is substantially different in amount from a previously reported estimate of an amount offered or agreed to be paid); or

(3) Additional details are requested by the Office of Defense Trade Controls with respect to any miscellaneous payments reported under § 130.10(c).

(b) Supplementary reports must be sent to the Office of Defense Trade Controls within 30 days after the payment, offer or agreement reported therein or, when requested by the Office of Defense Trade Controls, within

30 days after such request, and must include:

(1) Any information specified in § 130.10 required or requested to be reported and which was not previously reported; and

(2) The Defense Trade Control license number, if any, and the Department or Defense contract number, if any, related to the sale.

§ 130.12 Information to be furnished by vendor to applicant or supplier.

(a) In order to determine whether it is obliged under § 130.9 to furnish the information specified in § 130.10 with respect to a sale, every applicant or supplier must obtain from each vendor, from or through whom the applicant acquired defense articles or defense services forming the whole or a part of the sale, a full disclosure by the vendor of all political contributions or fees or commission paid, by vendor with respect to such sale. Such disclosure must include responses to all the information pertaining to vendor required to enable applicant or supplier, as the case may be, to comply fully with §§ 130.9 and 130.10. If so required, they must include the information furnished by each vendor in providing the information specified.

(b) Any vendor which has been requested by an applicant or supplier to furnish an initial statement under paragraph (a) of this section must, except as provided in paragraph (c) of this section, furnish such statement in a timely manner and not later than 20 days after receipt of such request.

(c) If the vendor believes that furnishing information to an applicant or supplier in a requested statement would unreasonably risk injury to the vendor's commercial interests, the vendor may furnish in lieu of the statement an abbreviated statement disclosing only the aggregate amount of all political contributions and the aggregate amount of all fees or commissions which have been paid, or offered or agreed to be paid, or offered or agreed to be paid, by the vendor with respect to the sale. Any abbreviated statement furnished to an applicant or supplier under this paragraph must be accompanied by a certification that the requested information has been reported

by the vendor directly to the Office of Defense Trade Controls. The vendor must simultaneously report fully to the Office of Defense Trade Controls all information which the vendor would otherwise have been required to report to the applicant or supplier under this section. Each such report must clearly identify the sale with respect to which the reported information pertains.

(d)(1) If upon the 25th day after the date of its request to vendor, an applicant or supplier has not received from the vendor the initial statement required by paragraph (a) of this section, the applicant or supplier must submit to the Office of Defense Trade Controls a signed statement attesting to:

(i) The manner and extent of applicant's or supplier's attempt to obtain from the vendor the initial statement required under paragraph (a) of this section;

(ii) Vendor's failure to comply with this section; and

(iii) The amount of time which has elapsed between the date of applicant's or supplier's request and the date of the signed statement;

(2) The failure of a vendor to comply with this section does not relieve any applicant or supplier otherwise required by § 130.9 to submit a report to the Office of Defense Trade Controls from submitting such a report.

§ 130.13 Information to be furnished to applicant, supplier or vendor by a recipient of a fee or commission.

(a) Every applicant or supplier, and each vendor thereof;

(1) In order to determine whether it is obliged under § 130.9 or § 130.12 to furnish information specified in § 130.10 with respect to a sale; and

(2) Prior to furnishing such information, must obtain from each person, if any, to whom it has paid, or offered or agreed to pay, a fee or commission in respect of such sale, a timely statement containing a full disclosure by such a person of all political contributions paid, or offered or agreed to be paid, by it or on its behalf, or at its direction, in respect of such sale. Such disclosure must include responses to all the information required to enable the applicant, supplier or vendor, as

the case may be, to comply fully with §§ 130.9, 130.10, and 130.12.

(b) In obtaining information under paragraph (a) of this section, the applicant, supplier or vendor, as the case may be, must also require each person to whom a fee or commission is paid, or offered or agreed to be paid, to furnish from time to time such reports of its political contributions as may be necessary to enable the applicant, supplier or vendor, as the case may be, to comply fully with §§ 130.9, 130.10, 130.11, and 130.12.

(c) The applicant supplier or vendor, as the case may be, must include any political contributions paid, or offered or agreed to be paid, by or on behalf of, or at the direction of, any person to whom it has paid, or offered or agreed to pay a fee or commission in determining whether applicant, supplier or vendor is required by §§ 130.9, 130.11, and 130.12 to furnish information specified in § 130.10.

§ 130.14 Recordkeeping.

Each applicant, supplier and vendor must maintain a record of any information it was required to furnish or obtain under this part and all records upon which its reports are based for a period of not less than five years following the date of the report to which they pertain.

§ 130.15 Confidential business information.

(a) Any person who is required to furnish information under this part may identify any information furnished hereunder which the person considers to be confidential business information. No person, including any applicant or supplier, shall publish, divulge, disclose, or make known in any manner, any information so identified by a vendor or other person unless authorized by law or regulation.

(b) For purposes of this section, *confidential business information* means commercial or financial information which by law is entitled to protection from disclosure. (See, e.g., 5 U.S.C. 552(b) (3) and (4); 18 U.S.C. 1905; 22 U.S.C. 2778(e); Rule 26(c)(7), Federal Rules of Civil Procedure.)

§ 130.16 Other reporting requirements.

The submission of reports under this part does not relieve any person of any requirements to furnish information to any federal, state, or municipal agency, department or other instrumentality as required by law, regulation or contract.

§ 130.17 Utilization of and access to reports and records.

(a) All information reported and records maintained under this part will be made available, upon request for utilization by standing committees of the Congress and subcommittees thereof, and by United States Government

agencies, in accordance with section 39(d) of the Arms Export Control Act (22 U.S.C. 2779(d)), and reports based upon such information will be submitted to Congress in accordance with sections 36(a)(8) and 36(b)(1) of that Act (22 U.S.C. 2776 (a)(8) and (b)(1)).

(b) All confidential business information provided pursuant to this part shall be protected against disclosure to the extent provided by law.

(c) Nothing in this section shall preclude the furnishing of information to foreign governments for law enforcement or regulatory purposes under international arrangements between the United States and any foreign government.

Subpart A—General Provisions

§ 134.1 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called “the Act” in this part), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called “adversary adjudications”) before the Department of State. An eligible party may receive an award when it prevails over the Department of State, unless the Department of State’s position in the proceeding was substantially justified or special circumstances make an award unjust. The rules in this part describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Department will observe to make them.

§ 134.2 When the Act applies.

The Act applies to any adversary adjudication pending before the Department of State at any time between October 1, 1981 and September 30, 1984. This includes proceedings begun before October 1, 1981 if final agency action has not been taken before that date, and proceedings pending on September 30, 1984, regardless of when they were

initiated or when final agency action occurs.

§ 134.3 Proceedings covered.

(a) The Act applies to adversary adjudications conducted by the Department of State. These are adjudications under 5 U.S.C. 554 in which the position of the Department of State is presented by an attorney or other representative who enters an appearance and participates in the proceeding. For the Department of State, the type of proceeding covered are proceedings relative to controlling export of defense articles through administrative sanctions pursuant to 22 U.S.C. 2778 and 50 U.S.C. App. 2410 (c)(2)(B).

(b) The Department of State may also designate a proceeding not listed in paragraph (a) of this section as an adversary adjudication for purposes of the Act by so stating in an order initiating the proceeding or designating the matter for hearing. The failure to designate a proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by the Act; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes matters covered by the Act and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

§ 134.4 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under the Act, the applicant must be a party to the adversary adjudication for which it seeks an award. The term “party” is defined in 5 U.S.C. 551(3). The applicant must show by clear and convincing evidence that it meets all conditions of eligibility set out in this subpart and in subpart B and must submit additional information to verify its eligibility upon order by the adjudicative officer.

(b) The types of eligible applicants are as follows:

- (1) An individual with a net worth of not more than \$1 million;
- (2) The sole owner of an unincorporated business who has a net worth of not more than \$5 million, including

§ 134.5

both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)) with not more than 500 employees; and

(5) Any other partnership, corporation, association, or public or private organization with a net worth of not more than \$5 million and not more than 500 employees.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the proceeding was initiated.

(d) An applicant who owns an unincorporated business will be considered as an “individual” rather than a “sole owner of an unincorporated business” if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(e) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant’s direction and control. Part-time employees shall be included on a proportional basis.

(f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

22 CFR Ch. I (4–1–97 Edition)

(g) An applicant that participates in a proceeding primarily on behalf of one or more other persons or entities that would be ineligible is not itself eligible for an award.

§ 134.5 Standard for awards.

(a) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the agency over which the applicant has prevailed was substantially justified. The burden of proof that an award should not be made to an eligible prevailing applicant is on the Department of State which may avoid an award by showing that its position was reasonable in law and fact.

(b) An award will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

§ 134.6 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses, even if the services were made available without charge or at a reduced rate to the applicant.

(b) No award for the fee of an attorney or agent under these rules may exceed \$75.00 per hour. No award to compensate an expert witness may exceed the highest rate at which the Department of State pays expert witnesses, which is generally \$50.00 per hour. However, an award may also include the reasonable expenses of the attorney, agent or witness as a separate item, if the attorney, agent or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or, if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the

Department of State

§ 134.11

attorney, agent or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) the time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of applicant's case.

§ 134.7 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Department of State may adopt regulations providing that attorney fees may be awarded at a rate higher than \$75 per hour in some or all of the types of proceedings covered by this part. The Department of State will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act.

(b) Any person may request the Department of State to initiate a rulemaking proceeding to increase the maximum rate for attorney fees. The request should identify the rate the person believes the Department of State should establish and the types of proceedings in which the rate should be used. It should also explain fully the reasons why the higher rate is warranted. The Department of State will respond to the request within 60 days after it is filed, by determining to initiate a rulemaking proceeding, denying the request, or taking other appropriate action.

§ 134.8 Official authorized to take final action under the Act.

The Department of State official who renders the final agency decision in a covered proceeding is authorized to take final action on matters pertaining

to the Equal Access to Justice Act as applied to the proceeding.

Subpart B—Information Required From Applicants

§ 134.11 Contents of application.

(a) An application for an award of fees and expenses under the Act shall identify the applicant and the proceeding for which an award is sought. The application shall show that the applicant has prevailed and identify the position of the Department of State in the proceeding that the applicant alleges was not substantially justified. Unless the applicant is an individual, the application shall also state the number of employees of the applicant and describe briefly the type and purpose of its organization or business.

(b) The application shall also include a statement that the applicant's net worth does not exceed \$1 million (if an individual) or \$5 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states on the application that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application may also include any other matters that the applicant wishes the Department of State to consider in determining whether and in what amount an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It shall also contain or be accompanied by a written verification under oath or under penalty of perjury that the information provided in the application is true and correct.

§ 134.12 Net worth exhibit.

(a) Each applicant except a qualified tax-exempt organization or cooperative association must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in §960.4(f)) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in his part. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information", accompanied by a motion to withhold the information from public disclosure. The motion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 551(b) (1)–(9), why public disclosure of the information would adversely affect the applicant, and why disclosure is not required in the public interest. The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the Department of State established procedures under the Freedom of Information Act, part 6 of this title.

§ 134.13 Documentation of fees and expenses.

The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test project or similar matter, for which an award is sought. A separate itemized statement shall be submitted for each professional firm or individual whose services are covered by the application, showing the hours spent in connection with the proceeding by each individual, a description of the specific services performed, the rate at which each fee has been computed, any expenses for which reimbursement is sought, the total amount claimed, and the total amount paid or payable by the applicant or by any other person or entity for the services provided. The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any expenses claimed.

§ 134.14 When application may be filed.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after the Department of State's final disposition of the proceeding.

(b) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy.

(c) For purposes of this rule, final disposition means the later of (1) the date on which an initial decision or other recommended disposition of the merits of the proceeding by an adjudicative officer or intermediate review board becomes administratively final; (2) issuance of an order disposing of any petitions for reconsideration of the Department of State's final order in the proceeding; (3) if no petition for reconsideration is filed, the last date on which such a petition could have been filed; or (4) issuance of a final order or any other final resolution of a proceeding, such as a settlement or voluntary

dismissal, which is not subject to a petition for reconsideration or to a petition for judicial review; or (5) completion of judicial action on the underlying controversy and any subsequent Department of State action pursuant to judicial mandate.

Subpart C—Procedures for Considering Applications

§ 134.21 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding, except as provided in § 134.12(b) for confidential financial information.

§ 134.22 Answer to application.

(a) Within 30 days after service of an application, counsel representing the Department of State may file an answer to the application. Unless the Department of State counsel requests an extension of time for filing or files a statement of intent to negotiate under paragraph (b) of this section, failure to file an answer within the 30 day period may be treated as a consent to the award requested.

(b) If the Department of State counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of their intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by Department of State counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of the Department of State position. If the answer is based on any alleged facts not already in the record of the proceeding the Department of State shall include with the answer either supporting affidavits or a request for further proceedings under § 134.26.

§ 134.23 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 134.26.

§ 134.24 Comments by other parties.

Any party to a proceeding other than the applicant and Department of State may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application unless the adjudicative officer determines that the public interest requires such participation in order to permit full exploration of matters raised in the comment.

§ 134.25 Settlement.

The applicant and the Department of State may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded. If a prevailing party and Department of State counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 134.26 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or Department of State counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions, or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible.

(b) A request that the adjudicative officer order further proceedings under this section shall specifically identify

§ 134.27

the information sought or the disputed issues and shall explain why the additional proceedings are necessary to resolve the issues.

§ 134.27 Decision.

The adjudicative officer shall issue an initial decision on the application as promptly as possible after completion of proceedings on the application. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. The decision shall also include, if at issue, findings on whether the Department of State position was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against the Department of State and another agency, the decision shall allocate responsibility for payment of any award made between the Department of State and the other agency, and shall explain the reasons for the allocation made.

§ 134.28 Further Department of State review.

Either the applicant or Department of State counsel may seek review of the initial decision. If neither the applicant nor the Department of State counsel seeks review, the initial decision shall become a final decision of the Department of State 30 days after it is issued. If review is taken the Judicial Officer will issue a final decision on the application or remand the application to the adjudicative officer for further proceedings.

§ 134.29 Judicial review.

Judicial review of final Department of State decisions on awards as may be sought as provided in 5 U.S.C. 504(c)(2).

§ 134.30 Payment of award.

An applicant seeking payment of an award shall submit to the Comptroller or other disbursing official of the Department of State a copy of the final decision granting the award accompanied by a statement that the applicant will not seek review of the deci-

22 CFR Ch. I (4–1–97 Edition)

sion in the United States courts. Requests for payment should be sent to: Executive Director, Office of the Comptroller, Room 1328, Department of State, 2201 C Street, NW., Washington, DC 20520. The Department of State will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

Subpart A—General

§ 135.1 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 135.2 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 135.3 Definitions.

As used in this part:

Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) Goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income means the sum of: (1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers, and (2) amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

Acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary appa-

ratus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee's regular accounting practices.

Administrative requirements mean those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from "programmatic" requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency means (1) with respect to a grant, the Federal agency, and (2) with respect to a subgrant, the party that awarded the subgrant.

Cash contributions means the grantee's cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract means (except as used in the definitions for "grant" and "subgrant" in this section and except where qualified by "Federal") a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing or matching means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. A grantee may use its own definition of equipment provided that

such definition would at least include all equipment defined above.

Expenditure report means: (1) For non-construction grants, the SF-269 “Financial Status Report” (or other equivalent report); (2) for construction grants, the SF-271 “Outlay Report and Request for Reimbursement” (or other equivalent report).

Federally recognized Indian tribal government means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government means a State or local government or a federally recognized Indian tribal government.

Grant means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB means the United States Office of Management and Budget.

Outlays (expenditures) mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

Prior approval means documentation evidencing consent prior to incurring specific cost.

Real property means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under United States Housing Act of 1937.

Subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of "grant" in this part.

Subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies means all tangible personal property other than "equipment" as defined in this part.

Suspension means depending on the context, either (1) temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. "Termination" does not include: (1) Withdrawal of funds awarded on the basis of the grantee's underestimate of the unobligated balance in a prior period; (2) Withdrawal of the unobligated balance as of the expiration of a grant; (3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or

supplemental award; or (4) voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis mean the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§ 135.4 Applicability.

Subpart B—Pre-Award Requirements

§ 135.10 Forms for applying for grants.

Department of State

§ 135.12

applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.

(b) *Authorized forms and instructions for governmental organizations.* (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980.

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF-424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 135.11 State plans.

(a) *Scope.* The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372, "Intergovernmental Review of Federal Programs," States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) *Requirements.* A State need meet only Federal administrative or pro-

grammatic requirements for a plan that are in statutes or codified regulations.

(c) *Assurances.* In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions,

(2) Repeat the assurance language in the statutes or regulations, or

(3) Develop its own language to the extent permitted by law.

(d) *Amendments.* A State will amend a plan whenever necessary to reflect:

(1) New or revised Federal statutes or regulations or;

(2) A material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 135.12 Special grant or subgrant conditions for "high-risk" grantees.

(a) A grantee or subgrantee may be considered "high risk" if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance, or

(2) Is not financially stable, or

(3) Has a management system which does not meet the management standards set forth in this part, or

(4) Has not conformed to terms and conditions of previous awards, or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

FINANCIAL ADMINISTRATION

§ 135.20 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) *Financial reporting.* Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance

with the financial reporting requirements of the grant or subgrant.

(2) *Accounting records.* Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) *Internal control.* Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) *Budget control.* Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) *Allowable cost.* Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) *Source documentation.* Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) *Cash management.* Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees' cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-

of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.

(c) An awarding agency may review the adequacy of the financial management system of any applicant for financial assistance as part of a preaward review or at any time subsequent to award.

§ 135.21 Payment.

(a) *Scope.* This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) *Basic standard.* Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) *Advances.* Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) *Reimbursement.* Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency's payments to the grantee or subgrantee will be based on the grantee's or subgrantee's actual rate of disbursement.

(e) *Working capital advances.* If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reim-

bursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee's disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee's actual cash disbursements.

(f) *Effect of program income, refunds, and audit recoveries on payment.* (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) *Withholding payments.* (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with § 135.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or

subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) *Cash depositories.* (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) *Interest earned on advances.* Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to \$100 per year for administrative expenses.

§ 135.22 Allowable costs.

(a) *Limitation on use of funds.* Grant funds may be used only for:

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) *Applicable cost principles.* For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

For the costs of a—	Use the principles in—

OMB Circular A–21. 48 CFR Part 31, Contract Cost Principles and Procedures, or uniform cost accounting standards that comply with cost principles acceptable to the Federal agency.

§ 135.23 Period of availability of funds.

(a) *General.* Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) *Liquidation of obligations.* A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF–269). The Federal agency may extend this deadline at the request of the grantee.

§ 135.24 Matching or cost sharing.

(a) *Basic rule: Costs and contributions acceptable.* With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by others cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) *Qualifications and exceptions—(1) Costs borne by other Federal grant agreements.* Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs

borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) *General revenue sharing.* For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) *Cost or contributions counted towards other Federal costs-sharing requirements.* Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) *Costs financed by program income.* Costs financed by program income, as defined in §135.25, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §135.25(g).)

(5) *Services or property financed by income earned by contractors.* Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) *Records.* Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) *Special standards for third party in-kind contributions.* (i) Third party in-

kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) *Valuation of donated services—(1) Volunteer services.* Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee's or subgrantee's organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) *Employees of other organizations.* When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee's normal line of work, the services will be valued

at the employee's regular rate of pay exclusive of the employee's fringe benefits and overhead costs. If the services are in a different line of work, paragraph (c)(1) of this section applies.

(d) *Valuation of third party donated supplies and loaned equipment or space.*

(1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) *Valuation of third party donated equipment, buildings, and land.* If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) *Awards for capital expenditures.* If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) *Other awards.* If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2)(i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching. In the case of a subgrant, the terms of the grant agreement may require that the approval be obtained from the Federal agency as well as the grantee. In all cases, the approval may be given only if a purchase of the equipment or rental of the land would be approved as an allowable direct cost. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost-sharing or matching.

(ii) If approval is not obtained under paragraph (e)(2)(i) of this section, no amount may be counted for donated land, and only depreciation or use allowances may be counted for donated

equipment and buildings. The depreciation or use allowances for this property are not treated as third party in-kind contributions. Instead, they are treated as costs incurred by the grantee or subgrantee. They are computed and allocated (usually as indirect costs) in accordance with the cost principles specified in § 135.22, in the same way as depreciation or use allowances for purchased equipment and buildings. The amount of depreciation or use allowances for donated equipment and buildings is based on the property's market value at the time it was donated.

(f) *Valuation of grantee or subgrantee donated real property for construction/acquisition.* If a grantee or subgrantee donates real property for a construction or facilities acquisition project, the current market value of that property may be counted as cost sharing or matching. If any part of the donated property was acquired with Federal funds, only the non-federal share of the property may be counted as cost sharing or matching.

(g) *Appraisal of real property.* In some cases under paragraphs (d), (e) and (f) of this section, it will be necessary to establish the market value of land or a building or the fair rental rate of land or of space in a building. In these cases, the Federal agency may require the market value or fair rental value be set by an independent appraiser, and that the value or rate be certified by the grantee. This requirement will also be imposed by the grantee on subgrantees.

§ 135.25 Program income.

(a) *General.* Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

Department of State

§ 135.26

(b) *Definition of program income.* Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. "During the grant period" is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) *Cost of generating program income.* If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) *Governmental revenues.* Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) *Royalties.* Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See § 135.34.)

(f) *Property.* Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§ 135.31 and 135.32.

(g) *Use of program income.* Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) *Deduction.* Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be

used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

(2) *Addition.* When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) *Cost sharing or matching.* When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) *Income after the award period.* There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 135.26 Non-Federal audit.

(a) *Basic rule.* Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act of 1984 (31 U.S.C. 7501-7) and Federal agency implementing regulations. The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial and compliance audits.

(b) *Subgrantees.* State or local governments, as those terms are defined for purposes of the Single Audit Act, that receive Federal financial assistance and provide \$25,000 or more of it in a fiscal year to a subgrantee shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, "Uniform Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Nonprofit Organizations" have met the audit requirement. Commercial contractors (private for-profit

and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A-110, or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee's own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) *Auditor selection.* In arranging for audit services, § 135.36 shall be followed.

CHANGES, PROPERTY, AND SUBAWARDS

§ 135.30 Changes.

(a) *General.* Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) *Relation to cost principles.* The applicable cost principles (see § 135.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) *Budget changes—(1) Nonconstruction projects.* Except as stated in other regulations or an award document, grantees or subgrantees shall obtain

the prior approval of the awarding agency whenever any of the following changes is anticipated under a non-construction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency's share exceeds \$100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) *Construction projects.* Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) *Combined construction and non-construction projects.* When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from non-construction to construction or vice versa.

(d) *Programmatic changes.* Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform

activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of § 135.36 but does not apply to the procurement of equipment, supplies, and general support services.

(e) *Additional prior approval requirements.* The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) *Requesting prior approval.* (1) A request for prior approval of any budget revision will be in the same budget form as the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see § 135.22) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee's approved project which requires Federal prior approval, the grantee will obtain the Federal agency's approval before approving the subgrantee's request.

§ 135.31 Real property.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *Use.* Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purposes, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(c) *Disposition.* When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency.

The instructions will provide for one of the following alternatives:

(1) *Retention of title.* Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency's percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) *Sale of property.* Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency's percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) *Transfer of title.* Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee's percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 135.32 Equipment.

(a) *Title.* Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) *States.* A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) *Use.* (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in § 135.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) *Management requirements.* Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) *Disposition.* When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than \$5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of \$5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency's share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) *Federal equipment.* In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) *Right to transfer title.* The Federal awarding agency may reserve the right

Department of State

§ 135.36

to transfer title to the Federal Government or a third party named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow § 135.32(e).

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

§ 135.33 Supplies.

(a) *Title.* Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) *Disposition.* If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 135.34 Copyrights.

The Federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 135.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension."

§ 135.36 Procurement.

(a) *States.* When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) *Procurement standards.* (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

- (i) The employee, officer or agent,
- (ii) Any member of his immediate family,
- (iii) His or her partner, or
- (iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The

grantee's or subgrantee's officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee's and subgrantee's officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and

conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable, and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and

Department of State

§ 135.36

(ii) Violations of the grantee's or subgrantee's protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) *Competition*. (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of § 135.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,

(vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly

restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) *Methods of procurement to be followed*—(1) *Procurement by small purchase procedures*. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at \$100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) *Procurement by sealed bids* (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in § 135.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.

(3) *Procurement by competitive proposals.* The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;

(ii) Proposals will be solicited from an adequate number of qualified sources;

(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;

(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and

(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) *Procurement by noncompetitive proposals* is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:

(A) The item is available only from a single source;

(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;

(C) The awarding agency authorizes noncompetitive proposals; or

(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for

pre-award review in accordance with paragraph (g) of this section.

(e) *Contracting with small and minority firms, women's business enterprise and labor surplus area firms.* (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:

(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;

(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) *Contract cost and price.* (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders,

unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §135.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) *Awarding agency review.* (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement

documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee's or subgrantee's procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a "brand name" product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency's right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) *Bonding requirements.* For construction or facility improvement con-

tracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) *A bid guarantee from each bidder equivalent to five percent of the bid price.*

The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) *A performance bond on the part of the contractor for 100 percent of the contract price.* A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) *A payment bond on the part of the contractor for 100 percent of the contract price.* A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) *Contract provisions.* A grantee's and subgrantee's contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of \$10,000)

Department of State

§ 135.37

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of \$10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts in excess of \$2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-330) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts awarded by grantees and subgrantees in excess of \$2000, and in excess of \$2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

(11) Retention of all required records for three years after grantees or sub-

grantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of \$100,000).

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).

§ 135.37 Subgrants.

(a) *States.* States shall follow state law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

(3) Ensure that a provision for compliance with § 135.42 is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) *All other grantees.* All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

(1) Ensure that every subgrant includes a provision for compliance with this part;

(2) Ensure that every subgrant includes any clauses required by Federal

statute and executive orders and their implementing regulations; and

(3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) *Exceptions.* By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

(1) Section 135.10;

(2) Section 135.11;

(3) The letter-of-credit procedures specified in Treasury Regulations at 31 CFR part 205, cited in § 135.21; and

(4) Section 135.50.

REPORTS, RECORDS, RETENTION, AND
ENFORCEMENT

§ 135.40 Monitoring and reporting program performance.

(a) *Monitoring by grantees.* Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) *Nonconstruction performance reports.* The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may ex-

tend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) *Construction performance reports.* For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) *Significant developments.* Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

Department of State

§ 135.41

(e) Federal agencies may make site visits as warranted by program needs.

(f) *Waivers, extensions.* (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 135.41 Financial reporting.

(a) *General.* (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies, or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decisionmaking purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) *Financial Status Report*—(1) *Form.* Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with § 135.41(e)(2)(iii) of this section.

(2) *Accounting basis.* Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee's accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) *Frequency.* The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) *Due date.* When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) *Federal Cash Transactions Report*—(1) *Form.* (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for

each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) *Forecasts of Federal cash requirements.* Forecasts of Federal cash requirements may be required in the “Remarks” section of the report.

(3) *Cash in hands of subgrantees.* When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days’ needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) *Frequency and due date.* Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) *Request for advance or reimbursement—*(1) *Advance payments.* Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when Treasury check advance payments are made to the grantee automatically on a predetermined basis.)

(2) *Reimbursements.* Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. (For reimbursement requests under construction grants, see paragraph (e)(1) of this section.)

(3) The frequency for submitting payment requests is treated in § 135.41(b)(3).

(e) *Outlay report and request for reimbursement for construction programs—*(1) *Grants that support construction activities paid by reimbursement method.* (i) Requesters for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report

and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in § 135.41(d), instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in § 135.41(b)(3).

(2) *Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance.* (i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency will provide any necessary special instruction. However, frequency and due date shall be governed by § 135.41(b)(3) and (4).

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in § 135.41(d).

(iii) The Federal agency may substitute the Financial Status Report specified in § 135.41(b) for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) *Accounting basis.* The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by § 135.41(b)(2).

§ 135.42 Retention and access requirements for records.

(a) *Applicability.* (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement, or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see § 135.36(i)(10).

(b) *Length of retention period.* (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) *Starting date of retention period*—(1) *General.* When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year's records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) *Real property and equipment records.* The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) *Records for income transactions after grant or subgrant support.* In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records per-

taining to the earning of the income starts from the end of the grantee's fiscal year in which the income is earned.

(4) *Indirect cost rate proposals, cost allocations plans, etc.* This paragraph applies to the following types of documents, and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(i) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) *Substitution of microfilm.* Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) *Access to records*—(1) *Records of grantees and subgrantees.* The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) *Expiration of right of access.* The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) *Restrictions on public access.* The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records Unless required by Federal, State, or local law, grantees and subgrantees are

not required to permit public access to their records.

§ 135.43 Enforcement.

(a) *Remedies for noncompliance.* If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency,

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance,

(3) Wholly or partly suspend or terminate the current award for the grantee's or subgrantee's program,

(4) Withhold further awards for the program, or

(5) Take other remedies that may be legally available.

(b) *Hearings, appeals.* In taking an enforcement action, the awarding agency will provide the grantee or subgrantee an opportunity for such hearing, appeal, or other administrative proceeding to which the grantee or subgrantee is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of grantee or subgrantee resulting from obligations incurred by the grantee or subgrantee during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other grantee or subgrantee costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the grantee or subgrantee before the effective date of suspension or termination, are not in anticipation of it, and, in the case of a termination, are noncancellable, and,

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude grantee or subgrantee from being subject to "Debarment and Suspension" under E.O. 12549 (see § 135.35).

§ 135.44 Termination for convenience.

Except as provided in § 135.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either § 135.43 or paragraph (a) of this section.

Subpart D—After-The-Grant Requirements

§ 135.50 Closeout.

(a) *General.* The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) *Reports.* Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe. These may include but are not limited to:

(1) Final performance or progress report.

Department of State

§ 136.3

(2) Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF-271) (as applicable).

(3) Final request for payment (SF-270) (if applicable).

(4) Invention disclosure (if applicable).

(5) Federally-owned property report. In accordance with § 135.32(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) *Cost adjustment.* The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) *Cash adjustments.* (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 135.51 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency's right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee's obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in § 135.42;

(d) Property management requirements in §§ 135.31 and 135.32; and

(e) Audit requirements in § 135.26.

§ 135.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the grantee, or

(3) Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

For purposes of determining “minimal value,” all constituent parts of components of an audio or visual system, automobile, boat, computer system, or other integrated machine, system or item of equipment must be valued as a single item even if acquired separately, except that spare or superseded parts (e.g., an old set of tires that has been replaced on vehicle) may be valued as separate items.

(i) *Personal property* means any item of personal property, including automobiles, computers, boats, audio and video equipment and any other items acquired for personal use, except that items properly determined to be of “minimal value” shall not be subject to limitations on disposition except for purposes of § 136.4(d) or as prescribed in policies, rules or procedures issued by a chief of mission.

(b) An employee or family member shall not retain any profit from the sale, assignment or other disposition within a foreign country of personal property that was imported into or purchased in that foreign country and that, by virtue of the official status of the employee, was exempt from import restrictions, customs duties, or taxes which would otherwise apply, when such sale, assignment or other disposition is made to persons not entitled to exemptions from import restrictions, duties, or taxes. An employee or family member shall not profit from an indirect disposition to persons not entitled to such exemptions, such as sale through a third country diplomat acting as a middleman, where the employee or family member knows or should know that the property is being acquired by the third party for resale to persons not entitled to exemptions, except that this restriction shall not apply to sales of personal property to official agencies of the foreign country in accordance with the laws or regulations of that country.

(c) Profits obtained from dispositions of personal property by an employee or family member that cannot be retained under paragraph (b) of this section including any interest earned by the employee or family member on such profits, shall be disposed of within 90 days of receipt by contribution or gift as defined in section 170(c) of the Internal Revenue Code or by other similar contribution or gift to a bona fide charitable foreign entity as designated by

Employees shall be responsible for ensuring compliance with these regulations by family members.

(g) For purposes of computing profits on personal property dispositions subject to these regulations, where acquisition and disposition of the property were transacted in different currencies, proceeds received and costs incurred in a foreign currency shall be valued in United States dollars at the time of receipt or payment at the rate of exchange that was in effect for reverse accommodation exchanges at U.S. missions at the time of such receipt or payment. Where property was acquired and sold in the same currency, no conversion is required.

§ 136.5 Chief of mission policies, rules or procedures.

(a) Each chief of mission shall establish a procedure under which employees may request approval for the sale of personal property and for conversion of proceeds of such sale from local currency into U.S. dollars, if applicable. This procedure may be modified to meet local conditions, but must

produce a documentary record to be held by the post of the following:

Policies, rules and procedures issued by the chief of mission shall be consistent with the general restrictions set forth in § 136.4 and may include at least the following:

(1) Identification of categories of dispositions (e.g., sales of minimal value items) that may be made without prior written approval;

(2) Identification of categories of individuals or entities to whom sales of personal property can be made without restrictions on profits (e.g., other employees, third country diplomats), individuals or entities to whom sales can be made but profits not retained, and individuals or entities to whom sales may not be made;

(3) Requirements to report the total estimated and actual proceeds for all minimal value items, even if such

items are otherwise exempted from limitations on profits of sale;

(4) Categories of items of personal property excluded from restrictions on disposition because generally exempt from taxation and import duties under local law;

(c) All policies, rules, and procedures that are issued by the chief of mission pursuant to paragraphs (a) and (b) of this section shall be announced by notice circulated to all affected mission employees and copies of all such policies, rules and procedures shall be made readily accessible to all affected employees and family members.

(d) Violations of restrictions or requirements established by a chief of mission in policies, rules, or procedures issued by a chief of mission pursuant to paragraphs (a) and (b) of this section

Department of State

§ 137.100

shall be grounds for disciplinary actions against the employee in accordance with the employing agency's procedures and regulations. Employees shall ensure compliance by family members with policies, rules or procedures issued by the chief of mission.

§ 136.6 Contractors.

To the extent that contractors enjoy importation or tax privileges in a foreign country because of their contractual relationship to the United States Government, contracting agencies shall include provisions in their contracts that require the contractors to observe the requirements of these regulations and all policies, rules, and procedures issued by the chief of mission in that foreign country.

§ 137.100 Purpose.

(a) Executive Order (E.O.) 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for nonprocurement debarment and suspension. A person who is debarred or suspended shall be excluded

from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency shall have governmentwide effect.

(b) These regulations implement section 3 of E.O. 12549 and the guidelines promulgated by the Office of Management and Budget under section 6 of the E.O. by:

(1) Prescribing the programs and activities that are covered by the governmentwide system;

(2) Prescribing the governmentwide criteria and governmentwide minimum due process procedures that each agency shall use;

(3) Providing for the listing of debarred and suspended participants, participants declared ineligible (see definition of “ineligible” in §137.105), and participants who have voluntarily excluded themselves from participation in covered transactions;

(4) Setting forth the consequences of a debarment, suspension, determination of ineligibility, or voluntary exclusion; and

§ 137.105 Definitions.

The following definitions apply to this part:

Adequate evidence. Information sufficient to support the reasonable belief that a particular act or omission has occurred.

Affiliate. Persons are affiliates of each other if, directly or indirectly, either one controls or has the power to control the other, *or*, a third person controls or has the power to control both. § 137.110 Coverage.

(a) These regulations apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of these regulations such transactions will be referred to as “covered transactions.”

(1) *Covered transaction.* For purposes of these regulations, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) *Primary covered transaction.* Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency’s regulations governing debarment and suspension.

(ii) *Lower tier covered transaction.* A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a pro-

curement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently \$25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(2) *Exceptions.* The following transactions are not covered:

(i) Statutory entitlements or mandatory awards (but not subtler awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) *Relationship to other sections.* This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, “Effect of Action,” § 137.200, “Debarment or suspension,”

sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in § 137.110(a). Sections 137.325, "Scope of debarment," and 137.420, "Scope of suspension," govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) *Relationship to Federal procurement activities.* In accordance with E.O. 12689 and section 2455 of Public Law 103-355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Similarly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

[53 FR 19178 and 19204, May 26, 1988, as amended at 60 FR 33041, 33045, June 26, 1995]

§ 137.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government's protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one

agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§ 137.200 Debarment or suspension.

(a) *Primary covered transactions.* Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to § 137.215.

(b) *Lower tier covered transactions.* Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see § 137.110(a)(1)(ii)) for the period of their exclusion.

(c) *Exceptions.* Debarment or suspension does not affect a person's eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

(4) Federal employment;

§ 137.205

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

[60 FR 33041, 33045, June 26, 1995]

§ 137.205 Ineligible persons.

Persons who are ineligible, as defined in § 137.105(i), are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 137.210 Voluntary exclusion.

Persons who accept voluntary exclusions under § 137.315 are excluded in accordance with the terms of their settlements. Department shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 137.215 Exception provision.

The International Development Cooperation Agency may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 137.200. However, in accordance with the President's stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with § 137.505(a).

[60 FR 33041, 33045, June 26, 1995]

§ 137.220 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily ex-

22 CFR Ch. I (4–1–97 Edition)

cluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in § 137.215.

[60 FR 33041, 33045, June 26, 1995]

§ 137.225 Failure to adhere to restrictions.

(a) Except as permitted under § 137.215 or § 137.220, a participant shall not knowingly do business under a covered transaction with a person who is—

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

Subpart C—Debarment

§ 137.300 General.

The debarring official may debar a person for any of the causes in § 137.305, using procedures established in §§ 137.310 through 137.314. The existence of a cause for debarment, however, does not necessarily require that the person

Department of State

§ 137.312

be debarred; the seriousness of the person's acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 137.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§ 137.300 through 137.314 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State anti-trust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4;

(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in § 137.215 or § 137.220;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor's legal and administrative remedies have been exhausted;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 137.315 or of any settlement of a debarment or suspension action; or

(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in § 137.615 of this part.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

[53 FR 19178 and 19204, May 26, 1988, as amended at 54 FR 4954, Jan. 31, 1989]

§ 137.310 Procedures.

Department shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 137.311 through 137.314.

§ 137.311 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 137.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under § 137.305 for proposing debarment;

(d) Of the provisions of §§137.311 through 137.314, and any other Department procedures, if applicable, governing debarment decisionmaking; and

(e) Of the potential effect of a debarment.

§ 137.313 Opportunity to contest proposed debarment.

(a) *Submission in opposition.* Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) *Additional proceedings as to disputed material facts.* (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 137.314 Debarring official's decision.

(a) *No additional proceedings necessary.* In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) *Additional proceedings necessary.* (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submit-

ted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(3) The debarring official's decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c) (1) *Standard of proof.* In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) *Burden of proof.* The burden of proof is on the agency proposing debarment.

(d) *Notice of debarring official's decision.* (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

(i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in §137.215.

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

§ 137.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, Department may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§ 137.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see § 137.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§ 137.311 through 137.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination of other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

[53 FR 19178 and 19204, May 26, 1988, as amended at 54 FR 4954, Jan. 31, 1989]

§ 137.325 Scope of debarment.

(a) *Scope in general.* (1) Debarment of a person under these regulations constitutes debarment of all its divisions

and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 137.311 through 137.314).

(b) *Imputing conduct.* For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) *Conduct imputed to participant.* The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual's performance of duties for or on behalf of the participant, or with the participant's knowledge, approval, or acquiescence. The participant's acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) *Conduct imputed to individuals associated with participant.* The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.

(3) *Conduct of one participant imputed to other participants in a joint venture.* The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance

of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

Subpart D—Suspension

§ 137.400 General.

(a) The suspending official may suspend a person for any of the causes in § 137.405 using procedures established in §§ 137.410 through 137.413.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 137.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 137.405. Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§ 137.400 through 137.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 137.305(a); or

(2) That a cause for debarment under § 137.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 137.410 Procedures.

(a) *Investigation and referral.* Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) *Decisionmaking process.* Department shall process suspension actions as informally as practicable, consistent with principles of fundamental fair-

ness, using the procedures in §§ 137.411 through 137.413.

§ 137.411 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government's evidence;

(d) Of the cause(s) relied upon under § 137.405 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §§ 137.411 through 137.413 and any other Department procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§ 137.412 Opportunity to contest suspension.

(a) *Submission in opposition.* Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) *Additional proceedings as to disputed material facts.* (1) If the suspending official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment, or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on

the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 137.413 Suspending official's decision.

The suspending official may modify or terminate the suspension (for example, see § 137.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) *No additional proceedings necessary.* In actions: based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) *Additional proceedings necessary.* (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) *Notice of suspending official's decision.* Prompt written notice of the suspending official's decision shall be sent to the respondent.

§ 137.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 137.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see § 137.325), except that the procedures of §§ 137.410 through 137.413 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Agency and Participants

§ 137.500 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and these regulations, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references

when more than one name is involved in a single action;

- (2) The type of action;
- (3) The cause for the action;
- (4) The scope of the action;
- (5) Any termination date for each listing; and
- (6) The agency and name and telephone number of the agency point of contact for the action.

§ 137.505 Department responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which Department has granted exceptions under § 137.215 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in § 137.500(b) and of the exceptions granted under § 137.215 within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (Tel. #).

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 137.510 Participants' responsibilities.

(a) *Certification by participants in primary covered transactions.* Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except

that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals (Tel. #). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) *Certification by participants in lower tier covered transactions.* (1) Each participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants (Tel. #).

(c) *Changed circumstances regarding certification.* A participant shall provide immediate written notice to Department if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposals.

Subpart F—Drug-Free Workplace Requirements (Grants)

SOURCE: 55 FR 21688, 21693, May 25, 1990, unless otherwise noted.

§ 137.600 Purpose.

(a) The purpose of this subpart is to carry out the Drug-Free Workplace Act of 1988 by requiring that—

(1) A grantee, other than an individual, shall certify to the agency that it will provide a drug-free workplace;

(2) A grantee who is an individual shall certify to the agency that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance in conducting any activity with the grant.

(b) Requirements implementing the Drug-Free Workplace Act of 1988 for contractors with the agency are found at 48 CFR subparts 9.4, 23.5, and 52.2.

§ 137.605 Definitions.

(a) Except as amended in this section, the definitions of § 137.105 apply to this subpart.

(b) For purposes of this subpart—

(1) *Controlled substance* means a controlled substance in schedules I through V of the Controlled Substances Act (21 U.S.C. 812), and as further defined by regulation at 21 CFR 1308.11 through 1308.15;

(2) *Conviction* means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

(3) *Criminal drug statute* means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

(4) *Drug-free workplace* means a site for the performance of work done in connection with a specific grant at which employees of the grantee are prohibited from engaging in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance;

(5) *Employee* means the employee of a grantee directly engaged in the performance of work under the grant, including:

(i) All *direct charge* employees;

(ii) All *indirect charge* employees, unless their impact or involvement is in-

significant to the performance of the grant; and,

(iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll.

This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces);

(6) *Federal agency* or *agency* means any United States executive department, military department, government corporation, government controlled corporation, any other establishment in the executive branch (including the Executive Office of the President), or any independent regulatory agency;

(7) *Grant* means an award of financial assistance, including a cooperative agreement, in the form of money, or property in lieu of money, by a Federal agency directly to a grantee. The term grant includes block grant and entitlement grant programs, whether or not exempted from coverage under the grants management government-wide common rule on uniform administrative requirements for grants and cooperative agreements. The term does not include technical assistance that provides services instead of money, or other assistance in the form of loans, loan guarantees, interest subsidies, insurance, or direct appropriations; or any veterans' benefits to individuals, i.e., any benefit to veterans, their families, or survivors by virtue of the service of a veteran in the Armed Forces of the United States;

(8) *Grantee* means a person who applies for or receives a grant directly from a Federal agency (except another Federal agency);

(9) *Individual* means a natural person;

(10) *State* means any of the States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency of a State, exclusive of institutions of higher education, hospitals, and units of

local government. A State instrumentality will be considered part of the State government if it has a written determination from a State government that such State considers the instrumentality to be an agency of the State government.

§ 137.610 Coverage.

(a) This subpart applies to any grantee of the agency.

(b) This subpart applies to any grant, except where application of this subpart would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government. A determination of such inconsistency may be made only by the agency head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§ 137.615 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

(a) The grantee has made a false certification under § 137.630;

(b) With respect to a grantee other than an individual—

(1) The grantee has violated the certification by failing to carry out the requirements of paragraphs (A)(a)–(g) and/or (B) of the certification (Alternate I to Appendix C) or

(2) Such a number of employees of the grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the grantee has failed to make a good faith effort to provide a drug-free workplace.

(c) With respect to a grantee who is an individual—

(1) The grantee has violated the certification by failing to carry out its requirements (Alternate II to Appendix C); or

(2) The grantee is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity.

§ 137.620 Effect of violation.

(a) In the event of a violation of this subpart as provided in § 137.615, and in accordance with applicable law, the grantee shall be subject to one or more of the following actions:

(1) Suspension of payments under the grant;

(2) Suspension or termination of the grant; and

(3) Suspension or debarment of the grantee under the provisions of this part.

(b) Upon issuance of any final decision under this part requiring debarment of a grantee, the debarred grantee shall be ineligible for award of any grant from any Federal agency for a period specified in the decision, not to exceed five years (*see* § 137.320(a)(2) of this part).

§ 137.625 Exception provision.

The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

§ 137.630 Certification requirements and procedures.

(a)(1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in appendix C to this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of

such a grant made on or after March 18, 1989.

(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor's office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.

(e)(1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by a date prior to the date on which performance is expected to be completed.

(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.

(3) Where extraordinary circumstances warrant for a specific grant, the grant officer may determine a different date on which the policy statement and program shall be in place.

§ 137.635 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee's position title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notifications. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

(2) Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted.

(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall

report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

APPENDIX A TO PART 137—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the

department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Department of State

The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. APPENDIX C TO PART 137—CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

Instructions for Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in

each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All *direct charge* employees; (ii) All *indirect charge* employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about—

(1) The dangers of drug abuse in the workplace;

Department of State

Pt. 137, App. C

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will—

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check ☐ if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

Subpart A—General

§ 138.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certification, set forth in appendix A, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

§ 138.105 Definitions.

For purposes of this part:

(a) *Agency*, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

- (3) The making of any Federal loan;
- (4) The entering into of any cooperative agreement; and,
- (5) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) *Federal contract* means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) *Federal cooperative agreement* means a cooperative agreement entered into by an agency.

appropriation made by law to any person. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, loan insurance, interest subsidies, insurance, or direct United States cash assistance to an individual.

(f) *Federal loan* means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) *Indian tribe* and *tribal organization* have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

(l) *Person* means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) *Reasonable compensation* means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) *Reasonable payment* means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) *Recipient* includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(p) *Regularly employed* means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as

soon as he or she is employed by such person for 130 working days.

(q) *State* means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

§ 138.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to

influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

(1) A subcontract exceeding \$100,000 at any tier under a Federal contract;

(2) A subgrant, contract, or subcontract exceeding \$100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement,

Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

Department of State

§ 138.205

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 138.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 138.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public

Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 138.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 138.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of

his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 138.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 138.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 138.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 138.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services ren-

dered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

Department of State

§ 138.600

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 138.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the

United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 138.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 138.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 138.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 138.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 138.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the

President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

SOURCE: 30 FR 314, Jan. 9, 1965, unless otherwise noted.

§ 141.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the "Act") to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of State.

§ 141.2 Application of this part.

This part applies to any program for which Federal financial assistance, as defined in this part, is authorized under a law administered by the Department including, but not limited to, the federally-assisted programs and activities listed in appendix A of this part. It applies to Federal financial assistance of any form, including property which may be acquired as a result of and in connection with such assistance, extended under any such program

after the effective date of this regulation, even if the application is approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance of guaranty contracts; (b) money paid, property transferred, or other assistance extended under any such program before the effective date of this regulation; (c) any assistance to any individual who is the ultimate beneficiary under any such program; or (d) any employment practice, under any such program, of any employer, employment agency, or labor organization, except to the extent described in § 141.3 (d), or (e) any assistance to an activity carried on outside the United States by a person, institution, or other entity not located in the United States. The fact that a program or activity is not listed in appendix A of this part shall not mean, if title VI of the Act is otherwise applicable, that such program is not covered. Transfers of surplus property in the United States are subject to regulations issued by the Administrator of General Services (41 CFR 101-6.2).

[38 FR 17945, July 5, 1973]

§ 141.3 Discrimination prohibited.

(a) *General.* No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

(b) *Specific discriminatory actions prohibited.* (1) A recipient under any program to which this part applies may not, directly or through contractual or other arrangements on ground of race, color or national origin:

(i) Deny an individual any service, financial aid, or other benefits provided under the program;

(ii) Provide any service, financial aid, or other benefits to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(vi) Deny an individual an opportunity to participate in the program through the provision of services or otherwise afford him an opportunity to do so which is different from that afforded others under the program, including the opportunity to participate in the program as an employee in accordance with paragraph (d) of this section.

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the location or site of any facilities, or services, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration or select locations or sites for any facilities or services, which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respect individuals of a particular race, color, or national origin.

(3) As used in this section the services, financial aid, or other benefits

provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(4) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(5)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

(c) *Special programs.* An individual shall not be deemed subjected to discrimination by reason of his exclusion from the benefits of a program limited by Federal law to individuals of a particular race, color, or national origin different from his.

(d) *Employment practices.* (1) Where a primary objective of the Federal financial assistance to a program to which this part applies is to provide employment, a recipient may not (directly or through contractual or other arrangements) subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities), including programs where a primary objective of the Federal financial assistance is: (i) To reduce the unemployment of such individuals or to help them through employment to meet subsistence needs; (ii) to assist such individuals through employment to meet expenses incident to the commencement or continuation of their education or training; (iii) to provide work experience which contributes to the education or training of such individuals;

or (iv) to provide remunerative activity to such individuals who because of severe handicaps cannot be readily absorbed in the competitive labor market.

(2) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the grounds of race, color, or national origin in the employment practices of the recipient or other persons subject to the regulation tends, on the grounds of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this regulation applies, the provisions of paragraph (d)(1) of this section shall apply to the employment practices of the recipient or other persons subject to the regulation, to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries.

[30 FR 314, Jan. 9, 1965, as amended at 38 FR 17946, July 5, 1973]

§ 141.4 Assurances required.

(a) *General.* (1) Every application for Federal financial assistance to carry out a program to which this part applies, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, shall contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. The assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application.

(2) In any case where the Federal assistance is to provide, or is in the form of personal property, or real property or structures or any interest therein, or such property is acquired as a result of and in connection with such assistance, the assurance shall obligate the recipient, or, in case of subsequent transfers, the transferees, for the period during which the property is used for a purpose for which the Federal assistance was, or is extended, or for another purpose involving the provision of similar services and benefits, or for as long as the recipient retains owner-

ship or possession of the property, whichever is longer. Any assurance relating to property provided under or acquired as a result of or in connection with such assistance shall as appropriate require any instrument effecting or recording transfer, title or other evidence of ownership or right to possession, to include a covenant or condition assuring nondiscrimination for the period of obligation of the recipient or any transferee, which may contain a right to be reserved to the Department to revert title or right to possession. Where no transfer of property is involved, but property is improved or any interest of the recipient or transferee therein is increased as a result of a program of Federal financial assistance, the recipient or transferee shall agree to include such covenant or condition in any subsequent transfer of such property. Failure to comply with any such conditions or requirements contained in such assurances shall render the recipient and the transferees, where appropriate, presumptively in noncompliance.

(3) The responsible Departmental official shall specify the form of the foregoing assurances for each program, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(b) *Assurances from institutions.* (1) In the case of any application for Federal financial assistance to an institution of higher education, including assistance for construction, for research, for a special training project, for a student loan program, or for any other purpose, the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of individuals as students, or clients of the institution or to the opportunity to participate in the provision of services or

other benefits to such individuals, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the responsible Department official, that the institution's practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the beneficiaries of or participants in such program.

(c) *Elementary and secondary schools.* The requirements of paragraph (a)(1) of this section, with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, or (2) submits a plan the desegregation of such school or school system which the responsible official of the Department of Health, Education, and Welfare determines is adequate to accomplish the purposes of the Act and this part within the earliest practicable time, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the responsible official of the Department of Health, Education and Welfare may reserve the right to redetermine, after such period as may be specified by him the adequacy of the plan to accomplish the purposes of the Act and this part. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

[30 FR 314, Jan. 9, 1965, as amended at 38 FR 17946, July 5, 1973]

§ 141.5 Compliance information.

(a) *Cooperation and assistance.* Each responsible Department official shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this regulation and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the responsible Departmental official or his designee timely, complete and accurate compliance reports at such times, and in such form and containing such information, as a responsible Departmental official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. In general, recipients should have available for the Department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of Federally assisted programs. In the case of any program under which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out his obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible Department official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program under which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

[30 FR 314, Jan. 9, 1965, as amended at 38 FR 17947, July 5, 1973]

§ 141.6 Conduct of investigation.

(a) *Periodic compliance reviews.* The responsible Department official or his designee shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any person who believes himself or any specific class of individual to be subjected to discrimination prohibited by this part may by himself or by a representative file with the responsible Departmental official a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Departmental official or his designee.

(c) *Investigations.* The responsible Department official or his designee will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, the responsible Department official or his designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 141.7.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the responsible Department official or his designee will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or this part, or because he has made a complaint, testified, as-

sisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

[30 FR 314, Jan. 9, 1965, as amended at 38 FR 17947, July 5, 1973]

§ 141.7 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 141.4.* If an applicant fails or refused to furnish an assurance required under § 141.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating or refusing to grant or continue Federal

financial assistance shall become effective until (1) the responsible Department official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Secretary pursuant to § 141.9(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the action has been approved by the Deputy Under Secretary for Administration, (3) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (4) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

[30 FR 314, Jan. 9, 1965, as amended at 38 FR 17947 July 5, 1973]

§ 141.8 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 141.7(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the

affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date or such notice within which the applicant or recipient may request of the responsible Department official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 141.7(c) of this part and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall normally be held at the offices of the Department in Washington, DC, at a time fixed by the responsible Department official. Hearings shall be held before an official designated by the Secretary other than the responsible Department official, in accordance with 5 U.S.C. 3105 and 3344 (formerly Section 11 of the Administrative Procedure Act).

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted with as much conformity as is practicable with 5 U.S.C. 554–557 (formerly sections 5–8 of the Administrative Procedure Act) and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a)

Department of State

§ 141.9

of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The officer presiding at the hearing may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings; hearings before other agencies.* In cases in which the same or related facts are asserted to constitute noncompliance with this part with respect to two or more programs to which this part applies, or noncompliance with this part and regulations of one or more other Federal departments or agencies issued under title VI of the Act, the Secretary may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with this part, except that procedural requirements of the hearing agency if other than this Department may be adopted insofar as it is determined by the Secretary that variations from the procedures described in this section or elsewhere as may be required under this part do not impair the rights of the parties. The Secretary may also transfer the hearing of any complaint to any

other department or agency, with the consent of that Department or Agency (1) where Federal financial assistance to the applicant or recipient of the other Department or Agency is substantially greater than that of the Department of State, or (2) upon determination by the Secretary that such transfer would be in the best interests of the Government of effectuating this part. Final decisions in all such cases, insofar as this part is concerned, shall be made in accordance with § 141.9.

[30 FR 314, Jan 9, 1965, as amended at 38 FR 17947, July 5, 1973]

§ 141.9 Decisions and notices.

(a) *Decisions on record or review by the responsible Department official.* The applicant or recipient shall be given reasonable opportunity to file with the officer presiding at the hearing briefs or other written statements of its contentions, and a copy of the final decision shall be given in writing to the applicant or recipient and to the complainant, if any. The officer presiding at the hearing shall render a decision on the matter.

(b) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to § 141.8(a) a decision shall be made by the responsible Departmental official on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(c) *Rulings required.* Each decision of an officer presiding at the hearing shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(d) *Appeal.* Either party may appeal from a decision of the officer presiding at the hearing to the responsible Department official within 30 days of the mailing of the officer's decision. In the absence of such an appeal the decision of the officer presiding at the hearings shall constitute the final decision of the Department subject to paragraph (e) of this section.

(e) *Approval by Secretary.* Any final decision by an officer (other than the

Secretary) which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or the Act, shall promptly be transmitted to the Secretary who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance will thereafter be extended under such program to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the responsible Department official that it will fully comply with this part.

(g) *Post-termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this regulation and provides reasonable assurance that it will fully comply with this regulation.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the responsible Departmental official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information establishing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the responsible Departmental official determines that those requirements have been satisfied, he shall restore such eligibility, but such determination shall be in writing and shall be supported by

evidence and findings of fact which shall be retained by the Department.

(3) If the responsible Departmental official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible Departmental official. The burden of substantiating compliance with the requirements of paragraph (g)(1) of this section shall be on the applicant or recipient. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

[30 FR 314, Jan. 9, 1965, as amended at 38 FR 17947, July 5, 1973]

§ 141.10 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 141.11 Effect on other regulations; forms and instructions.

Nothing in this part shall be deemed to supersede: Executive Orders 10925 and 11114 and regulations issued thereunder, or any other regulations or instructions, insofar as such regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in any program or situation to which this regulation is inapplicable, or prohibit discrimination on any other ground.

(a) *Forms and instructions.* Each responsible Department official shall issue, and promptly make available to interested persons, forms and detailed instructions and procedures for effectuating this part as applied to programs to which this part applies and for which he is responsible.

(b) *Supervision and coordination.* The Secretary may, from time to time, assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such department or agencies, responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part including the achievement of effectiveness

coordination and maximum uniformity within the Department and within the executive branch of the Government in the application of title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action had been taken by the responsible official of this Department.

Subpart A—General Provisions

§ 142.1 Purpose.

The purpose of this part is to effectuate section 504 of the Rehabilitation Act of 1973, which is designed to eliminate discrimination on the basis of handicap in any program or activity receiving Federal financial assistance.

§ 142.2 Application.

This part applies to all programs directly affecting handicapped individuals in the United States carried on by recipients of Federal financial assistance pursuant to any authority held or delegated by the Secretary of State, including the federally-assisted programs and activities listed in appendix A of this part. (appendix A may be revised from time-to-time by notice in the FEDERAL REGISTER.) It applies to money paid, property transferred, or other Federal financial assistance extended under any such program after the effective date of this regulation, even if the application for such assistance is approved prior to such effective date. This part does not apply to:

(a) Any Federal financial assistance by way of insurance or guaranty contracts;

(b) Money paid, property transferred or other assistance extended under any such program before the effective date of this part;

(c) Any assistance to any individual who is the ultimate beneficiary under any such program; and

Department of State

§ 142.3

(d) Any procurement of goods or services, including the procurement of training. This part does not bar selection and treatment reasonably related to the foreign affairs objective or such other authorized purpose as the Federal assistance may have. It does not bar selections which are limited to particular groups where the purpose of the program calls for such a limitation, nor does it bar special treatment including special courses of training, orientation or counseling consistent with such purpose.

§ 142.3 Definitions.

As used in this part, the term:

(3) Real and personal property or any interest in or use of such property, including:

(l) *Handicap* means any conditions or characteristic that renders a person a handicapped person as defined in paragraph (j) of this section.

§ 142.4 Discrimination prohibited.

(a) *General.* No qualified handicapped person shall on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives or benefits from Federal financial assistance.

(b) *Discriminatory actions prohibited.*
(1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped person unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to any agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipients program;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

Department of State

§ 142.5

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services to be effective, are not required to produce identical result or level of achievement for handicapped and nonhandicapped persons, but must afford handicapped person equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person's needs.

(3) Despite the existence of separate or different programs or activities provided in accordance with this part, a recipient may not deny a qualified handicapped person the opportunity to participate in such programs or activities that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration (i) that have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap, (ii) that have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program with respect to handicapped persons, or (iii) that perpetuate the discrimination with respect to another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location or a facility, an applicant for assistance or a recipient may not make selections (i) that have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives or benefits from Federal financial assistance or (ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving or benefiting from Federal financial assistance includes any aid, benefit, or service

provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part with Federal financial assistance.

(c) *Programs limited by Federal law.* The exclusion of a handicapped person from the benefits or a program limited by Federal statute or executive order to a different class of handicapped persons is not prohibited by this part.

(d) Recipients shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

(e) Recipients shall ensure that communications with their applicants, employees, and handicapped persons participating in their programs and activities, or receiving aids, or benefits of services, are available to persons with impaired vision and hearing in appropriate modes, including braille, enlarged type, sign language and telecommunication devices for the deaf.

§ 142.5 Assurances required.

(a) *Assurances.* An applicant for Federal financial assistance for a program or activity to which this part applies shall submit an assurance on a form specified by the Secretary, that the program will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) *Duration of obligations.* (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purposes for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided by the Department in the form of real property or interest in real property, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing facilities on the property for the purposes for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as the Secretary deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 142.6 Remedial action, voluntary action, and self-evaluation.

(a) *Remedial action.* (1) If the Secretary finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 of the Act or this part, the recipient shall take such remedial action as the Secretary deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 of the Act or this part and where another recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 of the Act or this part, require a recipient to take action (i) with respect to handicapped persons who are no longer participants in the recipient's program but who were participants in the program when such discrimination occurred, or (ii), with respect to handicapped persons who would have been participants in the program had the discrimination not occurred.

(b) *Voluntary action.* A recipient may take steps, in addition to any action required by this part, to overcome the

effects of conditions that resulted in limited participation in the recipient's program or activity by qualified handicapped persons.

(c) *Self-evaluation.* (1) A recipient shall, within six months of the effective date of this part:

(i) Evaluate, with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;

(ii) Modify, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, any policies and practices that do not meet the requirements of this part; and

(iii) Take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Secretary upon request: (i) A list of the interested persons consulted, (ii) a description of areas examined and any problems identified, and (iii) a description of any modifications made and of any remedial steps taken.

§ 142.7 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* A recipient that employs 15 or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) *Adoption of grievance procedures.* A recipient that employs 15 or more persons shall adopt grievance procedures that incorporate appropriate due process for the prompt and equitable resolution of complaints alleging any action prohibited by this part.

§ 142.8 Notice.

(a) A recipient shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 of the Act or this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its programs and activities. The notification shall also include an identification of the responsible employee designated pursuant to § 142.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include but are not limited to the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publications, distribution of memoranda or other written communications; and with persons with impaired vision and hearing, through appropriate modes including braille, enlarged type, sign language, and telecommunication devices for the deaf.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of the paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

§ 142.9 Administrative requirements for small recipients.

The Secretary may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with § 142.7, in whole or in part, when the Secretary finds a violation of this part or finds that such compliance will not significantly impair the abil-

ity of the recipient or class of recipients to provide benefits or services.

§ 142.10 Effect of State or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any State or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

Subpart B—Employment Practices**§ 142.11 Discrimination prohibited.**

(a) *General.* (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity receiving Federal financial assistance.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. This includes relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeship programs.

(b) *Specific activities.* The provisions of this part apply to:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right to return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classification, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other condition, or privilege of employment.

(c) A recipient's obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

§ 142.12 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of the program.

(b) Reasonable accommodation may include: (1) Making facilities used by employees readily accessible to and usable by handicapped persons, and (2) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's

program, factors to be considered include:

(1) The overall size of the recipient's program with respect to number and type of facilities, and size of budget;

(2) Job restructuring, part-time or modified work schedules, acquisition and or modification of equipment of devices such as telecommunication devices for the deaf, the provision of readers or interpreters and other similar actions including the use of braille, enlarged type, and sign language, when appropriate.

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 142.13 Employment criteria.

(a) A recipient may not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons unless:

(1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question, and

(2) Alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped persons are not shown by the Secretary to be available.

(b) A recipient shall select and administer tests concerning employment to ensure that when administered to any applicant or employee who has a handicap that impairs sensory, manual, speaking, or other skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual, speaking, or other skills (except where those skills are the factors that the test purports to measure).

§ 142.14 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make

preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 142.6(a), when a recipient is taking voluntary action to overcome the effect of conditions that resulted in limited participation in its federally assisted program or activity pursuant to § 142.6(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped: *Provided, That:*

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally, if no written questionnaire is used, that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty. *Provided, That:* (1) All entering employees are subjected to such an examination regardless of handicap, and (2) the results of such an examination are used only in accordance with the requirement of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons

and regarding necessary accommodation;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(3) Government officials investigating compliance with the Act shall be provided relevant information upon request.

Subpart C—Program Accessibility

§ 142.15 Discrimination prohibited.

No qualified handicapped person shall, because a recipient's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which the part applies.

§ 142.16 Existing facilities.

(a) *Program accessibility.* A recipient shall operate each program or activity to which this part applies so that the program or activity when viewed in its entirety is readily accessible to and usable by handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of an existing facility accessible to and usable by handicapped persons.

(b) *Methods.* A recipient may comply with the requirement of paragraph (a) of this section through such means as the addition of equipment (e.g., telecommunication device for the deaf) redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of health, welfare, or other social services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirement of § 142.18, or any other method that results in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph (a) of this section, a recipient shall

give priority to those methods that offer programs and activities to handicapped persons in the most integrated setting appropriate.

(c) *Time period.* A recipient shall comply with the requirement of paragraph (a) of this section within 60 days of the effective date of this part except that where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility of its program or activity to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full program accessibility and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period;

(4) Indicate the person responsible for implementation of the plan; and

(5) A list of all handicapped persons and organizations consulted in the plan formulation process.

(e) *Notice.* The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

§ 142.17 New construction.

(a) *Design and construction.* Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed, constructed, and operated in a manner so that the facility or part of the facility is accessible to and usable by persons with handicaps, if the construction was commenced after the effective date of this part.

(b) *Alteration.* Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that effects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered so that the altered portion of the facility is readily accessible to and usable by persons with handicaps.

(c) *Conformance with Uniform Federal Accessibility Standards.* (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

Subpart D applies to postsecondary education programs and activities, including postsecondary vocational education programs and activities, that receive or benefit from Federal financial assistance from the Department of State, and to recipients that operate, or that receive or benefit from Federal financial assistance for the operation of, such programs or activities.

§ 142.42 Admissions and recruitment.

(a) *General.* Qualified handicapped persons may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) *Admissions.* In administering its admission policies, a recipient to which this subpart applies:

(1) May not apply limitations upon the number or proportion of handicapped persons who may be admitted;

(2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons or any class of handicapped persons unless (i) the test or criterion, as used by the recipient, has been validated as a predictor of success in the education program or activity in question and (ii) alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Secretary to be available;

(3) Shall assure itself that (i) admissions tests are selected and administered so as to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual, speaking or other skills (except where those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual,

speaking or other skills are offered as often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that, are accessible to handicapped persons; and

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiry as to whether an applicant for admission is a handicapped person but, after admission, may make inquiries on a confidential basis as to handicaps that may require accommodation.

(c) *Preadmission inquiry exception.* When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 142.6(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to § 142.6(b), the recipient may invite applicants for admissions to indicate whether and to what extent they are handicapped; *Provided, That:* (1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) *Validity studies.* For the purpose of paragraph (c)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

§ 142.43 Treatment of students; general.

(a) No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied

the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational, training, housing, health, insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other postsecondary education program or activity to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its programs and activities in the most integrated setting appropriate.

§ 142.44 Academic adjustments.

(a) *Academic requirements.* A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate, or have the effect of discrimination, on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the program of instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) *Other rules.* A recipient to which this subpart applies may not impose upon handicapped students other rules, such as the prohibition of tape record-

ers in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient's education program or activity.

(c) *Course examinations.* In its examinations or other procedures for evaluating students' academic achievement in its program, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, speaking or other skills as will best ensure that the results of the evaluation represent the student's achievement in the course, rather than reflecting the student's impaired sensory, manual, speaking or other skills (except where such skills are the factors that the test purports to measure).

(d) *Auxiliary aids.* (1) A recipient to which this subpart applies shall take such steps as are necessary to ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the education program or activity operated by the recipient because of the absence of educational auxiliary aids for students with impaired sensory, manual, speaking or other skills.

(2) Auxiliary aids may include taped texts, interpreters, telecommunication devices for the deaf or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 142.45 Housing.

(a) *Housing provided by the recipient.* A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of the transition period provided for in subpart C of this part, such housing shall be available in sufficient quantity

Department of State

§ 142.47

and variety so that the scope of handicapped students' choice of living accommodation is, as a whole, comparable to that of nonhandicapped students.

(b) *Other housing.* A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 142.46 Financial and employment assistance to students.

(a) *Provisions of financial assistance.*

(1) In providing financial assistance of qualified handicapped persons, a recipient to which this subpart applies may not:

(i) On the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate; or

(ii) Assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) *Assistance in making available outside employment.* A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) *Employment of students by recipients.* A recipient that employs any of its students may not do so in a manner that violates subpart B.

§ 142.47 Non-academic services.

(a) *Physical education and athletics.* (1) In providing physical education courses, athletics and similar programs and activities to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separate or differentiation is consistent with the requirements of § 142.43(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) *Counseling and placement services.* A recipient to which this subpart applies that provides personal, academic or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) *Social organizations.* A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

§§ 142.48–142.60 [Reserved]

**Subpart E—Health, Welfare,
Social, and Other Services**

§ 142.61 Application of this subpart.

Subpart E applies to health, welfare, social and other programs and activities that receive or benefit from Federal financial assistance and to recipients that operate, or that receive or benefit from Federal financial assistance for the operation of such programs or activities.

§ 142.62 Health, welfare, social, and other services.

(a) *General.* In providing health, welfare, social and other services or benefits, a recipient may not, on the basis of handicap:

- (1) Deny a qualified handicapped person these benefits or services;
- (2) Afford a qualified handicapped person an opportunity to receive benefits or services that are not equal to those offered nonhandicapped persons;
- (3) Provide a qualified handicapped person with benefits or services that are not as effective (as defined in § 142.4(b)) as the benefits or services provided to others;
- (4) Provide benefits or services in a manner that limits or has the effect of limiting the participation of qualified handicapped persons; or
- (5) Provide different or separate benefits or services to handicapped persons except where necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.

(b) *Notice.* A recipient that provides notice concerning benefits or services or written material concerning waivers of rights or consent to treatment shall take such steps as are necessary to ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.

(c) *Emergency treatment for the hearing impaired.* A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency health care.

(d) *Auxiliary aids.* (1) A recipient to which this subpart applies that employs 15 or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, speaking or other skills (where necessary) to afford such persons an equal opportunity to benefit from the service in question.

(2) The Secretary may require recipients with fewer than 15 employees to provide auxiliary aids where the provision of aids would not significantly impair the ability of the recipient to provide its benefits or services.

(e) For the purpose of this paragraph, auxiliary aids may include brailled and taped material, interpreters, and other aids for persons with impaired hearing or vision.

§ 142.63 Drug and alcohol addicts.

A recipient to which this subpart applies that operates a general hospital or outpatient facility may not discriminate in admission or treatment against a drug or alcohol abuser or alcoholic who is suffering from a medical condition, because of the person's drug or alcohol abuse or alcoholism.

Subpart F—Procedures

§ 142.70 Procedures.

AUTHORITY: Age Discrimination Act of 1975, as amended, 42 U.S.C. 5101 *et seq.*; 45 CFR 90; 22 U.S.C. 2658.

SOURCE: 45 FR 31713, May 14, 1980, unless otherwise noted.

Subpart A—General

§ 143.1 What is the purpose of the age discrimination regulations?

The purpose of these regulations is to set out the policies and procedures for the three foreign affairs agencies (State, USICA and AID) under the Age Discrimination Act of 1975 and the government-wide age discrimination regulations at 45 CFR part 90 (published at

44 FR 33768, June 12, 1979). The Act and the government-wide regulations prohibit discrimination on the basis of age in programs or activities in the United States receiving federal financial assistance. The Act and the government-wide regulations permit federally assisted programs and activities, and recipients of federal funds, to continue to use age distinctions and factors other than age which meet the requirements of the Act and the government-wide regulations.

§ 143.2 To what programs do these regulations apply?

These regulations apply to each foreign affairs agency recipient and to each program or activity in the United States operated by the recipient which receives or benefits from federal financial assistance provided by any of these agencies.

§ 143.3 Definitions.

(a) The following terms used in this part are defined in the government-wide regulations (45 CFR 90.4, 44 FR 33768):

Act
Action
Age
Age distinction
Age-related term
Federal financial assistance
Recipient (including subrecipients)
United States

(b) As used in this part:

(1) *Agency* means the Department of State, the U.S. International Communication Agency, and the Agency for International Development.

(2) *Secretary* means the Secretary of State, the Director of the U.S. International Communication Agency, and the Administrator of the Agency for International Development, or the designee of such officer.

(3) *Subrecipient* means any of the entities in the definition of “recipient” to which a recipient extends or passes on Federal financial assistance. A subrecipient is generally regarded as a recipient of Federal financial assistance and has all the duties of a recipient in these regulations.

Subpart B—Standards for Determining Age Discrimination

§ 143.11 Standards.

The standards each agency uses to determine whether an age distinction or age-related term is prohibited are set out in part 90 (primarily subpart B) of 45 CFR.

Subpart C—Duties of Agency Recipients

§ 143.21 General responsibilities.

Each agency recipient has primary responsibility to ensure that its programs and activities are in compliance with the Act, the government-wide regulations, and these regulations.

§ 143.22 Notice to subrecipients.

Where a recipient passes on Federal financial assistance from an agency to subrecipients, the recipient shall provide the subrecipients written notice to their obligations under these regulations.

§ 143.23 Self-evaluation.

(a) Each recipient employing the equivalent of 15 or more full-time employees shall complete a one-time written self-evaluation of its compliance under the Act within 18 months of the effective date of these regulations.

(b) In its self-evaluation each recipient shall identify each age distinction it uses and justify each age distinction it imposes on the program or activity receiving Federal financial assistance from an agency.

(c) Each recipient shall take corrective action whenever a self-evaluation indicates a violation of these regulations.

(d) Each recipient shall make the self-evaluation available on request to the agency and to the public for a period of three years following its completion.

§ 143.24 Information requirements.

Each recipient shall:

(a) Make available upon request to the agency information necessary to determine whether the recipient is complying with the regulations.

(b) Permit reasonable access by the agency to the books, records, accounts, and other recipient facilities and sources of information to the extent necessary to determine whether a recipient is in compliance with these regulations.

Subpart D—Investigation, Conciliation, and Enforcement Procedures

§ 143.31 Compliance reviews.

(a) The agency may conduct compliance reviews and pre-award reviews of recipients that will permit it to investigate and correct violations of these regulations. The agency may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred.

(b) If a compliance review or pre-award review indicates a violation of this part, the agency will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, the agency will arrange for enforcement as described in § 143.36.

§ 143.32 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with an agency, alleging discrimination prohibited by these regulations based on an action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, the agency may extend this time limit.

(b) The agency will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint, any written statement which identifies the parties involved, describes generally the action or practice complained of, and is signed by the complainant.

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

Department of State

§ 143.34

(3) Widely disseminating information regarding the obligations of recipients under the Act and these regulations.

(4) Notifying the complainant and the recipient of their rights under the complaint procedure, including the right to have a representative at all stages of the complaint process.

(5) Notifying the complainant and the recipient (or their representatives) of their right to contact the agency for information and assistance regarding the complaint resolution process.

(c) The agency will return to the complainant any complaint outside the jurisdiction of these regulations and will state the reason(s) why it is outside the jurisdiction of these regulations.

§ 143.33 Mediation.

(a) *Referral of complaints for mediation.* The agency will refer to the Federal Mediation and Conciliation Service all complaints that:

(1) Fall within the jurisdiction of these regulations; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informed judgment that an agreement is not possible. There must be at least one meeting with the mediator, before the agency will accept a judgment that an agreement is not possible. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it. The mediator shall send a copy of the agreement to the agency. The agency shall take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course

of the mediation process without prior approval of the head of the mediation agency.

(e) The agency will use the mediation process for a maximum of 60 days after receiving a complaint. Mediation ends if:

(1) Sixty days elapse from the time the agency receives the complaint; *or*

(2) Prior to the end of that 60-day period, an agreement is reached; *or*

(3) Prior to the end of that 60-day period, the mediator determines that an agreement cannot be reached.

(f) The mediator shall return unresolved complaints to the agency.

§ 143.34 Investigation.

(a) *Informal investigation.* (1) The agency will investigate complaints that are unresolved after mediation or are reopened because of a violation of a mediation agreement.

(2) As part of the initial investigation, the agency will use informal fact finding methods, including joint or separate discussions with the complainant and recipient to establish the facts, and, if possible, settle the complaint on terms that are mutually agreeable. The agency may seek the assistance of any involved State program agency.

(3) The agency will put any agreement in writing and have it signed by the parties and an authorized official of the agency.

(4) The settlement shall not affect the operation of any other enforcement efforts of the agency, including compliance reviews and other individual complaints which may involve the recipient.

(5) The settlement is not a finding of discrimination against a recipient.

(b) *Formal investigation.* If the agency cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, the agency will attempt to obtain voluntary compliance. If the agency cannot obtain voluntary compliance, it will begin enforcement as described in § 143.36.

§ 143.35 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

- (a) Attempts to assert a right protected by these regulations; or
- (b) Cooperates in any mediation, investigation, hearing, or other part of the agency's investigation, conciliation, and enforcement process.

§ 143.36 Compliance procedure.

(a) An agency may enforce the Act and these regulations through:

(1) Termination of a recipient's Federal financial assistance from the agency under the program or activity involved where the recipient has violated the Act and these regulations. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. Therefore, cases which are settled in mediation or prior to a hearing, will not involve termination of a recipient's Federal financial assistance from the agency.

(2) Any other means authorized by law including but not limited to:

- (i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations by the Act and these regulations.
- (ii) Use of any requirement of or referral to any Federal, state, or local government agency which will have the effect of correcting a violation of the Act or these regulations.

(b) The agency will limit any termination under § 143.36(a)(1) to the particular recipient and particular program or activity the agency finds in violation of these regulations. The agency will not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from the agency.

(c) The agency will take no action under paragraph (a) of this section until:

(1) The agency head has advised the recipient of its failure to comply with these regulations and has determined that voluntary compliance cannot be obtained.

(2) Thirty days have lapsed after the agency head has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the Federal program or activity involved. The agency head shall file a report whenever any action is taken under paragraph (a) of this section.

(d) The agency head also may defer granting new Federal financial assistance from the agency to a recipient when a hearing under § 143.36(a)(1) is initiated.

(1) New Federal financial assistance from the agency includes all assistance for which the agency requires an application or approval, including renewal or continuation of existing activities, or authorization of the new activities, during the deferral period. New Federal financial assistance from the agency does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the beginning of a hearing under § 143.36(a)(1).

(2) The agency will not begin a deferral until the recipient has received a notice of opportunity for a hearing under § 143.36(a)(1). The agency will not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and the agency head. The agency will not continue a deferral for more than 30 days after the close of a hearing unless the hearing results in a finding against the recipient.

§ 143.37 Hearings, decisions, post-termination proceedings.

Certain procedural provisions applicable to Title VI of the Civil Rights Act of 1964 apply to enforcement of this part. They are 22 CFR 141.8 through 141.10.

§ 143.38 Remedial action by recipient.

Where the agency head finds a recipient has discriminated on the basis of age, the recipient shall take any remedial action that the agency head may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated, the agency head

Department of State

§ 144.101

may require both recipients to take remedial action.

§ 143.39 Alternate funds disbursal procedure.

(a) When an agency withholds funds from a recipient under these regulations, the agency head may disburse the withheld funds directly to an alternate recipient, any public or non-profit private organization or agency, or State or political subdivision of the State.

(b) The agency head will require any alternate recipient to demonstrate:

(1) The ability to comply with these regulations; and

(2) The ability to achieve the goals of the Federal statute authorizing the program or activity.

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Historic preservation programs means programs conducted by the agency that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Qualified handicapped person means—

(1) With respect to preschool, elementary, or secondary education services provided by the agency, a handicapped person who is a member of a class of persons otherwise entitled by statute, regulation, or agency policy to receive education services from the agency.

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, a handicapped person who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, a handicapped person who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) *Qualified handicapped person* is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by § 144.140.

Section 504 means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112, 87 Stat. 394 (29 U.S.C. 794)), as amended by the Rehabilitation Act Amendments of 1974 (Pub. As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 144.104—144.109 [Reserved]

§ 144.110 Self-evaluation.

(a) The agency shall, by August 24, 1987, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, until three years following the completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified, and

(2) A description of any modifications made.

§ 144.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§§ 144.112—144.129 [Reserved]

§ 144.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility,

make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 144.131–144.139 [Reserved]

§ 144.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall

apply to employment in federally conducted programs or activities.

§§ 144.141–144.148 [Reserved]

§ 144.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 144.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 144.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 144.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or

such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of § 144.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of § 144.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 144.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 144.152–144.159 [Reserved]

§ 144.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 144.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be

Department of State

§ 144.170

made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 144.161—144.169 [Reserved]

§ 144.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Deputy Assistant Secretary for Equal Employment Opportunity and Civil Rights shall be responsible for coordinating implementation of this section. Complaints may be sent to Deputy Assistant Secretary for Equal Employment Opportunity and Civil Rights, Department of State, 2201 C Street, NW., Room 3214, Washington, DC 20520.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable ef-

forts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by § 144.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

Non-profit organizations that implement Federal programs for the States are also subject to State requirements. Copies of the OMB circulars mentioned in this part may be ordered from the Office of Management and Budget Publications Office (202) 395-7000.

§ 145.2 Definitions.

(a) *Accrued expenditures* means the charges incurred by the recipient during a given period requiring the provision of funds for:

(3) Other amounts becoming owed under programs for which no current services or performance is required.

(b) *Accrued income* means the sum of:

(1) Earnings during a given period from—

(i) Services performed by the recipient, and

(ii) Goods and other tangible property delivered to purchasers, and

(2) Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

(c) *Acquisition cost of equipment* means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient's regular accounting practices.

(d) *Advance* means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

(e) *Award* means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: Technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

(f) *Cash contributions* means the recipient's cash outlay, including the outlay of money contributed to the recipient by third parties.

(g) *Closeout* means the process by which an awarding agency determines that all applicable administrative actions and all required work of the

award have been completed by the recipient and awarding agency.

(h) *Contract* means a procurement contract under an award or subaward, and a procurement subcontract under a recipient's or subrecipient's contract.

(i) *Cooperative agreement*, as defined in 31 U.S.C. 6305, means a legal instrument reflecting a relationship between the United States Government and a recipient when the principal purpose of the relationship is to transfer a thing of value to the recipient to carry out a public purpose of support or stimulation authorized by law, instead of acquiring property or services for the direct use of the United States Government, and substantial involvement is expected between the awarding agency and the recipient when carrying out the activity contemplated in the agreement.

(j) *Cost sharing or matching* means that portion of project or program costs not borne by the Federal Government.

(k) *Date of completion* means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which Federal sponsorship ends.

(l) *Disallowed costs* means those charges to an award that the awarding agency determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

(m) *Equipment* means tangible non-expendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. However, consistent with recipient policy, lower limits may be established.

(r) *Federal share* of real property, equipment, or supplies means that percentage of the property's acquisition costs and any improvement expenditures paid with Federal funds.

(s) *Funding period* means the period of time when Federal funding is available for obligation by the recipient.

(t) *Grant*, as defined in 31 U.S.C. 6304, means a legal instrument reflecting a relationship between the United States Government and a recipient when the principal purpose of the relationship is to transfer a thing of value to the recipient to carry out a public purpose of support or stimulation authorized by law, instead of acquiring property or services for the direct use of the United States Government, and substantial involvement is not expected between the awarding agency and the recipient when carrying out the activity contemplated in the agreement.

(u) *Intangible property and debt instruments* means, but is not limited to, trademarks, copyrights, patents and patent applications and such property as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

(x) *Personal property* means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

(gg) *Small awards* means a grant or cooperative agreement not exceeding \$100,000 or the small purchase limitation fixed at 41 U.S.C. 403(11), whichever is greater.

(hh) *Small purchase limitation*, for procurements transactions awarded by recipients, means \$100,000 or the small purchase limitation fixed at 41 U.S.C. 403(11), whichever is greater.

(ii) *Subaward* means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of "award" in § 145.2(e).

(jj) *Subrecipient* means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the awarding agency.

(kk) *Supplies* means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement ("subject inventions"), as defined in 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and

Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements.”

(ll) *Suspension* means an action by a awarding agency that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the awarding agency. Suspension of an award is a separate action from suspension under Federal agency regulations implementing E.O.s 12549 and 12689, “Debarment and Suspension.”

(mm) *Termination* means the cancellation of Federal sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

(nn) *Third party in-kind contributions* means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

(oo) *Unliquidated obligations*, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

(pp) *Unobligated balance* means the portion of the funds authorized by the awarding agency that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

(qq) *Unrecovered indirect cost* means the difference between the amount awarded and the amount which could have been awarded under the recipient’s approved negotiated indirect cost rate.

(rr) *Working capital advance* means a procedure where by funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 145.3 Effect on other issuances.

For awards subject to this regulation, all administrative requirements of codified program regulations, program manuals, handbooks and other nonregulatory materials which are inconsistent with the requirements of this regulation are superseded, except to the extent they are required by statute, or authorized in accordance with the deviations provision in § 145.4.

§ 145.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this regulation when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this regulation shall be permitted only in unusual circumstances. The Department may apply more restrictive requirements to a class of recipients when approved by OMB. The Department may apply less restrictive requirements when issuing small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by the Department. Deviation requests shall be submitted to the Office of the Procurement Executive (A/OPE) for approval or transmittal to OMB.

§ 145.5 Subawards.

Unless sections of this regulation specifically exclude subrecipients from coverage, the provisions of this regulation shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of part 135 of this chapter implementing the grants management common rule, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments.”

Subpart B—Pre-Award Requirements

§ 145.10 Purpose.

Sections 145.11 through 145.17 prescribe forms and instructions and other

Department of State

§ 145.14

pre-award matters to be used in applying for Federal awards.

§ 145.11 Pre-award policies.

(a) *Use of grants and cooperative agreements, and contracts.* In each instance, the awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, "substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement." Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government. The Department may not award grants or cooperative agreements unless specific statutory authority exists for a program allowing the award of Federal assistance.

(b) *Public notice and priority setting.*

(1) The Department shall notify the public of its intended funding priorities for discretionary grant programs, except for:

- (i) Awards for which funding priorities are established by Federal statute,
- (ii) Small awards, and
- (iii) Awards for which program purposes would not be served by public notice.

(2) In the case of the exception in paragraph (b)(1)(iii) of this section, the award file shall be documented with the rationale for not issuing a public notice.

§ 145.12 Forms for applying for Federal assistance.

(a) Department Grants Officers shall comply with the applicable report clearance requirements of 5 CFR part 1320, "Controlling Paperwork Burdens on the Public," with regard to all

forms used by the awarding agency in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by the Grants Officer and approved by the Office of the Procurement Executive (A/OPE).

(c) For Federal programs covered by Executive Order 12372, "Intergovernmental Review of Federal Programs," the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the awarding agency or the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) Department Grants Officers who do not use the SF-424 form should indicate whether the application is subject to review by the State under Executive Order 12372.

§ 145.13 Debarment and suspension.

The Department and recipients shall comply with the nonprocurement debarment and suspension common rule implementing Executive Orders 12549 and 12689, "Debarment and Suspension," as implemented in 22 CFR part 137. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

§ 145.14 Special award conditions.

If an applicant or recipient: has a history of poor performance, is not financially stable, has a management system that does not meet the standards prescribed in this regulation, has not conformed to the terms and conditions of a previous award, or is not otherwise responsible, the Department may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: The nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of

the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions shall be promptly removed once the conditions that prompted them have been corrected.

§ 145.15 Metric system of measurement.

The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce. The Act requires each Federal agency to establish a date or dates in consultation with the Secretary of Commerce, when the metric system of measurement will be used in the agency's procurements, grants, and other business-related activities. Metric implementation may take longer where the use of the system is initially impractical or likely to cause significant inefficiencies in the accomplishment of federally-funded activities. Federal awarding agencies shall follow the provisions of E.O. 12770, "Metric Usage in Federal Government Programs."

§ 145.16 Resource Conservation and Recovery Act.

Under the Resource Conservation and Recovery Act (RCRA) (Pub. L. 94-580 codified at 42 U.S.C. 6962), any State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247-254). Accordingly, State and local institutions of higher education, hospitals, and non-profit organizations that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 145.17 Certifications and representations.

Unless prohibited by statute or codified regulation, the Department is authorized to accept and encourages recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the Department. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients' compliance with the pertinent requirements.

Subpart C—Post-Award Requirements

FINANCIAL AND PROGRAM MANAGEMENT

§ 145.20 Purpose of financial and program management.

Sections 145.21 through 145.28 prescribe standards for financial management systems, methods for making payments and rules for: Satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 145.21 Standards for financial management systems.

(a) The Department shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients' financial management systems shall provide for the following.

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 145.52. If the Department requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for its reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These

Department of State

§ 145.22

records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the Department, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Department may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies hold-

ing certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business with the United States."

§ 145.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain: Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and financial management systems that meet the standards for fund control and accountability as established in § 145.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Department to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, "Request for Advance or Reimbursement," or other forms as may be authorized by OMB (e.g., SF-1034). This form is not to be used when Treasury

check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special Department instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) cannot be met. The Department may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the Department shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Department has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Department may provide cash on a working capital advance basis. Under this procedure, the Department shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee's disbursing cycle. Thereafter, the Department shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient's actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, the Department shall not withhold payments for proper charges made by recipients at any time during the project period unless paragraphs (h) (1) or (2) of this section apply.

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements.

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, "Managing Federal Credit Programs." Under such conditions, the Department may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows.

(1) Except for situations described in paragraph (i)(2), the Department shall not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients shall be encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless paragraphs (k) (1), (2) or (3) of this section apply.

(1) The recipient receives less than \$120,000 in Federal awards per year.

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances.

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal

Department of State

§ 145.23

advances deposited in interest bearing accounts shall be remitted annually to the Department for submission to Treasury. Interest amounts up to \$250 per year may be retained by the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Department, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this regulation, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. The Department shall not require more than an original and two copies of these forms except if OMB approval is obtained.

(1) *SF-270, Request for Advance or Reimbursement.* The Department shall use the SF-270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. Grants Officers may use forms equivalent to the SF-270 if approved in writing by the Office of the Procurement Executive (A/OPE). The Department has the option of using the SF-270 for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) *SF-271, Outlay Report and Request for Reimbursement for Construction Programs.* The Department shall use the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, the Department may substitute the SF-270 when the Department determines that it provides adequate information to meet Federal needs.

§ 145.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient's records.

(2) Are not included as contributions for any other Federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by the Department.

(7) Conform to other provisions of this regulation, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of the Department Grants Officer.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If the Department authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of paragraphs (c) (1) or (2) of this section.

(1) The certified value of the remaining life of the property recorded in the recipient's accounting records at the time of donation.

(2) *The current fair market value.* However, when there is sufficient justification, the Department may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient's organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either

case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if paragraph (g) (1) or (2) of this section apply.

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the Department has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient's supporting records for in-kind contributions from third parties.

(i) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(ii) The basis for determining the valuation for personal service, material, equipment, buildings and land shall be documented.

§ 145.24 Program income.

(a) The Department shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall be retained by the recipient and, in accordance with the terms and conditions of the award, shall be used in one or more of the ways listed in the following.

(1) Added to funds committed to the project by the Department and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When the award authorizes the disposition of program income as described in paragraphs (b)(1) or (b)(2), program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3).

Department of State

§ 145.25

(d) In the event that the Department does not specify in the terms and conditions of the award how program income is to be used, paragraph (b)(3) shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) shall apply automatically unless the awarding agency indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in § 145.14.

(e) Unless the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) If authorized by the terms and conditions of the award, costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards (See §§ 145.30 through 145.37).

(h) Unless the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 145.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon Department requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in

accordance with this section, unless, at the discretion of the Grants Officer, a small percentage variance is allowed by the terms of the grant or cooperative agreement.

(c) For nonconstruction awards, recipients shall request prior approvals from the Department for one or more of the following program or budget related reasons.

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the Department.

(6) The inclusion, unless waived by the Department, of costs that require prior approval in accordance with OMB Circular A-21, "Cost Principles for Institutions of Higher Education," OMB Circular A-122, "Cost Principles for Non-Profit Organizations," or 45 CFR part 74 appendix E, "Principles for Determining Costs Applicable to Research and Development under Grants and Contracts with Hospitals," or 48 CFR part 31, "Contract Cost Principles and Procedures," as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items described by this regulation may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, Grants Officers are authorized, at their option, to waive cost-related and

administrative prior written approvals required by this regulation and OMB Circulars A-21 and A-122. Such waivers may include authorizing recipients to do any one or more of the following.

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Department. All pre-award costs are incurred at the recipient's risk (i.e., the Department is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Department in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the Department provides otherwise in the award, the prior approval requirements described in paragraph (e) are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) applies.

(f) The Department may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds \$100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Grants Officer. Grants Officers shall not permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent

with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j), do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from the Grants Officer for budget revisions whenever paragraphs (h) (1), (2) or (3) of this section apply.

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project.

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with applicable OMB cost principles listed in § 145.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When the Department makes an award that provides support for both construction and nonconstruction work, the Department may require the recipient to request prior approval from the Department before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, the Department shall require recipients to notify the Department in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than \$5,000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the Grants Officer indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, the Grants Officer shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the Grants Officer shall

Department of State

§ 145.32

inform the recipient in writing of the date when the recipient may expect the decision.

§ 145.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations shall be subject to the audit requirements contained in OMB Circular A-133, "Audits of Institutions of Higher Education and Other Non-Profit Institutions."

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act (31 U.S.C. 7501-7) and Department regulations at part 135 of this chapter implementing OMB Circular A-128, "Audits of State and Local Governments."

(c) Hospitals not covered by the audit provisions of OMB Circular A-133 shall be subject to the audit requirements of the Department.

(d) Commercial organizations shall be subject to the audit requirements of the Department or the prime recipient as incorporated into the award document.

§ 145.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, "Cost Principles for State and Local Governments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122, "Cost Principles for Non-Profit Organizations." The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, "Cost Principles for Educational Institutions." The allowability of costs incurred by hospitals is determined in accordance with the provisions of appendix E of 45 CFR part 74, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals." The allowability of costs in-

curred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 145.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Department, unless otherwise provided in the grant or cooperative agreement.

PROPERTY STANDARDS

§ 145.30 Purpose of property standards.

Sections 145.31 through 145.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. The Department shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of §§ 145.31 through 145.37.

§ 145.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 145.32 Real property.

Each award shall prescribe any applicable requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real

property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Department.

(b) The recipient shall obtain written approval by the Department for the use of real property in other Federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under Federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by the Department.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b), the recipient shall request disposition instructions from the cognizant Grants Officer. The Department shall observe one or more of the following disposition instructions.

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by the Department and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 145.33 Federally-owned and exempt property.

(a) *Federally-owned property.* (1) Title to Federally-owned property remains

vested in the Federal Government. Recipients shall submit annually an inventory listing of Federally-owned property in their custody to the Department. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the Department for further Federal agency utilization.

(2) If the Department has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the Department has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710 (I)) to donate research equipment to educational and non-profit organizations in accordance with Executive Order 12821, "Improving Mathematics and Science Education in Support of the National Education Goals.") Appropriate instructions shall be issued to the recipient by the Department.

(b) *Exempt property.* When statutory authority exists, the Department has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the Department considers appropriate. Such property is "exempt property." Should the Department not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

§ 145.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for

Department of State

§ 145.34

which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the Department. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority: First, Activities sponsored by the Department which funded the original project, then activities sponsored by other the Department.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the Department that financed the equipment; second preference shall be given to projects or programs sponsored by other the Department. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the Department. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of the Department.

(f) The recipient's property management standards for equipment acquired with Federal funds and Federally-owned equipment shall include all of the following.

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the Department for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the Department.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of \$5,000 or more, the recipient may retain the equipment for

other uses provided that compensation is made to the original agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Department. The Department shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Department to determine whether a requirement for the equipment exists in other Federal agencies. The Department shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse the Department an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for the recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient shall be reimbursed by the Department for such costs incurred in its disposition.

(4) The Department may reserve the right to transfer the title to the Federal Government or to a third party named by the Federal Government

when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards.

(i) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(ii) The Department shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with grant funds and federally-owned equipment. If the Department fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(iii) When the Department exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

§ 145.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other Federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

§ 145.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. The Department reserves a royalty-free, nonexclusive and irrevocable right to

Department of State

§ 145.42

reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(c) Unless waived by the Department, the Federal Government has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award.

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of the Department. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of § 145.34(g).

§ 145.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Agencies may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

PROCUREMENT STANDARDS

§ 145.40 Purpose of procurement standards.

Sections 145.41 through 145.48 set forth standards for use by recipients in establishing procedures for the pro-

curement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by the Department upon recipients, unless specifically required by Federal statute or executive order or approved by OMB. The standards in §§ 145.1 through 145.48 do not apply to small awards, except where imposed by Federal statute or Executive Order.

§ 145.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the Department, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 145.42 Code of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or

parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 145.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

§ 145.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that paragraphs (a)(1), (2) and (3) of this section apply.

(1) Recipients avoid purchasing unnecessary items.

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government.

(3) Solicitations for goods and services provide for all of the following:

(i) A clear and accurate description of the technical requirements for the material, product or service to be pro-

cured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as

Department of State

§ 145.48

the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(c) The type of procurement instruments used (e.g., fixed price contracts, cost reimbursement contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(d) Contracts shall be awarded only to responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by implementation of E.O.s 12549 and 12689, "Debarment and Suspension," implemented at 22 CFR 137.

(e) Recipients shall, on request, make available for the Department, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient's procurement procedures or operation fails to comply with the procurement standards in the Department's implementation of this regulation.

(2) The procurement is expected to exceed the small purchase limitation and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase limitation, specifies a "brand name" product.

(4) The proposed award over the small purchase limitation is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase limitation.

§ 145.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 145.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase limitation shall include the following at a minimum:

- (a) basis for contractor selection,
- (b) justification for lack of competition when competitive bids or offers are not obtained, and
- (c) basis for award cost or price.

§ 145.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 145.48 Contract clauses.

The recipient shall include, in addition to clauses to define a sound and complete agreement, the following clauses in all contracts. The following clauses shall also be applied to sub-contracts.

(a) Contracts in excess of the small purchase limitation shall contain contract clauses that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase limitation shall contain suitable clauses for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. The clauses shall describe conditions under which the contract may be terminated by the recipient for default of the contractor as well as conditions where the contract may be terminated for convenience because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, the Department may accept the bonding policy and requirements of the recipient, provided the Department has made a determination that the Federal Government's interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price or other amount approved by the Grants Officer. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(d) All negotiated contracts (except those for less than the small purchase limitation) awarded by recipients shall include a provision to the effect that the recipient, the Department, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the contract clauses in appendix A to this regulation, as applicable.

REPORTS AND RECORDS

§ 145.50 Purpose of reports and records.

Sections 145.51 through 145.53 set forth the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 145.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in § 145.26.

(b) The Department shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in § 145.51(f), performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Department may

Department of State

§ 145.52

require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following.

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the Department of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) The Department may make site visits, as needed.

(h) The Department shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 145.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

(1) SF-269 or SF-269A, Financial Status Report

(i) The Department shall require recipients to use the SF-269 or SF-269A to report the status of funds for all nonconstruction projects or programs, unless an equivalent form has been prescribed by the Grants Officer and approved by the OMB and the Office of the Procurement Executive (A/OPE), e.g., Form JF-61 for the Office of Overseas Schools (A/OPR/OS). The Department may also have the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) The Grants Officer shall prescribe whether the report shall be on a cash or accrual basis. If the Department requires accrual information and the recipient's accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) The Department shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The Department shall require recipients to submit the SF-269 or SF-269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Department upon request of the recipient.

(2) SF-272, Report of Federal Cash Transactions

(i) When funds are advanced to recipients the Department shall require

each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. The Department shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) The Department may require forecasts of Federal cash requirements in the "Remarks" section of the report.

(iii) When practical and deemed necessary, the Department may require recipients to report in the "Remarks" section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. The Department may require a monthly report from those recipients receiving advances totaling \$1 million or more per year.

(v) The Grants Officer may waive the requirement for submission of the SF-272 for any one of the following reasons:

(A) When monthly advances do not exceed \$25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Grants Officer's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Department needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, the Department shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When the Department determines that a recipient's accounting system does not meet the standards in §145.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. The Depart-

ment, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) The Grants Officer may "shade out" any line item on any report if not necessary.

(4) The Department may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) The Department may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

§145.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. The Department shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Department. The only exceptions are the following.

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Department, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in §145.53(g).

(c) Copies of original records may be substituted for the original records if authorized by the Department.

Department of State

§ 145.61

(d) The Department shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, the Department may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Department, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, no Department shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Department can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the Department.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) apply to the following types of documents, and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to the Department or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting

records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Department or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

TERMINATION AND ENFORCEMENT

§ 145.60 Purpose of termination and enforcement.

Sections 145.61 and 145.62 set forth uniform suspension, termination and enforcement procedures.

§ 145.61 Termination.

(a) Awards may be terminated in whole or in part only if paragraphs (a) (1), (2) or (3) of this section apply.

(1) By the Department, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By the Department, with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) By the recipient, upon sending to the Department written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Department determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a) (1) or (2).

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in § 145.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision

shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 145.62 Enforcement.

(a) *Remedies for noncompliance.* If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Department may, in addition to imposing any of the special conditions outlined in § 145.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Department.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) *Hearings and appeals.* In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.

(c) *Effects of suspension and termination.* Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if paragraphs (c) (1) and (2) of this section apply.

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable.

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the fund-

ing period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under Executive Orders 12549 and 12689 and the implementing regulations at 22 CFR part 137.

Subpart D—After-the-Award Requirements

§ 145.70 Purpose.

Sections 145.71 through 145.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§ 145.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Grants Officer may approve extensions when requested by the recipient.

(b) Unless the Grants Officer authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award.

(c) The Department shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that the Department has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, the Department shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received

Department of State

§ 145.73

from the Federal Government in accordance with §§ 145.31 through 145.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, the Department shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

§ 145.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following:

(1) The right of the Department to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in § 145.26.

(4) Property management requirements in §§ 145.31 through 145.37.

(5) Records retention as required in § 145.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the Department and the recipient, provided the responsibilities of the recipient referred to in § 145.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 145.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Department may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements.

(2) Withholding advance payments otherwise due to the recipient.

(3) Taking other action permitted by statute.

(b) Except as otherwise provided by law, the Department shall charge interest on an overdue debt in accord-

ance with 4 CFR Chapter II, Federal Claims Collection Standards.

APPENDIX A TO PART 145—CLAUSES FOR CONTRACTS AND SMALL PURCHASES AWARDED BY RECIPIENT

All contracts and small purchases, awarded by a recipient who is subject to this regulation, shall contain the following clauses, as applicable:

1. *Equal Employment Opportunity*—All contracts shall contain a clause requiring compliance with Executive Order 11246, "Equal Employment Opportunity," as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

2. *Copeland "Anti-Kickback" Act (18 U.S.C. 874 and 40 U.S.C. 276c)*—All contracts and subgrants in excess of \$2000 for construction or repair awarded by recipients and subrecipients shall include a clause for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Department.

3. *Davis-Bacon Act, as amended (40 U.S.C. 276a to a-7)*—When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than \$2000 shall include a clause for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Department.

4. *Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333)*—Where applicable, all contracts awarded by recipients in excess of \$2000 for construction contracts and in excess of \$2500 for other contracts that involve the employment of mechanics or laborers shall include a clause for compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333), as supplemented by Department of Labor regulations (29 CFR part 5). Under section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. *Rights to Inventions Made Under a Contract or Agreement*—Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the Department.

6. *Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended*—Contracts and subgrants of amounts in excess of

\$100,000 shall contain a clause that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to the Department and the Regional Office of the Environmental Protection Agency (EPA).

7. *Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)*—Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

8. *Debarment and Suspension (Executive Orders 12549 and 12689)*—No contract shall be made to parties listed on the General Services Administration’s List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with Executive Orders 12549 and 12689, “Debarment and Suspension.” This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than Executive Order 12549. Contractors with awards that exceed the small purchase limitation shall provide the required certification regarding its exclusion status and that of its principal employees.

SOURCE: 45 FR 59554, Sept. 10, 1980, unless otherwise noted.

Subpart A—General

§ 161.1 Purpose and scope.

These Departmental regulations are designed to supplement the CEQ Regulations and provide for the implementation of those provisions identified in § 1507.3(b) of the CEQ Regulations. The CEQ Regulations are incorporated herein by reference. The Department's regulations seek to assure that environmental considerations and values are incorporated into the Department's decisionmaking process and assign re-

sponsibility within the Department for assessing the significant environmental effects in the United States of the Department's actions.

§ 161.2 Policy.

It is the policy of the Department of State to use all practicable means, consistent with the Department's statutory authority, available resources and national policy, to:

- (a) Protect and enhance the quality of the environment;
- (b) Ensure that environmental amenities and values are appropriately considered in Departmental actions;
- (c) Integrate planning and environmental review procedures with the Department's decisionmaking process;
- (d) Invite and facilitate, when appropriate, Federal, State and local governmental authorities and public involvement in decisions which affect the quality of the environment; and
- (e) Recognize the worldwide and long-range character of environmental concerns and, when consistent with the foreign policy of the United States, lend appropriate support to initiatives, resolutions, and programs designed to maximize international cooperation in anticipating and preventing a decline in the quality of the world environment.

§ 161.3 Applicability.

The provisions of these regulations apply to decisions on all Departmental actions which may affect the quality of the environment within the United States. The Department is establishing separate environmental review procedures under Executive Order 12114 (January 4, 1979) for actions having potential effects on the environment of global commons or areas outside the jurisdiction of any nation, or on the environment of foreign nations.

§ 161.4 Definitions.

Definitions for many terms used in these regulations may be found in section 1508 of the CEQ Regulations. In addition, for the purpose of these regulations, the term:

Department of State

§ 161.5

(a) *Responsible action officer* means the Department officer principally responsible for the preparation of action memoranda and other documents relating to a given Departmental action to which by these regulations apply. Ordinarily, the responsible action officer will be the country or office director whose office has action responsibility for a given action.

(b) *CEQ Regulations* means the regulations implementing the procedural provisions of the National Environmental Policy Act, issued by the Council on Environmental Quality on November 29, 1978 (43 FR 55978-56007), and codified at 40 CFR parts 1500-1508.

(c) *United States* means the States, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Marianas, the Trust Territory of the Pacific Islands, American Samoa, the U.S. Virgin Islands, Guam and the other territories and possessions of the United States, including the territorial seas thereof. For the purpose of these regulations, actions having significant environmental effects on the resources of the U.S. continental shelf or resources of the U.S. Fishery Conservation Zone subject to the jurisdiction of the United States shall be considered to be actions having significant environmental effects in the United States.

(d) *Environmental document* means an environmental assessment, an environmental impact statement, a Finding of No Significant Impact or a Notice of Intent prepared under these regulations.

Subpart B—NEPA and Departmental Decisionmaking

§ 161.5 Major decision points and timing.

(a) The responsible action officer shall ensure compliance with these regulations at the earliest practicable stage of Departmental study, consideration or planning of a proposed major Federal action which could significantly affect the quality of the human environment. To accomplish this the responsible action officer must ensure that data developed during the review process is collected, analyzed and made available for consideration early in planning and decisionmaking when it

will be most valuable in formulating, reviewing and deciding upon proposals for Departmental action.

(b) Environmental analysis and review of a proposed Departmental action shall be conducted as early as practicable so as to be timely, yet late enough to be relevant to the decision-making.

(c) Environmental documents should, whenever possible, accompany the principal action memorandum relating to a proposed action. An environmental document required in conjunction with conclusion of an international agreement shall, where possible, be prepared and circulated for review and comment before final negotiations begin. The completed environmental document should thus ordinarily accompany the principal action memorandum or request for authority to negotiate an agreement under the Department's Circular 175 regulation (11 FAM 720).

(d) To the maximum extent possible an environmental document should be prepared before the establishment of a final United States position on a proposal. In such cases the document should indicate the alternatives under consideration without specifying a Departmental preference. If the content and dimensions of a proposed action will not be clear until after the conclusion of an international negotiation or if a decision to proceed on an action involving another nation or international organization is required on short notice and before the environmental document can be prepared, the environmental document should be prepared as soon as possible after the conclusion of an agreed text of a treaty or agreement on the proposed action. If the Senate's advice and consent to a treaty with potential significant environmental effects in the United States will be sought, the final environmental impact statement should accompany other decision documentation for ratification. Legislative environmental impact statements on proposed treaties or legislation shall conform to the requirements of § 1506.8 of the CEQ Regulations and must be prepared in time for Congressional hearings and deliberations.

(e) Because actions having effects on the United States may to varying degrees be initiated, influenced and conducted by other countries, it is recognized that the preparation of environmental documents for such actions must be adjusted to meet a variety of circumstances. Bearing in mind the degree to which other countries possess information on and the ability to affect the decision under consideration, responsible action officers shall seek at all times to prepare environmental analysis documents as early as feasible in the decisionmaking process.

§ 161.6 Responsibilities of departmental officials.

(a) *General.* As a general rule, responsibility for preparing environmental analysis documents will follow the Department's standard organizational practices; in this way environmental considerations and awareness of environmental responsibilities will be integrated most readily and effectively into the usual decisionmaking processes.

(1) *Departmental bureaus.* Each bureau within the Department shall be responsible for:

(i) Implementing these regulations and incorporating them into its normal decisionmaking processes;

(ii) Identifying actions it intends to initiate which may affect significantly the environment of the United States and employing the environmental evaluation procedures outlined in these regulations to ensure that necessary actions are taken to meet the requirements of applicable laws and regulations;

(iii) Coordinating environmental assessment-related activities for which it is responsible with the Office of Environment and Health in the Bureau of Oceans and International Environmental and Scientific Affairs and supporting and assisting the Office of Environment and Health in implementing these regulations as required; and

(iv) Providing the personnel required to implement these regulations, informing the Office of Environment and Health and the Office of the Legal Adviser whenever it is anticipated that environmental documents will be prepared under these regulations, and con-

sulting the Office of Environment and Health and the Office of the Legal Adviser as necessary for guidance and assistance in the preparation of such documents.

(2) *Bureau of Oceans and International Environmental and Scientific Affairs.* Through its Office of Environment and Health the Bureau shall have the primary responsibility for ensuring the Department's compliance with environmental policies, regulations and procedures. It shall provide policy and professional direction and guidance within the Department for implementing these regulations. It shall also assist other bureaus in obtaining appropriate scientific advice and budgetary resources to implement the regulations. The Office of Environment and Health will act as the focal point for implementation, working closely with the Departmental bureaus and the Office of the Legal Adviser. The Bureau and other involved bureaus will work closely with the Assistant Secretary for Congressional Relations in the preparation of environmental documents relating to legislation. In carrying out its responsibilities the Bureau shall:

(i) Coordinate the formulation, development and revision of Departmental policies and positions on matters pertaining to environmental evaluation and review;

(ii) Develop and ensure the implementation of Departmentwide standards, procedures and working relationships for environmental review and compliance with applicable environmental laws and regulations;

(iii) Develop, as an integral part of the Department's basic decision processes, procedures to ensure that environmental factors are properly considered in all relevant proposals and decisions;

(iv) Monitor these processes to ensure that Departmental procedures are achieving their purposes;

(v) Advise, assist and inform Departmental bureaus of the technical and management aspects of environmental analysis, and of the relevant expertise available in and outside the Department;

Department of State

§ 161.7

(vi) Establish and maintain working relationships with the Council on Environmental Quality, Environmental Protection Agency, and other federal, State and local governmental agencies concerned with environmental matters;

(vii) Represent the Department in working with other government agencies and organizations to formulate, revise and achieve uniform understanding and application of government-wide policies relating to the environment;

(viii) Consolidate and transmit to the appropriate parties Departmental comments on environmental impact statements and other environmental reports prepared by other agencies; and

(ix) Acquire information for and prepare other Departmental reports on environmental assessment matters.

(3) *Office of the Legal Adviser.* The Office of the Legal Adviser is the principal Departmental authority on the legal aspects of environmental matters and the implementation of these regulations and shall advise and assist Departmental Bureaus in these matters.

(4) *Bureau Environmental Coordinators.* Each Departmental bureau and major office shall designate an officer to act as coordinator, adviser and principal point of contact for environmental matters within the bureau. The bureau coordinator will advise and assist the bureau in implementing these regulations and serve as a member of the Departmental Committee of Environmental Coordinators.

(5) *Departmental Committee of Environmental Coordinators.* A Departmental Committee of Environmental Coordinators shall be established to assist in coordinating Departmental implementation of these regulations; in providing advice on major issues, policies and procedures relating to the Department's implementation of environmental analysis requirements; and in ensuring general conformity of Departmental implementation practices. The Committee's responsibility will be to exchange information on the implementation of these regulations, assist bureaus in early identification of Departmental actions which should be analyzed for environmental effects and help to coordinate and provide the appropriate analysis. The Committee will

be chaired by the Office of Environment and Health and will be comprised of bureau and office coordinators designated by the respective bureaus and offices.

(6) *Outside contractors.* Qualified outside contractors may be employed to assist Departmental officers in preparing environmental documents as required under these regulations.

§ 161.7 Categories of actions.

Departmental officers shall review each major Departmental action having a potentially significant effect on the quality of the environment in the United States. The need to prepare formal environmental documents will depend on the scope of the action and the context and intensity of any environmental effects expected if the action is implemented. Departmental actions can generally be grouped into three categories, as follows:

(a) *Actions normally requiring environmental impact statements.* Any Departmental action deemed to have a "significant effect upon the quality of the human environment" of the United States requires the preparation of an environmental impact statement. The criteria to be used in determining significance are set forth in § 1508.27 of the CEQ Regulations. The Department has reviewed representative actions and has found no common pattern which would enable it to specify actions normally requiring environmental impact statements. If developments later enable such designations to be made the Department will publish a description of proposed actions for such designation in the FEDERAL REGISTER.

(b) *Actions categorically excluded from the requirement to prepare environmental impact statements.* Categorical exclusion, as defined in § 1508.4 of the CEQ Regulations, provides for exclusion from environmental review of specified actions which have as a class been found to have no significant impact on the quality of the human environment. Neither an environmental assessment nor an environmental impact statement is ordinarily required for such actions. Departmental actions categorically excluded from the requirements of these regulations include the following:

(1) Routine conduct of Departmental and overseas political and economic functions, including reporting on political and economic developments, trends and activities, communicating to host governments United States Government views, maintaining contact with foreign officials and individuals, and facilitating trade opportunities abroad and U.S. business expansion in foreign markets;

(2) Provision of consular services—visas, passports and citizenship, and special consular services, such as issuing or reviewing passports and visas, taking legal depositions, notarizing absentee ballots and other documents and delivering retirement checks, social security payments and veterans benefits;

(3) Conduct of routine administrative functions, such as budget and finance, personnel and general services. This includes routine administrative procurements (e.g., general supplies, negotiating leases for office space or staff housing, ordering supplies and arranging for customs clearances); financial transactions, including salaries, expenses and grants; routine management, formulation and allocation of the Department's budget at all levels (this does not exempt the preparation of environmental documents for proposals included in the Department's budget when required); and personnel actions (e.g., promotions, hirings, and counseling American and host country employees who work for the Department of State);

(4) Preparing for and participating in conferences, workshops or meetings for information exchange, data collection or research or study activities; and

(5) Document and information exchanges.

Even though an action may be categorically excluded from the need for an environmental impact statement, if information developed during the planning for the actions indicates the possibility that the particular action in question may nonetheless cause significant environmental effects, an environmental assessment shall be prepared to evaluate those effects. Based upon the assessment, a determination will be made whether to prepare an environmental impact statement. The Department may designate additional actions

for categorical exclusion by publishing a listing of actions proposed for such designation in the FEDERAL REGISTER.

(c) *Actions normally requiring environmental assessments.* An environmental assessment shall provide the basis of the determination whether an environmental impact statement is required. A Departmental action shall require the preparation of an environmental assessment if the action is not one known normally to require an environmental impact statement and is not categorically excluded. Departmental actions normally included in this category are actions for which the Department has lead-agency responsibility and which may significantly affect the human environment of the United States, such as those actions involving:

(1) Issuance of permits for construction of international bridges and pipeline (see Executive Order 11423 and the International Bridge Act of 1972 (Pub. L. 92-434, 86 Stat. 23));

(2) Wetlands, floodplains, endangered species and national historical, archeological and recreational sites (see also specific requirements for environmental review and consultation in § 161.11 of these regulations); and

(3) Ocean dumping, control of toxic substances, disposal and storage of wastes and radioactive substances.

(d) *Emergencies and other exceptional circumstances.* Not every Departmental activity will be considered a major Federal action for the purposes of these regulations. Several limited classes of action which might ordinarily be subject to these regulations will not be considered major Federal actions requiring the preparation of an environmental impact statement. Among them are the following:

(1) Actions taken in emergency circumstances and disaster and emergency relief activities as defined in § 1506.11 of the CEQ Regulations (in such circumstances the responsible action officer should consult with the Office of Environment and Health which shall consult with the Council on Environmental Quality about appropriate alternative arrangements);

(2) Mandatory actions required under any treaty or international agreement

to which the United States Government is a party, or required by the decisions of international organizations or authorities in which the United States is a member or participant except when the United States has substantial discretion over implementation of such requirements;

(3) Payment of contributions, either assessed or voluntary, to any international organization of which the United States is a member pursuant to the obligation of a treaty or other international agreement or which is not for the purpose of carrying out a specifically identifiable action which would affect the environment; and

(4) Support for or acquiescence in (by affirmative vote or agreement to consensus) an activity or expenditure of funds by an international organization where the United States has no unilateral right to control such expenditures.

Subpart C—Environmental Review Procedures

§ 161.8 General description of the Department's NEPA process.

In reviewing proposed actions for potential environmental effects in the United States responsible action officers will follow the procedural steps set forth below. These steps are developed in conjunction with the procedural steps required by the CEQ Regulations which are referenced in the following sections.

(a) *Preliminary environmental evaluations.* Early in the process of considering any possible action the responsible action officer shall review the action to determine if it may cause potential significant environmental effects on the environment of the United States. A proposed action shall be reviewed initially to determine into which of the following three basic categories of action it falls:

(1) Actions normally requiring environmental impact statements;

(2) Actions categorically excluded from environmental impact statements; or

(3) Actions normally requiring environmental assessments. If the responsible action officer concludes that the proposed action is a major action potentially having significant effects in

the United States he should, in cooperation with other appropriate Departmental officials, carry out the steps described in these regulations. If during his review of the location of potential environmental effects or following preparation of an environmental assessment it is determined that the action could affect the environment of the global commons or a foreign nation the officer is responsible for ensuring compliance with the Department's procedures for implementing Executive Order No. 12114 on Environmental Effects Abroad of Major Federal Actions (Foreign Affairs Manual, Volume 2).

(b) *Environmental Assessment.* An environmental assessment is a concise document which analyzes potential environmental effects to determine if an environmental impact statement is required (CEQ Regulations §§ 1501.3 and 1508.9). If the action does not fall into either the category of those actions normally requiring an environmental impact statement or that of actions categorically excluded from the requirement to prepare an environmental impact statement, then the responsible action officer, in cooperation with other Departmental officials, shall prepare an environmental assessment to determine whether it is necessary to prepare an environmental impact statement or a "Finding of no significant impact". If the action normally requires an environmental impact statement, there is ordinarily no need for the preparation of an environmental assessment and the environmental impact statement process should be initiated without preparing such an assessment. If the action is categorically excluded, no further environmental review is needed. If an environmental assessment is prepared it may also be used to evaluate whether the proposed action may have effects outside the United States.

(c) *Finding of no significant impact.* If the environmental assessment indicates that the environmental effects of the action in the United States are not significant, then the responsible action officer shall make a "Finding of no significant impact", thereby concluding the NEPA review process (CEQ Regulations §§ 1501.4 and 1508.13).

(d) *Environmental impact statement.* If the environmental assessment demonstrates that the environmental effects of the action with the United States may be “significant” (see § 1508.27 of the CEQ Regulations) the Department is required to prepare an environmental impact statement (EIS) in accordance with these regulations (see also CEQ Regulations § 1501.8, part 1502 and §§ 1506.2 through 1506.7). In preparing the environmental impact statement the following steps will be carried out:

(1) *Notice of intent to prepare an EIS.* If an impact statement is required, the Department will publish in the FEDERAL REGISTER a “Notice of intent” to prepare such a statement (CEQ Regulations §§ 1501.7 and 1508.22).

(2) *Scoping procedures.* The Department will then hold a scoping meeting with interested agencies and individuals to determine the proper content (“scope”) of the statement (CEQ Regulations §§ 1501.7 and 1508.25).

(3) *Draft environmental impact statement (DEIS).* The Department will then prepare a draft EIS (DEIS) which will be filed with the Environmental Protection Agency and circulated to agencies and the public for comment for at least 45 days, except where the CEQ Regulations and these regulations permit the time period to be shortened (CEQ Regulations § 1501.8, part 1502, §§ 1506.2 through 1506.7, 1506.10(d) and 1506.11; 161.7(d), 161.9(n)(2)).

(4) *Final environmental impact statement (FEIS).* In light of the comments and following any revision in the draft EIS, the Department will file with the Environmental Protection Agency and circulate to agencies and the public a final EIS at least 30 days before making a final decision on the action, except where the CEQ Regulations and these regulations permit the time period to be shortened (CEQ Regulations §§ 1506.9, 1506.10(d), 1506.11; 161.7(d), 161.9(n)(2)).

(5) *Record of decision.* After making a decision on the action, the Department will make available a formal “Record of decision” (CEQ Regulations § 1505.2).

§ 161.9 Specific steps in the Department’s NEPA process.

(a) *Decision whether to prepare an EIS.* In deciding whether to prepare an environmental impact statement, the responsible action officer shall make an initial review in the early planning stages of a proposed action to identify and evaluate potential environmental effects of the actions and all reasonable measures which may be taken to mitigate adverse impacts. This review must be conducted in conjunction with all requests under the Department’s Circular 175 procedure (11 FAM 720), with all actions involving the obligation of funds within the Department’s annual or supplemental budget submissions to the Office of Management and Budget, and with other actions when a potentially significant environmental impact may result. The responsible action officer shall ensure that the principal action memoranda prepared for such actions properly reflect the environmental review in all cases. No written statement is required in the case of actions which do not raise the question of environmental impacts. The environmental evaluation document prepared shall be considered along with political, economic and other decision-making factors relating to the proposed action.

(1) *Review of the categories of actions.* During the initial environmental review of the proposed action, the responsible action officer should classify the proposed Departmental action as one either normally requiring an environmental impact statement, normally not requiring such a statement, or normally requiring an environmental assessment. (See § 1504.1 of the CEQ Regulations and § 161.7 of these regulations.)

(i) *Actions normally requiring environmental statements.* Environmental assessments are not required for actions which it is already known will require the preparation of environmental impact statements. For each major Departmental action which, in the view of the responsible action officer meets the criteria of this section, he shall, in cooperation with the Office of Environment and Health, initiate steps to prepare an environmental impact statement. This will be accomplished by

preparing a "Notice of intent" to prepare an EIS (see § 1508.22 of the CEQ Regulations). The Office of Environment and Health shall arrange for publication of the notice in the FEDERAL REGISTER (see § 1507.3(e) of the CEQ Regulations). The responsible action officer shall then apply the procedures set forth in § 161.8 of these regulations to determine the scope of the proposed EIS, and proceed to prepare and release the environmental impact statement in accordance with CEQ and Departmental regulations. If, however, the responsible action officer believes that the proposed action, though included within or closely similar to one which normally requires the preparation of an EIS, will itself have no significant impact, he should conduct an environmental assessment in accordance with the CEQ Regulations (§ 1508.9). If the assessment demonstrates that there will be no significant impact, he should prepare a "Finding of no significant impact" and provide for public review a notice of this finding in accordance with §§ 1501.4(e) and 1506.6 of the CEQ Regulations.

(ii) *Actions categorically excluded.* Separate detailed documentation is not normally required for actions which are categorically excluded and which are therefore exempt from the requirement of preparations of an environmental assessment or environmental impact statement. However, the responsible action officer shall note in the action memorandum concerning the action that the proposed action has been reviewed under the Department's environmental procedures and determined to be categorically excluded. The Office of Environment and Health shall periodically review actions in the classes categorically excluded under these regulations to determine if the original decision to categorically exclude the class remains valid. If such a review determines that a proposed action may have a significant impact on the human environment the necessary revision in the categorical exclusion shall be made and an environmental assessment shall be prepared to determine the need for the preparation of an environmental impact statement.

(iii) *Actions normally requiring environmental assessments.* For each action

meeting the criteria of this section the responsible action officer shall prepare an environmental assessment (see §§ 1501.3 and 1508.9 of the CEQ Regulations) and, on the basis of that assessment, determine if an EIS is required. If the determination is that no environmental impact statement is required, the responsible action officer shall, in coordination with the Office of Environment and Health, prepare a "Finding of no significant impact" (see §§ 1501.4 and 1508.13 of the CEQ Regulations). The "Finding of no significant impact" shall be made available to the public through direct distribution and publication in the FEDERAL REGISTER. If the determination is that an environmental impact statement is required, the official shall proceed with the "Notice of intent" to prepare an EIS and the subsequent steps in the preparation and release of an EIS in accordance with the CEQ Regulations (§§ 1501.7, 1507.3 and 1508.22) and these regulations.

(2) *Preparation of environmental assessments.* Environmental assessments, as defined in the CEQ Regulations (§ 1508.9), should be prepared as directed in § 1501.3 of the CEQ Regulations. The environmental assessment shall be used to determine whether to prepare an environmental impact statement or a "Finding of no significant impact". The assessment shall include a brief discussion of the need for the proposed action, of alternatives and of environmental impacts and a listing of agencies and persons consulted in preparing the assessment.

(3) *Notice of intent to prepare an EIS.* As soon as practicable after deciding to prepare an environmental impact statement and before initiating the scoping process (see § 161.9(b) of these regulations) the Department or another lead agency, if one is designated in accordance with § 1501.5 of the CEQ Regulations, shall publish in the FEDERAL REGISTER a "Notice of intent" to prepare an EIS in accordance with §§ 1501.7 and 1508.22 of the CEQ Regulations. The Office of Environment and Health shall arrange for publishing the notice.

(b) *Scoping.* The Department shall conduct an early and open meeting with interested agencies and the public

for determining the scope of issues to be addressed in a given environmental impact statement and for identifying the significant issues related to a proposed action. The elements of the scoping process are defined in § 1501.7 of the CEQ Regulations and must include consideration of the range of actions, alternatives, and impacts discussed in § 1508.25 of the CEQ Regulations.

(c) *Cooperation with other agencies.* Departmental officials are encouraged to cooperate with other agencies and the public throughout the conduct of the Department's NEPA process. The Office of Environment and Health shall ensure also that the Department reviews the draft and final impact statements submitted for review by other agencies (§ 1502.19 of the CEQ Regulations). Where appropriate and to eliminate duplication it shall arrange to prepare environmental assessments and impact statements jointly with other Federal or State agencies. Where possible it will arrange for the department to "adopt" statements prepared by other agencies (§ 1506.3 of the CEQ Regulations). It shall arrange lead and cooperating agency responsibilities for preparing environmental documents (see §§ 1501.5 and 1501.6 of CEQ Regulations).

(d) *Preparation of draft environmental impact statement.* The responsible action officer shall be responsible for the preparation of the draft environmental impact statement in the manner described in § 1501.8, part 1502, and §§ 1506.2 through 1506.7 of the CEQ Regulations. Preliminary copies of the draft environmental impact statement and attachments shall be submitted to the Office of Environment and Health before any formal review is conducted outside the Department. This submission shall be accompanied by a list of Federal, State, and local officials (Part 1503 of the CEQ Regulations) and a list of other interested parties (§ 1506.6 of the CEQ Regulations) whose comments shall be sought. The Office of Environment and Health shall review the draft and obtain additional comments from other appropriate Departmental bureaus and offices.

(e) *Review of and comment on draft EIS.* For external review, the Office of Environment and Health shall trans-

mit five copies of the revised draft statement to the Environmental Protection Agency (EPA) Office of Federal Activities. EPA will publish a notice of the statement's availability the following week in the FEDERAL REGISTER. Upon transmission of the draft statement to EPA, the Office of Environment and Health shall also seek the views of appropriate agencies and individuals in accordance with Part 1503 and §§ 1506.6 and 1506.9 of the CEQ Regulations. It shall specify that replies are required at a stated date not earlier than 45 days from the date of NEPA publication of the draft statement availability. Any views submitted during the comment period shall be provided to the responsible action officer in the Department for consideration in preparing the final statement. To the fullest extent possible, requirements for review and consultation with other agencies on environmental matters established by statutes other than NEPA, such as the review and consultation requirements of the Endangered Species Act of 1973, as amended, should be met before or through this review process (see § 161.11 of these regulations). In addition, the draft EIS shall list all environmentally-related federal permits, licenses or other approvals required to implement the proposal as specified in § 1502.25(b) of the CEQ Regulations.

(f) *Public involvement.* (1) Departmental officials will make diligent efforts to involve the public in implementing these regulations as provided in §§ 1501.4(e), 1503.1(a)(e) and 1506.6 of the CEQ Regulations.

(2) Interested persons can obtain information on the Department's environmental impact statements and other aspects of the Department's NEPA process by contacting the Director, Office of Environment and Health, Room 7820, Department of State, Washington, DC 20520 (tel. 202/632-9266). Information pertaining to the NEPA process may be sent to the above address. FEDERAL REGISTER notices concerning the Department's environmental documents shall specify where such information relevant to the documents in question may be obtained.

Department of State

§ 161.9

(3) The responsible action officer shall identify those persons, community organizations, environmental interest groups, international organizations or other bodies which may have an interest in or be affected by the proposed Departmental action and who should therefore be involved in the NEPA process. With the assistance of the Office of Environment and Health, the responsible action shall transmit a list of such persons, groups and organizations to the Office of Environment and Health at the same time he submits:

- (i) A recommendation regarding a "Finding of no significant impact";
- (ii) A "Notice of intent to prepare an EIS";
- (iii) A recommendation on possible public hearings (see §1506.6(c) of CEQ Regulations);
- (iv) A draft EIS, or
- (v) A final EIS.

(4) The responsible action officer shall consult with the Office of Environment and Health and make recommendations regarding the need for public hearings. The Office of Environment and Health shall, as necessary, review such recommendations with the Office of the Legal Adviser.

(g) *Preparation of final environmental impact statement.* (1) After conclusion of the review process with other Federal, State and local agencies and the public, the responsible action officer shall consider suggestions received and revise the draft environmental impact statement as appropriate in accordance with part 1502 and §1501.8 and §§1506.2 through 1506.7 of the CEQ Regulations.

(2) Five copies of the preliminary final environmental impact statement, with attached copies of the comments received and suggested responses, shall be provided to the Office of Environment and Health. The Office of Environment and Health will, as appropriate, obtain additional comments from any other appropriate Departmental bureau or offices and notify the responsible action officer of any further changes required and the number of final statements to be transmitted. The Office of Environment and Health shall submit five copies of the final statement to the Environmental Protection Agency's Office of Environ-

mental Review. Copies shall also be sent to all parties who commented and to other interested parties in accordance with §1506.9 of the CEQ Regulations.

(3) Each draft and final statement, the supporting documentation, and the "Record of decision" (see §161.9(h) of these regulations) shall be available for public review and copying at the Office of Environment and Health (OES/ENH), Room 7820, Department of State, Washington, DC 20520 (tel. 202/632-9267).

(h) *Record of the decision.* At the time of the decision on the proposed action, the responsible Departmental official shall consult with the Office of Environment and Health and prepare a concise "Record of decision" (see §1505.2 of the CEQ Regulations).

(i) *Timing of EIS preparation and action decision.* Preparation of an environmental impact statement shall be initiated as soon as the responsible action officer, in consultation with the Office of Environment and Health and the Office of the Legal Adviser, has determined that the statement shall be prepared. Except where permitted by the CEQ Regulations (§§1506.10(d), 1506.11) and these regulations (§§161.7(d), 161.9(n)(2)), no decision on the proposed action shall be made by the Department until the later of the following dates:

(1) Ninety (90) days after publication by EPA of a notice of availability of a Departmental draft EIS.

(2) Thirty (30) days after publication by EPA of a notice of availability of a departmental final EIS.

(j) *Implementing and monitoring the decision.* Section 1505.3 of the CEQ Regulations establishes the procedures to be followed by the Department in monitoring to assure that any mitigation measures or other commitments associated with the decision and its implementation are carried out. The Office of Environment and Health will maintain general oversight and cooperate with bureau officers in such monitoring.

(k) *Supplemental environmental impact statements.* Departmental officials shall supplement a draft EIS whenever an alternative which is substantially different from those discussed in the draft is under consideration or when the

draft is otherwise out of date. A final EIS shall be supplemented when a substantial change is made in the proposed action or when significant new information on the environmental impacts comes to light. A supplemental EIS should be prepared, circulated and approved in accordance with the provisions of § 1502.9 of the CEQ Regulations. No supplemental EIS need be prepared when the final decision on the action in question has already been made. If there are reasons not to prepare a supplemental EIS when one ordinarily would be called for, the responsible action officer should consult with the Office of Environment and Health, which shall consult with the Council on Environmental Quality on the matter.

(l) *Programmatic and generic environmental impact statements.* (1) Before preparing an environmental document under these regulations the responsible action officer should determine if there exists a generic or programmatic environmental document analyzing actions, effects or issues similar to those involved in the proposed action. A generic environmental document reviews the environmental effects that are generic or common to a class of Departmental actions which may not be specific to any single country or area. Where such a document is prepared it could be applied to a number of similar specific country applications. If a generic document exists and if it deals with relevant similarities in the action, such as common timing, environmental impacts, alternatives, methods of implementation or subject matter it will not be necessary to prepare further environmental documentation.

(2) A programmatic environmental document shall focus its analysis on the environmental aspects of an entire program rather than on the specific elements of the program. If a programmatic environmental document has already been prepared the responsible action officer should determine whether it adequately deals with the environmental effects of the particular action under review. If the programmatic document adequately reviews the environmental impacts of the action under consideration, then additional environmental documentation is not required under these regulations.

In preparing environmental documents on specific actions, Departmental officers shall consider the advisability of modifying or expanding the documents so they may serve as generic or programmatic documents for a broader range of actions.

(m) *Amendments.* Amendments to these regulations may be made by the Assistant Secretary for Oceans and International Environmental and Scientific Affairs in consultation with other Departmental bureaus and the Office of the Legal Adviser. Such amendments will be published in the FEDERAL REGISTER after consultation with the Council on Environmental Quality, in accordance with § 1507.3 of the CEQ Regulations, and public review and comment.

(n) *Modifications.* The Department's procedures for preparing environmental documents may be modified to accommodate the following circumstances:

(1) *Classified material.* Most Departmental environmental documents will not normally contain classified or administratively controlled material (see § 1507.3(c) of the CEQ Regulations); in some cases, however, an environmental document must include such material to evaluate adequately environmental effects. In such cases Departmental environmental documents, or portions thereof, may be classified. Such material should, if possible, be confined to a classified annex of the environmental document. Approval for classification must be granted with the concurrence of the Assistant Secretary for Oceans and International Environmental and Scientific Affairs and the Office of the Legal Adviser, and the assistant secretary of the bureau with the action responsibility for the proposed action. In these cases, Departmental environmental documents or portions thereof may be classified in accordance with the criteria set forth in Executive Order 12065, dated December 1, 1978. Handling and disclosure of classified or administratively controlled material shall be governed by 22 CFR part 9. The portions of an environmental document which are not classified or administratively controlled will be made available to persons outside the Department, as provided in 22 CFR part 9.

Department of State

§ 161.11

Classification does not preclude the obligation to ensure that environmental documents are reviewed by competent scientific and technical experts. Appropriate arrangements will be made through the Office of Environment and Health for Federal agency review of classified or administratively controlled environmental documents.

(2) *Time periods for environmental review.* When necessary to comply with other specific statutory requirements or for compelling reasons of national policy the Department may, by agreement with the Environmental Protection Agency, modify time periods specified by the CEQ Regulations for preparing environmental documents in accordance with § 1506.10 of the CEQ Regulations. See also provisions for emergency circumstances contained in § 1506.11 of the CEQ Regulations and § 161.7(d) of these regulations.

Subpart D—Coordination of Other Requirements of NEPA

§ 161.10 Non-Federal applicants for permits.

The Department is responsible for issuing international permits for the construction of bridges and oil pipelines that cross the international boundaries with Canada and Mexico. The Office of Environment and Health will assist in preparation of the required environmental analysis documentation for such permits. Applicants for international permits may obtain information on the type of environmental information needed and the extent of the applicant's participation in the necessary environmental studies and their documentation from the Office of the Legal Adviser, Department of State, Washington, DC 20520 (tel. 202/632-0349). Applicants are encouraged to consult early with the Department on the necessary environmental and other requirements in order to expedite the NEPA process.

§ 161.11 Environmental review and consultation requirements.

In addition to the environmental review requirements of NEPA the Department has other statutory environmental review and consultation requirements. Departmental officials, in

cooperation with the Office of Environment and Health and the Office of the Legal Adviser shall, to the maximum extent possible, conduct environmental review and consultation for these additional requirements concurrently with and integrated with preparation of assessments, and environmental impact statements. The principal additional requirements affecting the Department of State's actions are outlined below.

(a) Section 7 of the Endangered Species Act, as amended, 16 U.S.C. 1531 *et seq.*, requires identification of and consultation on aspects of any Departmental action that may have effects in the United States on listed species or their habitat. As appropriate, written request for consultation, along with the draft environmental document, shall be conveyed by the Office of Environment and Health to the Regional Director of the U.S. Fish and Wildlife Service or the National Marine Fisheries Service, as appropriate, for the Region in the United States where the action will be carried out.

(b) Section 106 of the National Historic Preservation Act of 1966, as amended, 16 U.S.C. 470(f), requires identification of National Register properties, eligible properties, or properties in the United States which may be eligible for the National Register within the area of the potential impact of a proposed Departmental action. Evaluation of the impact of the action on such properties shall be discussed in draft environmental impact statements and transmitted to the Advisory Council on Historic Preservation for comments.

(c) Executive Order 11988 (Floodplains Management) and Executive Order 11990 (Wetlands), requires identification of actions which will occur in or affect a floodplain or wetland (e.g., in areas along the boundary with Canada or Mexico). A comparative evaluation of such actions shall be discussed in draft environmental impact statements and transmitted to the U.S. Water Resources Council for comments.

(d) Fish and Wildlife Coordination Act, 16 U.S.C. 661 *et seq.*

(e) Section 309 of the Clean Air Act of 1955, as amended, 42 U.S.C. 7609.

§ 161.12

22 CFR Ch. I (4–1–97 Edition)

(f) Clean Water Act of 1977, 33 U.S.C. 1251 *et seq.*

(g) Coastal Zone Management Act of 1972, as amended, 16 U.S.C. 1451 *et seq.*

(h) Marine Protection, Research and Sanctuaries Act of 1972, as amended, 16 U.S.C. 1401 *et seq.*

(i) Deepwater Port Act of 1974, as amended, 33 U.S.C. 1501 *et seq.*

(j) Marine Mammal Protection Act of 1972, 16 U.S.C. 1361 *et seq.*

§ 161.12 Environmental effects abroad of major departmental actions.

Departmental officials shall analyze actions under their cognizance with

due regard for the environmental effects in the global commons and areas outside the jurisdiction of any nation and in foreign jurisdictions. Such analysis shall be prepared in accordance with separate Departmental procedures (Foreign Affairs Manual, Volume 2), dated September 4, 1979 for implementing Executive Order 12114, "Environmental Effects Abroad of Major Federal Actions" (44 FR 1957), dated January 4, 1979.

Subpart A—General Policy and Procedures

§ 171.1 Availability of information.

(a) Unclassified information, documents, and forms which have previously been provided to the public as part of the normal services of the Department of State will continue to be made available on the same basis as before. Any Departmental officer who receives a request for records through normal channels of contact with the public, media, or the Congress which would not normally be made available shall advise the requester that the request will be referred to the Information and Privacy Coordinator, Foreign Affairs Information Management Center, for processing under the appropriate statute or executive order as provided in these regulations.

(b) All identifiable records of the Department of State shall be made available to the public upon compliance with the procedures established in this subchapter, except to the extent that a determination is made to withhold a record in accordance with an appropriate exemption as provided herein.

§ 171.2 Requests for information.

(a) Requests for identifiable records in accordance with this subchapter may be made by the public in person during regular business hours from the Department of State, 2201 C Street, NW., Washington, DC where the receptionist will refer the requester to the proper office for service and the necessary forms for making a request.

(b) Requests by mail and referrals from other agencies should be addressed to the Information and Privacy Coordinator, Foreign Affairs Information Management Center, Room 1239, Department of State, Washington, DC 20520, who will coordinate action as specified in this request. In addition, requests may be directed to the Department's field offices and overseas posts; routine, unclassified, administrative records may be released to the individual if it is determined that such release is authorized. Any unfilled request shall be submitted to the Information and Privacy Coordinator. Individuals are urged to clearly indicate on their requests the statute under which they are requesting access to information; this notation will facilitate the processing of the request by the Department.

(c) While every effort is made to guarantee the greatest possible access to all requesters, regardless of the specific statute under which the information is requested, the following guidance is provided for individuals in requesting records:

(1) *Freedom of Information Act*. Requests for documents concerning the general activities of government and of the Department of State in particular (see subpart B).

(2) *E. O. 12065*. Requests for mandatory review and declassification of Department records and requests for access by former Presidential appointees (see subpart C).

(3) *Privacy Act*. Requests from U.S. citizens or resident aliens for records pertaining to themselves and maintained by the Department under the individual's name (see subpart D).

(4) *Ethics in Government Act*. Requests for the financial Disclosure Statements of Department Employees covered by this Act (see subpart E).

(d) The burden of adequately identifying the record so requested lies with the requester. Individuals may seek assistance regarding any facet of their requests from the Information and Privacy Coordinator.

§ 171.3 Public reading room.

A public reading room or area where records may be made available is located in the Department of State, 2201

C Street, NW., Washington, DC 20520. The receptionist will refer the applicant to the proper room. All those statutes, regulations, and guidelines pertaining to access to information required to be made available to the public shall be located in the reading room. Fees will not be charged for access by the public to this room or the indexes and regulations contained therein, but fees, in accordance with § 171.6, will be charged for furnishing copies thereof. Persons desiring to utilize their own portable copying equipment should request approval in advance from the Information and Privacy Coordinator. Any arrangements for the use of such equipment must be consistent with security regulations of the Department of State and are subject to the availability of personnel to monitor such copying.

§ 171.4 Extension of time limits.

While every effort is made to meet the time limits cited in each section of this subchapter, unusual circumstances may arise which would necessitate the extension of these time limits. Extensions shall be granted in those instances where it is necessary, in order to guarantee proper processing of the request, to:

(a) Search for and collect the requested records from overseas posts or other establishments that are separate from the office processing the request;

(b) Search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(c) Consult with another agency having a substantial interest in the determination of the request or among two or more components of the Department of State having substantial subject matter interest therein. Such consultation shall be conducted with all practicable speed. In such instances the requester shall be given written notification by the Information and Privacy Coordinator of the extension of the time limit and the reason for such extension.

§ 171.5 Archival records.

The Department ordinarily transfers custody of records as soon as practicable after they become twenty (20)

Department of State

§ 171.10

years old to the National Archives and Records Service. These records are generally transferred in large blocks defined by years and/or major subject categories. Correspondence regarding access to these records should be addressed to the Chief, Diplomatic Branch, Civil Records Divisions, National Archives and Record Service, Washington, DC 20400.

§ 171.6 Fees-general.

(a) The Department will charge a duplication fee of \$.25 per page for copies of documents which are identified and made available to an individual pursuant to a request except, that there will be no charge for requests involving costs of \$10.00 or less.

(b) The Department will charge the actual cost of production for copies prepared by computer (such as tapes or printouts), including operator time.

(c) The Department will charge the actual direct costs of producing the document(s) for methods of reproduction or duplication other than those described in paragraphs (a) and (b) of this section.

(d) In those cases when estimated duplication charges are likely to exceed \$25, the Department shall notify requesters of the estimated amount of fees, unless they have indicated in advance their willingness to pay fees as high as those anticipated. Such notice shall offer requesters the opportunity to confer with Department personnel with the objective of reformulating requests to meet their needs at lower costs.

(e) Certification under the official seal that a copy or extract made from an official document is a true copy; the fee for certifying each copy of each page is \$2.00.

(f) The Department shall charge the actual costs for sending documents by special methods such as express mails, etc. when such is requested.

(g) Remittances shall be in the form of either a personal check or bank draft drawn on a bank in the United States, a postal money order, or cash. Remittance shall be made payable to the order of the Treasurer of the United States and delivered or mailed to the Information and Privacy Coordinator, Foreign Affairs Information Man-

agement Center, Room 1239, Department of State, 2201 C Street, NW., Washington, DC, 20520. The Department will assume no responsibility for cash sent by mail.

(h) Fees must be paid in full prior to release of requested documents and/or provision of service described above.

(i) A receipt for fees paid will be given only upon request.

(j) See §171.13 for additional fees chargeable for Freedom of Information requests.

Subpart B—Freedom of Information Provisions

§ 171.10 Definitions.

As used in this subpart, the following definitions shall apply:

(a) The term *identifiable* means, in the context of a request for a record, a description which enables a professional employee of the Department who is familiar with the subject area of the request to locate the record with a reasonable amount of effort. Such a description, if possible, should include date, format, subject matter, country concerned, office of mission originating or receiving the record, and the name of any person to whom the record is known to relate.

(b) The term *record* includes all books, papers, maps, photographs, or other documentary material, or copies thereof, regardless of physical form or characteristics, made in or receiving by the Department of State (including Foreign Service posts abroad) and preserved as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Department or the Foreign Service. It does not include copies of the records of other Government agencies (except those which have been expressly placed under the control of the Department of State upon termination of another agency), foreign government, international organizations, or non-governmental entities unless they evidence organization, functions, policies, decisions, procedures, operations, or activities of the Department of State. It does not include records not already in existence which would need

to be created specifically to meet a request. It does not include records in the Berlin Document Center.

(c) The term *agency* includes any executive department, military department, Government corporation, Government controlled corporation, or other establishment in the executive branch of the Government (including the Executive Office of the President), or any independent regulatory agency.

(d) The term *direct costs* means those expenditures which the Department actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(e) The term *search* includes all time spent looking for identifying and retrieving material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. The Department will attempt to ensure that searching for material is done in the most efficient and least expensive manner so as to minimize costs for both the Department and the requester. For example, the Department will not engage in line-by-line search when merely duplicating an entire document would prove the less expensive and quicker method of complying with a request. “Search” should be distinguished, moreover, from “review” of material in order to determine whether the material is exempt from disclosure (see paragraph (g) of this section). Searches may be done manually or by computer using existing programming.

(f) The term *duplication* refers to the process of making a copy of a document necessary to respond to a FOIA request. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others.

(g) The term *review* refers to the process of examining documents located to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general, legal or policy issues regarding the application of exemptions.

(h) The term *commercial use request* refers to a request from or on behalf of one who requests for information for a use or purpose that furthers the commercial, trade or profit interest of the requester or the person on whose behalf the request is made. In determining whether a requester belongs within this category, the Department will look at the use to which the requester will make of the documents requested.

(i) The term *educational institution* refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(j) The term *non-commercial scientific institution* refers to an institution that is not operated on a “commercial” basis as that term is referenced in paragraph (h) of this section, and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(k) The term *representative of the news media* refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term *news* means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. These examples

Department of State

§ 171.11

are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of “freelance” journalists, they may be regarded as working for a news organization if they can demonstrate a likelihood of publication through that organization, even though not actually employed by it. Likelihood of publication can be demonstrated through, for example, a publication contract or past publication record. Similarly, the absence of a publication record, especially where the requester has previously received records from the Department as a “representative of the news media” will be taken into account in determining the likelihood of publication.

[45 FR 58108, Sept. 2, 1980, as amended at 52 FR 32124, Aug. 26, 1987]

§ 171.11 Exemptions.

(a) The following categories of records maintained by the Department of State may be exempted from disclosure:

(1) Records specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy and in fact properly classified pursuant to such executive order.

(2) Records related solely to the internal personnel rules and practices of an agency.

(3) Records specifically exempted from disclosure by statute. Included in this category are records relating to the officers and employees of the Foreign Service, including efficiency records (sec. 612 of the Foreign Service Act of 1946, as amended, 22 U.S.C. 986), the records of the Department of State or of diplomatic and consular officers of the United States pertaining to the issuance or refusal of visas or permits to enter the United States (sec. 222(f), of the Immigration and Nationality Act of 1952, as amended, 8 U.S.C. 1202(f)), “Restricted Data” under section 224 of the Atomic Energy Act (42 U.S.C. 2274), records of expenditures certified under 22 U.S.C. 2671 and 31 U.S.C. 107, and records subject to sec-

tion 102(d) of the National Security Act of 1947 (61 Stat. 498).

(4) Records of trade secrets and commercial or financial information obtained from a person and privileged or confidential.

(5) Records which are inter-agency or intra-agency memorandums, letters, telegrams, or airmgrams which would not be available by law to a party other than an agency in litigation with the agency.

(6) Records such as personnel and medical files and similar files the public disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information—

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual.

(8) Records contained in or related to examination, operation, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the

regulation or supervision of financial institutions.

(9) Geological or geophysical information and data, including maps, concerning wells.

(b) Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under paragraph (a) of this section. Normally a portion of a record shall be considered reasonably segregable when segregation can produce an intelligible record which is not distorted out of context and does not contradict the record being withheld.

[45 FR 58108, Sept. 2, 1980, as amended at 52 FR 32124, Aug. 26, 1987]

§ 171.12 Time limits.

(a) Whenever possible, the Department will furnish the requested records within 10 days (excluding Saturdays, Sundays, and legal public holidays) of receipt of the request by the Information and Privacy Coordinator, except as cited in § 171.4 of this subchapter.

(b) The Department will consider requests for expeditious handling whenever the requester can demonstrate one of the following:

(1) An individual's life or personal safety would be jeopardized by the failure to process a request immediately, or

(2) Substantial due process rights of the requester would be impaired by the failure to process immediately, and the information sought is not otherwise available.

[52 FR 32124, Aug. 26, 1987]

§ 171.13 Fees.

(a) In addition to fees cited in § 171.6, the following shall be applicable with respect to services rendered to members of the public under this subpart:

(1) The following is the range of categories and average grade levels for employees within each category who perform the search and review functions involved in responding to a FOIA request:

(i) Administrative/clerical (to include GS-1 through GS-8 or FS-9): GS-5/5 or FS-9/1.

(ii) Professional (to include GS-9 through GS-13 or FS-5 through FS-2): GS-11/5 or FS-4/4.

(iii) Executive (to include GS-14 through SES or FS-2 through SFS): GS-15/1 or FS-1/1.

(2) The salary rates for these categories will be calculated based on the rates published on the "Department of State Salary Chart" effective at the time that the function was actually performed; copies of this chart are available in the Public Reading Room. The actual fee schedule for each category will be included in the Department's acknowledgment letter.

(3) The costs for manual search include the salary of the category of the employee who actually performed the search function (as provided in paragraph (a)(1) of this section) above plus an additional 16 percent of that rate to cover benefits.

(4) The cost for computer searches will be calculated based on the salary of the category of the employee who actually performed the computer search (as provided in paragraph (a)(1) of this section) plus 16 percent of that rate to cover benefits, in addition to the direct costs of the central processing unit, input-output devices, and memory capacity of the actual computer configuration.

(5) Only requesters who are seeking documents for commercial use will be charged for time spent reviewing records to determine whether they are exempt from mandatory disclosure. The cost for review will be calculated based on the salary of the category of the employee who actually performed the review (as provided in paragraph (a)(1) of this section) plus 16 percent of the rate to cover benefits. Charges will be assessed only for the initial review (i.e., review undertaken the first time in order to analyze the applicability of specific exemption(s) to a particular record or portion of a record) and not for review at the administrative appeal level of the exemption(s) already applied.

(6) If records requested under this subpart are stored elsewhere than the headquarters of the Department of State at 2201 C Street, NW., Washington, DC, the special cost of returning such records to the headquarters shall

Department of State

§ 171.13

be included in the search costs. These costs will be computed at the actual costs of transportation of either a person or the requested record between the place where the record is stored and Department headquarters when, for time or other reasons, it is not feasible to rely on Government mail service or diplomatic pouch.

(7) When no specific fee has been established for a service, or the request for a service does not fall under one of the above categories due to the amount or size or type thereof, the Information and Privacy Coordinator is authorized to establish an appropriate fee, pursuant to the criteria established in Office of Management and Budget Circular No. A-25, entitled "User Charges."

(b) Where it is anticipated that the fees chargeable under this subpart will amount to more than \$25 and the requester has not indicated in advance her/his willingness to pay fees as high as anticipated, the requester shall be promptly notified of the amount of the anticipated fees or such portion thereof as can readily be estimated. The notice or request for an advance deposit shall extend an offer to the requester to confer with knowledgeable Departmental personnel in an attempt to reformulate the request in a manner which will reduce the fees and meet the needs of the requester. Dispatch of such a notice or request shall suspend the running of the period for response by the Department until a reply is received from the requester.

(c) Search costs are due and payable even if the record which was requested cannot be located after all reasonable efforts have been made, or if the Department determines that a record which has been requested, but which is exempt from disclosure under this subpart, is to be withheld.

(d) The Department will begin assessing interest charges on an unpaid bill starting the 31st day following the day on which the billing was sent. The accrual of interest will be stayed upon receipt of the fee, rather than upon its processing by the Department. Interest will be at the rate prescribed in section 3717 of title 31 U.S.C.

(e) A requester may not file multiple requests at the same time, each seeking portions of a document or docu-

ments, solely in order to avoid payment of fees. When the Department reasonably believes that a requester or a group of requesters acting in concert is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Department will aggregate any such requests and charge accordingly.

(f) The Department will not require a requester to make an advance payment, i.e., payment before work is commenced or continued on a request, unless:

(1) The Department estimates or determines that allowable charges that a requester may be required to pay are likely to exceed \$250. Then, the Department will notify the requester of the likely cost and obtain satisfactory assurance of full payment where the requester has a history of prompt payment of FOIA fees, or require an advance payment of an amount up to the full estimated charges in the case of requesters with no history of payment; or

(2) Requesters who have previously failed to pay fees charged in a timely fashion (i.e., within 30 days of the date of the billing), the Department will require such requesters to pay the full amount owed plus any applicable interest as provided above or demonstrate that they have, in fact, paid the fee, and to make an advance payment of the full amount of the estimated fee before the agency begins to process new requests or pending requests from such requesters.

When the Department acts under paragraph (f)(1) or (2) of this section, the administrative time limit prescribed in subsection (a)(6) of the FOIA (i.e., 10 working days from receipt of initial requests plus permissible extensions of that time limit) will begin only after the Department has received payments described above.

(g) In accordance with the provisions and authorities of the Debt Collection Act of 1982 (Pub. L. 97-365), the Department reserves the right to disclose information to consumer reporting agencies and to use collection agencies, where appropriate, to encourage repayment.

[52 FR 32125, Aug. 26, 1987]

§ 171.14 Categories of requesters for fee purposes.

There are four categories of requesters: commercial use requesters; educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. The Act prescribes specific levels of fees for each of these categories. The Department will take into account information provided by requesters in determining their eligibility for inclusion in one of these categories as defined in § 171.10. It is in the requester's best interest to provide as much information as possible to demonstrate inclusion within a non-commercial category of fee treatment.

(a) The Department will assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating the records sought for commercial use. Commercial use requesters are entitled to neither two hours of free search time nor 100 free pages of reproduction of documents.

(b) The Department will provide documents to educational and non-commercial scientific institutions for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that the request being made is authorized by, and under the auspices of, a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research.

(c) The Department will provide documents to representatives of the news media for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must meet the criteria in § 171.10(k), and the request must not be made for a commercial use. In reference to this class of requesters, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use.

(d) The Department will charge requesters who do not fit into any of the

categories above fees which recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Moreover, requests from record subjects for records about themselves will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction.

(e) In making determinations under this section, the Department may take into account whether requesters who previously were granted (b), (c), or (d) status did in fact use the requested records for purposes compatible with the status accorded them.

[52 FR 32125, Aug. 26, 1987]

§ 171.15 Fee waivers and appeals.

(a) Waiver or reduction of any fee provided for in §§ 171.6 and 171.13 may be made upon a determination by the Chief of the Request Processing Section, Room 1239, Department of State, 2201 C Street, NW., Washington, DC 20520. The Department shall furnish documents without charge or at a reduced charge provided that: Disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, and is not primarily in the commercial interest of the requester. Requests for a waiver or reduction of fees shall be considered on a case-by-case basis.

(1) In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, the Department will consider the following four factors:

(i) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the government;

(ii) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(iii) The contribution to an understanding of the subject by the general

public likely to result from disclosure: Whether disclosure of the requested information will contribute to public understanding; and

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Department will consider the following two factors:

(i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(b) The Department will not consider waiver or reduction of fees for requesters (persons or organizations) from whom unpaid fees remain due to the Department for another information access request.

(c) (1) The Department's decision to refuse to waive or reduce fees as requested under paragraph (a) of this section may be appealed to the Chief of the Information Access Branch, Room 1239, Department of State, 2201 C Street NW., Washington, DC 20520. Appeals should contain as much information and documentation as possible to support the request for a waiver or reduction of fees.

(2) Appeals will be reviewed by the Information Access Branch Chief who may consult with other officials of the Department as appropriate. The requester will be notified within thirty working days from the date on which the Department received the appeal.

§ 171.16 Predisclosure notification procedures for confidential commercial information.

(a) *In general.* Confidential commercial information provided to the Department shall not be disclosed pursu-

ant to a Freedom of Information Act request except in accordance with this section. For purposes of this section, the following definitions apply:

(1) *Confidential Commercial Information* means records provided to the Department by a submitter that arguably contain material exempt from release under Exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2) *Submitter* means any person or entity who provides confidential commercial information to the Department. The term *submitter* includes, but is not limited to, corporations, state governments, and foreign governments.

(b) *Notice to submitters.* Whenever the Department receives a Freedom of Information Act request for confidential commercial information and, pursuant to paragraph (c) of this section, the submitter is entitled to receive notice of that request, the Department shall promptly notify the submitter that it has received the request, unless such notice is excused under paragraph (g) of this section. The notice shall be in writing and either describe the exact nature of the confidential commercial information requested or provide a copy of the records or portion of the records containing the confidential commercial information. The notice shall be addressed to the submitter and mailed, postage prepaid, first class mail, to the submitter's last known address. Where notice is required to be given to a voluminous number of submitters, in lieu of mailing the notice may be posted or published in a manner and place reasonably calculated to provide notice to the submitters.

(c) *When notice required.* (1) For confidential commercial information submitted prior to January 1, 1988, the Department shall provide a submitter with notice of a receipt of a Freedom of Information Act request whenever:

(i) The records are less than ten (10) years old and the information has been designated by the submitter as confidential commercial information; or

(ii) The Department has reason to believe that the disclosure of the information could reasonably be expected to cause substantial competitive harm.

(2) For confidential commercial information submitted to the Department on or after January 1, 1988, the Department shall provide a submitter with notice of receipt of a Freedom of Information Act request whenever:

(i) The submitter has designated the information as confidential commercial information pursuant to the requirements of this section; or

(ii) The Department has reason to believe that the disclosure of the information could reasonably be expected to cause substantial competitive harm.

(3) Notice of a request for confidential commercial information falling within paragraph (c)(2)(i) of this section shall be required for a period of not more than ten (10) years after the date of submission unless the submitter provides reasonable justification for a designated period of greater duration.

(4) A submitter shall use good-faith efforts to designate by appropriate markings, either at the time a record is submitted to the Department or within a reasonable period of time thereafter, those portions of the record which it deems to contain confidential commercial information. The designation shall be accompanied by a certification made by the submitter, its agent or designee, that to the best of the submitter's knowledge, information and belief, the record does, in fact, contain confidential commercial information that theretofore has not been disclosed to the public.

(5) Whenever the Department provides notice to the submitter in accordance with paragraph (c) of this section, the Department shall at the same time provide written notice to the requester that it has done so.

(d) Opportunity to object to disclosure. To the extent permitted by law, the notice required by paragraph (c) of this section shall afford a submitter a reasonable period of time within which the submitter or its authorized representative may provide the Department with a written objection to the disclosure of the confidential commercial information. The objection shall set forth in detail all grounds for withholding information and demonstrate why the submitter believes that the records contain confidential commercial

information. Except where a certification already had been made in conformance with the requirements of paragraph (c)(4) of this section, the objection shall be accompanied by a certification made by the submitter, its agent or designee, that to the best of the submitter's knowledge, information and belief, the record does, in fact, contain confidential commercial information that theretofore has not been disclosed to the public. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the Freedom of Information Act.

(e) *Notice of intent to disclosure.* (1) The Department shall give careful consideration to objections made by a submitter pursuant to paragraph (d) of this section prior to making any administrative determination of the issue. Whenever the Department decides to disclose information over the objection of a submitter, the Department shall forward to the submitter a written notice which shall include:

(i) A statement of the reasons for which the submitter's disclosure objections were not sustained;

(ii) A description of the information to be disclosed; and

(iii) A specified disclosure date.

(2) To the extent permitted by law, the notice required to be given by paragraph (e)(1) of this section shall be provided to the submitter a reasonable number of days prior to the specified disclosure date.

(3) Whenever the Department provides notice to the submitter in accordance with paragraphs (e)(1) and (e)(2) of this section, the Department shall at the same time notify the requester that such notice has been given and the proposed date for disclosure.

(f) *Notice of lawsuit.* Whenever a requester brings suit seeking to compel the disclosure of information for which notice is required pursuant to paragraph (c) of this section, the Department shall promptly notify the submitter that such suit has been filed.

(g) *Exceptions to notice requirements.* The notice requirements of this section shall not apply if:

(1) The Department determines that the information should not be disclosed;

Department of State

§ 171.20

(2) The information has been published or has been officially made available to the public;

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552);

(4) Disclosure of the information is required by a Department rule that:

(i) Was adopted pursuant to notice and public comment;

(ii) Specifies narrow classes of records submitted to the agency that are to be released under the Freedom of Information Act; and

(iii) Provides in exceptional circumstances for notice when the submitter provides written justification, at the time the information is submitted or a reasonable time thereafter, that disclosure of the information could reasonably be expected to cause substantial competitive harm;

(5) The information requested was not designated by the submitter as exempt from disclosure in accordance with paragraph (c) of this section, when the submitter had an opportunity to do so at the time of submission of the information or a reasonable time thereafter, unless the Department has substantial reason to believe that the disclosure of the information would result in competitive harm; or

(6) The designation made by the submitter in accordance with paragraph (c) of this section appears obviously frivolous; except that, in such case, the Department must provide the submitter with written notice of any final administrative disclosure determination within a reasonable number of days prior to the specified disclosure date.

Subpart C—Executive Order 12065 Provisions

§ 171.20 Definitions.

As used in this subpart, the following definitions shall apply:

(a) The term *agency* means Federal agency including department, agency, commission, etc., as defined in 5 U.S.C. 552(e).

(b) The term *classification* refers to the determination that certain information requires protection against unauthorized disclosure in the interest of

national security, coupled with the designation of the level of classification: Top Secret, Secret or Confidential.

(c) The term *classification authority* means the authority vested in an official of an agency to originally classify information or material which is determined by that official to require protection against unauthorized disclosure in the interest of national security. It is also the authority to prolong classification.

(d) The term *classified information* means information or material, herein collectively termed information, that is owned by, produced for or by, or under the control of the United States Government, and that has been determined pursuant to Executive Order 12065, prior orders, or other orders or statutes, to require protection against unauthorized disclosure, coupled with the designation of the level of classification.

(e) The term *declassification* refers to the determination that particular classified information no longer requires protection against unauthorized disclosure in the interest of national security. Such determination shall be by specific action or automatically after the lapse of a requisite period of time or the occurrence of a specified event. If such determination is by specific action, the material shall be so marked with the new designation.

(f) The term *document* has the meaning of “record” as set forth in § 171.10(b).

(g) The term *foreign government information* is: (1) Information provided to the United States by a foreign government or international organization of governments in the expectation, express or implied, that the information is to be kept in confidence, or (2) information, requiring confidentiality, produced by the United States pursuant to a written joint arrangement with a foreign government or international organization of governments. A written joint arrangement may be evidenced by an exchange of letters, a memorandum of understanding, or other written record of the joint arrangement.

(h) The term *Presidential appointees* includes former officials of the Department of State or other U.S. Government agencies who held policy positions and were appointed by the President, by and with the advice and consent of the Senate, at the level of Ambassador, Assistant Secretary of State, or above. It does not include Foreign Service Officers as a class or persons who merely received assignment commissions as Foreign Service Officers, Foreign Service Reserve Officers, Foreign Service Staff Officers and employees.

§ 171.21 Identifying information.

For the request to be processed, it must describe the material sufficiently to enable a professional employee of the Department who is familiar with the subject area of the request to locate the record with a reasonable amount of effort. Whenever a request does not reasonably describe the information, the requester shall be notified that unless additional information is provided, or the scope of the request is narrowed, no further action will be taken.

§ 171.22 Access to records.

All classified information except as noted in § 171.23, shall be subject to review for declassification upon request of a member of the public, a government employee, or an agency.

(a) A request for declassification under the Order shall be acted upon within 60 days from the date on which the request reaches the appropriate receiving office.

(b) Subject to paragraph (f) of this section, when it receives a request, the Department, if it is the originating agency, shall determine whether the information or any reasonably segregable portion of it no longer requires protection. If so, the Department shall promptly make such information available to the requester, unless withholding it is otherwise warranted under applicable law.

(c) When the Department receives a request for information in a document which is in its custody, but which was classified by another agency, it shall refer the request to the appropriate agency for review. The Department

shall also notify the requester of the referral unless the association of the reviewing agency with the information requires protection in the interest of national security. The reviewing agency shall respond directly to the requester and shall notify the Department of its determination.

(d) During the transition period allowed by Executive Order 12065 from declassification at 30 years to declassification at 20 years, all requests for classified United States Government originated information over 30 years old not previously declassified and transferred to the Archives will be processed according to paragraphs (b) and (c) of this section.

(e) In response to a request for a classified document in its possession, the Department may not refuse to confirm the existence or non-existence of the document unless the fact of its existence or non-existence would itself be classifiable.

(f) In the case of requests for documents containing foreign government information, the Department, if it is also the agency which initially received the foreign government information, shall determine whether the foreign government information in the document may be declassified and released in accordance with policies or guidelines, consulting with other interested agencies as necessary. If the Department is not the agency which received the foreign government information, it shall refer the request to the original receiving agency, which shall take action on the request.

(g) In considering requests for mandatory review, the Department may decline to review again any request for material which has been reviewed within one year and denied, except as the request constitutes an appeal under subpart G of this subchapter.

§ 171.23 Determination in disputed cases.

(a) Information that continues to meet the legal requirements for classification under section 1-3 of the Order at the time of review for declassification is presumed to require continued protection and may be withheld from disclosure under the Order and section (b)(1) of the Freedom of Information

Department of State

§ 171.25

Act. However, as stated in section 3-303 of the Order, it is government policy to consider the public interest in disclosure when information is reviewed for declassification. In some cases, the need to protect information that continues to meet the requirements of classification may be outweighed by the public interest in disclosure of information. When such a question arises, the authority reviewing the information shall refer the question to the relevant Top Secret authority in the Department of State to make a policy determination whether the public interest in disclosure outweighs the damage to the national security that might reasonably be expected from the disclosure. In making such determination, that authority shall respect the intent of the Order to protect foreign government information and confidential foreign sources. That authority shall also consult with other officials in the agency as the circumstances warrant.

(b) In the Department of State, if such a case is appealed by the requester of the information after receiving a notice of denial, the case shall be referred to the Appeals Review Panels in accordance with the Department's appeal procedures. If the Panel should decide that the case raises a question as to whether the need to protect information that continues to meet the requirements of classification is outweighed by the public interest in disclosure, the question shall be referred to a principal officer for determination.

§ 171.24 Challenges to classification.

(a) A government employee, who has reasonable cause to believe that a document is classified unnecessarily, improperly, or for an inappropriate period of time, is encouraged to and shall have the right to challenge such classification.

(b) The challenger shall prepare a statement giving the reasons to support such a challenge, and may submit a request to the office or bureau of origin for a review of the document under the mandatory declassification procedures of the agency, expect that the agency shall reach a determination in 30 days instead of 60 days. If the re-

viewing office or bureau agrees with the challenger, rectifying changes shall be made on the face of the document. The office of the record holder and other holders should be notified of the changes to the extent practicable. If the reviewing office disagrees with the challenger, the challenger may appeal within 60 days to the Chairman of the Appeals Review Panels, who shall obtain a decision from one of the Panels, within 30 days of receipt of the appeal.

(c) If the challenger wishes to remain anonymous, an officer designated by the chairman of the Appeals Review Panels shall act as the challenger's agent.

§ 171.25 Former Presidential appointees.

(a) Former Presidential appointees may have access to those documents (classified and unclassified) they originated, reviewed, or signed only while serving as Presidential appointees. Requests should be submitted in writing to the Information and Privacy Coordinator and should include a general description of the records and the time period covered by the request. Access shall be granted under the following conditions:

(1) The Department must first determine that granting access to the requested material is consistent with the interests of national security;

(2) The former Presidential appointee must agree in writing to safeguard the information from unauthorized disclosure;

(3) The former Presidential appointee must submit a statement authorizing the Department to review any notes and manuscripts to determine that they contain no classified information;

(4) The information may not be further disseminated without the express permission of the Department;

(5) If the former Presidential appointee uses a research assistant, this person must also meet all of the above conditions. Such a personal assistant must be working for the former Presidential appointee and not gathering information for publication on her or his own.

(b) If the access requested by former Presidential appointees requires services for which fair and equitable fees

may be charged pursuant to title 5 of the Independent Offices Appropriations Act, 65 Stat. 290, 31 U.S.C. 483a (1976), the requester shall be so notified and the fees may be charged pursuant to that Act; the requester shall be so notified and the fees may be imposed.

§ 171.26 Exemptions.

(a) Information less than 10 years old which was originated by the President, by the White House staff, or by committees or commissions appointed by the President, or by other action on behalf of the President, is exempted from mandatory review for declassification. Requests for mandatory review of information more than 10 years old of the origin described shall be processed in accordance with procedures developed by the Archivist of the United States. These procedures will provide for consultation with agencies having primary subject matter interest, who will provide the Archivist their recommendations as to the disposition of the request. Any decision by the Archivist may be appealed to the Director of the Information Security Oversight Office. Agencies with primary subject matter interest will be notified promptly of the Director's decision on such appeals and may further appeal to the National Security Council. The information shall remain classified until the appeal is decided or until one year from the date of the Director's decision, whichever comes first.

(b) The Freedom of Information and Privacy Acts exemptions and any other exemptions under applicable law may be invoked by the Department to deny material on grounds other than classification.

Subpart D—Privacy Provisions

§ 171.30 Definitions.

As used in this subpart, the following definitions shall apply:

(a) The term *Department* means the Department of State, its offices, bureaus, divisions, field offices, and its overseas posts.

(b) The term *individual* means a citizen of the United States or an alien lawfully admitted for permanent residence.

(c) The term *maintain* includes maintain, collect, use or disseminate.

(d) The term *record* means any item, collection, or grouping of information about an individual that is maintained by the Department, including, but not limited to education, financial transactions, medical history, and criminal or employment history that contains the individual's name, or the identifying number, symbol, or other identifying particular assigned to the individual, such as a finger or voice print or photograph.

(e) The term *system of records* means a group of any records under the control of the Department from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to an individual.

(f) The term *statistical record* means a record in a system of records maintained for statistical research or reporting purposes only and not used in whole or in part in making any determination about an identifiable individual, except as provided in 13 U.S.C. 8.

(g) The term *routine use* means, with respect to the disclosure of a record, the use of such record for a purpose which is compatible with the purpose for which it was collected.

(h) The term *amend* means to make any correction to any portion of the record which the individual believes is not accurate, relevant, timely, or complete.

(i) The term *personnel record* means any personal information maintained in a system of records as defined in paragraph (e) of this section that is needed for personnel management programs or processes such as staffing, employee development, retirement, grievances, and appeals.

Rules and procedures promulgated by the Office of Personnel Management under the Privacy Act for personal records for which it has responsibility will be followed by the Department with regard to such records except when inconsistent with provisions of the Foreign Service Act.

§ 171.31 Identifying information.

All requests for access to a record or records must reasonably describe the system of records and the individual's

Department of State

§ 171.32

record within the system in sufficient detail to permit identification of the requested record(s). System names, descriptions, and the identifying information required for each system are published in the Department's public notice of systems of records appearing in the FEDERAL REGISTER. As a minimum, requests should include the individual's full name (maiden name, if appropriate), present mailing address (including zip code), date and place of birth, and other information helpful in identifying the record. Helpful data includes circumstances which give the individual reason to believe that the Department of State maintains records under her/his name, as well as the approximate time period of the records. This information will facilitate the timely search of record systems and assist the Department in locating those records which actually pertain to the individual requester. In certain instances, it may be necessary for the Department to request additional information from the requester, either to ensure a full search or to ensure that a record retrieved does in fact pertain to the individual.

§ 171.32 Exemptions.

Portions of systems of records maintained by the Department are authorized to be exempted from a limited number of provisions of the Privacy Act. In utilizing these exemptions, however, the Department contemplates exempting only those portions of systems necessary for the proper functioning of the Department and which are consistent with the Privacy Act and these regulations. The following exemptions are authorized under 5 U.S.C. 552a(j) and (k):

(a) Records specifically authorized under criteria established by an executive order to be kept secret in the interest of national defense or foreign policy and in fact, properly classified pursuant to such executive order (k)(1);

(b) Investigatory material compiled for law enforcement purposes, other than material within the scope of 5 U.S.C. 552a(j)(2): *Provided, however,* That if any individual is denied any right, privilege, or benefit for which she or he would otherwise be eligible as a result of the maintenance of such

material, such material shall be provided to such individual, except to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of the regulations, under an implied promise that the identity of the source would be held in confidence (k)(2);

(c) Records maintained in connection with providing protective services to the President of the United States or other individuals, pursuant to 18 U.S.C. 3056 and 22 U.S.C. 2666 (k)(3);

(d) Records required by statute to be maintained and used solely as statistical records (k)(4);

(e) Investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, nominations or referrals to international organizations, or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of these regulations, under an implied promise that the identity of the source would be held in confidence (k)(5);

(f) Testing or examination material used solely to determine individual qualification for appointment or promotion to the Federal service which would compromise the objectivity or fairness of the testing or examinations process if disclosed (k)(6); or

(g) Evaluation material used to determine potential of an individual for promotion in the armed services, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of these regulations, under an implied promise that the identity of the source would be held in confidence (k)(7); or

(h) Records originated by another agency when that agency has determined that the record is exempt under 5 U.S.C. 52a (j). Also, pursuant to Section (j)(2) of the Act, records compiled by the Special Assignment Staff, the Command Center, and the Passport and Visa Fraud Branch of the Office of Security and by the inspector General may be exempted from the requirements of any part of the Act except subsections (b), (c)(1) and (2), (e)(4) (A) through (F), (e)(6), (7), (9), (10), and (11), and (i) to the extent necessary to assure the effective completion of the investigative and judicial processes.

(i) Portions of the following systems of records are exempted under 5 U.S.C. 552a(j) to the extent authorized and determined by the agency originating the records. The names of the systems correspond to those published in the FEDERAL REGISTER by the Department.

§ 171.33 Time limits.

Whenever possible, the Department will acknowledge the request within 10 days (excluding Saturdays, Sundays, and legal public holidays) of receipt of the request and furnish the requester information as soon as possible thereafter.

§ 171.34 Access to records.

(a) *Verification of personal identity.* The Department will require reasonable identification of individuals to assure that records are disclosed only to the proper person(s).

(1) *Access in person.* When access to a record is granted in person, the Department will require a verification of identity by the individual; employee identification card, driver's license, medicare card, annuitant identification, or passport are examples of acceptable identification.

(2) *Access by mail.* For individuals who seek access by mail, the Department will require verification of identity; comparison of signature of the requester and those in the record, if any, will be used to determine identity.

(3) *Statement verifying identity.* If an individual can provide no suitable documents for identification or a signature is not on record, the Department will require a signed statement from the individual asserting her or his identity and stipulating that the individual understands that knowingly or willingly seeking or obtaining access to records about another individual under false pretenses is punishable by a fine of up to \$5,000.

(b) *Sensitive records.* In certain cases where the Department determines that the requested record is of sufficient sensitivity, it may require the individual to furnish a signed notarized statement verifying the requester's identity. The Department will inform the individual at the time the record is retrieved whether or not such a statement is necessary.

(c) *Accompanying individual.* If, when exercising physical access to a record, the requester is accompanied by any other person, the Department will require the requester to sign a statement authorizing disclosure of the contents of record in the presence of the accompanying individual.

(d) *Authorized representatives or designees.* When an individual wishes to authorize another person or persons access to her or his records other than as provided in paragraph (e) of this section, the individual shall submit a signed, notarized statement authorizing and consenting to access by a designated person or persons.

(f) *Medical records.* If, in the judgment of the Deputy Assistant Secretary of State for Medical Services or her/his designee, the release of medical information directly to the requester could have an adverse effect on the requester, the aforementioned officer will attempt to arrange an acceptable alternative in granting access to such record(s). This will normally involve the release of such information to a doctor named by the requester.

(g) *Records relating to civil actions or proceedings.* The requirements of this section do not entitle an individual to the right of access to any information compiled in reasonable anticipation of a civil action or proceeding.

§ 171.35 Requests for amending records.

(a) An individual has the right to request that the Department amend a record pertaining to her or him which the individual believes is not accurate, relevant, timely, or complete. At the time the Department grants access to a record it will also furnish guidelines for requesting amendments to the record. These guidelines will also be available in the public reading room in the Department of State, Washington, DC between 10 a.m. and 4 p.m. Monday through Friday, except for legal public holidays, or may be obtained by writing the Information and Privacy Coordinator, Foreign Affairs Information Management Center, Department of State, Room 1239, Washington, DC 20520.

Department of State

§ 171.42

(b) Requests for amending records must be in writing and mailed or delivered to the Information and Privacy Coordinator, Foreign Affairs Information Management Center, Department of State, Room 1239, Washington, DC 20520, who will coordinate the review of the request to amend a record with the appropriate office(s). The Department will require verification of personal identity as provided § 154.5(c)(3) of these regulations before it will initiate action to amend a record to ensure that the requester is not deliberately or inadvertently seeking to change records about other persons. Such requests should contain, as a minimum, identifying information needed to locate the record, a brief description of the items of information to be amended, and the nature of the requested amendment. The requester should submit as much documentation, arguments or other data as seems warranted to support her/his request for amendment.

(c) All requests for amendments to records will be acknowledged within 10 days (excluding Saturdays, Sundays, and legal public holidays). Whenever possible all requests for amendments to records will be reviewed within 10 days (excluding Saturdays, Sundays, and legal public holidays) of their receipt by the Office responsible for the record, and the requester will be advised of the results of the review. In those cases where the review cannot be completed within 10 days, the requester will be so advised and informed when the review will be completed. Except in unusual circumstances, this review will be completed no later than 30 days (excluding Saturdays, Sundays, and legal public holidays) after receipt of the request to amend a record.

(d) In reviewing a record in response to a request to amend, the Department shall determine whether the record is relevant and necessary to accomplish a purpose of the agency and shall incorporate the criteria of accuracy, relevance, timeliness, and completeness of the record in that review.

(e) If the office responsible for the record agrees with an individual's request to amend a record, it shall:

- (1) Advise the individual in writing;
- (2) Amend the record accordingly; and

(3) If an accounting of disclosure has been made, advise all previous recipients of the record of the amendment and its substance.

(f) If the office responsible for the record, after an initial review of a request to amend a record disagrees with all or any portion of the requested amendment, an officer at the Deputy Assistant Secretary level or equivalent, shall:

- (1) Advise the individual of its refusal and the reasons for it; and
- (2) Inform the individual that she or he may request a further review in accordance with subpart G.

(c) Completion of an Ethics Request Form.

§ 171.42 Time limits.

(a) Reports shall be made available to the public within fifteen (15) days after receipt by the Department.

(b) Reports shall be retained by the Department and made available to the

public for a period of six (6) years. The exceptions are those reports which are filed by individuals who are nominated for office by the President and are not confirmed by the Senate; those reports will be retained and made available for a one-year period.

§ 171.43 Access to, and use of, reports.

The Attorney General is authorized to bring a civil action against any person who obtains or uses a financial disclosure report:

- (a) For any unlawful purpose;

- (d) For use, directly or indirectly, in the solicitation of money for any political, charitable, or other purpose.

The court may assess a civil penalty not to exceed \$5,000 against any person who obtains or uses the reports for these prohibited purposes; an additional remedy as available under statutory or common law may also be assessed at the discretion of the court.

Subpart F—Denial Procedures

§ 171.50 Denials of access or of amendment.

The decision to deny an individual access to records, or to deny an amendment request under Privacy Act provisions shall be made by: (a) The Department official of a rank not below the Deputy Assistant Secretary or equivalent level who is responsible for the system of records involved, (b) the Deputy Assistant Secretary for the Classification/Declassification Center, or her/his designees, (c) the Director/Deputy Director of Mandatory Review and the Director of Systematic Review in A/ CDC, and (d) officials designated by the Under Secretary for Management/Chairman of the Oversight Committee for E.O. 12065. When an authorized official denies access to a record or portion thereof, the official will advise the individual in writing of the denial and the specific reasons therefor. The denial letter will also advise the individual of her/his right to seek administra-

tive review of the Department's decision.

Subpart G—Appeals Procedures

§ 171.60 Appeal of denial of access to records.

(a) Review of an initial denial of access to a record under the Freedom of Information Act (5 U.S.C. 552), the Privacy Act of 1974 (5 U.S.C. 552a), or Executive Order 12065 may be requested by the individual who submitted the initial request for access. The request for review (hereinafter referred to as the appeal) must be in writing and should be sent by certified mail to the Assistant Secretary for Public Affairs, Chairperson, Appeals Review Panels, Department of State, 2201 C street, NW., Washington, DC 20520. The appeal should be received within 60 days of the date of receipt by the appellant of the Department's refusal to grant access to a record in whole or in part.

(b) The time for decision on the appeal begins on the date the appeal is received by the Chairperson, Appeals Review Panels. The appeal of a denial of access to records shall include any documentation, information and statements to support the individual's request for access and to refute the use of the exemption(s) cited in the Department's justification concerning the denial of access.

(c) The Chairperson of the Appeals Panels or her/his designee and at least two other members chosen by her/him from a list of senior officers designated for this purpose by the various bureaus of the Department shall constitute a panel to consider and decide the appeal. There shall be a written record of the reasons for the final determination. The final determination will be made within 30 working days for executive order and Privacy Act appeals, and within 20 working days (excluding Saturdays, Sundays, and holidays) for FOIA appeals. For good cause shown, the Chairperson of the Appeals Review Panels may extend such determination beyond the 30-day period in Privacy Act cases.

(d) The Chairperson shall then notify the requester in writing of the panel's

Department of State

§ 171.61

decision to grant access and of the Department's regulations concerning access.

(e) When the final decision of the Panel is to refuse to grant an individual access to a record, the Chairperson of the Panel shall advise the individual in writing:

(1) Of the refusal to grant the appeal and the reasons therefor including the exemptions of the Freedom of Information Act, the Privacy Act of 1974, and/or Executive Order 12065 under which access is denied;

(2) Of her/his right to seek judicial review of the Department's decision, where applicable.

[45 FR 58108, Sept. 2, 1980, as amended at 49 FR 16990, Apr. 23, 1984]

§ 171.61 Appeal of refusal to amend records.

(a) Review of an initial refusal to amend a record under the Privacy Act of 1974 may be requested by the individual who submitted the initial request for amendment. The review (hereinafter referred to as the appeal) should be requested in writing within 60 days of the date the individual is informed of the Department's refusal to amend a record in whole or in part. The appeal must be in writing and should be sent by certified mail to the Assistant Secretary for Public Affairs, Chairperson, Appeals Review Panels, Department of State, 2201 C Street, NW, Washington, DC 20520.

(b) The time for decision on the appeal begins on the date the appeal is received by the Chairperson, Appeals Review Panels. The appeal should include any documentation, information or statements advanced for the amendment of the record.

(c) The Chairperson of the Appeals Review Panels and two other members of the Panels designated by him shall constitute a panel to consider and decide the appeal; there shall be a written record of the reasons for the final determination. The final determination will be made within 30 days (excluding Saturdays, Sundays, and legal public holidays), unless for good cause shown, the Chairperson of the Appeals Review Panels extends such determination beyond the 30-day period.

(d) When the final determination is that the record should be amended in accordance with the individual's request, the Chairperson of the Appeals Review Panels shall direct the office responsible for the record to comply. A responsible official of the Department shall then:

(1) Amend the records as directed;

(2) If any accounting of the disclosure has been made, advise all previous recipients of the record of the amendment and its substance;

(3) So advise the individual in writing.

(e) When the final decision is that the request of the individual to amend the record is refused, the Chairperson of the Panels shall advise the individual:

(1) Of the refusal and the reasons for it;

(2) Of her and his right to file a concise statement of the reasons for disagreeing with the decision of the Department;

(3) Of the procedures for filing the statement of disagreement;

(4) That the statement which is filed will be made available to anyone to whom the record is subsequently disclosed together with, at the discretion of the Department, a brief statement by the Department summarizing its reasons for refusing to amend the record;

(5) That prior recipients of the disputed record will be provided a copy of any statement of dispute to the extent that an accounting of disclosures was maintained; and

(6) Of her/his right to seek judicial review of the Department's refusal to amend the record.

(f) When the final determination is to refuse to amend a record and the individual has filed a statement under paragraph (e) of this section, the Department will clearly annotate the record so that the fact that the record is disputed is apparent to anyone who may subsequently have access to, use, or disclose it. When information that is the subject of a statement of dispute filed by an individual is subsequently disclosed, the Department will note that the information is disputed and provide a copy of the individual's statement. The Department may also include a brief summary of the reasons

for not making a correction when disclosing disputed information. Such statements will normally be limited to the reasons given to the individual for not amending the record. Copies of the Department's statement shall be treated as part of the individual's record for granting access; however, it will not be subject to amendment by the individual under these regulations.

Subpart H—Other Agency Material

§ 171.70 Referral.

While processing a request for access, the Department may locate in its files documents originated by other Federal agencies. The Department shall refer the documents to the originating agency for review and possible declassification and release to the requester. The originating agency is then responsible for contacting the requester directly concerning the release of the material and for notifying the Department of its determination. The Department of State will notify the requester of the referral unless the association of the reviewing agency with the information requires protection in the interest of national security.

§ 171.71 Concurrence.

While processing a request for access, the Department may locate Department of State documents containing information originated by or of substantive interest to other Federal agencies. The Department shall refer these documents or portions thereof to the originating or interested agency for review, possible declassification and concurrence regarding the documents' release. The other agency will then return the documents to the Department so that it may contact the requester regarding the material.

§ 172.1 Purpose and scope; definitions.

(a) This part sets forth the procedures to be followed with respect to:

(1) Service of summonses and complaints or other requests or demands directed to the Department of State (Department) or to any Department employee or former employee in connection with federal or state litigation arising out of or involving the performance of official activities of the Department; and

(2) The oral or written disclosure, in response to subpoenas, orders, or other requests or demands of federal or state judicial or quasi-judicial authority (collectively, "demands"), whether

Department of State

§ 172.1

civil or criminal in nature, or in response to requests for depositions, affidavits, admissions, responses to interrogatories, document production, or other litigation-related matters, pursuant to the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure, or applicable state rules (collectively, “requests”), of any material contained in the files of the Department, any information relating to material contained in the files of the Department, or any information acquired while the subject of the demand or request is or was an employee of the Department as part of the performance of that person’s duties or by virtue of that person’s official status.

(b) For purposes of this part, and except as the Department may otherwise determine in a particular case, the term *employee* includes the Secretary and former Secretaries of State, and all employees and former employees of the Department of State or other federal agencies who are or were appointed by, or subject to the supervision, jurisdiction, or control of the Secretary of State or his Chiefs of Mission, whether residing or working in the United States or abroad, including United States nationals, foreign nationals, and contractors.

(c) For purposes of this part, the term *litigation* encompasses all pre-trial, trial, and post-trial stages of all judicial or administrative actions, hearings, investigations, or similar proceedings before courts, commissions, boards (including the Board of Appellate Review), or other judicial or quasi-judicial bodies or tribunals, whether criminal, civil, or administrative in nature. This part governs, *inter alia*, responses to discovery requests, depositions, and other pre-trial, trial, or post-trial proceedings, as well as responses to informal requests by attorneys or others in situations involving litigation. However, this part shall not apply to any claims by Department of State employees (present or former), or applicants for Department employment, for which jurisdiction resides with the U.S. Equal Employment Opportunity Commission; the U.S. Merit Systems Protection Board; the Office of Special Counsel; the Federal Labor Relations Authority; the Foreign Serv-

ice Labor Relations Board; the Foreign Service Grievance Board; or a labor arbitrator operating under a collective bargaining agreement between the Department and a labor organization representing Department employees; or their successor agencies or entities.

(d) For purposes of this part, *official information* means all information of any kind, however stored, that is in the custody and control of the Department, relates to information in the custody and control of the Department, or was acquired by Department employees as part of their official duties or because of their official status within the Department while such individuals were employed by or served on behalf of the Department.

(e) Nothing in this part affects disclosure of information under the Freedom of Information Act (FOIA), 5 U.S.C. 552, the Privacy Act, 5 U.S.C. 552a, Executive Order 12356 on national security information (3 CFR, 1982 Comp., p. 166), the Government in the Sunshine Act, 5 U.S.C. 552b, the Department’s implementing regulations in 22 CFR part 171 or pursuant to congressional subpoena. Nothing in this part otherwise permits disclosure of information by the Department or its employees except as provided by statute or other applicable law.

(f) This part is intended only to inform the public about Department procedures concerning the service of process and responses to demands or requests and is not intended to and does not create, and may not be relied upon to create any right or benefit, substantive or procedural, enforceable at law by a party against the Department or the United States.

(g) Nothing in this part affects:

(1) The disclosure of information during the course of legal proceedings in non-United States courts, commissions, boards, or other judicial or quasi-judicial bodies or tribunals; or

(2) The rules and procedures, under applicable U.S. law and international conventions, governing diplomatic and consular immunity.

(h) Nothing in this part affects the disclosure of official information to other federal agencies or Department of Justice attorneys in connection with

litigation conducted on behalf or in defense of the United States, its agencies, officers, and employees, or to federal, state, local, or foreign prosecuting and law enforcement authorities in conjunction with criminal law enforcement investigations, prosecutions, or other proceedings, *e.g.*, extradition, deportation.

§ 172.2 Service of summonses and complaints.

(a) Only the Executive Office of the Office of the Legal Adviser (L/EX) is authorized to receive and accept summonses or complaints sought to be served upon the Department or Department employees. All such documents should be delivered or addressed to The Executive Office, Office of the Legal Adviser, room 5519, United States Department of State, 2201 C Street, NW., Washington, DC 20520–6310.

(b) In the event any summons or complaint described in § 172.1(a) is delivered to an employee of the Department other than in the manner specified in this part, such attempted service shall be ineffective, and the recipient thereof shall either decline to accept the proffered service or return such document under cover of a written communication which directs the person attempting to make service to the procedures set forth herein.

(c) Except as otherwise provided §§ 172.2(d) and 173.3(c), the Department is not an authorized agent for service of process with respect to civil litigation against Department employees purely in their personal, non-official capacity. Copies of summonses or complaints directed to Department employees in connection with legal proceedings arising out of the performance of official duties may, however, be served upon L/EX.

(d) Although the Department is not an agent for the service of process upon its employees with respect to purely personal, non-official litigation, the Department recognizes that its employees stationed overseas should not use their official positions to evade their personal obligations and will, therefore, counsel and encourage Department employees to accept service of process in appropriate cases, and

will waive applicable diplomatic or consular privileges and immunities when the Department determines that it is in the interest of the United States to do so.

(e) Documents for which L/EX accepts service in official capacity only shall be stamped “Service Accepted in Official Capacity Only”. Acceptance of service shall not constitute an admission or waiver with respect to jurisdiction, propriety of service, improper venue, or any other defense in law or equity available under the laws of rules applicable for the service of process.

§ 172.3 Service of subpoenas, court orders, and other demands or requests for official information or action.

(a) Except in cases in which the Department is represented by legal counsel who have entered an appearance or otherwise given notice of their representation, only L/EX is authorized to receive and accept subpoenas, or other demands or requests directed to the Department, or any component thereof, or its employees, or former employees, whether civil or criminal nature, for:

(1) Material, including documents, contained in the files of the Department;

(2) Information, including testimony, affidavits, declarations, admissions, responses to interrogatories, or informal statements, relating to material contained in the files of the Department or which any Department employee acquired in the course and scope of the performance of his official duties;

(3) Garnishment or attachment of compensation of current or former employees; or

(4) The performance or non-performance of any official Department duty.

(b) In the event that any subpoena, demand, or request is sought to be delivered to a Department employee (including former employees) other than in the manner prescribed in paragraph (a) of this section, such attempted service shall be ineffective. Such employee shall, after consultation with the Office of the Legal Adviser, decline

Department of State

§ 172.5

to accept the subpoena, demand or request or shall return them to the server under cover of a written communication referring to the procedures prescribed in this part.

(c) Except as otherwise provided in this part, the Department is not an agent for service, or otherwise authorized to accept on behalf of its employees any subpoenas, show-cause orders, or similar compulsory process of federal or state courts, or requests from private individuals or attorneys, which are not related to the employees' official duties except upon the express, written authorization of the individual Department employee to whom such demand or request is directed.

(d) Acceptance of such documents by L/EX does not constitute a waiver of any defenses that might otherwise exist with respect to service under the Federal Rules of Civil or Criminal Procedure or other applicable rules.

§ 172.4 Testimony and production of documents prohibited unless approved by appropriate Department officials.

(a) No employee of the Department shall, in response to a demand or request in connection with any litigation, whether criminal or civil, provide oral or written testimony by deposition, declaration, affidavit, or otherwise concerning any information acquired while such person is or was an employee of the Department as part of the performance of that person's official duties or by virtue of that persons's official status, unless authorized to do so by the Director General of the Foreign Service and Director of Personnel (M/DGP) or the Legal Adviser (L), or delegates of either, following consultation between the two bureaus, or as authorized in § 172.4(b).

(b) With respect to the official functions of the Passport Office, the Visa Office, and the Office of Citizens Services, the Assistant Secretary of State for Consular Affairs or delegate thereof may, subject to concurrence by the Office of the Legal Adviser, authorize employees to provide oral or written testimony.

(c) No employee shall, in response to a demand or request in connection with any litigation, produce for use at such

proceedings any document or any material acquired as part of the performance of that employee's duties or by virtue of that employee's official status, unless authorized to do so by the Director General of the Foreign Service and Director of Personnel, the Legal Adviser, or the Assistant Secretary of State for Consular Affairs, or the delegates thereof, as appropriate, following consultations between the concerned bureaus.

§ 172.5 Procedure when testimony or production of documents is sought; general.

(a) If official Department information is sought, through testimony or otherwise, by a request or demand, the party seeking such release or testimony must (except as otherwise required by federal law or authorized by the Office of the Legal Adviser) set forth in writing, and with as much specificity as possible, the nature and relevance of the official information sought. Where documents or other materials are sought, the party should provide a description using the types of identifying information suggested in 22 CFR 171.10(a) and 171.31. Subject to § 172.7, Department employees may only produce, disclose, release, comment upon, or testify concerning those matters which were specified in writing and properly approved by the appropriate Department official designated in § 172.4. See *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951). The Office of the Legal Adviser may waive this requirement in appropriate circumstances.

(b) To the extent it deems necessary or appropriate, the Department may also require from the party seeking such testimony or documents a plan of all reasonably foreseeable demands, including but not limited to the names of all employees and former employees from whom discovery will be sought, areas of inquiry, expected duration of proceedings requiring oral testimony, and identification of potentially relevant documents.

(c) The appropriate Department official designated in § 172.2 will notify the Department employee and such other persons as circumstances may warrant

§ 172.6

of its decision regarding compliance with the request or demand.

(d) The Office of the Legal Adviser will consult with the Department of Justice regarding legal representation for Department employees in appropriate cases.

§ 172.6 Procedure when response to demand is required prior to receiving instructions.

(a) If a response to a demand is required before the appropriate Department official designated in § 172.4 renders a decision, the Department will request that either a Department of Justice attorney or a Department attorney designated for the purpose:

(1) Appear with the employee upon whom the demand has been made;

(2) Furnish the court or other authority with a copy of the regulations contained in this part;

(3) Inform the court or other authority that the demand has been, or is being, as the case may be, referred for the prompt consideration of the appropriate Department official; and

(4) Respectively request the court or authority to stay the demand pending receipt of the requested instructions.

(b) In the event that an immediate demand for production or disclosure is made in circumstances which would preclude the proper designation or appearance of a Department of Justice or Department attorney on the employee's behalf, the employee shall respectfully request the demanding court or authority for a reasonable stay of proceedings for the purpose of obtaining instructions from the Department.

§ 172.7 Procedure in the event of an adverse ruling.

If the court or other judicial or quasi-judicial authority declines to stay the effect of the demand in response to a request made pursuant to § 172.6, or if the court or other authority rules that the demand must be complied with irrespective of the Department's instructions not to produce the material or disclose the information sought, the employee upon whom the demand has been made shall respectfully decline to comply with the demand, citing this part and *United*

22 CFR Ch. I (4–1–97 Edition)

States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951).

§ 172.8 Considerations in determining whether the Department will comply with a demand or request.

(a) In deciding whether to comply with a demand or request, Department officials and attorneys shall consider, among others:

(1) Whether such compliance would be unduly burdensome or otherwise inappropriate under the applicable rules of discovery or the rules of procedure governing the case or matter in which the demand arose;

(2) Whether compliance is appropriate under the relevant substantive law concerning privilege or disclosure of information;

(3) The public interest;

(4) The need to conserve the time of Department employees for the conduct of official business;

(5) The need to avoid spending the time and money of the United States for private purposes;

(6) The need to maintain impartiality between private litigants in cases where a substantial government interest is not implicated;

(7) Whether compliance would have an adverse effect on performance by the Department of its mission and duties; and

(8) The need to avoid involving the Department in controversial issues not related to its mission.

(b) Among those demands and requests in response to which compliance will not ordinarily be authorized are those with respect to which, *inter alia*, any of the following factors exist:

(1) Compliance would violate a statute or a rule of procedure;

(2) Compliance would violate a specific regulation or executive order;

(3) Compliance would reveal information properly classified in the interest of national security;

(4) Compliance would reveal confidential commercial or financial information or trade secrets without the owner's consent;

(5) Compliance would reveal the internal deliberative processes of the Executive Branch; or

Department of State

§ 172.9

(6) Compliance would potentially impede or prejudice an on-going law enforcement investigation.

§ 172.9 Prohibition on providing expert or opinion testimony.

(a) Except as provided in this section, and subject to 5 CFR 2635.805, Department employees shall not provide opinion or expert testimony based upon information which they acquired in the scope and performance of their official Department duties, except on behalf of the United States or a party represented by the Department of Justice.

(b) Upon a showing by the requestor of exceptional need or unique circumstances and that the anticipated testimony will not be adverse to the interests of the United States, the appropriate Department official designated in § 172.4 may, consistent with 5 CFR 2635.805, in their discretion and with the concurrence of the Office of the

Legal Adviser, grant special, written authorization for Department employees to appear and testify as expert witnesses at no expense to the United States.

(c) If, despite the final determination of the appropriate Department official designated in § 172.4, a court of competent jurisdiction or other appropriate authority orders the appearance and expert or opinion testimony of a Department employee, such employee shall immediately inform the Office of the Legal Adviser of such order. If the Office of the Legal Adviser determines that no further legal review of or challenge to the court's order will be made, the Department employee shall comply with the order. If so directed by the Office of the Legal Adviser, however, the employee shall respectfully decline to testify. *See United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

§ 181.1 Purpose and application.

(a) The purpose of this part is to implement the provisions of 1 U.S.C. 112a and 112b, popularly known as the Case-Zablocki Act (hereinafter “the Act”), on the reporting to Congress, coordination with the Secretary of State and publication of international agreements. This part applies to all agencies of the U.S. Government whose responsibilities include the negotiation and conclusion of international agreements. This part does not, however, constitute a delegation by the Secretary of State of the authority to engage in such activities. Further, it does not affect any additional requirements of law governing the relationship between particular agencies and the Secretary of State in connection with international negotiations and agreements, or any other requirements of law concerning the relationship between particular agencies and the Congress. The term *agency* as used in this part means each authority of the United States Government, whether or not it is within or subject to review by another agency.

(b) Pursuant to the key legal requirements of the Act—full and timely disclosure to the Congress of all concluded agreements and consultation by agencies with the Secretary of State with respect to proposed agreements—every agency of the Government is required

to comply with each of the provisions set out in this part in implementation of the Act. Nevertheless, this part is intended as a framework of measures and procedures which, it is recognized, cannot anticipate all circumstances or situations that may arise. Deviation or derogation from the provisions of this part will not affect the legal validity, under United States law or under international law, of agreements concluded, will not give rise to a cause of action, and will not affect any public or private rights established by such agreements.

[46 FR 35918, July 13, 1981, as amended at 61 FR 7071, Feb. 26, 1996]

§ 181.2 Criteria.

(a) *General.* The following criteria are to be applied in deciding whether any undertaking, oral agreement, document, or set of documents, including an exchange of notes or of correspondence, constitutes an international agreement within the meaning of the Act, as well as within the meaning of 1 U.S.C. 112a, requiring the publication of international agreements. Each of the criteria except those in paragraph (a)(5) of this section must be met in order for any given undertaking of the United States to constitute an international agreement.

(1) *Identity and intention of the parties.* A party to an international agreement must be a state, a state agency, or an intergovernmental organization. The parties must intend their undertaking to be legally binding, and not merely of political or personal effect. Documents intended to have political or moral weight, but not intended to be legally binding, are not international agreements. An example of the latter is the Final Act of the Helsinki Conference on Cooperation and Security in Europe. In addition, the parties must intend their undertaking to be governed by international law, although this intent need not be manifested by a third-party dispute settlement mechanism or any express reference to international law. In the absence of any provision in

the arrangement with respect to governing law, it will be presumed to be governed by international law. This presumption may be overcome by clear evidence, in the negotiating history of the agreement or otherwise, that the parties intended the arrangement to be governed by another legal system. Arrangements governed solely by the law of the United States, or one of the states or jurisdictions thereof, or by the law of any foreign state, are not international agreements for these purposes. For example, a foreign military sales loan agreement governed in its entirety by U.S. law is not an international agreement.

(2) *Significance of the arrangement.* Minor or trivial undertakings, even if couched in legal language and form, are not considered international agreements within the meaning of the Act or of 1 U.S.C. 112a. In deciding what level of significance must be reached before a particular arrangement becomes an international agreement, the entire context of the transaction and the expectations and intent of the parties must be taken into account. It is often a matter of degree. For example, a promise to sell one map to a foreign nation is not an international agreement; a promise to exchange all maps of a particular region to be produced over a period of years may be an international agreement. It remains a matter of judgment based on all of the circumstances of the transaction. Determinations are made pursuant to § 181.3. Examples of arrangements that may constitute international agreements are agreements that: (i) Are of political significance; (ii) involve substantial grants of funds or loans by the United States or credits payable to the United States; (iii) constitute a substantial commitment of funds that extends beyond a fiscal year or would be a basis for requesting new appropriations; (iv) involve continuing and/or substantial cooperation in the conduct of a particular program or activity, such as scientific, technical, or other cooperation, including the exchange or receipt of information and its treatment, or the pooling of data. However, individual research grants and contracts do not ordinarily constitute international agreements.

(3) *Specificity, including objective criteria for determining enforceability.* International agreements require precision and specificity in the language setting forth the undertakings of the parties. Undertakings couched in vague or very general terms containing no objective criteria for determining enforceability or performance are not normally international agreements. Most frequently such terms reflect an intent not to be bound. For example, a promise to "help develop a more viable world economic system" lacks the specificity essential to constitute a legally binding international agreement. However, the intent of the parties is the key factor. Undertakings as general as those of, for example, Articles 55 and 56 of the United Nations Charter have been held to create internationally binding obligations intended as such by the parties.

(4) *Necessity for two or more parties.* While unilateral commitments on occasion may be legally binding, they do not constitute international agreements. For example, a statement by the President promising to send money to Country Y to assist earthquake victims would not be an international agreement. It might be an important undertaking, but not all undertakings in international relations are in the form of international agreements. Care should be taken to examine whether a particular undertaking is truly unilateral in nature, or is part of a larger bilateral or multilateral set of undertakings. Moreover, "consideration," as that term is used in domestic contract law, is not required for international agreements.

(5) *Form.* Form as such is not normally an important factor, but it does deserve consideration. Documents which do not follow the customary form for international agreements, as to matters such as style, final clauses, signatures, or entry into force dates, may or may not be international agreements. Failure to use the customary form may constitute evidence of a lack of intent to be legally bound by the arrangement. If, however, the general content and context reveal an intention to enter into a legally binding relationship, a departure from customary form will not preclude the arrangement

from being an international agreement. Moreover, the title of the agreement will not be determinative. Decisions will be made on the basis of the substance of the arrangement, rather than on its denomination as an international agreement, a memorandum of understanding, exchange of notes, exchange of letters, technical arrangement, protocol, note verbale, aide-memoire, agreed minute, or any other name.

(b) *Agency-Level agreements.* Agency-level agreements are international agreements within the meaning of the Act and of 1 U.S.C. 112a if they satisfy the criteria discussed in paragraph (a) of this section. The fact that an agreement is concluded by and on behalf of a particular agency of the United States Government, rather than the United States Government, does not mean that the agreement is not an international agreement. Determinations are made on the basis of the substance of the agency-level agreement in question.

(c) *Implementing agreements.* An implementing agreement, if it satisfies the criteria discussed in paragraph (a) of this section, may be an international agreement, depending upon how precisely it is anticipated and identified in the underlying agreement it is designed to implement. If the terms of the implementing agreement are closely anticipated and identified in the underlying agreement, only the underlying agreement is considered an international agreement. For example, the underlying agreement might call for the sale by the United States of 1000 tractors, and a subsequent implementing agreement might require a first installment on this obligation by the sale of 100 tractors of the brand X variety. In that case, the implementing agreement is sufficiently identified in the underlying agreement, and would not itself be considered an international agreement within the meaning of the Act or of 1 U.S.C. 112a. Project annexes and other documents which provide technical content for an umbrella agreement are not normally treated as international agreements. However, if the underlying agreement is general in nature, and the implementing agreement meets the specified

criteria of paragraph (a) of this section, the implementing agreement might well be an international agreement. For example, if the underlying agreement calls for the conclusion of “agreements for agricultural assistance,” but without further specificity, then a particular agricultural assistance agreement subsequently concluded in “implementation” of that obligation, provided it meets the criteria discussed in paragraph (a) of this section, would constitute an international agreement independent of the underlying agreement.

(d) *Extensions and modifications of agreements.* If an undertaking constitutes an international agreement within the meaning of the Act and of 1 U.S.C. 112a, then a subsequent extension or modification of such an agreement would itself constitute an international agreement within the meaning of the Act and of 1 U.S.C. 112a.

(e) *Oral agreements.* Any oral arrangement that meets the criteria discussed in paragraphs (a)(1)–(4) of this section is an international agreement and, pursuant to section (a) of the Act, must be reduced to writing by the agency that concluded the oral arrangement. In such written form, the arrangement is subject to all the requirements of the Act and of this part. Whenever a question arises whether an oral arrangement constitutes an international agreement, the arrangement shall be reduced to writing and the decision made in accordance with § 181.3.

§ 181.3 Determinations.

(a) Whether any undertaking, document, or set of documents constitutes or would constitute an international agreement within the meaning of the Act or of 1 U.S.C. 112a shall be determined by the Legal Adviser of the Department of State, a Deputy Legal Adviser, or in most cases the Assistant Legal Adviser for Treaty Affairs. Such determinations shall be made either on a case-by-case basis, or on periodic consultation, as appropriate.

(b) Agencies whose responsibilities include the negotiation and conclusion

of international agreements are responsible for transmitting to the Assistant Legal Adviser for Treaty Affairs, for decision pursuant to paragraph (a) of this section, the texts of any document or set of documents that might constitute an international agreement. The transmittal shall be made prior to or simultaneously with the request for consultations with the Secretary of State required by subsection (c) of the Act and § 181.4 of this part.

(c) Agencies whose responsibilities include the negotiation and conclusion of large numbers of agency-level and implementing arrangements at overseas posts, only a small number of which might constitute international agreements within the meaning of the Act and of 1 U.S.C. 112a, are required to transmit prior to their entry into force only the texts of the more important of such arrangements for decision pursuant to paragraph (a) of this section. The texts of all arrangements that might constitute international agreements shall, however, be transmitted to the Office of the Assistant Legal Adviser for Treaty Affairs as soon as possible, and in no event to arrive at that office later than 20 days after their signing, for decision pursuant to paragraph (a) of this section.

(d) Agencies to which paragraphs (b) and (c) of this section apply shall consult periodically with the Assistant Legal Adviser for Treaty Affairs in order to determine which categories of arrangements for which they are responsible are likely to be international agreements within the meaning of the Act and of 1 U.S.C. 112a.

§ 181.4 Consultations with the Secretary of State.

(a) The Secretary of State is responsible, on behalf of the President, for ensuring that all proposed international agreements of the United States are fully consistent with United States foreign policy objectives. Except as provided in § 181.3(c) of this part, no agency of the U.S. Government may conclude an international agreement, whether entered into in the name of the U.S. Government or in the name of the agency, without prior consultation

with the Secretary of State or his designee.

(b) The Secretary of State (or his designee) gives his approval for any proposed agreement negotiated pursuant to his authorization, and his opinion on any proposed agreement negotiated by an agency which has separate authority to negotiate such agreement. The approval or opinion of the Secretary of State or his designee with respect to any proposed international agreement will be given pursuant to Department of State procedures set out in Volume 11, *Foreign Affairs Manual*, Chapter 700 (Circular 175 procedure). Officers of the Department of State shall be responsible for the preparation of all documents required by the Circular 175 procedure.

(c) Pursuant to the Circular 175 procedure, the approval of, or an opinion on a proposed international agreement to be concluded in the name of the U.S. Government will be given either by the Secretary of State or his designee. The approval of, or opinion on a proposed international agreement to be concluded in the name of a particular agency of the U.S. Government will be given by the interested assistant secretary or secretaries of State, or their designees, unless such official(s) judge that consultation with the Secretary, Deputy Secretary, or an Under Secretary is necessary. The approval of, or opinion on a proposed international agreement will normally be given within 20 days of receipt of the request for consultation and of the information as required by § 181.4(d)–(g).

(d) Any agency wishing to conclude an international agreement shall transmit to the interested bureau or office in the Department of State, or to the Office of the Legal Adviser, for consultation pursuant to this section, a draft text or summary of the proposed agreement, a precise citation of the Constitutional, statutory, or treaty authority for such agreement, and other background information as requested by the Department of State. The transmittal of the draft text or summary and citation of legal authority shall be made before negotiations are undertaken, or if that is not feasible, as early as possible in the negotiating process. In any event such transmittals

must be made no later than 50 days prior to the anticipated date for concluding the proposed agreement. If unusual circumstances prevent this 50-day requirement from being met, the concerned agency shall use its best efforts to effect such transmittal as early as possible prior to the anticipated date for concluding the proposed agreement.

(e) If a proposed agreement embodies a commitment to furnish funds, goods, or services that are beyond or in addition to those authorized in an approved budget, the agency proposing the agreement shall state what arrangements have been planned or carried out concerning consultation with the Office of Management and Budget for such commitment. The Department of State should receive confirmation that the relevant budget approved by the President provides or requests funds adequate to fulfill the proposed commitment, or that the President has made a determination to seek the required funds.

(f) Consultation may encompass a specific class of agreements rather than a particular agreement where a series of agreements of the same general type is contemplated; that is, where a number of agreements are to be negotiated according to a more or less standard formula, such as, for example, Pub. L. 480 Agricultural Commodities Agreements. Any agency wishing to conclude a particular agreement within a specific class of agreements about which consultations have previously been held pursuant to this section shall transmit a draft text of the proposed agreement to the Office of the Legal Adviser as early as possible but in no event later than 20 days prior to the anticipated date for concluding the agreement.

(g) The consultation requirement shall be deemed to be satisfied with respect to proposed international agreements of the United States about which the Secretary of State (or his designee) has been consulted in his capacity as a member of an interagency committee or council established for the purpose of approving such proposed agreements. Designees of the Secretary of State serving on any such interagency committee or council are to

provide as soon as possible to the interested offices or bureaus of the Department of State and to the Office of the Legal Adviser copies of draft texts or summaries of such proposed agreements and other background information as requested.

(h) Before an agreement containing a foreign language text may be signed or otherwise concluded, a signed memorandum must be obtained from a responsible language officer of the Department of State or of the U.S. Government agency concerned certifying that the foreign language text and the English language test are in conformity with each other and that both texts have the same meaning in all substantive respects. The signed memorandum is to be made available to the Department of State upon request.

§ 181.5 Twenty-day rule for concluded agreements.

(a) Any agency, including the Department of State, that concludes an international agreement within the meaning of the Act and of 1 U.S.C. 112a, whether entered into in the name of the U.S. Government or in the name of the agency, must transmit the text of the concluded agreement to the Office of the Assistant Legal Adviser for Treaty Affairs as soon as possible and in no event to arrive at that office later than 20 days after the agreement has been signed. The 20-day limit, which is required by the Act, is essential for purposes of permitting the Department of State to meet its obligation under the Act to transmit concluded agreements to the Congress no later than 60 days after their entry into force.

(b) In any case of transmittal after the 20-day limit, the agency or Department of State office concerned may be asked to provide to the Assistant Legal Adviser for Treaty Affairs a statement describing the reasons for the late transmittal. Any such statements will be used, as necessary, in the preparation of the annual report on late transmittals, to be signed by the President and transmitted to the Congress, as required by subsection (b) of the Act.

§ 181.6 Documentation and certification.

(a) Transmittals of concluded agreements to the Assistant Legal Adviser for Treaty Affairs pursuant to § 181.5 must include the signed or initialed original texts, together with all accompanying papers, such as agreed minutes, exchanges of notes, or side letters. The texts transmitted must be accurate, legible, and complete, and must include the texts of all languages in which the agreement was signed or initiated. Names and identities of the individuals signing or initialing the agreements, for the foreign government as well as for the United States, must, unless clearly evident in the texts transmitted, be separately provided.

(b) Agreements from overseas posts should be transmitted to the Department of State by priority airgram, marked for the attention of the Assistant Legal Adviser for Treaty Affairs, with the following notation below the enclosure line: FAIM: Please send attached original agreement to L/T on arrival.

(c) Where the original texts of concluded agreements are not available, certified copies must be transmitted in the same manner as original texts. A certified copy must be an exact copy of the signed original.

(d) When an exchange of diplomatic notes between the United States and a foreign government constitutes an agreement or has the effect of extending, modifying, or terminating an agreement to which the United States is a party, a properly certified copy of the note from the United States to the foreign government, and the signed original of the note from the foreign government, must be transmitted. If, in conjunction with the agreement signed, other notes related thereto are exchanged (either at the same time, beforehand, or subsequently), properly certified copies of the notes from the United States to the foreign government must be transmitted with the signed originals of the notes from the foreign government.

(e) Copies may be certified either by a certification on the document itself, or by a separate certification attached to the document. A certification on the

document itself is placed at the end of the document. It indicates, either typed or stamped, that the document is a true copy of the original signed or initialed by (insert full name of signing officer), and it is signed by the certifying officer. If a certification is typed on a separate sheet of paper, it briefly describes the document certified and states that it is a true copy of the original signed by (full name) and it is signed by the certifying officer.

§ 181.7 Transmittal to the Congress.

(a) International agreements other than treaties shall be transmitted by the Assistant Legal Adviser for Treaty Affairs to the President of the Senate and the Speaker of the House of Representatives as soon as practicable after the entry into force of such agreements, but in no event later than 60 days thereafter.

(b) Classified agreements shall be transmitted by the Assistant Secretary of State for Congressional Relations to the Senate Committee on Foreign Relations and to the House Committee on Foreign Affairs.

(c) The Assistant Legal Adviser for Treaty Affairs shall also transmit to the President of the Senate and to the Speaker of the House of Representatives background information to accompany each agreement reported under the Act. Background statements, while not expressly required by the act, have been requested by the Congress and have become an integral part of the reporting requirement. Each background statement shall include information explaining the agreement, the negotiations, the effect of the agreement, and a precise citation of legal authority. At the request of the Assistant Legal Adviser for Treaty Affairs, each background statement is to be prepared in time for transmittal with the agreement it accompanies by the office most closely concerned with the agreement. Background statements for classified agreements are to be transmitted by the Assistant Secretary of State for Congressional Relations to the Senate Committee on Foreign Relations and to the House Committee on Foreign Affairs.

(d) Pursuant to section 12 of the Taiwan Relations Act (22 U.S.C. 3311), any

agreement entered into between the American Institute in Taiwan and the governing authorities on Taiwan, or any agreement entered into between the Institute and an agency of the United States Government, shall be transmitted by the Assistant Secretary of State for Congressional Relations to the President of the Senate and to the Speaker of the House of Representatives as soon as practicable after the entry into force of such agreements, but in no event later than 60 days thereafter. Classified agreements entered into by the Institute shall be transmitted by the Assistant Secretary for Congressional Relations to the Senate Committee on Foreign Affairs.

§ 181.8 Publication.

(a) The following categories of international agreements will not be published in United States Treaties and Other International Agreements:

(1) Bilateral agreements for the rescheduling of intergovernmental debt payments;

(2) Bilateral textile agreements concerning the importation of products containing specified textile fibers done under the Agricultural Act of 1956, as amended;

(3) Bilateral agreements between postal administrations governing technical arrangements;

(4) Bilateral agreements that apply to specified military exercises;

(5) Bilateral military personnel exchange agreements;

(6) Bilateral judicial assistance agreements that apply only to specified civil or criminal investigations or prosecutions;

(7) Bilateral mapping agreements;

(8) Tariff and other schedules under the General Agreement on Tariffs and Trade and under the Agreement of the World Trade Organization;

(9) Agreements that have been given a national security classification pursuant to Executive Order No. 12958 or its successors; and

(b) Agreements on the subjects listed in paragraphs (a) (1) through (9) of this section that had not been published as of February 26, 1996.

(c) Any international agreements in the possession of the Department of State, other than those in paragraph (a)(9) of this section, but not published will be made available upon request by the Department of State.

Subpart A—General

§ 191.1 Declaration of hostile action.

(a) The Secretary of State from time to time shall declare when and where individuals in the civil or uniformed services of the United States, or a citizen or resident alien of the United States rendering personal services to the United States abroad similar to the service of a civil officer or employee of the United States, have been placed in captive status because of hostile action abroad directed against the United States and occurring or continuing between November 4, 1979, and such date as may be declared by the President under section 101(2)(A) of the Hostage

Relief Act of 1980 (Pub. L. 96-449, hereafter "the Act") or January 1, 1983, whichever is later. Each such declaration shall be published in the FEDERAL REGISTER.

(b) The Secretary of State upon his or her own initiative, or upon application under § 191.2 shall determine which individuals in captive status as so declared shall be considered hostages eligible for benefits under the Act. The Secretary shall also determine who is eligible under the Act for benefits as a member of a family or household of a hostage. The determination of the Secretary shall be final, but any interested person may request reconsideration on the basis of information not considered at the time of original determination. The criteria for determination are set forth in sections 101 and 205 of the Act, and in these regulations.

§ 191.2 Application for determination of eligibility.

(a) Any person who believes that they or other persons known to them are either hostages as defined in the Act, or members of the family or household of hostages as defined in § 191.3(a)(1), or a child eligible for benefits under subpart D, may apply for benefits under this subchapter for themselves, or on behalf of others entitled thereto.

(b) The application shall be in writing, should contain all identifying and other pertinent data available to the person applying about the person or persons claimed to be eligible, and should be addressed to the Assistant Secretary of State for Administration, Department of State, Washington, DC 20520. Applications may be filed at any time after publication of a declaration under § 191.1(a) in the FEDERAL REGISTER, and during the period of its validity, or within 60 days after release from captivity. Later filing may be considered when in the opinion of the Secretary of State there is good cause for the late filing.

§ 191.3 Definitions.

When used in this subchapter, unless otherwise specified, the terms—

(a) *Family Member* means (1) a spouse, (2) an unmarried dependent child including a step-child or adopted child, (3) a person designated in official records or determined by the agency head or designee thereof to be a dependent, or (4) other persons such as parents, parents-in-law, persons who stand in the place of a spouse or parents, or other members of a household when fully justified by the circumstances of the hostage situation, as determined by the Secretary of State.

(b) *Agency head* means the head of an agency as defined in the Act (or successor agency) employing an individual determined to be an American hostage. The Secretary of State is the agency head with respect to any hostage not employed by an agency.

(c) *Principal* means the hostage whose captivity forms the basis for benefits under this subchapter for a family member.

§ 191.4 Notification of eligible persons.

The Assistant Secretary of State for Administration shall be responsible for notifying each individual determined to be eligible for benefits under the Act or, if that person is not available, a representative or Family Member of the hostage.

§ 191.5 Relationships among agencies.

(a) The Assistant Secretary of State for Administration shall promptly inform the head of any agency whenever an employee (including a member of the Armed Forces) in that agency, or Family Member of such employee, is determined to be eligible for benefits under this subchapter.

(b) In accordance with inter-agency agreements between the Department of State and relevant agencies—

(1) The Veterans Administration will periodically bill the Department of State for expenses it pays for each eligible person under subpart D of this subchapter plus the administrative costs of carrying out its responsibilities under this part.

(2) The Department of State will, on a periodic basis, determine the cost for services and benefits it provides to all eligible persons under this subchapter and bill each agency for the costs attributable to Principals (and Family

Members) in or acting on behalf of the agency plus a proportionate share of related administrative expenses.

§ 191.6 Effective date.

This regulation is effective as of November 4, 1979. Reimbursement may be made for expenses approved under this subchapter for services rendered on or after such date.

Subpart B—Application of Soldiers' and Sailors' Civil Relief Act

§ 191.10 Eligibility for benefits.

A person designated as a hostage under subpart A of this subchapter, other than a member of the Armed Forces covered by the provisions of the Soldiers' and Sailors' Civil Relief Act of 1940, shall be eligible for benefits under this part.

§ 191.11 Applicable benefits.

(a) Eligible persons are entitled to the benefits provided by the Soldiers' and Sailors' Civil Relief Act of 1940 (50 U.S.C. App. 501, *et seq.*), including the benefits provided by section 701 (50 U.S.C. App. 591) notwithstanding paragraph (c) thereof, but excluding the benefits provided by sections 104, 105, 106, 400 through 408, 501 through 512, and 514 (50 U.S.C. App. 514, 515, 516, 540 through 548, 561 through 572, and 574).

(b) In applying such Act for purposes of this section—

(1) The term “person in the military service” is deemed to include any such American hostage;

(2) The term “period of military service” is deemed to include the period during which such American hostage is in a captive status;

(3) References therein to the Secretary of the Army, the Secretary of the Navy, the Adjutant General of the Army, the Chief of Naval Personnel, and the Commandant, United States Marine Corps, or other officials of government are deemed to be references to the Secretary of State; and

(4) The term “dependents” shall, to the extent permissible by law, be construed to include “Family Members” as defined in section 101 of the Hostage Relief Act.

§ 191.12 Description of benefits.

The following material is included to assist persons affected, by providing a brief description of some of the provisions of the Civil Relief Act. Note that not all of the sections applicable to hostages have been included here. References to sections herein are references to the Civil Relief Act of 1940, as amended, followed by references in parentheses to the same section in the United States Code.

(a) *Guarantors, endorsers.* Section 103 (50 U.S.C. App. 513) provides that whenever a hostage is granted relief from the enforcement of an obligation, a court, in its discretion, may grant the same relief to guarantors and endorsers of the obligation. Amendments extend relief to accommodation makers and others primarily or secondarily liable on an obligation, and to sureties on a criminal bail bond. They provide, on certain conditions, that the benefits of the section with reference to persons primarily or secondarily liable on an obligation may be waived in writing.

(b) *Written Agreements.* Section 107 (50 U.S.C. App. 517) provides that nothing contained in the Act shall prevent hostages from making certain arrangements with respect to their contracts and obligations, but requires that such arrangements be in writing.

(c) *Protection in Court.* Section 200 (50 U.S.C. App. 520) provides that if a hostage is made defendant in a court action and is unable to appear in court, the court shall appoint an attorney to represent the hostage and protect the hostage's interests. Further, if a judgment is rendered against the hostage, an opportunity to reopen the case and present a defense, if meritorious, may be permitted within 90 days after release.

(d) *Court Postponement.* Section 201 (50 U.S.C. App. 521) authorizes a court to postpone any court proceedings if a hostage is a party thereto and is unable to participate by reason of being a captive.

(e) *Relief Against Penalties.* Section 202 (50 U.S.C. App. 522) provides for relief against fines or penalties when a court proceeding involving a hostage is postponed, or when the fine or penalties are incurred for failure to perform any obligation. In the latter case,

relief depends upon whether the hostage's ability to pay or perform is materially affected by being held captive.

(f) *Postponement of Action.* Section 203 (50 U.S.C. App. 523) authorizes a court to postpone or vacate the execution of any judgment, attachment or garnishment.

(g) *Period of Postponement.* Section 204 (50 U.S.C. App. 524) authorizes a court to postpone proceedings for the period of captivity, and for 3 months thereafter, or any part thereof.

(h) *Extended Time Limits.* Section 205 (50 U.S.C. App. 525) excludes the period of captivity from computing time under existing or future statutes of limitation. Amendments extend relief to include actions before administrative agencies, and provide that the period of captivity shall not be included in the period for redemption of real property sold to enforce any obligation, tax, or assessment. Section 207 excludes application of section 205 to any period of limitation prescribed by or under the internal revenue laws of the United States.

(i) *Interest Rates.* Section 206 (50 U.S.C. App. 526) provides that interest on the obligations of hostages shall not exceed a specified per centum per annum, unless the court determines that ability to pay greater interest is not affected by being held captive.

(j) *Misuse of Benefits.* Section 600 (50 U.S.C. App. 580) provides against transfers made with intent to delay the just enforcement of a civil right by taking advantage of the Act.

(k) *Further Relief.* Section 700 (50 U.S.C. App. 590) provides that a person, during a period of captivity or 6 months thereafter, may apply to a court for relief with respect to obligations incurred prior to captivity, or any tax or assessment whether falling due prior to or during the period of captivity. The court may, on certain conditions, stay the enforcement of such obligations.

(l) *Stay of Eviction.* Section 300 (50 U.S.C. App. 530) provides that a hostage's dependents shall not be evicted from their dwelling if the rental is \$150 or less per month, except upon leave of a court. If it is proved that inability to pay rent is a result of being in captivity, the court is authorized to stay

eviction proceedings for not longer than 3 months. An amendment extends relief to owners of the premises with respect to payments on mortgage and taxes.

(m) *Contract and Mortgage Obligations.* As provided by sections 301 and 302 of the Act (50 U.S.C. App. 531 and 532), as amended, contracts for the purchase of real and personal property, which originated prior to the period of captivity, may not be rescinded, terminated, or foreclosed, or the property repossessed, except as provided in section 107 (50 U.S.C. App. 517), unless by an order of a court. The mentioned sections give the court wide discretionary powers to make such disposition of the particular case as may be equitable in order to conserve the interests of both the hostage and the creditor. The cited sections further provide that the court may stay the proceedings for the period of captivity and 3 months thereafter, if in its opinion the ability of the hostage to perform the obligation is materially affected by reason of captivity. Section 303 (50 U.S.C. App. 533) provides that the court may appoint appraisers and, based upon their report, order such sum as may be just, if any, paid to hostages or their dependents, as a condition to foreclosing a mortgage, resuming possession of property, and rescinding or terminating a contract.

(n) *Termination of a Lease.* Section 304 (50 U.S.C. App. 534) provides, in general, that a lease covering premises occupied for dwelling, business, or agricultural purpose, executed by persons who subsequently become hostages, may be terminated by a notice in writing given to the lessor, subject to such action as may be taken by a court on application of the lessor. Termination of a lease providing for monthly payment of rent shall not be effective until 30 days after the first date on which the next rental payment is due, and, in the case of other leases, on the last day of the month following the month when the notice is served.

(o) *Assignment of Life Insurance Policy.* Section 305 (50 U.S.C. App. 535) provides that the assignee of a life insurance policy assigned as security, other than the insurer in connection with a policy loan, except upon certain conditions,

shall not exercise any right with respect to the assignment during the period of captivity of the insured and one year thereafter, unless upon order of a court.

(p) *Storage Lien.* Section 305 (50 U.S.C. App. 535) provides that a lien for storage of personal property may not be foreclosed except upon court order. The court may stay proceedings or make other just disposition.

(q) *Extension of Benefits to Dependents.* Section 306 (50 U.S.C. App. 536) extends the benefits to section 300 through 305 to dependents of a hostage.

(r) *Real and Personal Property Taxes.* Section 500 (50 U.S.C. App. 560) forbids sale of property, except upon court leave, to enforce collection of taxes or assessments (other than taxes on income) on personal property or real property owned and occupied by the hostage or dependents thereof at the commencement of captivity and still occupied by the hostage's dependents or employees. The court may stay proceedings for a period not more than 6 months after termination of captivity. When by law such property may be sold to enforce collection, the hostage will have the right to redeem it within 6 months after termination of captivity. Unpaid taxes or assessments bear interest at 6 percent.

(s) *Income Taxes.* Section 513 provides for deferment of payment of income taxes. However, section 204 of the Hostage Relief Act of 1980 provides for deferment and certain other relief, and should be referred to in order to determine statutory tax benefits in addition to those in section 513 of the Civil Relief Act.

(t) *Certification of Hostage.* Section 601 provides that a certificate signed by the agency head shall be prima facie evidence that the person named has been a hostage during the period specified in the certification.

(u) *Interlocutory Orders.* Section 602 (50 U.S.C. App. 582) provides that a court may revoke an interlocutory order it has issued pursuant to any provision of the Soldiers' and Sailors' Civil Relief Act of 1940.

(v) *Power of Attorney.* Section 701 (50 U.S.C. App. 591) provides that certain powers of attorney executed by a hostage which expire by their terms after

the person was captured shall be automatically extended for the period of captivity. Exceptions are made with respect to powers of attorney which by their terms clearly indicate they are to expire on the date specified irrespective of hostage status. (Section 701 applies to American hostages notwithstanding paragraph (c) thereof which states that it applies only to powers of attorney issued during the "Vietnam era".)

§ 191.13 Administration of benefits.

(a) The Assistant Secretary of State for Administration will issue certifications or other documents when required for purposes of the Civil Relief Act.

(b) The Assistant Secretary of State shall whenever possible promptly inform the chief legal officer of each State in which hostages maintain residence of all persons determined to be hostages eligible for assistance under this subpart.

Subpart C—Medical Benefits

§ 191.20 Eligibility for benefits.

A person designated as a hostage or Family Member of a hostage under subpart A of this subchapter shall be eligible for benefits under this subpart.

§ 191.21 Applicable benefits.

A person eligible for benefits under this part shall be eligible for authorized medical and health care at U.S. Government expense, and for payment of other authorized expenses related to such care or for obtaining such care for any illness or injury which is determined by the Secretary of State to be caused or materially aggravated by the hostage situation, to the extent that such care may not—

(a) Be provided or paid for under any other Government health or medical program, including, but not limited to, the programs administered by the Secretary of Defense, the Secretary of Labor and the Administrator of Veterans Affairs; or

(b) Be entitled to reimbursement by any private or Government health insurance or comparable plan.

§ 191.22 Administration of benefits.

(a) An eligible person, who desires medical or health care under this subpart or any person acting on behalf thereof, shall submit an application to the Office of Medical Services, Department of State, Washington, DC 20520 (hereafter referred to as the "Office"). The applicant shall supply all relevant information, including insurance information, requested by the Director of the Office. An eligible person may also submit claims to the Office for payment for emergency care when there is not time to obtain prior authorization as prescribed by this paragraph, and for payment for care received prior to or ongoing on the effective date of these regulations.

(b) The Office shall evaluate all requests for care and claims for reimbursement and determine, on behalf of the Secretary of State, whether the care in question is authorized under § 191.21 of this subpart. The Office will authorize care, or payment for care when it determines the criteria of such section are met. Authorization shall include a determination as to the necessity and reasonableness of medical or health care.

(c) The Office will refer applicants eligible for benefits under other Government health programs to the Government agency administering those programs. Any portion of authorized care not provided or paid for under another Government program will be reimbursed under this subpart.

(d) Eligible persons may obtain authorized care from any licensed facility or health care provider of their choice approved by the Office. To the extent possible, the Office will attempt to arrange for authorized care to be provided in a Government facility at no cost to the patient.

(e) Authorized care provided by a private facility or health care provider will be paid or reimbursed under this subpart to the extent that the Office determines that costs do not exceed reasonable and customary charges for similar care in the locality.

(f) All bills for authorized medical or health care covered by insurance shall be submitted to the patient's insurance carrier for payment prior to submission to the Office for payment of the

balance authorized by this part. The Office will request the health care providers to bill the insurance carrier and the Department of State for authorized care, rather than the patient.

(g) Eligible persons will be reimbursed by the Office for authorized travel to obtain an evaluation of their claim under paragraph (b) of this section and for other authorized travel to obtain medical or health care authorized by this subpart.

§ 191.23 Disputes.

Any dispute between the Office and eligible persons concerning (a) whether medical or health care is required in a given case, (b) whether required care is incident to the hostage taking, or (c) whether the cost for any authorized care is reasonable and customary, shall be referred to the Medical Director, Department of State and the Foreign Service for a determination. If the person bringing the claim is not satisfied with the decision of the Medical Director, the dispute shall be referred to a medical board composed of three physicians, one appointed by the Medical Director, one by the eligible person and the third by the first two members. A majority decision by the board shall be binding on all parties.

§ 191.31 Applicable family benefits.

(c) In special circumstances and within the limitation of § 191.34, the Secretary of State may, under the criteria and procedures set forth in § 191.33, approve payments for education or training under this subsection which occurs after the date determined under paragraph (b) of this section.

The application shall specify the benefits desired and the basis of eligibility for those benefits. The Secretary of State shall make determinations of eligibility for benefits under this part, and shall forward approved applications to the Veterans Administration and advise the applicant of the name and address of the office in the Veterans Administration that will counsel the eligible persons on how to obtain the benefits that have been approved. Persons whose applications are disapproved shall be advised of the reasons for the disapproval.

(b) The Veterans Administration shall provide the same level and kind of assistance, including payments (by advancement or reimbursement) for authorized expenses up to the same maximum amounts, to spouses and children of hostages, and to Principals following their release from captivity

as it does to eligible spouses and children of veterans and to eligible veterans, respectively, under chapters 35 and 36 of title 38, United States Code. The Veterans Administration shall, following consultation with the Secretary of State and under procedures it has established to administer section 1724 of title 38, United States Code, discontinue assistance for any individual whose conduct or progress is unsatisfactory under standards consistent with those established pursuant to such section 1724.

(d) If an application is received from a spouse or child for extended training under §191.31(c), the Secretary of Administration shall determine with the advice of the Advisory Board whether the Principal, following release from captivity, is incapacitated by the hostage experience to the extent that (1) he or she has not returned to full-time active duty and is unlikely to be able to resume the normal duties of his or her position or career, or (2) in the event of a separation from Government service, a comparable position or career, for at least six months from the date the Principal is released from captivity. If the Secretary makes such a determination, he or she may approve, within the limits of §191.34, an application under §191.31(c) for up to one year of education or training. If the Principal remains incapacitated, the Secretary may approve additional training or education up to the maximum authorized under §191.34.

(2) The Secretary of State, in consultation with the Secretary of Labor, shall also declare when and where individuals in the Civil Service of the United States including members of the Foreign Service and foreign service nationals, including individuals rendering personal services to the United States similar to the service of an individual in the Civil Service, and family members of these individuals are eligible to receive compensation for disability or death occurring after January 21, 1981. Such determination shall be based on the decision by the Secretary of State that the disability or death was caused by hostile action abroad and was a result of the individual's relationship with the Government.

(3) Declarations of hostile action in domestic situations shall be made by the Secretary of State in consultation

Department of State

§ 192.3

with the Attorney General of the United States and the head of the employing agency or agencies.

(b) The Secretary of State for actions abroad, or Agency Head for domestic actions, upon his or her own initiative, or upon application under §192.2 shall determine which individuals in captive or missing status as so declared shall be considered captives eligible for benefits under the Act. The Secretary or Agency Head shall also determine who is eligible under the Act for benefits as a member of a family or household of a captive. The determination of the Secretary or Agency Head shall be final for purposes of determining captive status and cash payments, and not subject to judicial review, but any interested person may request reconsideration on the basis of information not considered at the time of original determination. The criteria for determination are set forth in sections 5569 and 5570 of title 5 of U.S.C., and in these regulations.

§ 192.2 Application for determination of eligibility.

(a) Any person who believes that that person or other persons known to that person are either captives as defined in 5 U.S.C. 5569(a)(1), individuals who have suffered disability or death caused by hostile action which was a result of the individual's relationship with the U.S. Government, members of the family or household of such individuals as defined in §192.3(a)(1), or a child eligible for benefits under subchapter D, may apply for benefits under this subchapter for that person, or on behalf of others entitled thereto.

(b) The application in connection with hostile action abroad shall be in writing, shall contain all identifying and other pertinent data available to the person applying about the person or persons claimed to be eligible, and shall be addressed to the Director General of the Foreign Service, Department of State, Washington, DC 20520. Applications may be filed within 60 days after the latest of: a declaration under §192.1(a), the hostile action, or release from captivity. Later filing may be considered when in the opinion of the Secretary of State there is good cause for the late filing. Applications

in connection with hostile action in domestic situations shall conform to these same requirements and be filed with the Agency Head.

App. 591) notwithstanding paragraph (c) thereof, but excluding the benefits provided by sections 104, 105, 106, 400 through 408, 501 through 512, and 514 (50 U.S.C. (4) The term *dependents* shall, to the extent permissible by law, be construed

§ 192.22 Description of benefits.

The following material is included to assist persons affected, by providing a brief description of some of the provisions of the Civil Relief Act. Note that not all of the sections applicable to captives have been included here. References to sections herein are references to the Civil Relief Act of 1940, as amended, followed by references in parentheses to the same section in the United States Code.

(a) *Guarantors, endorsers.* Section 103 (50 U.S.C. App. 513) provides that whenever a captive is granted relief from the enforcement of an obligation, a court, in its discretion, may grant the same relief to guarantors and endorsers of the obligation. Amendments extend relief to accommodation makers and others primarily or secondarily liable on an obligation, and to sureties on a criminal bail bond. They provide, on certain conditions, that the benefits of the section with reference to persons primarily or secondarily liable on an obligation may be waived in writing.

(b) *Written agreements.* Section 107 (50 U.S.C. App. 517) provides that nothing contained in the Act shall prevent captives from making certain arrangements with respect to their contracts and obligations, but requires that such arrangements be in writing.

(c) *Protection in court.* Section 200 (50 U.S.C. App. 517) provides that if a captive is made a defendant in a court action and is unable to appear in court, the court shall appoint an attorney to represent the captive and protect the captive's interests. Further, if a judgment is rendered against the captive, an opportunity to reopen the case and present a defense, if meritorious, may be permitted within 90-days after release.

(d) *Court postponement.* Section 201 (50 U.S.C. App. 521) authorizes a court to postpone any court proceedings if a captive is a party thereto and is unable to participate by reason of being a captive.

(e) *Relief against penalties.* Section 202 (50 U.S.C. App. 522) provides for relief against fines or penalties when a court

proceeding involving a captive is postponed, or when the fine or penalties are incurred for failure to perform any obligation. In the latter case, relief depends upon whether the captive's ability to pay or perform is materially affected by being held captive.

(f) *Postponement of action.* Section 203 (50 U.S.C. App. 523) authorizes a court to postpone or vacate the execution of any judgment, attachment or garnishment.

(g) *Period of postponement.* Section 204 (50 U.S.C. App. 524) authorizes a court to postpone proceedings for the period of captivity and for 3 months thereafter, or any part thereof.

(h) *Extended time limits.* Section 205 (50 U.S.C. App. 525) excludes the period of captivity from computing time under existing or future statutes of limitation. Amendments extend relief to include actions before administrative agencies, and provide that the period of captivity shall not be included in the period for redemption of real property sold to enforce any obligation, tax, or assessment. Section 207 excludes application of section 205 to any period of limitation prescribed by or under the internal revenue laws of the United States.

(i) *Interest rates.* Section 206 (50 U.S.C. App. 526) provides that interest on the obligations of captives shall not exceed a specified per centum per annum, unless the court determines that ability to pay greater interest is not affected by being held captive.

(j) *Misuse of benefits.* Section 600 (50 U.S.C. App. 580) provides against transfers made with intent to delay the just enforcement of a civil right by taking advantage of the Act.

(k) *Further relief.* Section 700 (50 U.S.C. App. 590) provides that a person, during a period of captivity or 6 months thereafter, may apply to a court for relief with respect to obligations incurred prior to captivity, or any tax or assessment whether falling due prior to or during the period of captivity. The court may, on certain conditions, stay the enforcement of such obligations.

(l) *Stay of eviction.* Section 300 (50 U.S.C. App. 530) provides that a captive's dependents shall not be evicted from their dwelling if the rental is

minimal, except upon leave of a court. If it is proved that inability to pay rent is a result of being in captivity, the court is authorized to stay eviction proceedings for not longer than 3 months. An amendment extends relief to owners of the premises with respect to payment on mortgage and taxes.

(m) *Contract and mortgage obligations.* As provided by sections 301 and 302 of the Act (50 U.S.C. App. 531 and 532), as amended, contracts for the purchase of real and personal property, which originated prior to the period of captivity, may not be rescinded, terminated, or foreclosed, or the property repossessed, except as provided in section 107 (50 U.S.C. App. 517), unless by an order of a court. The mentioned sections give the court wide discretionary powers to make such disposition of the particular case as may be equitable in order to conserve the interests of both the captive and the creditor. The cited sections further provide that the court may stay the proceedings for the period of captivity and 3 months thereafter, if in its opinion the ability of the captive to perform the obligation is materially affected by reason of captivity. Section 303 (50 U.S.C. App. 533) provides that the court may appoint appraisers and, based upon their report, order such sum as may be just, if any, paid to captives or their dependents, as a condition to foreclosing a mortgage, resuming possession of property, and rescinding or terminating a contract.

(n) *Termination of a lease.* Section 304 (50 U.S.C. App. 534) provides, in general, that a lease covering premises occupied for dwelling, business, or agricultural purpose, executed by persons who subsequently become captives, may be terminated by a notice in writing given to the lessor, subject to such action as may be taken by a court on application of the lessor. Termination of a lease providing for monthly payment of rent shall not be effective until 30 days after the first date on which the next rental payment is due, and, in the case of other leases, on the last day of the month following the month when the notice is served.

(o) *Assignment of life insurance policy.* Section 305 (50 U.S.C. App. 535) provides that the assignee of a life insurance

policy assigned as security, other than the insurer in connection with a policy loan, except upon certain conditions, shall not exercise any right with respect to the assignment during period of captivity of the insured and one year thereafter, unless upon order of a court.

(p) *Storage lien.* Section 305 (50 U.S.C. App. 535) provides that a lien for storage of personal property may not be foreclosed except upon court order. The court may stay proceedings or make other just disposition.

(q) *Extension of benefits to dependents.* Section 306 (50 U.S.C. App. 536) extends the benefits to section 300 through 305 to dependents of a captive.

(r) *Real and personal property taxes.* Section 500 (50 U.S.C. App. 560) forbids sale of property, except upon court leave, to enforce collection of taxes or assessments (other than taxes on income) on personal property or real property owned and occupied by the captive or dependents thereof at the commencement of captivity and still occupied by the captive's dependents or employees. The court may stay proceedings for a period not more than 6 months after termination of captivity. When by law such property may be sold to enforce collection, the captive will have the right to redeem it within 6 months after termination of captivity. Unpaid taxes or assessments bear interest at 6 percent.

(s) *Income taxes.* Section 513 provides for deferment of payment of income taxes.

(t) *Certification of captive.* Section 601 provides that a certificate signed by the agency head shall be prima facie evidence that the person named has been a captive during the period specified in the certification.

(u) *Interlocutory orders.* Section 602 (50 U.S.C. App. 582) provides that a court may revoke an interlocutory order it has issued pursuant to any provision of the Soldiers' and Sailors' Civil Relief Act of 1940.

(v) *Power of attorney.* Section 701 (50 U.S.C. App. 591) provides that certain powers of attorney executed by a captive which expire by their terms after the person was captured shall be automatically extended for the period of captivity. Exceptions are made with re-

spect to powers of attorney which by their terms clearly indicate they are to expire on the date specified irrespective of captive status. (Section 701 applies to American captives notwithstanding paragraph (c) thereof which states that it applies only to powers of attorney issued during the "Vietnam era").

§ 192.23 Administration of benefits.

(a) The Director General of the Department of State or Agency Head will issue certifications or other documents when required for purposes of the Civil Relief Act.

(b) The Director General of the Department of State or Agency Head shall whenever possible promptly inform the chief legal officer of each U.S. State in which captives maintain residence of all persons determined to be captives eligible for assistance under this subpart.

Subpart D—Medical Benefits for Captive Situations

§ 192.30 Eligibility for benefits.

A person designated as a captive or family member of a captive under subpart A of this subchapter, shall be eligible for benefits under this subpart.

§ 192.31 Applicable benefits.

A person eligible for benefits under this part shall be eligible for authorized physical and mental health care at U.S. Government expense (through either or advancement or reimbursement), and for payment of other authorized expenses related to such care or for obtaining such care for any illness or injury, to the extent, as determined by the Secretary of State or Agency Head, that such care is incident to an individual being held captive and is not covered by—

(a) Any other Government health or medical program, including, but not limited to, the programs administered by the Secretary of Defense, the Secretary of Labor and the Secretary of Veteran Affairs; or

(b) Reimbursement by any private or Government health insurance or comparable plan. In the case of coverage by

a private or Government health insurance plan, that carrier will be designated as the primary carrier, and benefits under this subpart will serve only to supplement expenses not paid by the primary carrier.

§ 192.32 Administration of benefits.

(a) (1) A person eligible due to hostile action abroad, who desires medical or health care under this subpart or any person acting on behalf thereof, shall submit an application to the Office of Medical Services, Department of State, Washington, DC 20520 (hereafter referred to as the “Office”). That office will handle and process medical applications and claims using the criteria in this subpart. Persons eligible in connection with domestic situations shall make application with the Agency Head, and the Agency Head shall apply the following procedures in a similar manner in administering medical benefits in domestic situations involving the respective agency.

(2) The applicant shall supply all relevant information, including insurance information, requested by the Director of the Office. An eligible person may also submit claims to the Office for payment for emergency care when there is not time to obtain prior authorization as prescribed by this paragraph.

(b) The Office shall evaluate all requests for care and claims for reimbursement and determine, on behalf of the Secretary of State, whether the care in question is authorized under § 192.31 of this subpart. The Office will authorize care or payment of care, when it determines the criteria of § 192.31 are met. Authorization shall include a determination as to the necessity and reasonableness of medical or health care.

(c) The Office will refer applicants eligible for benefits under other Government health programs to the Government agency administering those programs. Any portion of authorized care not provided or paid for under another Government program or private insurance will be reimbursed under this subpart, subject to a determination of the reasonableness of charges. Such determination shall be made by applying the fee schedule established by the Office

of Workers’ Compensation Programs (OWCP), Department of Labor, which is used in paying medical benefits for work-related injuries to employees who are fully covered by OWCP.

(d) Eligible persons may obtain authorized care from any licensed facility or health care provider of their choice approved by the Office. To the extent possible, the Office will attempt to arrange for authorized care to be provided in a Government facility at no cost to the patient.

(e) Authorized care provided by a private facility or health care provider will be paid or reimbursed under this subpart to the extent that the Office determines that costs do not exceed reasonable and customary charges for similar care in the locality.

(f) All bills for authorized medical or health care covered by insurance shall be submitted to the patient’s insurance carrier for payment prior to submission to the Office for payment of the balance authorized by this part. The Office will request the health care providers to bill the insurance carrier and the Department of State for authorized care, rather than the patient.

(g) Eligible persons will be reimbursed by the Office for authorized travel to obtain an evaluation of their claim under paragraph (b) of this section and for other authorized travel to obtain medical or health care authorized by this subpart.

§ 192.33 Dispute.

Any dispute between the Office and eligible persons concerning whether medical or health care is required in a given case, whether required care is incident to the captivity, or whether the cost for any authorized care is reasonable and customary, shall be referred to the Medical Director, Department of State, for a determination. If the person bringing the claim is not satisfied with the decision of the Medical Director, the dispute shall be referred to a medical board composed of three physicians, one appointed by the Medical Director, one by the eligible person and the third by the first two members. A majority decision by the board shall be binding on all parties.

**Subpart E—Educational Benefits

(a) A spouse or unmarried dependent child (including an unmarried dependent stepchild or adopted child) under 21 years of age of a captive as determined under subpart A of the subchapter shall be eligible for benefits under 192.41 of this subpart. § 192.41 Applicable family benefits.

(a) An eligible spouse or child shall be paid (by advancement or reimbursement) for expenses incurred for subsistence, tuition, fees, supplies, books and equipment, and other educational expenses while attending an educational or training institution approved in accordance with procedures established by the Department of Veterans' Affairs, which shall be comparable to procedures established pursuant to chapters 35 and 36 of title 38 U.S.C.

(b) Except as provided in paragraph (c) or (d) of this section, payments shall be available under this subsection for an eligible spouse or child for educational training which occurs—

(2) If the educational or training institution is not operated on a semester or quarter system, the earlier of the end of any course which began before such date or the end of the sixteen-week period following that date.

(b) A person eligible for benefits under this subsection shall not be required to separate from Government service in order to undertake the training or education. However, no educational assistance allowance shall be

paid to any eligible person who is attending a course of education or training paid for under the Government Employees' Training Act and whose full salary is being paid to such person while so training.

§ 192.43 Administration of benefits.

(a) Any person desiring benefits under this part, shall apply in writing to the Director General of the Foreign Service, Department of State, Washington, DC 20502. The application shall specify the benefits desired and the basis of eligibility for those benefits. The Director General of the Foreign Service, on behalf of the Secretary of State, shall make determinations of eligibility for benefits under this part, and shall forward certified applications to the Department of Veterans' Affairs and advise the applicant of the name and address of the office in the Department of Veterans' Affairs that will counsel the eligible persons on how to obtain the benefits that have been approved. Persons whose applications are disapproved shall be advised in writing of the reason for the disapproval. Applications for foreign service nationals and their dependents shall be made with the Office of Foreign Service National Personnel, Department of State. That office will handle the administrative details and benefits using the criteria specified in this subchapter.

(b) The Department of Veterans' Affairs shall provide the same level and kind of assistance, including payments (by advancement or reimbursement) for authorized expenses up to the same maximum amounts, to spouses and children of captives, and to Principals following their release from captivity as it does to eligible spouses and children of veterans and to eligible veterans, respectively, under chapters 35 and 36 of title 38 U.S.C. The Department of Veterans' Affairs shall, under procedures it has established to administer section 1724 of title 38, U.S.C., discontinue assistance for any individual whose conduct or progress is unsatisfactory under standards consistent with those established pursuant to such section 1724.

(c) An Advisory Board shall be established to advise on eligibility for benefits under paragraphs (c) and (d) of

§ 192.41. The Board shall be composed of the Under Secretary of State for Management as Chair, the Director of the Office of Medical Services of the Department of State, the Executive Director of the regional bureau of the Department of State in whose region the relevant hostile action occurred, the Director of Personnel or other designee of the applicable employing agency, and a representative of the Department of Veterans' Affairs designated by the Secretary.

(d) If an application is received from a spouse or child for extended training under § 192.41(c), the Director General of the Foreign Service of the Department of State shall determine with the advice of the Advisory Board whether the Principal, following release from captivity, is incapacitated by the captive experience—

(1) To the extent that he or she has not returned to full-time active duty and is unlikely to be able to resume the normal duties of his or her position or career, or

(2) In the event of a separation from Government service, that the Principal is unable to assume a comparable position or career, for at least six months from the date of release from captivity. If the Secretary makes such a determination, he or she may approve, within the limits of § 192.44, an application under § 192.41(c) for up to one year of education or training. If the Principal remains incapacitated, the Secretary may approve additional training or education up to the maximum authorized under 192.44.

§ 192.44 Maximum limitation on benefits.

(a) In no event may assistance be provided under this subpart for any individual for a period in excess of 45 months, or the equivalent thereof in part-time education or training.

(b) The eligibility of a spouse for benefits under paragraph (c) or (d) of § 192.41 shall expire on a date which is 10 years after the date of the release of the captive or the death of the captive while in captivity, respectively. The eligibility of a dependent child for benefits under § 192.41 (c) and (d) shall expire on the 21st birthday of such child.

Subpart F—Compensation for Disability or Death

§ 192.50 Eligibility for benefits.

(a) (1) The Federal Employees' Compensation Act (5 U.S.C. 8101 *et seq.*) provides for medical coverage and the payment of compensation for wage loss and for permanent impairment of specified members and functions of the body incurred by employees as a result of an injury sustained while in the performance of their duties to the United States. The Office of Workers' Compensation Programs (OWCP), Department of Labor, administers the program. All individuals employed by the U.S. Government as defined by 5 U.S.C. 8101(1) are eligible to apply for wage-loss and medical benefits under the FECA. Family members of such employees may apply for death benefits. An application must be made with OWCP by such individual or on behalf of such individuals, prior to the determination of eligibility or payment of any benefits under this subpart.

(2) In the case of foreign service national employees covered for work related injury or death under the local compensation plan established pursuant to 22 U.S.C. 3968, such applications should be filed with the organizational authority in the country of employment which provides such coverage. Benefit levels payable to foreign service national employees under this subpart shall be no less than comparable benefits payable to U.S. citizen employees under FECA. Eligibility determination and payment of supplemental benefits, if any, is the responsibility of the Director General of the Foreign Service for the State Department.

(b) Any death or disability benefit payment made under this section shall be reduced by the amount of any other death or disability benefits funded in whole or in part by the United States, except that the amount shall not be reduced below zero. The cash payment under § 192.11(b) of subpart B is excluded from the offset requirement.

(c) Compensation under this section may include payment (whether advancement or reimbursement) for any medical or health expenses relating to the death or disability involved to the extent that such expenses are not cov-

ered under subpart D of these regulations. Procedures of subpart D of these regulations shall apply in making such determinations.

§ 192.51 Death benefit.

(a) The Secretary of State or Agency Head may provide for payment, by the employing agency, of a death benefit to the surviving dependents of any eligible individual under § 192.1(a) who dies as a result of injuries caused by hostile action whose death was the result of the individual's relationship with the Government.

(b) The death benefit payment for an employee shall be equal to one year's salary at the time of death. Such death benefit is subject to the offset provisions under § 192.50(b) including the Federal Employees' Compensation Act. The death benefit for an employee's spouse and other eligible individuals under § 192.1(b) of subpart A shall be equal to one year's salary of the principal at the time of death.

(c) A death benefit payment for an adult under this section shall be made as follows:

(1) First, to the widow or widower.

(2) Second, to the dependent child, or children in equal shares, if there is no widow or widower.

(3) Third, to the dependent parent, or dependent parents in equal shares, if there is no widow, widower, or dependent child.

(4) Fourth, to adult, non-dependent children in equal shares.

If there is no survivor entitled to payment under this paragraph (c), no payment shall be made.

(d) A death benefit payment for a child under this section shall be made as follows: To the surviving parents or legal guardian. If there are no surviving parents or legal guardian, no payment shall be made.

(e) As used in this section—each of the terms “widow”, “widower”, and “parent” shall have the same meaning given such term by section 8101 of title 5, U.S.C.; “child” has the meaning given in § 192.3(b)(2).

§ 192.52 Disability benefits.

(a) Principals who qualify for benefits under § 192.1 and are employees of

the U.S. Government are considered for disability payments under programs administered by the Office of Workers' Compensation Programs (OWCP), Department of Labor, or in the case of foreign service national employees, the programs may be administered by either OWCP or the organizational authority in the country of employment which provides similar coverage under the local compensation plan established pursuant to 22 U.S.C. 3968. Normal filing procedures as specified by either OWCP or the local organizational authority which provides such coverage should be followed in determining eligibility. Duplicate benefits may not be received from both OWCP and the local organizational authority for the same claim. Additional benefits to persons qualifying for full FECA or similar benefits would not normally be payable under this subpart, except to foreign service national employees whose benefit levels are below comparable benefits payable to U.S. citizen employees under FECA. Foreign service national employees whose benefit levels are below comparable benefits payable to U.S. citizens under FECA may receive benefits under this subpart so that total benefits received are comparable to the benefits payable to U.S. citizen employees under FECA.

(b) Family members who do not qualify for either OWCP benefits or benefits from the organizational authority in the country of employment which provides similar coverage, and anyone eligible under § 192.1(a) who does not qualify for full benefits from OWCP, must file an application for disability benefits with the Office of Medical Services, Department of State, for a determination of eligibility under this subpart, if connected with hostile action abroad. Applications made in connection with hostile action in domestic situations will be directed to the Agency Head. Such applications for disability payments will be considered using the same criteria for determination as established by OWCP.

(c) Family members who are determined to be disabled by the Office of Medical Services, or Agency Head using the OWCP criteria, are eligible to receive a lump-sum payment based on the following guidelines:

(1) *Permanent total disability rate.* A lump-sum payment equal to two year's salary of the Principal at the time of the qualifying incident.

(2) *Temporary total disability rate.* A lump-sum payment computed at 66⅔ percent of the monthly pay rate of the Principal for each month of temporary total disability, not to exceed one year's salary of the Principal.

(3) *Partial disability rate.* A lump-sum payment authorized in accordance with 5 U.S.C. 8106, equal to 66⅔ percent of the difference between the monthly pay at the time of the qualifying incident and the monthly wage-earning capacity of the family member after the beginning of the partial disability, not to exceed one year's salary of the Principal. For family members with no wage-earning history, a lump-sum payment equal to 66⅔ percent of the difference between the estimated monthly wage-earning capacity of the family member at the time of the qualifying incident and the monthly wage-earning capacity after the beginning of the partial disability, not to exceed one year's salary of the Principal may be authorized, using the criteria established by OWCP for such determination.

(4) *Special loss schedule.* In addition to the temporary disability benefits payable in accordance with this subsection, if there is permanent disability involving the loss, or loss of use, of a member or function of the body or involving disfigurement, a lump-sum payment may be authorized at the rate of 25 percent of the payment authorized in accordance with the schedule and procedures in 5 U.S.C. 8107 and 20 CFR 10.304. The Director General of the Foreign Service of State or the Agency Head, may at their discretion, authorize payments under this subpart in addition to payments for those organs and members of the body specified in 5 U.S.C. 8107 and in 20 CFR 10.304. The provisions of 20 CFR part 10, subpart D, which prevent the payment of disability compensation and scheduled compensation simultaneously, shall not apply to these regulations.

Cash payments under this subpart are the responsibility of the employing agency.

§ 201.10 Purpose.

This subpart sets forth requirements for A.I.D. financing applicable to transactions for the procurement of com-

22 CFR Ch. II (4-1-97 Edition)

modities and/or commodity-related services.

§ 201.11 Eligibility of commodities.

To qualify for A.I.D. financing, a commodity procurement transaction shall satisfy the following requirements:

(a) *Description and condition of the commodity.* The commodity shall conform to the description in the implementing document. Unless otherwise authorized by A.I.D./W in writing, the commodity shall be unused, and may not have been disposed of as surplus by any governmental agency.

(b) *Source*—(1) *General rule.* The source of the commodity shall be a country authorized in the implementing document by name or by reference to an A.I.D. geographic code. In addition, the commodity shall have been mined, grown, or through manufacturing, processing, or assembly produced in a source country authorized in the implementing document.

(2) *Exceptions.* A produced commodity will not be eligible for A.I.D. financing if:

(i) It contains any component from countries other than free world countries as described in A.I.D. Geographic Code 935; or

(ii) It contains components which were imported into the country of production from such free world countries other than authorized source countries; and

(A) Such components were acquired by the producer in the form in which they were imported; and

(B) The total cost of such components (delivered at the point of production) amounts to more than 50 percent, or such other percentage as A.I.D. may prescribe, of the lowest price (excluding the cost of ocean or air transportation and marine insurance) at which the supplier makes the commodity available for export sale (whether or not financed by A.I.D.).

(C) For the purpose of calculating eligible components under this paragraph (b)(2)(ii), authorized source countries shall include the cooperating country itself whenever A.I.D. has authorized procurement from a geographic code other than A.I.D. Geographic Code 000.

(3) *Waiver provision.* The A.I.D./W Director, Office of Procurement may from time to time waive or modify the requirements of paragraph (2)(ii) of this section in appropriate cases.

(4) *Identification of principal Geographic Code Numbers.* The A.I.D. Geographic Code Book sets forth the official description of all Geographic Codes used by AID in authorizing or implementing documents to designate authorized source countries or areas. The following are summaries of the principal codes:

Code 000—"The United States": The United States of America, any state(s) of the United States, the District of Columbia, and areas of U.S. associated sovereignty, including commonwealths, territories, and possessions.

Code 899—"Free World": Any area or country, except the cooperating country itself and the following countries: Afghanistan, Cambodia, Cuba, Iran, Iraq, Laos, Libya, North Korea, People's Republic of China, Syria, and Vietnam.

Code 935—"Special Free World": Any area or country in the Free World, including the cooperating country.

Code 941—"Selected Free World": The United States and any independent country in the Free World except the cooperating country itself and the following: Albania, Andorra, Angola, Armenia, Austria, Australia, Azerbaijan, Bahamas, Bahrain, Belgium, Bosnia and Herzegovina, Bulgaria, Byelarus, Canada, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Gabon, Georgia, Germany, Greece, Hong Kong, Hungary, Iceland, Ireland, Italy, Japan, Kazakhstan, Kuwait, Kyrgyzstan, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia¹, Malta, Moldova, Monaco, Mongolia, Montenegro¹, Netherlands, New Zealand, Norway, Poland, Portugal, Qatar, Romania, Russia, San Marino, Saudi Arabia, Serbia¹, Singapore, Slovak Republic, Slovenia, South Africa, Spain, Sweden, Switzerland, Taiwan¹, Tajikistan, Turkmenistan, Ukraine, United Arab Emirates, United Kingdom Uzbekistan, Vatican City.

(c) *Date of shipping documents.* The documents required as evidence of shipment under § 201.52(a)(4) shall show that the date of shipment was within the shipping period, if any, specified in the implementing document.

(d) *Medium of transportation.* Shipment shall not be effected:

(1) By a transportation medium owned, operated or under the control of any country not included within A.I.D. Geographic Code 935; or

(2) Under any ocean or air charter which has not received prior approval by A.I.D./W, Office of Procurement (Transportation Division).

(e) *Marine insurance.* If A.I.D. determines that the government of a cooperating country, by statute, decree, rule, or regulation, discriminates with respect to A.I.D.-financed procurement against any marine insurance company authorized to do business in any State of the United States, then any A.I.D.-financed commodity shipped to the cooperating country shall be insured against marine risks and such insurance shall be placed in the United States with a company or companies authorized to do marine insurance business in a State of the United States. "Discrimination" within the meaning of this paragraph may be found to exist whenever the effect of governmental action by a cooperating country is to hinder an importer in entering into a c.i.f. contract with a U.S. supplier or in instructing a U.S. supplier to place marine insurance in the United States.

(f) *Timely submission of documents.* All documents required under § 201.52 to be submitted by a supplier in order to receive payment or reimbursement shall be submitted to A.I.D. under direct letters of commitment or to a designated bank under bank letters of credit on or before the terminal date specified in the letter of commitment or letter of credit, respectively.

(g) *U.S. Treasury Department regulations.* Procurement transactions shall comply with the requirements of the U.S. Treasury Department Foreign Assets, Sanctions, Transactions and Funds Control Regulations published in 31 CFR parts 500 through 599, as from time to time amended.

(h) *Commodities shipped out of a free port or bonded warehouse.* No commodity shipped out of a free port or bonded warehouse is eligible for A.I.D. financing if it was shipped to the free port or bonded warehouse without compliance with the requirements set forth in paragraph (d)(1) of this section, or if it

¹Has the status of a "Geopolitical Entity: rather than an Independent Country.

was shipped from the free port or bonded warehouse without compliance with the requirements set forth in paragraphs (d) (1) and (2) of this section.

(i) *Purchase price.* The purchase price for the commodity shall satisfy the requirements of subpart G.

(j) *Purchases from eligible suppliers.* (1) Commodities procured with funds made available under this part 201 shall be purchased from eligible suppliers. A supplier shall not be eligible to receive A.I.D. funds if:

(i) The supplier, prior to approval of the A.I.D. Commodity Approval Application, either has been suspended or debarred by A.I.D. under A.I.D. Regulation 8, 22 CFR part 208, or has been placed on the “Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs”, published by the U.S. General Services Administration and available from the Superintendent of Documents, U.S. Government Printing Office, Washington DC 20402-9371.

(ii) The supplier is not an individual who is a citizen or lawfully admitted permanent resident of a country included in the authorized source code; a corporation or partnership organized under the laws of a country included in the authorized source code and with a place of business in such country; or a controlled foreign corporation (within the meaning of section 957 et seq. of the Internal Revenue Code) as attested by current information on file with the Internal Revenue Service of the United States (on IRS Form 959, 2952, 3646, or on substitute or successor forms) submitted by shareholders of the corporation; or a joint venture or unincorporated association consisting entirely of individuals, corporations or partnerships which fit any of the foregoing categories.

(2) A supplier which is otherwise eligible under paragraph (j)(1) of this section shall not be eligible to receive A.I.D. funds if it is owned in any part by citizens (other than those who are lawfully admitted for permanent residence in the United States) or organizations of any country or area not included in Geographic Code 935 “Special Free World”. A.I.D. may authorize the eligibility of organizations having

minimal ownership by such citizens or organizations.

(k) *Determination of commodity eligibility.* The commodity shall be approved in writing by A.I.D. for each purchase transaction as eligible for A.I.D. financing. Such approval shall be indicated on the Application for Approval of Commodity Eligibility (Form AID 11) submitted to A.I.D. by the supplier.

[55 FR 34232, Aug. 22, 1990, as amended at 58 FR 48797, Sept. 20, 1993]

§201.12 Eligibility of incidental services.

Incidental services may be financed under the same implementing document which makes funds available for the procurement of equipment only if:

(a) Such services are specified in the purchase contract relating to the equipment;

(b) The price satisfies the requirements of §201.68;

(c) The portion of the total purchase contract price attributable to such services does not exceed 25 percent; and

(d) The supplier of such services, prior to approval of the A.I.D. Commodity Approval Application, has neither been suspended or debarred by A.I.D. under A.I.D. Regulation 8, 22 CFR part 208, nor has been placed on the “Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs”, published by the U.S. General Services Administration.

§201.13 Eligibility of delivery services.

(a) *General.* Delivery of A.I.D.-financed commodities may be financed under the implementing document provided the delivery services meet the requirements in this section.

(b) *Transportation costs—(1) Ocean transportation costs.* (i) Unless otherwise authorized, A.I.D. will finance only those ocean transportation costs which meet the requirements of this paragraph (b)(1).

(A) When Geographic Code 000 is the authorized source for procurement, A.I.D. will finance only those costs incurred on vessels under U.S. flag registry.

(B) When Geographic Code 941 is the authorized source for procurement,

A.I.D. will finance only those costs incurred on vessels under flag registry of countries included in Code 941 and the cooperating country.

(C) A.I.D. will finance costs incurred on vessels under flag registry of any free world country if the costs are part of the total cost on a through bill of lading paid to a carrier for initial carriage on a vessel which is authorized in accordance with paragraph (b)(1)(i) (A) or (B) of this section.

(D) When a commodity is shipped out of a free port or bonded warehouse, ocean transportation costs for shipment to the free port or bonded warehouse are eligible for A.I.D. financing as follows:

(1) The commodity was shipped on vessels under the flag registry of a country within the authorized geographic code, if the commodity was shipped in anticipation of A.I.D. financing, or

(2) The commodity was shipped on vessels under the flag registry of a country within Geographic Code 935, if the commodity was not shipped in anticipation of A.I.D. financing.

(ii) When an eligible flag vessel is not available for shipment, a supplier may request a waiver of the eligibility requirements, prior to shipment, from the Office of Procurement, Transportation Division, A.I.D., Washington, DC 20523-1419, telephone (703) 875-1300.

(2) *International air transportation costs.* (i) A.I.D. will finance only those international air transportation costs which meet the requirements of this paragraph (b)(2). For the purposes of this paragraph, the term U.S. flag air carrier means one of a class of air carriers holding a certificate under section 401 of the Federal Aviation Act of 1958 (49 U.S.C. 1371) authorizing operations between the United States or its territories and one or more foreign countries.

(ii)(A) Under all A.I.D. grants, and under A.I.D. loans when the authorized source for procurement is Geographic Code 000, A.I.D. will finance only those costs incurred on U.S. flag air carriers unless such service is not available.

(B) Under A.I.D. loans when the authorized source for procurement is Geographic Code 941, A.I.D. will finance only those costs incurred on U.S., co-

operating country, or Geographic Code 941 flag air carriers unless such service is not available.

(C) A.I.D. will finance international air transportation costs incurred on aircraft under flag registry of any free world country if the costs are part of the total cost on a through bill of lading paid to an eligible carrier for initial international carriage on an aircraft which is eligible in accordance with paragraph (b)(2)(ii) (A) or (B) of this section.

(iii)(A) Expenditures for international air transportation furnished by air carriers which are not eligible under the provisions of paragraph (b)(2)(ii) of this section will be financed by A.I.D. only when service by eligible air carriers is unavailable. Criteria for determining when service by eligible air carriers is unavailable are the same as those published at 48 CFR 47.403-1 for determining when U.S. flag air carriers are unavailable. Additional guidance on determining when service is unavailable may be obtained from the Office of Procurement, Transportation Division, telephone (703) 875-1300.

(B) When service by eligible flag air carriers is unavailable, any Geographic Code 935 flag air carrier may be used.

(C) In the event the supplier selects an air carrier other than an eligible flag carrier for international air transportation, it must include the following certification on invoices which include such transportation cost:

CERTIFICATION OF UNAVAILABILITY OF
ELIGIBLE FLAG AIR CARRIERS

I hereby certify that transportation service by eligible flag air carriers was unavailable for the following reason(s): (state reason(s)).

(3) *Other conditions and limitations.* Notwithstanding paragraphs (b)(1) and (b)(2) of this section, unless otherwise authorized, A.I.D. will not finance transportation costs:

(i) For shipment beyond the point of entry in the cooperating country except when intermodal transportation service covering the carriage of cargo from point of origin to destination is used, and the point of destination, as stated in the carrier's through bill of lading, is established in the carrier's tariff; or

(ii) On a transportation medium owned, operated or under the control of any country not included in Geographic Code 935; or

(iii) Under any ocean or air charter covering full or part cargo (whether for a single voyage, consecutive voyages, or a time period) which has not received prior approval by A.I.D./W (Office of Procurement, Transportation Division); or

(iv) Which are attributable to brokerage commissions which exceed the limitations specified in § 201.65(h) or to address commissions, dead freight, demurrage or detention.

(c) *Inspection services.* A.I.D. will finance inspection of A.I.D.-financed commodities only if such inspection is specified in the purchase contract, performed by independent inspectors at the request of the importer and is either customary in export transactions for the commodity involved or is necessary to determine conformity of the commodities to the contract.

(d) *Marine insurance.* (1) Unless otherwise authorized, A.I.D. will finance premiums for marine insurance including war risk on A.I.D.-financed commodities only if:

(i) The insurance is placed in a country included in the authorized Geographic Code; Provided, that if the authorized Geographic Code is any other than A.I.D. Geographic Code 000, the cooperating country itself shall be recognized as an eligible source; and

(ii) Such insurance is placed either in accordance with the terms of the commodity purchase contract or on the written instructions of the importer; and

(iii) Insurance coverage relates only to the period during which the commodities are in transit to the cooperating country, except that it may include coverage under a warehouse-to-warehouse clause; and

(iv) The premiums do not exceed the limitations contained in § 201.68; and

(v) The insurance provides that loss payment proceeds shall be paid in U.S. dollars or other freely convertible currency.

(2) Within the meaning of § 201.11(e), as well as this paragraph, insurance is placed in a country only if payment of the insurance premium is made to, and

the insurance policy is issued by, an insurance company office located in that country.

(e) *Suspension and debarment.* In order to be eligible for A.I.D. financing, the costs of any delivery services must be paid to carriers, insurers, or suppliers of inspection services who, prior to approval of the A.I.D. Commodity Approval Application, have neither been suspended nor debarred under A.I.D. Regulation 8, 22 CFR part 208, nor included on the “Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs” published by the U.S. General Services Administration.

§ 201.14 Eligibility of bid and performance bonds and guaranties.

The cost of any bid bond or guaranty posted by a successful bidder or of any performance bond or guaranty posted by a supplier is eligible for financing under the implementing document, provided that the bond or guaranty conforms to the requirements of the invitation for bids or the contract, as applicable, and to the extent that the principal amount of the bond or guaranty does not exceed the amount customary in international trade for the type of transaction and commodity involved. Bonds or guaranties may be payable in U.S. dollars, or a freely convertible currency or local currency, and shall be posted in favor of the purchaser.

§ 201.15 U.S. flag vessel shipping requirements.

(a) *General requirements.* Unless A.I.D. determines that privately owned U.S. flag commercial ocean vessels are not available at fair and reasonable rates for such vessels:

(1) At least fifty percent (50%) of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers from each of two geographic areas—the U.S. and all other countries) of all goods financed by A.I.D. which are transported on ocean vessels shall be transported on privately owned U.S. flag commercial vessels; and

(2) At least fifty percent (50%) of the gross freight revenue generated by all

shipments of A.I.D.-financed commodities which are transported to the territory of the borrower/grantee on dry cargo liners shall be paid to or for the benefit of privately owned U.S. flag commercial vessels.

(b) *Methods of compliance.* (1) Compliance with these requirements with respect to dry cargo liner vessels shall be achieved for the total of liner shipments made during the term of the loan or grant agreement. If A.I.D. determines at any time during the term of the agreement that compliance may not be achieved, A.I.D. may require that all subsequent shipments be made on U.S. flag liners until compliance is assured.

(2) Compliance with these requirements with respect to dry bulk carriers and tankers shall be achieved for each quantitative unit of cargo. A quantitative unit of cargo is the total tonnage of a commodity or commodities included in one invitation for bids or other solicitation of offers from ocean carriers for the transportation of cargo which may move in full shipload lots. A.I.D. shall approve a charter or other contract of affreightment for a non-U.S. flag vessel only if A.I.D. has determined that at least 50% of the quantitative unit will move on U.S. flag vessels, to the extent that such vessels are available at fair and reasonable rates for such vessels. U.S. flag dry cargo liners whose offers are responsive to the terms of the invitation for bids or other solicitation of vessels may be used for achieving compliance for the quantitative unit.

(c) *Nonavailability of U.S. flag vessels.* Upon application of the borrower/grantee or the supplier, A.I.D./W, Office of Procurement, Transportation Division, shall determine and advise the applicant whether or not privately owned U.S. flag vessels are available for any specific shipment of commodities at fair and reasonable rates. A determination that U.S. flag vessels are not available does not carry with it the authorization for A.I.D. to finance freight on a vessel not otherwise authorized; this requires a separate waiver approval in accordance with § 201.13(b)(1)(ii).

(d) *Responsibility.* The borrower/grantee is responsible for compliance with the requirements of this section and for imposing upon subborrowers, contractors and importers such requirements regarding shipping arrangements with suppliers as will assure discharge of this responsibility.

(e) *Privately owned U.S. flag commercial vessels.* For purposes of this section the term "privately owned U.S. flag commercial vessels" shall not include any vessel which, subsequent to September 21, 1961, shall have been either built outside the U.S., rebuilt outside the U.S. or documented under any foreign registry until such vessel shall have been documented under the laws of the U.S. for a period of 3 years.

Subpart C—Procurement Procedures; Responsibilities of Importers

§ 201.20 Purpose.

This subpart prescribes procurement procedures which shall apply to an importer whenever a commodity procurement is to be financed by A.I.D. subject to this part 201.

§ 201.21 Notice to supplier.

The importer is responsible for providing the supplier with the following information (either through the invitation for bids, the request for quotations or otherwise):

(a) Notice that the transaction is to be financed by A.I.D. under this part 201;

(b) The identification number of the implementing document;

(c) All additional information prerequisite to A.I.D. financing and contained in the instructions from the borrower/grantee to the importer (for example, eligible source of commodity, periods during which deliveries must be made, shipping provisions, and documentation requirements); and, where appropriate,

(d) Notice of the marking requirements in § 201.31(d), when the importer is the government of the cooperating country or any of its subdivisions or instrumentalities.

§ 201.22 Procurement under public sector procedures.

(a) *General requirements.* When the importer is the government of the cooperating country or any of its subdivisions, agencies or instrumentalities, all purchase contracts for commodities shall be awarded under public sector procedures in this section unless otherwise authorized by A.I.D. Such contracts shall be awarded on a competitive basis unless otherwise authorized by A.I.D. under paragraph (g) of this section.

(b) *Formal competitive bidding.* Formal competitive bidding procedures shall be used for all procurements estimated to exceed \$100,000 or the equivalent, exclusive of ocean or air transportation costs, except when other procedures are authorized in accordance with this section. Formal competitive bidding procedures may also be used for procurements under \$100,000 at the option of the importer. Formal competitive bidding procedures include advertising the availability of an invitation for bids in accordance with paragraph (h) of this section, issuance of the invitation for bids, public opening of sealed bids, evaluation of bids, and award of the contract, except as provided in § 201.22(b)(3), to the lowest responsive bid by a responsible bidder.

(1) *Contents of the invitation for bids.* The invitation for bids and every attachment and amendment thereto shall be in the English language and shall be available to prospective suppliers free of charge unless otherwise authorized by A.I.D. The following minimum requirements are applicable:

(i) *Statement of requirements.* The invitation for bids shall state specifically that the formal competitive bidding procedures set forth in this § 201.22 apply. The terms and conditions of the procurement shall be clearly indicated, including any factors other than price to be used in the evaluation. Commodity specifications shall be stated in a non-restrictive manner and in sufficient detail to permit maximum response from prospective suppliers. The metric system of measurements shall be used for specifications unless A.I.D. determines in writing that such use is impractical or is likely to cause sig-

nificant inefficiencies or the loss of markets to U.S. firms.

(ii) *Statement regarding submission of bids.* The invitation for bids shall be appropriately numbered and state the complete physical address, as well as any post office box number, to which bids or offers are to be sent, the closing hour and date for submission and the date, hour and place of the public opening of the bids. If additional drawings, details, regulations or forms are necessary for submitting a bid, the invitation shall state where such material may be obtained.

(iii) *Statement regarding this part 201.* The invitation for bids shall expressly indicate the extent to which any resulting contract is subject to the requirements of this part 201.

(iv) *Statement regarding late bids.* The invitation for bids shall state that no bid received at the address designated in the invitation after the closing hour and date for submission will be considered for award unless its late arrival at that address is attributable solely to mishandling of the bid documents by the importer or any of its agents directly associated with receiving or processing the bids. In no case will the importer consider a bid which was not received at the place of public opening before the award was made.

(2) *Handling bids.* Bids received shall be held intact and sealed and shall be safeguarded against disclosure of contents prior to bid opening. The bids shall be opened publicly as specified in the bid invitation, and all properly submitted bids shall be considered. Direct submission of a bid by a prospective supplier, rather than through an agent or other representative of the supplier in the cooperating country, shall not be cause for rejection.

(3) *Awards.* Every award shall be made to that responsible bidder whose responsive bid is lowest in price. If any factor other than price is used in evaluating bids, each such factor shall be computed in accordance with the formula in the invitation for bids.

(c) *Two-stage formal competitive bidding.* Subject to the approval of A.I.D., two-stage formal competitive bidding may be used in the procurement of specialized equipment, where requirements are stated in performance-type

specifications. Two-stage bidding involves a request for technical proposals for the equipment being purchased, submission of proposals without price information, discussions with the offerors as necessary to clarify proposals, followed by a request for priced bids for those proposals found to be fully acceptable following discussions between the offerors and the purchaser. The priced bids shall be publicly opened. Handling and award of the bids shall comply with paragraphs (b) (2) and (3) of this section.

(d) *Competitive negotiation procedures.*

(1) If approved by A.I.D. based on a written record of the reasons therefor, a competitive negotiation procedure may be used. Competitive negotiation procedures include advertising the availability of a request for quotations in accordance with paragraph (h) of this section, issuance of the request for quotations, receipt and evaluation of offers, negotiation (when appropriate), and award of the contract to the offeror submitting the most advantageous offer, price and other factors considered. Competitive negotiation procedures may be approved in the following circumstances:

(i) When it is impossible to develop adequate commodity specifications for use in an invitation for bids;

(ii) When price alone would not be an effective means of determining an award (i.e., when criteria, such as time of delivery or service capability need to be evaluated);

(iii) When emergency procurement is justified by a demonstration that the time required for formal competitive bid procedures would result in an unacceptable delay in delivering the commodities;

(iv) When proprietary procurement is justified; or

(v) When adherence to formal competitive procedures would impair program objectives.

(2) When formal competitive bidding procedures have failed, all bids have been rejected, and further use of such procedures would clearly not be productive, the Mission Director may authorize the use of competitive negotiation procedures. Further advertising is not required. The request for quotations may be prepared as a new

document or may incorporate appropriate provisions of the invitation for bids. It shall be submitted to those potential suppliers who originally submitted bids in response to the invitation for bids.

(e) *Small value procurement.* When the estimated value of the contract does not exceed \$100,000 or equivalent (exclusive of ocean and air transportation costs), the purchaser may award a contract by advertising the procurement in accordance with paragraph (h) of this section and soliciting quotations from a reasonable number of sources, including, where feasible, producers of the commodity, taking into consideration:

(1) The nature of the commodities to be purchased;

(2) The number of sources which can supply the commodities;

(3) The value of the procurement; and

(4) The administrative cost of procuring the commodities.

The contract shall be awarded to the offeror with the most advantageous offer, price and other factors considered.

(f) *Proprietary procurement.* Purchasing by brand or trade name or by a restrictive specification (proprietary procurement) may be justified for reasons such as:

(1) Substantial benefits, such as economies in maintenance of spare parts inventories, stronger local dealer organization, better repair facilities, or greater familiarity by operating personnel, can be achieved through standardizing on a particular brand;

(2) Compatibility with equipment on hand is required; or

(3) Special design or operational characteristics are required.

The need for proprietary procurement may serve as the basis for approving the use of competitive negotiation procedures in accordance with paragraph (d) of this section or a waiver for negotiation with a single source in accordance with paragraph (g) of this section.

(g) *Negotiation with a single source—(1) Circumstances.* Competition may be waived and negotiation with a single source authorized by A.I.D. under one of the following circumstances:

(i) the purchaser can demonstrate the existence of an emergency situation in

which the requirement for competition would result in an unacceptable delay in the procurement of the commodities;

(ii) proprietary procurement is justified and the necessary commodities or spare parts are available from only one source, taking into account any special requirements such as the need for in-country service capability; or

(iii) adherence to competitive procedures would result in the impairment of the objectives of the United States foreign assistance program or would not be in the best interest of the United States.

(2) *Amendments.* Negotiation with a single source to amend an existing contract outside the scope of the contract must be justified under one or more of the criteria in paragraph (g)(1) of this section and formally approved by A.I.D.

(h) *Advertising*—(1) *Requirements.* (i) For each procurement estimated to exceed \$25,000, or equivalent (exclusive of ocean and air transportation costs), notice of the availability of the invitation for bids, request for quotations or specific information about procurements under \$100,000 shall be published by the A.I.D. Office of Small and Disadvantaged Business Utilization/Minority Resource Center in the appropriate A.I.D. Bulletin. The purchaser shall submit three copies of each invitation for bids or request for quotations (if any) to the A.I.D. Mission with its request for advertising. The Mission will forward the request for advertising and the procurement documents to A.I.D./W. The request for advertising should arrive in the Office of Small and Disadvantaged Business Utilization/Minority Resource Center at least 45 days prior to the final date for receiving bids or quotations. The purchaser may, in addition, advertise in appropriate local, regional, and international journals, newspapers, etc., and otherwise, in accordance with local practice.

(ii) Additionally, if the estimated value of the contract is more than \$100,000, or equivalent (exclusive of ocean and air transportation costs), the notice of availability of the invitation for bids or request for quotations shall be published in the “Commerce

Business Daily” of the U.S. Department of Commerce.

(2) *Exceptions.* (i) When negotiation with a single source has been authorized, advertising is not required.

(ii) When formal competitive bid procedures have failed to result in an award pursuant to paragraph (d)(2) of this section and a determination is made to follow competitive negotiation procedures, no further advertising is required.

(iii) The requirements for advertising as set forth above may be waived by A.I.D. to avoid serious procurement delays in certain circumstances, provided, however, that efforts shall be made to secure bids or offers from a reasonable number of potential suppliers.

(i) *A.I.D. approvals.* (1) Each invitation for bids or request for quotations for an A.I.D.-financed procurement which is estimated to exceed \$100,000, or equivalent (exclusive of ocean and air transportation costs), must be approved by A.I.D. prior to issuance.

(2) Each contract in excess of \$100,000, or equivalent (exclusive of ocean and air transportation costs), must be formally approved by A.I.D. prior to finalization with the supplier.

(3) A.I.D. may require that contracts under \$100,000 be formally approved prior to finalization with the supplier.

§201.23 Procurement under private sector procedures.

(a) *General requirements.* Procurements under private sector procedures will normally be carried out by importers using negotiated procurement procedures, unless the importer chooses to follow the procedures in §201.22. Procurement on a negotiated basis shall be in accordance with good commercial practice. Solicitations by the importer for quotations or offers shall be made uniformly to a reasonable number of prospective suppliers, including, where feasible, producers of a commodity, and all quotations or offers received, whether or not specifically solicited, shall be given consideration before making an award.

(b) *Publicizing.* To provide suppliers in the United States with an opportunity to participate in furnishing commodities which may be purchased

on a negotiated basis under A.I.D. financing, A.I.D. will periodically publish for each cooperating country a list of commodities which may be expected to be imported and the names and contact information for the importers which have traditionally purchased those commodities. Interested suppliers may then make offers or furnish quotations on the products they desire to sell directly to the importers of those products. A.I.D. will not publicize specific proposed purchases which are to be undertaken by private sector importers on a negotiated basis unless specifically requested to do so by the importer in accordance with the provisions of paragraph (c) of this section.

(c) *Notification.* If the importer elects to solicit quotations and offers for specific proposed purchases through publication by A.I.D., A.I.D. will notify prospective suppliers of the export opportunity through the appropriate A.I.D. bulletin. Requests for such notification shall be submitted to the Office of Small and Disadvantaged Business Utilization/Minority Resource Center, A.I.D., Washington, DC 20523-1414, and shall contain the name and contact information for the importer, a full description of the commodities and any commodity related services required, applicable price and delivery terms and other relevant procurement data, in the English language. The metric system of measurements shall be used for specifications unless A.I.D. determines in writing that such use is impractical or is likely to cause significant inefficiencies or the loss of markets to U.S. firms.

(d) *Notice of quotations and offers received.* A.I.D. may require that the importer furnish an abstract in the English language and identify thereon all offers or quotations received, the offer accepted or order placed, the price, the quantity, the name and address of all persons submitting offers or quotations and of their principals, if any (including manufacturers or processors of the commodity).

(e) *Procurement under special supplier-importer relationships—(1)* Solicitation of offers from more than one supplier is not required if:

(i) The importer is purchasing for resale or processing, as the supplier's regularly authorized distributor or dealer, a commodity which, under the terms of the distributorship or dealer agreement, the importer is precluded from buying from another supplier; or

(ii) The importer is purchasing for resale a registered brand-name commodity from a supplier who is the exclusive distributor of that commodity to the area of the importer.

(2) A.I.D. may require the importer to furnish, or cause to be furnished, to A.I.D. documentary evidence of the existence of the relationships described in paragraph (e)(1) of this section.

§201.24 Progress and advance payments.

(a) *Definitions—(1) Progress payments.* Progress payments are payments made prior to shipment under a fixed price procurement contract, which are based on actual costs incurred or on an actual stage or percentage of completion accomplished.

(2) *Advance payments.* Advance payments are payments to a supplier prior to, and in anticipation of, performance under a procurement contract. They are not based on actual performance or actual costs incurred.

(b) *Progress Payments—(1) Conditions for eligibility.* A.I.D. will approve progress payments only if:

(i) The period between the commencement of work and the first required delivery will exceed four months;

(ii) There will be substantial predelivery costs that may have a material impact on a suppliers's working capital;

(iii) The total FAS purchase price will exceed \$200,000;

(iv) The supplier must establish a performance bond or guaranty in favor of the borrower/grantee providing adequate security for the amount of the progress payments; and

(v) The amount of the progress payments does not exceed 95 percent of the total FAS purchase price.

(2) *Notice.* In order for progress payments to be eligible under a competitive procurement, the solicitation document must state that such payments will be allowed and that a request for

§ 201.25

progress payments will not be considered an adverse factor in the award of the contract.

(3) *Approval.* All progress payments must be approved in writing by A.I.D.

(c) *Advance payments*—(1) *Conditions for eligibility.* Advance payments may be authorized only if A.I.D. has made a positive determination in writing that:

(i) A.I.D. will benefit therefrom, in terms of increased competition and/or lower prices, prior to the issuance of the solicitation or prior to award of a noncompetitive contract; and

(ii) The supplier has a financial management system which is adequate for controlling and accounting for U.S. government funds.

(2) *Amount.* The amount of the advance is based on an analysis of the working capital required under the procurement contract, taking into consideration the availability of the supplier's own working capital and shall be limited to the minimum amount needed for immediate disbursing needs.

(3) *Security.* The supplier must establish an advance payment bond or guaranty in favor of the borrower/grantee providing adequate security for the amount of the advance payment.

(4) *Notice.* In order for advance payments to be eligible under a competitive procurement, the solicitation document must state that such payments will be allowed and that a request for advance payments will not be considered an adverse factor in the award of the contract.

(5) *Approvals.* All advance payments must be approved by A.I.D. in writing.

§ 201.25 Bid and performance bonds and guaranties.

Whenever the importer requires the posting of a bid bond or guaranty or performance bond or guaranty, the type of bond or guaranty (certified check, irrevocable letter of credit, bank bond, bank guaranty, or surety bond) shall be at the option of the bidder or supplier. Posted bid bonds or guaranties shall be returned to unsuccessful bidders promptly after an award is made. Unless converted to a required performance bond or guaranty, any bid bond or guaranty posted by the successful bidder shall also be returned promptly. Performance bonds or guar-

22 CFR Ch. II (4–1–97 Edition)

anties (as distinguished from commodity warranties of quality or performance) shall be canceled no later than 30 days after completion of the contract performance guaranteed.

§ 201.26 Expenditure of marine insurance loss payments.

Unless otherwise authorized by A.I.D., any marine insurance loss payment under a marine insurance policy financed pursuant to this part 201 received by the importer, either directly or indirectly, shall be used by the importer as follows:

(a) To procure from a source specified in the implementing document which originally provided the A.I.D. funds, commodities which have been designated by A.I.D. to the borrower/grantee as eligible for A.I.D. financing; or

(b) To cover the cost of repairs to commodities damaged during shipment.

Subpart D—Responsibilities of Suppliers

§ 201.30 Purpose.

This subpart establishes the responsibilities of suppliers who furnish commodities and/or commodity-related services.

§ 201.31 Suppliers of commodities.

(a) *Performance of the sales contract.* The supplier of commodities shall comply with the terms and conditions of its contract with the importer and any letter of credit or direct letter of commitment under which it secures payment.

(b) *Responsibilities relating to eligibility of commodities.* The supplier shall fulfill its responsibilities under § 201.11 by assuring that:

(1) The commodity conforms to the description contained in its contract and letter of credit or direct letter of commitment and, unless otherwise authorized by A.I.D. in writing, the commodity is unused and has not been disposed of as surplus by any governmental agency;

(2) The source of the commodity complies with the provisions of § 201.11(b) relating to source as required by its

contract, letter of credit or direct letter of commitment;

(3) The provisions of § 201.11(d) relating to the medium of transportation are complied with to the extent that the supplier arranges such transportation;

(4) All documents required by § 201.52 to be submitted by the supplier to receive payment are submitted by it on or before the terminal date specified in the letter of credit, direct letter of commitment, or, if payment is to be made at sight, the purchase contract;

(5) The provisions of the U.S. Treasury Department Foreign Assets, Sanctions, Transactions and Funds Control Regulations published in 31 CFR parts 500 through 599, as from time to time amended, are complied with; and

(6) The purchase price of the commodity meets the requirements of subpart G of this part applicable to the supplier.

(c) *Responsibilities relating to eligibility of delivery services.* The supplier of commodities shall be responsible for assuring that any delivery services obtained by it for its own or for the importer's account comply with the requirements of § 201.13 and, if required by A.I.D., for assuring that any shipping documents obtained by it contain an appropriate diversion clause pursuant to § 201.43. The supplier shall deliver to A.I.D. any shipping documents available to it whenever such delivery is requested by A.I.D.

(d) *Marking of shipping containers and commodities—(1) Affixing emblems and identification numbers.* The supplier of commodities shall be responsible for assuring that all export packaging, whether shipped from the United States or from any other source country, carries the official A.I.D. (clasped hands) emblem. Additionally, except as A.I.D. may otherwise prescribe, when the supplier is given notice by the importer that the importer is the government of the cooperating country or any of its subdivisions or instrumentalities, the supplier shall also be responsible for assuring that, in addition to the shipping cartons or other export packaging, all commodities carry the A.I.D. emblem. The A.I.D. financing document number shall be marked on each export shipping carton and box in characters

at least equal in height to the shipper's marks. When commodities are shipped as containerized freight in a reusable shipping container, the container is not considered export packaging within the meaning of this paragraph and the outside of the container need not be marked; however, the cartons, boxes, etc., inside the container must be marked.

(i) *Durability of emblems.* Emblems shall be affixed by metal plate, decalcomania, stencil, label, tag or other means, depending upon the type of commodity or export packaging and the nature of the surface to be marked. The emblem placed on commodities shall be as durable as the trademark, commodity or brand name affixed by the producer; the emblem on each export packaging unit shall be affixed in a manner which assures that the emblem will remain legible until the unit reach the consignee.

(ii) *Size of emblems.* The size of an emblem may vary depending upon the size of the commodity and the size of the export packaging. The emblem shall in every case be large enough to be clearly visible at a reasonable distance.

(iii) *Design and color of emblems.* Emblems shall conform in design and color to samples available from the Office of Procurement, Commodity Support Division, A.I.D., Washington, DC 20523-1415, and from the Mission.

(2) *Exception to requirement for affixing emblems.* To the extent compliance is impracticable, emblems shall not be required for:

(i) Raw materials shipped in bulk (including grain, coal, petroleum, oil, and lubricants);

(ii) Vegetable fibers packaged in bales; and

(iii) Semifinished products which are not packaged in any way.

(3) *Waiver.* If compliance with the marking requirement is found to be impracticable with respect to other commodities not excepted by paragraph (d)(2) of this section, the supplier (or, when appropriate, the borrower/grantee) may request a waiver from A.I.D. (Regional Assistant Administrator or his/her designee).

(e) *Export licenses and approvals.* The supplier shall be solely responsible for

assuring that all necessary export licenses and approvals are obtained.

(f) *Distribution of shipping documents.* The supplier shall make the customary commercial document distribution, as well as any special distribution (e.g., to the A.I.D. Mission in the importing country) which may be specified in the letter of credit, direct letter of commitment or other payment instruction covering the transaction. Prior to presenting the documents specified in § 201.52 for payment, the supplier shall mail not later than 30 days from the date of shipment a legible copy of all rated ocean bill(s) of lading described in § 201.52(a)(4)(i) to: Maritime Administration, Division of National Cargo, 400 Seventh Street SW., Washington, DC 20590-0001; and Transportation Division, Office of Procurement, A.I.D., Washington, DC 20523-1419.

(g) *Adjustment refunds, credits, and allowances.* All adjustments in the purchase price in an A.I.D.-financed transaction in favor of the importer arising out of the terms of the contract or the customs of the trade shall be made by the supplier in the form of a dollar payment to A.I.D. Any such payment shall be transmitted to the Office of Financial Management, A.I.D., Washington, DC 20523-0208, and shall be accompanied by a statement explaining the adjustment and shall specify the name and address of the importer, the date and amount of the original invoice, and the identification number of the implementing document, if known, under which the original transaction was financed. A.I.D. will advise the borrower/grantee of such adjustment refunds received. Despatch earned by the supplier, other than despatch earned at the port of loading on c.i.f. and c. & f. shipments, shall be refunded to A.I.D. in accordance with § 201.67(a)(5).

(h) *Vesting in A.I.D. of title to commodities.* The supplier shall be responsible for compliance with the provisions of § 201.44 applicable to it.

(i) *Termination or modification of A.I.D.-financing.* The supplier shall be responsible for compliance with the provisions of § 201.45 applicable to it.

§ 201.32 Suppliers of delivery services.

(a) *Performance of the service contract.* The supplier of delivery services fi-

nanced by A.I.D. shall comply with the terms and conditions of its contract to supply delivery services.

(b) *Adjustment in the price of delivery services.* The supplier of delivery services shall pay to the Office of Financial Management, A.I.D., Washington, DC 20523-0208, all adjustments in the purchase price in favor of the importer (or person purchasing the ocean transportation services) arising out of the terms of the contract or the customs of the trade. Any such payment shall be accompanied by a statement explaining the adjustment and shall specify the name and address of the importer or other person for whom the adjustment is made, the date and amount of the original invoice, and the identification number of the implementing document, if known, under which the original transaction was financed.

(c) *Marine insurance reporting requirement.* With respect to any loss payment exceeding \$10,000 in value which a supplier of marine insurance makes under a marine insurance policy financed pursuant to this part, the supplier of marine insurance shall, within 15 days of making such payment, report to the Commodity Support Division, Office of Procurement, A.I.D. Washington, DC 20523-1415, the amount and date of the payment, a description of the commodity, the A.I.D. identification number, name of the carrier, vessel, and voyage number (alternatively, flight or inland carrier run number), date of the bill(s) of lading, the identity and address of the assured, and the identity and address of the assignee of the assured to whom payment has actually been made.

Subpart E—General Provisions Relating to A.I.D. Financing of Commodities and Commodity-Related Services

§ 201.40 Purpose.

This subpart sets forth certain provisions of general application to transactions subject to this part.

§ 201.41 Audit and inspection.

The borrower/grantee shall maintain records adequate to document the arrival and disposition in the cooperating

country of all commodities financed by A.I.D., and to identify the importer (or the first purchaser or transferee if the commodity is imported by the borrower/grantee) for a period of 3 years following the date of payment or reimbursement by A.I.D. or for such other period as A.I.D. and the borrower/grantee agree. In addition, the borrower/grantee shall, to the extent either exercises control or custody over the commodities, permit A.I.D. or any of its authorized representatives at all reasonable times during the 3-year or other agreed period to inspect the commodities at any point, including the point of use, and to inspect all records and documents pertaining to such commodities.

§201.42 Reexport of A.I.D.-financed commodities.

Unless specifically authorized by A.I.D., commodities imported into a cooperating country under A.I.D.-financing may not be exported in the same or substantially in the same form from the cooperating country. In the event of any unauthorized reexport, the borrower/grantee shall pay promptly to A.I.D., upon demand, the entire amount reimbursed or such lesser or greater amount as A.I.D. may deem appropriate under the circumstances of the particular transaction. Such an amount shall in no event, however, exceed the greater of either the amount reimbursed or the amount realized from the reexport.

§201.43 Diversion clause.

A.I.D. may require that charter parties, bills of lading, or other ocean shipping documents covering A.I.D.-financed commodities contain a clause substantially as follows:

A.I.D. may at any time prior to unloading prescribe a different port of discharge from among the ports covered by the applicable tariff. Diversion charges shall apply in accordance with the tariff or contract of affreightment. Deviation insurance and extra handling costs actually incurred shall be reimbursed.

§201.44 Vesting in A.I.D. of title to commodities.

(a) *Vesting upon order of A.I.D.* A.I.D. may direct that title to A.I.D.-financed

commodities in transit to a cooperating country shall be vested in A.I.D. if, in the opinion of A.I.D., such action is necessary to assure compliance with the provisions or purposes of any act of Congress.

(1) *Rights of A.I.D. upon vesting of title.* In accordance with instructions by A.I.D., the borrower/grantee, supplier, and bank shall transfer such negotiable bills of lading, suppliers' invoices, packing lists, inspection certificates or other designated documents relating to the commodities as are in, or may come into, their possession.

(2) *Diversion of commodities.* A.I.D. may direct the master or operator of a vessel or an inland carrier carrying the commodities to divert them away from the port or other destination specified in the shipping documents and to deliver them at such other destination as A.I.D. may designate.

(b) *Financial responsibility of A.I.D. under vesting order.* (1) A.I.D. will reimburse a supplier who has not already received payment under the purchase contract for all commodities with respect to which A.I.D. has taken title under a vesting order.

(2) A.I.D. will assume the responsibility for any extra costs (including the costs of marine insurance and handling) which are incurred as a result of a diversion. Such costs shall not exceed diversion charges as per tariff (liner shipments) or contract of affreightment (charters), and shall include only those deviation insurance and extra handling costs which are actually incurred.

(3) A.I.D. shall incur no liability to the borrower/grantee, the importer, or to the approved applicant by reason of any order which vests in A.I.D. title to commodities, or by reason of any request for the diversion of commodities.

§201.45 Termination or modification of a loan, grant or implementing document.

(a) *Effect of termination or modification.* (1) Except as provided in paragraph (a)(2) of this section, the availability of A.I.D. funds to finance the procurement of commodities and commodity-related services shall terminate or shall be modified, whenever and

to the same extent that the implementing document which relates to such delivery is terminated or modified by operation of provisions contained in the document, or by the exercise of rights otherwise reserved to A.I.D.

(2) Unless the supplier and A.I.D. agree otherwise, to the extent that the supplier has received an irrevocable letter of credit from a bank under an A.I.D. letter of commitment, the purchase contract shall be affected only to the extent necessary to comply with any vesting order issued by A.I.D. in accordance with § 201.44.

(b) *Responsibilities of parties after termination or modification of A.I.D.-financing.* Upon termination or modification of A.I.D.-financing of commodities or commodity-related services, the supplier, importer and approved applicant shall make such arrangements as are necessary to obtain the cancellation or modification of any letter of credit in favor of the supplier.

§ 201.46 Compensation to supplier if shipment is prohibited.

(a) *Payment to supplier.* A.I.D. shall make appropriate payment to a supplier for the value of A.I.D.-financed commodities available for immediate shipment from the United States if all the following conditions are satisfied:

(1) Shipment is prohibited by order of the U.S. Government and such order has general application to all shipments to the cooperating country.

(2) Payment may not be made by the bank under the terms of the letter of credit or payment instructions.

(3) The supplier is unable to dispose of the commodities without loss.

(4) The supplier tenders to A.I.D. a negotiable warehouse receipt covering the commodities in question and presents to A.I.D. such other documentation required by § 201.52 as may be appropriate under the circumstances.

(b) *Other settlement.* In lieu of accepting title to the commodities, A.I.D. may negotiate with the supplier such other settlement as may be fair and equitable under the circumstances.

§ 201.47 Use of marine insurance loss proceeds.

The borrower/grantee shall pay promptly to A.I.D. a sum equal to the

proceeds received by an importer or its assignee in settlement of a marine insurance claim under a marine insurance policy financed pursuant to this part 201, if such proceeds are not expended in the manner provided by § 201.26 within a reasonable period after receipt by the importer.

Subpart F—Payment and Reimbursement

§ 201.50 Purpose.

This subpart describes:

(a) The methods by which A.I.D. will make payment or reimbursement for commodities and commodity related services which have been furnished;

(b) The documentation required to be submitted to A.I.D. for the purpose of obtaining such payment or reimbursement; and

(c) The terminal date for presentation of documents which A.I.D. requires as a condition for payment or reimbursement.

§ 201.51 Methods of financing.

Under procurements subject to this part 201, the following methods of financing may be employed by A.I.D. In each case, the method of financing shall be consistent with provisions in the pertinent implementing documents.

(a) *Direct reimbursement.* Upon presentation to A.I.D. of the documents specified in § 201.52, a borrower/grantee will be reimbursed for the cost of commodities and commodity-related services procured by the borrower/grantee directly or procured by other importers with the authorization of the borrower/grantee, if such commodities or services are eligible under the implementing document and under this part 201 for A.I.D.-financing.

(b) *Letter of commitment to a bank.* At the request of the borrower/grantee, A.I.D. will issue a letter of commitment to a bank for a specified amount in dollars. Reimbursement to a bank will be in accordance with the terms of such letter of commitment for sight payments made for the account of an approved applicant. Any such payment by a bank made in anticipation of a letter of commitment and falling within the scope of payments authorized by

such letter of commitment when issued, will be deemed to be a payment to be reimbursed by A.I.D. thereunder.

(1) *Requests for bank letters of commitment.* All requests for bank letters of commitment shall be in the English language and shall be submitted to A.I.D. by the borrower/grantee in duplicate. They shall contain the following:

(i) Identification of the loan or grant agreement;

(ii) The dollar amount of the letter of commitment;

The letter of commitment to a supplier will identify the purchase contract to which it relates and the implementing document under which it is issued.

(2) Assignment may be permitted as provided for in the direct letter of commitment.

§ 201.52 Required documents.

(a) *Commodities and commodity-related services.* Claims for reimbursement or payment with respect to commodities and commodity-related services shall be supported by the documents listed in paragraphs (a)(1) through (8) of this

If an NVOCC is used, rated cop-

ies of both the NVOCC's through bill of lading and the bill(s) of lading of all VOCCs must be included.

(ii) When the commodity is transported to the cooperating country under its own power (e.g., a fishing vessel), A.I.D. will require a certificate signed by the importer or its authorized agent, certifying that the commodity has been received by the importer, to be submitted instead of a bill of lading.

(iii) When the supplier is not responsible under the terms of its agreement with the importer for assuring that the commodities are loaded on board the vessel, such as when delivery terms are f.a.s. port of shipment, the importer may request and the Commodity Support Division, Office of Procurement, A.I.D., Washington, DC 20523-1415 may authorize the following documents, instead of a bill of lading, to be submitted with a claim for reimbursement or payment for the commodities:

and Commodity Approval Application shall be signed by hand and shall bind the person or organization in whose behalf the execution is made.

(2) The Supplier's Certificate covering the cost of marine insurance may be executed on behalf of the marine insurer by an insurance broker or by a commodity supplier if the commodity supplier is the assured under an open cargo insurance policy issued by the marine insurer and is authorized under such policy to bind the marine insurer by issuing insurance certificates or policies in favor of importers. In each such case, the insurance broker or commodity supplier shall indicate on the Supplier's Certificate the name and address of the insurance company which is acting as the supplier of marine insurance and shall describe itself below its signature as a commodity supplier issuing a certificate under an open cargo insurance policy or as an insurance broker.

Subpart G—Price Provisions**§ 201.60 Purpose and applicability of this subpart.**

This subpart prescribes rules relating to prices, discounts, commissions, credits, allowances, and other payments. These rules shall be observed in the procurement of commodities and commodity-related services financed under this part. The rules implement and supplement the requirements of the Act relating to prices in such procurement. The general purpose of these rules is to assure the prudent use of A.I.D. funds.

(a) *Statutory price limitations.* (1) Section 604(a) of the Act provides *inter alia* that funds made available under this Act may be used for procurement outside the United States only if the price of any commodity procured in bulk is lower than the market price prevailing in the United States at the time of procurement adjusted for differences in the cost of transportation to destination, quality, and terms of payment.

(2) Section 604(b) of the Act provides that no funds made available under this Act shall be used for the purchase in bulk of any commodities at prices higher than the market price prevailing in the United States at the time of purchase, adjusted for differences in the cost of transportation to destination, quality, and terms of payment.

(b) *Transactions covered.* The rules and conditions prescribed by this subpart apply to all A.I.D.-financed transactions subject to this regulation, whether or not the commodities are purchased in bulk.

(c) *Compliance.* Compliance with this subpart G and with any additional price requirement contained in the implementing document shall be a condition to the financing by A.I.D. of procurement transactions under this part. Post-audit of transactions will be made by A.I.D. to determine whether there has been such compliance.

§ 201.61 Meaning of terms in this subpart.

(a) *Class of purchaser* means any group of purchasers which is separately identifiable and which is distinguishable from other purchasers on the basis

of quantity purchased, distribution function or established trade practice.

(b) *Commission.* See § 201.01(h).

(c) *Comparable domestic sale* means any comparable sale not in export transactions.

(d) *Comparable export sale* means any comparable sale in export transactions.

(e) *Comparable sale* means any sale of or bona fide offer to sell the same commodity, or (in the absence of such a sale or offer to sell) any sale of or offer to sell a similar commodity which, with respect to the quantity, quality, grade, period of delivery, supply area, terms of sale, or class of purchaser, either:

(1) Is not sufficiently different from the sale being tested to result customarily in a price different from the price in the sale being tested; or

(2) Can be related to the sale being tested through application of a customary price differential. A sale which is otherwise comparable to another sale is not rendered noncomparable by virtue of its being made out of a free port or bonded warehouse. The fact that a sale is made out of a free port or bonded warehouse shall not cause that sale to differ from otherwise comparable sales with respect to terms of sale, supply area, or period of delivery.

(f) The *date the purchase price is fixed* means the date on which the parties agree on the price. If, however, the parties establish the price as of any other date which is subsequent to the date of such agreement and not later than the date of delivery, the term means such other date regardless of whether it precedes, coincides with or follows the legally effective date of the purchase contract.

(g) *Export differential* means the customary difference in price, if any, between domestic sales and otherwise comparable export sales.

(h) *Period of delivery* means the length of time between the date the purchase price is fixed or the date of the purchase contract, whichever is later, and the date by which delivery is to be completed.

(i) *Producer* means any person who grows, mines, manufactures, processes, or assembles a commodity in the form in which it is exported.

(j) *Purchase price* means the total amount which the purchaser agrees to pay or make available to or for the benefit of the supplier (including any person or organization designated by the supplier to receive such payment) for any commodity or commodity-related service which is wholly or partly financed by A.I.D.

(k) *Representative of the importer* means any entity affiliated with the importer by ownership or management ties, and any office or employee of such entity.

(l) *Similar commodity* means a commodity which is functionally interchangeable with the commodity in the sale being tested, and affords the purchaser substantially equivalent serviceability.

(m) *Supply area* means the source country, or if the commodity is customarily sold at different prices (exclusive of transportation costs) from different geographic areas within a source country, the specific geographic area within the source country from which the commodity is shipped to the cooperating country.

(n) *Time of purchase* means that period encompassing the date the purchase price is fixed during which prices in comparable sales remain substantially constant.

(o) *Transportation cost* means the cost of all transportation by land, sea, or air from the port of export to the destination in the cooperating country, plus the cost of marine insurance, if any, covering such transaction. Such costs are financed by A.I.D. only to the extent provided in § 201.13.

§ 201.62 Responsibilities of borrower/grantee and of supplier.

(a) *Responsibilities of borrower/grantee.* The borrower/grantee shall:

(1) When required by A.I.D., develop and periodically update, or cooperate with A.I.D. in the development and updating of, lists of importers who have traditionally imported the commodities which may be purchased under the loan or grant. Such listings shall be by commodity groupings selected by A.I.D., cover all commodities eligible for financing, and, to the extent such information is available, show the names and addresses of all importers,

regardless of the source from which their imports originated.

(2) Insure that the importer

(i) Procures in accordance with the conditions set forth in subpart C as applicable, and

(ii) Except as provided otherwise in § 201.22, pays no more than the lowest available competitive price, including transportation cost, for the commodity.

(b) *Responsibility of supplier.* In accordance with the provisions contained in the Supplier's Certificate, which the supplier must execute in order to receive payment, the supplier is responsible for compliance with the provisions of this subpart G, other than paragraph (a) of this section.

§ 201.63 Maximum prices for commodities.

(a) *U.S. prevailing market price—U.S. source.* The purchase price for a commodity, the source of which is the United States, shall not exceed the market price prevailing in comparable export sales in the United States at the time of purchase, adjusted for differences in the transportation cost: *Provided, however,* That if there are no such comparable export sales, then the purchase price, excluding transportation cost, may not exceed the market price prevailing in comparable domestic sales in the United States at the time of purchase, adjusted upward or downward by the appropriate export differential.

(b) *U.S. prevailing market price—non-U.S. source.* The purchase price, including transportation cost, for a commodity the source of which is not the United States shall be lower than the market price prevailing in comparable export sales in the United States at the time of purchase including transportation cost: *Provided, however,* That if there are no such comparable export sales in the United States, then the purchase price from the source outside the United States, including transportation cost, must be lower than the market price prevailing in comparable domestic sales in the United States at the time of purchase, adjusted upward or downward by the appropriate export differential and transportation cost.

(c) *Supplier's comparable export price—U.S. and non-U.S. sources.* (1) The purchase price excluding transportation cost, shall not exceed prices generally charged by the supplier in comparable export sales from the source country at the time of purchase.

(2) The requirement in paragraph (c)(1) of this section shall not apply to the purchase price:

(i) In any sale under formal competitive bid procedures; or

(ii) In any sale of a commodity generally traded on an organized commodity exchange.

(3) *Comparable export sales* for the purpose of paragraph (c) of this section shall not include sales:

(i) Under formal competitive bid procedures; or

(ii) Of a commodity by a supplier to affiliates if the supplier demonstrates an established practice of selling the commodity to affiliates at prices lower than the prices it charges to nonaffiliates.

(d) *Source country prevailing market price—non-U.S. source.* The purchase price, excluding transportation cost, shall not exceed the market price prevailing in the source country in comparable export sales at the time of purchase: *Provided, however,* That, if there are no such comparable export sales, then the purchase price, excluding transportation cost, shall not exceed the market price prevailing in comparable domestic sales in the source country at the time of purchase, adjusted upward or downward by the appropriate export differential.

(e) *Price test in the absence of comparable sales at time of purchase—(1) Sale by supplier who is not the producer.* The purchase price shall not exceed the sum of:

(i) The lower of the following: The price paid by the supplier for the commodity or the price charged by the producer in the original sale of that specific commodity; and

(ii) A markup over the amount allowed in paragraph (e)(1)(i) of this section which may not exceed the lower of the following: The markup over direct cost that is usual and customary in sales by the supplier of the same commodity, if any, or the most similar commodity, or, the markup over direct

cost that is usual and customary in such sales by the competitors of the supplier; and

(iii) To the extent not included in paragraph (e)(1)(i) of this section an amount not to exceed the cost at prevailing rates of those expenses recognized in §201.64(a) and actually incurred in moving the commodities supplied from the point of purchase to a position alongside or on board the vessel or other export conveyance at point of export.

(2) *Sale by a supplier who is the producer.* The purchase price shall not exceed a price established in accordance with the customary pricing practices of the supplier for other products of the same general class as the commodity sold.

(f) *Additional rules for sales through or out of a free port or bonded warehouse.*

(1) The purchase price, including transportation costs to a cooperating country, of a commodity which has passed through a free port or bonded warehouse shall not exceed:

(i) The maximum price f.o.b. or f.a.s. source country eligible for A.I.D.-financing under the foregoing provisions of this §201.63: plus

(ii) Transportation cost calculated on the basis of the prevailing ocean freight rate for shipments using the most direct route from the source country to the cooperating country on the type and flag of vessel on which the commodity actually moved from the free port or bonded warehouse to the cooperating country.

(2) The purchase price of a commodity f.o.b. or f.a.s. a free port or bonded warehouse shall not exceed the maximum price established in paragraph (f)(1) of this section, minus transportation costs from the free port or bonded warehouse to the cooperating country, calculated on the basis of the prevailing ocean freight rate from the free port or bonded warehouse to the cooperating country for the type and flag of vessel on which the commodity actually moved between those points.

(g) *Commodity price subject to escalation.* If a purchase contract contains a price escalation clause, A.I.D. will finance:

(1) The purchase price of the commodity before the operation of the escalation clause to the extent that it does not exceed the applicable price limitations contained in this subpart; and

(2) That portion of the commodity price attributable to the operation of the price escalation clause if such clause:

(i) Uses a formula based on variations in a cost factor which is reasonably related to the price of the commodity subject to escalation and is readily determinable;

(ii) Provides for downward as well as upward adjustment of the price; and

(iii) Accords with recognized trade practices.

§ 201.64 Application of the price rules to commodities.

(a) *Calculation of commodity prices on a common basis.* In testing whether the purchase price of a commodity exceeds the price in comparable export sales or in comparable domestic sales, as applicable under § 201.63 (a), (c), (d) and (e), it is necessary to insure that the price being tested as well as the prices being used as a test or measurement are calculated on the basis of delivery alongside or on board the vessel or other export conveyance. Such prices will include, therefore, in addition to the price of the commodity at an internal point in the source country, transportation from that point to the port of export in the source country, and to the extent not already included in the price at the internal point, inspection, export packing, forwarder's fees at customary rates, the cost of placing the commodities on board the vessel or export conveyance (unless this cost is covered in the export freight), and other necessary costs customary in the trade.

(b) *Calculation of commodity prices which involve transportation costs.* (1) In testing the purchase price which includes transportation cost (customarily known as a c. & f. or c.i.f. price) for compliance with the requirements of § 201.63 (a), (c), (d) and (e), A.I.D. will subtract transportation cost as calculated by reference to the freight rate, for the type and flag of vessel on which the commodity was shipped, pre-

vailing on the date the purchase price is fixed. In the absence of evidence to the contrary, the actual transportation cost paid by the supplier shall be presumed to be the transportation cost calculated in accordance with the formula contained in the foregoing sentence.

(2) In testing a purchase price involving transportation cost for compliance with § 201.62 and § 201.63(b), the test or measurement prices shall be:

(i) Prices based upon transportation by a U.S.-flag vessel if the price tested involves transportation by such vessel; or

(ii) Prices based upon transportation by either a U.S.-flag or a foreign-flag vessel, whichever is lower, if the price tested involves transportation by a foreign-flag vessel.

(c) *Calculation of amount eligible for financing when shipment is through or out of a free port or bonded warehouse.* (1) When a shipment to a cooperating country has passed through a free port or bonded warehouse, A.I.D. will finance no more than the lower of the following:

(i) The maximum price described in § 201.63(f)(1), or

(ii) The maximum price described in § 201.63(f)(1)(i), plus any transportation costs into the free port or bonded warehouse which meet the requirements of § 201.13(b)(1)(i)(D), and any transportation costs out of the free port or bonded warehouse on a vessel flying the flag of a country included in the authorized geographic code.

(2) When a shipment is f.o.b. or f.a.s. a free port or bonded warehouse, A.I.D. will finance no more than the lower of the following:

(i) The maximum price described in § 201.63(f)(2), or

(ii) The maximum price described in § 201.63(f)(1)(i), plus any transportation costs into the free port or bonded warehouse which meet the requirements of § 201.13(b)(1)(i)(D).

(d) *Determination of prevailing prices.* In the determination of any prevailing market price of any commodity or any prevailing price or maximum eligible freight rate for a commodity related service, relevant published and unpublished price information will be considered.

§ 201.65 Commissions, discounts and other payments, credits, benefits and allowances.

(a) *General.* This section sets forth the rules which govern the eligibility of commissions, discounts and certain other payments, credits, benefits and allowances for A.I.D.-financing.

(b) *Commissions to sales agents.* Unless otherwise provided in the implementing document, a commission paid, or to be paid, to a bona fide agent of the supplier is eligible for financing under this part, if such agent either has made a direct and substantial contribution toward securing the purchase contract for the supplier or is engaged on a continuing basis in securing similar contracts for the supplier. Such commissions are eligible to the extent they comply with § 201.65(f).

(c) *Commissions and other payments, credits, benefits or allowances to importers, purchasing agents and others.* Unless otherwise authorized by A.I.D., no commission or other payment, credit, benefit or allowance of any kind shall be paid, made, or given, or agreed to be paid, made or given, in connection with any sale subject to this part by the supplier or its agent:

(1) To or for the benefit of the importer;

(2) To or for the benefit of a purchasing agent or other agent or representative of an importer, even though such agent or representative may also have an agreement with a supplier to represent the supplier; or

(3) To any third party in connection with a sale by the supplier to its dealer, distributor, or established agent in the cooperating country.

(d) *Trade discounts.* To arrive at the net amount eligible for A.I.D.-financing, all trade discounts, whether in the form of payments, credits, or allowances, to which the importer is entitled shall be deducted from the gross amount of the supplier's invoice submitted under § 201.52(a)(2)(i)(D).

(e) *Commissions and other payments or benefits attributable to A.I.D.-financing.* Every commission or other payment, credit, benefit, or allowance of any kind paid, made or given, or agreed to be paid, made or given, in connection with the sale of commodities financed under this part to any person described

in § 201.65(c) (1), (2) or (3) shall be presumed conclusively to have been paid from A.I.D. funds and shall thereby be subject to the requirements of this part 201.

(f) *Maximum commission.* A commission shall not exceed the lesser of the amount which the supplier customarily pays in connection with similar transactions or the amount which is customary in the trade.

(g) *Reporting.* All commissions and other payments, credits, benefits or allowances of any kind paid, made or given, or agreed to be paid, made or given, by the supplier in connection with A.I.D.-financed sales of commodities and commodity-related services shall be fully reported on the Invoice-and-Contract Abstract of the Supplier's Certificate required under § 201.52(a)(6). Any such amounts not reported shall be ineligible for A.I.D.-financing.

(h) *Brokerage commission.* In connection with ocean freight services, A.I.D. will finance a brokerage commission only if:

(1) Such commission does not exceed 2½ percent of the ocean freight charge (exclusive of deadfreight, demurrage and detention);

(2) Such commission is payable to an individual resident in a country included in the authorized source code; a non-resident citizen of a country included in the authorized source code; or a corporation or partnership organized under the laws of a country included in the authorized source code; and

(3) The names of all persons receiving such commissions appear on the face of the charter party.

(i) *Address commissions.* An address commission to or for the benefit of a charterer shall be deemed a discount on the stated freight rate or freight charge which the supplier of transportation services shall deduct from the cost of transportation financed by A.I.D. If the supplier of the commodity is the charterer, it shall refund to A.I.D. any address commission received by it. If the supplier of the commodity is not the charterer, the borrower/grantee shall be responsible for making a refund to A.I.D. of any such commissions received by the charterer.

§ 201.66 Side payments.

Any payment which an importer makes to a supplier, whether or not indicated on the supplier's invoice and whether or not financed by A.I.D., in connection with an A.I.D.-financed transaction, shall be disclosed by the supplier on the Supplier's Certificate and shall be considered as part of the actual purchase price in applying the rules of this subpart G.

§ 201.67 Maximum freight charges.

(a) *Ocean freight rates*—(1) *Similar shipments*. *Similar shipments* means shipments which are similar with respect to type of commodity, commodity rate classification, quantity, vessel flag category (U.S.-or foreign-flag), choice of ports, and other pertinent factors. In determining whether shipments are similar, no effect shall be given to the identity of the shipper or the circumstance that the shipment is or is not financed by the Government of the United States.

(2) *Maximum charter rates*. (i) A.I.D. will not finance ocean freight under any charter which has not been submitted to and received prior approval by A.I.D./W. A.I.D. will not approve a charter if the freight rate exceeds:

(A) The rate prevailing for similar shipments; or

(B) The lowest rate charged by the vessel for similar shipments on the same voyage.

(ii) In determining the rate prevailing for similar shipments, recognized sources of charter market rate information will be consulted and, if necessary, will be supplemented by other information which contributes to a realistic determination of the prevailing charter rate.

(3) *Effect of A.I.D. approval of a charter*. A.I.D. prior approval of a charter shall be confirmed by A.I.D. in writing and shall then be final except in cases where the freight rate exceeds the lowest rate charged by the vessel for similar shipments on the same voyage or where A.I.D.'s prior approval is based on false or misleading representations made to A.I.D. by the charterer or vessel owner(s).

(4) *Maximum liner rates*. A.I.D. will not finance ocean freight for a cargo

liner shipment at a rate which exceeds the lowest of the following:

(i) The conference contract rate or the conference noncontract rate, whichever is lower;

(ii) The rate named in any tariff or other rate listing for the same destination and commodities on file at the Federal Maritime Commission; or

(iii) The lowest rate charged by the VOCC for similar shipments on the same voyage.

(5) *Despatch*. (i) The borrower/grantee, or the supplier with respect to despatch earned by the supplier, shall be responsible for refunding to A.I.D. all despatch earned:

(A) At the port of unloading on c.i.f. or c. & f. shipments, or

(B) At the port of loading or unloading on f.o.b. or f.a.s. shipments, to the extent that despatch exceeds demurrage incurred on the same voyage.

(ii) Refunds of despatch, supported by the vessel's signed laytime statement(s), must be transmitted to the Office of Financial Management, A.I.D., Washington, DC 20523-0209, within 90 days after date of discharge of cargo on which the despatch was earned.

(b) *Airfreight rates*. A.I.D. will not finance airfreight which exceeds the following:

(1) The rate under any air charter approved by A.I.D. covering the transaction;

(2) The lowest rate charged by the carrier for similar shipments on the same flight; or

(3) The rate prevailing in the industry for similar shipments. A similar shipment is one which is similar with respect to type of commodity, commodity rate classification, quantity, flag category, choice of airport, and other pertinent factors.

§ 201.68 Maximum prices for commodity-related services.

(a) The price for an A.I.D.-financed commodity-related service, other than ocean or air transportation, shall not exceed the lower of:

(1) The prevailing price, if any, for the same or similar services; or

(2) The price paid to the supplier under similar circumstances by other customers.

(b) The eligible price of services covered by an NVOCC bill of lading is limited to the sum of the costs of individual delivery services eligible under § 201.13 of this part, and only to the extent that the cost of each such service is eligible for A.I.D.-financing under § 201.67 or § 201.68(a) of this part.

§ 201.69 Cooperating country taxes and fees.

A.I.D. will not finance any taxes or fees imposed under the laws in effect in the cooperating country, including customs duties, consular and legalization fees, and other levies.

Subpart H—Rights and Responsibilities of Banks

§ 201.70 Purpose.

This subpart sets forth the rights and responsibilities of banks with regard to reimbursement under a letter of commitment opened pursuant to an A.I.D. request. Banks will not be held responsible for the requirements of subparts B, C, D, E (excluding § 201.44(a)(1)), and subpart G except insofar as provisions of these subparts are included in this subpart H or in a letter of commitment issued by A.I.D. to a bank.

§ 201.71 Terms of letters of credit.

Any letter of credit issued, confirmed or advised under an A.I.D. letter of commitment and any agreement relating to such letter of credit or to instructions for payment issued by an approved applicant shall not be inconsistent with or contrary to the terms of the letter of commitment. Any such letter of credit or agreement may be modified or extended at any time in such a manner and to such extent as is acceptable to the approved applicant and the bank: *Provided*, That such modification or extension may not be inconsistent with or contrary to the terms of the letter of commitment. In the case of any inconsistency or conflict between the terms and conditions of the letter of commitment and the instructions of the approved applicant, the terms and conditions of the letter of commitment shall control.

§ 201.72 Making payments.

(a) *Collection of documents.* The bank shall be responsible for obtaining the documents specified in subpart F and in the letter of commitment when making payment under a letter of credit pursuant to instructions of an approved applicant.

(b) *Examination of documents other than Supplier's Certificate.* The bank shall examine the documents (other than the Supplier's Certificate and the Commodity Approval Application) to be submitted to A.I.D. in accordance with good commercial practice to determine whether such documents comply with the requirements of paragraphs (b) (1) through (7) of this section in the following particulars, and no other.

(1) *Shipment.* The documents submitted as evidence of the shipment of commodities under § 201.52(a)(4) shall be dated within the shipping period, if any, specified in the letter of commitment. The bill of lading shall contain the carrier's statement of charges whether or not freight is financed by A.I.D.

(2) *Source of commodities.* The documents submitted in connection with the claim for reimbursement on commodities may not indicate that the source of the commodities is inconsistent with the A.I.D. geographic code designation contained in the letter of commitment.

(3) *Destination.* The documents submitted shall indicate that the destination of the commodities, by shipment, transshipment, or reshipment, is the cooperating country named in the letter of commitment.

(4) *Description.* The documents shall describe and identify the commodities or services in a manner which, according to good commercial practice, is not inconsistent with the description contained in the letter of credit or payment instructions issued under a letter of commitment. The bank shall not be required to determine whether the supplier's invoice meets the detailed requirements of § 201.52(a)(2)(i).

(5) *Discounts and purchasing agents' commissions.* If the documents disclose that the invoice price includes either discounts or commissions payable to purchasing agents, the bank shall not

make payment of such discounts and commissions. In the absence of such information, however, the bank shall not be required to make independent inquiry as to whether the invoice price includes such items.

(6) *Certifications.* Each supplier's invoice presented for payment shall contain such other certifications as may be required in the letter of commitment. The bank shall accept only certifications which, to the best of its knowledge and belief, have been signed by hand.

(7) *Other requirements.* The documents submitted shall contain such other information as required by the letter of commitment, except that the bank shall have responsibility in this regard only to the extent specifically indicated in the letter of commitment.

(c) *Acceptance of certificates.* A bank shall not accept for submission to A.I.D. the original of the Supplier's Certificate, or the Commodity Approval Application, unless, to the best knowledge and belief of the bank, each such original has been signed by hand by the supplier and the Commodity Approval Application has been countersigned by A.I.D.

§ 201.73 Limitations on the responsibilities of banks.

The following general limitations on the responsibilities of banks issuing, advising, or confirming letters of credit and making payments under letters of credit or otherwise shall apply.

(a) *Sufficiency and completeness of documents.* Any document, including the Supplier's Certificate and the Commodity Approval Application, submitted by a bank to A.I.D. in support of a claim for reimbursement, shall be sufficient if it purports to be the sort required to be delivered and if it has been accepted by the bank in the ordinary course of business in good faith. Except as may be required in the discharge of its responsibilities under § 201.72 (b) and (c), the bank's right of reimbursement shall not be affected by the fact that any document required to be submitted by it is incomplete or may indicate noncompliance with any provision of this part.

(b) *Reimbursement right notwithstanding certain deficiencies.* A bank's right

to reimbursement from A.I.D. for payments which the bank has made will not be affected by the fact that the Commodity Approval Application or the Invoice-and-Contract Abstract on the reverse of the Supplier's Certificate may be incomplete, or may indicate noncompliance with any provision of this part 201, the letter of commitment, or any other implementing document, or may be inconsistent with other documents required for reimbursement.

(c) *Nonresponsibility of bank for truth or accuracy of statements or certifications.* The bank shall not be responsible for the truth or accuracy of any information or statement contained in any Supplier's Certificate or any other document certification to be submitted by it to A.I.D., notwithstanding any knowledge or information in the actual or constructive possession of the bank to the contrary. The bank shall not be obligated to look beyond the documents, including any certifications endorsed thereon, to be submitted by it or to make any independent investigation as to the truth or accuracy of any information or statement contained therein.

(d) *Protection of bank making payment.* Acceptance by the bank of any document in the ordinary course of business in good faith as being a genuine and valid document and sufficient in the premises, and the delivery thereof to A.I.D., shall constitute full compliance by the bank with any provision of this part, the letter of commitment requiring delivery of a document of the sort that the document actually so delivered purports to be. The bank shall be entitled to receive and retain reimbursement of the amount of all payments made by it against documents so accepted, notwithstanding that such payments may be made in connection with a purchase in excess of the price calculated in accordance with the applicable provisions of subpart G.

(e) *Payment to third persons.* The bank's right of reimbursement shall not be affected by the fact that payment is made to the approved applicant or at the request of the approved applicant or such beneficiary to a person other than the supplier under the contract to which such payment relates, if

the bank has complied with all other requirements of the letter of commitment and has satisfied itself in good faith that the person to whom it makes payment has, in turn, made payment to the supplier.

(f) *Bank procedures with regard to certain suppliers.* In the event a bank receives written advice from A.I.D. concerning special conditions which are applicable to transactions of particular suppliers, such bank will use reasonable care to maintain procedures designed to ensure that accommodations thereafter furnished by it with respect to such suppliers by means of the issuance, confirmation, advising or transfer of letters of credit, or the making of payments not under letters of credit shall reflect such special conditions. While banks are expected to comply with the foregoing obligation, a bank which has used reasonable care to establish and maintain such procedures will not be responsible for any inadvertent furnishing of any such accommodation not containing applicable special conditions or the making of payment thereunder. For the purpose of ascertaining whether the supplier is a person or organization subject to an A.I.D. advice concerning special conditions applicable to its transactions under this paragraph, a bank, in making payment under a letter of credit or otherwise, may consider as supplier the person or organization issuing the invoice.

(g) *Provision of implementing documents.* A bank shall not be responsible for compliance with any provision of an implementing document other than a letter of commitment.

§201.74 Additional documents for A.I.D.

In addition to the documents required for reimbursement, a bank shall retain in its files for a period of at least 3 years and shall make available to A.I.D. promptly upon request a copy of any of the following documents which may pertain to an A.I.D.-financed transaction:

- (a) Each letter of credit issued, confirmed, or advised by it, together with any extension or modification thereof;
- (b) Payment instructions received from the approved applicant;

(c) Each application and agreement relating to such letter of credit or instructions for payment, together with any extension or modification thereof;

(d) A detailed advice of the interest, commissions, expenses, or other items charged by it in connection with each such letter of credit or payment instructions.

§201.75 Termination or modification.

If A.I.D. directs that the delivery of commodities be terminated, orders that title to commodities be vested in it, or modifies any implementing document concerning the disposition of documents, A.I.D. shall give written notice thereof to the banks holding applicable letters of commitment and shall instruct each bank with regard to the disposition of documents. Each such bank shall be relieved of any liability whatsoever to the approved applicant for anything done or omitted to be done under instruction of A.I.D. Notwithstanding the foregoing, a bank shall comply with the instructions of A.I.D. only to the extent that it may do so without impairing or affecting any irrevocable obligation to any person or organization except an approved applicant, and in the event the bank shall incur any costs, expenses, or liabilities, including any liability to the approved applicant, it shall be repaid and reimbursed by A.I.D. in respect thereof.

Subpart I—Rights and Remedies of A.I.D., and Waiver Authority

§201.80 Purpose.

This subpart sets forth certain A.I.D. rights and remedies against borrower/grantees and suppliers, and prescribes certain general provisions relating to the waiver by A.I.D. of this part.

§201.81 Rights of A.I.D. against borrower/grantees.

If any transaction financed hereunder violates the requirements of this part or any U.S. statute or any rule or regulation of A.I.D. promulgated under any such statute, A.I.D. may require the borrower/grantee to refund the

amounts A.I.D. determines are attributable to such violation and may exercise any right of acceleration or termination contained in the implementing document. The borrower/grantee shall be deemed to have agreed to make such refund or accelerated payment promptly upon request by A.I.D. and shall be deemed to have consented to any modification of the implementing document determined by A.I.D. to be necessary to reflect any such refund or acceleration.

§ 201.82 Rights of A.I.D. against suppliers.

Without limiting the responsibility of the borrower/grantee or other parties, A.I.D. may require an appropriate refund to it by a supplier under any transaction which violates the requirements of this part, whenever in A.I.D.'s opinion the failure of the supplier to comply with the rules and other requirements of this part has contributed to such violation. Any refund requested will include interest from the time of payment to the supplier. Interest will be charged at the rate established by the Secretary of the Treasury in accordance with the Internal Revenue Code, 26 U.S.C. 6621(b).

§ 201.83 No waiver of alternative rights or remedies by A.I.D.

No right reserved to A.I.D. in this subpart to seek a refund from a borrower/grantee, and no exercise of such right, whether or not successful, shall in any way limit or affect, under the doctrine of the election of remedies or otherwise, A.I.D.'s rights against a supplier under this subpart I or under the

laws of the United States, or of any other country or political subdivision thereof, nor shall any right or remedy herein reserved to A.I.D. against a supplier in any way derogate from or otherwise limit any other rights or remedies which may accrue to A.I.D. under such laws.

§ 201.84 Limitation on period for making refund requests.

A.I.D. will endeavor, but shall not be bound, to make any requests for refunds from a borrower/grantee within three years from the date of the last disbursement of A.I.D. funds for the transaction to which such request relates.

§ 201.85 Legal effect of A.I.D. approvals and decisions.

In any transaction subject to this part 201, A.I.D. may reserve certain rights to approve the transaction for A.I.D.-financing. A.I.D., in reserving any approval rights, acts solely as a financing entity to assure the proper use of United States Government funds. Any decision by A.I.D. to exercise or refrain from exercising these approval rights shall be made as a financier and shall not be construed as making A.I.D. a party to the contract or incurring any liability to the parties jointly or to any of them.

§ 201.86 Waiver and amendment authority.

A.I.D. may waive, withdraw, or amend at any time any or all of the provisions of this part.

THE AGENCY FOR INTERNATIONAL DEVELOPMENT**

The supplier hereby acknowledges that the sum claimed on the accompanying invoice to be due and owing under the terms of the purchase contract identified on the reverse hereof ("said contract") is to be paid, in whole or in part, out of funds made available by the United States Agency for International Development (A.I.D.) under the Foreign Assistance Act of 1961, as amended. In consideration of the receipt of such sum, the supplier agrees with and certifies to A.I.D. as follows:

1. The undersigned is the supplier of the commodities or commodity-related services indicated in the Invoice-and-Contract Abstract on the reverse hereof, has complied with the applicable provisions of Regulation 1 (22 CFR Part 201), as in effect on the date hereof is entitled under said contract and under the applicable letter of credit, credit advice, or other payment instructions to payment of the sum claimed, and is executing this Certificate and Agreement to obtain such payment from A.I.D. funds.
2. On the basis of information from such sources as are available to the supplier upon reasonable investigation and to the best of its information and belief, the purchase price is not higher than the maximum price permitted under each of the applicable price rules of subpart G of A.I.D. Regulation 1.
3. The supplier will, upon request of A.I.D., promptly refund to A.I.D. any amount by which the purchase price exceeds the maximum price permitted under such provisions of subpart G of Regulation 1, plus interest from the time of payment to the supplier.
4. The supplier will, upon request of A.I.D., promptly make appropriate refund to A.I.D., plus interest from the time of payment to the supplier, in the event of
 - (a) its nonperformance, in whole or in part, under said contract, or including any failure to pay despatch or
 - (b) any breach by it of any of its undertakings in this Certificate and Agreement, or
 - (c) any false certification or representation made by it in this Certificate and Agreement or in the Invoice-and-Contract Abstract on the reverse hereof.
5. The amount shown on the reverse hereof in block 9c is net of all trade discounts, whether in the form of payments, credits, or allowances by the supplier or its agent to or for the account of the importer, including quantity and prompt payment discounts allowed other customers under similar circumstances. The supplier will promptly pay to A.I.D. (Office of Financial Management, A.I.D., Washington, D. C. 20523-0209) any adjustment refunds, credits, or allowances which hereafter become payable to or for the account of the importer arising out of the terms of said contract or the customs of the trade.
6. The supplier has complied with the provisions of Section 201.65 of A.I.D. Regulation 1 and has not compensated any person to obtain said contract except to the extent, if any, indicated on the reverse hereof.
7. The supplier or its agent has not given or received and will not give or receive a side payment, "kickback", commission, or any other payment, credit, allowance or benefit of any kind in connection with the said contract or any transaction or series of transactions of which said contract is a part, other than those payments or benefits permitted under Section 201.65 of A.I.D. Regulation 1 and those referred to in paragraphs 1 and 5 above.
8. Any commodity supplied under said contract
 - (a) is accurately described on the reverse hereof and, unless otherwise authorized by A.I.D., is new and unused, is not rebuilt or reconditioned, does not contain any rebuilt or reconditioned components, and has not been disposed of as surplus by any government agency; and
 - (b) on the basis of information from such sources as are available to the supplier upon reasonable investigation, and to the best of its information and belief, meets the requirements of Section 201.11(b) of A.I.D. Regulation 1 as to source, country where mined, grown, or produced, and limitation on components.

9. If the supplier is the producer, manufacturer, or processor of the commodity, said contract is not a cost-plus-percentage-of-cost contract.

10. The supplier will for a period of not less than three (3) years after the date hereof maintain all business records and other documents which bear on its compliance with any of the undertakings and certifications herein and will, at any time requested by A.I.D., promptly make such records and documents available to A.I.D. for examination and promptly furnish to A.I.D. additional information in such form as A.I.D. may request concerning the purchase price, the cost to the supplier of the commodities and/or commodity-related services involved, and/or any other facts, data, or business records relating to the supplier's compliance with its undertakings and certifications in this certificate and agreement.

11. The supplier has complied with the provisions contained and referred to in subpart D of A.I.D. Regulation 1.

12. The supplier was not ineligible to act as a supplier or otherwise participate in A.I.D.-financed transactions at the time of approval of the A.I.D. Commodity Approved Application.

13. The commodity supplier certifies that it has submitted a copy of every ocean bill of lading, applicable to the commodities and transactions described on the reverse hereof to: (i) the Maritime Administration, National Cargo Division, 400 Seventh Street, S. 14. The supplier has filled in all applicable portions of the Invoice-and-Contract Abstract on the reverse hereof and certifies to the completeness and correctness of the information shown therein.

"Socially disadvantaged" individuals are those who have been subjected to racial or ethnic prejudice or cultural bias because of their identity as a member of a group without regard to their qualities as individuals.

"Subcontinent Asian Americans" means United States citizens whose origins are in India, Pakistan, Bangladesh, Sri Lanka, Bhutan, or Nepal.

"Asian Pacific Americans" means United States citizens whose origins are in Japan, China, the Philippines, Vietnam, Korea, Samoa, Guam, the U.S. Trust Territory of the Pacific Islands (Republic of Palau), the Northern Mariana Islands, Laos, Kampuchea (Cambodia), Taiwan, Burma, Thailand, Malaysia, Indonesia, Singapore, Brunei, Republic of the Marshall Islands, or the Federated States of Micronesia.

15. Remarks and Additional Information

16. SUPPLIER'S CERTIFICATIONS

As a condition for securing a determination of commodity eligibility for funds made available by the United States under the Foreign Assistance Act of 1961, as amended, in payment in whole or in part in the transaction described and for the commodity identified on this form, the undersigned, acting on behalf of the supplier whose name appears in block 5 above and authorized to bind the supplier, agrees with and certifies to A.I.D. as follows:

1. The supplier has contracted with the Importer named in block 6 for the purchase of the commodity described on this form, and the supplier has either attached to this form a copy of such contract or has furnished in block 2 information concerning a letter of credit confirmed or advised in its favor under a payment obligation assumed by the Importer in the contract.

2. The supplier has filled in the applicable portions of this form and certifies to the correctness of the information shown herein.

3. The supplier agrees that the commodity will be shipped and invoiced in accordance with the information shown herein; that if any change in commodity identification takes place after A.I.D. has approved this transaction, the supplier will resubmit this form to A.I.D. for review and further approval for financing in light of the changed commodity; and that this Commodity Approval Application which the supplier proposes to use as a basis for securing payment from A.I.D. funds, is in every respect the original or true copy of the original application approved by A.I.D. The supplier acknowledges that any commodity, other than a commodity described on this form by the supplier and approved by A.I.D. below, is ineligible for A.I.D. financing with respect to the purchase transaction for which this form must be submitted as a condition for payment.

4. The supplier certifies that it is an individual citizen or lawfully admitted permanent resident of a country included in the authorized

source code; a corporation or partnership organized under the laws of a country included in the authorized source code and with a place of business in such country; or a controlled foreign corporation (within the meaning of § 957 et seq. of the Internal Revenue Code) as attested by current information on file with the Internal Revenue Service of the United States (on IRS Form 559, 2852, 3646, or any substitute or successor forms) submitted by shareholders of the corporation, or a joint venture or unincorporated association consisting entirely of individuals, corporations or partnerships which fit any of the foregoing categories. If the supplier is a controlled foreign corporation without a regular place of business in the United States, the supplier appoints any shareholder or officer thereof agent for the supplier to receive service of process in the United States in connection with any dispute arising between the supplier and A.I.D. and relating to the commodity sale financed by A.I.D.

5. The supplier has not, at the time of submission of this application, been debarred or suspended by A.I.D. or placed on the "Lists of Parties Excluded from Federal Procurement or Non-procurement Programs," published by the General Services Administration, or the Treasury Department's "Consolidated List of Designated Nationals," and thereby rendered ineligible to receive A.I.D. funds. To the best of its knowledge upon reasonable investigation, the supplier has not acquired, nor will it acquire, for resale under A.I.D. financing the goods described on this form from any supplier included on the "Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs," or included on the Treasury "Consolidated List of Designated Nationals" or from any affiliate of such a person.

6. The supplier acknowledges that this application, when approved, is not valid for shipments having a delivery date on or after the expiration date shown below.

17. A.I.D. APPROVAL

By the signature and seal which appear below, A.I.D. has given limited approval to the sale described on this form. This approval is limited strictly to a determination that the commodity which the supplier has described is of a description, condition, and source eligible for A.I.D. financing. This approval and determination of commodity eligibility do not represent an approval of the purchase price and do not in any way preclude an A.I.D. refund claim based

upon a detailed post-audit of the transaction in accordance with the provisions of A.I.D. Regulation 1 (22 CFR Part 201). A.I.D. expressly reserves such rights as it may have under that Regulation and under such other A.I.D. forms as the supplier may be required to submit by the terms of financing documents and by the terms of Regulation 1.

Requirement for Payment. Section 201.11(k) of A.I.D. Regulation 1 declares that a commodity purchase transaction is eligible for A.I.D. financing only if A.I.D. provides a determination of the commodity eligibility on the Commodity Approval Application. Section 201.52(a)(8) of the Regulation states that to secure payment a supplier must submit the signed original of this form, countersigned by A.I.D. As appropriate, a reproduced copy of the validated form, certified as provided in the second paragraph following, is required with each subsequent claim for partial shipments made under the original validated form AID-11. Alterations to Block 16 are not acceptable.

Approval by A.I.D. To secure A.I.D. approval, a supplier must submit the signed and properly executed original and one copy of the form, addressed to the Agency for International Development, Office of Procurement, Washington, D. C. 20523-1412. A.I.D. will indicate its approval in Block 18 of the form if the form is properly executed and if A.I.D. has no objection to financing the described commodity. If A.I.D. refuses approval, the Agency will return the form to the supplier with an explanation for refusal. In either case, an identification number will be assigned by A.I.D. In the upper right-hand corner of the form. Any follow-up correspondence between the supplier and A.I.D. should refer to this number.

Partial Shipments. In the event a supplier expects to make more

than one shipment under a single contract, letter of credit, or collection document, it may either submit a separate form AID-11 covering each shipment, or submit a single form AID-11 covering the entire contract. In the latter case, the original AID-approved form will be presented to the paying bank with the supplier's first request for payment and a reproduced copy of the approved form, properly certified in Block 18, will be presented with each request for payment for subsequent partial shipments. See detailed instructions for Block 8.

Duration of A.I.D. Approval. A.I.D. approval remains valid for 6 months as evidenced by the expiration date entered by A.I.D. in Block 17. If the letter of credit is valid for a longer period, upon request from the supplier and submission of a copy of the letter of credit, A.I.D. will provide an approved expiration date corresponding to the expiration date of the letter of credit. If the A.I.D. approval expires prior to delivery, the supplier must reapply for approval, making reference to the transaction number assigned by A.I.D.

Timing of Submission. Under letter of credit financing the application should be submitted subsequent to receiving confirmation or advice of credit, but prior to shipment. The form may, however, be submitted prior to receipt of such credit provided that an original or true copy of the purchase contract accompanies the application. Under any other method of financing, the application will be submitted following receipt of instructions that the transaction is to be A.I.D.-financed and must be accompanied by an original or true copy of the contract with the importer. The form should not be submitted prior to the time supplier is able to furnish all required information in Blocks 12 through 15.

Language. Every commodity description which appears on the form must be stated in English. If a supplier furnishes as an attachment to this form a contract in a language other than English, an English translation of the commodity description must also be furnished.

Completeness. All numbered Blocks MUST be fully and appropriately completed. If the application contains incomplete blocks, it will NOT be processed but will be returned for completion.

Obtaining Forms. Forms may be obtained in limited quantities from banks holding A.I.D. letters of commitment, field offices of the Department of Commerce, the A.I.D. office in the supplier's country, or the Resources Management Division, Agency for International Development, Washington, D. C. 20523-1410. A supplier may reproduce the form provided the reproduction is identical with the original copy in every respect, including size, color, and format. A supplier may overprint its name and address in Block 5.

INSTRUCTIONS RELATING TO SPECIFIC ITEMS

BLOCK 1: Enter the letter of commitment number. If not available, enter the loan or grant agreement number. A.I.D. cannot act on an application unless one of these numbers is provided.

BLOCK 2: Indicate the method of financing. If by letter of credit, enter the letter of credit number assigned by the U.S. bank, the date the bank issued, advised, or confirmed the letter of credit, and the name and address of the bank concerned. If the application is submitted prior to receipt of this information, enter the words "Firm contract" and attach a copy of the contract.

If the transaction is not to be financed by letter of credit, enter the applicable payment terms (e.g., sight draft collection, open account) and attach a copy of the contract.

BLOCK 3: The importer should provide the supplier with this information. Generally the import license number appears on the letter of credit. If the information is not known or is not available at the time of submission of the application, enter "Unknown." (In some cases it may be necessary for A.I.D. to require this information before approving the application.)

Enter "N/A" (not applicable) if the importer has not been required by its government to secure an import license.

BLOCK 4: Check the appropriate box to indicate the supplier's relationship to a country or area in the authorized source code. This information relates to certification 4 in block 16. If "Other" is checked, furnish explanation of relationship in block 15.

BLOCK 5: Enter name and address. Please center the information in order to permit A.I.D. to use a window envelope in returning the form.

BLOCK 7: Enter the total purchase price, i.e., the total remuneration (in whatever currency and whether to be paid directly to the supplier or in whole or in part to a designee of the supplier) to be received under the contract. Enter contract date or date pro forma invoice was accepted.

AID 11 (6-90)

BLOCK 8: (a) Check the appropriate box to indicate whether the supplier expects to make partial shipments. If "yes" and a separate application form will be submitted for each partial shipment, enter the value of the shipment to which this application relates if only one application form will be submitted to cover all partial shipments, omit the dollar value.

(b) Enter the proposed loading port. If only the range of ports is known, enter the range of ports; e.g., North Atlantic, South Atlantic, Gulf, Pacific, Great Lakes. If expected that partial shipments will be made, but only one application form is to be submitted, entries under (b) and (c) will relate to the first shipment only.

(c) Enter the proposed destination port.

(d) Enter the month in which it is expected shipment will be made. In the case of partial shipments, indicate the estimated first and last months of shipments; e.g., April-September.

BLOCKS 9 and 10: Enter the U.S. Department of Commerce Schedule B 10-digit code in block 9 and describe the commodity in block 10, giving size, quantity, and a clear word description of the commodity. Including any special formula or other distinguishing characteristics, such as substandard quality (e.g., reject, imperfect, second) which will help to identify it.

If the contract or letter of credit identifies the commodity by other than Schedule B code (e.g., importing country tariff classification), this identification should be furnished as part of the commodity description.

If the commodity description varies significantly within the same Schedule B Code, separate entries must be furnished for each commodity.

BLOCK 11: Enter the unit and unit price for the commodity on an FAS or FOB basis for the loading port specified in block 8.(b). For other delivery terms, enter a constructive price FAS or FOB vessel; i.e., subtract from a C&F or CIF price estimated ocean freight and marine insurance, or add to an inland price (e.g., ex plant, FOB rail cars (named point)) the estimated inland freight and accessorial costs necessary to place the commodity in the custody of the ocean carrier.

If the supplier is unable to compute a unit price FAS or FOB vessel, the unit price of the commodity may be shown on the basis of the inland price with estimated inland freight cost, if available, footnoted in an explanatory entry in block 15.

SPECIAL INSTRUCTIONS--MULTIPLE ITEMS: If the shipment (or contract) is made up of commodities bearing differing Schedule B codes, or if the commodity description varies significantly within the same Schedule B code, separate entries must be furnished for each code or description. When there are six or more items to be listed in blocks 9 through 11, a signed and dated accepted contract, order, invoice, or other separate listing of the information may be attached to the original and copy of the form AID 11, provided the full 10-digit Schedule B code, complete and accurate description of the commodity, and FAS or FOB vessel unit price are shown for each. If the information required by Blocks 12 through 14 is not common to all commodities listed, appropriate information related to each such commodity is also required to be shown either on the attachment or in the blocks 12 through 14 and related to the appropriate line of the attachment. If an attachment is used in lieu of entry of the information on form AID-11, complete blocks 9-11 inclusive, and 12-14 inclusive (when applicable) by entering the words "See attachment."

SPECIAL INSTRUCTIONS--BLOCKS 12 through 14: If more than one commodity is listed in block 9, provide information required by blocks 12 through 14 on separate lines in those blocks, identified to the corresponding line on which the commodity is listed in block 9. For example, information concerning a commodity listed on line (c) in block 9 would be identified as line (c) in block 12 through 14. When only one form AID-11 is submitted, information in these blocks should be descriptive of the total contract. If a separate form

OMB No. 0412-0004
Expiration Date: 5/31/93

AID-11 is submitted for each shipment under the contract, the information in these blocks should cover only that single shipment.

BLOCK 12: Enter check mark in the appropriate box to indicate the condition of the commodity. If the commodity is other than new and unused, describe the condition in the space below or in block 15. For this purpose, any commodity declared surplus by the U. S. Government agency and any commodity which has been rebuilt or reconditioned or contains components which have been rebuilt or reconditioned are not considered as "unused."

BLOCK 13: See § 201.11(b)(4) of A.I.D. Regulation 1 for countries and areas included in geographic code numbers.

(a) Enter in block 13(a) the authorized geographic source area stated in the letter of credit or A.I.D. direct letter of commitment.

(b) Enter in block 13(b) the country from which the commodity will be shipped to the importer. If the commodity will be shipped from a free port or bonded warehouse, indicate this fact in block 16 and give location.

(c) Enter in block 13(c) the country in which the commodity has been or will be mined, grown, or produced through manufacturing, processing or assembly.

BLOCK 14: (a) Enter in block 14(a) "Yes" if the commodity includes components imported into the country of production from a country not included in the authorized geographic source area indicated in block 13(a). If such components are not included, enter "no."

(b) If block 14(a) "Yes," identify in block 14b each country from which components were imported into the country of production.

(c) In block 14(c), enter the total cost, within each unit of the finished product, attributable to components imported from each country indicated in blocks 14(b). If the suppliers unable to furnish the information required by block 14(b) and 14(c) at the time of submission of the application and no componentry percentage other than the 50 percent set forth in § 201.11(b)(2)(4)(b) of A.I.D. Regulation 1 has been authorized for the commodity, A.I.D. will accept a statement in these blocks or in block 15 that (1) the commodity contains no components from other than "free world" countries, and (2) the total cost of components imported into the country of production from other than countries included in the authorized geographic source code (or the cooperating country itself whenever Code 941 is authorized) per unit of finished commodity is no more than 50 percent of the lowest selling price per unit at which the supplier makes the commodity available for export. If A.I.D. has authorized a percentage of such components other than 50 percent, the supplier should state such other higher or lower modification of the percentage rule, with a citation to the pertinent modification, and the actual percentage of such components in the product, or an affirmation that the percentage of such components is not in excess of the percentage allowed by A.I.D. The supplier should thereafter be prepared to demonstrate the accuracy of these statements upon the request of A.I.D.

BLOCK 15: This block may be used to furnish explanation or additional information in connection with any entries on the form. Identify block (and line, as appropriate) to which entry relates.

BLOCK 16: The supplier, or its authorized representative, must manually sign this certification, showing name, title and date signed.

BLOCK 17: For A.I.D. use. Note that A.I.D. approval is not valid for deliveries on and after the expiration date shown in this block.

BLOCK 18: If reproduced copies of this original form are presented with the supplier's request for payment (see fifth paragraph of General Instructions), the supplier or its authorized representative must manually sign this certification in block 18 of the reproduced form, showing name, title and the date signed.

AUTHORITY: Sec. 621, Foreign Assistance Act of 1961, as amended (22 U.S.C. 2381).

SOURCE: 48 FR 2760, Jan. 21, 1983, unless otherwise noted.

§ 203.1 Purpose.

(a) AID maintains two registries of PVOs engaging in, or intending to engage in, voluntary foreign aid operations—one of U.S., the other of foreign PVOs. The registry facilitates cooperation between AID and the non-profit private sector by providing a mechanism for identifying which organizations are eligible for AID resources intended for PVOs.

(b) Registration is a condition of eligibility for assistance under sections 123b and 607(a) of the FAA (the payment of transportation charges and the sale of services or commodities such as excess property) and confers a preference for assistance under section 202 of Pub. L. 480. Other eligibility requirements apply, however, including a program review.

(c) Registration is a condition of eligibility for assistance under the “PVO grant program.” However, it is only one of several eligibility requirements for such assistance. Others include: (1) Program review; (2) pre-grant award review, including compliance with OMB Circulars A-110 and A-122; and (3) funding requirements of section 123(g) of the FAA.

(d) The registry serves as the basis for computing the amount of AID funding made available to PVOs.

(e) Registration provides the information necessary to determine whether a PVO meets the funding requirements of section 123(g) of the FAA. Section 123(g) provides that a PVO must obtain at least 20 percent of its total annual financial support for its international activities from sources other than the United States Government to be eligible to receive funding under the PVO grant program. Further, a preference is given to those PVOs

which receive cash from private, i.e., nongovernmental, sources.

(f) It is not the purpose of registration to make, or enable to be made, any representation to the public concerning the meaning of being registered.

(g) Definitions: As used in this part:

(1) *AID* means Agency for International Development.

(2) *FAA* means the Foreign Assistance Act of 1961, as amended, 22 U.S.C. 2151 *et seq.*

(3) *Funds from private U.S. sources* means cash contributions received from private nongovernmental U.S. sources, e.g., private individuals, groups, foundations and corporations. Cash contributions received directly or indirectly from the U.S. Government, state or local governments, the United Nations and other public international organizations, and foreign governments, institutions and individuals are not included. All in-kind contributions are excluded.

(4) *Overseas program costs* means the costs of all voluntary foreign aid operations conducted outside the U.S. and includes that portion of applicable indirect costs incurred in the U.S. (excluding fund-raising costs) necessary to carry out those voluntary foreign aid operations.

(5) *Pub. L. 480* means the Agricultural Trade and Development Assistance Act of 1954, as amended, 7 U.S.C. 1691 *et seq.*

(6) *PVO* means private and voluntary organizations.

(7) *PVO grant program* means those grants which AID has determined as a matter of policy can be made to only those PVOs which are registered and which meet the funding requirements of section 123(g) of the FAA, 22 U.S.C. 215u(g).

(8) *Subventions* means (i) The payment of transportation charges under section 123(b) of the FAA, 22 U.S.C. 215u(b); (ii) The sale of services or commodities, e.g., excess property, under section 607(a) of the FAA, 22 U.S.C. 2357(a); and (iii) The furnishing of agricultural commodities under section 202 of Pub. L. 480, 7 U.S.C. 1722.

§203.2 Conditions of registration and documentation requirements for U.S. private and voluntary organizations.

An applicant shall be registered with A.I.D. as a U.S. PVO if A.I.D. finds that the applicant has satisfied all the conditions and documentation requirements of registration listed below. An applicant seeking registration shall submit to A.I.D., Washington, DC 20523, the documentation listed below accompanied by a letter stating the reasons for seeking registration signed by its chief executive officer and supported by a resolution of its governing body. In addition, the applicant shall submit such other information as A.I.D. may reasonably require to determine if the applicant should be registered.

(a) *Condition and documentation requirement no. 1—(1) Condition.* That the applicant is a private nongovernmental organization which is organized under U.S. law and maintains its principal place of business in the United States and is not a university, college, accredited degree-granting institution of education, private foundation, organization engaged exclusively in research or scientific activities, church, or organization engaged exclusively in religious activities.

(2) *Documentation requirement.* Articles of incorporation, bylaws, relevant documents establishing its legal status, and a statement as to the location of the organization's principal offices.

(b) *Condition and documentation requirement, no. 2—(1) Condition.* That the applicant receives funds from private U.S. sources, as defined in paragraph (g)(3) of §203.1.

(2) *Documentation requirement.* The latest audited financial statement (see Condition No. 6 at §203.2(f) of this section).

(c) *Condition and documentation requirement no. 3—(1) Condition.* That the applicant is a nonprofit organization and has a tax exemption under any one of the following provisions of the Internal Revenue Code: section 501(c)(3), except private foundations under section 509(a)(2); as a social welfare organization under section 501(c)(4); section 501(c)(5); or section 501(c)(6).

(2) *Documentation requirement.* IRS Statement of Tax Exemption, and a copy of IRS Form 990 or 990-PF "Return of Organization Exempt from Income Tax," or one comparable to the Internal Revenue Service document.

(d) *Condition and documentation requirement no. 4—(1) Condition.* That the applicant is a voluntary organization, i.e., receives voluntary contributions of money, staff time or in-kind support from the general public.

(2) *Documentation requirement.* Latest annual report (or similar document) and audited financial statement (see Condition No. 6 at § 203.2(f)).

(e) *Condition and documentation requirement no. 5—(1) Condition.* That the applicant is, or anticipates becoming, engaged in voluntary charitable or development assistance operations abroad (other than religious), including but not limited to services of relief, rehabilitation, disaster assistance, development assistance, welfare, training, or program support and coordination for such services, in the fields of health, education, population planning, nutrition, agriculture, industry, environment, ecology, refugee services, emigration, resettlement, and development of capacities in indigenous PVOs and institutions to meet basic human needs; and that such operations are consistent with its articles of incorporation and related documentation included in the application, and with the broad purposes of the Foreign Assistance Act and Pub. L. 480.

(2) *Documentation requirement.* Latest annual report (or similar document) describing the development assistance operations. For organizations who anticipate initiating overseas activities, a statement should be included in the letter accompanying the registration documentation describing steps taken to date to undertake a program of development assistance overseas.

(f) *Condition and documentation requirement no. 6—(1) Condition.* That the applicant accounts for its funds in accordance with generally accepted accounting principles ("GAAP"); has a sound financial position as evidenced by its audited financial statements; and exercises financial planning through the preparation of an annual

budget for the year subsequent to that covered in the annual audit.

(i) Further tests of the financial management systems of a PVO are part of the A.I.D. pre-grant award process. In judging the financial management systems of grant applicants the requirements set by the Office of Management and Budget (OMB) Circular A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and other Nonprofit Organizations," Attachment F, "Standards for Financial Management Systems" will apply, and by reference, OMB Circular A-122 "Cost Principles for Nonprofit Organizations" will also apply. The determination as to whether an applicant can conform to these requirements is made through a pre-grant award review which is the responsibility of the grant officer with information provided by the A.I.D. Inspector General.

(2) *Documentation requirement.* The most recent audited financial statement including Balance Sheet, Statement of Support, Revenue and Expenditure and Statement of Change in Financial Position prepared in accordance with generally accepted accounting principles ("GAAP") disclosing administrative, program, and fund-raising costs; and separately disclosing overseas program costs and sources and amounts of funds received for overseas programs. The audit shall be conducted by an independent Certified Public Accountant in accordance with the generally accepted auditing standards ("GAAS") of the "Statement on Auditing Standards" of the American Institute of Certified Public Accountants. A budget for the year subsequent to that covered in the year reported in a format consistent with the audit, including the detailing of anticipated amounts and sources of support and revenue.

(i) New organizations which have been incorporated less than a year must provide an independent CPA's statement that financial statements can be prepared in accordance with GAAP, along with an unaudited financial statement covering the period between incorporation and application for registration. The CPA's statement for new organizations will also indicate

whether the organization has installed internal controls to enable the execution of an audit in accordance with the applicable auditing standards at the end of the first year of operations.

(g) *Condition and documentation requirement no. 7*—(1) *Condition*. That the applicant has a Board of Directors which meets at least annually, whose members serve without compensation for such services, and that paid officers or staff members do not constitute a majority in any decision.

(2) *Documentation requirement*. A statement indicating that paid officers or staff members who serve on the Board do not constitute a majority in any decision and members of the governing body receive no compensation for their services on that body; the names and addresses of members; and minutes of meetings or excerpts from minutes which demonstrate that the Board holds meetings at least annually.

(h) *Condition and documentation requirement no. 8*—(1) *Condition*. That the applicant expends and distributes its funds and resources in accordance with the stated purposes of the organization, without unreasonable cost for salaries, promotion, publicity, fund raising and administration, at home or abroad, and provides public disclosure of its financial circumstances.

(i) In determining whether an applicant obtains, expends, and distributes its funds without unreasonable cost for promotion, publicity, fund raising, and administration, A.I.D. shall consider fund raising costs as presumptively unreasonable if they exceed 20 percent of the total cash and in-kind contributions to the organization (as reflected in the audited financial statement).

(ii) An applicant for registration or a registered agency whose fund raising costs exceed the 20 percent limitation must demonstrate that such costs are not unreasonable in light of the nature of the organization's operations. Upon such a showing, A.I.D. may permit exceptions to the 20 percent limitation on a case-by-case basis.

(iii) *Contributions* as used in this section, include U.S. Government financial support, both cash and in-kind, as well as private support; similarly, it is expected that fund raising costs will

include costs incurred in securing government contributions.

(2) *Documentation requirement*. A certification that audited financial statements are available to the public upon request and a statement indicating salaries and allowances of the top five principal headquarters positions (determined by salary level) and country director positions. When provided directly by the applicant, salaries and/or allowances may be valued at actual cost; when provided by the recipient country or local institution, they may be valued at fair market value. Any other documentation or evidence which the applicant wishes to submit addressing the degree to which annual program spending has been consistent with the stated purposes of the organization and annual expenses are reasonable in amount.

§ 203.3 Annual requirements.

In order to maintain its registration, each registered PVO shall submit annually, within 180 days after the close of the fiscal year, the following documents: An independently audited financial statement; a report of income and expenditures (A.I.D. Form 1550-2), which is relatable to the audited financial statements; an annual report (or similar document); a copy of IRS Form 990 or 990-PF; a budget for the new fiscal year; and a statement that all other circumstances described in the original registration material remain unchanged except as noted. A.I.D. may revise the above list of documents from time to time. In addition, each registrant shall submit such other information as A.I.D. may reasonably require to determine that the organization continues to meet the conditions of registration.

§ 203.4 Certificates of registration.

Certificates of Registration will be issued by A.I.D. to applicants which A.I.D. finds satisfy the conditions and documentation requirements for registration set forth in § 203.2.

§ 203.5 Denial of registration and reconsideration.

(a) *Notification of denial of registration*. If A.I.D. decides to deny an applicant

§ 203.6

registration, the applicant will be informed in writing of the denial with a specific statement of those conditions and documentation requirements of registration in §203.2 that the applicant has failed to satisfy.

(b) *Reconsideration.* An applicant may, within 30 days after receipt of a notification of denial of registration, request that A.I.D. reconsider its application for registration and may submit additional information to A.I.D. bearing on its suitability for registration. An applicant requesting reconsideration will be informed in writing of A.I.D.'s decision upon reconsideration. In addition, A.I.D. may, at its own discretion, reconsider a denial of registration at any time.

(c) An applicant may resubmit an application for registration in accordance with §203.2 at any time.

§203.6 Registration of foreign private and voluntary organizations.

(a) For the purpose of this part, foreign PVOs shall consist of the following:

(1) An "indigenous" PVO is a non-U.S. PVO which conducts operations in the country under the laws of which it is organized.

(2) A "regional" PVO is a non-U.S. PVO that is organized under the laws of a country in an A.I.D. geographic region, and conducts operations in more than one country in that region but not in more than one such region.

(b) Foreign PVOs shall be registered in accordance with guidance for eligibility of non-U.S. private and voluntary organizations for participation in A.I.D.-supported programs approved by the Deputy Administrator of A.I.D., March 15, 1978 and A.I.D. handbooks, policies, regulations (published or otherwise) and procedures as they may be

22 CFR Ch. II (4-1-97 Edition)

amended, supplemented or supported from time to time.

§203.7 Termination of registration.

(a) Registration shall remain in force until: (1) Relinquished voluntarily by the registrant upon written notice to A.I.D.; or

(2) Terminated by A.I.D. for failure of the registrant to fulfill and maintain the conditions of registration.

(b) Termination proceedings pursuant to paragraph (a)(2) of this section shall include prior written notice to the registrant of the grounds for the proposed termination and opportunity for the registrant to file a written statement as to why its registration should not be terminated.

§203.8 Delegation of authority.

(a) The authority to register and to terminate registrations is delegated to: (1) The Assistant Administrator for Food for Peace and Voluntary Assistance, or his/her designee for U.S., international, and third country PVOs.

(2) The Regional Assistant Administrator, or their designees, for regional PVOs within their respective regions; and

(3) The principal A.I.D. officer, or, if there is none, the United States Ambassador, or their designees, for indigenous PVOs.

(b) Notices of registration and terminations of registration issued by the officials in paragraphs (a) (2) and (3) of this section will be forwarded to the Bureau for Food for Peace and Voluntary Assistance within 30 days for inclusion in the registry.

Subpart B—The Guaranty

§ 204.11 The Guaranty.

Subject to these standard terms and conditions, the United States of America, acting through A.I.D., agrees to pay to any Lender or Assignee who has been determined to be an Eligible Investor compensation in Dollars equal to its Loss of Investment under the Eligible Note; provided, however, that no such payment shall be made for any such loss arising out of fraud or misrepresentation for which such Lender or Assignee is responsible or of which it had knowledge at the time it became such Lender or Assignee.

This Guaranty shall apply to each Eligible Note registered on the Note Register required to be maintained by the Paying Agent.

§ 204.12 Guaranty eligibility.

(a) Eligible Notes only may be guaranteed hereunder, and Eligible Investors only are entitled to the benefits of this Guaranty. Notes in order to achieve Eligible Note status must be signed on behalf of the Borrower, manually or in facsimile, by a duly authorized representative of the Borrower; and they must contain a guaranty legend incorporating these standard terms and conditions signed on behalf of A.I.D. by either a manual signature or a facsimile signature or an authorized representative of A.I.D. together with a certificate of authentication manually executed by a Paying Agent whose appointment by the Bor-

rower is consented to by A.I.D. in a Paying and Transfer Agency Agreement.

§ 204.13 Non-impairment of the guaranty.

The full faith and credit of the United States of America is pledged to the performance of this Guaranty. The Guaranty shall not be affected or impaired by any defect in the authorization, execution, delivery or enforceability of any agreement or other document executed by the Lender, A.I.D., the Paying Agent or the Borrower in connection with the transactions contemplated by this Guaranty. This non-impairment of the guaranty provision shall not, however, be operative with respect to any amount arising out of fraud or misrepresentation for which the Lender or Assignee is responsible or of which it had knowledge prior to the time it became such Lender or Assignee.

§ 204.14 Transferability of guaranty; Note Register.

The Lender of any Assignee may assign, transfer or pledge the Eligible Notes to any Eligible Investor. Any such assignment, transfer or pledge shall be effective on the date that the name of the new Assignee is entered on the Note Register required to be maintained by the Paying Agent pursuant to the Paying and Transfer Agency Agreement. A.I.D. shall be entitled to treat the persons in whose names the Eligible Notes are registered as the owners thereof for all purposes of this Guaranty and A.I.D. shall not be affected by notice to the contrary.

§ 204.15 Paying agent obligations.

Failure of the Paying Agent to perform any of its obligations pursuant to

the Paying and Transfer Agency Agreement shall not impair the Investor's or any Assignee's rights under this Contract of Guaranty, but may be the subject of action for damages against the Paying Agent by A.I.D. as a result of such failure or neglect; provided, however, that the Paying Agent is not authorized to issue and authenticate and have Notes outstanding at any time in excess of the principal amount of the Loan.

Subpart C—Procedure for Obtaining Compensation

§204.21 Event of default; Application for compensation; Payment.

(a) Within one year after an Event of Default, as this term is defined in an Eligible Note, the Lender or Assignee may file with A.I.D. an Application for Compensation in form as provided in Exhibit A. A.I.D. shall make the required payment not later than sixty (60) days after the Date of Application unless A.I.D. has cured the default under §204.22.

(b) *Guaranty Payment.* On or before the Guaranty Payment Date, the Applicant shall tender assignment of all Applicant's right, title and interest as of the Date of Application in and to all sums for which Application has been made. A.I.D. shall accept the assignment and pay or cause to be paid to Applicant and compensation due to the Applicant pursuant to the Guaranty.

§204.22 Right of A.I.D. to cure default.

Within sixty (60) days after the Date of Application for Compensation, A.I.D. may at any time make payments to the Lender or any Assignee equal to all installments of principal due and unpaid under any Note (other than installments whose maturity has been accelerated), together with interest on the unpaid principal amount of the Note to the date of such payment by A.I.D., and any Further Guaranteed payments due and unpaid, and thereby prevent or cure any default under the Note. Sec.

- 206.1 Purpose and scope.

§ 206.1

22 CFR Ch. II (4–1–97 Edition)

206.3 Procedure in the event of a demand for production or disclosure.

206.4 Procedure where a decision concerning a demand is not made prior to the time a response to the demand is required.

206.5 Procedure in the event of an adverse ruling.

206.6 Considerations in determining whether production or disclosure should be made pursuant to a demand.

AUTHORITY: Sec. 621, Foreign Assistance Act of 1961, as amended, 75 Stat. 424 (22 U.S.C. 2381).

SOURCE: 53 FR 24260, June 28, 1988, unless otherwise noted.

§ 206.1 Purpose and scope.

(a) This part sets forth the procedures to be followed in proceedings in which the U.S. Agency for International Development (the “Agency”) is not a party, whenever a subpoena, order or other demand (collectively referred to as a “demand”) of a court or other authority set forth in § 206.1(d) of this part is issued for the production or disclosure of (1) any material contained in the files of the Agency, (2) any information relating to material contained in the files of the Agency, or (3) any information or material acquired by any person while such person was an employee of the Agency as a part of the performance of his official duties or because of his official status.

(b) For purposes of this part, the term “employee of the Agency” includes all officers and employees of the Agency appointed by, or subject to the supervision, jurisdiction or control of, the Administrator of the Agency, including personal services contractors.

(c) This part is intended to provide instructions regarding the internal operations of the Agency, and is not intended, and does not and may not be relied upon, to create any right or benefit, substantive or procedural, enforceable at law by a party against the Agency.

(d) This part applies to:

(1) State and local court, administrative and legislative proceedings.

(2) Federal court and administrative proceedings.

(e) This part does not apply to:

(1) Congressional requests or subpoenas for testimony or documents.

(2) Employees or former employees making appearances solely in their pri-

vate capacity in legal or administrative proceedings that do not relate to the Agency (such as cases arising out of traffic accidents, domestic relations, etc.). Any question whether the appearance relates solely to the employee’s or former employee’s private capacity should be referred to the General Counsel or his designee.

(f) Nothing in this part affects disclosure of information under the Freedom of Information Act, 5 U.S.C. 552, the Privacy Act, 5 U.S.C. 552a, the Sunshine Act, 5 U.S.C. 552b, or the Agency’s implementing regulations. Nothing in this part otherwise permits disclosure of information by the Agency except as is provided by statute or other applicable law.

§ 206.2 Production or disclosure prohibited unless approved by the General Counsel.

No employee or former employee of the Agency shall, in response to a demand of a court or other authority set forth in § 206.1(d), produce any material or disclose any information described in § 206.1(a) without the approval of the General Counsel or his designee.

§ 206.3 Procedure in the event of a demand for production or disclosure.

(a) Whenever an employee or former employee of the Agency receives a demand for the production of material or the disclosure of information described in § 206.1(a), he shall immediately notify and provide a copy of the demand to the General Counsel or his designee. The General Counsel, or his designee, shall be furnished by the party causing the demand to be issued or served a written summary of the information sought, its relevance to the proceeding in connection with which it was served and why the information sought is unavailable by any other means or from any other sources.

(b) The General Counsel, or his designee, in consultation with appropriate Agency officials, and in light of the considerations listed in § 206.6, will determine whether the person on whom the demand was served should respond to the demand.

(c) To the extent he deems it necessary or appropriate, the General

Counsel, or his designee, may also require from the party causing such demand to be issued or served a plan of all reasonably foreseeable demands, including but not limited to names of all employees and former employees from whom discovery will be sought, areas of inquiry, length of time of proceedings requiring oral testimony and identification of documents to be used or whose production is sought.

§206.4 Procedure where a decision concerning a demand is not made prior to the time a response to the demand is required.

If the response to the demand is required before the instructions from the General Counsel, or his designee, are received, an attorney designated by the Department of Justice for the purpose shall appear with the employee or former employee upon whom the demand has been made, and shall furnish the court or other authority with a copy of the regulations contained in this part and inform the court or other authority that the demand has been, or is being, as the case may be, referred for the prompt consideration of the General Counsel and shall respectfully request the court or other authority to stay the demand pending receipt of the requested instructions.

§206.5 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with §206.4 pending receipt of instructions, or if the court or other authority rules that the demand must be complied with irrespective of instructions not to produce the material or disclose the information sought, the employee or former employee upon whom the demand has been made shall respectfully decline to comply with the demand, citing this part and *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951).

§206.6 Considerations in determining whether production or disclosure should be made pursuant to a demand.

(a) In deciding whether to make disclosures pursuant to a demand, the

General Counsel, or his designee, may consider, among things:

(1) Whether such disclosure is appropriate under the rules of procedure governing the case or matter in which the demand arose, and

(2) Whether disclosure is appropriate under the relevant substantive law concerning privilege.

(b) Among the demands in response to which disclosure will not be made are those demands with respect to which any of the following factors exist:

(1) Disclosure would violate a statute or a rule of procedure,

(2) Disclosure would violate a specific regulation,

(3) Disclosure would reveal classified information, unless appropriately declassified by the originating agency,

(4) Disclosure would reveal trade secrets or proprietary information without the owner's consent,

(5) Disclosure would otherwise adversely affect the foreign policy interests of the United States or impair the foreign assistance program of the United States, or

(6) Disclosure would impair an ongoing Inspector General or Department of Justice investigation.

PART 207—INDEMNIFICATION OF EMPLOYEES

§207.01 Policy.

(a) A.I.D. may indemnify, in whole or in part, its employees (which for the purpose of this regulation includes former employees) for any verdict, judgment or other monetary award which is rendered against any such employee, provided that the conduct giving rise to the verdict, judgment or award was taken within the scope of his or her employment with the Agency and that such indemnification is in the interest of the United States, as determined by the Administrator, or his or her designee, in his or her discretion.

(b) A.I.D. may settle or compromise a personal damage claim against its employee by the payment of available funds, at any time, provided the alleged conduct giving rise to the personal damage claim was taken within the scope of employment and that such

§ 207.01

settlement or compromise is in the interest of the United States, as determined by the Administrator, or his or her designee, in his or her discretion.

(c) Absent exceptional circumstances, as determined by the Administrator or his or her designee, A.I.D. will not entertain a request either to agree to indemnify or to settle a personal damage claim before entry of an adverse verdict, judgment or monetary award.

(d) When an employee becomes aware that an action has been filed against the employee in his or her individual capacity as a result of conduct taken within the scope of his or her employment, the employee should immediately notify A.I.D. that such an action is pending.

(e) The employee may, thereafter, request either: (1) Indemnification to satisfy a verdict, judgment or award entered against the employee or (2) payment to satisfy the requirements of a settlement proposal. The employee shall submit a written request, with documentation including copies of the verdict, judgment, award or settlement proposal, as appropriate, to the General Counsel. The General Counsel may also seek the views of the Department of Justice. The General Counsel shall forward the request and the General Counsel's recommendation to the Administrator for decision.

(f) Any payment under this part either to indemnify an employee or to settle a personal damage claim shall be contingent upon the availability of appropriated funds.

(i) Statutory entitlements or mandatory awards (but not subtler awards thereunder which are not themselves

mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) *Relationship to other sections.* This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, "Effect of Action," § 208.200, "Debarment or suspension," sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in § 208.110(a). Sections 208.325, "Scope of debarment," and 208.420, "Scope of suspension," govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) *Relationship to Federal procurement activities.* In accordance with E.O. 12689 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for Executive Branch agencies and participants as an exclusion under this regulation. Simi-

larly, any debarment, suspension or other governmentwide exclusion initiated under this regulation on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

§ 208.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and these regulations, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government's protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in these regulations.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§ 208.200 Debarment or suspension.

(a) *Primary covered transactions.* Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to § 208.215.

(b) *Lower tier covered transactions.* Except to the extent prohibited by law,

persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see § 208.110(a)(1)(ii)) for the period of their exclusion.

(c) *Exceptions.* Debarment or suspension does not affect a person's eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual's present responsibility (but benefits received in an individual's business capacity are not excepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

§ 208.205 Ineligible persons.

Persons who are ineligible, as defined in § 208.105(i), are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 208.210 Voluntary exclusion.

Persons who accept voluntary exclusions under § 208.315 are excluded in accordance with the terms of their settlements. A.I.D. shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 208.215 Exception provision.

Peace Corps may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and § 208.200. However, in accordance with the President's stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with § 208.505(a).

[60 FR 33041, 33045, June 26, 1995]

§ 208.220 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in § 208.215.

[60 FR 33041, 33045, June 26, 1995]

§ 208.225 Failure to adhere to restrictions.

(a) Except as permitted under § 208.215 or § 208.220, a participant shall not knowingly do business under a covered transaction with a person who is—

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or

(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

Subpart C—Debarment

§ 208.300 General.

The debarring official may debar a person for any of the causes in § 208.305, using procedures established in §§ 208.310 through 208.314. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person's acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 208.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§ 208.300 through 208.314 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State anti-trust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property,

making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4;

(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in § 208.215 or § 208.220;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor's legal and administrative remedies have been exhausted;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 208.315 or of any settlement of a debarment or suspension action; or

(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in § 208.615 of this part.

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

[53 FR 19179 and 19204, May 26, 1988, as amended at 54 FR 4955, Jan. 31, 1989]

§ 208.310 Procedures.

A.I.D. shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 208.311 through 208.314.

§ 208.311 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 208.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

- (a) That debarment is being considered;
- (b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;
- (c) Of the cause(s) relied upon under § 208.305 for proposing debarment;
- (d) Of the provisions of §§ 208.311 through 208.314, and any other A.I.D. procedures, if applicable, governing debarment decisionmaking; and
- (e) Of the potential effect of a debarment.

§ 208.313 Opportunity to contest proposed debarment.

(a) *Submission in opposition.* Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) *Additional proceedings as to disputed material facts.* (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 208.314 Debarring official's decision.

(a) *No additional proceedings necessary.* In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) *Additional proceedings necessary.* (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

(3) The debarring official's decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c) (1) *Standard of proof.* In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

(2) *Burden of proof.* The burden of proof is on the agency proposing debarment.

(d) *Notice of debarring official's decision.* (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:

- (i) Referring to the notice of proposed debarment;

(ii) Specifying the reasons for debarment;

(iii) Stating the period of debarment, including effective dates; and

(iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in § 208.215.

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

§ 208.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, A.I.D. may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§ 208.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of Subpart F of this part (see § 208.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debar-

ment for an additional period is determined to be necessary, the procedures of §§ 208.311 through 208.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination of other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

[53 FR 19179 and 19204, May 26, 1988, as amended at 54 FR 4955, Jan. 31, 1989]

§ 208.325 Scope of debarment.

(a) *Scope in general.* (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§ 208.311 through 208.314).

(b) *Imputing conduct.* For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) *Conduct imputed to participant.* The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual's performance of duties for or on behalf of the participant, or with the participant's knowledge, approval, or acquiescence. The participant's acceptance of the benefits derived from the conduct shall

be evidence of such knowledge, approval, or acquiescence.

(2) *Conduct imputed to individuals associated with participant.* The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant's conduct.

(3) *Conduct of one participant imputed to other participants in a joint venture.* The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

Subpart D—Suspension

§ 208.400 General.

(a) The suspending official may suspend a person for any of the causes in § 208.405 using procedures established in §§ 208.410 through 208.413.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in § 208.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 208.405. Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§ 208.400 through 208.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in § 208.305(a); or

(2) That a cause for debarment under § 208.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 208.410 Procedures.

(a) *Investigation and referral.* Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) *Decisionmaking process.* A.I.D. shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §§ 208.411 through 208.413.

§ 208.411 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government's evidence;

(d) Of the cause(s) relied upon under § 208.405 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §§ 208.411 through 208.413 and any other A.I.D. procedures, if applicable, governing suspension decisionmaking; and

(g) Of the effect of the suspension.

§ 208.412 Opportunity to contest suspension.

(a) *Submission in opposition.* Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) *Additional proceedings as to disputed material facts.* (1) If the suspending official finds that the respondent's submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment, or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 208.413 Suspending official's decision.

The suspending official may modify or terminate the suspension (for example, see § 208.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) *No additional proceedings necessary.* In actions: based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a deci-

sion on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) *Additional proceedings necessary.*

(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) *Notice of suspending official's decision.* Prompt written notice of the suspending official's decision shall be sent to the respondent.

§ 208.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 208.420 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see § 208.325), except that the procedures of §§ 208.410 through 208.413 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Agency and Participants**§ 208.500 GSA responsibilities.**

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and these regulations, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for each listing; and

(6) The agency and name and telephone number of the agency point of contact for the action.

§ 208.505 A.I.D. responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which A.I.D. has granted exceptions under § 208.215 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in § 208.500(b) and of the exceptions granted under § 208.215 within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (Tel. #).

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 208.510 Participants' responsibilities.

(a) *Certification by participants in primary covered transactions.* Each participant shall submit the certification in appendix A to this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals (Tel. #). Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) *Certification by participants in lower tier covered transactions.* (1) Each participant shall require participants in lower tier covered transactions to include the certification in appendix B to this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered

transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Non-procurement List for its principals and for participants (Tel. #).

(c) *Changed circumstances regarding certification.* A participant shall provide immediate written notice to A.I.D. if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposals.

(ii) All *indirect charge* employees, unless their impact or involvement is insignificant to the performance of the grant; and,

(iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll.

This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces);

(6) *Federal agency* or *agency* means any United States executive department, military department, government corporation, government controlled corporation, any other establishment in the executive branch (including the Executive Office of the President), or any independent regulatory agency;

(7) *Grant* means an award of financial assistance, including a cooperative agreement, in the form of money, or property in lieu of money, by a Federal agency directly to a grantee. The term grant includes block grant and entitlement grant programs, whether or not exempted from coverage under the

grants management government-wide common rule on uniform administrative requirements for grants and cooperative agreements. The term does not include technical assistance that provides services instead of money, or other assistance in the form of loans, loan guarantees, interest subsidies, insurance, or direct appropriations; or any veterans' benefits to individuals, i.e., any benefit to veterans, their families, or survivors by virtue of the service of a veteran in the Armed Forces of the United States;

(8) *Grantee* means a person who applies for or receives a grant directly from a Federal agency (except another Federal agency);

(9) *Individual* means a natural person;

(10) *State* means any of the States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency of a State, exclusive of institutions of higher education, hospitals, and units of local government. A State instrumentality will be considered part of the State government if it has a written determination from a State government that such State considers the instrumentality to be an agency of the State government.

§ 208.610 Coverage.

(a) This subpart applies to any grantee of the agency.

(b) This subpart applies to any grant, except where application of this subpart would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government. A determination of such inconsistency may be made only by the agency head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§ 208.615 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

(a) The grantee has made a false certification under § 208.630;

(b) With respect to a grantee other than an individual—

(1) The grantee has violated the certification by failing to carry out the requirements of paragraphs (A)(a)–(g) and/or (B) of the certification (Alternate I to Appendix C) or

(2) Such a number of employees of the grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the grantee has failed to make a good faith effort to provide a drug-free workplace.

(c) With respect to a grantee who is an individual—

(1) The grantee has violated the certification by failing to carry out its requirements (Alternate II to Appendix C); or

(2) The grantee is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity.

§ 208.620 Effect of violation.

(a) In the event of a violation of this subpart as provided in § 208.615, and in accordance with applicable law, the grantee shall be subject to one or more of the following actions:

(1) Suspension of payments under the grant;

(2) Suspension or termination of the grant; and

(3) Suspension or debarment of the grantee under the provisions of this part.

(b) Upon issuance of any final decision under this part requiring debarment of a grantee, the debarred grantee shall be ineligible for award of any grant from any Federal agency for a period specified in the decision, not to exceed five years (see § 208.320(a)(2) of this part).

§ 208.625 Exception provision.

The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

§ 208.630 Certification requirements and procedures.

(a)(1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in appendix C to this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.

(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor's office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and author-

ize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. The State agency shall retain the original of this State agency-wide certification in its central office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency designates a central location for submission.

(3) When the work of a grant is done by more than one State agency, the certification of the State agency directly receiving the grant shall be deemed to certify compliance for all workplaces, including those located in other State agencies.

(e)(1) For a grant of less than 30 days performance duration, grantees shall have this policy statement and program in place as soon as possible, but in any case by a date prior to the date on which performance is expected to be completed.

(2) For a grant of 30 days or more performance duration, grantees shall have this policy statement and program in place within 30 days after award.

(3) Where extraordinary circumstances warrant for a specific grant, the grant officer may determine a different date on which the policy statement and program shall be in place.

§ 208.635 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee's position

title, to every grant officer, or other designee on whose grant activity the convicted employee was working, unless a Federal agency has designated a central point for the receipt of such notifications. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

(2) Within 30 calendar days of receiving notice of the conviction, the grantee shall do the following with respect to the employee who was convicted.

(i) Take appropriate personnel action against the employee, up to and including termination, consistent with requirements of the Rehabilitation Act of 1973, as amended; or

(ii) Require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

(b) A grantee who is an individual who is convicted for a violation of a criminal drug statute occurring during the conduct of any grant activity shall report the conviction, in writing, within 10 calendar days, to his or her Federal agency grant officer, or other designee, unless the Federal agency has designated a central point for the receipt of such notices. Notification shall include the identification number(s) for each of the Federal agency's affected grants.

APPENDIX A TO PART 208—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation

shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to,

check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

(1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency;

(d) Have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

(2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4,

debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. APPENDIX C TO PART 208—CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

Instructions for Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may

take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

Conviction means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All *direct charge* employees; (ii) All *indirect charge* employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used

to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about—

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will—

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check ☐ if there are workplaces on file that are not identified here.

Alternate II. (Grantees Who Are Individuals)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

APPENDIX A—FEDERAL FINANCIAL ASSISTANCE TO WHICH THIS REGULATION APPLIES

AUTHORITY: Sec. 602, 78 Stat. 252, and sec. 621, Foreign Assistance Act of 1961, 75 Stat. 445; 22 U.S.C. 2402.

SOURCE: 30 FR 317, Jan. 9, 1965, unless otherwise noted.

§ 209.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance pursuant to any authority held or delegated by the Administrator of the Agency for International Development.

§ 209.2 Application of this part.

This part applies to all programs carried on within the United States by recipients of Federal financial assistance pursuant to any authority held or delegated by the Administrator of the Agency for International Development, including the federally-assisted programs and activities listed in appendix A of this part. (appendix A may be revised from time to time by notice in the FEDERAL REGISTER.) It applies to money paid, property transferred, or other Federal financial assistance extended under any such program after the effective date of this regulation, even if the application for such assistance is approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred or other assistance extended under any such program before the effective date of this part, (c) any assistance to any individual who is the ultimate beneficiary under any such program, (d) any employment practice under any such program of any employer, employment agency, or labor organization, or (e) any procurement of

goods or services, including the procurement of training. This part does not bar selection and treatment reasonably related to the foreign assistance objective or such other authorized purpose as the Federal assistance may have. It does not bar selections which are limited to particular groups where the purpose of the program calls for such a limitation nor does not bar special treatment including special courses of training, orientation or counseling consistent with such purpose.

The services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any services, financial aid, or other benefits provided with the aid of Federal financial assistance or with the aid of any non-Federal funds, property, or other resources required to be expended or made available for the program to meet matching requirements or other conditions which must be met in order to receive the Federal financial assistance, and to include any services, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance or such non-Federal resources.

(b) *Specific discriminatory actions prohibited.* (1) A recipient under any program to which this regulation applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin:

(i) Deny an individual any service, financial aid, or other benefit provided under the program;

(ii) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(3) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this regulation applies, on the grounds of race, color or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act or this regulation.

(4) As used in this section the services, financial aid, or other benefit provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(6) This regulation does not prohibit the consideration of race, color, or national origin if the purpose and effect are to remove or overcome the consequences of practices or impediments which have restricted the availability, or participation in, the program or activity receiving Federal financial assistance, on the grounds of race, color or national origin. Where previous discriminatory practice or usage tends, on the grounds of race, color, or national

origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity to which this Regulation applies, the applicant or recipient has an obligation to take reasonable action to remove or overcome the consequences of the prior discriminatory practice or usage, and to accomplish the purposes of the Act.

§ 209.5 Assurance required.

(a) *General.* (1) Every application for Federal financial assistance to carry out a program to which this part applies, except a program to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. In the case of an application for Federal financial assistance to provide real property or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case of personal property the assurance shall obligate the recipient for the period during which he retains ownership or possession of the property. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application. The head of the bureau or office administering the Federal financial assistance shall specify the form of the foregoing assurances for each program and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program. Any such assurance shall include provisions

which give the United States a right to seek its judicial enforcement.

(2) In the case of real property, structures or improvements thereon, or interests therein, which was acquired through a program of Federal financial assistance, or in the case where Federal financial assistance is provided in the form of a transfer of real property or interest therein from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property is involved, but property is improved under a program of Federal financial assistance, the recipient shall agree to include such a covenant in any subsequent transfer of such property. Where the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Agency to revert title to the property in the event of a breach of the covenant where, in the discretion of the responsible Agency official, such a condition and right of reverter is appropriate to the program under which the real property is obtained and to the nature of the grant and the grantee. In such event if a transferee of real property proposed to mortgage or otherwise encumber the real property as security for financing construction of new or improvement of existing facilities on such property for the purposes for which the property was transferred, the Administrator may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as he deems appropriate, to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

(3) Transfers of surplus property are subject to regulations issued by the Administrator of General Services (41 CFR 101-6.2).

(b) *Assurances from institutions.* (1) In the case of any application for Federal financial assistance to an institution of

higher education (including assistance for construction, for research, for a special training project, for a student assistance program, or for any other purpose), the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of individuals as students or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the head of the bureau or office administering the Federal financial assistance, that the institution's practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the beneficiaries of or participants in such program. If in any such case the assistance sought is for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith.

[30 FR 317, Jan. 9, 1965, as amended at 38 FR 17948, July 5, 1973]

§ 209.6 Compliance information.

(a) *Cooperation and assistance.* The Administrator shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the Administrator timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the Administrator may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. In the case of any program under which a primary

recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by the Administrator during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program under which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the Administrator finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

§ 209.7 Conduct of investigations.

(a) *Periodic compliance reviews.* The Administrator shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any person who believes himself or any specific class of individuals to be subjected to discrimination prohibited by this part may by himself or by a representative file with the Administrator a written complaint. A complaint must be filed not later than 90 days from the date of the alleged discrimination, unless the time for filing is extended by the Administrator.

(c) *Investigations.* The Administrator will make a prompt investigation whenever a compliance review, report, complaint, or any other information

indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, the Administrator will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 209.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the Administrator will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainant shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 209.8 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance, or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a

recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 209.4.* If an applicant fails or refuses to furnish an assurance required under § 209.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Agency for International Development shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph, except that the Agency shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or to continue Federal financial assistance shall become effective until (1) the head of the bureau or office administering the Federal financial assistance has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the action has been approved by the Administrator pursuant to paragraph (e) of § 209.10 and (4) the expiration of 30 days after the Administrator has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such find-

ing has been made and shall be limited in its effect to the particular program, or part thereof, in which such non-compliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Agency official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with this part and to take such corrective action as may be appropriate.

[38 FR 17494, July 5, 1973]

§ 209.9 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 209.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the Administrator that the matter be scheduled for hearing, or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this section or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 209.8(c) of

this part and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Agency for International Development in Washington, DC, at a time fixed by the Administrator unless he determines that the convenience of the applicant or recipient or of the Agency requires that another place be selected. Hearings shall be held before the Administrator or before a hearing examiner designated in accordance with 5 U.S.C. 3105 and 3344 (section 11 of the Administrative Procedure Act).

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient, and the Agency for International Development shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.*

(1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554-557 (sections 5-8 of the Administrative Procedure Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Agency for International Development and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side

of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with this part with respect to two or more programs to which this part applies or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under title VI of the Act, the Administrator may, by agreements with such other department or agencies, where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedure not inconsistent with this part. Final decisions in such cases, insofar as this part is concerned, shall be made in accordance with § 209.10.

[30 FR 317, Jan. 9, 1965, as amended at 38 FR 17949, July 5, 1973]

§ 209.10 Decisions and notices.

(a) *Decision by a hearing examiner.* If the hearing is held by a hearing examiner such hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Administrator for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient and the complainant. Where the initial decision is made by the hearing examiner the applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the Administrator his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the Administrator may on his own motion within 45 days after the initial decision serve on the applicant or recipient a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review the Administrator shall review the initial decision and issue his own decision thereon including the reasons therefor. The decision of the Administrator shall be mailed promptly to the applicant or recipient and the complainant, if any. In

the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the Administrator.

(b) *Decisions on record or review by the Administrator.* Wherever a record is certified to the Administrator for decision or he reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or whenever the Administrator conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the Administrator shall be given in writing to the applicant or recipient and the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Wherever a hearing is waived pursuant to § 209.9(a) a decision shall be made by the Administrator on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing officer or the Administrator shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this part, including provisions designed to assure that no Federal financial assistance will thereafter be extended under such program to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies the Administrator that it will fully comply with this part.

(f) *Post termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under para-

graph (e) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this regulation and provides reasonable assurance that it will fully comply with this regulation.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (e) of this section may at any time request the responsible Agency official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (f)(1) of this section. If the responsible Agency official determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the responsible Agency official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible Agency official. The applicant or recipient will be restored to such eligibility if it proves at such a hearing that it satisfied the requirements of paragraph (f)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (e) of this section shall remain in effect.

§ 209.11 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 209.12 Effect on other regulations; supervision and coordination.

(a) All regulations, orders or like directions heretofore issued by any officer of the Agency for International Development which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this part applies,

and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance under such program for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this part, except that nothing in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this part. Nothing in this part, however, shall be deemed to supersede any of the following (including future amendment thereof): (1) Executive Order 11246, and regulations issued thereunder, or (2) any other regulation or instruction insofar as it prohibits discrimination on the grounds of race, color, or national origin in any program or situation to which this part is inapplicable, or prohibits discrimination on any other ground.

(b) *Supervision and coordination.* The Administrator may from time to time assign to officials of other departments or agencies of the government (with the consent of such department or agency) responsibilities in connection with the effectuation of the purposes of title VI of the Act and this part (other than responsibility for final decision as provided in §209.10), including the achievement of effective coordination and maximum uniformity within the Agency for International Development and within the Executive branch of the Government in the application of title VI and this part to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another Department or Agency acting pursuant to an assignment of responsibility under this subsection shall have the same effect as though such action had been taken by the responsible official of this Agency.

§209.13 Delegation of authority.

Responsibility for administration and enforcement of this part, with respect to programs administered by another Federal department or agency

pursuant to delegation, transfer inter-agency service agreement, or other arrangement is vested in the head of such department or agency, or his delegate, and subject to such delegations or re-delegations as he may make or authorize.

APPENDIX I TO PART 211—OPERATIONAL PLAN

AUTHORITY: Section 207(c) of the Agricultural Trade Development and Assistance Act

of 1954, as amended; see Public Law 101-624 104 Stat. 3632, 3641 7 U.S.C. 1726a(c).

SOURCE: 57 FR 19766, May 7, 1992, unless otherwise noted.

§211.1 General purpose and scope; legislation.

(a) *Legislation.* The Agricultural Trade Development and Assistance Act of 1954, as amended (Pub. L. 480), was further revised by the Agricultural Development and Trade Act of 1990, Public Law 101-624, 104 Stat. 3632-65 (1990). The legislation implemented by the regulation in this part (as of the date of issuance of this part) includes sections of Public Law 480, as follows: Sections 1, 2, 3, 201, 202, 203, 207, 401, 402, 403, 404, 406, 407, 408, 409, 413 and 414. Pursuant to title II of Public Law 480, A.I.D. may transfer agricultural commodities to address famine or other urgent or extraordinary relief requirements; combat malnutrition, especially in children and mothers; carry out activities that attempt to alleviate the causes of hunger, mortality and morbidity; promote economic and community development; promote sound environmental practices; and carry out feeding programs. Agricultural commodities may be provided to meet emergency food needs through foreign governments and private or public organizations, including intergovernmental organizations. Section 202(a) of Public Law 480 authorizes A.I.D., notwithstanding any other provision of law, to provide agricultural commodities for emergency food needs in such manner and on such terms and conditions as A.I.D. determines appropriate to respond to the emergency. Agricultural commodities also may be provided for non-emergency assistance through private voluntary organizations or cooperatives which are, to the extent practicable, registered with A.I.D., and through intergovernmental organizations.

(b) *Terms and conditions.* This part 211, also known as A.I.D. Regulation 11, provides the standard terms and conditions applicable to title II programs, except those conducted by agencies of the United Nations and the World Food Program. The Operational Plan submitted by a cooperating sponsor may propose, and justify, the waiver of any

section of this Regulation that is not required by statute. If A.I.D. approves a waiver, the specific section or subsection waived will be identified in the Transfer Authorization signed by the cooperating sponsor and A.I.D. or in an attachment, prepared by A.I.D., that is appended to the Operational Plan.

§211.2 Definitions.

(a) *A.I.D.* means the Agency for International Development or any successor agency, including, when applicable, each USAID. *USAID* means an office of A.I.D. located in a foreign country. *AID/W* means the office of A.I.D. located in Washington, DC.

(b) *Annual Estimate of Requirements or AER* (Form A.I.D. 1550-3, Exhibit E, A.I.D. Handbook 9) is a statistical update of the Operational Plan which is signed by the cooperating sponsor requesting commodities under title II estimating the quantities required. When signed by AID/W, the AER together with the Food for Peace Program Agreement between A.I.D. and the cooperating sponsor, the approved Operational Plan, and this Regulation 11 form a donation agreement between A.I.D. and the cooperating sponsor with respect to the commodities included in the AER.

(c) *CCC* means the Commodity Credit Corporation, a corporate agency and instrumentality of the United States within the U.S. Department of Agriculture.

(d) (1) *Cooperating sponsor* means an entity, within or without the United States, governmental or not, such as the foreign government, the American Red Cross, the intergovernmental organization, or the private voluntary organization or cooperative, which enters into an agreement with the U.S. Government for the use of agricultural commodities or funds.

(2) *Governmental cooperating sponsor* means a foreign government which has signed a Transfer Authorization under which agricultural commodities are donated for emergency purposes only. Governmental cooperating sponsors are treated here as a group separate from other cooperating sponsors since they

are eligible only for emergency programs and their circumstances are different in such matters as rules governing shipping and in certain other aspects of agreements.

(3) *Nongovernmental cooperating sponsor* means a cooperating sponsor which is a private voluntary organization, a cooperative, the American Red Cross, or other private or public agency. An intergovernmental organization also is treated as a nongovernmental cooperating sponsor in this Regulation 11 unless the text or context indicates otherwise.

(e) *Cooperative* means a private sector organization whose members own and control the organization and share in its services and its profits and that provides business services and outreach in cooperative development for its membership.

(f) *Diplomatic Posts* means the offices of the Department of State located in foreign countries and may include Embassies, Legations, and Consular offices. Since A.I.D. is responsible for title II programs, references in this Regulation to Diplomatic Posts apply only with respect to those countries where there is no USAID.

(g) *Disaster relief organizations* means organizations which are authorized by AID/W, USAID or a Diplomatic Post to assist disaster victims.

(h) *Disaster victims* means persons who, because of flood, drought, fire, earthquake, other natural or man-made disasters, or extraordinary relief requirements, are in need of food, feed, or other assistance.

(i) *Duty free* means exempt from all customs duties, toll charges, taxes or governmental impositions levied on the act of importation.

(j)(1) *Food for Peace Program Agreement* establishes a nongovernmental organization as a cooperating sponsor for which A.I.D. agrees to authorize future transfers of commodities in accordance with title II of Public Law 480 and Regulation 11 and the cooperating sponsor agrees to accept transfer of commodities in accordance with approved programs under title II and A.I.D. Regulation 11 and related procedures.

(2) *Host Country Food for Peace Program Agreement* means an agreement between the cooperating sponsor and

the foreign government of each cooperating country which authorizes the cooperating sponsor to conduct activities there in a manner consistent with the terms and conditions set forth within this Regulation 11.

(3) *Recipient Agency Agreement* means a written agreement between the cooperating sponsor and a recipient agency prior to the transfer to the recipient agency of commodities, monetized proceeds, or other program income for distribution or implementation of an approved program.

(k) *Free alongside ship* (f.a.s.) includes all costs of transportation and delivery of the goods to the dock. "Free on board" (f.o.b.) includes costs for delivering the goods and loading them aboard the carrier at a specific location.

(l) *Institutions* means nonpenal, public or nonprofit private establishments that operate for charitable or welfare purposes where needy persons reside and receive meals including, but not limited to, homes for the aged, mentally and physically handicapped, refugee camps, and leprosy asylums.

(m) *Intergovernmental organizations* means agencies sponsored and supported by two or more nations, one of which is the United States.

(n) *Marine salvage* means the compensation made to those by whose assistance a vessel or its cargo has been saved from impending peril or recovered from actual loss.

(o) *Monetized proceeds* means funds generated from the sale of title II commodities in approved monetization programs. Monetized proceeds should be deposited in a special interest-bearing account for control and monitoring.

(p) *Nonprofit* means that the residue of income over operating expenses accruing in any activity, project, or program is used solely for the operation of such activity, project, or program.

(q) *Operational Plan* is a plan submitted by the cooperating sponsor or potential cooperating sponsor describing the proposed use of commodity and/or monetized proceeds and/or program income. All references in this Regulation to the Operational Plan shall include the AER that relates to such Operational Plan.

(r) *Private voluntary organization* means a not-for-profit, nongovernmental organization (in the case of a United States organization, an organization that is exempt from Federal Income Taxes under section 501(c)(3) of the Internal Revenue Code of 1986) that receives funds from private sources, voluntary contributions of money, staff time, or in-kind support from the public, and that is engaged or is planning to engage in voluntary, charitable or development assistance activities (other than religious activities).

(s) *Program income* means gross income earned by the cooperating sponsor or recipient agencies from activities supported under the approved program during the program period, including, but not limited to, interest earned on deposits of monetized proceeds, revenue from income generating activities, funds accruing from the sale of containers and nominal voluntary contributions by recipients made on the basis of ability to pay.

(t) *Recipient agencies* means schools, institutions, welfare agencies, disaster relief organizations, and public or private agencies whose food distribution functions or project activities are sponsored by the cooperating sponsor and which receive for distribution to eligible recipients commodities or monetized proceeds or program income for approved project activities. A cooperating sponsor may be a recipient agency.

(u) *Recipients* means persons who receive food assistance or the benefit of monetized proceeds or program income because of their economic or nutritional condition or who are otherwise eligible to receive commodities for their own use or other assistance in accordance with the terms and conditions of the approved Operational Plan or Transfer Authorization.

(v) *Registered private voluntary organization or cooperative* means a nonprofit private voluntary organization or cooperative registered with, and approved by, A.I.D. The term includes foreign as well as U.S. registered nonprofit voluntary organizations and cooperatives. For discussion of registration, see 22 C.F.R. part 203, A.I.D. Regulation 3, Registration of Agencies for Voluntary Foreign Aid. In reviewing and approv-

ing proposals, A.I.D., at its discretion, may give preference to registered private voluntary organizations and cooperatives over those that are not and to U.S. private voluntary organizations and cooperatives over those that are foreign.

(w) *Transfer Authorization* or *TA* means the document signed by the cooperating sponsor and A.I.D. which describes commodities and the program in which they will be used. The TA incorporates A.I.D. Regulation 11 and authorizes CCC to ship the commodities.

(x) *USDA* means the U.S. Department of Agriculture.

(y) *Welfare agencies* means public or private voluntary organizations that provide care, including food assistance, to needy persons who are not residents of institutions.

§211.3 Cooperating sponsor agreements; program procedure.

(a) *Food for Peace Program Agreement.* A nongovernmental organization is eligible to be a cooperating sponsor for regular programs under paragraph (d)(2)(i) of this section only after it has entered into a Food For Peace Program Agreement with A.I.D. that incorporates the terms and conditions set forth in Regulation 11.

(b) *Host Country Food for Peace Program Agreement.* Nongovernmental and intergovernmental cooperating sponsors shall, in addition to the Food for Peace Program Agreement, enter into a separate written Host Country Food for Peace Agreement with the foreign government of each country for which title II commodities are transferred to the cooperating sponsor. This agreement shall establish the terms and conditions needed by a nongovernmental cooperating sponsor to conduct a title II program in the country in accordance with the applicable requirements of this part. The cooperating sponsor shall provide USAID or the Diplomatic Post a copy of each executed Host Country Food for Peace Agreement.

Where such written agreement is not appropriate or feasible, USAID or the Diplomatic Post shall assure AID/W, in writing, that the program can be effectively implemented in compliance with this Regulation without such an agreement.

(c) *Recipient Agency Agreement.* Prior to the transfer of commodities, monetized proceeds, or program income to a recipient agency for distribution or implementation of an approved program, the cooperating sponsor shall execute with such agency a written agreement which shall:

(1) Describe the approved uses of commodities, monetized proceeds and program income in a manner consistent with the approved Operational Plan or TA;

(2) Require the recipient agency to pay the cooperating sponsor the value of any commodities, monetized proceeds or program income that are used for purposes not permitted under the Recipient Agency Agreement or that are lost, damaged or misused as a result of the recipient agency's failure to exercise reasonable care with respect to such commodities, monetized proceeds or program income; and

(3) Incorporate by reference or otherwise the terms and conditions set forth in this Regulation 11.

The Operational Plan may indicate those transfers of commodities, monetized proceeds or program income for which the cooperating sponsor and A.I.D. agree that a Recipient Agency Agreement would not be appropriate or feasible. In any case, the cooperating sponsor shall remain responsible for such commodities, monetized proceeds and program income in accordance with the terms of this Regulation 11 and the Operational Plan or TA. The cooperating sponsor shall provide USAID or the Diplomatic Post a copy of each executed Recipient Agency Agreement.

(d) *Program procedure*—(1) *Requests for programs.* A program may be requested by any cooperating sponsor, including private voluntary organizations, cooperatives, foreign governments (for emergencies only), and international organizations.

(2) *Approval of programs.* There are two basic patterns of decision typically employed in approving a request for title II assistance:

(i) *Regular programs.* The cooperating sponsor submits to A.I.D. an Operational Plan or multi-year Operational Plan (see appendix I), describing the program proposed. Also, an AER will

be submitted to A.I.D. along with the Operational Plan, estimating the quantities of commodities required for each program proposed. AID/W's approval of and signature on the AER completes this decision process.

(ii) *Individual programs.* The other basic pattern of decision making results in a Transfer Authorization. The TA is used for all emergency government-to-government programs, and for nongovernmental cooperating sponsor programs which do not fit within the Program Agreement/AER framework. The TA will include by reference Regulation 11.

(3) *Subject to availability.* A.I.D.'s agreement to transfer commodities is subject to the availability of appropriations and agricultural commodities during each United States Government fiscal year to which it applies.

(4) *Timing of decision.* Under Public Law 480, section 207(a), within 45 days of its submission to AID/W, a decision must be made on a proposal submitted by a private voluntary organization or cooperative, concurred in by USAID or the Diplomatic Post. The decision shall detail the reasons for approval or denial, and if denied, conditions to be met for approval. In addition, a USAID or Diplomatic Post must decide whether or not to concur in the proposal within 45 days of receiving it or provide a written explanation to the private voluntary organization or cooperative and AID/W of the reasons USAID or the Diplomatic Post needs more time to consider the proposal.

§211.4 Availability and shipment of commodities.

(a) *Shipment, distribution and use of commodities.* Commodities shall be available for shipment, distribution and use in accordance with the provisions of the approved Operational Plan and AER, or TA and this Regulation 11.

(b) *Transfer of title and delivery.* (1) Unless the approved Operational Plan or TA provides otherwise, title to the commodity shall pass—

(i) For nongovernmental cooperating sponsors, at the point in the United States at which the ocean carrier or its agents take possession of the cargo (generally f.a.s. or f.o.b. vessel U.S. port); or

(ii) For governmental cooperating sponsors, at the destination port of entry, upon completion of discharge by the ocean carrier (non-landlocked countries), or at the destination point of entry, upon completion of delivery by the inland carrier (landlocked countries).

Except as A.I.D. may otherwise agree in writing, the cooperating sponsor shall retain title to commodities, monetized proceeds, and program income transferred to a recipient agency for distribution or use in accordance with the Operational Plan or TA.

(2) Nongovernmental cooperating sponsors shall make the necessary arrangements to accept commodities at the points of availability designated by CCC.

(c) *Processing, handling, transportation and other costs.* (1) Except as otherwise provided in the Operational Plan or TA, the United States will pay in accordance with this paragraph (c) processing, handling, transportation, and other incidental costs incurred in making commodities available to cooperating sponsors at U.S. ports or U.S. inland destinations, up to the point at which the ocean carrier takes possession of the cargo.

(2) The United States will finance the transfer of commodities at the lowest combination inland and ocean transportation costs as determined by the United States and in sizes and types of packages announced as applicable. If a nongovernmental cooperating sponsor requests changes to these standards which are made by the United States as an accommodation to the cooperating sponsor and these changes result in costs over those the United States otherwise would have incurred, the cooperating sponsor shall reimburse the United States for these increased costs promptly upon request.

(3) All costs and expenses incurred subsequent to the transfer of title to cooperating sponsors shall be borne by them except as otherwise provided herein. Upon the determination that it is in the interests of the program to do so, the United States may pay or reimburse the following additional costs:

(i) Ocean transportation costs from U.S. ports to the designated ports of entry abroad; or

(ii) Ocean transportation costs from U.S. ports to designated points of entry abroad in the case—

(A) Of landlocked countries,

(B) Where ports cannot be used effectively because of natural or other disturbances,

(C) Where carriers to a specific country are unavailable, or

(D) Where a substantial savings in cost or time can be effected by the utilization of points of entry other than ports; or

(iii) In the case of commodities for urgent and extraordinary relief requirements, including prepositioned commodities, transportation costs from designated points of entry or ports of entry abroad to storage and distribution centers and associated storage and distribution costs.

(d) *Payment or reimbursement of ocean freight costs.* When A.I.D. contracts for ocean carriage, carriers shall be paid by A.I.D., as provided in their contracts of affreightment, upon presentation of Standard Form 1034 and three copies of 1034A (Public Voucher for purchases and services other than personal), together with three copies of the related on-board ocean bill of lading, one copy of which must contain the following certification signed by an authorized representative of the steamship company:

I certify that this document is a true and correct copy of the original on-board ocean bill of lading under which the goods herein described were located on the above-named vessel and that the original and all other copies thereof have been clearly marked as not to be certified for billing.

(Name of steamship co.)

By

(Authorized representative)

Such documents shall be submitted to: Transportation Division, Office of Procurement, (FA/OP/TRANS), Agency for International Development, Washington, DC 20523. Except for duty, taxes and other costs excluded by §211.7 (a) and (b) of this Regulation 11, nongovernmental cooperating sponsors booking their own vessels will be reimbursed as provided in A.I.D. Regulation 2 (part 202 of this chapter) for ocean freight authorized by the United States upon presentation to AID/W of proof of

payment to the ocean carrier. However, freight prepaid bills of lading which indicate firm incurrence of freight costs will be accepted by A.I.D. as evidence of payment to the ocean carrier provided that the nongovernmental cooperating sponsor agrees to ensure that such carrier is actually paid no later than 7 calendar days following receipt of U.S. Government funds by the sponsor or its agent. A.I.D. will reimburse nongovernmental cooperating sponsors only up to a maximum of 2½ percent commission paid to their freight forwarders as a result of booking Public Law 480, title II cargo. Similarly, when A.I.D. books cargo, a maximum of 2½ percent commission may be paid by the contracted carrier. Proof of payment of commissions must be submitted with requests for reimbursement.

(e) *Shipping instructions*—(1) *Shipments booked by A.I.D.* Requests for shipment of commodities shall originate with the cooperating sponsor and shall be submitted to USAID or the Diplomatic Post for clearance and transmittal to AID/W. AID/W shall, through cables or letters to USAID or the Diplomatic Post, provide cooperating sponsors (and, where applicable, private voluntary organization or cooperative headquarters) with names of vessels, expected times of arrival (ETAs), and other pertinent information on shipments booked by A.I.D. As soon as possible but not later than 7 days from the time of exportation of commodities, A.I.D.'s freight forwarding contractor shall send applicable ocean bills of lading by airmail, or by the fastest means available, to USDA (Chief, Processed Commodities Division, Kansas City ASCS Commodity Office (KCCO), P.O. Box 419205, Kansas City, Missouri 64141-6205), to USAID or the Diplomatic Post (and where applicable to the USAID Controller and nongovernmental cooperating sponsor headquarters and field representative), to AID/W, FA/OP/TRANS (see §211.4(d)), and to the consignee in sufficient time to advise of the arrival of the shipment.

(2) *Shipments booked by nongovernmental cooperating sponsor.* Requests for shipment of commodities shall originate with the cooperating sponsor and shall be cleared by USAID or the Diplomatic Post before transmittal to the

cooperating sponsor's headquarters for concurrence and issuance. USAID or the Diplomatic Post shall promptly clear such requests for shipment of commodities or, if there is reason for delay or disapproval, advise the cooperating sponsor and AID/W within seven (7) days of receipt of requests for shipment. After the cooperating sponsor headquarters concurs in the request and issues the order, the original will be sent promptly to AID/W which will forward it to CCC for procurement action with a copy to USAID or the Diplomatic Post. Headquarters of cooperating sponsors which book their own shipments shall provide their representatives and USAID or the Diplomatic Post with the names of vessels, ETAs and other pertinent information on shipments booked. At the time of exportation of commodities, the booking agent representing the cooperating sponsor shall send applicable ocean bills of lading by airmail or by the fastest means available to USDA (Chief, Processed Commodities Division, Kansas City ASCS Commodity Office (KCCO), P.O. Box 419205, Kansas City, Missouri 64141-6205), to USAID or the Diplomatic Post (and where applicable to the USAID Controller and the nongovernmental cooperating sponsor representative), to AID/W, FA/OP/TRANS (see §211.4(d)), and to the consignee in the country of destination in sufficient time to advise of the arrival of the shipment. Nongovernmental cooperating sponsors also will forward cable advice of actual exportation to their program directors in countries within the Caribbean area in view of the short transit time from U.S. port to destination.

(3) Cooperating sponsors awarding USAID-financed ocean transportation bookings of food aid under the Public Law 480, title II program shall follow consistent, transparent, fair and effective procedures. In order to promote these objectives, USAID may formulate, and from time-to-time amend, uniform standard booking guidelines relating to such bookings. Guidelines will be finalized only after consultation with affected cooperating sponsors, freight forwarders and carriers as

required by the Agricultural Development and Trade Act of 1990 or other applicable legislation. Copies of the guidelines and any proposed amendments may be obtained from the Transportation Division, Office of Procurement, Agency for International Development, Washington, DC 20523.

(f) *Tolerances.* Delivery by the United States to the cooperating sponsor at point of transfer of title within a tolerance of 5 percent (2 percent in the case of quantities over 10,000 metric tons) plus or minus, of the quantity ordered for shipment shall be regarded as completion of delivery. There shall be no tolerance with respect to the ocean carrier's responsibility to deliver the entire cargo shipped and the United States assumes no obligation for failure by an ocean carrier to complete delivery to port of discharge.

(g) *Conflict of interest.* (1) Pursuant to section 407(c)(4) of Public Law 480, a person may not be an agent, broker, consultant, or other representative of the U.S. Government, an importer, or an importing country in connection with agricultural commodities provided under Public Law 480 during a fiscal year in which such person acts as an agent, broker, consultant or other representative of a person engaged in providing ocean transportation or ocean transportation-related services for such commodities.

(i) For purposes of section 407(c)(4), the term "transportation-related services" means lightening, stevedoring, bagging or inland transportation to the destination point.

(ii) The prohibition does not preclude payment by ocean carriers of compensation or brokerage fees on a shipment-by-shipment basis as provided in governing tariffs or charter parties to persons performing freight forwarding or charter broking services under contract to the U.S. Government.

(2) Pursuant to section 407(d)(3) of Public Law 480, freight agents employed by A.I.D. under title I, II or III of Public Law 480 shall not represent any other foreign government during the period of their contract with the United States Government. This restriction applies both to charter brokers and freight forwarders whether

they are prime contractors or subcontractors of A.I.D.

(3) This paragraph (g) does not apply to shipments booked by nongovernmental cooperating sponsors or their agents.

§211.5 Obligations of cooperating sponsor.

(a) *Operational Plans.* Each cooperating sponsor shall submit a description of the programs it is sponsoring or proposes to sponsor to USAID or the Diplomatic Post for its approval. AID/W will prescribe the format and timing for submittals and provide final approval of the Operational Plan. This Operational Plan will include program purposes and goals; criteria for measuring program effectiveness; a description of the activities for which commodities, monetized proceeds, or program income will be provided or used; and other specific provisions in addition to those set forth in this Regulation. Further, this description will include information from which it may be determined that the distribution of commodities in the recipient country will not result in a substantial disincentive to domestic production and that adequate storage facilities will be available in the recipient country at the time of arrival of the commodity to prevent spoilage or waste of the commodity. For preparation of the Operational Plan, see appendix I to this regulation. If a cooperating sponsor submits a multi-year Operational Plan that is approved by A.I.D., the Operational Plan provided with an AER each subsequent year should cover only those components or features which require updating or the cooperating sponsor proposes to change. A.I.D. will issue guidance each year regarding Operational Plans that must be submitted by cooperating sponsors. Within the limits of the total amount of commodities, monetized proceeds and program income approved by A.I.D. in the Operational Plan, the cooperating sponsor may increase or decrease by not to exceed 10 percent the amount of commodities, monetized proceeds or program income allocated to approved program categories or components of

the Operational Plan. Such adjustments must be identified specifically in the annual report submitted by a cooperating sponsor under §211.10(b) of the Regulation. A cooperating sponsor may not otherwise deviate from the Operational Plan without the prior written approval of A.I.D.

(b) *Program supervision.* Cooperating sponsors shall provide adequate supervisory personnel for the efficient operation of the program, including personnel to:

(1) Plan, organize, implement, control, and evaluate programs involving distribution of commodities or use of monetized proceeds and program income,

(2) Make warehouse inspections, physical inventories, and end-use checks of food or funds, and

(3) Review of books and records maintained by recipient agencies that receive monetized proceeds and/or program income.

Cooperating sponsors shall be represented by a person resident in the country of distribution or other nearby country approved by AID/W, who is appointed by and responsible to the cooperating sponsor for distribution of commodities or use of monetized proceeds or program income in accordance with the provisions of this regulation.

(c) *Audits—(1) By nongovernmental cooperating sponsors.* A nongovernmental cooperating sponsor shall arrange for periodic audits to be conducted in accordance with OMB Circular A-133, including the OMB Compliance Supplement and the Statement of Position Regarding Circular A-133 developed by the American Institute of Certified Public Accountants. Nongovernmental recipient agencies shall be treated as subrecipients under OMB Circular A-133, and governmental recipient agencies shall furnish the cooperating sponsor audits in accordance with the standard in paragraph (c)(2) of this section. The cooperating sponsor may satisfy these audit responsibilities with respect to recipient agencies by relying on independent audits performed of recipient agencies or on appropriate procedures performed by the cooperating sponsor's internal audit or program staff, by expanding the scope of the independent financial and compliance

audit of the cooperating sponsor to encompass testing of recipient agency charges, or by a combination of these procedures. The Generally Accepted Commodity Accounting Principles issued by Food Aid Management, an association of cooperating sponsors, may be used for commodity accounting.

(2) *By governmental cooperating sponsors.* A governmental cooperating sponsor shall ensure that an audit satisfactory to A.I.D. is conducted annually with respect to donated commodities and monetized proceeds, if commodity sales are authorized under the agreement with A.I.D., including commodities and monetized proceeds transferred to or used by recipient agencies. The audit shall be a financial audit performed by the country's principal government audit agency or another audit agency or firm acceptable to A.I.D. This audit should be conducted in accordance with generally accepted government auditing standards issued by the United States General Accounting Office, or auditing standards that have been prescribed by the laws of the country or adopted by public accountants or an association of public accountants in the country, or Auditing Standards promulgated by the International Organization of Supreme Audit Institutions or International Auditing Practices Committee of the International Federation of Accountants. Both the auditor and the auditing standards to be used by the cooperating sponsor must be acceptable to A.I.D. The cooperating sponsor may satisfy its audit responsibility with respect to recipient agencies by relying on independent audits of the recipient agency or on appropriate procedures performed by internal audit or program staff of the cooperating sponsor, by expanding the scope of the independent financial audit of the cooperating sponsor to encompass testing of recipient agency charges or actions, or by a combination of these procedures. Recipient agencies that receive less than \$25,000 of donated commodities and/or monetized proceeds are excluded from the cooperating sponsor's audit responsibility.

(d) *Commodity requirements; AER.* Each cooperating sponsor shall submit to USAID or the Diplomatic Post,

within such times and on the AER form prescribed by AID/W, estimates of requirements showing the quantities of commodities required for each program proposed.

(e) *No military distribution.* Except as A.I.D. may otherwise agree in writing, agricultural commodities donated by A.I.D. shall not be distributed, handled or allocated by any military forces.

(f) *Determination of eligibility of recipients.* Cooperating sponsors shall be responsible for determining that the recipients and recipient agencies to whom they distribute commodities are eligible in accordance with the Operational Plan or TA and this Regulation. Cooperating sponsors shall impose upon recipient agencies responsibility for determining that the recipients to whom they distribute commodities or provide assistance with monetized proceeds or program income are eligible. Commodities shall be distributed free of charge except as provided in paragraphs (j) and (k) of this section or as otherwise authorized by AID/W, but in no case will recipients be excluded from receiving commodities because of inability to make a contribution to the cooperating sponsor for any purpose.

(g) *No discrimination.* Cooperating sponsors shall distribute commodities to and conduct operations (with food, monetized proceeds, or program income) only with eligible recipient agencies and eligible recipients without regard to political affiliation, geographic location, ethnic, tribal or religious identity or other factors extraneous to need and the eligibility criteria set forth in the approved Operational Plan or TA, and shall impose similar conditions upon recipient agencies.

(h) *Public recognition.* To the maximum extent practicable, and with the cooperation of the host government, adequate public recognition shall be given in the press, by radio, and other media that the commodities or assistance financed by monetized proceeds or program income have been provided through the friendship of the American people as food for peace. At distribution and feeding centers or other project sites the cooperating sponsor shall, to the extent feasible, display

banners, posters, or similar media which shall contain information similar to that prescribed for containers in paragraph (i) of this section. Recipients' individual identification cards shall, insofar as practicable, be imprinted to contain such information.

(i) *Containers—(1) Markings.* Unless otherwise specified in the Operational Plan or TA, when commodities are packaged for shipment from the United States, bags and other containers shall be marked with the CCC contract number or other identification, the A.I.D. emblem and the following information stated in English:

- (i) Name of commodity;
- (ii) Provided through the friendship of the American people as food for peace;
- (iii) Not to be sold or exchanged (where applicable).

(2) *Disposal of containers.* Cooperating sponsors may dispose of containers, other than containers provided by carriers, in which commodities are received in countries having approved title II programs, by sale or exchange, or may distribute the containers free of charge to eligible food or fiber recipients for their personal use. If the containers are to be used commercially, the cooperating sponsor must arrange for the removal, obliteration, or cross out of the U.S. Government markings from the containers prior to such use.

(j) *Monetization programs.* Provisions of this Regulation that prohibit or restrict the sale of commodities or require marking or labeling of containers do not apply to the extent the sale of commodities is approved by A.I.D. Cooperating sponsors are not required to monitor, manage, report on or account for the distribution or use of commodities after title to the commodities has passed to buyers or other third parties pursuant to a sale under a monetization program and all sales proceeds have been fully deposited in the special interest-bearing account established by the cooperating sponsor for monetized proceeds. However, the receipt and use of sales proceeds must be monitored, managed, reported and accounted for as provided in this Regulation, with special reference to paragraphs (k) and (l) of this section, and § 211.10. It is not mandatory that commodities approved

for monetization be imported and sold free from all duties and taxes, but non-governmental cooperating sponsors may negotiate agreements with the host government permitting the tax-free import and sale of such commodities. Even where the cooperating sponsor negotiates tax-exempt status, the prices at which the cooperating sponsor sells the commodities to the purchaser should reflect prices that would be obtained in a commercial transaction, i.e., the prices would include the cost of duties and taxes, except as A.I.D. may otherwise agree in writing. Thus, the amounts normally paid for duties and taxes would accrue for the benefit of the cooperating sponsor's approved program. Cooperating sponsors should refer to the "Monetization Field Manual" for more comprehensive guidance on setting the sales price. A copy of the Monetization Manual may be obtained from AID/W-FHA/PPE, Washington, DC 20523.

(k) *Use of funds.* (1) Nongovernmental cooperating sponsors and recipient agencies may use monetized proceeds and program income to:

(i) Transport, store, distribute and otherwise enhance the effectiveness of the use of donated commodities and products thereof, including construction or improvement of storage facilities or warehouses, handling, insect and rodent control, payment of personnel employed or used by the cooperating sponsor or recipient agencies in support of approved programs;

(ii) Implement income generating, community development, health, nutrition, cooperative development, agricultural and other developmental activities agreed upon by A.I.D. and the cooperating sponsor;

(iii) Make investments, with the approval of A.I.D., and any interest earned on such investments may be used for purposes described in paragraphs (k)(l) (i) and (ii) of this section;

(iv) Improve their financial and other management systems; and

(v) Pay indirect costs of the cooperating sponsor that are allocable to the monetization program at the indirect cost rate approved by A.I.D. for the cooperating sponsor, the direct and indirect costs of an office maintained by the cooperating sponsor in the country

where the monetization program is conducted that are allocable to the title II program there, and the costs of a regional office maintained by a cooperating sponsor that are allocable to the cooperating sponsor's effort to enhance the effectiveness of the use of commodities provided by A.I.D. under title II.

(2) Monetized proceeds and program income may be used by the cooperating sponsor and recipient agencies only for the purposes described in the Operational Plan or TA, or otherwise approved by A.I.D., in writing, and only for such costs as would be allowable under OMB Circular A-122, as amended, "Cost Principles for Nonprofit Organizations". A recipient agency may use not to exceed \$500 per year of voluntary contributions for institutional, community or social development or other humanitarian purposes without regard to the Operational Plan or TA or OMB Circular A-122.

(3) Governmental cooperating sponsors shall use monetized proceeds and program income only for emergency purposes as described in the TA with respect to such programs.

(4) Monetized proceeds and program income may not be used to pay for the performance of abortions as a method of family planning or to motivate or coerce any person to practice abortions.

(5) Except as A.I.D. may otherwise agree in writing, monetized proceeds may not be used to finance the production for export of agricultural commodities, or products thereof, that would compete in the world market with similar agricultural commodities, or products thereof, produced in the United States, if such competition would cause substantial injury to the United States producers, as determined by A.I.D.

(6) (i) The cooperating sponsor shall use commercially reasonable practices in construction activities and in purchasing goods and services with monetized proceeds or program income; maintain a code of standards of conduct regarding conflicts of interest; carry out procurement transactions in

a manner to provide open and free competition to the maximum extent practicable; and maintain and make available to A.I.D. in accordance with §211.10 records and documents regarding the procurement of goods and services with monetized proceeds and program income. Cooperating sponsors shall follow their own requirements relating to bid guarantees, performance bonds and payment bonds when program income or monetized proceeds are used to finance construction or the improvement of facilities, but shall consult with USAID or the Diplomatic Post regarding such requirements when the estimated cost of such construction or improvements exceeds \$100,000. Title to real and personal property shall be vested in the cooperating sponsor, except as provided in the Operational Plan or TA or as A.I.D. may otherwise agree in writing, subject to the requirements of §211.11 upon termination of the program.

(ii) Monetized proceeds and program income may not be used to acquire, construct, alter or upgrade land, buildings or other real property improvements that are used in whole or in part for sectarian purposes or which are owned or managed by a church or other organization engaged exclusively in religious activity. Notwithstanding the preceding sentence, monetized proceeds or program income may be used to finance repair or rehabilitation of an existing structure owned or managed by a church or organization engaged exclusively in religious activity to the extent necessary to avoid spoilage or loss of donated commodities, provided that the structure is not used in whole or in part for any sectarian purpose while donated commodities are stored in it. The use of monetized proceeds or program income to finance construction of such a structure may be approved in the Operational Plan or TA or by USAID or the Diplomatic Post if the structure is needed and will be used for the storage of donated commodities for a sufficient period of time to warrant the expenditure of monetized proceeds or program income and the structure will not be used for any sectarian purpose during this period.

(l) *Report on funds.* The cooperating sponsor (headquarters, if there is more

than one office) shall annually provide AID/W a report on the receipt and disbursement of all monetized proceeds and program income by cooperating sponsors and recipient agencies. This report should include the source of the funds, by country, and how the funds were used. This annual report should be submitted to AID/W by December 31 of each calendar year for the fiscal year ending September 30 of that calendar year.

(m) *No displacement of sales.* Except in the case of emergency or disaster situations, the donation of commodities furnished for these programs shall not result in increased availability for export by the recipient country of the same or like commodities and shall not interfere with or displace sales in the recipient country which might otherwise take place. A country may be exempt from this proviso if circumstances warrant. USAIDs should seek AID/W guidance on this matter.

(n) *Commodities borrowed or exchanged for programs.* After the date of the program approval by AID/W, but before arrival at the distribution point of the commodities authorized, the cooperating sponsor may, with prior approval of USAID or the Diplomatic Post, borrow the same or similar commodities from available sources to meet program requirements provided that:

(1) Borrowed commodities which are used in accordance with the terms of the Operational Plan or TA will be replaced with commodities transferred by A.I.D. The amount of commodities transferred to replace borrowed commodities shall be established by mutual agreement between the cooperating sponsor and USAID or the Diplomatic Post and will be determined on the basis of equivalent value at the time and place of transfer or on some other justifiable basis proposed by the cooperating sponsor and acceptable to USAID or the Diplomatic Post;

(2) Packaged commodities which are borrowed shall be appropriately identified insofar as practicable in the language of the country of distribution as having been provided through the friendship of the American people as food for peace; and

(3) Suitable publicity shall be given to the exchange of commodities as provided in paragraph (h) of this section and containers for borrowed commodities shall be marked to the extent practicable in accordance with § 211.6(c).

(o) *Commodity transfer between programs.* After the date of program approval by AID/W, but before distribution of the commodities, USAID or the Diplomatic Post (or the cooperating sponsor with prior approval of USAID or the Diplomatic Post) may transfer commodities between approved title II programs to meet emergency disaster requirements or to improve efficiency of operation, such as to meet temporary shortages due to delays in ocean transportation or provide for rapid distribution of stocks in danger of deterioration. Transfers also may be made to disaster organizations for use in meeting exceptional circumstances. Commodity transfers shall be made at no cost to the U.S. Government and with the concurrence of the cooperating sponsor and disaster relief organization concerned. A USAID or Diplomatic Post with funds available, however, may pay the costs of transfers to meet extraordinary relief requirements, and AID/W shall be advised promptly of the details of the transfer. Commodities transferred between programs shall not be replaced by the U.S. Government unless AID/W authorizes such replacement.

(p) *Disposal of excessive stock of commodities.* If commodities are on hand which cannot be utilized in accordance with the approved Operational Plan or the TA, the cooperating sponsor shall promptly advise USAID or the Diplomatic Post of the quantities, location and condition of such commodities, and where possible, shall propose an alternate use of the excess stocks; USAID or the Diplomatic Post shall determine the most appropriate use of the excess stocks, and with prior AID/W concurrence, shall issue instructions for disposition. Transportation costs and other charges attributable to transferring commodities from one program to another within the country shall be the responsibility of the cooperating sponsor, except that in case of disaster or emergency, AID/W may authorize the

use of disaster or emergency funds to pay for the costs of such transfers. (For discussion of unfit commodity disposal, see § 211.8.)

(q) *Trilateral exchange programs.* The restrictions in this Regulation regarding the distribution, use or labeling of commodities shall not apply to commodities furnished by CCC in exchange for other commodities obtained from third parties ("exchanged commodities") to be distributed in a recipient country under a trilateral exchange program. Except as A.I.D. and the cooperating sponsor may otherwise agree in writing, title to the exchanged commodities will pass to the cooperating sponsor upon delivery to and acceptance by the cooperating sponsor at the point of delivery specified in the Operational Plan or TA. After title passes to the cooperating sponsor the exchanged commodities shall be deemed "commodities" covered by this Regulation with respect to all post-delivery obligations of the cooperating sponsor contained in this Regulation, including obligations regarding labeling to the extent practicable, distribution, monitoring, reporting, accounting and use of commodities or monetized proceeds resulting from their sale. In the event of difficulty in satisfying the labeling requirement, the cooperating sponsor will consult with USAID or the Diplomatic Post for guidance.

(r) *Landing.* Governmental cooperating sponsors shall permit donated commodities to be discharged notwithstanding any dispute or question concerning quality, quantity, or other matters relating to the commodity itself. Any such dispute or question shall be resolved in accordance with procedures stated in this Regulation or in the relevant shipping or other contracts, as applicable.

§ 211.6 Processing, repackaging, and labeling commodities.

(a) *Commercial processing and repackaging.* Cooperating sponsors or their designees may arrange for processing commodities into different end products and for packaging or repackaging commodities prior to distribution. Commodities may be bartered, or monetized proceeds or program income

may be used, to offset such costs if provided for in the Operational Plan or TA or approved by USAID or the Diplomatic Post. When commercial facilities are used for processing, packaging or repackaging, cooperating sponsors or their designees shall enter into written agreements for such services and copies of the agreements must be provided to USAID or the Diplomatic Post. Except as AID/W otherwise agrees, the executed agreements shall provide as a minimum that the party providing such services shall:

(1) Fully account to the cooperating sponsor for all commodities delivered to the processor's possession and shall maintain adequate records and submit periodic reports pertaining to the performance of the agreement;

(2) Be liable for the value of all commodities not accounted for as provided in § 211.9(e);

(3) Return or dispose of the containers in which the commodity is received from the cooperating sponsor according to instructions from the cooperating sponsor; and

(4) Plainly label carton, sacks, or other containers containing the end product in accordance with paragraph (c) of this section.

(b) *Use of cooperating sponsor facilities.* When cooperating sponsors utilize their own facilities to process, package, or repackage commodities into different end products, and when such products are distributed for consumption off the premises of the cooperating sponsor, the cooperating sponsor shall plainly label the containers as provided in paragraph (c) of this section, and banners, posters, or similar media which shall contain information similar to that prescribed in paragraph (c) of this section, shall be displayed at the distribution center. Recipients' individual identification cards shall to the maximum extent practicable be imprinted to contain such information.

(c) *Labeling.* If, prior to distribution, the cooperating sponsor arranges for packaging or repackaging donated commodities, the cartons, sacks, or other containers in which the commodities are packed shall be plainly labeled with the A.I.D. emblem, and insofar as practicable, with the following information in the language of the country

in which the commodities are to be distributed:

(1) Name of commodity;

(2) Provided through the friendship of the American people as food for peace; and

(3) Not to be sold or exchanged (where applicable).

Emblems or other identification of nongovernmental cooperating sponsors also may be added.

(d) *Where commodity containers are not used.* When the usual practice in a country is not to enclose the end product in a container, wrapper, sack, etc., the cooperating sponsor shall, to the extent practicable, display banners, posters, or other media, and imprint on individual recipient identification cards information similar to that prescribed in paragraph (c) of this section.

§ 211.7 Arrangements for entry and handling in foreign country.

(a) *Costs at discharge ports.* Except as otherwise agreed upon by AID/W and provided in the applicable shipping contract or in paragraph (d) and (e) of this section, the cooperating sponsor shall be responsible for all costs, other than those assessed by the delivering carrier either in accordance with its applicable tariff for delivery to the discharge port or the applicable charter or booking contract. The cooperating sponsor shall be responsible for all costs related to

(1) Distributing the commodity to end users, as provided in the approved Operational Plan or TA;

(2) Demurrage, detention, and overtime;

(3) Obtaining independent discharge survey reports as provided in § 211.9 under which the cooperating sponsor will be reimbursed for the costs of obtaining independent survey reports as provided in § 211.9(c)(1)(iv); and

(4) Wharfage, taxes, dues, and port charges assessed and collected by local authorities from the consignee, lighterage (when not a custom of the port), and lightening costs when assessed as a charge separate from the freight rate.

(b) *Duty, taxes, and consular invoices.* Except for commodities which are to be monetized (sold) under an approved Operational Plan or TA, commodities shall be admitted duty free and exempt

from all taxes. Consular or legalization invoices shall not be required unless specific provision is made in the Operational Plan or TA. If required, they shall be issued without cost to the cooperating sponsor or to the Government of the United States. The cooperating sponsor shall be responsible for ensuring prompt entry and transit in the foreign country(ies) and for obtaining all necessary import permits, licenses or other appropriate approvals for entry and transit, including phytosanitary, health and inspection certificates.

(c) *Storage facilities and transportation in foreign countries.* The cooperating sponsors shall provide assurance to USAID or the Diplomatic Post that all necessary arrangements for receiving the commodities have been made, and shall assume full responsibility for storage and maintenance of the commodities from time of delivery at port of entry abroad or, when authorized, at other designated points of entry abroad agreed upon between the cooperating sponsor and A.I.D. Before recommending approval of a program to AID/W, USAID or the Diplomatic Post shall obtain, from the cooperating sponsor, assurance that provision has been made for internal transportation, and for storage and handling which are adequate by local commercial standards. The cooperating sponsor shall be responsible for the maintenance of the commodities in such manner as to assure distribution of the commodities in good condition to recipient agencies or eligible recipients.

(d) *Inland transportation in intermediate countries.* In the case of landlocked countries, transportation in the intermediate country to a designated inland point of entry in the recipient country shall be arranged by the cooperating sponsor unless otherwise provided in the Operational Plan or TA. Non-governmental cooperating sponsors shall handle claims arising from loss or damage in the intermediate country, in accordance with § 211.9(e). Governmental cooperating sponsors shall assign any rights that they may have to any claims that arise in the intermediate country to USAID or the Diplomatic Post which shall pursue and retain the proceeds of such claims.

(e) *Authorization for reimbursement of costs.* If, because of packaging damage, a cooperating sponsor determines that commodities must be repackaged to ensure that the commodities arrive at the distribution point in a wholesome condition, the cooperating sponsor may incur expenses for such repackaging up to \$500 and such costs will be reimbursed by CCC. If costs will exceed \$500, the authority to repackage and incur the costs must be approved by USAID or the Diplomatic Post in advance of repackaging unless such prior approval is specifically waived, in writing, by USAID or the Diplomatic Post. For losses in transit, the \$500 limitation shall apply to all commodities which are shipped on the same voyage of the same vessel to the same port of destination, irrespective of the kinds of commodities shipped or the number of different bills of lading issued by the carrier. For other losses, the \$500 limitation shall apply to each loss situation, e.g., if 700 bags are damaged in a warehouse due to an earthquake, the \$500 limitation applies to the total cost of repackaging the 700 bags. Shipments may not be artificially divided in order to avoid the limitation of \$500 or for obtaining prior approval to incur repackaging costs.

(f) *Method of reimbursement.* (1) Costs of repackaging required because of damage occurring prior to or during discharge from the ocean carrier should be included, as a separate item, in claims filed against the ocean carrier. (See § 211.9(c).) Full reimbursement of such costs up to \$500 will be made by CCC upon receipt of invoices or other documents to support such costs. For amounts expended in excess of \$500, reimbursement will be made upon receipt of supporting invoices or other documents establishing the costs of repackaging and showing the prior approval of USAID or the Diplomatic Post to incur the costs, unless approval is waived under § 211.7(e).

(2) Costs of repackaging required because of damage caused after discharge of the cargo from the ocean carrier will be reimbursed to the cooperating sponsor by CCC (USDA-ASCS Fiscal Division, 14th & Independence Avenue, Washington, DC 20250) upon receipt of

supporting invoices or other documentation.

§211.8 Disposition of commodities unfit for authorized use.

(a) *Prior to delivery to cooperating sponsor at discharge port or point of entry.* If the commodity is damaged prior to delivery to a governmental cooperating sponsor at discharge port or point of entry overseas, USAID or the Diplomatic Post shall immediately arrange for inspection by a public health official or other competent authority. A nongovernmental cooperating sponsor shall arrange for such an inspection under these circumstances. Commodity that is determined to be unfit for authorized use shall be disposed of in accordance with the priority set forth in paragraph (b). Expenses incidental to the handling and disposition of the damaged commodity shall be paid by USAID or the Diplomatic Post from the sales proceeds, from CCC Account No. 20FT401 or from the special title II, Public Law 480 Agricultural Commodity Account. The net proceeds of sales shall be deposited with the U.S. Disbursing Officer American Embassy, for the credit of CCC Account No. 20FT401.

(b) *After delivery to cooperating sponsor.* (1) If after arrival in a foreign country it appears that all or part of the commodities, may be unfit for the use authorized in the Operational Plan or TA, the cooperating sponsor shall immediately arrange for inspection of the commodity by a public health official or other competent authority approved by USAID or the Diplomatic Post. If no competent local authority is available, USAID or the Diplomatic Post may determine whether the commodities are unfit, and if so, may direct disposal in accordance with paragraphs (b) (1) through (4) of this section. The cooperating sponsor shall arrange for the recovery for authorized use of that part designated during the inspection as suitable for program use. If, after inspection, the commodity (or any part thereof) is determined to be unfit for authorized use the cooperating sponsor shall notify USAID or the Diplomatic Post of the circumstances pertaining to the loss or damage as prescribed in §211.9(f).

(2) A cooperating sponsor shall dispose of commodities determined to be unfit for authorized use in the order of priority described in paragraphs (b)(2) (i) through (iv) of this section. The concurrence of USAID or the Diplomatic Post should be requested for disposition of commodities valued at \$500 or more. If the USAID or Diplomatic Post does not respond to the cooperating sponsor's request for concurrence within 15 days, the cooperating sponsor may dispose of the commodities in the manner described in its request and inform the USAID or Diplomatic Post of its action taken in accordance with this section.

(i) Sale for the most appropriate use, i.e., animal feed, fertilizer, or industrial use, at the highest obtainable price. When the commodity is sold, all U.S. Government markings shall be obliterated, removed or crossed out.

(ii) Transfer to an approved Food for Peace program for use as livestock feed. AID/W shall be advised promptly of any such transfer so that shipments from the United States to the livestock feeding program can be reduced by an equivalent amount.

(iii) Donation to a governmental or charitable organization for use as animal feed or for other nonfood use.

(iv) If the commodity is unfit for any use or if disposal in accordance with paragraphs (b)(2) (i), (ii) or (iii) of this section is not possible, the commodity shall be destroyed in such manner as to prevent its use for any purpose. Commodities valued at \$500 or more shall be destroyed under the observation of a representative of the USAID or Diplomatic Post if practicable. When the cooperating sponsor informs the USAID or Diplomatic Post of its intention to destroy commodities, the cooperating sponsor shall indicate the kind and amount of commodities that will be destroyed, the manner of destruction, the representative(s) of local authorities who will witness the destruction, and the date when the commodities will be destroyed. The date shall be established on the basis of programmatic need, but an effort should be made to provide a reasonable opportunity for a representative of the USAID or Diplomatic Post to attend. The commodities may be destroyed on the date indicated

even if there is no representative of the USAID or Diplomatic Post to observe this action.

(3) Expenses incidental to the handling and disposition of the damaged commodity shall be paid by the cooperating sponsor unless it is determined by USAID or the Diplomatic Post that the damage could not have been prevented by the proper exercise of the cooperating sponsor's responsibility under the terms of the Operational Plan or TA. Actual expenses incurred, including third party costs, in selling the commodities may be deducted from the sales proceeds and, except for monetization programs, the net proceeds shall be deposited with the U.S. Disbursing Officer, American Embassy, with instructions to credit the deposit to CCC Account No. 20FT401. In monetization programs, net proceeds shall be deposited in the special account used for the approved program.

(4) The cooperating sponsor shall furnish USAID or the Diplomatic Post a written report in accordance with § 211.9(f), and the report shall enclose a certification by a public health official or other competent authority of

(i) The exact quantity of the damaged commodity disposed of because it was determined to be unfit for any use and

(ii) The manner in which the commodities were destroyed.

§ 211.9 Liability for loss damage or improper distribution of commodities.

(Where the instructions in this § 211.9 state that the cooperating sponsor should contact USDA or CCC, the contact office is: Kansas City ASCS Commodity Office (KCCO), P.O. Box 419205, Kansas City, Missouri 64141-6205. For Section 211.9 (a) and (b) contact: KCCO, Chief, Processed Commodities Division. For § 211.9(c) contact: KCCO, Chief, Claims and Collections Division, Kansas City, Missouri 64141-6105.)

(a) *Fault of cooperating sponsor prior to loading on ocean vessel.* A cooperating sponsor and A.I.D. shall agree on a schedule for shipping commodities. A nongovernmental cooperating sponsor that books cargo for ocean transportation must notify USDA immediately if the vessel does not arrive at the U.S. port of export in accordance with the

agreed shipping schedule. USDA will determine whether the commodity shall be

(1) Moved to another available outlet;

(2) Stored at the port for delivery to the nongovernmental cooperating sponsor when a vessel is available for loading; or

(3) Disposed of as USDA may deem proper.

When CCC incurs additional expenses because the nongovernmental cooperating sponsor, or its agent, fails to meet the agreed shipping schedule or to make necessary arrangements to accept commodities at the points of delivery designated by CCC, and CCC determines that the expenses were incurred because of the fault or negligence of the nongovernmental cooperating sponsor, the cooperating sponsor shall reimburse CCC for such expenses or take such action as directed by CCC.

(b) *Fault of others prior to loading on ocean vessel.* A nongovernmental cooperating sponsor shall immediately notify CCC if there is a loss of or damage to commodities, between the time title is transferred to the cooperating sponsor and the time the commodities are loaded on board the vessel, that is caused by the act or omission of a third party, such as a warehouseman or carrier, who is or may be legally liable for the loss or damage. The cooperating sponsor also shall promptly assign to CCC any claim it has against the third party and forward to CCC all documents relating to the loss or damage and the claim. CCC shall have the right to initiate, prosecute, and retain the proceeds all claims for such loss or damage.

(c) *Ocean carrier loss and damage—(1) Survey and outturn reports.* (i) Nongovernmental cooperating sponsors shall arrange for an independent cargo surveyor to attend the discharge of the cargo and to count or weigh the cargo and examine its condition, unless USAID or the Diplomatic Post determines that such examination is not feasible, or if CCC has made other provision for such examinations and reports. The surveyor shall prepare a report of its findings showing the quantity and condition of the commodities discharged. The report also shall show the probable cause of any damage

noted, and set forth the time and place when the examination was made. If practicable, the examination of the cargo shall be conducted jointly by the surveyor, the consignee, and the ocean carrier, and the survey report shall be signed by all parties. Customs receipts, port authority reports, shortlanding certificates, cargo boat notes, stevedore's tallies, etc., where applicable, shall be obtained and furnished with the report of the surveyor. Whenever a damaged commodity appears unfit for its intended use, the cooperating sponsor shall obtain

(A) A certification by a public health official or similar competent authority regarding the condition of the commodity; and

(B) A certificate of disposition if the commodity is determined to be unfit for its intended use. These certificates shall be obtained as soon as possible after discharge of the cargo. If the cooperating sponsor can provide a narrative chronology or other commentary to assist in the adjudication of ocean transportation claims, this information should be forwarded as follows: cooperating sponsors shall prepare such a statement in any case where the loss is estimated to be in excess of \$5,000; all documentation shall be in English or supported by an English translation and shall be forwarded as set forth in paragraphs (c)(1) (iii) and (iv) of this section; and the cost of an English translation shall be incorporated into the survey fee. The cooperating sponsor may, at its option, also engage the independent surveyor to supervise clearance and delivery of the cargo from customs or port areas to the cooperating sponsor or its agent and to issue delivery survey reports thereon.

(ii) In the event of cargo loss or damage, a nongovernmental cooperating sponsor shall provide the names and addresses of individuals who were present at the time of discharge and during survey and who can verify the quantity lost or damaged. In the case of bulk grain shipments, the cooperating sponsor shall obtain the services of an independent surveyor to:

(A) Observe discharge of the cargo;

(B) Report on discharging method (including whether a scale was used, its

type and calibration and other factors affecting its accuracy, or an explanation of why a scale was not used and how weight was determined);

(C) Furnish information as to whether cargo was discharged in accordance with port customs;

(D) Provide actual or estimated (if scales not used) quantity of cargo lost during discharge and specify how such losses occurred;

(E) Obtain copies of port and/or ship records including scale weights, where applicable, to show quantity discharged;

(F) Verify that upon conclusion of discharge, cargo holds are empty;

(G) Provide to USDA information as to quantity, type and cause of lost or damaged cargo;

(H) Furnish daily tally totals and any other pertinent information about the bagging of the bulk cargo when cargo is bagged or stacked by vessel interests; and

(I) Notify the cooperating sponsor immediately if additional services are necessary to protect cargo interests or if the surveyor has reason to believe that the correct quantity was not discharged.

The cooperating sponsor, in the case of damage to bulk grain shipments, shall obtain and provide the same documentation regarding quality of cargo as set forth in §211.8(a) and paragraph (c)(1)(i) of this section. In the case of shipments arriving in container vans, cooperating sponsors shall require the independent surveyor to list the container van numbers and seal numbers shown on the container vans, and indicate whether the seals were intact at the time the container vans were opened, and whether the container vans were in any way damaged. To the extent possible, the independent surveyor should observe discharge of container vans from the vessel to ascertain whether any damage to the container van occurred and arrange for surveying the contents of any damaged container vans as they are opened.

(iii) Cooperating sponsors shall send to USDA copies of all reports and documents pertaining to the discharge of commodities. For those surveys arranged by CCC, the cooperating sponsors may obtain a copy of the report

from the local USAID Food for Peace Officer.

(iv) CCC will reimburse a nongovernmental cooperating sponsor for the costs incurred by it in obtaining the services of an independent surveyor to conduct examinations of the cargo and render the report set forth above. Reimbursement by CCC will be made upon receipt by CCC of the survey report and the surveyor's invoice or other documents that establish the survey cost. However, CCC will not reimburse a nongovernmental cooperating sponsor for the costs of only a delivery survey, in the absence of a discharge survey, or for any other survey not taken contemporaneously with the discharge of the vessel, unless such deviation from the documentation requirements of paragraph (c)(1) of this section is justified to the satisfaction of CCC.

(v) CCC normally will contract for the survey of cargo on shipments furnished under Transfer Authorizations, including shipments for which A.I.D. contracts for the ocean transportation services. Survey contracts normally will be let on a competitive bid basis. However, if a USAID or Diplomatic Post desires that CCC limit its consideration to only certain selected surveyors, USAID or the Diplomatic Post shall furnish AID/W a list of eligible surveyors for forwarding to CCC. Surveyors may be omitted from the list, for instance, based on foreign relations considerations, conflicts of interest, and/or lack of demonstrated capability to carry out surveying responsibilities properly as set forth in the requirements of CCC. Upon receipt of written justification for removal of a particular survey firm, CCC will consider removal of such firm and advise the USAID via AID/W of the final determination. AID/W will furnish CCC's surveying requirements to a USAID or Diplomatic Post upon request. If CCC is unable to find a surveyor at a port to which a shipment has been consigned, CCC may request AID/W to contact USAID or the Diplomatic Post to arrange for a survey. The surveyor's bill for such services shall be submitted to USAID or the Diplomatic Post for review. After the billing has been approved, USAID or the Diplomatic Post either may pay the bill using funds in

CCC account 20FT401, if available, or forward the bill to AID/W for transmittal to CCC for payment. If USAID or the Diplomatic Post pays the bill, AID/W shall be advised of the amount paid, and CCC will reimburse USAID or the Diplomatic Post.

(2) *Claims against ocean carriers.* (i) Whether or not title to commodities has transferred from CCC to the cooperating sponsor, if A.I.D. contracted for the ocean transportation, CCC shall have the right to initiate, prosecute, and retain the proceeds of all claims against ocean carriers for cargo loss and/or damage arising out of shipments of commodities transferred or delivered by CCC hereunder.

(ii)(A) Unless otherwise provided in the Operational Plan or TA, nongovernmental cooperating sponsors shall file notice of any cargo loss and/or damage with the ocean carrier immediately upon discovery of any such loss and/or damage, promptly initiate claims against the ocean carrier for cargo loss and/or damage, take all necessary action to obtain restitution for losses within any applicable periods of limitations, and transmit to CCC copies of all such claims. However, the nongovernmental cooperating sponsor need not file a claim when the cargo loss and/or damage is not in excess of \$100, or in any case when the loss and/or damage is between \$100 and \$300 and it is determined by the nongovernmental cooperating sponsor that the cost of filing and collecting the claim will exceed the amount of the claim. The nongovernmental cooperating sponsor shall transmit to CCC copies of all claims filed with the ocean carriers for cargo loss and/or damage, as well as information and/or documentation on shipments when no claim is to be filed. When General Average has been declared, no action will be taken by the nongovernmental cooperating sponsor to file or collect claims for loss or damage to commodities. (See paragraph (c)(2)(iii) of this section.)

(B) The value of commodities misused, lost or damaged shall be determined on the basis of the domestic market price at the time and place the misuse, loss or damage occurred, or, in case it is not feasible to obtain or determine such market price, the f.o.b. or

f.a.s. commercial export price of the commodity at the time and place of export, plus ocean freight charges and other costs incurred by the U.S. Government in making delivery to the cooperating sponsor. When value is determined on a cost basis, nongovernmental cooperating sponsors may add to the value any provable costs they have incurred prior to delivery by the ocean carrier. In preparing the claim statement, these costs shall be clearly segregated from costs incurred by the U.S. Government. With respect to claims other than ocean carrier loss or damage claims, at the request of the cooperating sponsor or upon the recommendation of USAID or the Diplomatic Post, AID/W may determine that such value may be established on some other justifiable basis. When replacement is made, the value of commodities misused, lost or damaged shall be their value at the time and place the misuse, loss, or damage occurred and the value of the replacement commodities shall be their value at the time and place replacement is made.

(C) Amounts collected by nongovernmental cooperating sponsors on claims against ocean carriers not in excess of \$200 may be retained by the nongovernmental cooperating sponsor. On claims involving loss and/or damage having a value in excess of \$200, nongovernmental cooperating sponsors may retain from collections received by them, the larger of:

(1) The amount of \$200 plus 10 percent of the difference between \$200 and the total amount collected on the claim, up to a maximum of \$500, or

(2) Actual administrative expenses incurred in collection of the claim if approved by CCC.

Collection costs shall not be deemed to include attorneys fees, fees of collection agencies, and the like. In no event will collection costs in excess of the amount collected on the claim be paid by CCC. The nongovernmental cooperating sponsors may also retain from claim recoveries remaining after allowable deductions for administrative expenses of collection, the amount of any special charges, such as handling, packing, and insurance costs, which the nongovernmental cooperating sponsor has incurred on the lost and/or

damaged commodity and which are included in the claims and paid by the liable party.

(D) A nongovernmental cooperating sponsor may redetermine claims on the basis of additional documentation or information, not considered when the claims were originally filed when such documentation or information clearly changes the ocean carrier's liability. Approval of such changes by CCC is not required regardless of amount. However, copies of redetermined claims and supporting documentation or information shall be furnished to CCC.

(E) A nongovernmental cooperating sponsor may negotiate compromise settlements of claims regardless of the amount thereof, except that proposed compromise settlements of claims having a value in excess of \$5,000 shall not be accepted until such action has been approved in writing by CCC. When a claim is compromised, the nongovernmental cooperating sponsor may retain from the amount collected, the amounts authorized in paragraph (c)(2)(ii)(C) and in addition, an amount representing such percentage of the special charges described in paragraph (c)(2)(ii)(C) as the compromised amount is to the full amount of the claim. When a claim is not in excess of \$600, the nongovernmental cooperating sponsor may terminate collection activity on the claim according to the standards set forth in the Federal Claims Collection Standards, 4 CFR 104.3. Approval of such termination by CCC is not required, but the nongovernmental cooperating sponsor shall notify CCC when collection activity on a claim is terminated.

(F) All amounts collected in excess of the amounts authorized herein to be retained shall be remitted to CCC. For the purpose of determining the amount to be retained by the nongovernmental cooperating sponsor from the proceeds of claims filed against ocean carriers, the word "claim" shall refer to the loss and/or damage to commodities which are shipped on the same voyage of the same vessel to the same port destination, irrespective of the kinds of commodities shipped or the number of different bills of lading issued by the carrier. If a nongovernmental cooperating sponsor is unable to collect a claim or

negotiate an acceptable compromise settlement within the applicable period of limitation or any extension thereof granted in writing by the liable party or parties, the rights of the nongovernmental cooperating sponsor to the claim shall be assigned to CCC in sufficient time to permit the filing of legal action prior to the expiration of the period of limitation or any extension thereof. Nongovernmental cooperating sponsors shall promptly assign their claim rights to CCC upon request. In the event CCC collects or settles the claim after the rights of the nongovernmental cooperating sponsor to the claim have been assigned CCC, CCC shall, except as shown below, pay to the nongovernmental cooperating sponsor the amount the agency or organization would have been entitled to retain had they collected the same amount. However, the additional 10 percent on amounts collected in excess of \$200 will be payable only if CCC determines that reasonable efforts were made to collect the claim prior to the assignment, or if payment is deemed to be commensurate with the extra efforts exerted in further documenting claims. In addition, if CCC determines that the documentation requirements of paragraph (c)(1) have not been fulfilled and the lack of such documentation has not been justified to the satisfaction of CCC, CCC reserves the right to deny payment of all allowances to the nongovernmental cooperating sponsor.

(G) When nongovernmental cooperating sponsors fail to file claims, or permit claims to become time-barred, or fail to provide for the right of CCC to assert such claims, as provided in this § 211.9, and it is determined by CCC that such failure was due to the fault or negligence of the nongovernmental cooperating sponsor, the agency or organization shall be liable to the United States for the cost and freight (C&F) value of the commodities lost to the program.

(iii) If a cargo loss has been incurred on a nongovernmental cooperating sponsor shipment, and general average has been declared, the nongovernmental cooperating sponsor shall furnish to CCC with a duplicate copy to AID/W—

(A) Copies of booking confirmations and the applicable on-board bill(s) of lading,

(B) The related outturn or survey report(s),

(C) Evidence showing the amount of ocean transportation charges paid to the carrier(s), and

(D) An assignment to CCC of the cooperating sponsor's right to the claim(s) for such loss.

CCC assumes responsibility for general average and marine salvage.

(iv) A.I.D. will initiate and prosecute claims against ocean carriers and defend claims by such carriers, arising from or relating to affreightment contracts booked by A.I.D. where the claims involve entitlement to freight and related costs from the U.S. Government. Proceeds of such claims received by A.I.D. shall be returned to CCC pursuant to agreed procedures.

(d) *Fault of cooperating sponsor in country of distribution.* If a commodity, monetized proceeds or program income is used for a purpose not permitted under the Operational Plan or TA or this Regulation, or if a cooperating sponsor causes loss or damage to a commodity, monetized proceeds or program income through any act or omission or failure to provide proper storage, care and handling, the cooperating sponsor shall pay to the United States the value of the commodities, monetized proceeds or program income, lost, damaged, or misused, unless A.I.D. determines that such improper distribution or use, or such loss or damage, could not have been prevented by proper exercise of the cooperating sponsor's responsibility under the Operational Plan or TA and this Regulation. In determining whether there was a proper exercise of the cooperating sponsor's responsibility, A.I.D. shall consider normal commercial practices in the country of distribution and the problems associated with carrying out programs in developing countries. Payment by the cooperating sponsor shall be made in accordance with paragraph (g) of this section, except that the USAID or Diplomatic Post may agree to permit a cooperating sponsor to replace commodities lost, damaged, or misused with similar commodities of equal value.

(e) *Fault of others in country of distribution and in intermediate country.* (1) In addition to survey and/or outturn reports to determine ocean carrier loss and damage, the cooperating sponsor shall, in the case of landlocked countries, arrange for an independent survey at the point of entry into the recipient country and to make a report as set forth in paragraph (c)(1) of this section. CCC will reimburse the cooperating sponsor for the costs of a survey as set forth in paragraph (c)(1)(iv).

(2) If a cooperating sponsor acquires any right against a person or governmental or nongovernmental organization based on an event for which the person or organization is responsible that resulted in the damage, loss or misuse of any commodity, monetized proceeds or program income, the cooperating sponsor shall file a claim against the liable party or parties for the value of the commodities, monetized proceeds or program income lost, damaged or misused and shall make every reasonable effort to collect the claim. A copy of the claim and related documents shall be provided to USAID or the Diplomatic Post. Cooperating sponsors who fail to file or pursue such claims shall be liable to A.I.D. for the value of the commodities or monetized proceeds or program income lost, damaged, or misused: Provided, however, that the cooperating sponsor may elect not to file a claim if the loss is less than \$500 and such action is not detrimental to the program. Cooperating sponsors may retain \$150 of any amount collected on an individual claim. In addition, cooperating sponsors may, with the written approval of USAID or the Diplomatic Post, retain either special costs such as reasonable legal fees that they have incurred in the collection of a claim, or pay such legal fees with monetized proceeds or program income. Any proposed settlement for less than the full amount of the claim must be approved by USAID or the Diplomatic Post prior to acceptance. When the cooperating sponsor has exhausted all reasonable attempts to collect a claim, it shall request USAID or the Diplomatic Post to provide further instructions in accordance with paragraph (e)(4).

(3) *Calculation of the amount of a claim against others.* A claim is the right a cooperating sponsor has against a third party as a result of an event for which the third party is responsible that caused the loss, damage or misuse of commodities, monetized proceeds or program income. The amount of the claim is based on the value of the commodities, monetized proceeds or program income lost, damaged or misused as a result of the event. An individual claim may not be broken down artificially to enlarge the amount the cooperating sponsor may retain as an administrative allowance on collection of the claim. For example, if a cooperating sponsor has a contract with a carrier to transport commodities, and losses occur during a single shipment of commodities from points A to B, the cooperating sponsor has one claim against the carrier, and the amount of the claim will be based on the total value of the commodities lost during the shipment from A to B even though some of the loss might have occurred on each of several trucks or by subcontractors used by the carrier to satisfy its contract responsibility to transport the commodities.

(4) Reasonable attempts to collect the claim shall not be less than the follow-up of initial billings with three progressively stronger demands at not more than 30-day intervals. If these efforts fail to elicit a satisfactory response, legal action in the judicial system of the cooperating country should be pursued unless:

(i) Liability of the third party is not provable,

(ii) The cost of pursuing the claim would exceed the amount of the claim,

(iii) The third party would not have enough assets to satisfy the claim after a judicial decision favorable to the cooperating sponsor,

(iv) Maintaining legal action in the country's judicial system would seriously impair the cooperating sponsor's ability to conduct an effective program in the country, or

(v) It is inappropriate for reasons relating to the judiciary or judicial system of the country.

A cooperating sponsor's decision not to take legal action, and reasons therefore, must be submitted in writing to

USAID or the Diplomatic Post for review and approval, and USAID or the Diplomatic Post may require the cooperating sponsor to obtain and submit the opinion of competent legal counsel to support its decision. A cooperating sponsor also may request approval to terminate legal action after it has commenced if it is apparent that any of the exceptions described above becomes applicable or if it is otherwise appropriate to terminate legal action prior to judgment. In each instance, USAID or the Diplomatic Post must provide the cooperating sponsor a written explanation of its decision within 45 days from the date the request is received or inform the cooperating sponsor in writing regarding the reason(s) the USAID or Diplomatic Post needs more time to make a decision. If USAID or the Diplomatic Post approves a cooperating sponsor's decision not to take further action on the claim for reasons described in paragraphs (e)(4)(iv) or (v) of this section, the cooperating sponsor shall assign the claim to A.I.D. and shall provide to A.I.D. all documentation relating to the claim. When USAID or the Diplomatic Post takes an assignment of a claim or claims from a cooperating sponsor, the USAID or Diplomatic Post shall consult AID/W regarding the appropriate action to take on the assigned claim(s), unless standing guidance is in effect.

(5) As an alternative to legal action in the judicial system of the country with regard to claims against a public entity of the government of the cooperating country, the cooperating sponsor and the cooperating country may agree to settle disputed claims by an appropriate administrative procedure and/or arbitration. This alternative may be established in the Host Country Food for Peace Program Agreement required under § 211.3(b), or by a separate formal understanding, and must be submitted to USAID or the Diplomatic Post for review and approval. Resolution of disputed claims by any administrative procedure or arbitration agreed to by the cooperating sponsor and the cooperating country should be final and binding on the parties.

(f) *Reporting losses to USAID or the Diplomatic Post.* (1) The cooperating

sponsor shall provide the USAID or Diplomatic Post a quarterly report regarding any loss, damage or misuse of commodities, monetized proceeds or program income. The report must be provided within 30 days after the close of the calendar quarter and shall contain the following information except for commodity losses less than \$500: who had possession of the commodities, monetized proceeds or program income; who, if anyone, might be responsible for the loss, damage or misuse; the kind and quantity of commodities; the size and type of containers; the time and place of loss, damage or misuse; the current location of the commodities; the program number; CCC contract number, if known, and if not known, other identifying numbers printed on the commodity containers; the action taken by the cooperating sponsor with respect to recovery or disposal; and the estimated value of the loss, damage or misuse. If any of this information is not available, the cooperating sponsor shall explain why it is not. The report simply may identify separately commodity losses valued at less than \$500 and indicate the estimated value of the commodities lost damaged or misused and the action taken by the cooperating sponsor with respect to recovery or disposal, except that the cooperating sponsor shall inform the USAID or Diplomatic Post if it has reason to believe there is a pattern or trend in the loss, damage or misuse of such commodities and provide the information described above for losses of \$500 or more together with such other information available to it. USAID or the Diplomatic Post may require additional information about any commodities lost, damaged or misused. Information in the quarterly report may be provided in tabular form to the extent possible, and the report shall enclose a copy of any claim made by the cooperating sponsor during the reporting period.

(2) If any commodity, monetized proceeds or program income is lost or misused under circumstances which give a cooperating sponsor reason to believe that the loss or misuse has occurred as a result of criminal activity, the cooperating sponsor shall promptly report these circumstances to the A.I.D.

Inspector General through AID/W, USAID or the Diplomatic Post, and subsequently to the appropriate authorities of the cooperating country unless instructed not to do so by A.I.D. The cooperating sponsor also shall cooperate fully with any subsequent investigation by the Inspector General and/or authorities of the cooperating country.

(g) *Handling claims proceeds.* Claims against ocean carriers shall be collected in U.S. dollars (or in the currency in which freight is paid, or a pro rata share of each) and shall be remitted (less amounts authorized to be retained) by nongovernmental cooperating sponsors to CCC. With respect to commodities, claims against nongovernmental cooperating sponsors shall be paid to CCC or AID/W in U.S. dollars; amounts paid by other cooperating sponsors and third parties in the country of distribution shall be deposited with the U.S. Disbursing Officer, American Embassy, preferably in U.S. dollars with instructions to credit the deposit to CCC Account No. 12X4336, or in local currency with instructions to credit the deposit to Treasury sales account 20FT401. Any conversion required for these deposits shall be at the highest rate of exchange legally obtainable on the date of deposit unless A.I.D. agrees otherwise in writing. With respect to monetized proceeds and program income, amounts recovered should be deposited into the special interest-bearing account established for the monetized proceeds and may be used for purposes of the approved program.

(h) *General average.* CCC shall—

(1) Be responsible for settling general average and marine salvage claims;

(2) Retain the authority to make or authorize any disposition of commodities which have not commenced ocean transit or of which the ocean transit is interrupted, and receive and retain any monetary proceeds resulting from such disposition;

(3) In the event of a declaration of general average, initiate, prosecute, and retain all proceeds of cargo loss and damage claims against ocean carriers; and

(4) Receive and retain any allowance in general average. CCC will pay any

general average or marine salvage claims determined to be due.

§211.10 Records and reporting requirements.

(a) *Records.* Cooperating sponsors and recipient agencies shall maintain records and documents in a manner which accurately reflects the operation of the program and all transactions pertaining to the receipt, storage, distribution, sale, inspection and use of commodities and to receipt and disbursement of any monetized proceeds and program income. Such records shall be retained for a period of 3 years from the close of the U.S. fiscal year to which they pertain, or longer, upon request by A.I.D. for cause, such as in the case of litigation of a claim or an audit concerning such records. The cooperating sponsor shall transfer to A.I.D. any records, or copies thereof, requested by A.I.D.

(b) *Reports.* Cooperating sponsors shall submit two copies of audits performed in accordance to §211.5(c). In addition, cooperating sponsors shall submit to USAID or the Diplomatic Post, and to AID/W such reports as A.I.D. may reasonably request. The following is a list of the principal types of reports that are to be submitted at least annually:

(1) Periodic summary reports showing receipt, distribution, and inventory of commodities and proposed schedules of shipments or calls forward.

(2) Reports relating to the generation of monetized proceeds and program income and the use of such funds for purposes specified in the Operational Plan or TA. See §211.5(l).

(3) Reports relating to progress and problems in the implementation of the program.

(4) Reports shall be submitted in sufficient detail to enable USAID or the Diplomatic Post to assess and to make recommendations as to the ability of the cooperating sponsors to effectively plan, manage, control and evaluate the Food for Peace programs under their administration.

(5) At the time that an emergency program under Public Law 480, title II

is initiated, whether by a governmental or nongovernmental cooperating sponsor, USAID or the Diplomatic Post should

(i) Make a determination regarding the ability of the cooperating sponsor to perform the record-keeping required by this § 211.10, and

(ii) In those instances in which those specific record-keeping requirements cannot be followed, due to emergency circumstances, specify exactly which essential information will be recorded in order to account fully for title II commodities and monetized proceeds.

(c) *Inspection and audit.* Cooperating sponsors and recipient agencies shall cooperate with and assist U.S. Government representatives to enable them at any reasonable time to:

(1) Examine activities and records of the cooperating sponsor, recipient agencies, processors, or others, pertaining to the receipt, storage, distribution, processing, repackaging, sale and use of commodities by recipients;

(2) Inspect commodities in storage, or the facilities used in the handling or storage of commodities;

(3) Examine and audit books and records, including financial books and records and reports pertaining to storage, transportation, processing, repackaging, distribution, sale and use of commodities and pertaining to the deposit and use of any monetized proceeds and program income;

(4) Review the overall effectiveness of the program as it relates to the objectives set forth in the Operational Plan or TA; and

(5) Examine or audit the procedure and methods used in carrying out the requirements of this Regulation.

Inspections and audits of title II emergency programs will take into account the circumstances under which such programs are carried out.

§ 211.11 Suspension, termination, and expiration of program.

(a) *Termination or suspension by A.I.D.* All or any part of the assistance provided under the program, including commodities in transit, may be terminated or suspended by A.I.D. at its discretion if AID/W determines that a cooperating sponsor has failed to comply with the provisions of the approved

Operational Plan or TA, or of this Regulation, or that the continuation of such assistance is no longer necessary or desirable. If AID/W believes that circumstances permit, AID/W will provide a nongovernmental cooperating sponsor written notice of A.I.D.'s intention to terminate or suspend the cooperating sponsor's program, together with an explanation of the reason(s) for A.I.D.'s action, at least 30 days prior to the date indicated in the notice that the program will be terminated or suspended. Comments provided by the nongovernmental cooperating sponsor prior to the effective date of the termination or suspension shall be considered by AID/W in determining whether to rescind the notice. When a program is terminated or suspended, title to commodities which have been transferred to the cooperating sponsor, or monetized proceeds, program income and real or personal property procured with monetized proceeds or program income shall, at the written request of USAID, the Diplomatic Post or AID/W, be transferred to the U.S. Government by the cooperating sponsor or shall otherwise be transferred by the cooperating sponsor as directed by A.I.D. Any then excess commodities on hand at the time the program is terminated shall be disposed of in accordance with § 211.5 (o) and (p) or as otherwise instructed by USAID or the Diplomatic Post. If it is determined that any commodity authorized to be supplied under the Operational Plan or TA is no longer available for Food for Peace programs, such authorization shall terminate with respect to any commodities which, as of the date of such determination have not been delivered f.o.b. or f.a.s. vessel, provided that every effort will be made to give adequate advance notice to protect cooperating sponsors against unnecessarily booking vessels.

(b) *Expiration of program.* Upon expiration of the approved program under circumstances other than those described in paragraph (a), the cooperating sponsor shall deposit with the U.S. Disbursing Officer, American Embassy, with instructions to credit the deposit

to CCC Account No. 20FT401, any remaining monetized proceeds or program income, or the cooperating sponsor shall obtain approval from AID/W for the use of such monetized proceeds or program income, or real or personal property procured with such proceeds or income, for purposes consistent with those authorized for support from A.I.D.

§ 211.12 Waiver and amendment authority.

The Assistant Administrator for Food and Humanitarian Assistance, A.I.D., may waive, withdraw, or amend, at any time, any or all of the provisions of this Regulation 11 if such provision is not statutory and it is determined to be in the best interest of the U.S. Government to do so. Any cooperating sponsor which has failed to comply with the provisions of this Regulation or any instructions or procedures issued in connection herewith, or any agreements entered into pursuant hereto may at the discretion of A.I.D. be suspended or disqualified from further participation in any distribution program. Reinstatement may be made at the option of A.I.D. Disqualification shall not prevent A.I.D. from taking other action through other available means when considered necessary.

APPENDIX I TO PART 211—OPERATIONAL PLAN

A. General Outline of Operational Plans for Title II Activities

In addition to any other requirement of law or regulation, the Operational Plan will include information outlined below to the extent it is applicable to the specific activity.

1. Program Goals.

Describe program goals and criteria for measuring progress toward reaching the goals. Each program should be designed to achieve measurable objectives within a specified period of time.

2. Program Description.

a. Describe the characteristics, extent and severity of problems that the program will address.

b. Provide a clear concise statement of specific objectives for each program and of criteria for measuring progress towards reaching the objectives. If there are several objectives, indicate priorities.

c. Describe the target population by program, including economic/nutrition-related

characteristics, sufficiently to permit a determination of recipient eligibility for title II commodities. Describe the educational and employment characteristics of the target group, if relevant to program objectives; the rationale for selection of the target group, the rationale for the selection of the geographical areas where programs will be carried out; the calculation of coverage and the percent of total target population reached.

d. Describe the intervention including:

(1) *Ration composition.* A description of rations, rationale for size and composition, assessment of effectiveness (dilution, sharing, acceptance).

(2) *Complementary program components and inputs.* Identify existing or potential complementary program components, i.e., education, growth monitoring, training, etc., that are necessary to achieve program impact, including determination of financial costs and sources of funding.

(3) *Monetization.* Describe to whom the commodities will be sold; the sales price (which shall not be less than the value of the food commodities f.a.s. or f.o.b.); arrangements for deposit of the monetization proceeds in a special (segregated), interest bearing account, pending use of the proceeds plus interest for the program; and the capability of the cooperating sponsor and recipient agencies to use and account for monetized proceeds properly as well as technical assistance the cooperating sponsor intends to obtain or provide if necessary in order to ensure that there are adequate financial and other management systems for the program proposed.

(4) *Intervention strategy.* Describe how the commodities, monetization proceeds, program income and other program components will address the problems. Indicate the recipient agencies to which commodities, monetized proceeds or program income will be transferred, and identify those recipient agencies which will not be required to execute Recipient Agency Agreements, and provide a brief explanation of the reasons.

(5) *Linkages with other development activities, such as health or agricultural extension services.* Describe specific areas of collaboration relative to program purposes.

(6) *Monitoring and evaluation.* Include a description of the evaluation plan, including information to be collected for purposes of assessing program operations and impact. Describe the monitoring system for collection, analysis and utilization of information. Include a schedule for carrying out the evaluation as well as a plan for conducting audits (Regulation 11, section 211.5(c)).

(7) *Program period.* The Operational Plan should cover enough time for a program to become fully operational and to permit evaluation of its effectiveness, including specific measurement of progress in achieving the

stated program goals. Normally this will be a multi-year time frame, such as three to five years. Plans for and considerations involved in phasing-out U.S.G. support, and any phasing-over to non-U.S.G. support, should be discussed.

3. *Program funding.* Provide details of host government, cooperating sponsor and other non-USG support for the proposed program, with specific budgetary information on how these funds are to be used (e.g. complementary inputs, transport, administration). Where relevant, discussion of arrangements which will be made covering voluntary contributions.

4. *Publicity.* Describe how the requirements for public recognition, container marking, and use of funds set forth in Regulation 11, §§211.5i(h), (i) and (k) and in 211.6 (a) and (b), will be met.

5. *Logistics.* Provide a logistics plan that demonstrates the adequacy and availability in recipient country of port facilities, transportation and storage facilities to handle the flow of commodities to recipients to prevent spoilage or waste. A further affirmation must be made at the time of exportation of the commodity from the United States.

6. *Disincentives.* Furnish sufficient information concerning the plan of distribution and the target group of recipients so that a determination can be made as to whether the proposed food distribution would result in substantial disincentive to domestic food production. It is not necessary to provide a disincentive analysis if A.I.D. or USDA has completed such an analysis for another program that is relevant to the program proposed by the cooperating sponsor.

7. *Accountability.* Describe the method to be used to supervise, monitor, and account for the distribution or sale of commodities and the use of monetized proceeds and program income.

8. *Import duty.* Provide information to show approval of foreign government to import the donated commodities duty free.

9. *Voluntary agency regular programs.* An Operational Plan is required for all regular, i.e., non-emergency, title II nongovernmental cooperating sponsor programs as part of their program submission, along with the Annual Estimate of Requirements (AER), to USAID or the Diplomatic Post and AID/W. When new multi-year Operational Plans are required, they should be prepared and submitted in advance of the year in which they are to begin, in order to permit adequate time for substantive review and approval. In any event, nongovernmental cooperating sponsor Operational Plans should be submitted to AID/W no later than the Mission Action Plan covering the following fiscal year's program. Once an Operational Plan has been approved, only an updating will be required on an annual basis, unless there has been a significant change from the approved plan's

program directives, methodology, design or magnitudes. Updates should be submitted each year for review with the AERs.

B. Operational Plans for Emergency Programs

The response to emergency situations using title II resources does not usually permit the same degree of detail and certainty of analysis that is expected in planning title II non-emergency programs. However, Operational Plans are required for all nongovernmental cooperating sponsors' emergency programs, along with the AER. An Operational Plan for an emergency program must cover the same basic elements, set forth above, as for a nonemergency program. Thus, all of the above basic issues set forth in the Operational Plan format must be addressed when proposing title II emergency programs as well as regular nonemergency programs.

C. USAID/Diplomatic Post Responsibilities

A USAID or Diplomatic Post is expected to comment on the substance and adequacy of a nongovernmental cooperating sponsor's Operational Plan when submitted to AID/W along with a program request, and to address the plan's relationship to and consistency with the Mission's Country Development Strategy Statement.

D. Required Approval for Program Change

Cooperating sponsors agree not to deviate from the program as described in the Operational Plan and other program documents approved by A.I.D., without the prior written approval of A.I.D.

E. Emergency Assistance Program Requests

Any cooperating sponsor (governmental or nongovernmental) may initiate an emergency assistance proposal under Public Law 480, title II. Requests are received by a USAID or Diplomatic Post and reviewed and approved before forwarding to AID/W with appropriate recommendations.

a. Nongovernmental emergency program requests can be cabled by USAID or the Diplomatic Post for AID/W review based on information provided and using procedures established for regular programs as described in Regulation 11, §211.5(a): AER and Operational Plan.

b. A foreign government or international organization (other than World Food Program) emergency request normally requires more Mission involvement in program design and management. However, as in the case of nongovernmental programs, the approval will be based on a cabled program summary based on the program plan outlined in (2) above. On approval, AID/W will prepare a Transfer Authorization (TA) to be signed by the recipient government specifying terms of the program and reporting requirements. Additional guidance in preparing government-

§ 212.1

to-government or international organizations emergency requests is in chapter 9 and Exhibit A of A.I.D. Handbook 9. The TA serves as (1) the Food for Peace Agreement between the U.S. Government and the cooperating sponsor, (2) the project authorization document, and (3) the authority for the CCC to ship commodities. (Under Pub. L. 480, section 207(a), not later than 15 days after receipt of a call forward from a field mission for commodities, the order shall be transmitted to the CCC.)

F. Local Currency Programs (Public Law 480, Title II Section 203)

Detailed guidance for preparing, approving, implementing and administering these programs is provided in chapters 6, 7, and 11 of A.I.D. Handbook 9.

G. Problems Conducting Programs In Developing Countries

Describe the problems that can be anticipated in implementing the program in the recipient country as a result of its being a developing country.

H. Waivers

A cooperating sponsor should provide a justification for the waiver of any specific section or sections of Regulation 11 that it believes necessary for the program.

Subpart A—General

§ 212.1 Statement of policy.

(a) It is the policy of the United States Agency for International Development (hereinafter “USAID” or “the Agency”) that information about its objectives and operations be freely available to the public in accordance with the provisions of the Freedom of Information Act (“FOIA”), 5 U.S.C. 552, as amended; the President’s Memorandum for Heads of Departments and Agencies regarding the FOIA, 29 Weekly Comp. Pres. Doc. 1999 (October 4, 1993); and the Attorney General’s Memorandum of the same title and date. The Director, Office of Administrative Services, Bureau for Management, or his/her designee, is responsible on behalf of the Agency for administration of the provisions of the regulations set forth in this part.

(b) In addition, concerning the International Cooperation and Development Agency (“IDCA”), pursuant to executive order and delegations of authority USAID is responsible not only for management of its own affairs but also for those of IDCA. The policy of IDCA in the FOIA area has been determined by USAID to be identical to that of USAID, as stated in this section. Therefore, all policies and procedures set forth in this part apply equally to IDCA as to USAID; and it is intended that references in this part to “USAID” or “the Agency” shall, wherever appropriate, include or mean a

reference to IDCA. Accordingly, all IDCA FOIA-related matters shall be referred to and processed by USAID staff under this part as though they were USAID matters.

(c) All records of USAID shall be made available to the public upon compliance with the procedures established in § 212.33, except to the extent a determination is made to withhold a record exemptible under 5 U.S.C. 552(b). Such a determination shall be made pursuant to procedures set forth in § 212.36, 212.37 and 212.38.

(d) The term "record" as used in this part includes all books, papers, maps, photographs, or other documentary material or copies thereof, regardless of physical form or characteristics, made in or received by USAID (including its missions or offices abroad), and preserved as evidence of its organization, functions, policies, decisions, procedures, operations, or other activities. The term does not include copies of the records of other U.S. Government agencies, foreign governments, international organizations, or non-governmental entities which do not evidence organization, functions, policies, decisions, procedures, operations, or activities of USAID.

Subpart B—Publication in the Federal Register

§ 212.11 Materials to be published.

(a) USAID separately states and currently publishes in the FEDERAL REGISTER for the information and guidance of the public:

(1) Descriptions of its central and field organization and the established places at which, the officers from whom, and the methods whereby, the public may secure information, make submittals or requests, or obtain decisions;

(2) Statements of the general course and method by which its functions are channelled and determined, including the nature and requirements for all formal and informal procedures available;

(3) Rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;

(4) Substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by USAID; and

(5) Every amendment, revision or repeal of the material listed in this section.

(b) USAID Public Notice No. 1 and the USAID Regulations published in chapter II of Title 22 and in subtitle A, Chapter 7 of Title 41 of the Code of Federal Regulations implement the provisions of this section.

§ 212.12 Effect of nonpublication.

The materials referenced in § 212.11 shall not be binding upon or otherwise adversely affect a person unless either

(a) The materials were in fact published in the FEDERAL REGISTER or

(b) The person otherwise had actual and timely notice of the content of such materials.

§ 212.13 Incorporation by reference.

For purposes of this subpart B, USAID matters which are reasonably available to the class of persons affected thereby are deemed to be published in the FEDERAL REGISTER when they have been incorporated by reference therein with the approval of the Director of the Federal Register.

Subpart C—Availability of Information for Public Inspection and Copying

§ 212.21 Public records.

In accordance with this subpart, USAID makes the following information and materials available for public inspection and copying:

(a) All final opinions (including concurring and dissenting opinions), and all orders made in the adjudication of the cases;

(b) those statements of policy and interpretations which have been adopted by the Agency and are not published in the FEDERAL REGISTER; and

(c) Administrative staff manuals and instructions to staff that affect any member of the public.

§ 212.22 Protection of personal privacy.

To the extent required to prevent a clearly unwarranted invasion of personal privacy, USAID may delete identifying details when USAID makes available or publishes an opinion, statement of policy, interpretation, or staff manual or instruction. USAID will, in each such case, explain in writing the justification for the deletion.

§ 212.23 Current index.

USAID maintains and makes available for public inspection and copying a current index providing identifying information for the public as to any matter which has been issued, adopted, or promulgated after July 4, 1967, and which is required by § 212.21 to be made available or published. Publication of an index is deemed both unnecessary and impractical. However, copies of the index are available, upon request, for a fee based on the direct cost of duplication.

§ 212.24 Effect of noncompliance.

No final order, opinion, statement of policy, interpretation, or staff manual or instruction that affects any member of the public will be relied upon, used, or cited as precedent by USAID against any private party unless it has been indexed and either made available or published as provided by this subpart, or unless that private party shall have actual and timely notice of the terms thereof.

§ 212.25 Procedures for obtaining materials under this subpart.

(a) The materials required to be made available for public inspection and copying in accordance with this subpart are available to members of the public at USAID's Public Reading Room, Room 1113, 1621 North Kent Street, Rosslyn, Virginia 22209, which is open from 9 a.m. to 5 p.m., Monday through Friday, except on holidays. All such materials are available in electronic form (disks) only; to a reasonable degree, assistance will be provided in use of necessary equipment.

(b) Requests for materials which are available under this subpart should follow the procedures under § 212.33(a) of this part.

(c) The direct costs of any necessary duplication will be charged in accordance with the fee schedule set forth in § 212.35.

(d) USAID Missions and offices in countries abroad are not responsible for the maintenance of the index and materials available under this subpart. However, insofar as they do have these materials, they will make them available to citizens of the United States who are present in their respective countries upon application made either or in person in writing to the USAID Director, or other principal USAID officer, c/o American Embassy in the applicable country.

Subpart D—Access to Agency Records

§ 212.31 Availability of agency records.

Upon receiving a request which reasonably describes a USAID record, and which is made in accordance with the provisions of this subpart, USAID will make such records, except the following, promptly available to the requesting party:

(a) Matters published in the FEDERAL REGISTER pursuant to subpart B;

(b) Matters made available to the public pursuant to subpart C; and

(c) Matters exempt from disclosure pursuant to § 212.41 or § 241.42 of this part.

§ 212.32 Identification of records.

The request for a record by a member of the public must contain a reasonably specific description of the particular record sought so that a USAID officer who is familiar with the subject matter of the request may be able to locate the record with a reasonable amount of effort. A description that includes as much information as possible, such as the subject matter, format, approximate date and, where pertinent, the name of the country or person involved, will facilitate the search for the requested record.

§ 212.33 Procedure for making requests.

(a) Requests for records, other than records available at the Public Reading Room identified in § 212.24(a), may be made by a member of the public in

writing only to the Chief, Customer Outreach and Oversight Staff, Room 1113, SA-16, Agency for International Development, Department of State, 320 21st Street, N.W., Washington, D.C. 20523-1608. The request and the envelope must be plainly marked "FOIA Request." Requests may be made orally, that is, in person, only for records and materials available at the Public Reading Room.

(b) Requests for records may be made directly to a USAID mission or office abroad only by a citizen of the United States who is present in that country and must be by written application to the USAID Director (or other principal USAID officer), care of the American Embassy in that country. Any such written request and its envelope must be plainly marked "FOIA Request."

(c) Only signed original (as opposed to electronically transmitted) requests are acceptable for procedures pursuant to paragraphs (a) and (b) of this section. Telephoned requests, or in-person requests other than to the Public Reading Room, cannot be accepted. If a written request not properly marked "FOIA Request" on both the letter and envelope is thereby delayed in reaching the Chief, Office of Customer Outreach and Oversight Staff, such request will not be deemed received by USAID until actually received by that official. In the event of such a delay, the person making the request will be furnished a notice of the effective date of receipt.

§ 212.34 Procedures for responding to requests for records.

(a) Upon receipt by the Chief, Office of Customer Outreach and Oversight Staff, of a reasonably specific request made pursuant to § 212.33 of this part, a maximum of ten working days will normally be taken to determine to what extent the Agency can provide the information requested. Upon the making of that determination, the person making the request will be promptly so informed. Copies of the releasable documents will be made available promptly thereafter upon receipt of applicable fees and charges as set forth in § 212.35.

(b)(1) In unusual circumstances, USAID may not be able to determine the availability of the requested documents within ten working days, in

which event the person making the request will be informed by written notice of the delay, the reasons for the delay and the date on which a determination may be expected. In this context, the term "unusual circumstances" refers to the following situations:

(i) When there is a need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(ii) When there is a need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are sought in a single request; or

(iii) When there is a need for consultation (which will be conducted with all practicable speed) with another agency having a substantial interest in the determination of the request or among two or more components of the Agency, each having substantial subject-matter interest therein.

(2) The maximum time in making a determination of availability, in the event of such unusual circumstances, will be twenty working days from receipt of the request. In the event that only part of the permissible ten working days extension is used, then USAID reserves the right, if necessary, to use any remainder of such time for the determination of an appeal, if one is made.

(c) If a request is made to USAID for material that is controlled or held by another agency, the person making the request will be immediately notified that USAID does not have or control the requested material and he/she will be advised of the name of the controlling agency and of the address from which the material may be requested, unless the other agency has, by public regulation, delegated the release authority to USAID. If release authority has been delegated, USAID will follow the procedures authorized by the delegation in determining whether to release the information. If a request for material is referred to USAID from another agency, the time period for determination of release of the information will not start until the request is received by the Chief, Office of Customer Outreach and Oversight Staff; and the

person making the request will be immediately notified of the referral and of the date the request was received in USAID. USAID will not accept referral of requests unless and until the Chief, Customer Outreach and Oversight Staff, or his/her designee, determines that the material requested is actually within the scope and control of the release authority of USAID.

(d) If only a part of a record is exempt from disclosure, then any reasonably segregable portion of such record will be furnished after deletion of the portions which are exempt, provided that the segregable portion constitutes an intelligible record which is not distorted out of context or contradictory to the substance of the entire record before segregation.

§ 212.35 Schedule of fees and method of payment for services rendered.

(a) *Definitions.* (1) *Direct costs* means those expenditures which the Agency actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents in order to respond to a FOIA request.

(2) *Search* includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Line-by-line search will not be done when duplicating an entire document would prove the less expensive and quicker method of complying with a request. (“Search” for this purpose is distinguished from “review” (see paragraph (a)(4) of this section).

(3) *Duplication* refers to the process of making a copy of a document available to the FOIA requester. Copies can take the form of paper copy, microfilm or audiovisual materials (among others) and will be in a form that is reasonably usable by requesters.

(4) *Review* refers to the process of examining documents located in response to a commercial use request (see paragraph (a)(5) of this section) to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to redact those documents of exempt material and otherwise preparing them for release. Re-

view does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(5) *Commercial use request* refers to a request from or on behalf of one who seeks information for a use or purpose that is related to commerce, trade, or the profit interest of the requester or of the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Agency will determine the use to which a requester will put the documents requested. Where the Agency has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the Agency may seek additional clarification before assigning the request to a specific category.

(6) *Educational institution* refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education which operates a program or programs of scholarly research.

(7) *Non-commercial scientific institution* refers to an institution that is not operated on a “commercial” basis as that term is referenced in paragraph (a)(5) of this section and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(8) *Representative of the news media* refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news” who make their products available for purchase or subscription by the general public). These examples are not intended to be all-inclusive. Moreover, as traditional methods of

news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of "freelance" journalists, they may be regarded as working for a news organization if they can demonstrate a sound basis for expecting publication through such an organization, even though not actually employed by it. A publication contract would be the clearest evidence, but the Agency may also look to the past publication record of the requester in making this determination.

(b) *Fees to be charged.* The following specific fees shall be applicable with respect to services rendered to members of the public under this part:

(1) *Commercial use requesters.* Fees are intended to cover the full estimated direct costs of researching for, reviewing for release, and duplicating the records requested. *Search costs* are computed based on the following formula: hours spent by Agency personnel, whatever their grade and location, and rounded up to the nearest full hour, and including locality pay for Washington-based personnel only, at the basic annual rate then payable to U.S. Government employees at the GS-9/Step 4 level, times 1.17 (to factor in related benefits) and divided by 2080 (hours per work year). *Review costs* are computed based on the same formula but, instead, using the rate then payable to employees at the GS-13/Step 4 level. *Duplicating costs* are \$0.20 per page. Search costs will be assessed even though no records may be found or even if, after review, there is no disclosure of records.

(2) *Educational and non-commercial scientific institution requester.* The Agency will provide documents to requesters in this category for the cost of duplication alone (\$0.20 per page), excluding charges for the first 100 pages. To be eligible for inclusion in this category, requesters must show that a request is being made under the auspices of a qualifying institution and that the records are sought in furtherance of scholarly research, if the request is from an educational institution or scientific research, if the request is from a non-commercial scientific institution. Requesters eligible for free search

must (as with all FOIA requesters) reasonably describe the records sought.

(3) *Requesters who are representatives of the news media.* The Agency will provide documents to requesters in this category for the cost of reproduction alone (\$0.20 per page), excluding charges for the first 100 pages. To be eligible for inclusion in this category a requester must meet the criteria in paragraph (a)(8) of this section, and his/her request must not be made for commercial use. In reference to this class of requesters, a request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters eligible for free search must also reasonably describe the records sought.

(4) *All other requesters.* The Agency will charge requesters who do not fit into any of the categories in paragraphs (b) (1), (2), and (3) of this section fees which recover the full direct cost of search, and for reproducing records that are responsive to the request, except that the first 100 pages and the first two hours of search time shall be furnished without charge. The hourly rates outlined in paragraph (b)(1) of this section will prevail. Requesters must reasonably describe the records sought. Moreover, requests from subjects for records filed in the Agency's Privacy Act System of Records will continue to be treated under the fee provisions of the Privacy Act of 1975 except that the first 100 pages of reproduction will be furnished without charge.

(c) *Non-payment of fees.* (1) The Agency will begin assessing interest charges on the thirty-first day following the day on which the requester is advised of the fee charge. Interest will be at the rate prescribed in 31 U.S.C. 3717.

(2) Where a requester has previously failed to copy a fee charged in a timely fashion (i.e. within thirty days of the billing date), the Agency will require the requester to pay the full amount owed plus any applicable interest as provided in paragraph (c)(1) of this section, and to make an advance payment of the full amount of the remaining estimated fee before the Agency begins to process a new request or continues

processing a then-pending request from the requester.

(3) When the Agency acts under paragraph (c) (1) or (2) of this section the administrative time limits prescribed in subsection (a)(6) of the FOIA (i.e., ten working days from receipt of initial request and twenty working days from receipt of appeals from initial denial plus permissible extensions of these time limits) will begin only after the Agency has received fee payments described in this section.

(d) *Advance payments or confirmation.* Where USAID estimates or determines that allowable charges to a requester are likely to exceed \$250, USAID will require a requester to make an advance payment of the entire estimated charges before continuing to process the request. Where the estimated charges are in the \$25–\$250 range, then USAID in its discretion, before processing the request, may require either—

(1) An advance deposit of the entire estimated charges or (2) Written confirmation of the requester's willingness, when billed, to pay such charges.

(e) *Waiving or reducing fee.* In accordance with section (4)(A)(ii) of the FOIA, the Agency will furnish documents without charge or at reduced charges if disclosure of the information is "in the public interest" in that such disclosure is likely to contribute significantly to public understanding of the operations or activities of the Government and is not primarily in the commercial interest of the requester. A requester may at any time, up to a period not to exceed thirty days from the final USAID decision concerning his/her request, request such waiver or reduction of fee by letter addressed to the Chief, Customer Outreach and Oversight Staff; such request shall address the above criteria for waiver. Such request will initially be decided by the Chief, Customer Outreach and Oversight Staff, or his/her designee; such decision will normally be made, and the requester so advised, within ten working days of its receipt. The requester, if dissatisfied with that decision, may appeal pursuant to the same procedures as apply under § 212.36 and § 212.37 of this part.

(f) *Restrictions on assessing fees.* With the exception of requesters seeking documents for a commercial use, Sec-

tion (4)(A)(iv) of the FOIA, as amended, requires agencies to provide the first 100 pages of duplication and the first two hours of search time without charge. Moreover, this section prohibits agencies from charging fees to any requester, including commercial use requesters, if the cost of collecting a fee would be equal to or greater than the fee itself. These provisions work together so that, except for commercial use requesters, the Agency will not begin to assess fees until it has provided such free search and reproduction. For example, for a request that involved two hours and ten minutes of search time and resulted in 105 pages of documents, the Agency will determine the cost of only ten minutes of search time and only five pages of reproduction. If this cost is equal to or less than the cost of processing the payment instrument—a figure which the Agency will from time to time review and determine—then there will be no charge to the requester.

(g) *Other provisions—(1) Charges for unsuccessful search.* The Agency will assess charges for time spent searching even if the Agency fails to locate the records or if records located are determined to be exempt from disclosure.

(2) *Aggregating requesters.* When the Agency reasonably believes that a requester or group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Agency will aggregate any such requesters and charge accordingly.

(3) *Effect of the Debt Collection Act of 1982* (Public Law 97-365). The Agency will use the authorities of the Debt Collection Act, including disclosure to consumer reporting agencies and use of collection agencies, where appropriate, to encourage repayment.

(4) *Remittances.* (i) Remittances will be in U.S. Dollars in the form of either a personal check or bank draft drawn on a bank in the United States or a money order.

(ii) Remittances shall be made payable to the order of the U.S. Treasury and mailed to the Chief, Customer Outreach and Oversight Staff, at the address set forth in § 212.33(a) of this part.

§ 212.36 Denial of request for access to records.

(a) If it is determined that the Agency cannot comply with all or part of a request for records, the person making the request shall be immediately notified of the determination, the reasons for the determination, the name and title of each officer responsible for the denial, and the right of the person to appeal the adverse determination.

(b) The denial of a request for records may be made, initially, only by the Chief, Customer Outreach and Oversight Staff, or his/her designee.

(c) (1) Any person who has been denied access to records pursuant to this section may appeal the relevant decision not later than thirty days after the date of the notification of denial or, in the case of a partial denial, not later than thirty days after the date the releasable documents are actually furnished to the person making the request, whichever is later. The appeal shall be in writing addressed to the Agency's FOIA Appeals Officer, who is:

The Director, Office of Administrative Services, Bureau for Management, Room 803, SA-2, Agency for International Development, 21st and Virginia Ave., N.W., Washington, D.C., 20523-0217.

(2) In order for the Agency to make a timely response to the appeal, both the text of the appeal and its envelope must be plainly marked "FOIA Appeal". The appeal must contain a reasonable description of the record sought and withheld, a copy of the initial decision to deny access and any other information that will enable the Appeals Officer to make the final decision.

§ 212.37 Procedures for agency consideration of appeals.

(a) Upon receipt of the appeal by the Appeals Officer, a maximum of twenty working days will normally be taken to decide the appeal. In unusual circumstances, as defined in § 212.34, the twenty working days may be extended by ten working days or by the number of days not used in the original denial of the request.

(b) If the appeal is granted, the person making the appeal shall be immediately notified and copies of the re-

leasable documents shall be made available promptly thereafter upon receipt of appropriate fees as set forth in § 212.35. If the appeal is denied in whole or part, the person making the request shall be immediately notified of the decisions and of the provisions for judicial review of the Agency's denial of the request.

(c) In the event a determination is not issued within the applicable time limit and the person making the request therefore chooses to sue the Agency, the Agency-level determination process shall nonetheless continue.

(d) If an appeal not properly marked "FOIA Appeal" on the text of the appeal and/or envelope is thereby delayed in reaching the Appeals Officer, it will not be deemed received by the Appeals Officer until actually received by him/her. In such event, the person making the appeal will be furnished notice of the effective date of receipt.

§ 212.38 Predisclosure notification procedures for confidential commercial information.

(a) *In general.* Confidential commercial information provided to the Agency shall not be disclosed pursuant to a FOIA request except in accordance with this section. For purposes of this section, the following definitions apply:

(1) *Confidential commercial information* means records provided to the Agency by a submitter that arguably contain material exempt from release under Exemption 4 of FOIA, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2) *Submitter* means any person or entity who provides confidential commercial information to the Agency. The term "submitter" includes, but is not limited to, corporations, state governments and foreign governments.

(b) *Notice to submitters.* Whenever the Agency receives a FOIA request for confidential commercial information and, pursuant to paragraph (c) of this section, the submitter of such information is entitled to receive notice of that request, then the Agency shall promptly notify the submitter that it has received the request, unless such a

notice is not required pursuant to paragraph (g) of this section. The notice shall be in writing and shall either describe the exact nature of the confidential commercial information requested or provide a copy of the records or portion of the records containing the confidential commercial information. The notice shall be addressed to the submitter and mailed, postage prepaid, first class mail, to the submitter's last known address. Where notice is required to be given to a voluminous number of submitters, in lieu of such a mailing the notice may be posted or published in a manner and place reasonably calculated to provide notice to the submitters.

(c) *When notice is required; related matters.* (1) For confidential commercial information submitted prior to January 1, 1988, the Agency shall provide a submitter with notice of its receipt of a FOIA request whenever:

(i) The records are less than ten years old and the information has been designated by the submitter as confidential commercial information; or

(ii) The Agency has reason to believe that the disclosure of the information could reasonably be expected to cause substantial competitive harm to the submitter thereof.

(2) For confidential commercial information submitted to the Agency on or after January 1, 1988, the Agency shall provide a submitter with notice of its receipt of a FOIA request whenever:

(i) The submitter has designated the information as confidential commercial information pursuant to the requirements of this section; or

(ii) The Agency has reason to believe that the disclosure of the information could reasonably be expected to cause substantial competitive harm to the submitter.

(3) Notice of a request for confidential commercial information falling within paragraph (c)(2)(i) of this section shall be required for a period of not more than ten years after the date of submission unless the submitter provides reasonable justification for a designation period of greater duration.

(4) A submitter shall use good-faith efforts to designate by appropriate markings, either at the time a record

is submitted to the Agency or within a reasonable period of time thereafter, those portions of the record which it deems to contain confidential commercial information. The designation shall be accompanied by a certification made by the submitter, its agent or designee that to the best of the submitter's knowledge, information and belief, the record does, in fact, contain confidential commercial information that theretofore has not been disclosed to the public.

(5) Whenever the Agency provides notice to the submitter in accordance with paragraph (c) of this section, the Agency shall at the same time provide written notice to the requester that it is affording the submitter a reasonable period of time within which to object to the disclosure, and that, therefore, the Agency may be required to enlarge the time within which it otherwise would respond to the request.

(d) *Opportunity to object to disclosure.* To the extent permitted by law, the notice required by paragraph (c) of this section shall afford a submitter a reasonable period of time within which the submitter or its authorized representative may provide the Agency with a written objection to the disclosure of the confidential commercial information and demonstrate why the submitter believes that the records contain confidential commercial information whose disclosure would, probably, cause substantial competitive injury to the submitter. Except where a certification already has been made in conformance with the requirements of paragraph (c)(4) of this section, the objection shall be accompanied by certification made by the submitter, its agent or designee, that to the best of the submitter's knowledge, information and belief, the record does, in fact, contain confidential commercial information that theretofore has not been disclosed to the public. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(e) *Notice of intent to disclose.* (1) The Agency shall give careful consideration to objections made by a submitter pursuant to paragraph (d) of this section prior to making any administrative determination of the issue. Whenever the

Agency decides to disclose information despite the objection of a submitter, the Agency shall forward to the submitter a written notice which shall include:

(i) A statement of the reasons for which a submitter's disclosure objections were not sustained; and

(ii) A description of the information to be disclosed.

(2) To the extent permitted by law, the notice required to be given by paragraph (e)(1) of this section shall be provided to the submitter a reasonable number of days prior to the specific disclosure date.

(3) Whenever the Agency provides notice to the submitter in accordance with paragraphs (e) (1) and (2) of this section, the Agency shall at the same time notify the requester

(i) That such a notice has been given and

(ii) Of the proposed date for disclosure.

(f) *Notice of lawsuit.* When a requester brings suit seeking to compel the disclosure of information for which notice is required pursuant to paragraph (c) of this section, the Agency shall promptly notify the submitter that such suit has been filed.

(g) *Exceptions to notice requirements.* The notice requirements of this section shall not apply if:

(1) The Agency determines that the information should not be disclosed;

(2) The information has been published or has been officially made available to the public;

(3) Disclosure of the information is required by an Agency rule that;

(i) Was adopted pursuant to notice and public comment;

(ii) Specifies narrow classes of records submitted to the Agency that are to be released under the FOIA; and

(iii) Provides in exceptional circumstances for notice when the submitter provides written justification, at the time the information is submitted or a reasonable time thereafter, that disclosure of the information could reasonably be expected to cause substantial competitive harm;

(4) For purposes of paragraph (c) of this section, the information requested was not designated by the submitter as exempt from disclosure when the sub-

mitter had an opportunity to make such designation at the time of submission of the information or within a reasonable time thereafter, unless;

(i) The Agency has substantial reason to believe that disclosure of the information would result in competitive harm; or

(ii) The designation made by the submitter appears obviously frivolous; except that, in such case, the Agency must provide the submitter with written notice of any final administrative disclosure determination within a reasonable number of days prior to the specified disclosure date.

Subpart E—Exemptions From Disclosure

§ 212.41 Exemptions from publication and disclosure requirements of subparts B, C, and D.

None of the provisions of subparts B, C, and D which provide for publication and disclosure of certain information and records shall be applicable to matters that are:

(a) Specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and are in fact properly classified pursuant to such Executive Order;

(b) Related solely to the internal personnel rules and practices of the Agency;

(c) Specifically exempted from disclosure by statute;

(d) Trade secrets and commercial or financial information obtained from a person and privileged and confidential;

(e) Interagency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency;

(f) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(g) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(1) Would reasonably be expected to interfere with enforcement proceedings;

(2) Would deprive a person of a right to a fair trial or an impartial adjudication;

(3) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(4) Could reasonably be expected to disclose the identity of a confidential source, including a State, local or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful security intelligence investigation, information furnished by a confidential source;

(5) Would disclose techniques and procedure for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(6) Could reasonably be expected to endanger the life or physical safety of any individual.

(h) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of any agency responsible for the regulation or supervision of financial institutions; and

(i) Geological and geophysical information and data (including maps) concerning wells.

§ 212.42 Exemption from 5 U.S.C. 552.

Whenever a request is made which involves access to records described in paragraph (g) of § 212.41 and the investigation or proceedings involves a possible violation of criminal law; and there is reason to believe that the subject of the investigation or proceeding is not aware of its pendency, and disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings, the Agency may, during only such time as that circumstances continues, treat the records as not subject to the requirements of 5 U.S.C. 552 and this subpart.

Subpart F—Opening of Records for Nonofficial Research Purposes

§ 212.51 General policy.

(a) The Agency will open its records on an equitable basis to all individuals engaged in private research as soon as such action may be taken without adversely affecting the national security, the maintenance of friendly relations with other nations, the efficient operation of the Agency, or the administrative feasibility of servicing requests for access to such records.

(b) Access for research purposes to the classified foreign policy records in the Agency's custody will be governed by the regulations of the Department of State with respect thereto, as set forth in part 6, chapter II of title II of the Code of Federal Regulations. Application for such access may be made to the Chief, Customer Outreach and Oversight Staff, at the address listed in § 212.33(a) of this part. That officer, or his/her designee, in consultation with the Director, Historical Office, Department of State, or his/her designee, will determine the action to be taken and will so advise the researcher.

Subpart A—General Provisions

SOURCE: 50 FR 38521, Sept. 23, 1985, unless otherwise noted.

§ 213.1 Purpose.

These regulations prescribe the procedures to be used by the Agency for International Development ("AID") in the collection of claims owed to AID and to the United States.

§ 213.2 Scope.

(a) *Applicability of Federal Claims Collection Standards.* Except as set forth in this part or otherwise provided by law, AID will conduct administrative actions to collect claims (including offset, compromise, suspension, termination, disclosure and referral) in accordance with the Federal Claim Collection Standards ("FCCS") of the General Accounting Office and Department of Justice, 4 CFR parts 101-105.

(b) This part is not applicable to:

(1) Claims arising out of loans for which compromise and collection authority is conferred by section 635(g)(2) of the Foreign Assistance Act of 1961, as amended, 22 U.S.C. 2395(g)(2).

(2) Claims arising from investment guaranty operations for which settlement and arbitration authority is con-

ferred by section 635(i) of the Foreign Assistance Act of 1961, as amended, 22 U.S.C. 2395(i).

(3) Claims against any foreign country or any political subdivision thereof, or any public international organization.

(4) Claims where the A.I.D. Administrator or his designee determines that the achievement of the purposes of the Foreign Assistance Act of 1961, as amended, 22 U.S.C. 2151 *et seq.*, or any other provision of law administered by A.I.D. require a different course of action.

§ 213.3 Subdivision of claims.

A debtor's liability arising from a particular contract or transaction (for example, each individual Supplier's Certificate and Agreement, Form AID 282) shall be considered a single claim for purposes of the monetary ceilings of the FCCS.

§ 213.4 Late payment, penalty and administrative charges.

(a) Except as otherwise provided by statute, loan agreement or contract, A.I.D. will assess:

(1) *Late payment charges* (interest) on unpaid claims at the higher of the Treasury tax and loan account rate or the prompt payment interest rate established under section 12 of the Contract Disputes Act of 1978.

(2) *Penalty charges* at 6 percent a year on any portion of a claim that is delinquent for more than 90 days.

(3) *Administrative charges* to cover the costs of processing and calculating delinquent claims.

(b) Late payment charges shall be computed from the date of *mailing* or *hand delivery* of the notice of the claim and interest requirements.

(c) *Waiver.* (1) Late payment charges are waived on any claim or any portion of a claim which is paid within 30 days after the date on which late payment charges begin to accrue.

(2) The 30 day period may be extended on a case-by-case basis if it is determined that an extension is appropriate.

(3) AID may waive late payment, penalty and administrative charges under the FCCS criteria for the compromise of claims (41 CFR part 103) or upon a determination that collection of the

charges would be against equity and good conscience or not in the best interests of the United States, including for example:

- (i) Pending consideration of a request for reconsideration, administrative review or waiver under a permissive statute,
- (ii) If repayment of the full amount of the debt is made after the date upon which interest and other charges become payable and the estimated costs of recovering the residual balance exceed the amount owed, or
- (iii) If collection of interest or other charges would jeopardize collection of the principal of the claim.

§ 213.5 Demand for payment.

(a) A total of three progressively stronger written demands at approximately 30-day intervals will normally be made, unless a response or other information indicates that additional written demands would either be unnecessary or futile. When necessary to protect the Government's interest, written demand may be preceded by other appropriate actions under the Federal Claims Collection Standards, including immediate referral for litigation and/or offset.

(b) The initial written demand for payment (usually a Bill for Collection, Form AID 7-129) shall inform the debtor of:

- (1) The basis for the claim;
- (2) The amount of the claim;
- (3) The date when payment is due 30 days from date of mailing or hand delivery of the initial demand for payment;
- (4) The provision for late payment (interest), penalty and administrative charges, if payment is not received by the due date.

§ 213.6 Collection by offset.

(a) Collection by administrative offset will be undertaken only on claims which are liquidated or certain in amount. Offset will be used whenever feasible and not otherwise prohibited. Offset is not required to be used in every instance and consideration should be given to the debtor's financial condition and the impact of offset on Agency programs or projects.

(b) The procedures for offset in this section do not apply to the offset of Federal salaries under 5 U.S.C. 5514 or offset under section 640A of the Foreign Assistance Act of 1961, as amended, 22 U.S.C. 2399.

(c) Before offset is made, the agency will provide the debtor with written notice informing the debtor of:

- (1) The nature and amount of the claim;
- (2) The intent of the agency to collect by administrative offset, including asking the assistance of other Federal agencies to help in the offset whenever possible, if the debtor has not made payment by the payment due date or has not made an arrangement for payment by the payment due date;
- (3) The right of the debtor to inspect and copy the records of the agency related to the claim;
- (4) The right of the debtor to a review of the claim within the agency. If the claim is disputed in full or part, the debtor shall respond to the demand in writing by making a request to the billing office for a review of the claim within the agency by the payment due date stated in the notice. The debtor's written response shall state the basis for the dispute. If only part of the claim is disputed, the undisputed portion must be paid by the date stated in the notice to avoid late payment, penalty and administrative charges. If A.I.D. either sustains or amends its determination, it shall notify the debtor of its intent to collect the claim, with any adjustments based on the debtor's response by administrative offset unless payment is received within 30 days of the mailing of the notification of its decision following a review of the claim.
- (5) The right of the debtor to offer to make a written agreement to repay the amount of the claim.

(6) The notice of offset need not include the requirements of paragraph (c) (3), (4) or (5) of this section if the debtor has been informed of the requirements at an earlier stage in the administrative proceedings, e.g., if they were included in a final contracting officer's decision.

(d) A.I.D. will promptly make requests for offset to other agencies known to be holding funds payable to a

debtor and, when appropriate, place the name of the debtor on the "List of Contractors Indebted to the United States." A.I.D. will provide instructions for the transfer of funds.

(e) A.I.D. will promptly process requests for offset from other agencies and transfer funds to the requesting agency upon receipt of the written certification required by §102.3 of the FCCS.

Subpart B—Salary Offset Provisions

SOURCE: 51 FR 26544, July 24, 1986, unless otherwise noted.

§213.8 Scope.

(a) This subpart sets forth AID's procedures for the collection of a Federal employee's pay by salary offset to satisfy certain valid and past due debts owed the United States Government.

(b) This subpart applies to:

(1) Current employees of AID and other agencies who owe debts to AID.

(2) Current employees of AID who owe debts to other agencies.

(c) This subpart does not apply to debts or claims arising under the Internal Revenue Code of 1954 (26 U.S.C. 1 *et seq.*); the Social Security Act (42 U.S.C. 301 *et seq.*); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g. travel advances in 5 U.S.C. 5705 and employee training expenses 5 U.S.C. 4108).

(d) This subpart does not apply to any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic de-

ductions from pay or ministerial adjustments in pay, if the amount to be recovered was accumulated over four pay periods or less.

(e) These regulations do not preclude an employee from:

(1) Requesting waiver of erroneous payment of salary, travel, transportation and relocation expenses and allowances;

(2) Requesting waiver of any other type of debt, if waiver is available by statute; or

(3) Questioning the amount of validity of a debt by submitting a subsequent claim to the General Accounting Office.

(f) Nothing in these regulations precludes the compromise, suspension or termination of collection actions where appropriate under subpart A or other regulations.

§213.9 Coordinating offset with another federal agency.

(a) *When AID is owed the debt.* When AID is owed a debt by an employee of another agency, the other agency shall not initiate the requested offset until AID provides the agency with a written certification that the debtor owes AID a debt (including the amount and basis of the debt and the due date of payment) and that AID has complied with these regulations.

(b) *When another agency is owed the debt.* AID may use salary offset against one of its employees who is indebted to another agency, if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount and basis of the debt and the due date of payment) and that the agency has complied with its regulations required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

§213.10 Determination of indebtedness.

(a) In determining that an employee is indebted to AID and that 4 CFR parts 101 through 105 have been satisfied and that salary offset is appropriate, AID will review the debt to make sure that it is valid and past due.

(b) If AID determines that any of the requirements of paragraph (a) of this

section have not been met, no determination of indebtedness shall be made and salary offset will not proceed until AID is assured that the requirements have been met.

§ 213.11 Notice requirements before offset.

Except as provided in § 213.8, salary offset will not be made unless AID first provides the employee with a minimum of 30 calendar days written notice. This Notice of Intent to Offset Salary ("Notice of Intent") will state:

- (a) That AID has reviewed the records relating to the debt and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;
- (b) AID's intention to collect the debt by salary offset, i.e. by means of deduction from the employee's current disposable pay until the debt and all accumulated interest are paid in full;
- (c) The amount, frequency, approximate beginning date, and duration of the salary intent;
- (d) An explanation of that late payment, penalties and administrative costs will be charged in accordance with § 213.4, unless excused in accordance with § 213.4(c);
- (e) The employee's right to inspect and copy agency records relating to the debt;
- (f) The employee's right to enter into a written agreement with AID for a repayment schedule differing from that proposed by AID, so long as the terms of the repayment schedule proposed by the employee are agreeable to AID;
- (g) The right to a hearing conducted by a hearing official on AID's determination of the debt, the amount of the debt, or percentage of disposable pay to be deducted each pay period, so long as a request for a hearing filed by the employee as prescribed by § 213.12;
- (h) That the timely filing of a request for hearing will stay the collection proceedings;
- (i) That a final decision on the hearing will be issued at the earliest practical date, but not later than 60 calendar days after the filing of the request for a hearing, unless the employee requests, and the hearing officer grants, a delay in the proceedings;

(j) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

- (1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statutes or regulations;
- (2) Penalties under the False Claims Act, 31 U.S.C. 3729-3731, or any other applicable statutory authority; or
- (3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002 or any other applicable statutory authority;
- (k) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;
- (l) That amounts paid on or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee, unless there are applicable contractual or statutory provisions to the contrary;
- (m) The method and time period for requesting a hearing; and
- (n) The name and address of an AID official to whom communications should be directed.

§ 213.12 Request for a hearing.

(a) Except as provided in paragraph (c) of this section, an employee must file a request for a hearing, that is received by AID not later than 30 calendar days from the date of AID's notice described in § 213.11 if an employee wants a hearing concerning:

- (1) The existence or amount of the debt; or
- (2) AID's proposed offset schedule (including percentage).
- (b) The request must be signed by the employee and should identify and explain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position. If the employee objects to the percentage of disposable pay to be deducted from each check, the request should state the objection and the reasons for it.

(c) If the employee files a request for hearing later than the 30 calendar days as described in paragraph (a) of this section, the hearing officer may accept the request if the employee can show

that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the filing deadline (unless the employee has actual notice of the filing deadline).

§ 213.13 Result if employee fails to meet deadlines.

An employee waives the right to a hearing and will have his or her disposable pay offset in accordance with offset schedule set forth in the Notice of Intent if the employee:

- (a) Fails to file a petition for a hearing as prescribed in § 213.12; or
- (b) Is scheduled to appear and fails to appear at the hearing.

§ 213.14 Hearings.

(a) If an employee timely files a request for a hearing under § 213.12 AID shall select the time, date, and location for the hearing.

(b)(1) Hearings shall be conducted by an appropriately designated hearing official; and

(2) Rules of evidence shall not be adhered to, but the hearing official shall consider all evidence that he or she determines to be relevant to the debt that is the subject of the hearing and weigh it accordingly, given all of the facts and circumstances surrounding the debt.

(c) AID will have the burden of going forward to prove the existence of the debt.

(d) The employee requesting the hearing shall bear the ultimate burden of proof.

(e) The evidence presented by the employee must prove that no debt exists or cast sufficient doubt such that reasonable minds could differ as to the existence of the debt.

§ 213.15 Written decision following a hearing.

Written decisions provided after a hearing will include:

(a) A statement of the facts presented to support the nature and origin of the alleged debt and those presented to refute the debt;

(b) The hearing officer's analysis, findings and conclusions, considering all of the evidence presented and the

respective burdens of the parties, in light of the hearing;

(c) The amount and validity of the alleged debt determined as a result of the hearing; and

(d) The amount, frequency, beginning date and duration of the salary offset, if applicable.

§ 213.16 Review of agency records related to the debt.

(a) *Notification by employee.* An employee who intends to inspect or copy agency records related to the debt must send a letter to the official designated in § 213.11(n) stating his or her intention. The letter must be received by AID within 30 calendar days of the date of the Notice of Intent.

(b) *AID's response.* In response to the timely notice submitted by the debtor as described in paragraph (a) of this section, AID will notify the employee of the location and time when the employee may inspect and copy AID records related to the debt.

§ 213.17 Written agreement to repay debt as alternative to salary offset.

(a) *Notification by employee.* The employee may propose, in response to a Notice of Intent, a written agreement to repay the debt as an alternative to salary offset. Any employee who wishes to do this must submit a proposed written agreement to repay the debt which is received by AID with 30 calendar days of the date of the Notice of Intent.

(b) *AID's response.* AID will notify the employee whether the employee's proposed written agreement for repayment is acceptable. AID may accept a repayment agreement instead of proceeding by offset. In making this determination, AID will balance AID's interest in collecting the debt against hardship to the employee. If the debt is delinquent and the employee has not disputed its existence or amount, AID will accept a repayment agreement, instead of offset, for good cause such as, if the employee is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

(c) *Procedures.* If the employee and AID enter into a written agreement to repay instead of salary offset, the debt will be repaid in accordance with the

provisions of the agreement and the procedures of § 213.18 will not apply.

§ 213.18 Procedures for salary offset.

Unless AID agrees otherwise, the procedures for salary offset are as follows:

(a) *Method.* Salary offset will be made by deduction at one or more officially established pay intervals from the current pay account of the employee without his or her consent.

(b) *Source.* The source of salary offset is current disposable pay which is that part of current basic pay, special pay, retainer pay, or in the case of an employee not entitled to pay, other authorized pay remaining after the deduction of any amount required by law to be withheld.

(c) *Types.* Ordinarily debts will be collected by salary offset in one lump sum if possible. However, if the employee is financially unable to pay in one lump sum or the amount of the debt exceeds 15 percent of disposal pay for an officially established pay interval, the collection by salary offset must be made in installment deductions.

(d) *Amount and duration of installment deductions.* (1) The size of installment deductions must bear a reasonable relation to the size of the debt and the employee's ability to pay. If possible the size of the deduction will be that necessary to liquidate the debt in no more than 1 year. However, the amount deducted for any period must not exceed 15 percent of the disposal pay from which the deduction is made, unless the employee has agreed to a greater amount.

(2) Installment payments of less than \$25 per pay period will be accepted only in the most unusual circumstances.

(3) Installment deductions will be made over a period of not greater than the anticipated period of employment.

(e) *When deductions may begin.* (1) Salary offset will begin as of the date stated in the Notice of Intent, unless a hearing has been requested.

(2) If there has been a timely request for a hearing, salary offset will begin as of the date stated in the written decision provided after the hearing.

(f) *Additional offset provisions—(1) Liquidation from final check.* If employment ends before salary offset is completed,

the remaining debt will be liquidated by offset from subsequent payments of any nature due the employee from AID as of the date of separation (e.g. final salary payment, lump-sum leave, etc).

(2) *Offset from other payments.* If the debt cannot be liquidated by offset from any final check, the remaining debt will be liquidated by offset from later payments of any kind due the former employee from the United States.

§ 213.19 Non-waiver of rights.

So long as there are no statutory or contractual provisions to the contrary, no employee payment (of all or portion of a debt) collected under this subpart will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514.

§ 213.20 Refunds.

(a) AID will refund promptly to the appropriate individual amounts offset under these regulations when:

(1) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or

(2) AID is directed by an administrative or judicial order to make a refund.

(b) Refunds do not bear interest unless required or permitted by law or contract.

Subpart C—Collection of Debts by Tax Refund Offset

SOURCE: 60 FR 40456, Aug. 9, 1995, unless otherwise noted.

§ 213.21 Purpose.

This subpart establishes procedures for AID to refer past due debts to the Internal Revenue Service (IRS) for offset against income tax refunds of taxpayers owing debts to AID.

§ 213.22 Applicability and scope.

(a) This subpart implements 31 U.S.C. 3720A which authorizes the IRS to reduce a tax refund by the amount of a past due and legally enforceable debt owed to the United States.

(b) A past due legally enforceable debt referable to the IRS is a debt which is owed to the United States and:

(1) Except for judgement debt or other debts specifically exempt from this requirement, is referred within 10 years after AID's right of action accrues;

(2) In the case of individuals, is at least \$25.00;

(3) In the case of business debtors is at least \$100.00;

(4) In the case of individual debtors, cannot be currently collected pursuant to the salary offset provisions of 5 U.S.C. 5514(a);

(5) Is ineligible for or cannot be currently collected pursuant to the administrative offset provisions of 31 U.S.C. 3716;

(6) Is the debt of a debtor (or in the case of an individual debtor, his or her spouse) for whom AID records do not show debtor has filed for bankruptcy under title 11 of the United States Code or for whom AID can clearly establish at the time of the referral that an automatic stay under 11 U.S.C. 362 has been lifted or is no longer in effect;

(7) Has been disclosed by AID to a consumer reporting agency as authorized by 31 U.S.C. 3711(f); and

(8) For which AID has given notice, considered any evidence, and determined that the debt is past-due and legally enforceable under the provisions of this subpart.

§ 213.23 Administrative charges.

All administrative charges incurred in connection with the referral of debts to the IRS will be added to the debt, thus increasing the amount of the offset.

§ 213.24 Pre-offset notice.

(a) Before AID refers a debt to the IRS, it will notify or make a reasonable attempt to notify the debtor that:

(1) The debt is past due;

(2) Unless repaid within 60 calendar days thereafter, the debt will be referred to the IRS for offset against any overpayment of tax;

(3) The debtor has at least 60 days from the date of the notice to present evidence that all or part of such debt is not past-due or not legally enforceable; and

(4) AID will consider any evidence presented by the debtor and determine

whether any part of such debt is past-due and legally enforceable.

(b) The notice will explain to the debtor the manner in which the debtor may present such evidence to AID.

§ 213.25 Reasonable attempt to notify and clear and concise notification.

(a) *Reasonable attempt to notify.* AID will have made a reasonable attempt to notify the debtor under § 213.24(a) it is used a mailing address for the debtor obtained from the IRS pursuant to the Internal Revenue Code, 26 U.S.C. 6103 (m)(2) or (m)(4), unless AID receives clear and concise notification from the debtor that notices are to be sent to an address different from the address obtained from the IRS.

(b) *Clear and concise notification.* Clear and concise notification means that the debtor has provided AID with written notification containing the debtor's name and identifying number (as defined in the Internal Revenue Code, 26 U.S.C. 6109), the debtor's new address, and the debtor's intent to have the notices sent to the new address.

§ 213.26 Consideration of evidence and notification of decision.

(a) AID will give the debtor at least 60 days from the date of the pre-offset notice to present evidence. Evidence that collection of the debt is affected by a bankruptcy proceeding involving the debtor shall bar referral of the debt.

(b) If the evidence presented is not considered by an employee of AID but by an entity or person acting for AID, the debtor will have at least 30 days from the date the entity or person notifies the debtor that all or part of the debt is past-due and legally enforceable to request review by an employee of AID of any unresolved dispute.

(c) AID will provide the debtor with its decision and the decision of any entity or person acting for AID on to whether all or part of the debt is past-due and legally enforceable. The decision will include a statement of the basis or principal bases for the decision.

§ 213.27

§ 213.27 Change in conditions after submission to IRS.

AID will promptly notify the IRS if, after submission of a debt to the IRS for offset, AID:

(a) Determines that an error has been made with respect to the information submitted to the IRS;

(b) Receives a payment or credits a payment, other than an IRS offset, to the account of the debtor;

(c) Receives notice that the debtor has filed for bankruptcy under title 11 of the United States Code or the debt has been discharged in bankruptcy;

(d) Receives notice that an offset was made at the time when the automatic stay provisions of 11 U.S.C. 362 were in effect;

(e) Receives notice that the debt has been extinguished by death; or

(f) Refunds all or part of the offset amount to the debtor.

(g) A fee may be reduced or waived by the Privacy Liaison Officer.

§ 215.12 Penalties and remedies.

The provisions of the Act relating to penalties and remedies are summarized below:

(a) An individual may bring a civil action against the Agency when the Agency:

(1) Makes a determination not to amend a record in accordance with the individual's request;

(2) Refuses to comply with an individual's request pursuant to 5 U.S.C. 552a (d)(1);

(3) Fails to maintain a record concerning an individual with such accuracy, relevance, timeliness and completeness as is necessary to assure fairness in any determination relating to the qualifications, character, rights, or opportunities of, or benefits to the individual that may be made on the basis of such record, and as a result thereof a determination is made which is adverse to the individual; or

(4) Fails to comply with any other provision of section (d) of the Act in such a way as to have an adverse effect on an individual.

(b) The court may order the correction or amendment of the records, may enjoin the Agency from withholding the records, may order the Agency to produce any records improperly withheld, and may assess attorney's fees and costs.

(c) Where a court of competent jurisdiction makes a determination that the Agency action was willful or intentional with respect to 5 U.S.C. 552a (g)(1) (c) or (d), the United States shall be liable for actual damages of no less than \$1,000, the costs of the action, and attorneys' fees.

§ 215.13 General exemptions.

(a) Pursuant to 5 U.S.C. 552a (j)(2), the Director or the Administrator may, where there is a compelling reason to do so, exempt a system of records within the Agency from any part of the Act, except subsections (b), (c) (1) and (2), (e)(4)(A) through (F), (e) (6), (7), (9), (10), and (11), and (i) thereof, if the system of records is maintained by the Agency or component thereof which performs as its principal function any activity pertaining to the enforcement of criminal laws, including police efforts to prevent, control, or reduce crime or to apprehend criminals, and the activities of prosecutors, courts, correctional, probation, pardon, or parole authorities, and which consists of:

(1) Information compiled for the purpose of identifying individual criminal offenders and alleged offenders and consisting only of identifying data and notations of arrests, the nature and disposition of criminal charges, sentencing, confinement, release, and parole and probation status;

(2) Information compiled for the purpose of a criminal investigation, including reports of informants and investigators, and associated with an identifiable individual; or

(3) Reports identifiable to an individual compiled at any stage of the process of enforcement of the criminal laws from arrest or indictment through release from supervision.

(b) Each notice of a system of records that is the subject of an exemption under this section will include a statement that the system has been exempted, the reasons therefore, and a ref-

erence to the FEDERAL REGISTER, volume and page, where the exemption rule can be found.

(c) The systems of records to be exempted under section (j)(2) of the Act, the provisions of the Act from which they are being exempted, and the justification for the exemptions, are set forth below:

(1) *Criminal Law Enforcement Records.* This system of records is to be exempted from sections (c) (3) and (4); (d); (e) (1), (2), and (3); (e) (4) (G), (H), and (I); (e) (5) and (8); (f), (g) and (h) of the Act. These exemptions are necessary to insure the proper functioning of the law enforcement activity, to protect confidential sources of information, to fulfill promises of confidentiality, to maintain the integrity of the law enforcement procedures, to avoid premature disclosure of the knowledge of criminal activity and the evidentiary bases of possible enforcement actions, to prevent interference with law enforcement proceeding, to avoid the disclosure of investigative techniques, and to avoid the endangering the law enforcement personnel.

(2) [Reserved]

§ 215.14 Specific exemptions.

(a) Pursuant to 5 U.S.C. 552a(k), the Director or the Administrator may, where there is a compelling reason to do so, exempt a system of records, from any of the provisions of subsections (c) (3); (d); (e)(1); (e)(4) (G), (H), and (I); and (f) of the Act if a system of records is:

(1) Subject to the provisions of 5 U.S.C. 552(b)(1);

(2) Investigatory material compiled for law enforcement purposes, other than material within the scope of subsection (j)(2) of the Act: Provided, however, That if any individual is denied any right, privilege, or benefit to which he or she would otherwise be eligible, as a result of the maintenance of such material, such material shall be provided to such individual, except to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to the effective date of this section, under

an implied promise that the identity of the source would be held in confidence;

(3) Maintained in connection with providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056;

(4) Required by statute to be maintained and used solely as statistical records;

(5) Investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for Federal civilian employment, military service, Federal contracts, or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of this section, under an implied promise that the identity of the source would be held in confidence;

(6) Testing or examination material used solely to determine individual qualifications for appointment or promotion in the Federal service, the disclosure of which would compromise the objectivity or fairness of the testing or examination process; or

(7) Evaluation material used to determine potential for promotion in the armed services, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to the effective date of this section, under an implied promise that the identity of the source would be held in confidence.

(b) Each notice of a system of records that is the subject of an exemption under 5 U.S.C. 552a(k) will include a statement that the system has been exempted, the reasons therefore, and a reference to the FEDERAL REGISTER, volume and page, where the exemption rule can be found.

(c) The systems of records to be exempted under section (k) of the Act, the provisions of the Act from which they are being exempted, and the justification for the exemptions, are set forth below:

(1) *Criminal Law Enforcement Records.* If the 5 U.S.C. 552a(j)(2) exemption claimed under paragraph (c) of § 215.13 and on the notice of systems of records to be published in the FEDERAL REGISTER on this same date is held to be invalid, then this system is determined to be exempt, under 5 U.S.C. 552(a)(k) (1) and (2) of the Act, from the provisions of 5 U.S.C. 552a (c)(3); (d); (e)(1); (e)(4); (G); (H); (I); and (f). The reasons for asserting the exemptions are to protect the materials required by executive order to be kept secret in the interest of the national defense or foreign policy, to prevent subjects of investigation from frustrating the investigatory process, to insure the proper functioning and integrity of law enforcement activities, to prevent disclosure of investigative techniques, to maintain the ability to obtain necessary information, to fulfill commitments made to sources to protect their identities and the confidentiality of information and to avoid endangering these sources and law enforcement personnel.

(2) *Personnel Security and Suitability Investigatory Records.* This system is exempt under U.S.C. 552a (k)(1), (k)(2), and (k)(5) from the provisions of 5 U.S.C. 552a (c)(3); (d); (e)(1); (e)(4); (G); (H); (I); and (f). These exemptions are claimed to protect the materials required by executive order to be kept secret in the interest of national defense or foreign policy, to prevent subjects of investigation from frustrating the investigatory process, to insure the proper functioning and integrity of law enforcement activities, to prevent disclosure of investigative techniques, to maintain the ability to obtain candid and necessary information, to fulfill commitments made to sources to protect the confidentiality of information, to avoid endangering those sources and, ultimately, to facilitate proper selection or continuance of the best applicants or persons for a given position or contract. Special note is made of the limitation on the extent to which this exemption may be asserted.

(3) *Litigation Records.* This system is exempt under 5 U.S.C. 552(k)(1), (k)(2), and (k)(5) from the provisions of 5 U.S.C. 552a (c)(3); (d); (e)(1); (e)(4) (G); (H); (I); and (f). These exemptions are

claimed to protect the materials required by executive order to be kept secret in the interest of national defense or foreign policy, to prevent subjects of investigation from frustrating the investigatory process, to insure the proper functioning and integrity of law enforcement activities, to prevent disclosure of investigative techniques, to maintain the ability to obtain candid and necessary information, to fulfill commitments made to sources to protect the confidentiality of information.

(4) *Employee Equal Employment Opportunity Complaint Investigatory Records.* This system is exempt under 5 U.S.C. 552a (k)(1) and (k)(2) from the provisions of 5 U.S.C. 552a (c)(3); (d); (e)(1); (e)(4) (G), (H), (I); and (f). These exemptions are claimed to protect the materials required by executive order to be kept secret in the interest of national defense or foreign policy, to prevent subjects of investigation from frustrating the investigatory process, to insure the proper functioning and integrity of law enforcement activities, to prevent disclosure of investigative techniques, to maintain the ability to obtain candid and necessary information, to fulfill commitments made to sources to protect the confidentiality of information, to avoid endangering these sources.

(5) The following systems of records are exempt under 5 U.S.C. 552a (k)(5) from the provision of 5 U.S.C. 552a (c)(3); (d); (e)(1); (e)(4) (G), (H), (I); and (f):

(i) Employee Conduct and Discipline Records.

(ii) Employee Relations Records.

This exemption is claimed for these systems of records to maintain the ability to obtain candid and necessary information, to fulfill commitments made to sources to protect the confidentiality of information, to avoid endangering these sources and, ultimately, to facilitate proper selection or continuance of the best applicants or persons for a given position or contract. Special note is made of the limitation on the extent to which this exemption may be asserted. The existence and general character of the information exempted will be made known to the individual to whom it pertains.

§ 216.1 Introduction.

(a) *Purpose.* In accordance with sections 118(b) and 621 of the Foreign Assistance Act of 1961, as amended, (the FAA) the following general procedures shall be used by A.I.D. to ensure that environmental factors and values are integrated into the A.I.D. decision making process. These procedures also assign responsibility within the Agency for assessing the environmental effects of A.I.D.'s actions. These procedures are consistent with Executive Order 12114, issued January 4, 1979, entitled Environmental Effects Abroad of Major Federal Actions, and the purposes of the National Environmental Policy Act of 1970, as amended (42 U.S.C. 4371 *et seq.*) (NEPA). They are intended to implement the requirements of NEPA as they effect the A.I.D. program.

(b) *Environmental policy.* In the conduct of its mandate to help upgrade the quality of life of the poor in developing countries, A.I.D. conducts a broad range of activities. These activities address such basic problems as hunger, malnutrition, overpopulation, disease, disaster, deterioration of the environment and the natural resource base, illiteracy as well as the lack of adequate housing and transportation. Pursuant to the FAA, A.I.D. provides development assistance in the form of technical advisory services, research, training, construction and commodity support. In addition, A.I.D. conducts programs under the Agricultural Trade Development and Assistance Act of 1954 (Pub. L. 480) that are designed to

combat hunger, malnutrition and to facilitate economic development. Assistance programs are carried out under the foreign policy guidance of the Secretary of State and in cooperation with the governments of sovereign states. Within this framework, it is A.I.D. policy to:

(1) Ensure that the environmental consequences of A.I.D.-financed activities are identified and considered by A.I.D. and the host country prior to a final decision to proceed and that appropriate environmental safeguards are adopted;

(2) Assist developing countries to strengthen their capabilities to appreciate and effectively evaluate the potential environmental effects of proposed development strategies and projects, and to select, implement and manage effective environmental programs;

(3) Identify impacts resulting from A.I.D.'s actions upon the environment, including those aspects of the biosphere which are the common and cultural heritage of all mankind; and

(4) Define environmental limiting factors that constrain development and identify and carry out activities that assist in restoring the renewable resource base on which sustained development depends.

(c) *Definitions*—(1) *CEQ regulations*. Regulations promulgated by the President's Council on Environmental Quality (CEQ) (FEDERAL REGISTER, Volume 43, Number 230, November 29, 1978) under the authority of NEPA and Executive Order 11514, entitled Protection and Enhancement of Environmental Quality (March 5, 1970) as amended by Executive Order 11991 (May 24, 1977).

(2) *Initial Environmental Examination*. An Initial Environmental Examination is the first review of the reasonably foreseeable effects of a proposed action on the environment. Its function is to provide a brief statement of the factual basis for a Threshold Decision as to whether an Environmental Assessment or an Environmental Impact Statement will be required.

(3) *Threshold Decision*. A formal Agency decision which determines, based on an Initial Environmental Examination, whether a proposed Agency action is a

major action significantly affecting the environment.

(4) *Environmental Assessment*. A detailed study of the reasonably foreseeable significant effects, both beneficial and adverse, of a proposed action on the environment of a foreign country or countries.

(5) *Environmental Impact Statement*. A detailed study of the reasonably foreseeable environmental impacts, both positive and negative, of a proposed A.I.D. action and its reasonable alternatives on the United States, the global environment or areas outside the jurisdiction of any nation as described in § 216.7 of these procedures. It is a specific document having a definite format and content, as provided in NEPA and the CEQ Regulations. The required form and content of an Environmental Impact Statement is further described in § 216.7 *infra*.

(6) *Project Identification Document (PID)*. An internal A.I.D. document which initially identifies and describes a proposed project.

(7) *Program Assistance Initial Proposal (PAIP)*. An internal A.I.D. document used to initiate and identify proposed non-project assistance, including commodity import programs. It is analogous to the PID.

(8) *Project Paper (PP)*. An internal A.I.D. document which provides a definitive description and appraisal of the project and particularly the plan or implementation.

(9) *Program Assistance Approval Document (PAAD)*. An internal A.I.D. document approving non-project assistance. It is analogous to the PP.

(10) *Environment*. The term environment, as used in these procedures with respect to effects occurring outside the United States, means the natural and physical environment. With respect to effects occurring within the United States see § 216.7(b).

(11) *Significant effect*. With respect to effects on the environment outside the United States, a proposed action has a significant effect on the environment if it does significant harm to the environment.

(12) *Minor donor*. For purposes of these procedures, A.I.D. is a minor donor to a multidonor project when A.I.D. does not control the planning or

design of the multidonor project and either (i) A.I.D.'s total contribution to the project is both less than \$1,000,000 and less than 25 percent of the estimated project cost, or (ii) A.I.D.'s total contribution is more than \$1,000,000 but less than 25 percent of the estimated project cost and the environmental procedures of the donor in control of the planning of design of the project are followed, but only if the A.I.D. Environmental Coordinator determines that such procedures are adequate.

[45 FR 70244, Oct. 23, 1980]

§ 216.2 Applicability of procedures.

(a) *Scope.* Except as provided in § 216.2(b), these procedures apply to all new projects, programs or activities authorized or approved by A.I.D. and to substantive amendments or extensions of ongoing projects, programs, or activities.

(b) *Exemptions.* (1) Projects, programs or activities involving the following are exempt from these procedures:

- (i) International disaster assistance;
- (ii) Other emergency circumstances; and
- (iii) Circumstances involving exceptional foreign policy sensitivities.

(2) A formal written determination, including a statement of the justification therefore, is required for each project, program or activity for which an exemption is made under paragraphs (b)(1) (ii) and (iii) of this section, but is not required for projects, programs or activities under paragraph (b)(1)(i) of this section. The determination shall be made either by the Assistant Administrator having responsibility for the program, project or activity, or by the Administrator, where authority to approve financing has been reserved by the Administrator. The determination shall be made after consultation with CEQ regarding the environmental consequences of the proposed program, project or activity.

(c) *Categorical exclusions.* (1) The following criteria have been applied in determining the classes of actions including in § 216.2(c)(2) for which an Initial Environmental Examination, Environmental Assessment and Environmental Impact Statement generally are not required;

(i) The action does not have an effect on the natural or physical environment;

(ii) A.I.D. does not have knowledge of or control over, and the objective of A.I.D. in furnishing assistance does not require, either prior to approval of financing or prior to implementation of specific activities, knowledge of or control over, the details of the specific activities that have an effect on the physical and natural environment for which financing is provided by A.I.D.;

(iii) Research activities which may have an effect on the physical and natural environment but will not have a significant effect as a result of limited scope, carefully controlled nature and effective monitoring.

(2) The following classes of actions are not subject to the procedures set forth in § 216.3, except to the extent provided herein;

(i) Education, technical assistance, or training programs except to the extent such programs include activities directly affecting the environment (such as construction of facilities, etc.);

(ii) Controlled experimentation exclusively for the purpose of research and field evaluation which are confined to small areas and carefully monitored;

(iii) Analyses, studies, academic or research workshops and meetings;

(iv) Projects in which A.I.D. is a minor donor to a multidonor project and there is no potential significant effects upon the environment of the United States, areas outside any nation's jurisdiction or endangered or threatened species or their critical habitat;

(v) Document and information transfers;

(vi) Contributions to international, regional or national organizations by the United States which are not for the purpose of carrying out a specifically identifiable project or projects;

(vii) Institution building grants to research and educational institutions in the United States such as those provided for under section 122(d) and title XII of chapter 2 of part I of the FAA (22 USCA 2151 p. (b) 2220a. (1979));

(viii) Programs involving nutrition, health care or population and family planning services except to the extent

designed to include activities directly affecting the environment (such as construction of facilities, water supply systems, waste water treatment, etc.)

(ix) Assistance provided under a Commodity Import Program when, prior to approval, A.I.D. does not have knowledge of the specific commodities to be financed and when the objective in furnishing such assistance requires neither knowledge, at the time the assistance is authorized, nor control, during implementation, of the commodities or their use in the host country.

(x) Support for intermediate credit institutions when the objective is to assist in the capitalization of the institution or part thereof and when such support does not involve reservation of the right to review and approve individual loans made by the institution;

(xi) Programs of maternal or child feeding conducted under title II of Pub. L. 480;

(xii) Food for development programs conducted by food recipient countries under title III of Pub. L. 480, when achieving A.I.D.'s objectives in such programs does not require knowledge of or control over the details of the specific activities conducted by the foreign country under such program;

(xiii) Matching, general support and institutional support grants provided to private voluntary organizations (PVOs) to assist in financing programs where A.I.D.'s objective in providing such financing does not require knowledge of or control over the details of the specific activities conducted by the PVO;

(xiv) Studies, projects or programs intended to develop the capability of recipient countries to engage in development planning, except to the extent designed to result in activities directly affecting the environment (such as construction of facilities, etc.); and

(xv) Activities which involve the application of design criteria or standards developed and approved by A.I.D.

(3) The originator of a project, program or activity shall determine the extent to which it is within the classes of actions described in paragraph (c)(2) of this section. This determination shall be made in writing and be submitted with the PID, PAIP or comparable document. This determination, which

must include a brief statement supporting application of the exclusion shall be reviewed by the Bureau Environmental Officer in the same manner as a Threshold Decision under §216.3(a)(2) of these procedures. Notwithstanding paragraph (c)(2) of this section, the procedures set forth in §216.3 shall apply to any project, program or activity included in the classes of actions listed in paragraph (c)(2) of this section, or any aspect or component thereof, if at any time in the design, review or approval of the activity it is determined that the project, program or activity, or aspect or component thereof, is subject to the control of A.I.D. and may have a significant effect on the environment.

(d) *Classes of actions normally having a significant effect on the environment.* (1) The following classes of actions have been determined generally to have a significant effect on the environment and an Environmental Assessment or Environmental Impact Statement, as appropriate, will be required:

(i) Programs of river basin development;

(ii) Irrigation or water management projects, including dams and impoundments;

(iii) Agricultural land leveling;

(iv) Drainage projects;

(v) Large scale agricultural mechanization;

(vi) New lands development;

(viii) Penetration road building or road improvement projects;

(ix) Powerplants;

(x) Industrial plants;

(xi) Potable water and sewerage projects other than those that are small-scale.

(2) An Initial Environmental Examination normally will not be necessary for activities within the classes described in §216.2(d), except when the originator of the project believes that the project will not have a significant effect on the environment. In such cases, the activity may be subjected to the procedures set forth in §216.3.

(e) *Pesticides.* The exemptions of paragraph (b)(1) of this section and the categorical exclusions of paragraph (c)(2)

of this section are not applicable to assistance for the procurement or use of pesticides.

[45 FR 70244, Oct. 23, 1980]

§ 216.3 Procedures.

(a) *General procedures*—(1) *Preparation of the Initial Environmental Examination.* Except as otherwise provided, an Initial Environmental Examination is not required for activities identified in § 216.2(b)(1), (c) (2), and (d). For all other A.I.D. activities described in § 216.2(a) an Initial Environmental Examination will be prepared by the originator of an action. Except as indicated in this section, it should be prepared with the PID or PAIP. For projects including the procurement or use of pesticides, the procedures set forth in paragraph (b) of this section will be followed, in addition to the procedures in this paragraph. Activities which cannot be identified in sufficient detail to permit the completion of an Initial Environmental Examination with the PID or PAIP, shall be described by including with the PID or PAIP: (i) An explanation indicating why the Initial Environmental Examination cannot be completed; (ii) an estimate of the amount of time required to complete the Initial Environmental Examination; and (iii) a recommendation that a Threshold Decision be deferred until the Initial Environmental Examination is completed. The responsible Assistant Administrator will act on the request for deferral concurrently with action on the PID or PAIP and will designate a time for completion of the Initial Environmental Examination. In all instances, except as provided in paragraph (a)(7) of this section, this completion date will be in sufficient time to allow for the completion of an Environmental Assessment or Environmental Impact Statement, if required, before a final decision is made to provide A.I.D. funding for the action.

(2) *Threshold decision.* (i) The Initial Environmental Examination will include a Threshold Decision made by the officer in the originating office who signs the PID or PAIP. If the Initial Environmental Examination is completed prior to or at the same time as the PID or PAIP, the Threshold Deci-

sion will be reviewed by the Bureau Environmental Officer concurrently with approval of the PID or PAIP. The Bureau Environmental Officer will either concur in the Threshold Decision or request reconsideration by the officer who made the Threshold Decision, stating the reasons for the request. Differences of opinion between these officers shall be submitted for resolution to the Assistant Administrator at the same time that the PID is submitted for approval.

(ii) An Initial Environmental Examination, completed subsequent to approval of the PID or PAIP, will be forwarded immediately together with the Threshold Determination to the Bureau Environmental Officer for action as described in this section.

(iii) A Positive Threshold Decision shall result from a finding that the proposed action will have a significant effect on the environment. An Environmental Impact Statement shall be prepared if required pursuant to § 216.7. If an impact statement is not required, an Environmental Assessment will be prepared in accordance with § 216.6. The cognizant Bureau or Office will record a Negative Determination if the proposed action will not have a significant effect on the environment.

(3) *Negative Declaration.* The Assistant Administrator, or the Administrator in actions for which the approval of the Administrator is required for the authorization of financing, may make a Negative Declaration, in writing, that the Agency will not develop an Environmental Assessment or an Environmental Impact Statement regarding an action found to have a significant effect on the environment when (i) a substantial number of Environmental Assessments or Environmental Impact Statements relating to similar activities have been prepared in the past, if relevant to the proposed action, (ii) the Agency has previously prepared a programmatic Statement or Assessment covering the activity in question which has been considered in the development of such activity, or (iii) the Agency has developed design criteria for such an action which, if applied in the design of the action, will avoid a significant effect on the environment.

(4) *Scope of Environmental Assessment or Impact Statement*—(i) *Procedure and Content.* After a Positive Threshold Decision has been made, or a determination is made under the pesticide procedures set forth in paragraph (b) of this section that an Environmental Assessment or Environmental Impact Statement is required, the originator of the action shall commence the process of identifying the significant issues relating to the proposed action and of determining the scope of the issues to be addressed in the Environmental Assessment or Environmental Impact Statement. The originator of an action within the classes of actions described in § 216.2(d) shall commence this scoping process as soon as practicable. Persons having expertise relevant to the environmental aspects of the proposed action shall also participate in this scoping process. (Participants may include but are not limited to representatives of host governments, public and private institutions, the A.I.D. Mission staff and contractors.) This process shall result in a written statement which shall include the following matters:

(a) A determination of the scope and significance of issues to be analyzed in the Environmental Assessment or Impact Statement, including direct and indirect effects of the project on the environment.

(b) Identification and elimination from detailed study of the issues that are not significant or have been covered by earlier environmental review, or approved design considerations, narrowing the discussion of these issues to a brief presentation of why they will not have a significant effect on the environment.

(c) A description of (1) the timing of the preparation of environmental analyses, including phasing if appropriate, (2) variations required in the format of the Environmental Assessment, and (3) the tentative planning and decision making schedule; and

(d) A description of how the analysis will be conducted and the disciplines that will participate in the analysis.

(ii) These written statements shall be reviewed and approved by the Bureau Environmental Officer.

(iii) *Circulation of scoping statement.* To assist in the preparation of an Environmental Assessment, the Bureau Environmental Officer may circulate copies of the written statement, together with a request for written comments, within thirty days, to selected federal agencies if that Officer believes comments by such federal agencies will be useful in the preparation of an Environmental Assessment. Comments received from reviewing federal agencies will be considered in the preparation of the Environmental Assessment and in the formulation of the design and implementation of the project, and will, together with the scoping statement, will be included in the project file.

(iv) *Change in Threshold Decision.* If it becomes evident that the action will not have a significant effect on the environment (i.e., will not cause significant harm to the environment), the Positive Threshold Decision may be withdrawn with the concurrence of the Bureau Environmental Officer. In the case of an action included in § 216.2(d)(2), the request for withdrawal shall be made to the Bureau Environmental Officer.

(5) *Preparation of Environmental Assessments and Environmental Impact Statement.* If the PID or PAIP is approved, and the Threshold Decision is positive, or the action is included in § 216.2(d), the originator of the action will be responsible for the preparation of an Environmental Assessment or Environmental Impact Statement as required. Draft Environmental Impact Statements will be circulated for review and comment as part of the review of Project Papers and as outlined further in § 216.7 of those procedures. Except as provided in paragraph (a)(7) of this section, final approval of the PP or PAAD and the method of implementation will include consideration of the Environmental Assessment of final Environmental Impact Statement.

(6) *Processing and review within A.I.D.*
(i) Initial Environmental Examinations, Environmental Assessments and final Environmental Impact Statements will be processed pursuant to standard A.I.D. procedures for project approval documents. Except as provided in paragraph (a)(7) of this section, Environmental Assessments and

final Environmental Impact Statements will be reviewed as an integral part of the Project Paper or equivalent document. In addition to these procedures, Environmental Assessments will be reviewed and cleared by the Bureau Environmental Officer. They may also be reviewed by the Agency's Environmental Coordinator who will monitor the Environmental Assessment process.

(ii) When project approval authority is delegated to field posts, Environmental Assessments shall be reviewed and cleared by the Bureau Environmental Officer prior to the approval of such actions.

(iii) Draft and final Environmental Impact Statements will be reviewed and cleared by the Environmental Coordinator and the Office of the General Counsel.

(7) *Environmental review after authorization of financing.* (i) Environmental review may be performed after authorization of a project, program or activity only with respect to subprojects or significant aspects of the project, program or activity that are unidentified at the time of authorization. Environmental review shall be completed prior to authorization for all subprojects and aspects of a project, program or activity that are identified.

(ii) Environmental review should occur at the earliest time in design or implementation at which a meaningful review can be undertaken, but in no event later than when previously unidentified subprojects or aspects of projects, programs or activities are identified and planned. To the extent possible, adequate information to undertake deferred environmental review should be obtained before funds are obligated for unidentified subprojects or aspects of projects, programs or activities. (Funds may be obligated for the other aspects for which environmental review has been completed.) To avoid an irreversible commitment of resources prior to the conclusion of environmental review, the obligation of funds can be made incrementally as subprojects or aspects of projects, programs or activities are identified; or if necessary while planning continues, including environmental review, the agreement or other document obligat-

ing funds may contain appropriate covenants or conditions precedent to disbursement for unidentified subprojects or aspects of projects, programs or activities.

(iii) When environmental review must be deferred beyond the time some of the funds are to be disbursed (e.g. long lead times for the delivery of goods or services), the project agreement or other document obligating funds shall contain a covenant or covenants requiring environmental review, including an Environmental Assessment or Environmental Impact Statement, when appropriate, to be completed and taken into account prior to implementation of those subprojects or aspects of the project, program or activity for which environmental review is deferred. Such covenants shall ensure that implementation plans will be modified in accordance with environmental review if the parties decide that modifications are necessary.

(iv) When environmental review will not be completed for an entire project, program or activity prior to authorization, the Initial Environmental Examination and Threshold Decision required under paragraphs (a)(1) and (2) of this section shall identify those aspects of the project, program or activity for which environmental review will be completed prior to the time financing is authorized. It shall also include those subprojects or aspects for which environmental review will be deferred, stating the reasons for deferral and the time when environmental review will be completed. Further, it shall state how an irreversible commitment of funds will be avoided until environmental review is completed. The A.I.D. officer responsible for making environmental decisions for such projects, programs or activities shall also be identified (the same officer who has decision making authority for the other aspects of implementation). This deferral shall be reviewed and approved by the officer making the Threshold Decision and the officer who authorizes the project, program or activity. Such approval may be made only after consultation with the Office of General Counsel for the purpose of establishing the manner in which conditions precedent to disbursement or covenants in

project and other agreements will avoid an irreversible commitment of resources before environmental review is completed.

(8) *Monitoring.* To the extent feasible and relevant, projects and programs for which Environmental Impact Statements or Environmental Assessments have been prepared should be designed to include measurement of any changes in environmental quality, positive or negative, during their implementation. This will require recording of baseline data at the start. To the extent that available data permit, originating offices of A.I.D. will formulate systems in collaboration with recipient nations, to monitor such impacts during the life of A.I.D.'s involvement. Monitoring implementation of projects, programs and activities shall take into account environmental impacts to the same extent as other aspects of such projects, programs and activities. If during implementation of any project, program or activity, whether or not an Environmental Assessment or Environmental Impact Statement was originally required, it appears to the Mission Director, or officer responsible for the project, program or activity, that it is having or will have a significant effect on the environment that was not previously studied in an Environmental Assessment or Environmental Impact Statement, the procedures contained in this part shall be followed including, as appropriate, a Threshold Decision, Scoping and an Environmental Assessment or Environmental Impact Statement.

(9) *Revisions.* If, after a Threshold Decision is made resulting in a Negative Determination, a project is revised or new information becomes available which indicates that a proposed action might be "major" and its effects "significant", the Negative Determination will be reviewed and revised by the cognizant Bureau and an Environmental Assessment or Environmental Impact Statement will be prepared, if appropriate. Environmental Assessments and Environmental Impact Statements will be amended and processed appropriately if there are major changes in the project or program, or if significant new information becomes available which relates to the impact of the

project, program or activity on the environment that was not considered at the time the Environmental Assessment or Environmental Impact Statement was approved. When on-going programs are revised to incorporate a change in scope or nature, a determination will be made as to whether such change may have an environmental impact not previously assessed. If so, the procedures outlined in this part will be followed.

(10) *Other approval documents.* These procedures refer to certain A.I.D. documents such as PIDs, PAIPs, PPs and PAADs as the A.I.D. internal instruments for approval of projects, programs or activities. From time to time, certain special procedures, such as those in §216.4, may not require the use of the aforementioned documents. In these situations, these environmental procedures shall apply to those special approval procedures, unless otherwise exempt, at approval times and levels comparable to projects, programs and activities in which the aforementioned documents are used.

(b) *Pesticide procedures*—(1) *Project Assistance.* Except as provided in paragraph (b)(2) of this section, all proposed projects involving assistance for the procurement or use, or both, of pesticides shall be subject to the procedures prescribed in paragraphs (b)(1) (i) through (v) of this section. These procedures shall also apply, to the extent permitted by agreements entered into by A.I.D. before the effective date of these pesticide procedures, to such projects that have been authorized but for which pesticides have not been procured as of the effective date of these pesticide procedures.

(i) When a project includes assistance for procurement or use, or both, of pesticides registered for the same or similar uses by USEPA without restriction, the Initial Environmental Examination for the project shall include a separate section evaluating the economic, social and environmental risks and benefits of the planned pesticide use to determine whether the use may result in significant environmental impact. Factors to be considered in such an evaluation shall include, but not be limited to the following:

(a) The USEPA registration status of the requested pesticide;

(b) The basis for selection of the requested pesticide;

(c) The extent to which the proposed pesticide use is part of an integrated pest management program;

(d) The proposed method or methods of application, including availability of appropriate application and safety equipment;

(e) Any acute and long-term toxicological hazards, either human or environmental, associated with the proposed use and measures available to minimize such hazards;

(f) The effectiveness of the requested pesticide for the proposed use;

(g) Compatibility of the proposed pesticide with target and nontarget ecosystems;

(h) The conditions under which the pesticide is to be used, including climate, flora, fauna, geography, hydrology, and soils;

(i) The availability and effectiveness of other pesticides or nonchemical control methods;

(j) The requesting country's ability to regulate or control the distribution, storage, use and disposal of the requested pesticide;

(k) The provisions made for training of users and applicators; and

(l) The provisions made for monitoring the use and effectiveness of the pesticide.

In those cases where the evaluation of the proposed pesticide use in the Initial Environmental Examination indicates that the use will significantly effect the human environment, the Threshold Decision will include a recommendation for the preparation of an Environmental Assessment or Environmental Impact Statement, as appropriate. In the event a decision is made to approve the planned pesticide use, the Project Paper shall include to the extent practicable, provisions designed to mitigate potential adverse effects of the pesticide. When the pesticide evaluation section of the Initial Environmental Examination does not indicate a potentially unreasonable risk arising from the pesticide use, an Environmental Assessment or Environmental Impact Statement shall nevertheless be prepared if the environmental effects of

the project otherwise require further assessment.

(ii) When a project includes assistance for the procurement or use, or both, of any pesticide registered for the same or similar uses in the United States but the proposed use is restricted by the USEPA on the basis of user hazard, the procedures set forth in paragraph (b)(1)(i) of this section will be followed. In addition, the Initial Environmental Examination will include an evaluation of the user hazards associated with the proposed USEPA restricted uses to ensure that the implementation plan which is contained in the Project Paper incorporates provisions for making the recipient government aware of these risks and providing, if necessary, such technical assistance as may be required to mitigate these risks. If the proposed pesticide use is also restricted on a basis other than user hazard, the procedures in paragraph (b)(1)(iii) of this section shall be followed in lieu of the procedures in this section.

(iii) If the project includes assistance for the procurement or use, or both of:

(a) Any pesticide other than one registered for the same or similar uses by USEPA without restriction or for restricted use on the basis of user hazard; or

(b) Any pesticide for which a notice of rebuttable presumption against reregistration, notice of intent to cancel, or notice of intent to suspend has been issued by USEPA.

The Threshold Decision will provide for the preparation of an Environmental Assessment or Environmental Impact Statement, as appropriate (§216.6(a)). The EA or EIS shall include, but not be limited to, an analysis of the factors identified in paragraph (b)(1)(i) of this section.

(iv) Notwithstanding the provisions of paragraphs (b)(1) (i) through (iii) of this section, if the project includes assistance for the procurement or use, or both, of a pesticide against which USEPA has initiated a regulatory action for cause, or for which it has issued a notice of rebuttable presumption against reregistration, the nature of the action or notice, including the

relevant technical and scientific factors will be discussed with the requesting government and considered in the IEE and, if prepared, in the EA or EIS. If USEPA initiates any of the regulatory actions above against a pesticide subsequent to its evaluation in an IEE, EA or EIS, the nature of the action will be discussed with the recipient government and considered in an amended IEE or amended EA or EIS, as appropriate.

(v) If the project includes assistance for the procurement or use, or both of pesticides but the specific pesticides to be procured or used cannot be identified at the time the IEE is prepared, the procedures outlined in paragraphs (b) (i) through (iv) of this section will be followed when the specific pesticides are identified and before procurement or use is authorized. Where identification of the pesticides to be procured or used does not occur until after Project Paper approval, neither the procurement nor the use of the pesticides shall be undertaken unless approved, in writing, by the Assistant Administrator (or in the case of projects authorized at the Mission level, the Mission Director) who approved the Project Paper.

(2) *Exceptions to pesticide procedures.* The procedures set forth in paragraph (b)(1) of this section shall not apply to the following projects including assistance for the procurement or use, or both, of pesticides.

(i) Projects under emergency conditions.

Emergency conditions shall be deemed to exist when it is determined by the Administrator, A.I.D., in writing that:

(a) A pest outbreak has occurred or is imminent; and

(b) Significant health problems (either human or animal) or significant economic problems will occur without the prompt use of the proposed pesticide; and

(c) Insufficient time is available before the pesticide must be used to evaluate the proposed use in accordance with the provisions of this regulation.

(ii) Projects where A.I.D. is a minor donor, as defined in §216.1(c)(12) of this part, to a multi-donor project.

(iii) Projects including assistance for procurement or use, or both, of pes-

ticides for research or limited field evaluation purposes by or under the supervision of project personnel. In such instances, however, A.I.D. will ensure that the manufacturers of the pesticides provide toxicological and environmental data necessary to safeguard the health or research personnel and the quality of the local environment in which the pesticides will be used. Furthermore, treated crops will not be used for human or animal consumption unless appropriate tolerances have been established by EPA or recommended by FAO/WHO, and the rates and frequency of application, together with the prescribed preharvest intervals, do not result in residues exceeding such tolerances. This prohibition does not apply to the feeding of such crops to animals for research purposes.

(3) *Non-project assistance.* In a very few limited number of circumstances A.I.D. may provide non-project assistance for the procurement and use of pesticides. Assistance in such cases shall be provided if the A.I.D. Administrator determines in writing that (i) emergency conditions, as defined in paragraph (b)(2)(i) of this section exists; or (ii) that compelling circumstances exist such that failure to provide the proposed assistance would seriously impede the attainment of U.S. foreign policy objectives or the objectives of the foreign assistance program. In the latter case, a decision to provide the assistance will be based to the maximum extent practicable, upon a consideration of the factors set forth in paragraph (b)(1)(i) of this section and, to the extent available, the history of efficacy and safety covering the past use of the pesticide the in recipient country.

§216.4 Private applicants.

Programs, projects or activities for which financing from A.I.D. is sought by private applicants, such as PVOs and educational and research institutions, are subject to these procedures. Except as provided in §216.2 (b), (c) or (d), preliminary proposals for financing submitted by private applicants shall

be accompanied by an Initial Environmental Examination or adequate information to permit preparation of an Initial Environmental Examination. The Threshold Decision shall be made by the Mission Director for the country to which the proposal relates, if the preliminary proposal is submitted to the A.I.D. Mission, or shall be made by the officer in A.I.D. who approves the preliminary proposal. In either case, the concurrence of the Bureau Environmental Officer is required in the same manner as in § 216.3(a)(2), except for PVO projects approved in A.I.D. Missions with total life of project costs less than \$500,000. Thereafter, the same procedures set forth in § 216.3 including as appropriate scoping and Environmental Assessments or Environmental Impact Statements, shall be applicable to programs, projects or activities submitted by private applicants. The final proposal submitted for financing shall be treated, for purposes of these procedures, as a Project Paper. The Bureau Environmental Officer shall advise private applicants of studies or other information foreseeably required for action by A.I.D.

[45 FR 70247, Oct. 23, 1980]

§ 216.5 Endangered species.

It is A.I.D. policy to conduct its assistance programs in a manner that is sensitive to the protection of endangered or threatened species and their critical habitats. The Initial Environmental Examination for each project, program or activity having an effect on the environment shall specifically determine whether the project, program or activity will have an effect on an endangered or threatened species, or critical habitat. If the proposed project, program or activity will have the effect of jeopardizing an endangered or threatened species or of adversely modifying its critical habitat, the Threshold Decision shall be a Positive Determination and an Environmental Assessment or Environmental Impact Statement completed as appropriate, which shall discuss alternatives or modifications to avoid or mitigate such impact on the species or its habitat.

[45 FR 70247, Oct. 23, 1980]

§ 216.6 Environmental assessments.

(a) *General purpose.* The purpose of the Environmental Assessment is to provide Agency and host country decision makers with a full discussion of significant environmental effects of a proposed action. It includes alternatives which would avoid or minimize adverse effects or enhance the quality of the environment so that the expected benefits of development objectives can be weighed against any adverse impacts upon the human environment or any irreversible or irretrievable commitment of resources.

(b) *Collaboration with affected nation on preparation.* Collaboration in obtaining data, conducting analyses and considering alternatives will help build an awareness of development associated environmental problems in less developed countries as well as assist in building an indigenous institutional capability to deal nationally with such problems. Missions, Bureaus and Offices will collaborate with affected countries to the maximum extent possible, in the development of any Environmental Assessments and consideration of environmental consequences as set forth therein.

(c) *Content and form.* The Environmental Assessment shall be based upon the scoping statement and shall address the following elements, as appropriate:

(1) *Summary.* The summary shall stress the major conclusions, areas of controversy, if any, and the issues to be resolved.

(2) *Purpose.* The Environmental Assessment shall briefly specify the underlying purpose and need to which the Agency is responding in proposing the alternatives including the proposed action.

(3) *Alternatives including the proposed action.* This section should present the environmental impacts of the proposal and its alternatives in comparative form, thereby sharpening the issues and providing a clear basis for choice among options by the decision maker. This section should explore and evaluate reasonable alternatives and briefly discuss the reasons for eliminating those alternatives which were not included in the detailed study; devote

substantial treatment to each alternative considered in detail including the proposed action so that reviewers may evaluate their comparative merits; include the alternative of no action; identify the Agency's preferred alternative or alternatives, if one or more exists; include appropriate mitigation measures not already included in the proposed action or alternatives.

(4) *Affected environment.* The Environmental Assessment shall succinctly describe the environment of the area(s) to be affected or created by the alternatives under consideration. The descriptions shall be no longer than is necessary to understand the effects of the alternatives. Data and analyses in the Environmental Assessment shall be commensurate with the significance of the impact with less important material summarized, consolidated or simply referenced.

(5) *Environmental consequences.* This section forms the analytic basis for the comparisons under paragraph (c)(3) of this section. It will include the environmental impacts of the alternatives including the proposed action; any adverse effects that cannot be avoided should the proposed action be implemented; the relationship between short-term uses of the environment and the maintenance and enhancement of long-term productivity; and any irreversible or irretrievable commitments of resources which would be involved in the proposal should it be implemented. It should not duplicate discussions in paragraph (c)(3) of this section. This section of the Environmental Assessment should include discussions of direct effects and their significance; indirect effects and their significance; possible conflicts between the proposed action and land use plans, policies and controls for the areas concerned; energy requirements and conservation potential of various alternatives and mitigation measures; natural or depletable resource requirements and conservation potential of various requirements and mitigation measures; urban quality; historic and cultural resources and the design of the built environment, including the reuse and conservation potential of various alternatives and mitigation measures; and

means to mitigate adverse environmental impacts.

(6) *List of preparers.* The Environmental Assessment shall list the names and qualifications (expertise, experience, professional discipline) of the persons primarily responsible for preparing the Environmental Assessment or significant background papers.

(7) *Appendix.* An appendix may be prepared.

(d) *Program assessment.* Program Assessments may be appropriate in order to assess the environmental effects of a number of individual actions and their cumulative environmental impact in a given country or geographic area, or the environmental impacts that are generic or common to a class of agency actions, or other activities which are not country-specific. In these cases, a single, programmatic assessment will be prepared in A.I.D./Washington and circulated to appropriate overseas Missions, host governments, and to interested parties within the United States. To the extent practicable, the form and content of the programmatic Environmental Assessment will be the same as for project Assessments. Subsequent Environmental Assessments on major individual actions will only be necessary where such follow-on or subsequent activities may have significant environmental impacts on specific countries where such impacts have not been adequately evaluated in the programmatic Environmental Assessment. Other programmatic evaluations of classes of actions may be conducted in an effort to establish additional categorical exclusions or design standards or criteria for such classes that will eliminate or minimize adverse effects of such actions, enhance the environmental effect of such action or reduce the amount of paperwork or time involved in these procedures. Programmatic evaluations conducted for the purpose of establishing additional categorical exclusions under § 216.2(c) or design considerations that will eliminate significant effects for classes of actions shall be made available for public comment before the categorical exclusions or design standards or criteria are adopted by A.I.D. Notice of the availability of such document shall be published in the FEDERAL REGISTER.

Additional categorical exclusions shall be adopted by A.I.D. upon the approval of the Administrator, and design consideration in accordance with usual agency procedures.

(e) *Consultation and review.* (1) When Environmental Assessments are prepared on activities carried out within or focused on specific developing countries, consultation will be held between A.I.D. staff and the host government both in the early stages of preparation and on the results and significance of the completed Assessment before the project is authorized.

(2) Missions will encourage the host government to make the Environmental Assessment available to the general public of the recipient country. If Environmental Assessments are prepared on activities which are not country-specific, the Assessment will be circulated by the Environmental Coordinator to A.I.D.'s Overseas Missions and interested governments for information, guidance and comment and will be made available in the U.S. to interested parties.

(f) *Effect in other countries.* In a situation where an analysis indicates that potential effects may extend beyond the national boundaries of a recipient country and adjacent foreign nations may be affected, A.I.D. will urge the recipient country to consult with such countries in advance of project approval and to negotiate mutually acceptable accommodations.

(g) *Classified material.* Environmental Assessments will not normally include classified or administratively controlled material. However, there may be situations where environmental aspects cannot be adequately discussed without the inclusion of such material. The handling and disclosure of classified or administratively controlled material shall be governed by 22 CFR part 9. Those portions of an Environmental Assessment which are not classified or administratively controlled will be made available to persons outside the Agency as provided for in 22 CFR part 212.

[45 FR 70247, Oct. 23, 1980]

§ 216.7 Environmental impact statements.

(a) *Applicability.* An Environmental Impact Statement shall be prepared when agency actions significantly affect:

(1) The global environment or areas outside the jurisdiction of any nation (e.g., the oceans);

(2) The environment of the United States; or

(3) Other aspects of the environment at the discretion of the Administrator.

(b) *Effects on the United States: Content and form.* An Environmental Impact Statement relating to paragraph (a)(2) of this section shall comply with the CEQ Regulations. With respect to effects on the United States, the terms environment and significant effect wherever used in these procedures have the same meaning as in the CEQ Regulations rather than as defined in § 216.1(c) (12) and (13) of these procedures.

(c) *Other effects: Content and form.* An Environmental Impact Statement relating to paragraphs (a)(1) and (a)(3) of this section will generally follow the CEQ Regulations, but will take into account the special considerations and concerns of A.I.D. Circulation of such Environmental Impact Statements in draft form will precede approval of a Project Paper or equivalent and comments from such circulation will be considered before final project authorization as outlined in § 216.3 of these procedures. The draft Environmental Impact Statement will also be circulated by the Missions to affected foreign governments for information and comment. Draft Environmental Impact Statements generally will be made available for comment to Federal agencies with jurisdiction by law or special expertise with respect to any environmental impact involved, and to public and private organizations and individuals for not less than forty-five (45) days. Notice of availability of the draft Environmental Impact Statements will be published in the FEDERAL REGISTER. Cognizant Bureaus and Offices will submit these drafts for circulation through the Environmental Coordinator who will have the responsibility for coordinating all such communications

with persons outside A.I.D. Any comments received by the Environmental Coordinator will be forwarded to the originating Bureau or Office for consideration in final policy decisions and the preparation of a final Environmental Impact Statement. All such comments will be attached to the final Statement, and those relevant comments not adequately discussed in the draft Environmental Impact Statement will be appropriately dealt with in the final Environmental Impact Statement. Copies of the final Environmental Impact Statement, with comments attached, will be sent by the Environmental Coordinator to CEQ and to all other Federal, state, and local agencies and private organizations that made substantive comments on the draft, including affected foreign governments. Where emergency circumstances or considerations of foreign policy make it necessary to take an action without observing the provisions of § 1506.10 of the CEQ Regulations, or when there are overriding considerations of expense to the United States or foreign governments, the originating Office will advise the Environmental Coordinator who will consult with Department of State and CEQ concerning appropriate modification of review procedures.

[45 FR 70249, Oct. 23, 1980]

§ 216.8 Public hearings.

(a) In most instances AID will be able to gain the benefit of public participation in the impact statement process through circulation of draft statements and notice of public availability in CEQ publications. However, in some cases the Administrator may wish to hold public hearings on draft Environmental Impact Statements. In deciding whether or not a public hearing is appropriate, Bureaus in conjunction with the Environmental Coordinator should consider:

(1) The magnitude of the proposal in terms of economic costs, the geographic area involved, and the uniqueness or size of commitment of the resources involved;

(2) The degree of interest in the proposal as evidenced by requests from the public and from Federal, state and local authorities, and private organiza-

tions and individuals, that a hearing be held;

(3) The complexity of the issue and likelihood that information will be presented at the hearing which will be of assistance to the Agency; and

(4) The extent to which public involvement already has been achieved through other means, such as earlier public hearings, meetings with citizen representatives, and/or written comments on the proposed action.

(b) If public hearings are held, draft Environmental Impact Statements to be discussed should be made available to the public at least fifteen (15) days prior to the time of the public hearings, and a notice will be placed in the FEDERAL REGISTER giving the subject, time and place of the proposed hearings.

§ 216.9 Bilateral and multilateral studies and concise reviews of environmental issues.

Notwithstanding anything to the contrary in these procedures, the Administrator may approve the use of either of the following documents as a substitute for an Environmental Assessment (but not a substitute for an Environmental Impact Statement) required under these procedures:

(a) Bilateral or multilateral environmental studies, relevant or related to the proposed action, prepared by the United States and one or more foreign countries or by an international body or organization in which the United States is a member or participant; or

(b) Concise reviews of the environmental issues involved including summary environmental analyses or other appropriate documents.

§ 216.10 Records and reports.

Each Agency Bureau will maintain a current list of activities for which Environmental Assessments and Environmental Impact Statements are being prepared and for which Negative Determinations and Declarations have been

made. Copies of final Initial Environmental Examinations, scoping statements, Assessments and Impact Statements will be available to interested Federal agencies upon request. The cognizant Bureau will maintain a permanent file (which may be part of its normal project files) of Environmental Impact Statements, Environmental Assessments, final Initial Environmental Examinations, scoping statements, Determinations and Declarations which will be available to the public under the Freedom of Information Act. Interested persons can obtain information or status reports regarding Environmental Assessments and Environmental Impact Statements through the A.I.D. Environmental Coordinator.

AUTHORITY: 29 U.S.C. 794, unless otherwise noted.

SOURCE: 45 FR 66415, Oct. 6, 1980, unless otherwise noted.

Subpart A—General Provisions

§ 217.1 Purpose.

The purpose of this part is to effectuate section 504 of the Rehabilitation Act of 1973, which is designed to eliminate discrimination on the basis of handicap in any program or activity within the United States receiving Federal financial assistance.

§ 217.2 Application.

This part applies to all programs carried on within the United States by recipients of Federal financial assistance pursuant to any authority held or delegated by the Administrator of the Agency for International Development, including the federally-assisted programs and activities listed in appendix A of this part. (appendix A may be revised from time to time by notice in the FEDERAL REGISTER). It applies to money paid, property transferred, or other Federal financial assistance extended under any such program after the effective date of this regulation, even if the application for such assistance is approved prior to such effective date. This part does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred or other assistance extended

under any such program before the effective date of this part, (c) any assistance to any individual who is the ultimate beneficiary under any such program, and (d) any procurement of goods or services, including the procurement of training. This part does not bar selection and treatment reasonably related to the foreign assistance objective or such other authorized purpose as the Federal assistance may have. It does not bar selections which are limited to particular groups where the purpose of the program calls for such a limitation nor does it bar special treatment including special courses of training, orientation or counseling consistent with such purpose.

§ 217.3 Definitions.

As used in this part, the term:

(a) *The Act* means the Rehabilitation Act of 1973, Pub. L. 93-112, as amended by the Rehabilitation Comprehensive Services and Developmental Disabilities Amendments of 1979, Pub. L. 95-602.

(b) *Section 504* means section 504 of the Act.

(c) *Agency* means the Agency for International Development.

(d) The term *Administrator* means the Administrator of the Agency for International Development or any person specifically designated by him to perform any function provided for under this part.

(e) *Recipient* means any state or its political subdivision, any instrumentality of a state or its political subdivision, any public or private agency, institution, organization, or other entity, or any person to which Federal financial assistance is extended directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance and any sovereign foreign government.

(f) *Applicant for assistance* means one who submits an application, request, or plan required to be approved by an Agency official or by a recipient as a condition to becoming a recipient.

(g) *Federal financial assistance* means any grant, loan, contract (other than a procurement contract or a contract of insurance or guaranty), or any other

arrangement by which the Agency provides or otherwise makes available assistance in the form of:

(1) Funds;

(2) Services of Federal personnel; or

(3) Real and personal property or any interest in or use of such property, including:

(i) Transfers or leases of such property for less than the fair market value or for reduced consideration; and

(ii) Proceeds from a subsequent transfer or lease of such property if the Federal share of its fair market value is not returned to the Federal Government.

(h) *Facility* means all or any portion of buildings, structures, equipment, roads, walks, parking lots, or other real or personal property or interest in such property.

(i) *Handicapped person.* (1) "Handicapped persons" means any person who (i) has a physical or mental impairment which substantially limits one or more major life activities, (ii) has a record of such an impairment, or (iii) is regarded as having such an impairment.

(2) As used in paragraph (i)(1) of this section the phrase:

(i) *Physical or mental impairment* includes but is not limited to such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and drug addiction and alcoholism. Such term does not include alcoholism or drug abuse, where by reason of such condition the individual is prevented from performing the duties of the job in question or whose employment, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.

(ii) *Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(iii) *Has a record of such an impairment* means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(iv) *Is regarded as having an impairment* means (A) has a physical or mental impairment that does not substantially limit major life activities but that is treated by a recipient as constituting such a limitation; (B) has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others towards such impairment; or (C) has none of the impairments defined in paragraph (i)(2)(i) of this section but is treated by a recipient as having such an impairment.

(j) *Qualified handicapped person* means:

(1) With respect to employment, a handicapped person who, with or without reasonable accommodation, can perform the essential functions of the job in question;

(2) With respect to postsecondary and vocational education services, a handicapped person who meets the academic and technical standards requisite to admission or participation in the recipient's education program or activity;

(3) With respect to other services, a handicapped person who meets the essential eligibility requirements for the receipt of such services.

(k) *Handicap* means any condition or characteristic that renders a person a handicapped person as defined in paragraph (j) of this section.

§ 217.4 Discrimination prohibited.

(a) *General.* No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives or benefits from Federal financial assistance.

(b) *Discriminatory actions prohibited.*
(1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped person the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or

service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefits, or service to beneficiaries of the recipient's program;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and nonhandicapped persons, but must afford handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person's needs.

(3) Despite the existence of separate or different programs or activities provided in accordance with this part, a recipient may not deny a qualified handicapped person the opportunity to participate in such programs or activities that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration (i) that have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap, (ii) that have the purpose or effect of defeating or substantially

impairing accomplishment of the objectives of the recipient's program with respect to handicapped persons, or (iii) that perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections (i) that have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives or benefits from Federal financial assistance or (ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving or benefiting from Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(c) *Programs limited by Federal law.* The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or executive order to a different class of handicapped persons is not prohibited by this part.

§ 217.5 Assurances required.

(a) *Assurances.* An applicant for Federal financial assistance for a program or activity to which this part applies shall submit an assurance, on a form specified by the Administrator, that the program will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Agency.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will ob-

ligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency the instrument effecting or recording this transfer shall contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Agency the covenant shall also include a condition coupled with a right to be reserved by the Agency to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Administrator may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he or she deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such

mortgage or other encumbrance remains effective.

§217.6 Remedial action, voluntary action, and self-evaluation.

(a) *Remedial action.* (1) If the Administrator finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Administrator deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Administrator, where appropriate, may require either or both recipients to take remedial action.

(3) The Administrator may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action (i) with respect to handicapped persons who are no longer participants in the recipient's program but who were participants in the program when such discrimination occurred or (ii) with respect to handicapped persons presently in the program but not receiving full benefits or equal and integrated treatment within the program or (iii) with respect to handicapped persons who would have been participants in the program had the discrimination not occurred.

(b) *Voluntary action.* A recipient may take steps, in addition to any action that is required by this part, to overcome the effect of conditions that resulted in limited participation in the recipient's program or activity by qualified handicapped persons.

(c) *Self-evaluation.* (1) A recipient shall, within one year of the effective date of this part:

(i) Evaluate with the assistance of interested persons or organizations representing handicapped persons, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;

(ii) Modify, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, any

policies and practices that do not meet the requirement of this part; and

(iii) Take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Administrator upon request: (i) A list of the interested persons consulted, (ii) a description of areas examined and any problems identified, and (iii) a description of any modifications made and of any remedial steps taken.

§217.7 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) *Adoption of grievance procedures.* A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission to postsecondary educational institutions.

§217.8 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504, and this part. The notification shall

state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its programs and activities. The notification shall also include an identification of the responsible employee designated pursuant to § 217.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publication, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

§ 217.9 Administrative requirements for small recipients.

The Administrator may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with §§ 217.7 and 217.8 in whole or in part, when the Administrator finds a violation of this part or finds that such compliance will not significantly impair the ability of the recipient or class of recipients to provide benefits or services.

§ 217.10 Effect of state or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated

because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

Subpart B—Employment Practices

§ 217.11 Discrimination prohibited.

(a) *General.* (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this part applies.

(2) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(3) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this subparagraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeship programs.

(b) *Specific activities.* The provisions of this subpart apply to:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

(c) A recipient's obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

§ 217.12 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

(b) Reasonable accommodation may include: (1) Making facilities used by employees readily accessible to and usable by handicapped persons, and (2) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's program, factors to be considered include:

(1) The overall size of the recipient's program with respect to number of employees, number and type of facilities and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipients workforce; and

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

§ 217.13 Employment criteria.

(a) A recipient may not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons unless: (1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question, and (2) alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped persons are not shown by the Administrator to be available.

(b) A recipient shall select and administer tests concerning employment so as best to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than reflecting the applicant's or employee's impaired sensory, manual or speaking skills (except where those skills are the factors that the test purports to measure).

§ 217.14 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 217.6(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted programs or activity pursuant to § 217.6(b) or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped. *Provided, That:*

(1) The recipient states clearly on any written questionnaire used for this

purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty, *Provided, That:* (1) All entering employees are subjected to such an examination regardless of handicap, and (2) the results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentially as medical records, except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(3) Government officials investigating compliance with the Act shall be provided relevant information upon request.

§§ 217.15–217.20 [Reserved]

Subpart C—Program Accessibility

§ 217.21 Discrimination prohibited.

No qualified handicapped person shall, because a recipient's facilities within the United States are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination

under any program or activity to which this part applies.

§ 217.22 Existing facilities.

(a) *Program accessibility.* A recipient shall operate each program or activity to which this part applies so that the program or activity, when viewed in its entirety, is readily accessible to handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

(b) *Methods.* A recipient may comply with the requirement of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, alteration of existing facilities, assignment of aids to beneficiaries, and construction of new facilities in conformance with the requirements of § 217.23, or any other methods that may result in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph(s) of this section, a recipient shall give priority to those methods that offer programs and activities to handicapped persons in the most integrated setting appropriate.

(c) *Time period.* A recipient shall comply with the requirement of paragraph (a) of this section within sixty days of the effective date of this part except that where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A

copy of the transition plan shall be made available for public inspection. The plan shall at a minimum:

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility of its program or activity to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full program accessibility and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the person responsible for implementation of the plan.

(e) *Notice.* The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

§ 217.23 New construction.

(a) *Design and construction.* Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by handicapped persons, if the construction was commenced after the effective date of this part.

(b) *Alteration.* Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by handicapped persons.

(c) *Conformance with Uniform Federal Accessibility Standards.* (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section

with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

§§ 217.24—217.40 [Reserved]

Subpart D—Postsecondary Education

§ 217.41 Application of this subpart.

Subpart D applies within the United States to postsecondary education programs and activities, including postsecondary vocational education programs and activities, that receive or benefit from Federal financial assistance and to recipients that operate, or that receive or benefit from Federal financial assistance for the operation of such programs or activities within the United States.

§ 217.42 Admissions and recruitment.

(a) *General.* Qualified handicapped persons may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) *Admissions.* In administering its admission policies, a recipient to which this subpart applies:

(1) May not apply limitation upon the number or proportion of handicapped persons who may be admitted;

(2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons or any class of handicapped persons unless (i) the test or criterion, as used by the recipient has been validated as a predictor of success in the education program or activity in question and (ii) alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Administrator to be available;

(3) Shall assure itself that (i) admissions tests are selected and administered so as to best to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual or speaking skills (except where those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual or speaking skills are offered as often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that, on the whole, are accessible to handicapped persons; and

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiry as to whether an applicant for admission is a handicapped person but, after admission, may make inquiries on a confidential basis as to handicaps that may require accommodation.

(c) *Preadmission inquiry exception.* When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 217.6(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to § 217.6(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped, *Provided, That:*

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the

information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) *Validity studies.* For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

§ 217.43 Treatment of students; general.

(a) No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training, housing, health, insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other post-secondary education program or activity to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its programs and activities in the most integrated setting appropriate.

§ 217.44 Academic adjustments.

(a) *Academic requirements.* A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the program of instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) *Other rules.* A recipient to which this subpart applies may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient's education program or activity.

(c) *Course examinations.* In its course examinations or other procedures for evaluating students' academic achievement in its program, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills as will best ensure that the results of the evaluation represents the student's achievement in the course, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) *Auxiliary aids.* (1) A recipient to which this subpart applies shall take such steps as are necessary to ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination under the education program or activity operated by the recipient because of the absence of educational auxiliary aids for students

with impaired sensory, manual, or speaking skills.

(2) Auxiliary aids may include taped texts, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

§ 217.45 Housing.

(a) *Housing provided by the recipient.* A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of the transition period provided for in subpart C, such housing shall be available in sufficient quantity and variety so that the scope of handicapped students' choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) *Other housing.* A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 217.46 Financial and employment assistance to students.

(a) *Provision of financial assistance.* (1) In providing financial assistance to qualified handicapped persons, a recipient to which this subpart applies may not (i), on the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate or (ii) assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) *Assistance in making available outside employment.* A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) *Employment of students by recipients.* A recipient that employs any of its students may not do so in a manner that violates subpart B.

§ 217.47 Nonacademic services.

(a) *Physical education and athletics.* (1) In providing physical education courses and athletics and similar programs and activities to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of § 217.43(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) *Counseling and placement services.* A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap.

The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interest and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) *Social organizations.* A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

AUTHORITY: Age Discrimination Act of 1975, as amended, 42 U.S.C. 6101 *et seq.*; 45 CFR part 90; 22 U.S.C. 2658, unless otherwise noted.

SOURCE: 45 FR 62980, Sept. 23, 1980, unless otherwise noted.

Subpart A—General

**§ 218.01 What is the purpose of the age
discrimination regulations?**

The purpose of these regulations is to set out the policies and procedures for the three foreign affairs agencies (State, USICA and AID) under the Age Discrimination Act of 1975 and the government-wide age discrimination regulations at 45 CFR part 90 (published at 44 FR 33768, June 12, 1979). The Act and

the government-wide regulations prohibit discrimination on the basis of age in programs or activities in the United States receiving Federal financial assistance. The Act and the government-wide regulations permit federally assisted programs and activities, and recipients of Federal funds, to continue to use age distinctions and factors other than age which meet the requirements of the Act and the government-wide regulations.

**§ 218.02 To what programs do these
regulations apply?**

These regulations apply to each foreign affairs agency recipient and to each program or activity in the United States operated by the recipient which receives or benefits from Federal financial assistance provided by any of these agencies.

§ 218.03 Definitions.

(a) The following terms used in this part are defined in the government-wide regulations (45 CFR 90.4, 44 FR 33768):

Act

Action

Age

Age distinction

Age-related term

Federal financial assistance

Recipient (including subrecipients)

United States

(b) As used in this part,

(1) *Agency* means the Department of State, the U.S. International Communication Agency, and the Agency for International Development.

(2) *Secretary* means the Secretary of State, the Director of the U.S. International Communication Agency, and the Administrator of the Agency for International Development, or the designee of such officer.

(3) *Subrecipient* means any of the entities in the definition of "recipient" to which a recipient extends or passes on Federal financial assistance. A subrecipient is generally regarded as a recipient of Federal financial assistance and has all the duties of a recipient in these regulations.

Subpart B—Standards for Determining Age Discrimination

§ 218.11 Standards.

The standards each agency uses to determine whether an age distinction or age-related term is prohibited are set out in part 90 (primarily subpart B) of 45 CFR.

Subpart C—Duties of Agency Recipients

§ 218.21 General responsibilities.

Each agency recipient has primary responsibility to ensure that its programs and activities are in compliance with the Act, the government-wide regulations, and these regulations.

§ 218.22 Notice to subrecipients.

Where a recipient passes on Federal financial assistance from an agency to subrecipients, the recipient shall provide the subrecipients written notice to their obligations under these regulations.

§ 218.23 Self-evaluation.

(a) Each recipient employing the equivalent of 15 or more full-time employees shall complete a one-time written self-evaluation of its compliance under the act within 18 months of the effective date of these regulations.

(b) In its self-evaluation each recipient shall identify each age distinction it uses and justify each age distinction it imposes on the program or activity receiving Federal financial assistance from an agency.

(c) Each recipient shall take corrective action whenever a self-evaluation indicates a violation of these regulations.

(d) Each recipient shall make the self-evaluation available on request to the agency and to the public for a period of three years following its completion.

§ 218.24 Information requirements.

Each recipient shall:

(a) Make available upon request to the agency information necessary to determine whether the recipient is complying with the regulations.

(b) Permit reasonable access by the agency to the books, records, accounts, and other recipient facilities and sources of information to the extent necessary to determine whether a recipient is in compliance with these regulations.

Subpart D—Investigation, Conciliation, and Enforcement Procedures

§ 218.31 Compliance reviews.

(a) The agency may conduct compliance reviews and pre-award reviews of recipients that will permit it to investigate and correct violations of these regulations. The agency may conduct these reviews even in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations has occurred.

(b) If a compliance review or preaward review indicates a violation of this part, the agency will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, the agency will arrange for enforcement as described in § 143.36

§ 218.32 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with an agency, alleging discrimination prohibited by these regulations based on an action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause shown, the agency may extend this time limit.

(b) The agency will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint, any written statement which identifies the parties involved, describes generally the action or practice complained of, and is signed by the complainant.

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

(3) Widely disseminating information regarding the obligations of recipients under the Act and these regulations.

(4) Notifying the complainant and the recipient of their rights under the complaint procedure, including the right to have a representative at all stages of the complaint process.

(5) Notifying the complainant and the recipient (or their representatives) of their right to contact the agency for information and assistance regarding the complaint resolution process.

(c) The agency will return to the complainant any complaint outside the jurisdiction of these regulations and will state the reason(s) why it is outside the jurisdiction of these regulations.

§ 218.33 Mediation.

(a) *Referral of complaints for mediation.* The agency will refer to the Federal Mediation and Conciliation Service all complaints that:

(1) fall within the jurisdiction of these regulations; and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or make an informed judgment that an agreement is not possible. There must be at least one meeting with the mediator, before the agency will accept a judgment that an agreement is not possible. However, the recipient and the complainant need not meet with the mediator at the same time.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it. The mediator shall send a copy of the agreement to the agency. The agency shall take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course

of the mediation process without prior approval of the head of the mediation agency.

(e) The agency will use the mediation process for a maximum of 60 days after receiving a complaint. Mediation ends if:

(1) Sixty days elapse from the time the agency receives the complaints; *or*

(2) Prior to the end of that 60-day period, an agreement is reached; *or*

(3) Prior to the end of that 60-day period, the mediator determines that an agreement cannot be reached.

(f) The mediator shall return unresolved complaints to the agency.

§ 218.34 Investigation.

(a) *Informal investigation.* (1) The agency will investigate complaints that are unresolved after mediation or are reopened because of a violation of a mediation agreement.

(2) As part of the initial investigation, the agency will use informal fact finding methods, including joint or separate discussions with the complainant and recipient to establish the facts, and, if possible, settle the complaint on terms that are mutually agreeable. The agency may seek the assistance of any involved State program agency.

(3) The agency will put any agreement in writing and have it signed by the parties and an authorized official of the agency.

(4) The settlement shall not affect the operation of any other enforcement efforts of the agency, including compliance reviews and other individual complaints which may involve the recipient.

(5) The settlement is not a finding of discrimination against a recipient.

(b) *Formal investigation.* If the agency cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of these regulations, the agency will attempt to obtain voluntary compliance. If the agency cannot obtain voluntary compliance, it will begin enforcement as described in § 218.36.

§ 218.35 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

- (a) Attempts to assert a right protected by these regulations; or
- (b) Cooperates in any mediation, investigation, hearing, or other part of the agency's investigation, conciliation, and enforcement process.

§ 218.36 Compliance procedure.

(a) An agency may enforce the Act and these regulations through:

(1) Termination of a recipient's Federal financial assistance from the agency under the program or activity involved where the recipient has violated the Act and these regulations. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge. Therefore, cases which are settled in mediation or prior to a hearing, will not involve termination of a recipient's Federal financial assistance from the agency.

(2) Any other means authorized by law including but not limited to:

- (i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations by the Act and these regulations.
- (ii) Use of any requirement of or referral to any Federal, state, or local government agency which will have the effect of correcting a violation of the Act or these regulations.

(b) The agency will limit any termination under paragraph (a)(1) of this section to the particular recipient and particular program or activity the agency finds in violation of these regulations. The agency will not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from the agency.

(c) The agency will take no action under paragraph (a) of this section until:

(1) The agency head has advised the recipient of its failure to comply with these regulations and has determined that voluntary compliance cannot be obtained.

(2) Thirty days have lapsed after the agency head has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the Federal program or activity involved. The agency head shall file a report whenever any action is taken under paragraph (a) of this section.

(d) The agency head also may defer granting new Federal financial assistance from the agency to a recipient when a hearing under paragraph (a)(1) of this section is initiated.

(1) New Federal financial assistance from the agency includes all assistance for which the agency requires an application or approval, including renewal of continuation of existing activities, or authorization of the new activities, during the deferral period. New Federal financial assistance from the agency does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the beginning of a hearing under paragraph (a)(1) of this section.

(2) The agency will not begin a deferral until the recipient has received a notice of opportunity for a hearing under paragraph (a)(1) of this section. The agency will not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and the agency head. The agency will not continue a deferral for more than 30 days after the close of a hearing unless the hearing results in a finding against the recipient.

§ 218.37 Hearings, decisions, post-termination proceedings.

Certain procedural provisions applicable to title VI of the Civil Rights Act of 1964 apply to enforcement of this part. They are 22 CFR part 209.

§ 218.38 Remedial action by recipient.

Where the agency head finds a recipient has discriminated on the basis of age, the recipient shall take any remedial action that the agency head may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated, the agency head

Agency for Internat. Development, IDCA

§ 219.101

may require both recipients to take remedial action.

§ 218.39 Alternate funds disbursement procedure.

(a) When an agency withholds funds from a recipient under these regulations, the agency head may disburse the withheld funds directly to an alternate recipient, any public or non-profit private organization or agency, or State or political subdivision of the State.

(b) The agency head will require any alternate recipient to demonstrate:

(1) The ability to comply with these regulations; and

(2) The ability to achieve the goals of the Federal statute authorizing the program or activity.

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most inte-

grated setting appropriate to the needs of qualified handicapped persons.

§§ 219.131–219.139 [Reserved]

§ 219.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 219.141–219.148 [Reserved]

§ 219.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 219.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 219.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 219.150(a) would result in such alteration or burdens. The decision that

compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by

October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 219.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 219.152—219.159 [Reserved]

§ 219.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and

enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 219.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure

that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 219.161–219.169 [Reserved]

(c) Director, Office of Equal Opportunity Programs shall be responsible for coordinating implementation of this section. Complaints may be sent to Director, Office of Equal Opportunity Programs, Agency for International Development, International Development Cooperation Agency, Room 1224, SA-1, Washington, DC.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

§ 223.1 General.

The following procedures are hereby established with respect to the administrative enforcement of restrictions on post-employment activities (18 U.S.C. 207 (a), (b) or (c)) and implementing regulations published by the Office of Government Ethics (5 CFR part 737).

§ 223.2 Report of violations.

On receipt of information regarding a possible violation of the statutory or regulatory post-employment restrictions by a former employee and after determining that such information does not appear to be frivolous, the General Counsel shall provide such information to the Director of the Office of Government Ethics and to the Criminal Division, Department of Justice. Any investigation or administrative action shall be coordinated with the Department of Justice to avoid prejudicing possible criminal proceedings. If the Department of Justice informs the Agency that it does not intend to institute criminal proceedings, such coordination shall no longer be required and the General Counsel is free to decide whether to pursue administrative action.

§ 223.3 Initiation of proceeding.

Whenever the General Counsel has reasonable cause to believe that a former Government employee has violated the statutory or regulatory post-employment restrictions, he or she shall initiate an administrative action by providing the former Government employee with written notice of intention to institute administrative action. Notice must include:

- (a) A statement of allegations and the basis thereof sufficiently detailed to enable the former Government employee to prepare an adequate defense;
- (b) Notification of the right to respond to the allegations in writing and/or to request a hearing, together with

an explanation of the method by which a hearing may be requested; and

- (c) A statement that, in the absence of a request for a hearing, the General Counsel shall issue a final decision based upon the evidence gathered to date, including any written reply made by the former Government employee.

§ 223.4 Examiner.

When a former Government employee after receiving adequate notice requests a hearing, a presiding official (hereinafter referred to as "examiner") shall be appointed by the Administrator to make an initial decision. The examiner shall be a responsible person who is impartial and who has not participated in any manner in the decision to initiate the proceeding. The hearing officer shall be an individual with suitable experience and training to conduct the hearing, reach a determination and render an initial decision in an equitable manner.

§ 223.5 Agency representative.

The General Counsel shall appoint an agency representative to present evidence and otherwise participate in the hearing.

§ 223.6 Time, date and place of hearing.

The examiner shall establish a reasonable time, date and place to conduct the hearing. In establishing a date, the examiner shall give due regard to the former employee's need for:

- (a) Adequate time to prepare a defense properly, and
- (b) An expeditious resolution of allegations that may be damaging to his or her reputation.

§ 223.7 Rights of parties at hearing.

A hearing shall include, at a minimum, the following rights for both parties:

- (a) To represent oneself or to be represented by counsel;
- (b) To examine or cross-examine witnesses;
- (c) To submit evidence (including the use of interrogatories);
- (d) To present oral arguments; and
- (e) To receive a transcript of recording of the proceedings on request.

§ 223.8

In any hearing, the agency has the burden of proof and must establish substantial evidence of a violation.

§ 223.8 Initial decision.

The examiner shall issue an initial decision based exclusively on matters of record in the proceedings and shall set forth all findings of fact and conclusions of law relevant to the matters at issue.

§ 223.9 Appeal.

Within twenty days of the date of initial decision, either party may appeal the decision to the Administrator. The opposing party shall have ten days after receipt of a copy of the appeal to reply.

§ 223.10 Final decision.

(a) In cases where the former employee failed to request a hearing after receiving adequate notice, the General Counsel shall decide the matter on its merits based upon the evidence gathered to date, including any written reply of the former employee.

(b) In cases of appeal under § 223.9, the Administrator shall accept, reject or modify the initial decision based solely on the record of the proceedings or those portions cited by the parties to limit the issues.

§ 223.11 Appropriate action.

The Administrator may take appropriate action in the case of any individual who is found in violation of the statutory or regulatory post employment restrictions after a final decision by:

(a) Prohibiting the individual from making, on behalf of any other person (except the United States), any formal or informal appearance before, or with the intent to influence, any oral or written communication to, the Agency on any matter of business for a period not to exceed five years, which may be accomplished by directing Agency employees to refuse to participate in such appearance or to accept any such communication; and

(b) If the investigating official concludes that an action under the Program Fraud Civil Remedies Act may be warranted, the investigating official shall submit a report containing the findings and conclusions of such investigation to the reviewing official.

(c) Nothing in this section shall preclude or limit an investigating official's discretion to refer allegations directly to the Department of Justice for suit under the False Claims Act or other civil relief, or to defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution.

(d) Nothing in this section modifies any responsibility of an investigating official to report violations of criminal law to the Attorney General.

§ 224.5 Review by the reviewing official.

(a) If, based on the report of the investigating official under § 224.4(b), the reviewing official determines that there is adequate evidence to believe that a person is liable under § 224.3 of this part, the reviewing official shall transmit to the Attorney General a written notice of the reviewing official's intention to issue a complaint under § 224.7.

(b) Such notice shall include—

(b) For the purposes of this section, a related group of claims submitted at the same time shall include only those claims arising from the same transaction (e.g., grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission.

(c) Nothing in this section shall be construed to limit the reviewing official's authority to join in a single complaint against a person claims that are unrelated or were not submitted simultaneously, regardless of the amount of money, or the value of property or services, demanded or requested.

§ 224.7 Complaint.

(a) On or after the date the Department of Justice approves the issuance of a complaint in accordance with 31 U.S.C. 3803(b)(1), the reviewing official may serve a complaint on the defendant, as provided in § 224.8.

(3) Instructions for filing an answer to request a hearing, including a specific statement of the defendant's right to request a hearing by filing an answer and to be represented by a representative; and

22 CFR Ch. II (4–1–97 Edition)

(c) At the same time the reviewing official serves the complaint, he or she shall serve the defendant with a copy of these regulations.

§ 224.8 Service of complaint.

(a) Service of a complaint must be made by certified or registered mail or by delivery in any manner authorized by Rule 4(d) of the Federal Rules of Civil Procedure. Service is complete upon receipt.

(1) Affidavit of the individual serving the complaint by delivery;

(2) A United States Postal Service return receipt card acknowledging receipt; or

(3) Written acknowledgment of receipt by the defendant or his representative.

§ 224.9 Answer.

(a) The defendant may request a hearing by filing an answer with the reviewing official within 30 days of service of the complaint. An answer shall be deemed to be a request for hearing.

(b) In the answer, the defendant:

(1) Shall admit or deny each of the allegations of liability made in the complaint;

(2) Shall state any defense on which the defendant intends to rely;

(3) May state any reasons why the defendant contends that the penalties and assessments should be less than the statutory maximum; and

(4) Shall state the name, address, and telephone number of the person authorized by the defendant to act as defendant's representative, if any.

(c) If the defendant is unable to file an answer meeting the requirements of paragraph (b) of this section within the time provided, the defendant may, before the expiration of 30 days from service of the complaint, file with the reviewing official a general answer denying liability and requesting a hearing, and a request for an extension of time within which to file an answer meeting the requirements of paragraph (b) of this section. The reviewing official shall file promptly with the ALJ

the complaint, the general answer denying liability, and the request for an extension of time as provided in § 224.11. For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section.

§ 224.10 Default upon failure to file an answer.

(a) If the defendant does not file an answer within the time prescribed in § 224.9(a), the reviewing official may refer the complaint to the ALJ.

(b) Upon the referral of the complaint, the ALJ shall promptly serve on defendant in the manner prescribed in § 224.8, a notice that an initial decision will be issued under this section.

(c) The ALJ shall assume the facts alleged in the complaint to be true, and, if such facts establish liability under § 224.3, the ALJ shall issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, by failing to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section, and the initial decision shall become final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ's decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying defendant's motion under paragraph (e) of this section is not subject to reconsideration under § 224.38.

(h) The defendant may appeal to the A.I.D. Administrator the decision de-

nying a motion to reopen by filing a notice of appeal with the A.I.D. Administrator within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the A.I.D. Administrator decides the issue.

(i) If the defendant files a timely notice of appeal with the A.I.D. Administrator, the ALJ shall forward the record of the proceeding to the A.I.D. Administrator.

(j) The A.I.D. Administrator shall decide expeditiously whether extraordinary circumstances excuse the defendant's failure to file a timely answer based solely on the record before the ALJ.

(k) If the A.I.D. Administrator decides that extraordinary circumstances excused the defendant's failure to file a timely answer, the A.I.D. Administrator shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the A.I.D. Administrator decides that the defendant's failure to file a timely answer is not excused, the A.I.D. Administrator shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the A.I.D. Administrator issues such decision.

§ 224.11 Referral of complaint and answer to the ALJ.

Upon receipt of an answer, the reviewing official shall file the complaint and answer with the ALJ.

§ 224.12 Notice of hearing.

(b) The ALJ shall not be responsible to, or subject to, the supervision or direction of the investigating official or the reviewing official.

(c) Except as provided in paragraph (a) of this section, the representative for the Government may be employed anywhere in A.I.D., including in the offices of either the investigating official or the reviewing official.

§ 224.15 Ex parte contacts.

No party or person (except employees of the ALJ's office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate. This provision does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f) of this section.

(f)(1) If the ALJ determines that the reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.

(3) If the ALJ denies a motion to disqualify, the A.I.D. Administrator may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the defendant also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a

At the time the above documents are exchanged, any party that intends to rely on the transcript of deposition testimony in lieu of live testimony at the hearing, if permitted by the ALJ, shall provide each party with a copy of the specific pages of the transcript it intends to introduce into evidence.

(b) If a party objects, the ALJ shall not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to the opposing party as provided above unless the ALJ finds good cause for the failure or that there is no prejudice to the objecting party.

(c) Unless another party objects within the time set by the ALJ, documents exchanged in accordance with paragraph (a) of this section shall be deemed to be authentic for the purpose of admissibility at the hearing.

§ 224.23 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of A.I.D., a check for witness fees and mileage need not accompany the subpoena.

§ 224.26 Form, filing and service of papers.

(a) *Form.* (1) Documents filed with the ALJ shall include an original and two copies.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).

Service upon any party of any document other than those required to be served as prescribed in §224.8, shall be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid and addressed, to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(c) *Proof of service.* A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 224.27 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal government shall be excluded from the computation.

(c) Where a document has been served or issued by placing it in the mail, an additional five days will be added to the time permitted for any response.

§ 224.28 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts al-

leged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other times as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 224.29 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for:

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 224.30 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under § 224.3, and if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) A.I.D. shall prove defendant's liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 224.31 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the A.I.D. Administrator, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the A.I.D. Administrator in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent

claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant's practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant's sophistication with respect to it, including the extent of defendant's prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding, to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the A.I.D. Administrator from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 224.32 Location of hearing.

(a) The hearing may be held:

(1) In any judicial district of the United States in which the defendant resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the defendant and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The hearing shall be held at the place and at the time ordered by the ALJ.

§ 224.33 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in § 224.22(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—

(1) Make the interrogation and presentation effective for the ascertainment of the truth,

(2) Avoid needless consumption of time, and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted by the ALJ cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of:

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity pro se or designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 224.34 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence, where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be open to examination by all parties, unless otherwise ordered by the ALJ pursuant to § 224.24.

§ 224.35 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from ALJ at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the A.I.D. Administrator.

(c) The record of the hearing may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 224.24.

§ 224.36 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing briefs, at a time not exceeding 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 224.37 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portion thereof, violate § 224.3;

(2) If the person is liable for penalties or assessments, the appropriate

amount of any such penalties or assessments, considering any mitigating or aggravating factors that he or she finds in the case, such as those described in § 224.31.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all parties with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the A.I.D. Administrator. If the ALJ fails to meet the deadline contained in this paragraph, he or she shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the A.I.D. Administrator, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the A.I.D. Administrator and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 224.38 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the

§ 224.39

A.I.D. Administrator and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the A.I.D. Administrator in accordance with § 224.39.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the A.I.D. Administrator and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the A.I.D. Administrator in accordance with § 224.39.

§ 224.39 Appeal to A.I.D. Administrator.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the A.I.D. Administrator by filing a notice of appeal with the A.I.D. Administrator in accordance with this section.

(b)(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under § 224.38, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal may be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) The A.I.D. Administrator may extend the initial 30 day period for an additional 30 days if the defendant files with the A.I.D. Administrator a request for an extension within the initial 30 day period and shows good cause.

(c) If the defendant files a timely notice of appeal with the A.I.D. Administrator, and the time for filing motions for reconsideration under § 224.38 has expired, the ALJ shall forward the record of the proceeding to the A.I.D. Administrator.

(d) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(e) The representative for the Government may file a brief in opposition to exceptions within 30 days of receiving

the notice of appeal and accompanying brief.

(f) There is no right to appear personally before the A.I.D. Administrator.

(g) There is no right to appeal any interlocutory ruling by the ALJ.

(h) In reviewing the initial decision, the A.I.D. Administrator shall not consider any objection that was not raised before the ALJ unless a demonstration is made of extraordinary circumstances causing the failure to raise the objection.

(i) If any party demonstrates to the satisfaction of the A.I.D. Administrator that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hearing, the A.I.D. Administrator shall remand the matter to the ALJ for consideration of such additional evidence.

(j) The A.I.D. Administrator may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment determined by the ALJ in an initial decision.

(k) The A.I.D. Administrator shall promptly serve each party to the appeal with a copy of his/her decision and a statement describing the right of any person determined to be liable for a penalty or assessment to seek judicial review.

(l) Unless a petition for review is filed as provided in 31 U.S.C. 3805 after a defendant has exhausted all administrative remedies under this part and within 60 days after the date on which the A.I.D. Administrator serves the defendant with a copy of his/her decision, a determination that a defendant is liable under § 224.3 is final and is not subject to judicial review.

§ 224.40 Stays ordered by the Department of Justice.

If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the A.I.D. Administrator a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the A.I.D. Administrator shall

stay the process immediately. The A.I.D. Administrator may order the process resumed only upon receipt of the written authorization of the Attorney General.

§224.41 Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the A.I.D. Administrator.

(b) No administrative stay is available following a final decision of the A.I.D. Administrator.

§224.42 Judicial review.

Section 3805 of title 31, United States Code, authorizes judicial review by an appropriate United States District Court of a final decision of the A.I.D. Administrator imposing penalties or assessments under this part and specifies the procedures for such review.

§224.43 Collection of civil penalties and assessments.

Sections 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this part and specify the procedures for such actions.

§224.44 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under §224.42 or §224.43, or any amount agreed upon in a compromise or settlement under §224.46, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under the subsection against a refund of an overpayment of Federal taxes, then or later owing by the United States to the defendant.

§224.45 Deposit in Treasury of United States.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

§224.46 Compromise or settlement.

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.

(c) The A.I.D. Administrator has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during pendency of any review under §224.42 or during the pendency of any action to collect penalties and assessments under §224.43.

(d) The Attorney General has exclusive authority to compromise or settle a case under this part during the pendency of any review under §224.42 or of any action to recover penalties and assessments under 31 U.S.C. 3806.

(e) The investigating official may recommend settlement terms to the reviewing official, the A.I.D. Administrator, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the A.I.D. Administrator, or the Attorney General, as appropriate.

(f) Any compromise or settlement must be in writing.

§224.47 Limitations.

(a) The notice of hearing with respect to a claim or statement must be served in the manner specified in §224.8 within 6 years after the date on which such claim or statement is made.

(b) If the defendant fails to file a timely answer, service of a notice under §224.10(b) shall be deemed notice of hearing for purposes of this section.

(c) The statute of limitations may be extended by agreement of the parties.

§ 225.101 To what does this policy apply?

(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.

(1) Research that is conducted or supported by a federal department or agency, whether or not it is regulated as defined in § 225.102(e), must comply with all sections of this policy.

(2) Research that is neither conducted nor supported by a federal department or agency but is subject to

regulation as defined in § 225.102(e) must be reviewed and approved, in compliance with §§ 225.101, 225.102, and §§ 225.107 through 225.117 of this policy, by an institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (i) research on regular and special education instructional strategies, or (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:

(i) Information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and (ii) any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation.

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:

(i) The human subjects are elected or appointed public officials or candidates for public office; or (ii) federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such

a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:

(i) Public benefit or service programs; (ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (i) if wholesome foods without additives are consumed or (ii) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections to human subjects of research.

(h) When research covered by this policy takes place in foreign countries, procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. [An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.] In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the FEDERAL REGISTER or will be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy. Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Protection from Research Risks, Department of Health and Human Services (HHS), and shall also publish them in the FEDERAL REGISTER or in such other manner as provided in department or agency procedures.¹

¹Institutions with HHS-approved assurances on file will abide by provisions of title 45 CFR part 46 subparts A-D. Some of the other Departments and Agencies have incorporated all provisions of title 45 CFR part 46 into their policies and procedures as well. However, the exemptions at 45 CFR part 46.101(b) do not apply to research involving prisoners, fetuses, pregnant women, or human in vitro fertilization, subparts B and C. The exemption at 45 CFR part 46.101(b)(2), for research involving survey or interview procedures or observation of public behavior,

§ 225.102 Definitions.

(a) *Department or agency head* means the head of any federal department or agency and any other officer or employee of any department or agency to whom authority has been delegated.

(b) *Institution* means any public or private entity or agency (including federal, state, and other agencies).

(c) *Legally authorized representative* means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject's participation in the procedure(s) involved in the research.

(d) *Research* means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities.

(e) *Research subject to regulation*, and similar terms are intended to encompass those research activities for which a federal department or agency has specific responsibility for regulating as a research activity, (for example, Investigational New Drug requirements administered by the Food and Drug Administration). It does not include research activities which are incidentally regulated by a federal department or agency solely as part of the department's or agency's broader responsibility to regulate certain types of activities whether research or non-research in nature (for example, Wage and Hour requirements administered by the Department of Labor).

(f) *Human subject* means a living individual about whom an investigator

does not apply to research with children, subpart D, except for research involving observations of public behavior when the investigator(s) do not participate in the activities being observed.

(whether professional or student) conducting research obtains—

(1) data through intervention or interaction with the individual, or

(2) identifiable private information.

Intervention includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject's environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject. "Private information" includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (i.e., the identity of the subject is or may readily be ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) *IRB* means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) *IRB approval* means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) *Minimal risk* means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(j) *Certification* means the official notification by the institution to the supporting department or agency, in accordance with the requirements of this policy, that a research project or activity involving human subjects has been reviewed and approved by an IRB in accordance with an approved assurance.

§ 225.103 Assuring compliance with this policy—research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Protection from Research Risks, HHS, and approved for federalwide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Protection from Research Risks, HHS.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

(1) A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under § 225.101 (b) or (i).

(2) Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support the IRB's review and recordkeeping duties.

(3) A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member's chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with § 225.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the Office for Protection from Research Risks, HHS.

(4) Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution; (ii) for determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and (iii) for ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to the subject.

(5) Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this

policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The department or agency head's evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution's research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under § 225.101 (b) or (i). An institution with an approved assurance shall certify that each application or proposal for research covered by the assurance and by § 225.103 of this Policy has been reviewed and approved by the IRB. Such certification must be submitted with the application or proposal or by such later date as may be prescribed by the department or agency to which the application or proposal is submitted. Under no condition shall research covered by § 225.103 of the Policy be supported prior to receipt of the certification that the research has been reviewed and approved by the IRB. Institutions without an approved assur-

ance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the application or proposal may be returned to the institution.

(Approved by the Office of Management and Budget under control number 9999-0020)

§§ 225.104–225.106 [Reserved]

§ 225.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution's consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No IRB may consist entirely of members of one profession.

(c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(d) Each IRB shall include at least one member who is not otherwise affiliated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.

(e) No IRB may have a member participate in the IRB's initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.

(f) An IRB may, in its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

§ 225.108 IRB functions and operations.

In order to fulfill the requirements of this policy each IRB shall:

(a) Follow written procedures in the same detail as described in § 225.103(b)(4) and, to the extent required by, § 225.103(b)(5).

(b) Except when an expedited review procedure is used (see § 225.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.

§ 225.109 IRB Review of Research.

(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.

(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with § 225.116. The IRB may require that information, in addition to that specifically mentioned in § 225.116, be given to the subjects when in the IRB's judgment the information would meaning-

fully add to the protection of the rights and welfare of subjects.

(c) An IRB shall require documentation of informed consent or may waive documentation in accordance with § 225.117.

(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and give the investigator an opportunity to respond in person or in writing.

(e) An IRB shall conduct continuing review of research covered by this policy at intervals appropriate to the degree of risk, but not less than once per year, and shall have authority to observe or have a third party observe the consent process and the research.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 225.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.

(a) The Secretary, HHS, has established, and published as a Notice in the FEDERAL REGISTER, a list of categories of research that may be reviewed by the IRB through an expedited review procedure. The list will be amended, as appropriate after consultation with other departments and agencies, through periodic republication by the Secretary, HHS, in the FEDERAL REGISTER. A copy of the list is available from the Office for Protection from Research Risks, National Institutes of Health, HHS, Bethesda, Maryland 20892.

(b) An IRB may use the expedited review procedure to review either or both of the following:

(1) Some or all of the research appearing on the list and found by the reviewer(s) to involve no more than minimal risk,

(2) Minor changes in previously approved research during the period (of one year or less) for which approval is authorized.

Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A research activity may be disapproved only after review in accordance with the non-expedited procedure set forth in § 225.108(b).

(c) Each IRB which uses an expedited review procedure shall adopt a method for keeping all members advised of research proposals which have been approved under the procedure.

(d) The department or agency head may restrict, suspend, terminate, or choose not to authorize an institution's or IRB's use of the expedited review procedure.

§ 225.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized:
(i) By using procedures which are consistent with sound research design and which do not unnecessarily expose subjects to risk, and (ii) whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.

(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (for example, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.

(3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes

of the research and the setting in which the research will be conducted and should be particularly cognizant of the special problems of research involving vulnerable populations, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons.

(4) Informed consent will be sought from each prospective subject or the subject's legally authorized representative, in accordance with, and to the extent required by § 225.116.

(5) Informed consent will be appropriately documented, in accordance with, and to the extent required by § 225.117.

(6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.

(7) When appropriate, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.

§ 225.112 Review by institution.

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

§ 225.113 Suspension or termination of IRB approval of research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB's requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB's action and shall be reported promptly to the investigator,

appropriate institutional officials, and the department or agency head.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 225.114 Cooperative research.

Cooperative research projects are those projects covered by this policy which involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy. With the approval of the department or agency head, an institution participating in a cooperative project may enter into a joint review arrangement, rely upon the review of another qualified IRB, or make similar arrangements for avoiding duplication of effort.

§ 225.115 IRB records.

(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:

(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent documents, progress reports submitted by investigators, and reports of injuries to subjects.

(2) Minutes of IRB meetings which shall be in sufficient detail to show attendance at the meetings; actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.

(3) Records of continuing review activities.

(4) Copies of all correspondence between the IRB and the investigators.

(5) A list of IRB members in the same detail as described in § 225.103(b)(3).

(6) Written procedures for the IRB in the same detail as described in § 225.103(b)(4) and § 225.103(b)(5).

(7) Statements of significant new findings provided to subjects, as required by § 225.116(b)(5).

(b) The records required by this policy shall be retained for at least 3 years, and records relating to research

which is conducted shall be retained for at least 3 years after completion of the research. All records shall be accessible for inspection and copying by authorized representatives of the department or agency at reasonable times and in a reasonable manner.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 225.116 General requirements for informed consent.

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject's legally authorized representative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence. The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the subject or the representative is made to waive or appear to waive any of the subject's legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) Basic elements of informed consent. Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

(1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject's participation, a description of the procedures to be followed, and identification of any procedures which are experimental;

(2) A description of any reasonably foreseeable risks or discomforts to the subject;

(3) A description of any benefits to the subject or to others which may reasonably be expected from the research;

(4) A disclosure of appropriate alternative procedures or courses of treatment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects' rights, and whom to contact in the event of a research-related injury to the subject; and

(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) Additional elements of informed consent. When appropriate, one or more of the following elements of information shall also be provided to each subject:

(1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;

(2) Anticipated circumstances under which the subject's participation may be terminated by the investigator without regard to the subject's consent;

(3) Any additional costs to the subject that may result from participation in the research;

(4) The consequences of a subject's decision to withdraw from the research and procedures for orderly termination of participation by the subject;

(5) A statement that significant new findings developed during the course of the research which may relate to the subject's willingness to continue participation will be provided to the subject; and

(6) The approximate number of subjects involved in the study.

(c) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth above, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine: (i) Public benefit of service programs; (ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs; and

(2) The research could not practically be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;

(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;

(3) The research could not practically be carried out without the waiver or alteration; and

(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 225.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject's legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:

(1) A written consent document that embodies the elements of informed consent required by § 225.116. This form may be read to the subject or the subject's legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or

(2) A short form written consent document stating that the elements of informed consent required by § 225.116 have been presented orally to the subject or the subject's legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative. Only the short form itself is to be signed by the subject or the representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the representative, in addition to a copy of the short form.

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:

(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject will be asked whether the subject wants documentation linking the subject with the research, and the subject's wishes will govern; or

(2) That the research presents no more than minimal risk of harm to subjects and involves no procedures for

which written consent is normally required outside of the research context.

In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects with a written statement regarding the research.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 225.118 Applications and proposals lacking definite plans for involvement of human subjects.

Certain types of applications for grants, cooperative agreements, or contracts are submitted to departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution's responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subjects' involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under § 225.101 (b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.

§ 225.119 Research undertaken without the intention of involving human subjects.

In the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

§ 225.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.

The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.

(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.

§ 225.121 [Reserved]

§ 225.122 Use of Federal funds.

Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

§ 225.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or has have directed the

scientific and technical aspects of an activity has have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).

§ 225.124 Conditions.

With respect to any research project or any class of research projects the department or agency head may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

SOURCE: 60 FR 3744, Jan. 19, 1995.

Subpart A—General

§ 226.1 Purpose and applicability.

Except as otherwise authorized by statute, this part establishes uniform administrative requirements for grants and cooperative agreements awarded by USAID to U.S. institutions of higher education, hospitals, and other non-profit organizations, and to U.S. commercial organizations; and to subawards thereunder. USAID shall not impose additional or inconsistent requirements, except as provided in Sections 226.4, and 226.14, or unless specifically required by Federal statute or executive order. Non-profit and commercial organizations that implement Federal programs for the States are also subject to State requirements.

§ 226.2 Definitions.

Accrued expenditures means the charges incurred by the recipient during a given period requiring the provision of funds for:

(1) Goods and other tangible property received;

(2) Services performed by employees, contractors, subrecipients, and other payees; and,

(3) Other amounts becoming owed under programs for which no current services or performance is required.

Accrued income means the sum of:

(1) Earnings during a given period from services performed by the recipient, and goods and other tangible property delivered to purchasers, and

(2) Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.

Acquisition cost of equipment means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation,

taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient's regular accounting practices.

Advance means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

Agreement Officer means a person with the authority to enter into, administer, terminate and/or closeout assistance agreements subject to this part, and make related determinations and findings on behalf of USAID. An Agreement Officer can only act within the scope of a duly authorized warrant or other valid delegation of authority. The term "Agreement Officer" includes persons warranted as "Grant Officers." It also includes certain authorized representatives of the Agreement Officer acting within the limits of their authority as delegated by the Agreement Officer.

Award means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants, cooperative agreements and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: Technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

Cash contributions means the recipient's cash outlay, including the outlay of money contributed to the recipient by third parties.

Closeout means the process by which the Agreement Officer determines that all applicable administrative actions and all required work of the award have been completed by the recipient and USAID.

Contract means a procurement contract under an award or subaward, and a procurement subcontract under a recipient's or subrecipient's contract.

Cost sharing or matching means that portion of project or program costs not borne by the Federal Government.

Date of completion means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which USAID sponsorship ends.

Disallowed costs means those charges to an award that the USAID Agreement Officer determines to be unallowable, in accordance with the applicable Federal costs principles or other terms and conditions contained in the award.

Equipment means tangible nonexpendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. However, consistent with recipient policy, lower limits may be established.

Excess property means property under the control of USAID that, as determined by the head of the Agency, is no longer required for its needs or the discharge of its responsibilities.

Exempt property means tangible personal property acquired in whole or in part with Federal funds, where the Federal awarding agency has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

Federal awarding agency means the Federal agency that provides an award to the recipient.

Federal funds authorized means the total amount of Federal funds obligated by the Federal Government for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by agency regulations or agency implementing instructions.

Federal share of real property, equipment, or supplies means that percentage of the property's acquisition costs

and any improvement expenditures paid with Federal funds.

Funding period means the period of time when Federal funding is available for obligation by the recipient.

Intangible property and debt instruments means, but is not limited to, trademarks, copyrights, patents and patent applications and such property as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

Obligations means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

Outlays or expenditures means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applies and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

Personal property means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

Prior approval means written approval by an authorized official evidencing prior consent.

Program income means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in §§226.24 (e) and (h)). Pro-

gram income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in USAID regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

Project costs means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

Project period means the period established in the award document during which Federal sponsorship begins and ends.

Property means, unless otherwise stated, real property, equipment, supplies, intangible property and debt instruments.

Real property means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment.

Recipient means an organization receiving a grant or cooperative agreement directly from USAID to carry out a project or program. The term includes the following types of U.S. organizations: public and private institutions of higher education; public and private hospitals; quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers; and commercial organizations. The term does not include government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as federally-funded research and development centers.

Research and development means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. “Research” is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. “Development” is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

Small awards means a grant or cooperative agreement not exceeding the small purchase threshold fixed at 41 U.S.C. 403(11).

Subaward means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of “award” in this section.

Subrecipient means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided.

Supplies means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement (“subject inventions”), as defined in 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements.”

Suspension means an action by USAID that temporarily withdraws

Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award. Suspension of an award is a separate action from suspension under USAID regulations implementing E.O.s 12549 and 12689, “Debarment and Suspension.” See 22 CFR Part 208.

Termination means the cancellation of USAID sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

Third party in-kind contributions means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

Unliquidated obligations, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by USAID that has not been obligated by the recipient and is determined by deducting the cumulative obligations from the cumulative funds authorized.

Unrecovered indirect cost means the difference between the amount awarded and the amount which could have been awarded under the recipient’s approved negotiated indirect cost rate.

USAID means the United States Agency for International Development.

Working capital advance means a procedure whereby funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 226.3 Effect on other issuances.

For awards subject to this part, all administrative requirements of codified program regulations, program manuals, handbooks and other non-regulatory materials which are inconsistent with the requirements of this part shall be superseded, except to the extent they are required by statute, or

authorized in accordance with the deviations provision § 226.4.

§ 226.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this part when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this part shall be permitted only in unusual circumstances. USAID may apply more restrictive requirements to a class of recipients when approved by OMB. USAID may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by the USAID Deputy Assistant Administrator for Management.

§ 226.5 Subawards.

Unless sections of this part specifically exclude subrecipients from coverage, the provisions of this part shall be applied to subrecipients if such subrecipients are organizations which, if receiving awards directly from USAID, would fall within the definition of recipients. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," as amended.

Subpart B—Pre-award Requirements

§ 226.10 Purpose.

Sections 226.11 through 226.17 prescribe forms and instructions and other pre-award matters to be used in applying for USAID awards.

§ 226.11 Pre-award policies.

(a) *Use of grants and cooperative agreements, and contracts.* In each instance USAID shall decide on the appropriate award instrument (i.e., grant cooperative agreement or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301-08) governs the use

of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, "substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement." Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) *Public notice and priority setting.* USAID shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 226.12 Forms for applying for Federal assistance.

(a) USAID shall comply with the applicable report clearance requirements of 5 CFR part 1320, "Controlling Paperwork Burdens on the Public," with regard to all forms used in place of or as a supplement to the Standard Form 424 (SF-424) series.

(b) Applicants shall use the SF-424 series or those forms and instructions prescribed by USAID.

(c) For Federal programs covered by E.O. 12372, "Intergovernmental Review of Federal Programs," the applicant shall complete the appropriate sections of the SF-424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from the Federal awarding agency or the Catalog of Federal Domestic Assistance. The SPOC shall advise the applicant whether the program for which application is made has been selected by that State for review.

(d) Federal awarding agencies that do not use the SF-424 form should indicate whether the application is subject to review by the State under E.O. 12372.

§ 226.13 Debarment and suspension.

USAID and recipients shall comply with the nonprocurement debarment and suspension common rule implementing E.O.s 12549 and 12689, “Debarment and Suspension,” 22 CFR Part 208. This common rule restricts subawards and contracts with certain parties that are debarred, suspended or otherwise excluded from or ineligible for participation in Federal assistance programs or activities.

§ 226.14 Special award conditions.

If an applicant or recipient: Has a history of poor performance, is not financially stable, has a management system that does not meet the standards prescribed in this part, has not conformed to the terms and conditions of a previous award, or is not otherwise responsible, the USAID Agreement Officer may impose additional requirements as needed, provided that such applicant or recipient is notified in writing as to: The nature of the additional requirements, the reason why the additional requirements are being imposed, the nature of the corrective action needed, the time allowed for completing the corrective actions, and the method for requesting reconsideration of the additional requirements imposed. Any special conditions will be promptly removed once the conditions that prompted them have been corrected.

§ 226.15 Metric system of measurement.

(a) The Metric Conversion Act, as amended by the Omnibus Trade and Competitiveness Act (15 U.S.C. 205) declares that the metric system is the preferred measurement system for U.S. trade and commerce.

(b) Wherever measurements are required or authorized, they shall be made, computed, and recorded in metric system units of measurement, unless otherwise authorized by the agreement officer in writing when it has been found that such usage is impractical or is likely to cause U.S. firms to experience significant inefficiencies or the loss of markets. Where the metric system is not the predominant standard for a particular application, measurements may be expressed in both the

metric and the traditional equivalent units, provided the metric units are listed first.

§ 226.16 Resource Conservation and Recovery Act.

Under the Act, any U.S. State agency or agency of a political subdivision of a State which is using appropriated Federal funds must comply with Section 6002. Section 6002 requires that preference be given in procurement programs to the purchase of specific products containing recycled materials identified in guidelines developed by the Environmental Protection Agency (EPA) (40 CFR parts 247–254). Accordingly, State and local institutions of higher education and hospitals that receive direct Federal awards or other Federal funds shall give preference in their procurement programs funded with Federal funds to the purchase of recycled products pursuant to the EPA guidelines.

§ 226.17 Certifications and representations.

Unless prohibited by statute or codified regulation, USAID may at some future date, allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients’ compliance with the pertinent requirements.

Subpart C—Post-award Requirements

FINANCIAL AND PROGRAM MANAGEMENT

§ 226.20 Purpose of financial and program management.

Sections 226.21 through 226.28 prescribe standards for financial management systems, methods for making payments and rules for: Satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of costs and establishing funds availability.

§ 226.21 Standards for financial management systems.

(a) Recipients shall relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients' financial management systems shall provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in § 226.52. While USAID requires reporting on an accrual basis, if the recipient maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for their reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to all Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101-453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, "Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs."

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records, including cost accounting records, that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, USAID, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) USAID may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, "Surety Companies Doing Business with the United States."

§ 226.22 Payment

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or default procedures codified at 31 CFR part 205.

(b)(1) Recipients will be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(i) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and

(ii) financial management systems that meet the standards for fund control and accountability as established in Section 226.21.

(2) Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out

the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances will be consolidated to cover anticipated cash needs for all awards made by USAID to the recipient.

(1) Advance payment mechanisms include, but are not limited to, USAID Letter of Credit, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients will be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF-270, "Request for Advance or Reimbursement," or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special USAID instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) of this section cannot be met. USAID may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, USAID shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients are authorized to submit a request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and USAID has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the USAID Agreement Officer may provide cash on a working capital advance basis. Under this procedure, USAID shall advance

cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the recipient's disbursing cycle, normally 30 days. Thereafter, USAID shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment will not be used for recipients unwilling or unable to provide timely advances to their subrecipients to meet the subrecipients' actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments. This paragraph is not applicable to such earnings which are generated as foreign currencies.

(h) Unless otherwise required by statute, USAID will not withhold payments for proper charges made by recipients at any time during the project period unless:

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements, or

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A-129, "Managing Federal Credit Programs." Under such conditions, USAID may, upon reasonable notice, inform the recipient that payments shall not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(i) Standards governing the use of banks and other institutions as depositories of funds advanced under awards are as follows.

(1) Except for situations described in paragraph (i)(2) of this section, or as otherwise provided in USAID regulations or implementing guidance governing endowment funds, USAID does not require separate depository accounts for funds provided to a recipient or establish any eligibility requirements for depositories for funds provided to a recipient. However, recipients must be able to account for the receipt, obligation and expenditure of funds.

(2) Advances of Federal funds shall be deposited and maintained in insured accounts whenever possible.

(j) Consistent with the national goal of expanding the opportunities for women-owned and minority-owned business enterprises, recipients are encouraged to use women-owned and minority-owned banks (a bank which is owned at least 50 percent by women or minority group members).

(k) Recipients shall maintain advances of Federal funds in interest bearing accounts, unless:

(1) The recipient receives less than \$120,000 in Federal awards per year,

(2) The best reasonably available interest bearing account would not be expected to earn interest in excess of \$250 per year on Federal cash balances, or

(3) The depository would require an average or minimum balance so high that it would not be feasible within the expected Federal and non-Federal cash resources.

(l) Except as otherwise provided in the terms and conditions of the award in accordance with USAID regulations or other implementing guidance, for those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, Rockville, MD 20852. Interest amounts up to \$250 per year may be retained by the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.

(m) Except as noted elsewhere in this part, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. USAID shall not require more than an original and two copies of these forms.

(1) The SF-270, Request for Advance or Reimbursement, is the standard form for all nonconstruction programs when electronic funds transfer or pre-

determined advance methods are not used. USAID has the option of using this form for construction programs in lieu of the SF-271, "Outlay Report and Request for Reimbursement for Construction Programs."

(2) The SF-271, Outlay Report and Request for Reimbursement for Construction Programs, is the standard form to be used for requesting reimbursement for construction programs. However, USAID may substitute the SF-270 when it determines that it provides adequate information to meet Federal needs.

§ 226.23 Cost sharing or matching.

(a) All contributions, including cash and third party inkind, shall be accepted as part of the recipient's cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient's records.

(2) Are not included as contributions for any other federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget.

(7) Conform to other provisions of this part, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If USAID authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of:

(1) The certified value of the remaining life of the property recorded in the recipient's accounting records at the time of donation, or

(2) The current fair market value. However, when there is sufficient justification, the USAID Agreement Officer may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient's organizations. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee's regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award, if:

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching, or

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the USAID Agreement Officer has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(i) The following requirements pertain to the recipient's supporting records for in-kind contributions from third parties.

(1) Volunteer services shall be documented and, to the extent feasible, supported by the same methods used by the recipient for its own employees.

(2) The basis for determining the valuation for personal services, material, equipment, buildings and land shall be documented.

§ 226.24 Program income.

(a) Recipients shall apply the standards set forth in this section to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) of this section, program income earned during the project period shall

be retained by the recipient and, in accordance with USAID regulations, other implementing guidance, or the terms and conditions of the award, shall be used in one or more of the following ways:

(1) Added to funds committed by USAID and the recipient to the project or program, and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When the agreement authorizes the disposition of program income as described in paragraph (b)(1) or (b)(2) of this section, program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3) of this section.

(d) If the terms and conditions of the award do not specify how program income is to be used, paragraph (b)(3) of this section shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) of this section shall apply automatically unless the terms and conditions of the award provide another alternative, or the recipient is subject to special award conditions, as indicated in § 226.14. Recipients which are commercial organizations may not apply paragraph (b)(1) of this section, in accordance with § 226.82 of this part.

(e) Unless the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) Costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award and they comply with the cost principles applicable to the award funds.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards (See §§ 226.30 through 226.37).

(h) Unless the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal

Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 226.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the sum of the Federal and non-Federal shares, or only the Federal share, depending upon USAID requirements as reflected in the terms and conditions of the agreement. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from the USAID Agreement Officer for one or more of the following program or budget related reasons:

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa.

(6) The inclusion, unless waived in the agreement by USAID, of costs that require prior approval in accordance with OMB Circular A-21, "Cost Principles for Institutions of Higher Education," OMB Circular A-122, "Cost Principles for Non-Profit Organizations," or 45 CFR part 74, Appendix E,

“Principles for Determining Costs Applicable to Research and Development under Grants and Contracts with Hospitals,” or 48 CFR part 31, “Contract Cost Principles and Procedures,” as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved budget of the award, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) USAID may waive cost-related and administrative prior written approvals required by this part and OMB Circulars A-21 and A-122, except for requirements listed in paragraphs (c)(1) and (c)(4) of this section. Such waivers may authorize recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the USAID Agreement Officer. All pre-award costs are incurred at the recipient’s risk (i.e., USAID is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months. For one-time extensions, the recipient must notify the USAID Agreement Officer in writing, with the supporting reasons and revised expiration date, at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances. The recipient may initiate a one-time extension unless one or more of the following conditions apply:

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) Except for awards under Section 226.14 and Subpart E of this part, for awards that support research, unless USAID provides otherwise in the award or in its regulations or other implementing guidance, the prior approval requirements described in paragraphs (e) (1) through (3) of this section are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) of this section applies.

(f) USAID may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds \$100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the USAID Agreement Officer. USAID shall not permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to non-construction budgets, except for the changes described in paragraph (j) of this section, do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from the USAID Agreement Officer for budget revisions whenever:

(1) The revision results from changes in the scope or the objective of the project or program.

(2) The need arises for additional Federal funds to complete the project, or

(3) A revision is desired which involves specific costs for which prior written approval requirements may be imposed consistent with the applicable cost principles listed in § 226.27.

(i) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(j) When USAID makes an award that provides support for both construction

and nonconstruction work, the USAID Agreement Officer may require the recipient to request prior approval before making any fund or budget transfers between the two types of work supported.

(k) For both construction and nonconstruction awards, recipients shall notify the USAID Agreement Officer in writing promptly whenever the amount of Federal authorized funds is expected to exceed the needs of the recipient for the project period by more than \$5000 or five percent of the Federal award, whichever is greater. This notification shall not be required if an application for additional funding is submitted for a continuation award.

(l) When requesting approval for budget revisions, recipients shall use the budget forms that were used in the application unless the USAID Agreement Officer indicates a letter of request suffices.

(m) Within 30 calendar days from the date of receipt of the request for budget revisions, the USAID Agreement Officer shall review the request and notify the recipient whether the budget revisions have been approved. If the revision is still under consideration at the end of 30 calendar days, the USAID Agreement Officer shall inform the recipient in writing of the date when the recipient may expect the decision.

§ 226.26 Non-Federal audits.

(a) Recipients and subrecipients shall be subject to the audit requirements contained in OMB Circular A-133, "Audits of Institutions of Higher Education and Other Non-Profit Institutions."

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act (31 U.S.C. 7501-7) and Federal awarding agency regulations implementing OMB Circular A-128, "Audits of State and Local Governments."

(c) Hospitals not covered by the audit provisions of OMB Circular A-133 shall be subject to the audit requirements of USAID.

(d) Commercial organizations shall be subject to the audit requirements of USAID or the prime recipient as incorporated in the award document.

§ 226.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined by the Agreement Officer in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, "Cost Principles for State and Local Governments." The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122, "Cost Principles for Non-Profit Organizations." The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, "Cost Principles for Educational Institutions." The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals." The allowability of costs incurred by commercial organizations and those non-profit organizations listed in Attachment C to Circular A-122 is determined in accordance with the provisions of the Federal Acquisition Regulation (FAR) at 48 CFR part 31.

§ 226.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the award only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the USAID Agreement Officer.

PROPERTY STANDARDS

§ 226.30 Purpose of property standards.

Sections 226.31 through 226.37 set forth uniform standards governing management and or disposition of property furnished by the Federal Government or whose cost was charged to a project supported by a Federal award. USAID shall not impose additional requirements unless specifically required by statute. The recipient may use its

own property management standards and procedures provided it observes the provisions of §§ 226.31 through 226.37.

§ 226.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 226.32 Real property.

(a) Unless the agreement provides otherwise, title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Agreement Officer.

(b) The recipient shall obtain written approval from the Agreement Officer for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by USAID.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b) of this section, the recipient shall request disposition instructions from the Agreement Officer. The Agreement Officer will give one or more of the following disposition instructions:

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by USAID and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deduct-

ing actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.

§ 226.33 Federally-owned and exempt property.

(a) *Federally-owned property.* (1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to USAID. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to USAID for further Federal agency utilization.

(2) If USAID has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless USAID has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, "Improving Mathematics and Science Education in Support of the National Education Goals.") Appropriate instructions shall be issued to the recipient by USAID.

(b) *Exempt property.* When statutory authority exists, USAID has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions USAID considers appropriate. Such property is "exempt property" (see definition in § 226.2). Should USAID not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

§ 226.34 Equipment.

(a) Unless the agreement provides otherwise, title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this part.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of USAID. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(1) Activities sponsored by USAID, then

(2) Activities sponsored by other Federal agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by USAID; second preference shall be given to projects or programs sponsored by other Federal agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by USAID. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of USAID.

(f) The recipient's property management standards for equipment acquired

with Federal funds and federally-owned equipment shall include all of the following.

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.

(ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient, the Federal Government, or other specified entity.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates USAID for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the Federal awarding agency with whose funds the equipment was purchased.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of \$5000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original Federal awarding agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for USAID-financed equipment, the recipient shall request disposition instructions from the Agreement Officer. USAID shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within USAID, the availability of the equipment shall be reported to the General Services Administration to determine whether a requirement for the equipment exists in other Federal agencies. The USAID Agreement Officer shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern:

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse USAID an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for the recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Fed-

eral Government by an amount which is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable shipping or interim storage costs incurred.

(3) If the recipient is instructed to otherwise dispose of the equipment, the recipient will be reimbursed by USAID for such costs incurred in its disposition.

(h) USAID reserves the right to transfer the title to the Federal Government or to a third party named by the Federal Government when such third party is otherwise eligible under existing statutes. Such transfer shall be subject to the following standards:

(1) The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.

(2) USAID shall issue disposition instructions within 120 calendar days after receipt of a final inventory. The final inventory shall list all equipment acquired with award funds and federally-owned equipment. If USAID fails to issue disposition instructions within the 120 calendar day period, the recipient shall apply the standards of this section, as appropriate.

(3) When USAID exercises its right to take title, the equipment shall be subject to the provisions for federally-owned equipment.

§ 226.35 Supplies and other expendable equipment.

(a) Title to supplies and other expendable equipment shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding \$5000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to

provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

§ 226.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. USAID reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(c) Unless waived by USAID, the Federal Government has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award; and

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of USAID. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of § 226.34(g).

§ 226.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Recipients shall record liens or other appropriate notices of record to indi-

cate that personal or real property has been acquired, improved or constructed with Federal funds and that use and disposition conditions apply to the property.

PROCUREMENT STANDARDS

§ 226.40 Purpose of procurement standards.

Sections 226.41 through 226.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by USAID upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 226.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to USAID, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred to such Federal, State or local authority as may have proper jurisdiction.

§ 226.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent,

any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 226.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly establish all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient's interest to do so.

§ 226.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide, at a minimum, that:

(1) Recipients avoid purchasing unnecessary items,

(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government, and

(3) Solicitations for goods and services provide for all of the following.

(i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.

(ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.

(iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.

(iv) The specific features of "brand name or equal" descriptions that bidders are required to meet when such items are included in the solicitation.

(v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.

(vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.

(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women's business enterprises, whenever possible. Recipients of USAID awards shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women's business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women's business enterprises. To permit USAID, in accordance with the small business provisions of the Foreign Assistance Act of 1961, as amended, to give United States

small business firms an opportunity to participate in supplying commodities and services procured under the award, the recipient shall to the maximum extent possible provide the following information to the Office of Small Disadvantaged Business Utilization (OSDBU/MRC), USAID Washington, DC 20523, at least 45 days prior to placing any order or contract in excess of the small purchase threshold:

- (i) Brief general description and quantity of goods or services;
- (ii) Closing date for receiving quotations, proposals or bids; and
- (iii) Address where solicitations or specifications can be obtained.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women's business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women's business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce's Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women's business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The "cost-plus-a-percentage-of-cost" or "percentage of construction cost" methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain

circumstances, contracts with certain parties are restricted by agencies' implementation of E.O.s 12549 and 12689, "Debarment and Suspension."

(e) Recipients shall, on request, make available for USAID, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient's procurement procedures or operation fails to comply with the procurement standards in this part.

(2) The procurement is expected to exceed the small purchase threshold fixed at 41 U.S.C. 403(11) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase threshold, specifies a "brand name" product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

§ 226.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 226.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

- (a) Basis for contractor selection,
- (b) Justification for lack of competition when competitive bids or offers are not obtained, and
- (c) Basis for award cost or price.

§ 226.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 226.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds \$100,000. For those contracts or subcontracts exceeding \$100,000, the USAID Agreement Officer may accept the bonding policy and requirements of the recipient, provided that USAID determines that the Federal Government's interest is adequately protected. In making this determination for contract or subcontracts to be per-

formed overseas, the Agreement Officer shall take into consideration any established local practices relating to security. If such a determination has not been made, the minimum requirements shall be as follows.

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of its bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, "Surety Companies Doing Business with the United States."

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, USAID, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this part, as applicable. Whenever a provision is required to be inserted in a contract under an agreement, the recipient shall insert a statement in the

contract that in all instances where the U.S. Government or USAID is mentioned, the recipient's name shall be substituted.

§ 226.49 USAID-Specific procurement requirements

Procurement requirements which are applicable to USAID because of statute and regulation are in Subpart G.

REPORTS AND RECORDS

§ 226.50 Purpose of reports and records.

Sections 226.51 through 226.53 establish the procedures for monitoring and reporting on the recipient's financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 226.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in Section 226.26.

(b) The terms and conditions of the agreement will prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph 226.51(f), performance reports will not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the award year; quarterly or semi-annual reports shall be due 30 days after the reporting period. USAID may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) Performance reports shall generally contain, for each award, brief information on each of the following:

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the

findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall submit the original and two copies of performance reports.

(f) Recipients shall immediately notify USAID of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) USAID may make site visits, as needed.

(h) USAID shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 226.52 Financial reporting.

(a) The following forms are used for obtaining financial information from recipients.

(1) SF-269 or SF-269A, Financial Status Report.

(i) USAID will require recipients to use either the SF-269 or SF-269A to report the status of funds for all non-construction projects or programs. The type of form required will be established in the award. USAID may, however, have the option of not requiring the SF-269 or SF-269A when the SF-270, Request for Advance or Reimbursement, or SF-272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF-269 or SF-269A shall be required at the completion of the project when the SF-270 is used only for advances.

(ii) The type of reporting required will be established in the agreement. If USAID requires accrual information

and the recipient's accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.

(iii) USAID will determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. The frequency of reports will be established in the agreement. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) Recipients shall submit the SF-269 or SF-269A (an original and two copies) no later than 30 days after the end of each specified reporting period for quarterly and semi-annual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by USAID upon request of the recipient.

(2) SF-272, Report of Federal Cash Transactions.

(i) When funds are advanced to recipients USAID shall require each recipient to submit the SF-272 and, when necessary, its continuation sheet, SF-272a. USAID shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) USAID may require forecasts of Federal cash requirements in the "Remarks" section of the report.

(iii) When practical and deemed necessary, USAID may require recipients to report in the "Remarks" section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF-272 15 calendar days following the end of each quarter. USAID may require a monthly report from those recipients receiving advances totaling \$1 million or more per year.

(v) USAID may waive the requirement for submission of the SF-272 for any one of the following reasons:

(A) When monthly advances do not exceed \$25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in USAID's opinion, the recipient's accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When USAID needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, USAID shall issue instructions to require recipients to submit such information under the "Remarks" section of the reports.

(2) When USAID determines that a recipient's accounting system does not meet the standards in Section 226.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. USAID, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) USAID may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(4) USAID may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

§ 226.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. USAID shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or

annually, from the date of the submission of the quarterly or annual financial report, as authorized by USAID. The only exceptions are the following:

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by USAID, the 3-year retention requirements is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in paragraph 226.53(g).

(c) Copies of original records may be substituted for the original records if authorized by USAID.

(d) USAID shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate recordkeeping, USAID may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) USAID, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient's personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, USAID will not place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when USAID can demonstrate that such records shall be kept confidential and would have been

exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to USAID.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) of this section apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to the Federal awarding agency or the subrecipient submits to the recipient the proposal, plan, or other computation to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

SUSPENSION, TERMINATION AND ENFORCEMENT

§ 226.60 Purpose of suspension, termination and enforcement.

Sections 226.61 and 226.62 set forth uniform suspension, termination and enforcement procedures.

§ 226.61 Suspension and termination.

(a) Awards may be terminated (or, with respect to paragraphs (a) (1) and (3) of this section, suspended) in whole or in part if any of the circumstances stated in paragraphs (a)(1) through (4) of this section apply.

(1) By USAID, if a recipient materially fails to comply with the terms and conditions of an award.

(2) By USAID with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated.

(3) If at any time USAID determines that continuation of all or part of the funding for a program should be suspended or terminated because such assistance would not be in the national interest of the United States or would be in violation of an applicable law, then USAID may, following notice to the recipient, suspend or terminate the award in whole or in part and prohibit the recipient from incurring additional obligations chargeable to the award other than those costs specified in the notice of suspension. If a suspension is effected and the situation causing the suspension continues for 60 days or more, then USAID may terminate the award in whole or in part on written notice to the recipient and cancel any portion of the award which has not been disbursed or irrevocably committed to third parties.

(4) By the recipient upon sending to USAID written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if USAID determines in the case of partial termination that the reduced or modified portion of the award will not accomplish the purposes for which the grant was made, it may terminate the award in its entirety under paragraph (a)(1), (a)(2) or (a)(3) of this section.

(b) If costs are allowed under an award, the responsibilities of the recipient referred to in paragraph 226.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 226.62 Enforcement.

(a) *Remedies for noncompliance.* If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, USAID may, in addition to imposing any of the special con-

ditions outlined in § 226.14, take one or more of the following actions, as appropriate in the circumstances.

(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by USAID.

(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.

(3) Wholly or partly suspend or terminate the current award.

(4) Withhold further awards for the project or program.

(5) Take other remedies that may be legally available.

(b) *Hearings and appeals.* The recipient may appeal, in accordance with Subpart F, any action taken by USAID on which a dispute exists and a decision by the Agreement Officer has been obtained. There is no right to a hearing on such an appeal.

(c) *Effects of suspension and termination.* Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless USAID expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:

(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable, and

(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.

(d) *Relationship to debarment and suspension.* The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and USAID's implementing regulations (see 22 CFR Part 208).

Subpart D—After-the-Award Requirements

§ 226.70 Purpose.

Sections 226.71 through 226.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.

§ 226.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. USAID may approve extensions when requested by the recipient.

(b) Unless USAID authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.

(c) USAID will make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that USAID has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, USAID shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with §§ 226.31 through 226.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, USAID retains the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

§ 226.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following.

(1) The right of USAID to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in §§ 226.26.

(4) Property management requirements in §§ 226.31 through 226.37.

(5) Records retention as required in § 226.53.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of USAID and the recipient, provided the responsibilities of the recipient referred to in paragraph 226.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 226.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. USAID reserves the right to require refund by the recipient of any amount which USAID determines to have been expended for purposes not in accordance with the terms and condition of the award, including but not limited to costs which are not allowable in accordance with the applicable Federal cost principles or other terms and conditions of the award. If not paid within a reasonable period after the demand for payment, USAID may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the recipient, or

(3) Taking other action permitted by law.

(b) Except as otherwise provided by law, USAID will charge interest on an overdue debt in accordance with 4 CFR Chapter II, "Federal Claims Collection Standards."

**Subpart E—Additional Provisions
For Awards to Commercial
Organizations**

§ 226.80 Scope of subpart.

This subpart contains additional provisions that apply to awards to commercial organizations. These provisions supplement and make exceptions for awards to commercial organizations from other provisions of this part.

§ 226.81 Prohibition against profit.

No funds shall be paid as profit to any recipient that is a commercial organization. Profit is any amount in excess of allowable direct and indirect costs.

§ 226.82 Program income.

The additional costs alternative described in § 226.24(b)(1) may not be applied to program income earned by a commercial organization.

Subpart F—Miscellaneous

§ 226.90 Disputes.

(a) Any dispute under or relating to a grant or agreement shall be decided by the USAID Agreement Officer. The Agreement Officer shall furnish the recipient a written copy of the decision.

(b) Decisions of the USAID Agreement Officer shall be final unless, within 30 days of receipt of the decision, the grantee appeals the decision to USAID's Deputy Assistant Administrator for Management, USAID, Washington, DC 20523. Appeals must be in writing with a copy concurrently furnished to the Agreement Officer.

(c) In order to facilitate review on the record by the Deputy Assistant Administrator for Management, the recipient shall be given an opportunity to submit written evidence in support of its appeal. No hearing will be provided.

(d) Decisions by the Deputy Assistant Administrator for Management shall be final.

**APPENDIX A TO PART 226—CONTRACT
PROVISIONS**

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:

1. *Equal Employment Opportunity*—All contracts to be performed in the United States, or to be performed with employees who were recruited in the United States, shall contain a provision requiring compliance with E.O. 11246, "Equal Employment Opportunity," as amended by E.O. 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and as supplemented by regulations at 41 CFR Chapter 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," to the extent required by the foregoing.

2. *Copeland "Anti-Kickback" Act (18 U.S.C. 874 and 40 U.S.C. 276c)*—All contracts and subawards in excess of \$2,000 for construction or repair to be performed in the United States awarded by recipients and subrecipients shall include a provision for compliance with the Copeland "Anti-Kickback" Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

3. *Davis-Bacon Act, as amended (40 U.S.C. 276a to a-7)*—When required by Federal program legislation, all construction, alteration, and/or repair contracts to be performed in the United States awarded by the recipients and subrecipients of more than

\$2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5, "Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction"). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Federal awarding agency.

4. *Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333)*—Where applicable, all contracts awarded by recipients in excess of \$2000 for construction contracts to be performed in the United States and in excess of \$2500 for other such contracts that involve the employment of mechanics or laborers shall include a provision for compliance with sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333), as supplemented by Department of Labor regulations (29 CFR part 5). Under section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

5. *Rights to Inventions Made Under a Contract or Agreement*—Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

6. *Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended*—Contracts and subawards of amounts in excess of

\$100,000 to be performed in the United States shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

7. *Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)*—Contractors who apply or bid for an award exceeding \$100,000 shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

8. *Debarment and Suspension (E.O.s 12549 and 12689)*—Certain contracts shall not be made to parties listed on the nonprocurement portion of the General Services Administration's "Lists of Parties Excluded from Federal Procurement or Nonprocurement Programs" in accordance with E.O.s 12549 and 12689, "Debarment and Suspension." This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principals.

9. Contracts which require performance outside the United States shall contain a provision requiring Worker's Compensation Insurance (42 U.S.C. 1651, et seq.). As a general rule, Department of Labor waivers will be obtained for persons employed outside the United States who are not United States citizens or residents provided adequate protection will be given such persons. The recipient should refer questions on this subject to the USAID Agreement Officer.

Subpart A—General

§ 227.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal con-

tract, grant, loan, or cooperative agreement shall file with that agency a certification, set forth in appendix A, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

§ 227.105 Definitions.

For purposes of this part:

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) *Federal contract* means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) *Federal cooperative agreement* means a cooperative agreement entered into by an agency.

The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, loan insurance, interest subsidies, insurance, or direct United States cash assistance to an individual.

(f) *Federal loan* means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) *Indian tribe* and *tribal organization* have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

(i) *Loan guarantee* and *loan insurance* means an agency's guarantee or insurance of a loan made by a person.

(j) *Local government* means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

(2) A member of the uniformed services as defined in section 101(3), title 37, U.S. Code;

(3) A special Government employee as defined in section 202, title 18, U.S. Code; and,

(4) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, title 5, U.S. Code appendix 2.

(l) *Person* means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) *Reasonable compensation* means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not furnished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) *Reasonable payment* means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) *Recipient* includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes

an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(p) *Regularly employed* means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

(q) *State* means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

§ 227.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to in-

sure or guarantee a loan exceeding \$150,000,

Unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraphs (a) or (b) of this section:

(1) A subcontract exceeding \$100,000 at any tier under a Federal contract;

(2) A subgrant, contract, or subcontract exceeding \$100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement,

Shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraphs (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier

filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 227.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 227.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the per-

son's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 227.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 227.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, "professional and technical services" shall be limited to advice and analysis directly applying any

professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 227.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 227.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 227.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 227.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of

his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 227.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such expenditure.

(b) Any person who fails to file or amend the disclosure form (see appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraphs (a) or (b) of this section shall be subject to a civil penalty of \$10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$10,000 and \$100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

§ 227.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 227.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 227.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 227.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 227.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President's Budget in 1991, an evaluation of the compliance of that agency with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency's covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

Subpart A—Definitions and Scope of This Part

§ 228.01 Definitions.

As used in this part, the following terms shall have the following meanings:

(a) *Commodity* means any material, article, supply, goods, or equipment.

(e) *Delivery* means the transfer to, or for the account of, an importer of the right to possession of a commodity, or, with respect to a commodity-related service, the rendering to, or for the account of, an importer of any such service.

(f) *Delivery service* means any service customarily performed in a commercial export transaction which is necessary to effect a physical transfer of commodities to the cooperating country. Examples of such services are the following: export packing, local drayage in the source country (including waiting time at the dock), ocean and other freight, loading, heavy lift, wharfage, tollage, switching, dumping and trimming, lighterage, insurance, commodity inspection services, and services of a freight forwarder. "Delivery services" may also include work

and materials necessary to meet USAID marking requirements.

(g) *Implementing document* means any document, such as a contract, grant, letter of commitment, etc., issued by USAID which authorizes the use of USAID funds for the procurement of services or commodities and/or commodity related services, and which specifies conditions which apply to such procurement.

(i) *Mission* means the USAID Mission or representative in a cooperating country.

(k) *Services* means the performance of identifiable tasks, rather than the delivery of an end item of supply.

(l) *Source* means the country from which a commodity is shipped to the cooperating country, or the cooperating country if the commodity is located therein at the time of the purchase. Where, however, a commodity is shipped from a free port or bonded warehouse in the form in which received therein, “source” means the country from which the commodity was shipped to the free port or bonded warehouse.

(q) *USAID Geographic Code* means a code in the USAID Geographic Code Book which designates a country, a group of countries, or an otherwise defined area. The principal USAID geographic codes are described in § 228.03.

(r) *USAID/W* means the USAID in Washington, DC 20523, including any office thereof.

§ 228.02 Scope and application.

This part is applicable to goods and services financed directly with program funds under the Foreign Assistance Act of 1961, as amended, unless otherwise provided by statute or regulation. If different conditions apply to a USAID-financed procurement, by statute or regulation, those conditions shall be incorporated in the implementing document and shall prevail in the event of any conflict with this part 228. The implementing documents will indicate the authorized source of procurement. The terms and conditions applicable to a procurement of goods or services shall be those in effect on the date of the issuance of a contract for goods or services by USAID or by the cooperating country.

§ 228.03 Identification of principal geographic code numbers.

The USAID Geographic Code Book sets forth the official description of all geographic codes used by USAID in authorizing or implementing documents, to designate authorized source countries or areas. The following are summaries of the principal codes:

Subpart B—Conditions Governing Source and Nationality of Commodity Procurement Transactions for USAID Financing

§ 228.10 Purpose.

Sections 228.11 through 228.14 set forth the rules governing the eligible source of commodities and nationality of commodity suppliers for USAID financing. These rules may be waived in accordance with the provisions in subpart F of this part.

§ 228.11 Source and origin of commodities.

(a) The source and origin of a commodity as defined in § 228.01 shall be a country or countries authorized in the implementing document by name or by reference to a USAID geographic code.

(b) Any component from a foreign policy restricted country makes the

*Has the status of a "Geopolitical Entity", rather than an independent country.

commodity ineligible for USAID financing.

(c) When the commodity being purchased is a kit (e.g., scientific instruments, tools, or medical supplies packaged as a single unit), the kit will be considered a produced commodity.

(d) When spare parts for vehicles or equipment are purchased, each separate shipment will be considered a produced commodity, rather than each individual spare or replacement part. The parts must be packed in and shipped from an eligible country.

(e) Systems determination. When a system consisting of more than one produced commodity is procured as a single, separately priced item, USAID may determine that the system itself shall be considered a produced commodity.

(f) In order to be eligible for USAID financing, when items are considered produced commodities under paragraphs (c), (d), or (e) of this section, the total cost (to the system supplier) of the commodities making up the kit, spare parts, or system which were manufactured in countries not included in the authorized geographic code may not exceed 50 percent of the lowest price (not including ocean transportation and marine insurance) at which the supplier makes the final product available for export sale.

[61 FR 53616, Oct. 15, 1996; 62 FR 314, Jan. 3, 1997]

§ 228.12 Long-term leases.

Any commodity obtained under a long-term lease agreement is subject to the source and origin requirements of this subpart B. For purposes of this subpart B, a long-term lease is defined as a single lease of more than 180 days, or repetitive or intermittent leases under a single activity or program within a one-year period totalling more than 180 days, for the same type of commodity.

§ 228.13 Special source rules requiring procurement from the United States.

(a) Agricultural commodities and products thereof must be procured in the United States if the domestic price is less than parity, unless the commodity cannot reasonably be procured in

the United States in fulfillment of the objectives of a particular assistance program under which such commodity procurement is to be financed. (22 U.S.C. 2354)

(b) Motor vehicles must be manufactured in the United States to be eligible for USAID financing. Also, any vehicle to be financed by USAID under a long-term lease or where the sale is to be guaranteed by USAID must be manufactured in the United States. (22 U.S.C. 2396) For purposes of this section, motor vehicles are defined as self-propelled vehicles with passenger carriage capacity, such as highway trucks, passenger cars and buses, motorcycles, scooters, motorized bicycles and utility vehicles. Excluded from this definition are industrial vehicles for materials handling and earthmoving, such as lift trucks, tractors, graders, scrapers, off-the-highway trucks (such as off-road dump trucks) and other vehicles that are not designed for travel at normal road speeds (40 kilometers per hour and above). In addition to the above requirements, passenger cars, light trucks, vans, minivans and utility vehicles must be manufactured by either Chrysler, Ford or General Motors and bear their nameplates, brand names or logos, to be eligible for financing by USAID. The nameplate, brand name or logo requirements do not apply when vehicles are procured under a source waiver.

(c) Pharmaceutical products must be manufactured in the United States in order to be eligible for USAID financing. USAID shall not finance any pharmaceutical product manufactured outside the United States if the manufacture of such product in the United States would involve the use of, or be covered by, a valid patent of the United States unless such manufacture is expressly authorized by the owner of such patent. (22 U.S.C. 2356)

[61 FR 53616, Oct. 15, 1996; 62 FR 314, Jan. 3, 1997]

§228.14 Nationality of suppliers of commodities.

(a) The rules on nationality of suppliers of commodities relate only to the suppliers, and not to the commodities

they supply. The nationality of the supplier is an additional eligibility criterion to the rules on source, origin and componentry.

(b) A supplier providing commodities must fit one of the following categories for the transaction to be eligible for USAID financing:

(1) An individual who is a citizen or a lawfully admitted permanent resident of a country or area included in the authorized geographic source code, except as provided in paragraph (c) of this section;

(2) A corporation or partnership organized under the laws of a country or area included in the authorized geographic source code and with a place of business in such country;

(3) A controlled foreign corporation (within the meaning of section 957 et seq. of the Internal Revenue Code) as attested by current information on file with the Internal Revenue Service of the United States (on IRS Form 959, 2952, 3646, or on substitute or successor forms) submitted by shareholders of the corporation; or

(4) A joint venture or unincorporated association consisting entirely of individuals, corporations, or partnerships which are eligible under either paragraph (b) (1), (2) or (3) of this section.

(c) Citizens of any country or area, or firms or organizations located in, organized under the laws of, or owned in any part by citizens or organizations of any country or area not included in Geographic Code 935 are ineligible for financing by USAID as suppliers of commodities. Limited exceptions to this rule are:

(1) Individuals lawfully admitted for permanent residence in the United States are eligible, as individuals or owners, regardless of their citizenship; and

(2) The USAID Procurement Executive may authorize the eligibility of organizations having minimal ownership by citizens or organizations of non-Geographic Code 935 countries.

Subpart C—Conditions Governing the Eligibility of Commodity-Related Services for USAID Financing

§ 228.20 Purpose.

Sections 228.21 through 228.25 set forth the rules governing the eligibility of commodity-related services, both delivery services and incidental services, for USAID financing. These rules may be waived in accordance with the provisions in subpart F of this part. Waivers granted pursuant to subpart F for individual shipments requiring ocean transportation which are not based on a determination of non-availability shall not reduce the requirement that the applicable percentage of USAID cargoes be transported on U.S.-flag vessels pursuant to the Cargo Preference Act of 1954, Section 901(b)(1) of the Merchant Marine Act of 1936, as amended, 46 U.S.C. 1241(b). The rules on delivery services apply whether or not USAID is also financing the commodities being transported. In order to be identified and eligible as incidental services, such services must be connected with a USAID-financed commodity procurement.

§ 228.21 Ocean transportation.

(a) The Cargo Preference Act of 1954, Section 901(b)(1) of the Merchant Marine Act of 1936, as amended, 46 U.S.C. 1241(b)(1), is applicable to ocean shipment of goods subject to this part.

(b) In addition to cargo preference requirements, ocean shipments of USAID-financed goods must meet the requirements in paragraph (c) of this section in order for the freight cost to be eligible for USAID financing.

(c) The eligibility of ocean transportation services is determined by the flag registry of the vessel.

(1) When the authorized source for procurement is Geographic Code 000 (U.S.A.), USAID will finance ocean transportation only on U.S. flag vessels.

(2) When the authorized source for procurement is Geographic Code 941 (selected Free World), USAID will finance ocean transportation on vessels under flag registry of any country in Code 935.

(3) When commodities whose eligibility is restricted to Geographic Code 000 are purchased under agreements which authorize Geographic Code 941 for the procurement of all other commodities, USAID will finance the ocean transportation in accordance with paragraph (c)(2) of this section.

(4) USAID will finance costs incurred on vessels under flag registry of any Geographic Code 935 country if the costs are part of the total cost on a through bill of lading that is paid to a carrier for initial carriage on a vessel which is eligible in accordance with paragraph (c) (1), (2) or (3) of this section.

§ 228.22 Air transportation.

(a) The eligibility of air transportation is determined by the flag registry of the aircraft. The term "U.S. flag air carrier" means one of a class of air carriers holding a certificate under Section 401 of the Federal Aviation Act of 1958 (49 U.S.C. 1371) authorizing operations between the United States or its territories and one or more foreign countries.

(b) For air transport financed under USAID grants, there is a U.S. Government statute that requires the use of U.S. flag air carriers for all international air travel and transportation, unless such service is not available. When U.S. flag air carriers are not available, any Geographic Code 935 flag air carrier may be used.

(c) Different requirements may be authorized in the implementing document if the transaction is financed under a USAID loan.

(d) The Comptroller General's memorandum (B-138942), dated March 31, 1981, entitled "Revised Guidelines for Implementation of the Fly America Act", established criteria for determining when U.S. flag air carriers are unavailable. See 48 CFR 47.403-1, or USAID Optional Standard Provision on "Air Travel and Transportation" for grants and cooperative agreements.

(e) While the Comptroller General's memorandum does not establish specific criteria for determining when freight service is unavailable, it is USAID's policy that such service is not available when the following criteria are met:

(1) When no U.S. flag air carrier provides scheduled air freight service from the airport serving the shipment's point of origin and a non-U.S. flag carrier does;

(2) When the U.S. flag air carrier(s) serving the shipment's point of origin decline to issue a through air waybill for transportation at the shipment's final destination airport;

(3) When use of a U.S.-flag air carrier would result in delivery to final destination at least seven days later than delivery by means of a non-U.S. carrier;

(4) When the total weight of the consignment exceeds the maximum weight per shipment which the U.S. flag air carrier will accept and transport as a single shipment and a non-U.S. flag air carrier will accept and transport the entire consignment as a single shipment;

(5) When the dimensions (length, width, or height) of one or more of the items of a consignment exceed the limitations of the U.S. flag aircraft's cargo door opening, but do not exceed the acceptable dimensions for shipment on an available non-U.S. flag scheduled air carrier.

[61 FR 53616, Oct. 15, 1996; 62 FR 314, Jan. 3, 1997]

§ 228.23 Eligibility of marine insurance.

The eligibility of marine insurance is determined by the country in which it is "placed". Insurance is "placed" in a country if payment of the insurance premium is made to, and the insurance policy is issued by, an insurance company office located in that country. Eligible countries for placement are governed by the authorized geographic code. However, if Geographic Code 941 is authorized, the cooperating country is also eligible to provide such services, unless the implementing document specified otherwise based on the following:

(a) If a cooperating country discriminates against marine insurance companies authorized to do business in any State of the United States, then all USAID-financed goods for that country

must be insured in the United States against marine risk. The term "authorized to do business in any State of the United States" means that foreign-owned insurance companies licensed to do business in the United States (by any State) are treated the same as comparable U.S.-owned companies.

(b) The prima facie test of discrimination is that a cooperating country takes actions which hinder private importers in USAID-financed transactions from making cost, insurance and freight (C.I.F.) or cost and insurance (C.&I.) contracts with United States commodity suppliers, or which hinder importers in instructing such suppliers to place marine insurance with companies authorized to do business in the United States.

(c) When discrimination is found to exist and the cooperating country fails to correct the discriminatory practice, USAID requires that all commodities procured with USAID funds be insured in the United States against marine loss. The decision of any cooperating country to insure all public sector procurements locally with a government-owned insurance agency is not considered discrimination.

§ 228.24 Other delivery services.

No source or nationality rules apply to other delivery services, such as export packing, loading, commodity inspection services, and services of a freight forwarder. Such services are eligible in connection with a commodity which is financed by USAID.

§ 228.25 Incidental services.

Source and nationality rules do not apply to suppliers of incidental services specified in a purchase contract relating to equipment. However, citizens or firms of any country not included in USAID Geographic Code 935 are ineligible to supply incidental services, except that individuals lawfully admitted for permanent residence in the U.S. are eligible regardless of their citizenship.

[61 FR 53616, Oct. 15, 1996; 61 FR 54849, Oct. 22, 1996]

Subpart D—Conditions Governing the Nationality of Suppliers of Services for USAID Financing

§ 228.30 Purpose.

Sections 228.31 through 228.37 set forth the nationality rules governing the eligibility for USAID financing of suppliers of services which are not commodity-related. These rules may be waived in accordance with the provisions in subpart F of this part.

§ 228.31 Individuals and privately owned commercial firms.

(a) In order to be eligible for USAID financing as a supplier of services, whether as a contractor or subcontractor at any tier, an individual must meet the requirements of paragraph (a)(1) of this section (except that individual personal services contractors are not subject to this requirement), and a privately owned commercial firm must meet the requirements in paragraph (a)(2) of this section. In the case of the categories described in paragraphs (a)(2) (i) and (ii) of this section, the certification requirements in paragraph (b) of this section must be met.

(1) An individual must be a citizen of and have a principal place of business in a country or area included in the authorized geographic code, or a non-U.S. citizen lawfully admitted for permanent residence in the United States whose principal place of business is in the United States;

(2) A privately owned commercial (i.e., for profit) corporation or partnership must be incorporated or legally organized under the laws of a country or area included in the authorized geographic code, have its principal place of business in a country or area included in the authorized geographic code, and meet the criteria set forth in either paragraph (a)(2)(i) or (ii) of this section:

(i) The corporation or partnership is more than 50 percent beneficially owned by individuals who are citizens of a country or area included in the authorized geographic code or non-U.S. citizens lawfully admitted for permanent residence in the United States. In the case of corporations, “more than 50 percent beneficially owned” means that more than 50 percent of each class

of stock is owned by such individuals; in the case of partnerships, “more than 50 percent beneficially owned” means that more than 50 percent of each category of partnership interest (e.g., general, limited) is owned by such individuals.

(With respect to stock or interest held by companies, funds or institutions, the ultimate beneficial ownership by individuals is controlling.)

(ii) The corporation or partnership:

(A) Has been incorporated or legally organized in the United States for more than 3 years prior to the issuance date of the invitation for bids or requests for proposals,

(B) Has performed within the United States administrative and technical, professional, or construction services, similar in complexity, type and value to the services being contracted (under a contract, or contracts, for services) and derived revenue therefrom in each of the 3 years prior to the date described in paragraph (a)(2)(ii)(A) of this section,

(C) Employs United States citizens and non-U.S. citizens lawfully admitted for permanent residence in the United States in more than half its permanent full-time positions in the United States and more than half of its principal management positions, and

(D) Has the existing technical and financial capability in the United States to perform the contract.

(b) A duly authorized officer of a firm or nonprofit organization shall certify that the participating firm or nonprofit organization meets either the requirements of paragraph (a)(2) (i) or (ii) of this section or § 228.32. In the case of corporations, the certifying officer shall be the corporate secretary. With respect to the requirements of paragraph (a)(2)(i) of this section, the certifying officer may presume citizenship on the basis of the stockholders' record address, provided the certifying officer certifies, regarding any stockholder (including any corporate fund or institutional stockholder) whose holdings are material to the corporation's eligibility, that the certifying officer knows of no fact which might rebut that presumption.

§ 228.32 Nonprofit organizations.

(a) Nonprofit organizations, such as educational institutions, foundations, and associations, must meet the criteria listed in this section and the certification requirement in § 228.31(b) to be eligible as suppliers of services, whether as contractors or subcontractors at any tier. Any such institution must:

(1) Be organized under the laws of a country or area included in the authorized geographic code;

(2) Be controlled and managed by a governing body, a majority of whose members are citizens of countries or areas included in the authorized geographic code; and

(3) Have its principal facilities and offices in a country or area included in the authorized geographic code.

(b) International agricultural research centers and such other international research centers as may be, from time to time, formally listed as such by the USAID Assistant Administrator, Global Bureau, are considered to be of U.S. nationality.

§ 228.33 Foreign government-owned organizations.

Firms operated as commercial companies or other organizations (including nonprofit organizations other than public educational institutions) which are wholly or partially owned by foreign governments or agencies thereof are not eligible for financing by USAID as contractors or subcontractors, except if their eligibility has been established by a waiver approved by USAID in accordance with § 228.54. This does not apply to foreign government ministries or agencies.

§ 228.34 Joint ventures.

A joint venture or unincorporated association is eligible only if each of its members is eligible in accordance with §§ 228.31, 228.32, or 228.33.

§ 228.35 Construction services from foreign-owned local firms.

(a) When the estimated cost of a contract for construction services is \$5 million or less and only local firms will be solicited, a local corporation or partnership which does not meet the

test in § 228.31(a)(2)(i) for eligibility based on ownership by citizens of the cooperating country (i.e., it is a foreign-owned local firm) will be eligible if it is determined by USAID to be an integral part of the local economy. However, such a determination is contingent on first ascertaining that no United States construction company with the required capability is currently operating in the cooperating country or, if there is such a company, that it is not interested in bidding for the proposed contract.

(b) A foreign-owned local firm is an integral part of the local economy provided:

(1) It has done business in the cooperating country on a continuing basis for not less than three years prior to the issuance date of invitations for bids or requests for proposals to be financed by USAID;

(2) It has a demonstrated capability to undertake the proposed activity;

(3) All, or substantially all, of its directors of local operations, senior staff and operating personnel are resident in the cooperating country;

(4) Most of its operating equipment and physical plant are in the cooperating country.

§ 228.36 Ineligible suppliers.

Citizens of any country or area not included in Geographic Code 935, and firms and organizations located in, organized under the laws of, or owned in any part by citizens or organizations of any country or area not included in Geographic Code 935 are ineligible for financing by USAID as suppliers of services, or as agents in connection with the supply of services. The limited exceptions to this rule are:

(a) Individuals lawfully admitted for permanent residence in the United States are eligible, as individuals or owners, regardless of their citizenship, and

(b) The Procurement Executive may authorize the eligibility of organizations having minimal ownership by citizens or organizations of non-Geographic Code 935 countries.

§ 228.37 Nationality of employees under contracts or subcontracts for services.

(a) The rules set forth in §§ 228.31 through 228.36 do not apply to the employees of contractors or subcontractors. Such employees must, however, be citizens of countries included in Geographic Code 935 or, if they are not, have been lawfully admitted for permanent residence in the United States.

(b) When the contractor on a USAID-financed construction project is a United States firm, at least half of the supervisors and other specified key personnel working at the project site must be citizens or permanent legal residents of the United States. Exceptions may be authorized by the USAID Mission Director in writing if special circumstances exist which make compliance impractical.

[61 FR 53616, Oct. 15, 1996; 62 FR 314, Jan. 3, 1997]

§ 228.38 Miscellaneous service transactions.

This section sets forth rules governing certain miscellaneous services.

(a) *Commissions.* The nationality rules in subparts C and D of this part, with the exception of § 228.36, do not apply to the payment of commissions by suppliers. A commission is defined as any payment or allowance by a supplier to any person for the contribution which that person has made to securing the sale or contract for the supplier or which that person makes to securing on a continuing basis similar sales or contracts for the supplier.

(b) *Bonds and guarantees.* The nationality rules in subparts C and D of this part, with the exception of § 228.36, do not apply to sureties, insurance companies or banks who issue bonds or guarantees under USAID-financed contracts.

(c) *Liability insurance under construction contracts.* The nationality rules in subparts C and D of this part, with the exception of § 228.36, do not apply to firms providing liability insurance under construction contracts.

§ 228.39 Special source rules for construction and engineering services.

Advanced developing countries, eligible under Geographic Code 941, which

have attained a competitive capability in international markets for construction services or engineering services are not eligible to furnish USAID-financed construction and engineering services. There is no waiver of this provision. (22 U.S.C. 2354)

Subpart E—Conditions Governing Source and Nationality of Local Procurement Transactions for USAID Financing**§ 228.40 Local procurement.**

Local procurement in the cooperating country involves the use of appropriated funds to finance the procurement of goods and services supplied by local businesses, dealers or producers, with payment normally being in the currency of the cooperating country. Unless otherwise specified in an implementing document, or a waiver is approved by USAID in accordance with subpart F of this part, local procurement is eligible for USAID financing only in the following situations:

(a) Locally available commodities of U.S. origin, which are otherwise eligible for financing, if the value of the transaction is estimated not to exceed the local currency equivalent of \$100,000 (exclusive of transportation costs).

(b) Commodities of Geographic Code 935 origin if the value of the transaction does not exceed \$5,000.

(c) Professional services contracts estimated not to exceed the local currency equivalent of \$250,000.

(d) Construction services contracts, including construction materials required under the contract, estimated not to exceed the local currency equivalent of \$5,000,000.

(e) Under a fixed-price construction contract of any value, the prime contractor may procure locally produced goods and services under subcontracts.

(f) The following commodities and services which are only available locally:

(1) Utilities, including fuel for heating and cooking, waste disposal and trash collection;

(2) Communications—telephone, telex, facsimile, postal and courier services;

(3) Rental costs for housing and office space;

(4) Petroleum, oils and lubricants for operating vehicles and equipment;

(5) Newspapers, periodicals and books published in the cooperating country;

(6) Other commodities and services (and related expenses) that, by their nature or as a practical matter, can only be acquired, performed, or incurred in the cooperating country, e.g., vehicle maintenance, hotel accommodations, etc.

Subpart F—Waivers

§ 228.50 General.

USAID may expand the authorized source in order to accomplish project or program objectives by processing a waiver. When a waiver is processed to include a new country, area, or geographic code, procurement is not limited to the added source(s), but may be from any country included in the authorized geographic code. All waivers must be in writing.

§ 228.51 Commodities.

(a) *Waiver criteria.* Any waiver must be based upon one of the criteria listed in this section. Waivers to Geographic Code 899 or Code 935 which are justified under paragraph (a) (2) or (3) of this section may only be authorized on a case-by-case basis.

(1) Commodities required for assistance are of a type that are not produced in and available for purchase in the United States, and for waivers to Code 899 or Code 935, also not in the cooperating country, or any country in Code 941.

(2) It is necessary to permit procurement in a country not otherwise eligible in order to meet unforeseen circumstances, such as emergency situations.

(3) It is necessary to promote efficiency in the use of United States foreign assistance resources, including to avoid impairment of foreign assistance objectives.

(4) For waivers to authorize procurement from Geographic Code 941 or the cooperating country:

(i) For assistance other than commodity import programs, when the lowest available delivered price from

the United States is reasonably estimated to be 50 percent or more higher than the delivered price from a country or area included in Geographic Code 941 or the cooperating country.

(ii) For assistance other than commodity import programs, when the estimated cost of U.S. construction materials (including transportation and handling charges) is at least 50 percent higher than the cost of locally produced materials.

(iii) For commodity import programs or similar sector assistance, an acute shortage exists in the United States for a commodity generally available elsewhere.

(iv) Persuasive political considerations.

(v) Procurement in the cooperating country would best promote the objectives of the foreign assistance program.

(vi) Such other circumstances as are determined to be critical to the success of project objectives.

(b) *Additional requirements.* A waiver to authorize procurement from outside the United States of agricultural commodities, motor vehicles, or pharmaceuticals (see § 228.13, “Special source rules requiring procurement from the United States,”) must also meet requirements established in USAID directives on commodity eligibility. (USAID’s Automated Directives System Chapter 312.)

(c) Any individual transaction not exceeding \$5,000 (not including transportation) does not require a waiver. In no event, however, shall procurement be from a non-Code 935 source.

[61 FR 53616, Oct. 15, 1996; 62 FR 314, Jan. 3, 1997]

§ 228.52 Suppliers of commodities.

Geographic code changes authorized by waiver with respect to the source of commodities automatically apply to the nationality of their suppliers. A waiver to effect a change in the geographic code only with respect to the nationality of the supplier of commodities, but not in the source of the commodities, may be sought if the situation requires it based on the appropriate criteria in § 228.51.

§ 228.53 Suppliers of services—privately owned commercial suppliers and nonprofit organizations.

Waiver criteria. Any waiver must be based upon one of the criteria listed in this section. Waivers to Geographic Code 899 or Code 935 which are justified under paragraph (b) or (c) of this section may only be authorized on a case-by-case basis.

(a) Services required for assistance are of a type that are not available for purchase in the United States, and for waivers to Code 899 or Code 935, also not in the cooperating country, or any country in Code 941.

(b) It is necessary to permit procurement in a country not otherwise eligible in order to meet unforeseen circumstances, such as emergency situations.

(c) It is necessary to promote efficiency in the use of United States foreign assistance resources, including to avoid impairment of foreign assistance objectives.

(d) For waivers to authorize procurement from Geographic Code 941 or the cooperating country:

(1) There is an emergency requirement for which non-USAID funds are not available and the requirement can be met in time only from suppliers in a country or area not included in the authorized geographic code.

(2) No suppliers from countries or areas included in the authorized geographic code are able to provide the required services.

(3) Persuasive political considerations.

(4) Procurement of locally available services would best promote the objectives of the foreign assistance program.

(5) Such other circumstances as are determined to be critical to the achievement of project objectives.

§ 228.54 Suppliers of services—foreign government-owned organizations.

A waiver to make foreign government-owned organizations, described in § 228.33, eligible for financing by USAID must be justified on the basis of the following criteria:

(a) The competition for obtaining a contract will be limited to cooperating country firms/organizations meeting

the criteria set forth in §§ 228.31 or 228.32.

(b) The competition for obtaining a contract will be open to firms from countries or areas included in the authorized geographic code and eligible under the provisions of §§ 228.31 or 228.32, and it has been demonstrated that no U.S. firm is interested in competing for the contract.

(c) Services are not available from any other source.

(d) Foreign policy interests of the United States outweigh any competitive disadvantage at which United States firms might be placed or any conflict of interest that might arise by permitting a foreign government-owned organization to compete for the contract.

§ 228.55 Delivery services.

(a) Ocean transportation. A waiver to expand the flag eligibility requirements to allow the use of vessels under flag registry of the cooperating country, or Geographic Code 899 or 935 countries may be authorized under the circumstances provided for in this section. Any waiver granted under this section for a particular shipment which is not based on a determination of non-availability does not reduce the pool of cargo from which the applicable percentage required to be shipped on U.S.-flag vessels under the Cargo Preference Act of 1954, Section 901(b)(1) of the Merchant Marine Act of 1936, as amended, 46 U.S.C. 1241(b), is determined. A waiver to expand the flag registry of any Code 935 country may be authorized when:

(1) It is necessary to assure adequate competition in the shipping market in order to obtain competitive pricing, particularly in the case of bulk cargoes and large cargoes carried by liners;

(2) Eligible vessels provide liner service, only by transshipment, for commodities that cannot be containerized, and vessels under flag registry of countries to be authorized by the waiver provide liner service without transshipment;

(3) Eligible vessels are not available, and cargo is ready and available for

§ 228.56

22 CFR Ch. II (4–1–97 Edition)

shipment, provided it is reasonably evident that delaying shipment would increase costs or significantly delay receipt of the cargo;

(4) Eligible vessels are found unsuitable for loading, carriage, or unloading methods required, or for the available port handling facilities;

(5) Eligible vessels do not provide liner service from the port of loading stated in the procurement's port of export delivery terms, provided the port is named in a manner consistent with normal trade practices; or

(6) Eligible vessels decline to accept an offered consignment.

(b) Air transportation. The preferences for use of United States flag air

carriers or for use of United States, other Geographic Code 941 countries, or cooperating country flag air carriers are not subject to waiver. Other free world air carriers may be used only as provided in § 228.22.

§ 228.56 Authority to approve waivers.

The authority to approve waivers of established policies on source, origin and nationality are delegated authorities within USAID, as set forth in the Automated Directives System Chapter 103 and any redelegations. USAID contractors or recipients of assistance agreements shall request any necessary waivers through the USAID contract or agreement officer.
